

The Pinnacle of Life – Chapter 1139

Soraya felt like dying at this moment. She wasn't afraid of death. She hoped that she could die right now.

She had watched her companions die with her own eyes just now, stabbed by knives without being able to fight back. She had also hoped that the knives would pierce her body when it had happened.

Soraya wouldn't need to endure the humiliation she would face later when Giovanni forced himself on her later either, and she wouldn't need to endure the torment of the regret she felt inside.

At this moment, she had been trussed up and left in the corner of the room. She burst into tears.

She wasn't crying for herself but for how stupid she was in leading the team and getting all her companions killed. She would never forgive herself.

Click!

The door opened at this moment.

A man walked in.

Soraya's expression tightened, a fierce look upon her face. She thought that Giovanni came in, but she didn't expect to find that it was the very despicable man she had met before this.

"It's you?"

"Why are you here?!"

Soraya looked at the man in front of her in shock. The man was Hubert Gordon.

Obviously, Alex had been the one to rescue him from Giovanni's office... Oh, alright, it wasn't Alex but Maiko that had done it. After he had been rescued, Alex wanted him to take credit for rescuing Soraya.

Alex had found another room in the Golden Tower and found something else in it.

Hubert felt it was strange, too, but he just said, "Something big has happened outside. I heard that you're an officer. Now that Giovanni is dead, you better hurry up and leave!"

Hubert untied the ropes binding Soraya, freeing her.

"What?!" Soraya was stunned. "How did he die?"

"I don't know. Don't ask me."

"..."

Soraya watched Hubert carefully, making sure that he wasn't joking. He didn't look like he was a hidden master or anything, and she felt even more confused.

The Divine Constabulary had dispatched a fully armed team, and not only had they failed to capture him, but they had also even been annihilated. It had just been a short period, and now Giovanni was dead?!

After she was free, she rushed out immediately. However, before she reached the entrance of the room, she turned around to say, "Thank you!"

Then, she rushed out of the room and was shocked again.

There were severed limbs and blood flowing freely everywhere. It was like a bloodied battlefield, like hell on earth, and she could count at least fifteen corpses from the single glance at the scene in front of her.

“Who? “Who in the world did this?!”

After Hubert had released Soraya, he didn't see Alex or Cheryl. However, he received a call from Thea and immediately left the place, trembling with fear and trepidation. When he walked out of the Golden Tower, he realized that his shoes' soles were covered in blood.

“Hubert!”

Thea was waiting under a shade outside of the Golden Tower, and she ran over when she caught sight of him.

“Have you seen Alex and Cheryl?” Hubert asked.

Thea sneered. “Those people felt like money was more important than their lives. I'm sure they're stuck inside right now, unable to leave. Did he think that Boss Winn wouldn't rampage? With so many emeralds, did he think that they'd let him leave just like that?”

“What emeralds? Boss Winn is dead, and there are a lot of dead people inside. There's at least a dozen of them... Oh, Alex was just there just now. How did he suddenly just disappear?”

Thea's face paled in fright.

She quickly tugged at Hubert, dragging him away from this god-forsaken place.

At the same time, Alex had found a secret room in Giovanni's office.

Maiko had stumbled upon it by accident.

Inside the secret room were a lot of priceless emeralds, but that wasn't the reason for Alex's excitement. He had caught sight of another Black Spirit Crystal, and the size was way bigger than the one he had in his pocket.
