

The Pinnacle of Life Chapter 300

“Arrest them both.” Tony Lee immediately ordered. Wasn’t this similar to what happened this morning when Spark Rockefeller and Carol Rockefeller were arrested?

Tony was very surprised.

Why were there so many fools causing trouble for Alex Rockefeller, who was a part of Divine Constabulary? Wouldn’t it be suicidal to do so?

Madame Joanne and Benny Assex were both stunned. How could this be? This was completely different from what they had expected.

“Mr. Lee, he was the one who injured my son and granddaughter. Why are you arresting us instead of him?” Madame Joanne cried out She had done many things in her life, but she had never gone to jail before.

Did she have to experience what it was like to live in jail at such an old age?

It would be a lifetime of shame.

Tony didn’t seem bothered. “You heard the recording just now. There’s nothing left to say. Even if Mr. Rockefeller injured Anderson and Emma, it was out of self-defense. He will not be held accountable at all.

“Take them away!” Tony continued.

“Ahh!” Madame Joanne shouted.

“No, no. You can’t arrest me. I wasn’t behind this. If you must arrest anyone, it should be Anderson and Emma. None of this has anything to do with me. I can’t go to jail! Claire, Dorothy, speak tip! Do you really want me to go to jail and embarrass the entire Assex family?” She yelled.

In the end, Dorothy Assex couldn’t find it in herself to be cruel. She gave Alex a look.

Alex waved his hand. “Fine. I did suspect they were the culprits.”

“Well then... Should we arrest Anderson and Emma?” Tony asked.

“Forget it. They’ve already received the punishment they deserved.” Alex waved his hand again.

After that, Tony and his team left.

Madame Joanne and Benny sighed in relief. However, they didn’t notice one particular detail. Tony was very respectful toward Alex. In fact, it seemed almost as if he would do anything to please Alex.

Tony let Alex decide whether he should arrest other people.

After Tony and his team had left, Madame Joanne began acting arrogantly again. “We won’t let this slide. Just you wait. We’ll make your family bankrupt, and you’ll live as beggars on the streets!”

However, right then, a black car stopped in front of the villa. Charles Carter got out of it and walked into the villa.

“Mr. Carter? Why are you here?” Benny quickly greeted him.

Madame Joanne smiled at him as well.

But Charles ignored them. He walked right up to Alex and Dorothy. “Hey, are you two alright? Alex, I’ve already found out what happened. The Assex family really are a bunch of turds.”

Alex was surprised. “Brother-in-law, how did you find out so quickly?”

Since Hailey Lawson forced Alex to be her adoptive brother, and Alex couldn’t say no, he acknowledged Charles as his brother-in-law.

“One of my staff was running an errand in Assex Construction’s office. He happened to have witnessed what happened and called me on the phone to tell me about it. That’s why I immediately rushed here.” Charles explained.

“You’re too kind!” Alex exclaimed.

“Don’t mention it. We’re family, after all.”

When Benny and Madame Joanne overheard their conversation, they suddenly felt as if their world was spinning. Their hearts were about to leap out of their chest, and had a bad feeling about what was going to happen next.

Indeed, Charles approached the two of them and started speaking coldly. “From today on, Waylon Realty will cancel all collaborations with Assex Construction. In the future, material supplies from Waylon Realty will only go to Dorothy’s company. Alex, Dorothy, I heard that you changed your company name. Let’s sign a new contract!”
