This was Xia Jinqi's second sister, Xia Tianjiao.

As her name suggested, she was loved by her mother.

She was the one who knew how to please her mother the most among her four siblings.

"Mom, are you teaching this insensible annoying person a lesson again?" Xia Tianjiao walked over and glanced at the palm print on Xia Jinqi's face. Not only did she not feel sympathy for her, she even felt that she was a spoilsport.

When she passed by Xia Jinqi, she even deliberately bumped her with her shoulder.

"Mom, look what I bought for you! A LIMITED EDITION SCARF! Look how this color suits you!"

"My darling is still the best! She knows what MOM LIKES!" Hong Xianglin immediately laughed. She held the scarf and gestured with it on her body, her face full of happiness.

Xia Jinqi raised her eyes to take a look. She remembered that on her mother's last birthday, she gave her a scarf with a similar color. Her Mother didn't even look at it and threw it directly into the trash can.

They were both biological children, the same gift, and completely different treatment.

It was as if she had been stripped naked and thrown into the snowy mountains of the north. The whistling cold wind whipped her body without restraint.

Xia Jinqi gritted her teeth and withdrew her gaze. She slowly walked upstairs. Only after hiding in her own room could she finally catch her breath.

She didn't even change her clothes. She just laid on the bed like that. It was too tiring... ..

Her cell phone rang at this moment.

Xia Jinqi glanced at it, then picked it up. "Xiao Ran, what's wrong? "

"Has the dinner party ended? Come quickly to Xing Hai KTV. There's a surprise! "

"What surprise? " Xia Jinqi rubbed the space between her eyebrows and quickly adjusted her mood as she asked.

"Aren't you getting married tomorrow? The sisters are throwing you a grand bachelorette night! COME OVER QUICKLY! We're waiting for you! " After saying that, she directly hung up the phone.

Xia Jinqi was stunned for a moment, then she couldn't help but laugh.

"bachelorette night? This marriage of mine, whether I get married or not, it's the same feeling... "

While murmuring, Xia Jinqi still got up. Taking advantage of the fact that her family members weren't paying attention, she quietly went out the back door.

Instead of staying in this suffocating home, go out and stay with your friends.

The Yan Family Mansion.

Study on the fourth floor.

Yan Jun looked through the list of betrothal gifts that his mother had just sent. Skimming through it, he didn't read a word.

The scene of Xia Jinqi being twisted at the Dinner Party always flashed in my mind for no reason.

Remember they were in the locker room this afternoon, and she said that they both had no choice.

He thought she was going to marry him at the end of her life, just to get the Yan family's money, but now it seems there's more to the story?

The more he thought about it, the more frustrated he became. Yan Jun threw the gift list he was looking at and rubbed his temples.

He couldn't concentrate on his work because he kept thinking about that woman!!!

The phone came in at this time.

"Hello?" Yan Jun's tone was a bit impatient.

The person who called him was Zhuge Wentao. Hearing his tone, he instantly understood. "It seems that tonight's family banquet didn't go well?"

"..." Yan Jun frowned and changed the topic. "What's the matter?"

"Come to the STAR OCEAN KTV. Someone is suing you here."

"I'm not going." He refused flatly. At this moment, his heart was restless and restless!

Zhuce Wentao guessed that Yan Jun wouldn't come, so he didn't intend to continue persuading him. He directly moved his phone to his side.

At this moment, Fang Shaoan was telling everyone about the romantic scene on the beach in the afternoon... ..

“AIYO! You guys don’t know that our second young master Yan was hugging the girl’s small waist at that time. He was burning with desire and was as passionate as fire! ”

Yan Jun,“...”
