Chapter 191

If the opponent is not imprisoned, the Immortal-Destroying Cannon can't hit the Golden Immortal cultivator at all.

After all, the opponent will not stand there stupidly and wait to be hit by the cannon.

But now that Yu Liwei is here, it's completely different.

Yu Liwei's dream law is a perfect match with the mid-grade Immortal-Destroying Cannon.

Facing the front and back attack, and the presence of the mid-grade Immortal-Destroying Cannon on both sides.

Ouyang Tianchen and Qian Mu's mood instantly sank to the bottom.

They knew that they probably couldn't escape today.

Even without the Immortal-Destroying Cannon.

Yu Liwei's dream law alone can play them around.

As a special law, the dream law has extremely powerful power.

It can pull the cultivator out of the dream and make him unable to extricate himself.

If there is no powerful law power to compete with it, it is completely a lamb to be slaughtered.

What's more terrifying is that Yu Liwei has also comprehended the dream law to the realm of small success.

Special laws are not as simple as ordinary laws.

It is extremely difficult to cultivate a special law to a small success.

Although Ouyang Tianchen and Qian Mu have also cultivated the law to a small success.

But what they have comprehended is only the ordinary five elements law.

In front of Yu Liwei's dream law, they can only barely resist.

They are not completely immune.

Thinking that he can't escape today, Ouyang Tianchen asked bitterly.

"Master Yu, can I ask why?"

"Also, where did you get your mid-grade immortal-killing cannon?"

He was very puzzled about Yu Liwei's intervention in this matter.

If all the members of Jiuxianmen were dispatched, it could be said that Jiuxianmen and Daoshengzong may have joined forces long ago.

But now, only Yu Liwei came.

This means that she may have chosen to intervene in this matter for personal purposes.

Why is this?

Is there any special relationship between Yu Liwei and Daoshengzong?

He really doesn't know.

Of course, what Ouyang Tianchen doesn't understand even more is why the other party has a mid-grade immortal-killing cannon.

Basically, this thing will not be circulated on the market.

You can't buy it even if you want to.

Did the Nine Immortal Sect and the Daosheng Sect find the sitting cave of a certain Taiyi Immortal together?

Are these middle-grade immortal-killing cannons the relics of a certain Taiyi Immortal?

If this is true, then it can only be said that the other party's opportunity is too strong.

Facing Ouyang Tianchen's question, Yu Liwei just smiled faintly.

Then she spoke.

"The dead don't need to know so much."

After saying that, she plucked the strings of the zither again.

The sound of the zither carried the power of the law and instantly enveloped the two people.

Ouyang Tianchen and Qian Mu used the power of the law with all their strength to try to break free from the control of the dream.

However, at this moment.

The eight middle-grade immortal-killing cannons in front and behind opened fire almost at the same time.

The scorching light, like destroying the sky and the earth, instantly turned the two people into ashes.

All seven golden immortals died.

There were nearly a thousand true immortal cultivators from the two families around.

However, these people are still immersed in the dream and cannot extricate themselves.

Lian Zhengyu frowned slightly and waved his right hand.

A fairy sword flew out instantly and swept towards those true immortals.

The fairy sword was like mowing grass, wiping out all the true immortals of the two families.

The originally mighty teams of the two families turned into ashes in an instant.

From then on.

The original five major forces in the Ji'an Sea area now only have three left.

...

Chapter 172 The world is shocked

Seeing the powerful enemies wiped out, Lian Zhengyu couldn't help but breathe a sigh of relief.

He quickly came to Yu Liwei and said gratefully.

"Thank you, Master Yu, for your help."

Yu Liwei nodded, and then said lightly.

"Take me to the Changsheng Palace.

"Okay, Master Yu, please follow me. "

Lian Zhengyu gestured with his hand and took Yu Liwei to fly quickly into the gate of Daosheng Sect.

Of course he knew why Yu Liwei wanted to go to Changsheng Hall.

Because the soul lamps of all the people in Daosheng Sect were placed there.

Among them, Lu Yunfei's soul lamp was also placed in Changsheng Hall.

Although he didn't know what the relationship between Yu Liwei and Lu Yunfei was.

But when Lu Yunfei disappeared, Yu Liwei returned to Ji'an Sea from Chaos Continent.

The first thing she did was to come to Daosheng Sect to check the status of Lu Yunfei's soul lamp.

Seeing that Lu Yunfei's soul lamp was intact, she left with peace of mind.

Before leaving, Yu Liwei also handed him three mid-grade immortal-destroying cannons.

It was said that Lu Yunfei left.

But since then, Yu Liwei He never contacted Daosheng Sect again.

He also couldn't figure out the other party's attitude.

So when facing the attack of the two major family forces.

Lian Zhengyu didn't think about asking Jiuxianmen for help.

However, what he didn't expect was.

Yu Liwei actually took a strong move and instantly killed the Golden Immortal cultivators of the two major families.

Now Lian Zhengyu finally understood.

The relationship between Lu Yunfei and Yu Liwei must not be that simple.

It seems that his senior brother Lu, who has been missing for many years, has a lot of things to hide from him.

...

The two flew quickly all the way and soon arrived at Changsheng Hall.

The deacon disciple on duty in Changsheng Hall saw Lian Zhengyu coming in.

He hurriedly shouted respectfully.

"Greetings to the Sect Master."

Lian Zhengyu waved his hand, signaling the deacon disciples to go out first.

Yu Liwei walked slowly to the front of the hall.

Looking at the soul lamp placed on the top, it exuded a familiar breath.

Although 800,000 years have passed, Lu Yunfei's soul lamp is still extremely bright.

What is certain is that Lu Yunfei is still alive.

It's just that I don't know if he is trapped in a secret place in the Chaos Continent.

So even after so many years, he still hasn't returned.

Looking at the soul lamp in front of her.

Yu Liwei's face showed joy, but soon turned to sadness.

Suddenly, she turned her wrist.

A fairy mirror appeared in her hand.

After casting the spell and seeing the information on it, Yu Liwei couldn't help but be a little surprised.

She turned to Lian Zhengyu and asked.

"Does your Daosheng Sect have a true fairy disciple named Zhang Yuhe?"
