### Section 110

"Hey, there are really demons from the Mahayana realm coming."

"But it seems like a big one is here, and it's a bit difficult to deal with."

The person responsible for guarding Dingzhou City is an elder from the Void Refining Realm named Jiang Sufei.

He couldn't help but be shocked when he saw Wu Tian's palm hitting the city.

Jiang Sufei sent a message to the sect while preparing to activate the defensive formation in the city.

However, before he could make any move.

I saw a huge fist rising into the sky from the city.

The fist shadow, with nine colors of light, instantly broke the giant palm that was hitting Dingzhou City.

A figure rose into the air from a small house somewhere in the city and rushed towards the Mahayana demons in the sky.

"Where did this Mahayana monk come from?"

Jiang Sufei was stunned?

As far as he knew, the Dao Sheng Sect currently only had one Mahayana master.

So where did this Mahayana monk in front of me come from?

Jiang Sufei didn't think too much and quickly sent a message to Feng Xiaotian.

"There are Mahayana demons attacking Dingzhou City. There is a Mahayana monk in the city who is suspected of being one of ours. I don't know where he came from."

Feng Xiaotian, who was in the Demon City, knew what was going on when he saw Jiang Sufei's summons.

In the entire Mahayana realm of Yu Fantian, apart from the demons, he and Zhang Yuhe are the only two people left.

Now that there are Mahayana monks in Dingzhou City, Zhang Yuhe must be the one who encounters the Mahayana demon clan.

This made him a little worried.

I have to go over and pick up the wave.

Anyway, there is a teleportation array in the city.

convenient.

You can go and come back quickly.

Thinking of this, Feng Xiaotian immediately sent a message to Jiang Sufei.

"Keep the teleportation array in Dingzhou City open, I'll be there soon."

After saying that, Feng Xiaotian turned into a stream of light and quickly flew towards the teleportation array in the Demon Suppressing City.

Zhang Yuhe rose into the sky and faced Wu Tian.

He knew this man.

After dealing with the demons for a long time, he already understood some basic information.

The person in front of him is the first demon god Wei Wutian, who is another late-stage Mahayana man in addition to Mo Yuetian, the master of the Demon Palace.

The strength in the late Mahayana period is very terrifying.

However, Zhang Yuhe still chose to face him directly and had no intention of escaping.

This is not because he wants to protect other monks in the city.

He is not so noble yet.

The reason why I chose to face him directly was because it was difficult for him to run away.

As long as he shows up, his aura of Mahayana realm is like a light in the dark night, very conspicuous.

Wu Tian will definitely still hunt him down.

Secondly, he wanted to try whether he could kill Wu Tian, a late Mahayana man, after activating the Hunyuan Guiyi magical power.

The other Mahayana demons are now scattered in various places, and they will definitely not be able to support them for the time being.

This gave him enough time to have a good fight with Wu Tian.

If Wu Tian, a late-stage Mahayana demon, could be killed, then the pressure on the Dao Sheng Sect would be reduced by at least half.

Even if the Hunyuan Guiyi magical power is activated, it is not a waste.

...

## Chapter 104 Death of Zhao Mingyue

Seeing Zhang Yuhe's current figure.

Wu Tian couldn't help but be ecstatic, and then said through gritted teeth.

"It turns out it's you. Let's see where you run away this time."

In his opinion, meeting Zhang Yuhe unexpectedly was definitely a big gain.

They had set up traps many times to get rid of Zhang Yuhe's future problems.

However, due to various accidents, it was not successful in the end.

Wu Tian didn't believe that Zhang Yuhe could escape again this time.

The previous few times, because Zhang Yuhe had set up a temporary teleportation array in the wilderness in advance.

Only then was he able to escape.

Wu Tian thought, now that Zhang Yuhe was in Dingzhou City, he couldn't be still outside, setting up teleportation arrays everywhere.

As long as there is no help from the teleportation array.

He was confident that he could chase Zhang Yuhe to death.

Moreover, they are so close now.

Even if there was a teleportation array around him, he would not let Zhang Yuhe have the chance to teleport away.

Zhang Yuhe completely ignored Wu Tian's remarks.

He looked at Zhao Mingyue beside him.

Although he has never seen a real person, he can recognize this woman who looks like Concubine Mingyue at a glance.

It must be Zhao Mingyue, the leader of the Demon God Cult.

This beautiful woman is a scourge and must be killed first.

Zhang Yuhe pointed it out directly to Zhao Mingyue without even thinking about it.

A huge finger shadow appeared out of thin air and slowly pressed towards Zhao Mingyue.

Completely freeze her body.

Zhao Mingyue's beauty instantly turned pale, and she couldn't move.

"With me here, you still dare to act arrogantly."

Seeing Zhang Yuhe ignoring his presence, he directly attacked Zhao Mingyue next to him.

Wu Tian couldn't help but be furious.

"You don't take me seriously."

He slapped the shadow of his finger with a backhand palm.

However, Zhang Yuhe followed up with a punch.

The huge fist shadow emitted nine colors of light, and headed straight towards Wutian like an overwhelming mountain.

Wu Tian's heart trembled.

Seeing Zhang Yuhe's powerful fist, he did not dare to be careless at all, and had no choice but to give up on rescuing Zhao Mingyue.

At the same time, the palms turned over, and the palm shadow faced the fist shadow, causing a violent collision in an instant.

Boom...

A violent shock wave swept around.

The defensive light curtain that had just been raised in Dingzhou City was instantly crushed to pieces by the shock wave of the collision between the two.

Not only that, the shock wave swept across Dingzhou City, and a large number of buildings were instantly razed to the ground.

Countless monks in the city were completely wiped out before they understood what was happening.

At the moment when the fist shadow and palm shadow collided, Zhang Yuhe flew back continuously.

He retreated thousands of miles away before slowly stabilizing his body.

Wu Tian just fluttered twice in place and did not retreat half a step.

The demons in the late Mahayana period were so powerful.

Seeing this, Zhang Yuhe could not help but feel a chill in his heart.

Although he had escaped from Wu Tian twice before.

But he had never underestimated this man's strength.

However, the result of the first head-on confrontation still surprised him.

Zhang Yuhe did not expect that Wu Tian's strength would be so strong.

He used his full strength and the self-created Galaxy Dragon Fist.

He still could not catch Wu Tian's casual palm.

The gap in strength between the two of them was so big.

Fortunately, Zhao Mingyue, the woman, died in the end.

Because Zhang Yuhe used his full strength, Wu Tian did not dare to be careless.

He gave up trying to rescue Zhao Mingyue.

The shadow of his finger pressed directly on Zhao Mingyue's head.

The golden light completely enveloped her.
