

## Trick Me 1241

### Chapter 1241: of course, is to sleep with me!

Zuo Xiaoran came back to her senses and turned to look at him. "What do you want to do?"

"something... earth-shattering." Fang Shaoan kept her in suspense and didn't tell her the details. He just described it according to his own way of thinking. "maybe, the kind that will be reviled by the world."

"..." Zuo Xiaoran thought for a while and surprisingly didn't scold him. Instead, she asked seriously, "why did you do it when you knew you would be reviled?"

Fang Shaoan's heart sank. Then, he answered firmly, "I have to do it."

"Isn't that enough? As long as you think it's right and you have to do it, then do it!" Zuo Xiaoran's thoughts were very simple. She had always lived like this. "other people have never experienced what you have experienced. They only know how to talk and be keyboard warriors. Do you want to please them, or do you want to please yourself?"

Even though what Zuo Xiaoran said was a little far-fetched, it was still practical for Fang Shaoan.

"Yeah, no one has ever experienced what I've gone through. Right or wrong, I have to judge for myself." Fang Shaoan sighed softly. Suddenly, on a whim, he pulled Zuo Xiaoran to the rooftop.

He then asked the maid to prepare beer and side dishes. The two of them drank on the rooftop while looking at the stars.

This time, Zuo Xiaoran learned her lesson. She only drank one cup. She was determined not to drink any more, so she began to eat melon seeds out of boredom.

"when can I go home?" Zuo Xiaoran suddenly asked.

She had not contacted her parents in the past two days, so she did not know if they were in a hurry.

It was fine in the past, but now that she knew that her father wasn't feeling well and had to go out to help cook at night, she felt even more upset.

Fang Shaoan looked back at her. "The day after tomorrow at the latest."

It could also be tomorrow.

When he was in power and his father couldn't do anything to him, he would have the right to decide everything in this family.

"Then where should I sleep tonight?" Zuo Xiaoran grabbed another handful of melon seeds and was quite concerned about this issue.

Last night, she had slept on Fang Shaoan's bed for the night.

This was because she had a pure mind and was magnanimous. Anyway, nothing had happened. They were just sharing a bed.

She couldn't possibly still be like this tonight, right?

Glancing sideways at a certain someone who was leaning against the fence on the rooftop holding a bottle of wine, Zuo Xiaoran was still a little wary.

He had drunk so much wine. What if he did something to her again? What would she do?

They were in the same pit. She couldn't fall into it a second time, right? n-/07eLB1n

Sensing Zuo Xiaoran's gaze, Fang Shaoan replied casually, "of course you're sleeping with me!"

She didn't want to sleep with him, so he had to tease her.

Sure enough, as soon as he finished speaking, Zuo Xiaoran froze. It took her quite a while to come back to her senses. She hugged her chest tightly. "You... don't think of anything strange. I... I WANT TO CULTIVATE MY MIND!"

"PFFT!" Fang Shaoan couldn't help but spit out a mouthful of beer. Then, he asked her in astonishment, "what did you say?!"

"I said I WANT TO CULTIVATE MY MIND! You're so young, but you're already deaf? Can't you hear me?!"

"Zuo Xiaoran rolled her eyes at him. Her face no longer had the bashfulness from before. She was a complete female hooligan. "If you don't have any desires, you'll just understand, right?"

Fang Shaoan,"..."

Was it because he was deaf or because her words were shocking? !!

In such a situation, didn't most girls say that she was a decent girl? They wouldn't be so casual... ..

Why was it that when it came to her, it was reversed and reversed again?

#### **Chapter 1242: after sleeping for two nights, what was there to be afraid of?**

Seeing how Fang Shaoan was defeated, Zuo Xiaoran smiled and took the second bottle of wine. She opened it and wanted to drink it, but she was afraid of getting drunk. She hesitated and hesitated.

Seeing the hesitation in her heart, Fang Shaoan snorted. "drink it, I won't get drunk tonight."

What he meant was, I won't do anything to you, so there's no need to be so nervous.

Zuo Xiaoran thought about the wound on his back. Although it had begun to Scab, it shouldn't be able to do intense exercise, so she nodded and let down her guard.

"Tonight's stars really many... .." drink a mouthful of wine, then looked up at the sky of stars, Zuo Xiaoran suddenly feel, originally happiness can be so simple.

It's easy, it's free.

How long has it been since she's laid back and looked up at the sky?

Think of being caught by Jiang Xueqian this time, it doesn't seem to be as bad as imagined.

Fang Shaoan also looked up at the sky, a careless, lost in the bright galaxy, for a long time can not come back to his senses.

If only these days could last.

But unfortunately... ..

People had to grow up eventually.

Reality forced him to not be able to continue to stay where he was. He could only face difficulties head-on to protect the people he loved, and only then could he protect the Brotherhood that he cherished!

He smiled and raised his glass to the night sky, paying tribute to his past self.

“Goodbye, that weak and useless, naive and laughable Fang Shaoan,” he murmured softly. Then he raised his head and drank the liquid in the glass in one gulp.

The burning sensation suddenly pierced through his throat, stimulating all his senses!

He used to like beer. Now it's time for him to try brandy.

The acrid of the throat has not yet dissipated, suddenly came from behind a muddle-headed ravings, “so noisy... Fang Shaoan, you roll aside to quarrel...”

I'm sorry, I'm sorry, I'm sorry, I'm sorry, I'm sorry, I'm sorry.

Guess he just spoke too loud, noisy she turned to the past, reached out to scratch his nose, a face of impatience.

“...”Fang Shaoan stopped the voice at once, walked over quietly, put down the wine glass, just squatting beside her. n**OvE**-1b/1n

He carefully looked at her flushed face because she was drunk. He couldn't help but pinch it and then complain, “Do you know whose house this is? ! Just let me go! You little muddleheaded egg!”

“Aiya! Stop Messing around! I'm angry!” The little girl didn't even open her eyes. In her daze, she was still throwing a Tantrum.

Fang Shaoan was laughed at by her and shook his head helplessly. He had no choice but to bend down and carry her in his arms.

This time, Zuo Xiaoran stopped messing around and snuggled in his arms. She rubbed her face against his and found a comfortable position before sleeping peacefully.

Even though she said that she was going to leave, Zuo Xiaoran knew in her heart that she could not bear to... ..

Even though she was kidnapped by Jiang Xueqian, she was not angry. It was all because of him.

If it were not for him, she would not have stayed in this boring place obediently.

If it were not for love, she would not have... ..

Fang Shaoan did not let her go to the guest room. Tonight, he still brought her back to his bedroom.

She had slept for two nights. Was She afraid of three nights?

Moreover, after tonight, he would let her go.

Let him be impudent one more time.

The two of them laid down with their clothes closed. Fang Shaoan let her lie on his side and covered her with the blanket, but he did not feel sleepy.

Under the Faint Moonlight, he began to size up her delicate little face.

### **Chapter 1243: He bears the consequences!**

The tip of his right hand touched the tip of her small nose, his lips, is full of satisfied smile.

After a moment, his smile froze as he thought about what he was going to do next.

“Xiao Ran, don’t blame me. ”

With a sigh, he leaned over and pulled her into his arms.

He could finally understand now, when Yan Jun had decided to send Xia Jinqi away, just what kind of heartache he was in... ..

And this time, it’s his turn.

—

Early the next morning, Lu Yiming arrived.

When the steward came up to call Fang Shaoan, he found that he was already dressed and waiting.

“Young Master, you...” Butler Leng Leng Leng, after all, he has never seen young master up so early.

When was the last time he didn’t sleep till noon?

After some thought, the housekeeper dismissed these memories and said, “Mr. Lu is here. The master wants you to go down. ”

“En. ” Fang Shaoan nodded his head and looked back at Zuo Xiaoran who was still asleep. He said nothing more and got up to leave.

The Butler followed behind Fang Shaoan, frowning deeply.

He did not know why, but he felt that the young master today was a little different?

Other than waking up so early, it seemed that his spirit and energy had changed.

As he thought about it, the Butler looked around the bedroom again. He thought to himself, could it be that being in a relationship can change a person’s character?

With suspicion, the Butler followed him again.

When Fang Shaoan went downstairs, he saw Lu Yiming and his father sitting on the Sofa in the living room from afar.

This scene seemed familiar to him from yesterday.

However... .. Today, he would no longer be as weak and incompetent as before ...

He slowed down his pace and slowly walked over. The smile on his lips was extremely sarcastic. "Lu Yiming, you're here so early? Are you afraid that I'll run away?"

"Shut up! Who allowed you to talk to Mr. Lu like that?" Fang Zemin reacted immediately. When he saw Lu Yiming's face turn Ashen, he even taught Fang Shaoan a harsh lesson!

Fang Shaoan did not care at all. He casually sat beside Lu Yiming and crossed his legs leisurely "Dad, we are all in the same boat now. Why do you still have so many taboos? Lu Yiming forced me to betray Yan Jun, and now he's counting on me to go to Yan Jun to dig more information for him!"

As he said that, he looked back at Lu Yiming and said with a smile that was not a smile, "are you satisfied with the information you heard yesterday?"

"Shaoan!" Fang Zemin was almost angered to death by this Brat. He wanted to open his mouth to educate him, but he saw Lu Yiming raise his hand slightly, indicating for him not to open his mouth.

Only then did Fang Zemin shut his mouth. He sat at the side and was so angry that his head was about to smoke.

Lu Yiming smiled coldly. Looking at the Fang Shaoan today that was very different from yesterday, he thought that he had completely given up after experiencing yesterday's incident.

However, he still needed to probe further. "How does it feel to betray your own good brother?"

"It feels great!" Fang Shaoan said this word almost with his teeth bared. "If Yan Jun knew, he would definitely kill me. Your move was good. You forced me to work for you!"

Lu Yiming carefully looked at Fang Shaoan for a while, then he withdrew his gaze and played with the ring on his left hand. He said faintly, "you are quite clear about your situation. What, are you now willing to work for me wholeheartedly?"

"Do I still have a choice?" Fang Shaoan laughed self-deprecatingly. He was the one who made it this far.

Therefore, he would also bear the consequences!

#### **Chapter 1244: you've been waiting for this day for a long time?**

"In that case, from today onwards, you will be the new head of the security department." Lu Yiming was very straightforward. He changed the topic and started the appointment while he was still at the Fang family's house.

When he said this, not only Fang Shaoan, but Fang Zemin also gasped and his face turned pale.

"Mr. Lu, you... what do you mean by this?" Fang Zemin started to panic ...

He was doing well in the position of head of the security department. Why didn't there be any movement at all? Why did he suddenly say that he wanted to give it to his son?

Fang Zemin did not understand the logic behind this, but Fang Shaoan did.

Yesterday, Yan Jun had just told him that he wanted him to seize power. Today, Lu Yiming rushed here without stopping. With just a word, he wanted to help him ascend to the position?

So... Lu Yiming Remembered Yan Jun's words. As long as he became the head of the security department, he could become Yan Jun's right-hand man ? ?

Realizing that it was really possible, Fang Shaoan could not help but snicker.

Second Young Master Yan, Second Young Master Yan, your words have dug a hole for Lu Yiming.

However, Lu Yiming still didn't know anything and just foolishly jumped into the hole.

Lu Yiming naturally didn't know Fang Shaoan's thoughts. He glanced at Fang Zemin and said indifferently, "this position will be given to your son sooner or later. Yan Jun doesn't believe you now, so he can only let your son take over."

"But... but Shaoan is still young, and I . . . I'm still in a good position, how can I quit just like that?" Fang Zemin was unwilling to quit, even if the successor was his son.

He was only in his forties, and his body was strong. What was going on with him retiring so early?

Fang Zemin's words made Lu Yiming very unhappy, and his tone immediately changed "Fang Zemin, you have to be clear. If it weren't for me protecting you all the time, including the things you did in the past, would you still be able to sit in this position steadily? Now it's just your son's turn, what are you not satisfied with?"

Lu Yiming had previously told Xia Jinqi that he was now the king of Rao city.

Even though he couldn't control the people on the right, in his faction, these people were like fish on the chopping board, waiting to be slaughtered by him.

If he wanted to change someone, the reason was very simple. He could just let Fang Zemin complain about his illness.

In addition, the head of the Fang Family's security department had been bought with money in the past. He could be considered to have a weakness in Lu Yiming's hands. Wouldn't he be able to RUB it out?

Fang Zemin didn't speak for a long time. Lu Yiming's gaze fell on Fang Shaoan. "What do you think, Shaoan?"

"..."Fang Shaoan Heard Lu Yiming change the way he addressed himself, and Fan Teng immediately felt his stomach churn. He almost spat out the sour water!

However, this also meant that Lu Yiming had begun to trust and value him. This way, it would be beneficial for him to rise to the top.

After thinking for a moment, Fang Shaoan lazily looked at his father. "Dad, you're old. Now it's our younger generation's world. After you retire, you can travel around the world with mom. What a wonderful thing."

Fang Zemin,"..."

A minute ago, he was still the head of the Ministry of security with great power. Even Xia Jitian had to give him some face.

But in the blink of an eye, he was about to become an idle person at home... ..

The person who made him become like this, other than the outsider Lu Yiming, was also his biological son?

Fang Zemin's gaze became a little misty. He stared at Fang Shaoan and asked in disbelief, "you've been waiting for this day for a long time?"

#### **Chapter 1245: I sold out Yan Jun and Xia Jinqi in exchange for the honor**

If he hadn't been tempted, why would he agree to Lu Yiming's question? !!

Faced with his father's doubt, Fang Shaoan's heart tightened slightly.

Although he had been a bit of a bastard all these years and ruined a lot of the family business, all he did was eat, drink, and play, he still respected his parents very much.

Now that he saw his father's gaze, Fang Shaoan couldn't bear it.

But he had to do it.

"This position should have been mine after you retired. Dad, be realistic. You taught me to walk higher." Fang Shaoan said these words leisurely, but his eyes drooped. He did not dare to look at the disappointment in his father's eyes.

He Sat deeply on the SOFA. Out of the corner of his eye, he caught a glimpse of a figure flashing by the stairs. He gritted his teeth and the lines of his jaw tightened.

Fang Zemin was so angry that his old face was trembling. "Good, my good son. You are very good! So you are even scheming against me, your father!"

"Alright, this position of minister, no matter what, it still belongs to your Fang family. It's the same for everyone. Shao'an can gain Yan Jun's trust now, making him the most suitable minister." Lu Yiming couldn't be bothered to listen to Fang Zemin's angry words He simply interrupted him.

When Fang Shaoan heard this, he sneered again. "Yes, Father, I sold out Yan Jun and Xia Jinqi in exchange for this honor. Please grant me my wish!"

When he said this, Fang Shaoan glanced at the stairs, intentionally or unintentionally.

"..."Fang Zemin was so angry that he couldn't even speak!

Why didn't he realize that he had raised such an ambitious son? ! !

Lu Yiming rubbed his temples and lost his patience. He stood up immediately. "It's settled then. Go to the Security Department today and settle this matter! "

"... yes." Fang Zemin had no right to refuse at all. He could only stand up as well ...

As the two of them walked out, Fang Shaoan suddenly said, "you guys go first. I'm going to the WASHROOM. "

Lu Yiming turned around and glanced at him. Without saying anything, he led Fang Zemin out first.

After the two of them left, the living room became a little empty for a moment.

Fang Shaoan was silent for a moment before he shouted at the corner of the stairs, "come out. "

As soon as he said this, Zuo Xiaoran froze and slowly moved out from the corner of the stairs.

Her small face was deathly Pale, and her eyes were empty as if she had been greatly frightened... ..

"You... you betrayed Xiao Qi? " She had been hiding at the corner of the stairs and heard all the conversations in the living room ...

Fang Shaoan looked at her indifferently and did not say a word.

The Aura on his body was very cold, so cold that Zuo Xiaoran felt unfamiliar... ..

He was clearly still warm last night, but why did he suddenly seem like a different person now?

"Why didn't you answer me? You were lying to them, right? ! " Zuo Xiaoran herself did not notice how loud her voice was when she asked this question, how anxious her expression was, and how red her eyes were... ..

"This is the trend of the Times. I can only go with the flow of this fast-flowing river. " Fang Shaoan lowered his head. His words were depressed and deep.

He had long known that Zuo Xiaoran was eavesdropping from the stairway. He had said those words on purpose to betray Xia Jinqi.

Because only in this way would she be completely disappointed in him and leave him completely... ..

### **Chapter 1246: I was wrong about you!**

Zuo Xiaoran was already trembling from the shock of his words "The general trend... .. I get it. This is what you said last night. Even if you are reviled by the world, you have to do it ? Fang Shaoan, do you still have any conscience ? Yan Jun is your brother ! Every time Xiao Qi is in front of me, she always says nice things about you. She says that you look like a playboy, but you are actually a kind person. But what about you ? You betrayed her?"

Not to mention that Xia Jinqi was her best friend, even if she didn't know Xia Jinqi and Yan Jun at all, she would never sit idly by and watch Fang Shaoan do such a thing!

“...”Fang Shaoan listened to her question after question. The pain in his heart almost suffocated him.

If he had known earlier that she knew about this matter, he would have quarreled with him.

He also wanted to hide it, but in the end, he didn't know that these words were actually coming out of his mouth... ..

Facing his own mistakes, it turned out that he really needed such a strong belief to be able to withstand it.

Sighing secretly, Fang Shaoan said coldly, “now that things have come to this, it doesn't matter what you think.”

After saying this, he stood up and wanted to leave without her.

However, he had only taken two steps when his sleeve was grabbed.

He did not turn around, but he heard Zuo Xiaoran's sobbing voice. “Shaoan, what happened to you? I don't believe it. I don't believe that you would betray them!”

She wanted to keep him and ask him clearly.

Fang Shaoan listened to her sorrowful cry. It was the pain of thousands of arrows piercing through his heart.

However, he did not explain a single word. He clenched his fists and fiercely shook her off. “believe it or not!”

Then, he strode away.

Zuo Xiaoran was thrown by him. She lost her balance and fell into the SOFA.

The SOFA was very soft and did not hurt at all.

But at this moment, her heart was in so much pain... ..

She looked up at the exit of the hall. Fang Shaoan left without even turning his head.

She gritted her teeth and did not allow herself to cry. However, the bean-sized tears still fell onto the SOFA along her cheeks.

“Fang Shaoan, you... are really such a person? Hehehe, I misjudged you!”

After a while, she wiped the tears off her face and rushed to the door. *nOve.lIb/In*

She wanted to find Xiao Qi and tell her everything!

However, when she reached the door, two bodyguards suddenly appeared and stopped her.

“GET OUT OF THE WAY!” Zuo Xiaoran shouted sternly, her eyes were cold.

“Miss Zuo, you are an honored guest. Please rest upstairs.” The bodyguard's answer was even colder. They did not have any expression on their faces. They only accepted money to do things, and they did not care whether it was right or wrong, whether it was right or wrong.

Zuo Xiaoran's teeth were clenched so hard that they creaked. She never thought that one day, she would also be imprisoned by a group of people!

And she was completely powerless to resist!

Right at this moment, Jiang Xueqian walked over from behind. "I advise you not to waste your energy. Shao'an likes you. To be able to keep you here, I don't know how lucky you are!"

Jiang Xueqian glanced at Zuo Xiaoran. Her gaze was completely filled with disdain and disgust.

Jiang Xueqian was born into an aristocratic family, and so was Fang Zemin. They could also be considered a combination of the upper-class society. Naturally, they did not look at Zuo Xiaoran, who was all alone.

Without a decent family background, without any experience of studying abroad, and without any academic attainments or achievements, how could an ordinary and ordinary girl be worthy of her son?

**Chapter 1247: was the time for me to show my true abilities!**

If it weren't for these things, she wouldn't have let her son see her at all!

Not to mention, he even brought her into the house and served her with good food and drink.

Zuo Xiaoran's brows twitched slightly as she turned around to look at Jiang Xueqian.

She really had never let her down before... ..

"Mrs. Fang, your words are a bit too much. I was fine at home, but you guys kidnapped me. How did it become your grace now? Has Your Fang family always reversed right and wrong like this?"

In the past, for Fang Shaoan, no matter how Jiang Xueqian treated her or humiliated her, she had endured it!

But now, she felt that there was no need for her to stay here anymore!

"You! You good little girl, you actually dare to talk to me like this?!" Jiang Xueqian was so angry that her eyes were wide open. She quickly took two steps forward and raised her hand, wanting to hit Zuo Xiaoran.

It just so happened that she had been holding her anger in these two days and had nowhere to vent it. This girl bumped into her, so don't blame her!

However, just as she raised her hand and was about to land, Zuo Xiaoran quickly caught her hand!

After all, Zuo Xiaoran had practiced boxing before, so this bit of hand speed and strength was still there!

"You!" Jiang Xueqian was stunned. When she came back to her senses, she found that her hand was pinched, and she wanted to use her other hand to fight.

However, all of them were stopped by Zuo Xiaoran. She directly grabbed Jiang Xueqian's two hands and tightly controlled them. "Mrs. Fang, don't go too far! I was able to tolerate you in the past, not because I was afraid of you! You better not provoke me. When I go crazy, I'll even beat myself up!"

With that, Zuo Xiaoran exerted force with her hands and violently pushed Jiang Xueqian away!

Jiang Xueqian leaned back and took a few steps back before she managed to steady herself.

When she regained her senses, the first thing she did was to glare at Zuo Xiaoran. "What a sharp-tongued girl. Don't forget, this is my Fang family's house! Someone, tie this girl up!"

As soon as Jiang Xueqian shouted, the bodyguards outside the door immediately rushed in and surrounded Zuo Xiaoran.

It looked like this was going to be real.

Zuo Xiaoran stretched her body and glanced at the three bodyguards who came in. She thought to herself, it's time to show my true ability!

She was someone who had played boxing before!

She was too tired when she went home that night, and she was at her own home. She let down her guard and made a mistake.

Today, she would fight to the death! n/-OvælbIn

However, before she could make a move, the Butler immediately rushed over after hearing the news and stopped everything "Wait, wait! Madam, young master had instructed before he left that we must not neglect Miss Zuo! If young master finds out about today's matter, he will definitely be unhappy again! Madam, for young master's sake, please let Miss Zuo off this time..."

Jiang Xueqian was still in a fit of anger. When she heard that her own son was actually defending an outsider like this, she was instantly enraged. She pointed at Zuo Xiaoran and scolded, "arrest this little vixen for me!"

She did not believe that she would definitely teach this girl a good lesson today!

Zuo Xiaoran was initially hesitant after hearing the Butler's words, 'young master's orders must not neglect Miss Zuo'. However, when she heard Jiang Xueqian's words, her fighting spirit was immediately rekindled!

"You are the vixen! Your entire family is a vixen! If you have the ability, come and arrest me personally! What kind of hero are you if you find someone to help you!"

"See if I won't tear your powerful mouth today!" Jiang Xueqian was so angry that she threw herself at Zuo Xiaoran!

**Chapter 1248: I am now officially informing you that your son has been dumped by me!**

Zuo Xiaoran did not show any fear at all. She had already prepared herself and was waiting for her.

When the bodyguards at the side saw that the Madam had personally gone up, no one dared to make a move. They were afraid that they would accidentally hurt the Madam. When that happened, they would be in even more trouble!

Therefore, the bodyguards watched from the side. The Butler was even more helpless. Before the young master left, he had specifically instructed that he could not treat Miss Zuo slowly. He could only persuade the Madam.

In the end, it inexplicably turned into a one-on-one fight between Jiang Xueqian and Zuo Xiaoran.

“AIYAYA! I’ll beat you to death, you vixen!”

“If you have the ability, then fight! If you can beat me, then I’ll accept it!”

The two of them quickly twisted into a ball.

Pulling their hair, twisting their ears, pinching their faces, the fight was so fierce that smoke was rising from it, and the screams were incessant.

The bodyguards had never seen such a scene before. They all panicked and hurriedly turned back to look at the Butler.

The Butler also kept wiping his sweat. He did not know who he should help... ..

Twenty minutes later.

The battle ended with Zuo Xiaoran’s victory!

She brushed the broken hair on her forehead, blew a breath, clapped her hands, and stood up. She spoke in a condescending manner as if she was the victor.. “since you’re Fang Shaoan’s mother, I showed mercy! Otherwise, I’ll punch you until you bleed from all seven orifices!”

The Butler,“...”

The bodyguard,“...”

The few of them were stunned before they looked towards the ground.

The first thing they saw were two high heels that had been flung far away. One on the left and one on the right, one standing up and the other lying down.

Then there was Jiang Xueqian. The fur coat on her body had been torn to shreds, and her meticulously made hairstyle had been rubbed until it looked like a bird’s nest. The makeup on her face had also been ruined. Half of her eyebrows had been wiped off, and one of her false eyelashes had been removed!

How was she still a noblewoman? At first glance, people would think that she was a nightclub lady who was in trouble somewhere!

The housekeeper and bodyguards looked at each other. No one dared to make a sound, and they all quietly swallowed.

When women fought, it was indeed very scary... ..

“You... you...” Jiang Xueqian was so angry that her entire body trembled. She lowered her head to look at her sorry state. Her eyes were misty, as if she could cry out in the next second ! !

She had actually been bullied by a little girl who was a liar!

On the other hand, Zuo Xiaoran did not have any self-awareness of causing trouble. Instead, she calmly tidied up her clothes and continued to mock Jiang Xueqian, “what? I’m going to cry if I can’t beat you? You’re a forty-year-old person after all. Pay attention to your status!”

Recently, she had been bullied too much by this woman!

Zuo Xiaoran had been enduring and enduring!

She always told herself to endure for a while, always wanting to not haggle with this woman for Fang Shaoan’s sake!

But this time, it was really too much!

Not only did she kidnap her, she even humiliated her every day!

If she continued to bear with it, she would be depressed enough to commit suicide!

This woman who took advantage of her seniority really needed to be taught a lesson!

“ ... ” Jiang Xueqian’s livid lips trembled as she looked at Zuo Xiaoran in front of her as if she had seen a ghost. “I will never let my son marry a woman like you into his family! ! ”

“Aiyo, you don’t have to worry about that. He just proposed to me last night, but I rejected him. ” Zuo Xiaoran snorted and said indifferently, “also, I’m officially informing you that your son has been dumped by me! I don’t want him anymore! ! ”

“You! You...” Jiang Xueqian was so angry that she almost had a heart attack, but she could only listen helplessly. She couldn’t even refute a single word.

### **Chapter 1249: beat her up!**

Zuo Xiaoran saw that she was trembling all over, and her eyes were red as she stared at herself, but she could not say a word. She even kindly gave her some advice “You’ve been here for a long time, and you still haven’t come up with any excuses! HOW PITIFUL! Come, let me teach you. At this time, you should scold me like this: You shameless woman, you’re shameless! YOU’RE A VIXEN! You’re sharp-tongued! You’re unreasonable! And so on. ”

Jiang Xueqian,“ ...”

She was so angry that her breathing had become heavy.

“Why aren’t you saying anything again? You’re a highly educated intellectual. You can’t even say a word when you’re being scolded by a little girl who hasn’t even been born in the country. If this gets out, YOU’LL LOSE A LOT OF FACE! ” Zuo Xiaoran said energetically One sentence after another, she couldn’t stop at all!

The housekeeper saw the situation and quickly came over to dissuade her. "Miss Zuo, please stop saying so much! This madam is young master's biological mother no matter what. Even if you're doing this for young master's sake, you shouldn't be like this!"

"What's wrong with me You guys only know moral kidnapping all day long Just because she's Fang Shaoan's mother, does that mean she can kidnap me here and restrict my freedom Just because she's Fang Shaoan's mother, does that mean she can trample on my personality as she pleases? ! She sent so much money back, and when she came back, she would scold me profusely ? Didn't I say a single word about her ? It's great now, a kind person will be bullied ! She directly locked me up ! What on Earth are you guys trying to do! ?"

Zuo Xiaoran had no intention of backing down at all, because she said it on purpose.

Only by doing so could she force Jiang Xueqian to let her go on her own accord!

She was in a hurry to find Xiao Qi and tell her about the Fang family.

Jiang Xueqian naturally did not know that Zuo Xiaoran had done it on purpose. She listened to Zuo Xiaoran's words in a daze, and her body trembled. She pointed at Zuo Xiaoran and shouted, "get out! GET OUT OF MY HOUSE! Get Out!"

"Do you think I'm willing to stay here? If it weren't for you guys begging me to stay, I wouldn't want to stay here!" Zuo Xiaoran put her hands on her waist, and her chin was almost raised to the sky.

Her appearance stimulated Jiang Xueqian even more, and she shouted, "someone! beat her out! beat her out randomly!"

"Madam, this..." the housekeeper was a bit troubled. After all, it was Jiang Xueqian who said that she wouldn't let Zuo Xiaoran leave.

"What are you still standing there for? ! Don't you understand what I'm saying? ! Kick her out! !"

"Fine, I'd better go by myself, so that I won't be an eyesore to you!" Zuo Xiaoran waved her hand and left arrogantly under Jiang Xueqian's gaze.

In the living room, Jiang Xueqian had already been helped up. She Sat on the Sofa with a livid face and didn't say a word.

Seeing her like this, the housekeeper was also frightened. After raising his hand to let the bodyguards go out, he asked in a low voice, "madam... should we call a doctor?"

"..."Jiang Xueqian didn't say a word. She only lowered her head to look at her entire body and found that there wasn't a single injury.

There wasn't a bruise at all. Only her clothes were messy and her hair was messy.

Humph, this girl actually dared to... ..

"Old Lian, am I in a sorry state?" Jiang Xueqian suddenly changed the topic and asked.

The Butler looked at her and fell silent.

To tell the truth, he had never seen his wife in such a sorry state.

But at this moment, he could only choose to remain silent.

Even if he did not speak, Jiang Xueqian knew that her current appearance was not only in a sorry state...

...

“Hahahaha!” She suddenly laughed.

### **Chapter 1250: simply wanted to leave**

The sound was so loud that it soon spread to every corner of the living room.

The housekeeper was baffled by her smile. He thought that she had injured her head in a fight. Just as he was about to call the doctor for her, he heard her say, “I’ve lived for more than forty years. In the end, I’m not even as good as a girl in her early twenties. How ironic...”

The housekeeper still did not understand what Madam meant. He could only weigh his words and say, “Madam, how can Miss Zuo compare to you? She’s a newborn calf with a childish temper.”

He originally wanted to put in a good word for Zuo Xiaoran, but when he recalled the scene just now, the housekeeper suddenly felt that he couldn’t say anything.

“It’s precisely because she’s young that she’s fearless...” the smile on Jiang Xueqian’s face didn’t fade.

The housekeeper was even more confused. “Madam...”

Jiang Xueqian just waved her hand. “You can go down. I want to be alone for a while.”

“Yes, Madam.” The housekeeper nodded and left.

After he left, Jiang Xueqian let out a long sigh.

She remembered how she looked in front of Lu Yiming.

She was so scared that her whole body was trembling. She didn’t even dare to breathe loudly. She was groveling and groveling to the point of dust.

Just now, Zuo Xiaoran’s domineering appearance actually made her a little envious... ..

If she could, she would like to be like Zuo Xiaoran and give Lu Yiming a fierce beating!

She beat her husband and even tricked her son!

Such a person was a devil, right?

As for Zuo Xiaoran... ..

She hadn’t figured it out just now. After sitting here for a while, her mind was clear and her reaction was fast.

The first few times they met, she was still well-behaved. This time, she suddenly made such a big scene and actually dared to make a move... ..

But even if they did attack, they deliberately did not hurt her.

Earlier, Jiang Xueqian had asked someone to investigate Zuo Xiaoran's background.

This girl had fought before, and her hands were very strong. However, other than her clothes and hair, she did not hurt herself in the slightest.

It could be seen that this girl knew her limits.

She did this because she wanted to leave.

Moreover, she was Xia Jinqi's friend. If she ran out like this, Yan Jun should be able to find out about the Fang family's situation very soon, right?

Jiang Xueqian still remembered how painful his expression was when Shao an revealed Xia Jinqi's identity that night. **Over/b(1n**

That was a piece of flesh that had fallen from her body. If she could choose, she would never want to see her son like this.

No matter what, at least letting Yan Jun know the truth would make Shao an less pained.

As a mother, she could only help so much.

The rest would depend on the Fang family's fortune... ..

..

The Yan family.

Today, it was rare for Yan Jun to sleep till late in the morning and still be unwilling to get up.

He had been exhausted these past few days and often couldn't sleep well after a few nights.

Although she was very embarrassed, Xia Jinqi felt that her sleep had become better... ..

Ever since the knot in her heart with her father had been resolved, her insomnia had truly disappeared.

Moreover, she had inexplicably become a little lethargic. She guessed that her body was trying to make up for all the sleep that she hadn't slept well for the past twenty years?

Just as she was puzzled, the man beside her turned over. An arm came over and pulled her into his embrace.

Xia Jinqi looked back and saw that his eyes were still closed. Clearly, he was sleeping.

She curved her lips into a smile and leaned her head against his.

Even though she wasn't sleepy at all, she still laid with him for more than half an hour.

It wasn't until the sun rose and the room became brighter that Yan Jun frowned and woke up.
