

Trick Me 1051

Chapter 1051: The two of you... .. Are really close

Perhaps Lu Yiming was brainstorming about the relationship between her and Yan Jun!

If he knew that the leader of Lego, Xia Tianqi, was Xia Jinqi, he would have been furious long ago. How could he be so quiet and follow them like a thief?

That was exactly what Yan Jun was thinking.

However, seeing Xia Jinqi smile like a sly little Fox, he couldn't help but chuckle. "Madam is right."

Xia Jinqi chuckled again. Suddenly, she thought of something and asked, "Fang Shaoan hasn't left yet? How did he know that Lu Yiming was following us?"

"He should be waiting for me." Yan Jun's brows moved slightly, and he quickly guessed Fang Shaoan's movements.

He had come with Shaoan.

This kid hadn't left. Most likely, he was waiting for him.

However, he didn't know where the cat had gone to, so he happened to see Lu Yiming.

"... " when Xia Jinqi heard this, the corners of her eyes twitched again. "The two of you... are really close..."

When men became affectionate towards each other, it was a different kind of closeness!

Yan Jun saw the strange look in Xia Jinqi's eyes, and his deep eyes darkened slightly. "It's not what you think."

"But I'm not thinking about anything!" Xia Jinqi skillfully threw the blame, but her face was beaming with joy!

Yan Jun,"..."

In the silence, the back of his hand suddenly felt warm.

Yan Jun looked down and saw her fair hand come over.

Her Palm was warm and soft, as if it had embraced his heart.

"It's good to be back." Beside her ear was her emotional sigh filled with joy.

Heart a shock, he looked back, deep into her eyes.

Backhand wrapped her Qianqian jade hand, slightly force, "en, back is good."

Xia Jinqi looked up at him, lips of the smile, more and more warm.

There's nothing better than being together as a couple.

—
Some people in this world for countless wealth, some people for the world worship fame and fortune, some people for the face of immortality, and I. . . .

I just want to be with you right now.

Xia Jinqi.

40 minutes.

Yan Jun and Xia Jinqi's car drove directly into the Yan Family Mansion.

Lu Yiming's car stopped in the distance again, to see this scene with his own eyes.

He frowned, more certain of his conjecture.

Yan Jun and Lego, as expected, have unfathomable friendship.

After waiting for Yan Jun's car to go in, the door of Yan family once again closed.

The driver waited for quite a while, but saw that the door of Yan's house was already cold, and then asked, "sir, are you going to wait here all the time?"

Lu Yiming just returned to his senses and leaned back in his seat. "back to the official residence."

"Yes, sir."

The driver drove off obediently.

The Moment Lu Yiming closed the car window, he looked away from the Yan family's mansion.

Yan Jun, no matter what tricks you're playing, you can't escape from me!

Only by destroying you will Xia Jitian lose his backing.

Only then will I be able to sit firmly on the throne.

After Lu Yiming's car left, Fang Shaoan drove into the Yan family's mansion.

In the living room.

Yan Jun dismissed all the servants in the mansion.

Xia Jinqi looked at the familiar place, the smile on her face never faded.

"I'm going to take a shower first." She let go of Yan Jun's hand and went upstairs with ease.

"Okay." Yan Jun smiled as he watched her go upstairs.

As he turned around, he saw Fang Shaoan walk in with a hurried expression. "Second Young Master, what happened to Lu Yiming? Is He following you personally now?"

"Are you following behind his car?" Yan Jun asked casually. He then walked to the bar counter and took out the red wine that Yan Youcheng had treasured for decades.

Chapter 1052: how could a good brother of his turn gay so easily?

“Yeah. I wanted to wait for you to come out, but I took a nap and saw his car following you when I woke up.” Fang Shaoan was still frowning. After thinking for a long time, he still couldn’t figure out what Lu Yiming was trying to do. “Just now, he parked his car outside your house for a long time. One look and you can tell that he’s a wild wolf. He doesn’t have good intentions!”

After he said that fiercely, he turned around and saw that not only was Yan Jun not worried at all, he even opened a bottle of good wine that he had treasured for a long time. From the looks of it, he seemed to be celebrating something.

Fang Shaoan was even more puzzled. “Second Young Master, aren’t you... worried?”

“worried about what?” Yan Jun had already poured the red wine into the wine decanter and took out three wine glasses.

“Lu Yiming! That Kid’s heart is really bad!” Although Fang Shaoan did not know what kind of provocation Yan Jun had received, as a close friend, it was still necessary for him to bravely stand up at this time and clear up the reality for him!

Just as he finished speaking, Fang Shaoan noticed that Yan Jun actually took out three wine glasses?

He subconsciously turned around and looked behind him, only to find that the surroundings were empty. Other than him and Yan Jun, there was no one else, not even a servant.

He could not help but wonder, “where’s the youth you brought back? Why is he missing?”

Yan Jun raised his eyebrows and looked at him. “Youth?”

“Yes!” Fang Shaoan nodded very firmly. “It’s that LEGO’s little leader! That pretty boy who looks like his mother!”

Hearing this, even Yan Jun could not help but shake his head with a helpless smile.

This wife of his was really talented. She disguised herself like this, and even Fang Shaoan didn’t recognize her, yet she still insisted that she was a youth.

And a Gigolo? n..D-(V-/E/-ℓ--b.)l.)n

If Xia Jinqi were here to listen, her face would have long turned livid.

Fang Shaoan had already said so much, yet he didn’t hear Yan Jun refuting him. Instead, he was smiling...
... So affectionate ? ?

Could it be? ! !

After realizing something, Fang Shaoan sucked in a breath of cold air and stared at Yan Jun with a shocked expression.

Could it be... ... That this brother of his was also interested in men ? ?

Was that why he brought that fair and tender youth home behind his back?

When he thought of this, Fang Shaoan's expression started to become strange. Even the gaze he used to look at Yan Jun had a deeper meaning... ..

He quietly took a deep breath to calm himself down before looking at Yan Jun again. "brother, to be honest, we've been brothers for so many years. Is there anything that you can't tell me?"

Yan Jun was just in the mood to shake the red wine in the wine decanter. When he calculated that it was about time, he poured the wine for Fang Shaoan first before listening to his baffling words. "What do you mean?"

"This... I know that ever since sister-in-law left, you must be very lonely..." the more Fang Shaoan spoke, the more he felt troubled. Why was a good brother of his gay ??

And... .. That youth looked quite young ??

Yan Jun liked this type of thing?

How F * Cking Gay was it? It was so gay that it became A MOSQUITO-REPELLENT INCENSE!

Yan Jun did not know what Fang Shaoan was thinking, but when he heard him say this, he could not help but smile bitterly, "you can tell?"

Ever since Xia Jinqi left, his huge villa had become deserted.

The loneliness after getting used to warmth could really take a person's life.

When Fang Shaoan heard Yan Jun's words, his State of mind immediately exploded!

So it was true!

His brother... ..

Chapter 1053: who do you like? You actually like a man!

"Sigh..." Fang Shaoan sighed helplessly and looked at Yan Jun with even more appreciation. "How lonely you must be during this period of time."

Yan Jun did not say anything. He only lowered his eyes, revealing his thoughts.

Holding the wine glass, Yan Jun took a sip alone.

Thinking of the lonely days in the past, he suddenly felt very fortunate that she was back.

He did not care about anything else and came back for him alone.

Fang Shaoan looked at Yan Jun's lonely look and hesitated for a while, but decided to persuade him, "but... but no matter how lonely you are, you still have a wife. If you do this, when sister-in-law comes back, how sad will she be!"

The little wound in Yan Jun's heart had not yet healed, but Fang Shaoan's sudden words interrupted him.

He frowned slightly, "what exactly do you want to say?"

Fang Shaoan saw that he had been speaking so implicitly for a long time, but Yan Jun did not understand what he meant. He simply drank the red wine in his glass and mustered up the courage to look straight at Yan Jun. "Let me be frank with you! Do you have a crush on that youth? Second Young Master Yan, tell me, who have you brought home in the past few years? sister-in-law is the first one, right? You even gave Wen Qing to that kid tonight. I'm just afraid that you'll fall deeper and deeper!"

Yan Jun,"..."

Fang Shaoan continued to persuade him earnestly, "yes, I know that kid has tender skin, red lips and white teeth. He's like a little girl! But he's still a guy with a penis!"

Since he had already said this much, if Yan Jun still did not understand, he would have to reflect on himself!

He endured the blue veins on his forehead and glared coldly at Fang Shaoan!

"Shut up!"

Fang Shaoan jumped down from the chair on the bar counter after being stared at by him. He took a few steps back with a strong desire to live. His expression was very scared, but his words were not forgiving "You... look! You're angry from embarrassment! Am I right? Second Young Master, Oh second young master, it's been so many years. Why didn't I see that you're such a person? You... who do you like? You actually like a man!"

The more Fang Shaoan spoke, the colder and uglier Yan Jun's expression became!

Just as he was about to grab something and throw it to him, he heard a clear and melodious voice.

"Yan Jun... You... like men?"

The moment these words were said, the hall instantly fell silent.

The veins on Yan Jun's forehead throbbed even faster, popping and popping... ..

Fang Shaoan looked back in surprise, because he could tell that this was Xia Jinqi's voice!

But when he turned back, he was stunned.

In front of him was a woman wearing a plain-colored dress who was coming down the spiral staircase. She was wiping her short silver hair with a towel... ..

That facial features, that gaze, it was... .. Xia Jinqi ? ?

"SISTER-IN-LAW?" Fang Shaoan asked in disbelief. His gaze was slightly shaken as he sized up the person in front of him.

He knew that sister-in-law had left, and he also knew that if Lu Yiming's matter was not resolved, sister-in-law would not come back.

Why did she come back now?

Moreover, she had cut her hair?

No matter how one put it... .. She felt much more valiant than before ...

Xia Jinqi nodded and walked over. When she saw Fang Shaoan's extremely shocked expression, she smiled and said, "you don't recognize me?"

"Uh, at first glance, I really didn't recognize you." Fang Shaoan looked at her short silver hair again. It was extremely cool. "sister-in-law, you really have the heart to do it! What beautiful hair, you cut it just like that?"

"What's there to be afraid of? This is called renewable resources. It will grow back very quickly!" Xia Jinqi wiped her hair until it was almost done. She put the towel aside and asked, "I heard you say you like men just now?"

Chapter 1054 How dare I sit with LEGO'S LEADER!

"No, no, no, it's not that I like men, it's your house..." Fang Shaoan hurriedly shook his head and looked at Yan Jun..

Who knew that when he looked up, he would suddenly meet a cold and murderous gaze!

Yan Jun stared at him with a frown, his entire body filled with the aura of death... ..

He actually dared to say that he liked men?

Fang Shaoan's mind flashed with inspiration when he was stared at by Yan Jun, and he turned back to look at Xia Jinqi.

Short hair, silver color, and this height, this face... ..

It seemed like it could be combined with that Gigolo?

"You... you..." Fang Shaoan took two steps back with a look of shock on his face. After a long time, he finally said, "Are you Xia Tian?"

"Yes." Xia Jinqi nodded generously and walked over to the bar counter to sit down.

"LEGO'S LEADER?" Fang Shaoan still didn't give up.

"Yes." Xia Jinqi continued to nod.

After getting an answer, Fang Shaoan's legs went soft and his eyes went black. He Fell into the SOFA and died.

Xia Jinqi turned around in amusement and looked at Yan Jun again. "Do you really like men? No wonder you're always hanging out with him!"

Yan Jun was giving her fruit juice when he heard her words. He raised his eyebrows and asked, "don't you know what I like the best?"

He smiled evilly, and his deep eyes seemed to be telling Xia Jinqi, “go on, go on. Anyway, I have plenty of time tonight to teach you whether I like men or women. “.

” ... ” Xia Jinqi almost choked. She quickly lowered her eyes and didn’t dare to mention this again. She turned around and looked at Fang Shaoan, who was still playing dead on the SOFA. “It’s a bit too much if you keep pretending!”

The Person Lying on the Sofa finally opened his eyes. He rolled his eyes and got up.

When he walked toward the bar counter, he circled a big circle and didn’t dare to approach Xia Jinqi.

He didn’t even dare to sit down. He carefully laid his hands on the bar counter and stared at Xia Jinqi as he asked Yan Jun weakly, “is she really the leader of Lego? The legendary Genius Youth?”

Before Yan Jun could answer, Xia Jinqi couldn’t take it anymore. “Okay! Is it that exaggerated?”

It was fine if he pretended to faint, but he didn’t even dare to approach?

“I don’t believe it...” Fang Shaoan was still shaking his head, not daring to accept the cruel reality in front of him.

Xia Jinqi saw the doubt on his face and felt that no matter how much she said, it would be useless. She could only take out her trump card and lower her voice to say, “Hello Everyone, I’m Xia Tian. ”

This voice was obviously much rougher than before. Even though it didn’t look like a burly man, at least it looked like a boy’s voice.

Yes, it was the voice of a boy in a changing voice period!

Hearing this, Fang Shaoan was really impressed!

He wanted to kneel down. Wasn’t it just to get his knees What’s the big deal? Just take it, why make it so complicated! n)-0//v--ε.-l-(8))l)(n

“sister-in-law, you really opened my eyes! Awesome! I’m convinced! Wow... LEGO, leader! You’re so promising at such a young age! You’re so rich that you can rival a country!” Fang Shaoan sighed and kept shaking his head. He kept clapping, as if he had seen a historical miracle ! !

Xia Jinqi was a little embarrassed by his words. She smiled helplessly and said, “hurry up and come and sit down!”

“I don’t dare... How could I dare to sit with the leader of Lego!” Fang Shaoan hurriedly shook his head and retreated. He feared Xia Jinqi as if she was a god or Buddha ...

Not to mention ordinary people, even he admired Lego. Especially the mysterious organization, it was even more admirable!

Chapter 1055: How could I guess

And the place that he had always been fascinated by was actually Xia Jinqi’s?

Xia Jinqi simply couldn’t be bothered with him. She continued to drink her own juice and then asked Yan Jun, “why aren’t my parents and grandfather here?”

When she went upstairs to take a shower, she took a stroll around. Not only did she not see any servants, she also saw that the few villas beside her did not have any lights on.

In the huge courtyard, it seemed very lonely.

Hearing Xia Jinqi's question, Yan Jun said, "mother has turned herself in. Father is in prison with her."

"Oh..." Xia Jinqi nodded. She listened very calmly, almost without any emotional fluctuations.

Yan Jun saw that she had guessed it long ago and frowned slightly. "You knew about it long ago?"

Xia Jinqi did not deny it. "Mother told me that after Yan Qing's mother died, her heart had been carrying a kind of shackle. Turning herself in might be the best release for her."

"..." Yan Jun fell silent.

His mother had never said these words to him.

All these years, he had been busy with political affairs and more or less neglected his family.

While Yan Jun and Xia Jinqi were talking, Fang Shaoan secretly took out his phone and searched for Lego online.

In the end, the news that popped up was: [the mysterious lego leader has finally appeared! Causing trouble at a nightclub in Macau!]

[shocking! A 17-year-old GENIUS HAS TAKEN OFFICE! What is the future of Lego? !]

After searching for a few more photos, he could see that all of them were silver-haired teenagers. After putting on makeup, they looked a little more fierce, and their facial features were sharper. However, after taking a closer look, he could still recognize that this was Xia Jinqi... ..

After flipping through a few earlier articles, Fang Shaoan suddenly realized a problem. "sister-in-law, you've been the leader of Lego since last year?"

Xia Jinqi turned around and saw that Fang Shaoan was still obsessed with this. She nodded. "It's true."

After hearing Xia Jinqi's answer, Fang Shaoan completely admitted defeat.

He walked over and weakly sat on the high stool. His eyes were lifeless. "No wonder when we went to Las Vegas, I felt that you weren't an ordinary person the moment we sat at the gambling table... so from that moment on, you've been hiding it from us?"

Xia Jinqi looked at Yan Jun innocently. "He knows!"

Yan Jun had recognized her when they went to Las Vegas.

It had to be said that this old Fox was quite clever. He had managed to bluff her identity out with a few tricks and few tricks.

Fang Shaoan looked at Yan Jun helplessly. "You knew long ago? You hid it from me too..."

“I thought you had guessed it.” Yan Jun brushed it off and raised his head to take a sip of wine to cover up his embarrassment.

Fang Shaoan had initially felt that he had nothing left to live for, but when he heard Yan Jun’s words, he immediately started sobbing. “How could I have guessed it? SOB SOB...”

Be reasonable. How could he guess such a brain-burning thing with his Iq? !

“Then does Xiao ran know?” Fang Shaoan asked Xia Jinqi again with a burning gaze.

“She... knows, right?” Xia Jinqi recalled the scene in the morning. Xiao ran was as smart as she was. She must have guessed something, but she did not ask her directly ...

However, when Fang Shaoan heard this, he cried even more miserably. “SOB SOB SOB, even Xiao ran knows! I’m the only one who doesn’t know...”

...

Xia Jinqi was a little helpless from his crying. She hurriedly said, “in fact, only you and Xiao ran know. No one else knows.”

“Wen Tao doesn’t know either?” Fang Shaoan suddenly raised his head and asked.

Chapter 1056: you have something that I don’t have and envy

“Yes! He doesn’t know either!” Xia Jinqi hurriedly nodded. She was afraid that if she finished speaking for a second, she would provoke this big man to burst into tears again.

However, when Xia Jinqi said this, Fang Shaoan immediately felt that he wasn’t the most miserable moment. He didn’t pretend to cry and instantly became happy “Then I’m still the most foolish one! Wen Tao this kid likes to act smart and act cool most of the time! Now, there’s actually something he doesn’t know. Hahahaha!”

Xia Jinqi,“...”

She suddenly understood why a cold and heartless young master like Yan Jun, who didn’t talk much and could freeze people to death, would become good friends with Fang Shaoan.

One was cold, one was hot, one was silent, and the other was chatty.

People who complemented each other would also attract each other.

You have something I don’t have and envy.

Yan Jun and Fang Shaoan were like this.

The two of them were together, making up for each other’s shortcomings, which was why they were able to walk for so long.

After his happiness, Fang Shaoan thought of an even more important matter.

“That’s not right, sister-in-law. Although you said you were the leader of Lego, Lu Yiming saw you openly running back to the Yan family! That kid is extremely evil. He actually auctioned off Wen Qing...”

As he said this, Fang Shaoan covered his mouth again. He found something new and interesting “So, the person who auctioned off Wen Qing was also you, sister-in-law! You’re a woman, why did you auction off a woman? If you want to auction off a woman, you should auction off a man! Why don’t you like that British handsome guy from before?”

Fang Shaoan could not control his words when he was agitated. He said whatever he wanted to say, taking into account that Yan Jun was still sitting beside him!

He only felt that the air was suddenly a little cold. When he raised his head, he met Yan Jun’s cold gaze.

“Do you also want to experience the feeling of being auctioned off?” He threatened openly.

“...”

Subconsciously swallowing his saliva, Fang Shaoan quickly said, “give me an example, just give me an example! Don’t be nervous!”

Xia Jinqi was amused by the way the two of them interacted. However, when it came to Wen Qing, she was still somewhat jealous. “If I don’t bid, don’t tell me that I’m waiting for him to bid for her back. A Golden House conceals a mistress!”

When Yan Jun heard this, he turned back to look at her with deep eyes.

Xia Jinqi turned her head away and didn’t look at him.

When Fang Shaoan heard this, he felt that it made sense. “You’re right. Things like exes must be mercilessly nip in the bud!”

“But I’m more curious about how Lu Yiming got Wen Qing to go to the auction.” Xia Jinqi rested her chin on her hand, puzzled.

When he heard this, Yan Jun fell silent.

He hadn’t heard of any interaction between Lu Yiming and Wen Qing. Could it be that Lu Yiming sent people to Nevada to capture the person?

Fang Shaoan waved his hand. “Don’t even think about finding logic when that pervert does things! He can even find Wen Qing. sister-in-law, you have to be careful. If he finds out that you played him like that tonight, he will swallow you alive!”

“I dare to come back. I’m not afraid that he will make a move.” Xia Jinqi calmed herself down and was already mentally prepared.

Yan Jun saw that Xia Jinqi’s face was a little Pale and looked at the time. It was getting late, so he turned around and ordered Fang Shaoan to leave. “It’s so late. Why aren’t you going back?”

“My parents rarely go home recently. When I go home, the house is empty. Why don’t we chat here?” Fang Shaoan didn’t want to leave.

Chapter 1057: you guys... ... Go ahead, go ahead ! !

What a joke, to be able to hear so much explosive news here, he would be alone at home when he went back, how could it be as exciting as this? ! !

Speaking of which, Fang Shaoan also had doubts in his heart.

Recently, his father had been in Rao city, but no matter if it was night or day, he was always away from home.

However, he was not the age of one or two years old, and he had to be hugged and coaxed by his parents every day. He simply felt that it was a little strange.

His parents seemed to be especially busy recently.

After pondering for a moment, Fang Shaoan suddenly felt that the atmosphere was a little strange. He looked up and saw Yan Jun staring at him with a livid expression!

In that second, Fang Shaoan's mind was filled with 80,000 brainstorm. What did he do wrong again? !

In the end, when he inadvertently glanced at Xia Jinqi, he finally understood the deep meaning behind Yan Jun's expulsion order.

He immediately smiled embarrassedly. "I know, I'll leave right now! You guys... go ahead, go ahead!"

After saying that, he was beaming with joy. When he reached the door, he even turned around and raised his eyebrows at the two of them. His meaning was self-evident... ..

Xia Jinqi looked back at Yan Jun in embarrassment. "It's still early. Why did you chase him away?"

Why did she feel like there was no silver in this world?

At that time, Yan Jun had already walked out of the bar and stood in front of Xia Jinqi. He lowered his eyes and looked at her. "Have you really thought about staying?"

Yan Jun could still tell that she was hesitant when she mentioned Lu Yiming to Fang Shaoan.

Xia Jinqi was a little confused at first and didn't know what he was asking. Later, when she looked into his deep eyes, she suddenly came to a realization.

He was asking her if she really wanted to stay by his side no matter what happened.

She didn't answer him. Instead, she took out her phone and showed him the photo album.

There were photos of Yu Han and Xiao puff. Some were sleeping, smiling, crying, and making a scene... ..
n-(0vE#B1n

"Look, how cute they are."

Yan Jun followed her line of sight and his gaze softened inch by inch.

“We haven’t seen each other for more than half a month. They have grown a lot, haven’t they? Yu Han can sit up and climb very well. He’s very healthy and likes to play with building blocks. Two days ago, he placed a building block on the ground,” he said Xia Jinqi flipped a few pages back and found the building block diagram that Yu Han had placed. She had taken a picture of it back then, and now she could show it to Yan Jun..

“Can you see what shape this is?” Xia Jinqi asked him.

Yan Jun frowned and took the phone. He looked at it for a long time, but he couldn’t see anything.

Xia Jinqi said, “it’s a face. He’s calling daddy as he moves. He misses you.”

At first, he couldn’t see what shape it was. After Xia Jinqi said that, Yan Jun gradually noticed that it really looked like a human face.

Adding that sentence, he missed you. Yan Jun’s heart was instantly gripped by some kind of power.

How could he not miss his two children... ..

Seeing Yan Jun’s silent jaw tense, Xia Jinqi slowly said, “in addition to aunt Chen, grandfather also found a special nanny for them. There are four people working shifts a day, and they are taken care of 24 hours a day. Many people coax them and love them.

“But they will still miss you, their father, because you are unique and irreplaceable. If anything happens to you, the kids will never have a father.

So let’s face it. When this is all over, we’re GONNA go get them, okay?”

Chapter 1058: if you loosen your grip a little, I will also feel pain

As she spoke, Xia Jinqi tightly held Yan Jun’s hand, as if she was obsessed.

Children could not only have a mother but not a father.

And she could not do without him.

In this family, there were four people, and no one could do without them.

Yan Jun’s eyes flickered, and his throat was slightly choked. There was a softness that touched the bottom of his heart.

In the end, he reached out and hugged her. “okay...”

She had already said this, so how could he reject her?

Forget it.

With her by his side, he could also feel at ease.

Xia Jinqi closed her eyes slightly. Her soft hands were like vines, twining around his waist.

It was very quiet all around. It was so quiet that one could hear the sound of the breeze blowing through the treetops outside the window.

A bright moon was hidden behind a white cloud, witnessing everything that happened on this land.

??`?

The next morning.

It was rare that Yan Jun did not wake up early.

It was already late in the morning, and there was no movement upstairs.

Di Qu looked upstairs at the entrance of the stairs, feeling a little strange. He did not know if he should go up and call for young master.

Yesterday, di Qu was not feeling well and took a day off. Hence, he did not know what happened last night.

In fact, after Yan Jun brought Xia Jinqi back yesterday, he dismissed all the servants in the villa. No one knew that Xia Jinqi had returned.

The servants had already prepared breakfast. When they saw the Butler looking at them from the stairway, they went up and asked, "Butler, breakfast is ready. Do you need to go up and call young master?"

"Wait a little longer." Di Qu shook his head and looked upstairs. "young master has not slept well these days. Let him sleep a little longer."

It was a blessing to be able to sleep a little longer.

Di Qu only understood this when he was old.

When he was young, he was too impetuous and had many fun things to do. He could not bear to sleep.

He stayed up all night.

However, when he was old, he realized how extravagant it was to really sleep a night... ..

These days, he saw young master staying up all night. No matter how he tried to persuade him, it was useless.

Why did he suddenly become enlightened today?

As he was thinking, Di Qu stopped the servant who was on duty last night and asked, "when young master came back last night, was there anything unusual?"

"No." The Servant shook her head. Then, she remembered. "It seems a little. Young master brought his friend back and asked us to leave. Nothing else."

"FRIEND?" Di Qu frowned. He was a little curious about this so-called friend.

What kind of friend could make young master sleep for so long?

Other than young Madam, who else could do it?

Seeing that Di Qu was deep in thought, the servant said, "Butler, if there is nothing else, I will go down first. "

"En, go ahead." Di Qu nodded and looked back upstairs in puzzlement.

Could it be... That Young Madam had returned ? ?

And at this moment, on the second floor.

In the huge bedroom.

On the soft bed.

Yan Jun was bringing Xia Jinqi, who had woken up early, to exercise... ..

"It hurts..." Xia Jinqi's little face turned red as she tugged at the bedsheet under her.

She had just woken up and before she could regain her senses, he had barged in arrogantly and filled her world in an instant.

Yan Jun's head was also full of sweat as he held her. "If you loosen up a little, it'll hurt me too. "

Xia Jinqi's face turned even redder. Why was he still acting so recklessly when he was in pain?

"Oh..." after a while, she stopped feeling pain after letting him all in.

Then, a wave of numbness slowly began to spread.

They had been apart for quite a long time. After their reunion, he still felt that the night before wasn't enough, but it started again early in the morning.

Chapter 1059: there was a woman in young master's room

After getting used to each other, both of them were no longer in pain.

She was like a falling leaf, swaying with his movements.

At this moment, the sun outside the room had already risen to the top of his head.

After noon.

Downstairs.

Di Qu had already lost a lot of hair from waiting, but he still did not wait for young master to come down.

Only now did he feel that the matter was a little serious.

It was already afternoon, but young master had never slept until this time!

Could it be that he was sick?

Thinking of this, di Qu hurriedly ran upstairs and gently knocked on Yan Jun's door.

"Young Master? Young Master? Are you alright?"

When she heard this voice, Xia Jinqi finally had the time to catch her breath. She nestled in Yan Jun's arms and panted.

She quickly looked up and looked at Yan Jun..

She saw that the latter was about the same as her. He was panting roughly. When he heard Uncle Qu's voice, his expression changed slightly.

He looked outside the door and replied, "I'm fine."

His voice was extremely deep and hoarse. Hearing this, Xia Jinqi really wanted to retreat to him again and then flip over... ..

Di Qu could clearly hear that the young master's voice was different from before, so he became even more worried. "Young Master, do you need me to bring your lunch to your room?"

Di Qu said this because he wanted to check if the young master was not feeling well, or perhaps he wanted to find an excuse to go in and take a look.

It was not a good thing for the young master to keep locking himself in his room like this.

If he was sick, he could not force himself to stay. He still needed to see a doctor.

Di Qu was so thoughtful, but it made Yan Jun feel a little awkward.

He looked down at the shy woman in his arms, cleared his throat, and smiled. "No need. We will go down in a while."

When di Qu heard this, he was stunned.

We?

So... .. There was another person in the room besides the young master ? ?

And it was a woman.

No wonder the young master did not want to wake up even though he slept so late!

Di Qu immediately knew what was going on and replied, "Yes, Young Master!"

Then, he quickly went downstairs and went to the kitchen to order, "quick, prepare another lunch."

"Ah? Young Master, do you want to eat two portions?" The chef expressed his confusion.

After all, the house had been very quiet recently. Young master only came back once in a while to have a meal.

Why did his appetite suddenly increase today?

Di Qu smiled thoughtfully. "Young Madam is back."

“really? !” The chef was overjoyed and immediately said, “I will prepare the dishes that young Madam likes immediately!”

When Xia Jinqi was around, she treated everyone in the Yan family very well.

The meals of the chefs and servants were also improved after she married them.

Previously, the servants ate work meals, which were very light.

Later, Xia Jinqi improved their recipes and added many expensive dishes. Anyway, the Yan family would buy expensive ingredients every day. It would be a waste if they could not finish them, so she gave a small portion of them to the servants.

There were also many servants who could not get leave on normal days. As long as they asked Xia Jinqi, they would definitely give them whatever they wanted.

Therefore, everyone in the Yan family liked Xia Jinqi, the young Madam, and they served her wholeheartedly.

Di Qu smiled and nodded. Then, he looked upstairs and was genuinely happy for the young Master!

He had said that the young Madam would definitely have a way to let the young master have a good rest!

He slept until the afternoon!

Upstairs.

Xia Jinqi finally calmed her beating heart and pushed the man beside her. “Didn’t you say that I should not expose my identity? Why did you say... that we are together...”

Chapter 1060: I won’t touch you. Come here.

She thought that Yan Jun would hide her!

Yan Jun just happened to turn sideways. He held his head with one hand and caressed her cheek with the other. “They’re all trustworthy people.”

What he meant was that no one in this building would reveal the news that she had returned.

Xia Jinqi didn’t really care if they would reveal her identity. What she cared about the most was that this group of trustworthy people were taking care of Yan Jun..

“that’s great. We’re like a big family. We care for each other and have warmth.” She smiled She leaned into Yan Jun’s arms and pressed her face against his chest, listening to his strong and lively heartbeat. “With them taking care of you, I’m relieved.”

Yan Jun took the opportunity to hug her and lowered his head to kiss her forehead, cheeks, and neck... ..

Under the blanket, she could clearly feel a change in him. She hurriedly pulled herself out of his arms. “Wait! We should go downstairs! I’m hungry!”

Seeing her panic-stricken eyes, Yan Jun reached out to pull her over and coax her gently. "I won't touch you. Come here."

"No!" Xia Jinqi shook her head, her gaze very firm. "A man's words on the bed can not be trusted at all!"

After saying this, she took a piece of pajamas from the side and put it on. Then, she lifted the blanket and got off the bed.

Yan Jun was amused by her tone and laughed softly. "Have you learned your lesson?"

"OF COURSE!" Xia Jinqi shakily walked into the WASHROOM. "The philosophy of life that I learned from the history of blood and tears!"

Every time Yan Jun said that he wouldn't touch her, he would fiercely move her!

Just like now... ..

She always felt that her legs were very soft, and her waist was very sore... ..

Sometimes, she even wondered where he got such good stamina from?

In the past, she always heard about seven times a night. It was simply too weak, okay?

Last night and today, this guy had 15 times!

It was simply... ..

Xia Jinqi hugged herself silently, her heart aching.

After washing up, Xia Jinqi looked at her short hair again.

It had been half a month, and she was growing so slowly... .. n/.O.(V-(e/.l/-B())l/-n

She fiddled with her short hair and walked to the bedside. She asked Yan Jun, "do you look better with long hair?"

Yan Jun had already sat up. Seeing her fiddling with her hair, he could not help but stretch out his hand. His five fingers inserted into her short hair and smoothed it slightly. "You look good no matter what."

When she had long hair, she was as beautiful as a princess in a fairy tale.

When she had short hair, she was as beautiful as a swift and brave female general.

Hearing his praise, Xia Jinqi pulled at the curl of her hair in front of her forehead in embarrassment and smiled. "I should be able to grow it next year."

When Yan Jun heard this, his deep eyes suddenly darkened. "Yes, I'll be able to grow it next year."

After a long time, Xia Jinqi recalled the conversation between the two of them today. Only then did she understand that Yan Jun's words at that time were actually full of deep meaning.

The valiance during the short hair period meant that she was about to face an even bigger storm... ..

And this storm would end before the arrival of next year no matter what.

“...”

When Xia Jinqi and Yan Jun went downstairs together, they discovered that the servants who were serving in this building had all arrived.

Everyone had smiles on their faces, especially when they saw that it was really young madam who had returned. They were all very excited.

Xia Jinqi thought that she and Yan Jun were the only ones downstairs. She did not expect that there would be so many people. Just as she was about to ask curiously, di Qu said excitedly, “Young Madam, welcome home!”

The other servants also cheered. “Young Madam, welcome home!”

Xia Jinqi was slightly shocked, but she still smiled and greeted them one by one. “thank you, everyone.”
