

Trick Me 1031

Chapter 1031: also took him away

How could Fang Shaoan, who loved to eat, drink, and have fun, Miss such an auction?

However, it was too boring for him to go alone. He had to capture one of the two people to go with him!

It was fine if Wen Tao didn't go, but it was better to bring Yan Jun with him. This way, he would have a higher chance of turning heads!

With this thought in mind, Fang Shaoan put his attention on Yan Jun again.

"Second Young Master, are you really not going?"

"Yes." Yan Jun nodded and continued to flip through the documents in his hands.

Zhuge Wentao saw Fang Shaoan's attentive manner and could not help but speak up for Yan Jun. "if you really want to go, then go by yourself. Second Young Master is very busy. He has not slept well for a few days."

"Is it that busy?" Fang Shaoan spread his hands to express his strong doubts. "I don't understand. The group's shares have all been suspended, right? The people from the Bureau of Industry and Commerce are still investigating the company, right? You say that you can't even close this business deal. Why are you still so busy?"

The reason why Lu Yiming had the Stock Exchange suspend the trading of the Yan group was because the trading accounts were unclear. The people from the Bureau of Industry and Commerce had been ordered to investigate.

Under such circumstances, all recent cooperation with the Yan Group had been canceled. Normal trading had been interfered with, and all members of the Yan Group had been shut down.

Logically speaking, Yan Jun could do nothing now. He could just lie down at home and rest, so why was he getting busier and busier recently?

When Wen Tao heard this, he just rolled his eyes at Fang Shaoan. He couldn't be bothered to explain to him, and turned to look at Yan Jun. "second young master, I still have some things to do at home, so I'll take my leave first."

Yan Jun nodded and looked at Fang Shaoan, who was still lying on the SOFA, doing nothing. "take him away too."

His attitude and tone made it seem like Fang Shaoan was some kind of luggage bag that he could take away as he wished.

"Forget it, I want to be alone too." Wen Tao looked at Fang Shaoan with disdain and turned around to rub oil on his feet.

That speed was more than enough for him to sprint at 300 meters!

Fang Shaoan, "..."

So he seemed to be despised by everyone?

Did he have to be so unlucky?

"Hey, I just wanted to take you to an auction to relax after seeing you busy for so many days. Is there a need for that?" Fang Shaoan spread his hands. Actually, he was also quite innocent, okay?

Kindness was taken as a donkey's liver and lungs!

Hearing this, Yan Jun's expression eased up a little. He asked, "have you seen your father?"

Hearing Yan Jun mention this, Fang Shaoan knew what he wanted to ask him, so he laid back on the SOFA casually "Two days ago, the family had a meal together. My father also said that I should take care of you. Don't worry, my father's vote will definitely go to Xia Jitian!"

Fang Shaoan's father was in charge of the national defense and Security Bureau. He was directly under the Central Authority, and his position was higher than Huo Ting's.

Therefore, the last time Huo Ting wanted to take in the three Li brothers, even with his rank, he was unable to change their identities. He could only ask Fang Shaoan for help.

The Autumn election was about to begin. It would depend on who received the most votes, Lu Yiming or Xia Jitian.

Those who were loyal to Xia Jitian did not need to be mentioned. The important ones were those who remained neutral from the beginning to the end and held great power.

Since Fang Shaoan had said it so categorically, there was no need for Yan Jun to continue asking.

While he was deep in thought, the secretary knocked on the door and walked in.

"President Yan, Mr. Lu sent someone to deliver this." As he spoke, the Secretary handed an envelope-like item to Yan Jun's desk.

Yan Jun looked down and saw a white envelope with a cherry blossom pattern on it.

Chapter 1032: has a surprise tonight

He casually picked it up and opened it. He found a letter inside.

He opened it, but there was only one line of words.

"there will be a surprise at tonight's auction."

The signature was Lu Yiming.

Seeing this, Yan Jun's lowered black eyes instantly stirred.

It was just an auction, and Lu Yiming was actually involved in it?

That was fine, but the problem was that he had deliberately asked someone to send such a sentence. What was the meaning of it?

Could it be that he had tampered with the auction too?

Fang Shaoan, who was bored, was immediately interested when he heard his secretary say that Mr. Lu had sent someone to deliver the message. He stood up from the SOFA and walked over quickly. He glanced at the letter in Yan Jun's hand and asked, "what did you write?"

Yan Jun came back to his senses and handed the letter directly to him.

Fang Shaoan took a look and raised his eyebrows. "What does he mean by this? What do you mean by there's a surprise at the auction?"

"He's afraid that I won't go." Yan Jun leaned back in the chair, his fingers lightly touching each other as he played with it thoughtfully.

No matter what happened at the auction, or what Lu Yiming did, one thing was certain. This so-called trick must have something to do with Yan Jun.. *nOve-lb-1n*

Otherwise, Lu Yiming wouldn't have done anything unnecessary.

Fang Shaoan put down the letter and looked at Yan Jun. "are you still going? Is there a trap?"

"What time is it now?" Yan Jun asked instead of answering.

"It's five o'clock."

"Go." Yan Jun threw down a word, got up, took his coat, and put it on.

Fang Shaoan was a little dumbfounded. He had been trying to persuade him for a long time, but he still refused to go to the auction. Lu Yiming just sent a small note and called Yan Jun over?

Wasn't the gap between the two A little too big?

Fang Shaoan felt indignant. He stopped Yan Jun and said, "second young master, aren't you being too unfriendly? It's fine if you don't give me face, but what face does this kid have? Did you really go?"

Yan Jun didn't answer him. He put on his suit jacket and walked out of the office.

"Hey! WAIT FOR ME!" Fang Shaoan didn't expect to ask more and quickly chased after him.

He just said he wouldn't go, but now he was running faster than him... ..

..

It was almost six o'clock when they arrived at the Royal Hotel.

Many rich kids and high-ranking officials had already entered the hotel.

When Yan Jun's car arrived, waiters from both sides immediately came to open the door and led Yan Jun and Fang Shaoan to the hotel lobby.

There were flower baskets on both sides of the road as they walked in. There were also special receptionists beside the flower baskets. When they saw someone enter, they would bend down to welcome them.

“It’s quite a grand event!” Fang Shaoan looked at the crowd and was somewhat excited “A few years ago, I heard that the items auctioned at the huayu auction house were all novelty items. Unfortunately, they were either overseas or in other cities. I didn’t expect to come to Rao city this time.”

“You came at the right time.” Yan Jun sneered thoughtfully.

They walked further in and passed a revolving door before entering the main entrance.

Don’t think that you can enter the hall at this time.

They hadn’t really entered the venue until now. There were people waiting by the side. “Sir, please show me your name card.”

Everyone who entered had to bring their name card with them. They had to check them one by one. Those who didn’t have it were all blocked outside.

Yan Jun and Fang Shaoan both handed out their name cards. A staff member took them and took a machine that was similar to a money detector and shone it on them.

Chapter 1033: meet at last 1

After a Beep, the staff member respectfully invited Yan Jun and Fang Shaoan in with a smile.

After checking the name card, they went through another security check. After making sure that no one was carrying weapons or control knives, they were led into the hall by a special person.

The moment the huge door opened, someone inside shouted loudly, “Yan Corporation, Director Yan! Fang Corporation, Mr. Fang! Distinguished guests, please come in!”

This voice was not soft, and it attracted the attention of the people in the hall.

This was actually a kind of insurance measure.

After all, this auction house’s venue was big, and it invited elites from all walks of life. Each and every one of them was a person of noble status.

However, as long as it was a place where people gathered, it was easy to create friction. After creating friction, it was easy to cause trouble. Once it was caused, both parties would have face and dignity, and it would be difficult to fight.

Therefore, before everyone entered the venue, there were people who called out their names loudly, in case everyone did not recognize each other’s identity. It would not be good if they offended each other.

In addition, it could also provide convenience for many nobles who wanted to climb up the social ladder.

Knowing that the person who came was Yan Jun, many people were tempted... ..

After entering through the main door, the waiter whispered, “please wait a moment, the auction will start in fifteen minutes!”

Fang Shaoan glanced around and found that many people in the venue were strangers. “What’s the background of this auction house? Can these people be invited? Second Young Master, look, there’s a prince of some country over there!”

Yan Jun looked at the prince who was surrounded by people not far away and said calmly, “that’s the prince of Dubai.”

“Uh... who cares about the prince? He has such a deep beard and a white scarf on his head. Wherever he goes, it’s a scenic view!” Fang Shaoan was used to being cheeky, so Yan Jun just let him be ...

But looking at today’s lineup, with the royal family here, what good stuff was going to be auctioned?

After walking around the venue for less than half a circle, they met a familiar person.

“Boss Quan? I really didn’t expect to meet you here.” Yan Jun smiled and took the initiative to reach out his right hand.

The man was wearing a dark gray twill suit. The top two buttons of his shirt were not fastened and were slightly open.

He did not wear a tie or bow tie, which gave him a casual feeling.

His face, which looked like it was carved by an axe, was even more handsome and earth-shaking. He was firm and steady, standing firmly in the vast world.

This man was the leader of the world-famous Quan family — Quan Rui.

The Quan group had a wide range of industries under its name. Clothing, beauty, real estate, tourism, hotels, Film and Television were all involved, and each of them became the leader of the industry.

When Yan Jun first wanted to abandon the Yan family’s family business to develop the global brand, he had met Quan Rui once in the Middle East.

At that time, the two of them had talked about cooperation and hit it off. However, because of the short time, they had not had a good chat. They had only hastily gotten their subordinates to draw up a contract and make a tentative cooperation.

They had not expected to meet again here today, in such a way.

Quan Rui came early. When he heard Yan Jun’s name being called, he had paid attention. As he talked to the people who took the initiative to come over, he moved closer to the center.

It was expected that he would run into Yan Jun so quickly.

He also smiled and shook hands with Yan Jun. “director Yan, how have you been?”

The two of them looked at each other and smiled, their bodies carrying a strong aura.

When the strong met, they were evenly matched. Neither of them suppressed the other, but maintained a perfect balance!

Chapter 1034: meet at last 2

Fang Shaoan also knew Quan Rui's reputation. At this moment, he also came over and was ready to shake hands with the big boss. "Quan, I've heard so much about you!"

"Nice to meet you." Quan Rui also shook hands with him, and the few of them began to talk.

"I heard that Quan has recently expanded a lot of business in Southeast Asia?" Yan Jun casually took a glass of red wine from the tray in the waiter's hand and raised his glass at Quan Rui.

Quan Rui also returned the toast and smiled calmly. "It's just a small business. It can't be compared to Yan's grand plans in the Middle East."

Fang Shaoan raised his eyebrows as he listened. Business Bragging?

Actually, it wasn't.

The two of them exchanged a few simple sentences, but they managed to get a clear understanding of each other's situation.

Business was like a battlefield. Only by knowing yourself and your enemy could you win a hundred battles.

"speaking of the Middle East, President Quan, are you interested in getting involved?" Yan Jun asked slowly, his dark eyes shining brightly.

When it came to business, one could never have too many friends.

The Middle East was a rich place. Yan Jun first scouted the way and ate sweet dates, then dragged Quan Rui in. Logically speaking, Quan Rui should have taken advantage.

However, this was not a good time to do business.

Quan Rui looked around calmly and suddenly lowered his voice. "President Yan, I heard that your company has been suspended for a few days? Is there a way to solve this?"

Since they wanted to cooperate, they naturally had to understand the other party's basic situation first.

If they were to be suspended all the time, it would be a little dangerous.

Yan Jun guessed that Quan Rui would ask this, but he did not panic at all. "It's just the merger of a few small companies. President Quan, you don't have to worry."

"Is that so?" Quan Rui did not continue to ask further, but after hearing Yan Jun's words, he believed him.

Yan Jun was a person who could open up a business in the Middle East. It was already an extraordinary move, and he believed that this small suspension would not be difficult for him.

After a few cursory conversations, an unexpected guest interrupted their conversation.

"President Yan? I didn't expect you to be interested in this auction too?"

Yan Jun turned around and saw Fan Teng bringing his daughter, Fan Yufei, over.

Yan Jun's expression did not change. He raised his cup to Fan Teng. "President Fan, long time no see."

Fan Teng also hurriedly raised his cup to indicate, "President Yan has been too busy recently and did not have the time to come out for a gathering!"

Fan Yufei seemed to follow her father obediently. She wore a white Italian handmade limited-edition dress and looked like a little white rabbit as she timidly looked at Yan Jun who was raising his head to drink.

Counting the time, it had been a long time since she had seen Yan Jun..

But even after not seeing him for such a long time, she was still moved by him.

Most importantly, Xia Jinqi actually did not follow by his side today?

With this thought, Fan Yufei took a step forward, wanting to get close to Yan Jun..

At that moment, a waiter happened to pass by. It was unknown if he accidentally bumped into Fan Yufei, or if he did not touch her at all. In any case, she leaned forward and almost threw herself into Yan Jun's arms.

The Champagne in the cup spilled out. Coincidentally, it spilled on Yan Jun's Armani suit.

"Ah!" Fan Yufei quickly cried out and quickly wiped Yan Jun's suit. "I'm sorry, I didn't mean to... It's all dirty..."

Yan Jun frowned and his eyes revealed a look of disgust. He flung Fan Yufei who had taken the opportunity to approach him away with a livid expression.

But Fan Yufei was unwilling to give up and stuck herself to him again. "What should we do? The GOWN IS DIRTY! Why don't we go to the private room upstairs to change?"

Chapter 1035: finally meet 3

Fan Yufei's words clearly had a deep meaning.

She really had not learned her lesson. The tricks she used a year ago and a year later were all so old-fashioned. She did not even know to change them.

However, Quan Rui had long seen through her tricks.

He interrupted with a smile, "President Yan, this is... Your Wife?"

"No." Yan Jun vehemently denied it and took a step back. He did not even want to have any contact with Fan Yufei.

Fan Yufei's expression immediately turned as ugly as a pig's liver.

At this moment, the loud voice of a waiter came from the door.

“Lego Group, Mr. Xia has arrived!” noVe-lb-In

After this voice, the entire place fell silent!

Yan Jun’s entire body stiffened and his insufferably arrogant black eyes instantly lost their focus!

Everyone stopped talking and looked towards the entrance at the same time... ..

This attention was clearly higher than when Yan Jun had arrived!

Although Yan Jun was powerful, everyone was familiar with him. Furthermore, most of them knew that this cold-faced King of hell had a bad temper. As long as it was someone he did not like, it would be difficult for them to even speak to him.

However, Lego’s summer was different.

All the celebrities present had heard of Lego’s name.

However, other than these two words, none of them had a deeper understanding of Lego.

Even more so, no one had seen Lego’s leader.

Everyone only knew that Lego’s new leader had been in office for more than a year, but he still remained mysterious. No one had heard of him appearing in public before. Why did he suddenly come tonight?

Some people began to discuss.

“Is it really that genius youth from Lego?”

“I don’t know... I guess it should be? Who Dares to create trouble and pretend to be LEGO’S LEADER?”

“I heard that this leader caused trouble in Macau a while ago. He’s not someone to be trifled with!”

“This huayu auction house is really capable to invite this mysterious person to the venue!”

These people’s words fell into Yan Jun’s ears. He narrowed his dark eyes and looked straight at the entrance... ..

Could it be... ..

Under everyone’s gaze, the two doors to the entrance were pushed open.

A young man with shiny silver hair appeared before everyone’s eyes!

The young man had exquisite facial features, red lips and white teeth. He wore a dark blue casual suit with white stripes on the edges, which complemented the same color t-shirt lining.

The young man had his hands in his pockets handsomely. His expression was cold, and his eyes were melancholic.

He looked extremely like a prince who was late for a banquet... ..

And beside the young man was a woman in a black gown. Her figure was hot, and her temperament was extraordinary!

The entire crowd gasped... ..

“Oh my God! Is this really LEGO’s summer? It’s said that she’s not tall and has a head of silver hair. I didn’t expect it to be true? ”

“There’s a special effect when she appears! Why do I feel like this youth’s entire body is glowing? ”

“It’s so worth it to come tonight! I’ve actually witnessed lego’s leader’s true appearance in my lifetime?
”

While everyone was talking excitedly, someone suddenly rubbed his arms and muttered, “Eh? Why is it so cold all of a sudden? ”

“It seems like it... should we turn on the heater? ”

“I’m pretty cold too... ”

Everyone began to rub their arms and searched for a long time. Everyone’s eyes fell on the source of the huge cold air — the cold-faced Yan Jun!

“D * MN! It’s indeed the cold-faced Yama King. He’s emitting cold air just by standing there! ”

“The rumors are true. Let’s step aside. If we don’t die soon, we’LL BE FROZEN INTO POPSICLES! ”

Chapter 1036: Finally Meeting 4

Fang Shaoan, who was the closest to Yan Jun, was even more affected. Half of his body was frozen stiff, and he felt as if his Qi and blood were about to turn stagnant!

He turned to look at Yan Jun in astonishment, only to see that he was staring straight at the Lego youth who had just appeared. “SECOND YOUNG MASTER? Are you alright? That kid can’t possibly have a grudge against you, right? ”

They were too far away, and Fang Shaoan couldn’t see too clearly. He couldn’t connect that person to Xia Jinqi at all.

However, he suddenly felt that second young master Yan’s reaction was too intense, right?

Yan Jun,“...”

He recognized the LEGO leader standing in front of him under the spotlight in high spirits!

That was his wife, Xia Jinqi!

Shouldn’t she be staying in Macau Why would she suddenly appear here?

Could the surprise that Lu Yiming mentioned be Xia Jinqi?

Lu Yiming Knew Xia Jinqi’s true identity?

And he even knew that she would come here tonight?

If that was the case, then the consequences... Were truly unimaginable ! !

Yan Jun narrowed his sharp eyes and the lines of his jaw tightened!

What on Earth was going on?

Xia Jinqi had just entered the venue. She had thought that it would take some effort to find Yan Jun, but to her surprise, a small space suddenly appeared in the crowd to her left.

When she looked again, she saw a tall man standing in the empty space. Wasn't that Yan Jun?

And he was looking in her direction... ..

When their eyes met, thousands of feelings and thoughts turned into the calm and tranquil weather. n--
OVeℓbIn

Xia Jinqi's eyes turned red at that moment.

It had only been half a month since they last met, yet she felt as if a lifetime had passed... ..

In just a few short seconds of eye contact, the soothing music that had been playing in the venue at the beginning disappeared. Then, a magnetic male voice sounded. "distinguished guests, thank you for waiting. Tonight's auction will begin immediately! Distinguished guests, please take your seats! "

As soon as he finished speaking, waiters in red uniforms walked into the venue.

Each of the waiters was responsible for leading the distinguished guests they had received to their seats.

Just like that, everyone in the venue started moving.

As the crowd gathered, Xia Jinqi and Yan Jun's line of sight was cut off just like that... ..

She was a little anxious. She moved her feet slightly and took a few steps forward, wanting to look for his figure again. However, the distance between her and him was too far and there were too many people walking around. For a moment, they actually separated from each other.

On the other side, Yan Jun also knitted his brows. As his black eyes roamed about, he continued searching among the crowd.

The moment he moved, he immediately shook off Fan Yufei.

"Yan Jun!" Fan Yufei wanted to chase after him, but she was scattered by the crowd that came from behind and lost in the crowded crowd.

On the other hand, Xia Jinqi had already crossed half of the crowd and was persistently looking for Yan Jun's figure.

Finally, at a certain second, she saw a tall and strong man who was only three to four meters away. He pushed aside the layers of people and appeared before her eyes.

It was Yan Jun... ..

He was as handsome as she remembered. However, at this moment, his expression was a little flustered and his chin had become sharp and thin.

However, the moment he saw her, his thin lips had already curled into a reassuring smile.

When she saw him smile, Xia Jinqi also smiled... ... Even though her nose was slightly sore ...

The two of them looked at each other. It seemed like they didn't need to say anything. Both of them already knew what was going on.

However, just as Yan Jun was about to walk towards her, Lu Yiming's familiar voice came from behind. "where is President Yan going? The auction is about to begin. "

Chapter 1037: meeting in the end 5

Yan Jun's footsteps suddenly stopped.

He did not immediately turn around. Instead, he looked at Xia Jinqi with his deep eyes and furrowed brows!

He was using his eyes to tell Xia Jinqi to leave quickly!

However, Xia Jinqi froze on the spot, unwilling to leave... ...

She had come back so far, and it was not easy for her to finally see him... ...

Ling Yue, who was behind him, saw the situation and immediately pulled Xia Jinqi back. "Chairman, the overall situation is more important. "

Xia Jinqi finally snapped back to reality. When she saw that there was still a person standing behind Yan Jun, she immediately understood and nodded. She gently gritted her teeth, turned around, and followed the attendant to their seats with Ling Yue.

After seeing Xia Jinqi leave, Yan Jun turned around and looked at Lu Yiming with an unfriendly expression. He mocked, "I didn't expect Mr. Lu to attend such an occasion. Shouldn't you avoid suspicion? "

"President Yan really likes to joke around. I have a clean slate. I have the heart but no STRENGTH TO BID FOR ANYTHING! I just came here to broaden my horizons! " Lu Yiming was good at using words and washed himself clean.

Yan Jun saw that there was a piece of gauze on his neck. He snorted coldly and did not say anything more.

"Please, President Yan! " Lu Yiming was not angry. He waved his hand to let the waiter come up and lead him to his seat.

The entire auction venue was arranged according to the specifications of the cinema. However, the seats were not high or low, and they were all on the same level.

The innermost side of the auction venue was made into a circular platform. The seats below the platform were arranged according to this circular arc.

The seats were arranged according to the name stickers, and there was a lot of knowledge in this arrangement.

The most front and best seats were usually reserved for the richest or most powerful people.
By analogy, the further back the seats were, the weaker the overall strength of this group of people was.

The middle seat in the first row, the legendary C seat, was reserved in advance for Yan Jun and Lu Yiming.

And to Yan Jun's left was Quan Rui.

To his right was Lu Yiming.

When Xia Jinqi was led over, she realized that she was actually arranged to sit on Lu Yiming's right side?

It was really a narrow road for enemies... ..

From Afar, Xia Jinqi lowered her voice and asked the waiter, "can we change seats?"

"This... is there any inconvenience, sir? This seat was arranged early on. Your seat is at the front, it's the VIP seat." Even though the waiter was in a difficult position, he was still humble ...

Xia Jinqi, "..."

She was not only in a difficult position, it was a huge inconvenience!!!

Seeing that she did not speak for a long time, the attendant was a little anxious. "Sir?"

It was estimated that everyone had entered the venue according to the order. The auction was about to begin, but Xia Jinqi was still standing in the same spot and not moving would affect the progress. The attendant's voice was deliberately raised.

At this moment, not only Xia Jinqi, even Yan Jun and Lu Yiming heard it clearly.

Even Quan Rui and the three men were looking in her direction.

Quan Rui's gaze was very calm, as if it had nothing to do with him.

Yan Jun frowned, his eagle-like eyes slightly narrowed.

He did not know that Xia Jinqi would enter as the leader of Lego, much less know that the huayu auction house would arrange seats like this!

And now that Lu Yiming was present, he could not brazenly acknowledge Xia Jinqi.

He could only pretend to be a stranger, as if no one knew each other.

Lu Yiming also turned his head. The first time he saw the youth in front of him, his gaze paused slightly. He vaguely felt that something was not right, but when he focused his attention to look, the lights dimmed again.

Xia Jinqi was frightened by Lu Yiming's glance. She didn't dare to be picky anymore. She lowered her head and walked over to sit beside him.

Chapter 1038: finally meet 6

Didn't they say that the most dangerous place was the safest place?

Lu Yiming would never have thought that Xia Jinqi, whom he had been searching for, would actually dare to sit next to him openly at this moment!

With that thought, Xia Jinqi felt much more confident. She raised her head and puffed out her chest as she adjusted her sitting posture, appearing extremely natural.

No one would know that she, who appeared calm on the surface, was constantly giving herself psychological advice... ..

Just like that, don't be nervous and be generous. He might not recognize you!

Lu Yiming instinctively wanted to take a closer look at the youth sitting next to him. With a snap, all the lights in the room were extinguished!

Everyone fell into a darkness.

Xia Jinqi gritted her teeth. She felt a pair of eyes staring at her in the darkness!

It was so sharp and gloomy that it made people feel a murderous aura!

This was Lu Yiming's unique aura and his unique terrifying gaze... ..

A drop of sweat rolled down from her forehead. Xia Jinqi held her breath and unconsciously tightened the hem of her suit, causing it to wrinkle. She didn't even know it!

Two seconds later, there was another snap. A stage lamp lit up on the left side of the high platform in front of them. A kind beam of light was instantly thrown down, illuminating a male host in a red suit on the high platform.

"Dear guests from afar, good evening! Sorry to have kept you waiting. TONIGHT'S AUCTION OFFICIALLY BEGINS!"

After a few pleasantries, the male host went straight to the main topic.

"The first item for auction tonight is the Yuan Dynasty three-legged stove with copper tire, silk enamels, twined branches, and Lotus Patterns!"

Following the host's introduction, a beam of light was shot down from the center of the stage, which was directly opposite Yan Jun and Lu Yiming, illuminating a small stove on the table that was covered with red cloth.

"As we all know, the Yuan Dynasty Cloisonne ware is dignified and generous in shape, its composition is clear and smooth, its glaze is bright and warm, and it has a translucent luster like a gemstone. Only the original enamel ware was less, and most of them had been modified by later generations. The stock was scarce, and they were very precious. "The Yuan Dynasty Hook Lotus Cauldron and twining lotus elephant ear furnace collected by the Palace Museum are all works from the later period of the Yuan Dynasty in China. "

As the host introduced them, the table on which the small furnace was placed began to rotate slowly.

In addition to the rays of light that shone directly from above, the colorful colors of the small furnace became crystal clear. Many people present were amazed by this wonderful color.

“And our three-legged furnace is round, with two bulging ears and a bulging belly. The three cylindrical feet are shaped like bronze cauldrons, simple and solemn. The furnace has a copper-plated gold gallbladder inside. ”

The host was still trying his best to introduce the wonders of this small furnace, but Xia Jinqi did not even hear a single word!

Because beside her, Lu Yiming was still staring at her... ..

She was really glad that the auction house had deliberately turned off the main lights in the hall to create an atmosphere. Otherwise, she would have been seen through by this fellow at such a close distance!

The host’s voice on the stage was still incessant “The upper part of the furnace is decorated with a gold-plated string pattern that divides the furnace into two parts. The upper part of the line is decorated with Green Enamel as the ground and 12 white chrysanthemum patterns. The lower part of the line is decorated with Blue Enamel as the ground and six lotus patterns are decorated with twining branches. “All three legs are made of Blue Enamel and decorated with colorful chrysanthemum patterns. ”

At this point in the introduction, Lu Yiming suddenly whispered to Xia Jinqi, “this gentleman looks quite familiar. May I ask if we’ve met before? ”

Xia Jinqi, ” ...”

Chapter 1039: Who knew whether was real or fake?

Was He still unable to escape?

Just as he was thinking about how to answer, he heard Yan Jun’s tepid voice from the left. “Councilman Lu, as the pillar of the country, watched as these national treasures were auctioned off privately, but he still remained unmoved? ”

Yan Jun’s words instantly pulled Lu Yiming’s attention back.

He turned his head and no longer looked at Xia Jinqi. He smiled faintly and replied Yan Jun, “I only know that the national treasures are stored in the museum. As for the auctioned items here, who knows if they are real or fake? ”

What he meant was that the brand here might be a fake, so he had no control over it.

In fact, everyone knew very well that the reason why Huayu auction house was so popular was because since its inception, none of the items that came out of this place were fake.

Everyone trusted huayu auction house, which was why they flocked here to search for treasures.

Lu Yiming said this, but it was just to gloriously clear his name.

During the conversation, the host had already mentioned the starting price, “this Yuan Dynasty tripod furnace, the starting price is 9 million! One raise is 100,000! ”

As soon as the host finished speaking, Yan Jun raised his board.

The host shouted loudly, "Number Plate 8888,9.1 million!"

Very soon, someone in the venue raised their board as well, "number 2,763,9.2 million!"

"number 1,209,9.3 million!"

...

Among them, Yan Jun did not raise his board anymore, waiting for them to raise the price to the highest.

"number 3,178,12.1 million going once! 12.1 million going twice! 12.1 million..."

Before the third time, Yan Jun raised his board again, and the host immediately changed his words, "number 8,888,12.2 million!"

Number 3178 was raised again, but it was still crushed by Yan Jun..

"number 8888,12.4 million once, 12.4 million twice, 12.4 million three times! DEAL! Congratulations to this gentleman!"

The host took the lead in clapping. Immediately, a deafening round of applause sounded from below the stage.

Lu Yiming looked at Yan Jun thoughtfully, "I didn't expect President Yan to be so interested in these antiques?"

Yan Jun just looked at the small stove on the stage and said indifferently, "Bai Ju looks pretty good."

"..."Lu Yiming was very confused. Was this a reason to like it?

Xia Jinqi heard it clearly. The corners of her eyes twitched and she couldn't help but look at Yan Jun, but Lu Yiming blocked her line of sight.

Did she like the little daisy so much?

The auction was still continuing.

From the beginning, Lu Yiming was a little interested in Xia Jinqi. He only asked one question, but Yan Jun diverted his attention. After that, he didn't pay much attention to Xia Jinqi.

Xia Jinqi could more or less breathe a sigh of relief... ..

At the beginning, there were a few antiques auctioned. They were all dated, from the Yuan Dynasty to the Ming Dynasty to the Qing Dynasty.

Regardless of whether they were real or fake, they were all auctioned off at sky-high prices.

Those who came here were all rich people. If they saw something they liked, they would desperately raise their placards without discussing it.

In the middle half of the auction, a few pieces of jade were auctioned off. There were also some other rare treasures.

Yan Jun later auctioned off a Qing Dynasty bat-colored Emperor Green Jade pendant. The price was over a hundred million.

Quan Rui auctioned off a pair of late Qing Dynasty top-grade full-green jade bracelets for over 80 million.

Fang Shaoan, on the other hand, unexpectedly auctioned off a landscape painting for over three million.

Xia Jinqi watched the whole journey and didn't bid for anything.

Ling Yue waited for a long time, but Xia Jinqi didn't raise her placard. She asked in a low voice, "chairman, you are not interested in calligraphy, painting, or antiques. Don't tell me you want to bid for someone later?"

"Bid for someone?" Xia Jinqi raised her eyebrows. She didn't understand what Ling Yue meant. "A real person or a fake person?"

"THEY ARE REAL PEOPLE! And they are both top-quality!" Ling Yue had already asked the people sitting next to her about the situation. Tonight's finale was two rare beauties!

Chapter 1040: There was actually a woman lying in the IRON CAGE IN

"A real person is being auctioned?" Xia Jinqi was surprised. She wanted to ask what was going on, but the host's voice came from the stage again. "Then, it's time for the most exciting part!" The host raised his voice. The lights on the stage flickered a few times. "The welfare of all the bidders is here!"

Two staff members pushed a huge box-shaped object onto the stage. It was covered with a red cloth. It was very mysterious!

"A man of pure English descent with a perfect body, eight-pack abs, and strong legs will definitely satisfy the perfect lover image in the hearts of all women! The starting price is 10 million!"

While the host was speaking, the red cloth had already been removed, revealing the square iron cage inside!

When someone below the stage saw this, they had already started screaming!

Xia Jinqi also swallowed her throat and looked into the cage like a curious baby!

She saw a sleeping English handsome man lying diagonally in the iron cage... He was only wearing his underpants, and his figure was indeed as perfect as the host had said ! !

The auction had actually begun openly!

Before Xia Jinqi could recover from her shock, the auction had already begun.

"20 million!"

"50 million!"

"60 million!"

She took a rough look. Other than the rich women, there were also many middle-aged men who were holding up their placards... ..

Xia Jinqi, "..."

One's worldview was completely destroyed, right.

Actually, it wasn't just Xia Jinqi. There were also a few people who were participating in such an auction for the first time. When they saw this, they could no longer restrain their gossipy souls.

"When they were bidding for calligraphy and painting antiques just now, all of them were still very reserved. They kept increasing the bids, and now, Tsk Tsk..."

"You don't understand this, do you? This is a game for rich people."

"Some people like those ancient calligraphy and painting, while some people like them fresh and moving! Everyone has different appetites. Besides, those who came here tonight are all rich to a certain extent. It's just a few tens of millions. Just treat it as throwing it away for fun!"

"Moreover, as long as these people are bought back, they can play however they want!"

In the end, the handsome man in the cage was bought by an extremely rich woman for 80 million.

Xia Jinqi clicked her tongue and couldn't help but ask in a low voice, "Isn't this buying and selling people? Isn't it illegal?"

Ling Yue quietly replied, "Shh, chairman, keep your voice down. No one will care about this kind of thing."

Not to mention whether the French handsome man was worth 80 million or not, the key was that the rich woman was willing to pay.

The auction house did not care about anything else, as long as someone was willing to pay.

Moreover, it was said that the BOSS behind huayu auction house had a great background. These things were nothing to him.

After bidding for the handsome British Guy, the lights in the venue turned again. Another staff member pushed another cage up, and it was still covered with a red cloth. n--0**Ve**l**b**In

This last item was the finale. The male host was so excited that his voice was almost hoarse. "Now, let us reveal the final item for everyone!"

This time, there was no need for the male host to introduce it. Someone directly lifted the red cloth.

The venue suddenly became silent. Everyone was looking up at the huge iron cage... ..

Even Xia Jinqi fixed her eyes on it... ..

Under the intense light, there was actually a woman lying in the iron cage!
