The night was as cold as water.

The Sky was filled with stars. At an inconspicuous time, the two stars that were thousands of miles apart were pulled into the same orbit.

Galaxy KTV.

Yan Jun and Xia Jinqi arrived almost at the same time.

One person and one car, they met face to face.

When Xia Jinqi stopped the car, she was still muttering about how the Maybach in front of them had stopped opposite her?

However, the moment she got out of the car, she saw Yan Jun closing the car door.

Yan Jun also frowned slightly. He thought about how the White Audi parked opposite him was so tricky. In the end, when he looked up, he saw Xia Jinqi blinking her big eyes and standing in front of him in a daze.

It was really a narrow road for enemies.

“Why are you here?” Xia Jinqi suddenly remembered what Xiao Ran said on the phone just now. She wanted to give her a surprise.

Then, she saw Yan Jun here. This... .. could it be the so-called surprise that Xiao ran mentioned ? ?

Yan Jun didn't answer her question, nor did he ask why she was here. He just stared at the palm print on her face with his dark eyes.

"What happened to your face?" He frowned and asked angrily.

"..."Xia Jinqi reflexively covered her face and took out her phone to take a look. Sure enough, the palm print on her face was still vivid.

She had forgotten about this. If she was seen by her sisters when she went in later... ..

Xia Jinqi subconsciously thought of the unpleasant time at home. With a straight face, she turned around and left. "It's nothing. "

She had only taken two steps when the man behind her quickly caught up with her. He grabbed her arm and pulled her over to face him.

At such a close distance, Yan Jun could clearly see the palm print on her face.

"Did your mother hit you?" His eagle-like sharp eyes suddenly narrowed. He grabbed her shoulders and questioned her.

Given that Yan Jun had seen Hong Xianglin secretly pinch Xia Jinqi's thigh at the dinner party earlier, it was not strange for him to have such a guess at this moment.

However, the strange one was Xia Jinqi.

She frowned and looked at him in astonishment. "How did you know?"

"It seems to be true." Yan Jun seemed to have seen through her entire person and had an extremely high insight.

Xia Jinqi raised her head to look at him, and the softness in his eyes struck her soft spot.

She was like a little Hedgehog, swiftly shaking off the thorns on her body!

She didn't need anyone's sympathy!

“It’s none of Your Business! ” She flew into a rage out of humiliation and walked into the KTV.

Just as she reached the corridor, Yan Jun caught up to her from behind.

This time, he directly pressed her against the wall, and his tall figure instantly pressed down on her.

Xia Jinqi subconsciously tilted her head, afraid that he would sneak up on her again... ..

In the end, his interest was not on her lips. Instead, he lifted up her short skirt with one hand.

“What are you doing! ” She jumped in fright and immediately reached out to pull his hand!

However, he did not care at all. He shook off her hand and continued downward.

“Yan Jun! Stop! ” Xia Jinqi grabbed his hand that was about to commit adultery again and glared at him angrily!

“Why didn’t you show it to me? ” Yan Jun raised his eyes and met her big, clear eyes.

He knew that her mother had pinched this place just now.

He just wanted to see if her injuries were serious.

Other than the palm marks on her face, where else was she injured?

However, Xia Jinqi didn’t know the worry in Yan Jun’s heart. She only knew that she had inexplicably bumped into him here and was inexplicably pressed against the wall by him to pull on her skirt... ..

And... .. and asked her so righteously why she didn’t show it to him ? ?

Look... .. Look .. What are you looking at!
