Chapter 189

Chapter 170 Yu Liwei, the Domineering One

Seeing that Ouyang Tianchen was about to retreat.

Qian Mu thought for a long time and then spoke.

"Please ask Brother Ouyang to contact Brother Tianwu again and ask what the situation is like?"

He thought that Ouyang Tianwu had a defensive formation to rely on, so he should be able to defend Tianchen Island.

Now they only need to send one or two more Golden Immortals to support.

Then, with internal and external cooperation, maybe they can kill Zhang Yuhe outside Tianchen Island.

In that case, not only can the plan to besiege Daosheng Sect continue.

And Zhang Yuhe, this dangerous enemy, can be solved in the bud.

Ouyang Tianchen thought for a while and said helplessly.

"Okay, I'll ask again."

He took out the Immortal Mirror and cast a spell.

However, the other party did not respond.

This made Ouyang Tianchen very anxious, fearing that Ouyang Tianwu had an accident.

Seeing this situation, Qian Mu next to him said in a low voice.

"Brother Tianwu, could it be that you can't get away, so you didn't reply."

At this time, Ouyang Tianchen was in no mood to care about Qian Mu.

Suddenly, his face changed.

A white jade talisman appeared in his hand.

On the jade talisman, there were cracks all over it, and it soon turned into gray.

Seeing this, Ouyang Tianchen was simply stunned.

This jade talisman is called the Soul Jade, and its function is similar to the Soul Lamp, but it is more convenient.

There is a trace of Ouyang Tianwu's soul on it.

Now that the Soul Jade is cracked, doesn't it mean that Ouyang Tianwu has fallen?

How is this possible?

As a Golden Immortal cultivator, Ouyang Tianwu has already comprehended the Law of Earth and reached the realm of minor success.

Even if he can't beat Zhang Yuhe, who has comprehended the Supreme Law, it should be no problem to save his life.

And Ouyang Tianwu also has the defense formation of Tianchen Island to help him.

How could he fall?

How long has it just been?

It has only been a short while since Ouyang Tianwu sent him a message for help.

In such a short time.

Zhang Yuhe was able to break the second-level defense fairy formation and then kill Ouyang Tianwu?

Even if it is the Supreme Law, it should not be so strong.

However, the facts are in front of him.

Soul Jade can't deceive people.

Qian Mu, who was standing next to him, obviously knew what happened.

He was so shocked that he couldn't speak.

Originally, Qian Mu thought that Zhang Yuhe was just a future threat.

Although Zhang Yuhe understood the Supreme Law, he was still just a True Immortal cultivator after all.

For the time being, he should not be a threat to a powerful Golden Immortal cultivator like him.

Now it seems that things are far from as simple as he imagined.

Zhang Yuhe was able to break the defense fairy formation on Tianchen Island in a short time and kill Ouyang Tianwu.

Such strength is probably far beyond his imagination.

Dao Sheng Sect has such a powerful fighting force, and their future life will be difficult.

While Qian Mu was still struggling.

At this time, Ouyang Tianchen could no longer care about other things.

He quickly gave an order.

"Everyone gather immediately and follow me back to Tianchen Island."

After hearing this order, everyone was stunned.

They didn't know what happened yet.

Why did they go back when they were fighting well?

However, the cultivators of the Ouyang family did not question it.

They quickly approached Ouyang Tianchen.

Qian Mu also recalled the family cultivators.

Now he no longer had the idea of destroying the Daosheng Sect.

At this time, he had only one idea.

That was to go back and defend.

In his opinion, perhaps Zhang Yuhe's next target would be their Qian family.

There were no Golden Immortal cultivators guarding their family's residence.

Once Zhang Yuhe came to the door, it would be broken in minutes.

Thinking of this, Qian Mu immediately ordered everyone to gather and return.

Lian Zhengyu stood on the top of Daosheng Peak, watching the changes in front of him.

He didn't know what happened yet.

But he obviously wouldn't go out.

Because in his opinion,

Perhaps this is a trick by the Ouyang and Qian families to lure the enemy.

The other party can't break into the gate of Daosheng Sect, so they can only use such a clumsy trick.

Even a fool wouldn't be fooled.

Ouyang Tianchen and Qian Mu, each of them gathered their teams and boarded the flying boat, preparing to return.

Just then.

A soft and leisurely voice came faintly from afar.

"Since you two are here, why go back again."

Hearing the voice, the mood of Ouyang Tianchen and others instantly fell to the bottom.

They knew that the worst situation had finally appeared.

A stream of light passed by the sky.

A huge flying boat was flying towards this side at a high speed, and soon appeared in everyone's sight.

Yu Liwei stood on the top of the flying boat and looked at the two monks with a calm expression.

After receiving the news, she quickly rushed to Daosheng Sect.

It was just because of the long distance that she spent several days to finally reach Yunfei Island.

However, the imagined fierce battle was not seen.

On the contrary, Ouyang Tianchen and others were actually preparing to return home.

This surprised her greatly.

She didn't even know what had happened.

But since she has come forward, she has no intention of letting Ouyang Tianchen and others go back.

These people have coveted Daosheng Sect for a long time, and it would be a disaster if they stay.

Let's just let these people disappear.

The Ji'an Sea is too small, and the coexistence of five forces seems a bit too crowded.

She thought that it might be a good idea to take this opportunity to eliminate the Ouyang Family and the Qian Family.

Seeing Yu Liwei appear.

Ouyang Tianchen and Qian Mu immediately thought it was not good.

They have been worried that Jiuxianmen and Wanshou Sect would intervene in this matter.

Unexpectedly, the worst situation really happened.

And it appeared at this, the most fatal time.

Although only Yu Liwei came.

But the name of a person is the shadow of a tree.

Yu Liwei had been promoted to the late stage of the Golden Immortal a million years ago.

He is currently the first person in the Ji'an Sea.

Facing such an existence, even if they still have seven Golden Immortals, they dare not be careless at all.
