

Trick Me 1541

Chapter 1541: bitter experience

When Zuo Xiaoran arrived at the security department with food and a change of clothes from home, she heard a deafening laugh coming from the office.

It was easy to recognize that it was Fang Shaoan's voice. In this building, only he could laugh so brazenly.

Zuo Xiaoran was slightly surprised at first. After all, it had been so long, and she had never seen Fang Shaoan smile.

She did not know who came today to make him so happy.

She did not go in to disturb him and just sat in the Waiting Area by the side and swiped her phone for a while.

At this time in the office, Yan Jun looked at his watch and calculated that it was about time. He then pulled the topic back to the right track. "In addition, I will arrange for someone to connect to your network and you will give her all the permissions."

"No problem." Fang Shaoan's laughter gradually died down and he became serious. "Are you looking for something? Just tell me directly and I will find it faster."

He thought that Yan Jun wanted these privileges to look for some information.

Anyway, he was already the minister now, and there was no obstruction wherever he went. It should be the fastest way to find him.

However, Yan Jun shook his head and his eyes were deep. "It's best if you can directly supervise the military's privileges."

"..."hearing this, Fang Shaoan was instantly stunned.

He blinked. At first, he thought that he had heard wrongly, but looking at Yan Jun's serious eyes, it didn't seem like he was joking at all.

After hesitating for a moment, he asked, "you want to monitor the military?"

"Yes. Other than Huo Ting, there are many people from the left." Yan Jun's words were simple and clear. He wanted to know all of Lu Yiming's movements.

Only by knowing yourself and the enemy could you win a hundred battles.

"I definitely have no problem with the authority here, but... Lu Yiming also has the authority to monitor the military's network. If he finds out that a third party exists, I'm afraid it will not be good for you." Fang Shaoan could not help but worry ...

The Security Department could be said to be in charge of the world and the air. At the same time, it was also in charge of the military's movements for the higher-ups.

If they wanted to supervise an area, it would definitely not be a problem. However, if Lu Yiming found something that could be used against Yan Jun, saying that he stole military secrets or something, the matter would become complicated.

Yan Jun naturally understood the stakes involved, but he only smiled faintly. "You don't have to worry about that. He won't be able to find out."

"You're so confident?"

"A world-class hacker will do it. I believe that she won't be discovered." Yan Jun narrowed his phoenix-like eyes. He was extremely certain of Yan Xiangsi's skills. (Over 100)

Fang Shaoan understood more or less when he heard this. "If that's the case, then I definitely won't worry about anything."

With that, he raised his eyes to look at Yan Jun. He then realized that there seemed to be a red cut on Yan Jun's chin. Although it was already scabbed and it wasn't deep, but... It was still red. It seemed to have just been injured ...

"Your face..." Fang Shaoan squeezed his eyes and looked at the cut seriously.

Even he himself didn't believe it. He had talked to Yan Jun for so long just now, but he hadn't noticed it?

At this moment, the topic was opened up, and his mood lightened. Only then did he realize it.

And looking at that position, why did it look more and more like it was caused by shaving?

"Could it be caused by shaving?" He could not help but ask in the end.

After all, he was someone who had experienced this kind of painful experience before... ..

Yan Jun looked at him coldly, his gaze unkind.

Chapter 1542: both the black and white factions were fighting to protect him

Fang Shaoan's small satellite immediately received the warning and quickly laughed dryly to mediate the situation. "Haha! Definitely not! The dignified second young Master Yan, how could he make such a low-level mistake? HAHAHA!"

Initially, the atmosphere was not that bad. At most, it was a little awkward. However, after Fang Shaoan finished saying the last sentence, what flowed out from Yan Jun's body was not a warning, but a murderous aura... ..

Fang Shaoan smiled and felt that the air around him seemed to be frozen. It was so cold that it was close to his heart and lungs.

He awkwardly stopped smiling and took a cup of coffee. "AHEM! I'm a little thirsty."

Only then did Yan Jun look away. He stood up and tidied his suit. "It's getting late. I'll be leaving first."

"I'll send you off..." Fang Shaoan quickly went up and personally opened the door for him.

Just as they walked out of the door, the two of them saw Zuo Xiaoran sitting in the waiting area at the entrance.

Zuo Xiaoran also saw them.

After knowing that the person who came was Yan Jun, the doubts in Zuo Xiaoran's heart were immediately resolved.

With his good brother accompanying him, Fang Shaoan seemed to be in a better mood.

She walked over and greeted Yan Jun, "Mr. Yan. "

Yan Jun nodded slightly and turned back to look at Fang Shaoan, "be careful. "

After saying that, he took a step and left.

Fang Shaoan even shouted at his back, "thank you, brother! "

Yan Jun did not say anything else and went straight into the elevator.

Zuo Xiaoran then retracted her gaze and asked in puzzlement, "why does he seem to have a bloody scar on his chin? Did something happen? "

"Even if everyone in the world had an accident, nothing would happen to him. " Fang Shaoan blurted out. Although his words sounded like nonsense that had not been thought through, but when he thought about it carefully, it was a little terrifying... ..

It seemed like it was really like that. Who could hurt him... ..

He had bodyguards everywhere he went, he was so thoughtful in everything, he had calculated all the traps, and there was even a black tortoise hall protecting him in the dark.

And now, the Yan Corporation was at its peak. The big shots of both the black and white factions had obtained a lot of shares of the Yan Corporation. Everyone was still hoping that this money tree would quickly make money, and both the black and white factions were fighting to protect him... .. Everyone was hoping that he would live a long life ! !

Oh right, there was also the most important point — *n-/OvelBIn*

Once the news that Yan Jun was going to run for president was spread out, the Yan Corporation's shares would definitely soar many times over.

The big shots would definitely be more than happy to support Yan Jun as the president as they had made a lot of money.

If their approval ratings went up and they were elected, wouldn't their shares soar again?

Otherwise, why did they say that money and power did not separate?

Yan Jun had such a big corporation behind him. He was truly blessed by the heavens.

"Oh..." Zuo Xiaoran nodded as if she did not understand. She gathered her thoughts and asked, "have you eaten? I brought you some food and a change of clothes. "

As she spoke, Zuo Xiaoran had already handed two bags to Fang Shaoan.

These days, she had always been part of the Fang family. The security department had been running around on both sides, taking care of his food and living. She did not even have time to go back to her own home. Her parents had called her several times to ask her to go back and have a meal, but she could not find the time.

Fang Shaoan was just hungry. When he heard that there was food, he was so happy that his facial features almost flew off. "Come, let's eat together."

He took the bag and walked into the office, but Zuo Xiaoran was still standing where she was. Her face was a little stiff. "You can eat. I still have something to do, so... I'll be leaving first."

It was quite early tonight. She wanted to go home to visit her parents and also to tell them that she was safe so that they wouldn't worry.

Chapter 1543: who would want their daughter to follow a scumbag?

When Fang Shaoan, who had been beaming with joy just a moment ago, heard her words, his smile gradually froze. He turned around and looked at her. "where are you going?"

"I just... have something to do." Zuo Xiaoran's gaze dodged for a moment, and she did not answer his question directly ...

In fact, in the beginning, Fang Shaoan's parents did not agree with the two of them. Now, it was Zuo Xiaoran's parents who did not agree.

The Fang family had such a big incident, and Fang Shaoan's reputation was so bad before. It was one thing for him to eat, drink, play, flirt, and squander, but he did not even care about his parents'bodies. For Zuo and Zuo, this was already breaking the bottom line.

For a long period of time, he had been doing ideological work for Zuo Xiaoran, asking her to leave Fang Shaoan.

After all, as parents, who would want their daughter to follow a scum?

However, Zuo Xiaoran had never said these words in front of Fang Shaoan. She knew that he had been suffering in his heart during this period of time, and she did not want to add to his troubles.

Fang Shaoan also saw that she was deliberately avoiding his gaze, and his heart suddenly felt stifled. "Shall I send you?"

She did not want to tell him what she was going to do. It was obvious that she did not want him to know, but he still asked. In the end, he still had some hope in his heart.

Regardless of whether his family was destroyed or not, his feelings for Zuo Xiaoran had never changed.

Moreover, this silly girl had been accompanying him all this time. It was not that he did not know.

“No, no.” Zuo Xiaoran hurriedly shook her head. “Didn’t you not eat yet? Hurry up and eat... about that, I’ll leave first. You...”

There were actually many things that she wanted to say in her heart, but in the end, she only said two words, “go for it!”

After saying that, she turned around and quickly walked away. During this time, she did not stop for a moment, nor did she turn back to look at Fang Shaoan.

She was afraid that he would see through her sadness... ..

Fang Shaoan did not chase after her. He stood there in a daze and watched her leave.

The hand that was holding the bag was also slightly stiff.

After an unknown amount of time, Fang Shaoan finally regained his senses when his feet became numb and a piercing pain came from the soles of his feet.

He frowned and turned around to walk back into the office.

He opened one of the bags and found his change of clothes inside. The other bag contained three insulated boxes. After opening them, the food and soup inside were still steaming hot.

The white steam covered Fang Shaoan’s eyes. He sat on the sofa and looked at the food and clothes on the table, as well as the empty office in front of him. Suddenly, he fell into a long period of contemplation.

When he was thinking about his glory, he never lacked friends and women. He didn’t even have to flirt with anyone. There were always all kinds of women around him.

He didn’t think he had any reason to refuse. Anyway, he was just messing around. If he didn’t, how could he continue living?

But now... ..

It couldn’t be said that his family was in decline. It was just that when his family was destroyed, those friends suddenly disappeared without a trace. One by one, they seemed to have disappeared from the world.

Fortunately, he still had a good brother, Yan Jun. although he was sometimes a little vicious and overbearing, Fang Shaoan knew in his heart that Yan Jun treated him better than anyone else.

And Zuo Xiaoran... .. n-(0ve**LB**1n

He really couldn’t understand this woman.

In the past, when he was in glory, so many people tried to get close to him, trying to make him smile. But this woman was a freak.

He chased her with his face close to hers, but she couldn’t even hide.

Now he was being beaten up, but she was waiting by his side, silently taking care of his daily life.

Chapter 1544: watched over her for the rest of her life

It was just like the clothes in front of him. He knew that she had personally ironed them. So was the food. She had personally cooked them, right He was very clear about the taste of the chef's cooking. The dishes that had been sent over recently were all home-cooked. It was obvious that they were all made by Zuo Xiaoran.

However, she had never said these things in front of him. She did not complain, nor did she take credit for them.

If she did not have the slightest interest in him, why would she spend so much effort to do all of this?

As long as she wanted to, she could leave at any time... ..

She and Xia Jinqi were good friends. No matter how shameless Fang Shaoan was, he wouldn't pester her anymore.

However, she didn't leave.

She accompanied him through the most turbulent period of his life... ..

How could he not love such a woman How could he not love her... ..

With a heavy sigh, Fang Shaoan picked up his chopsticks and ate a mouthful of rice. His stomach and heart warmed up.

When all this was over, he would propose to Zuo Xiaoran.

He had had enough fun in the first half of his life. In the second half of his life, he only wanted her to be alone and watch over her for the rest of her life.

The night outside the window was still so dark that he could not see his own fingers.

Later, a drizzle started to fall from the sky.

Zuo Xiaoran did not have an umbrella, so she could only speed up her running in the rain. Even so, when she reached home, her coat was still wet.

As soon as she entered the house, her mother came over with a dry towel and wiped her wet long hair "Why are you in such a sorry state? How many times have I told you? Our Rao city is different from other places. There's a lot of rain and snow in winter, especially at this time of year. You have to bring an umbrella with you when you go out!"

Her mother could not help but mutter a few words. This daughter of hers had always made her worried.

Zuo Xiaoran stuck out her tongue resentfully. "I know, mom. I was in a hurry to come back, so I forgot!"

She had heard about it for twenty years, but she still could not remember to bring an umbrella. Every time she was drenched, she would be scolded by her mother when she returned home.

As the mother and daughter were talking, Zuo Zhiwei poked his head out of the kitchen. “Xiaoran, you’re back? The food will be ready soon. Quickly change your clothes and wash your hands!” n--

“I know!” Zuo Xiaoran raised her voice and replied. Then, she rushed into her room and changed into comfortable home clothes.

Zuo Zhiwei was filling the soup bowl and didn’t have any free time in his hands. He called out, “Xiuqin, come over and help me with the soup bowl.”

Only then did Yu Xiuqin walk into the kitchen. As she helped, she complained, “you don’t even know how to talk about her. She came back in the rain in the middle of winter and got drenched! How can a girl catch a cold like this? What should she do if she gets sick in the future?”

At her age, Yu Xiuqin was about to go through menopause. She talked a lot and complained a lot. As her husband, Zuo Zhiwei knew that he always let her do whatever she wanted in the family.

This time was no exception. Hearing her scolding the child, he hurriedly said, “yes, yes, yes. I’ll talk to her later! She’s already so old, yet she still acts like a child!”

In fact, whether Zuo Xiaoran was 20 or 40 years old now, in Zuo Zhiwei’s eyes, she would always be a child.

Hearing her husband’s words, Yu Xiuqin was finally satisfied. After a moment of silence, she whispered again, “don’t forget about that. Let’s talk about it later during dinner. She seems to be in a good mood.”

“okay, I got it. I’ll talk to her.” Although Zuo Zhiwei answered like this, his face was still full of helplessness.

Chapter 1545: After finishing this meal, it will be 10 Jin Long!

Zuo Xiaoran changed her clothes and went out. She heard her parents mumbling something in the kitchen. She walked over with a smile. “What are you guys talking about? Are you afraid that I will hear you whispering?”

Zuo Zhiwei and Yu Xiuqin’s faces froze at the same time. They exchanged glances and laughed dryly. “This child, what nonsense are you talking about! Quick, take the soup out and eat!”

“hehe...” Zuo Xiaoran giggled foolishly and reached out to take the soup. “It’s actually mutton soup? And Angelica... Ginger...”

After carefully counting the ingredients in the soup, Zuo Xiaoran’s eyes suddenly lit up. She turned back to look at Zuo Zhiwei. “Dad, I’ve been feeling cold and gloomy when I sleep at night recently. Your soup is really timely!”

Seeing his daughter like it so much, Zuo Zhiwei felt extremely satisfied. “Angelica ginger mutton soup. It’s warm, nourishing, and expels the cold. It’s good for Qi and blood. Both you and your mother should drink more!”

These few sentences contained Zuo Zhiwei’s love and care for his wife and daughter.

A few days ago, he had browsed through his daughter's wechat moments and saw that she said she couldn't sleep in the middle of the night. Her hands and feet were cold, and she was afraid of the cold and abdominal pain. That was why he had specially gone to find a food therapy prescription.

Strictly speaking, this soup could be considered medicinal soup.

The mutton had to be boiled with cooking wine first, followed by Ginger. After boiling, it was simmered for an hour and a half. Finally, Angelica was added, and it was simmered for another fifteen minutes.

Before all the dishes were served, Zuo Zhiwei impatiently scooped a bowl for his daughter.

Holding the warm small bowl, Zuo Xiaoran could not help but cry... ..

Because it was a medicinal soup, the taste was not good, and it could not be casually added to other things. However, it was filled with the love of a father.

"Dad, mom, you should come and eat too." Zuo Xiaoran called them over, and the family of three sat down.

During the meal, Zuo Zhiwei and Yu Xiuqin kept putting food into Zuo Xiaoran's bowl. One moment, they said that she had lost weight, and the next moment, they said that she had been looking terrible recently.

Zuo Xiaoran looked at the food in her bowl that was almost piled up into a small hill. She could only bury her head in her food and eat bitterly. "Don't worry, after this meal, I'll be able to gain ten pounds!"

"YOU CHILD!" Yu Xiuqin was so angry that she laughed. How could she gain ten pounds after just one meal! !

When they were almost done chatting and the atmosphere was almost lively, Yu Xiuqin turned around to look at Zuo Zhiwei. She winked at him, indicating that he could start talking about that matter.

Zuo Zhiwei received the signal and coughed dryly. He put down the bowl and chopsticks in his hand and looked at Zuo Xiaoran. "Xiaoran, mom and dad want to talk to you about something."

"Say it." Zuo Xiaoran didn't think much of it and was eating a lamb chop.

No matter how delicious the food outside was, she still felt that her parents' cooking was more appetizing... ..

Zuo Zhiwei opened his mouth and wanted to say something, but he swallowed the words back down.

He couldn't bear it and felt that he couldn't say the rest of the words... ..

Yu Xiuqin waited for him for a long time but couldn't come up with anything. She was so anxious that she simply opened her mouth after glaring at him "Xiaoran, you've grown up. Mom and dad never asked you for anything. Your parents know that you have a good eye for things. You're smart too. You have your own ideas. You're in your early twenties, but you've already achieved something. Your parents are very proud of you."

Before she could finish her sentence, Zuo Xiaoran was no longer in the mood to eat the lamb chop.

She put down her chopsticks hesitantly and carefully looked up at her parents in front of her. Her expression was very stiff.

Saying such things for no reason, it was not difficult to guess what they were going to say next.

Zuo Xiaoran frowned slightly and suddenly did not know how to face... ..

Chapter 1546: arranged a blind date

Before she could do anything, Yu Xiuqin asked again, “tell mom, are you still with that pineapple boy? ”

As soon as she said this, the whole family seemed to fall into a dead silence.

Her parents didn’t speak easily, but Zuo Xiaoran had nothing to say.

The two sides were in a stalemate, and everything around them seemed to be frozen.

If it weren’t for the soup that poured in the love of a parent and was still slowly steaming, Zuo Xiaoran would really think that time had frozen at this moment.

Seeing his daughter like this, Zuo Zhiwei already had an idea.

He sighed inwardly and said, “it’s my fault, it’s my fault. If I hadn’t encouraged you to go back then... I’m afraid that things wouldn’t have turned out like this. ”

The Zuo family only had one daughter. Zuo Zhiwei didn’t ask her to marry into a wealthy family. He only hoped that she would live a peaceful and happy life.

Now that the Fang family was in such a mess and Fang Shaoan’s reputation was borrowed, Zuo Zhiwei really wanted to punch himself in the face!

Yu Xiuqin couldn’t get angry at her daughter, so she could only turn her worries into anger and vent it all on Zuo Zhiwei “It’s all your fault You said that Pineapple Kid was a nice guy, but what happened in the end His parents died, and he didn’t even bring their bodies home. How good could he be Also, there have been so many news articles recently. There are so many promiscuous women around him. How can he treat our Xiaoran well?”

“...”Zuo Zhiwei was scolded until he lost his temper.

He was indeed the one who encouraged his daughter to courageously pursue her love. Now, it was useless to say anything.

Zuo Xiaoran looked at her parents who were arguing about her matters. She suddenly felt that she was really an unfilial daughter.

All these years, she had been busy with her own matters and rarely cared about her parents. Now, she was making her parents worried because of her relationship.

Even though she was so disobedient, her parents still prepared the food and waited for her to come home. They spoke carefully and gave her a variety of ways to nourish her body.

Her eyes gradually became moist, and her nose became sour and astringent. Even her breathing became uncomfortable.

Zuo Xiaoran held back her tears and took a deep breath. Finally, she said, "Mom and dad, don't fight. It's all my fault."

Seeing his daughter's red eyes, Zuo Zhiwei felt his heart ache. He quickly said, "okay, okay. Let's not talk about this anymore. Let's just eat. It's going to get cold soon! Do you want more soup? I'll get it for you!"

However, Yu Xiuqin hardened her heart "Why don't you say it Let's make this clear today Xiaoran, mom and dad don't have any other request for you. You have to leave this pineapple boy We don't care how much money his family has. Your Dad has a part-time job outside, and mom can go out and help out. We can rely on our own hands to make a living, and we can live a normal life. Two days ago, your aunt introduced you to a young man. He's tall, handsome, and a lawyer. You should go and meet him in the next two days!"

These days, Zuo Xiaoran had been looking for an excuse not to go home. Yu Xiuqin had no choice but to secretly confirm all the candidates for the blind date.

She had also made up her mind that she couldn't let her daughter continue to act like this. As a mother, she couldn't just watch her daughter jump into the fire pit!

After Zuo Xiaoran heard her mother's words, she was momentarily stunned. "Mom, what lawyer? I'm not going to see him!"

"You... are you really going to anger me to death?" Yu Xiuqin glared at Zuo Xiaoran. Her blood pressure soared rapidly, and her heartbeat sped up ...

Chapter 1547: After a few years, you will forget all of this

She really didn't know how to communicate with her daughter about this problem. She couldn't just lock her daughter up at home and not let her go out.

She spoke like this, but it didn't seem to make sense no matter how hard she tried.

Zuo Zhiwei quickly patted Yu Xiuqin on the chest to let her catch her breath. Then, he glared at Zuo Xiaoran angrily. "Xiaoran! How can you talk to your mother? ! Your mother's heart isn't good, don't provoke her!"

" ... " Zuo Xiaoran was stunned for a moment before she reacted. She quickly went forward. "Mom, I'm sorry, I didn't mean it like that. Please don't get agitated..."

With that, she quickly ran over to pour some hot water and handed it to Yu Xiuqin.

Yu Xiuqin pushed her hand away and took a few deep breaths. When her heart stopped beating so fast, she sighed "If you really want your father and I to be together, then listen to me and forget about that person. ". "It doesn't matter if you don't like lawyers. Your father and I have discussed it. We'll sell the house in the next two days. Don't keep your two houses either. Let's go to Sanjiang City as a family. Your

uncle has two hotels there and they're running pretty well. He said that he'll get your father to help out. If you're willing, we can pool the money together. We can open a small restaurant as a family! "

Yu Xiuqin had thought of all kinds of ways, even leaving Rao city and never coming back.

As long as their family was together, anywhere was home.

Zuo Xiaoran didn't expect her parents to think of all these things... She bit her lower lip, her face turning Pale ...

"Mom, it's really not what you think... Shao'an isn't that bad, he's just... " she wanted to explain to Fang Shaoan, but she didn't know how to begin ...

"Just what? " Zuo Zhiwei asked, his tone becoming more stern. "You're still defending him. There are so many articles in the newspaper, which one of them wasn't done by him? Xiaoran, don't blame mom and dad for being cruel. YOU HAVE TO LISTEN TO US! "

Even her father, who had always loved her, said such harsh words. Zuo Xiaoran suddenly felt that she had no way to refute.

She never thought that a melodramatic plot like that in a TV series would happen to her one day.

She also never thought that one day, she would fall out with her parents over a man.

"Xiaoran, listen to me. Go with your parents. In a few years, you will forget all of this... " Yu Xiuqin held her daughter's hand and softened her tone. Her eyes were even misty.

Zuo Xiaoran's heart was aching in the face of such a mother. How could she resist?

She took a deep breath and tried hard to make herself laugh. "Mom, Dad, I promise you. We will move to my uncle's place. "

If she didn't leave, she would have to go on a blind date with that lawyer. She didn't want to.

When Zuo Zhiwei and Yu Xiuqin heard that their daughter was finally obedient, their faces lit up with joy. They were so happy that they couldn't be any happier.

The worry in their hearts was finally going to go away.

"That's good. Come on, let's eat first. After we eat, we'll put our house on the Internet. After we sell it, we'll leave. " Yu Xiuqin wiped the tears from the corner of her eyes and said with a smile.

Zuo Xiaoran nodded and sat down again. "Mom, let's sell the house after some time. I haven't finished my competition yet. The contract has been signed. If you leave halfway, you'll have to pay a large penalty for breaching the contract. "

"..."

"..."

Zuo Zhiwei and Yu Xiuqin were stunned at the same time. They both looked at Zuo Xiaoran suspiciously, thinking that she was looking for an excuse for not wanting to leave.

Chapter 1548: is here to pick you up

However, Zuo Xiaoran smiled. "Don't worry, when have I ever not done what I promised you? There are still many teammates in the pro league, and I'm leaving just like that. They won't be able to find any substitutes at the moment."

As she said this without changing her expression, Zuo Xiaoran's heart trembled slightly.

Actually, she had not played in the pro league for a long time.

Her skills were not bad, but she had been accompanying Fang Shaoan recently. She did not even go to the training matches, and the team had already recruited new players. She could be considered to have retired.

But now, if she did not lie, her parents would definitely take her away within a week.

And she... Was still worried about Fang Shaoan ...

At least, she could accompany him more before she left... ... At least, when she saw him walk out of the haze of losing his parents and regain his own sky ...

Zuo Zhiwei and Yu Xiuqin originally wanted to say something, but seeing that their daughter had already said so much, the two of them could only admit it.

"Alright, since you have already signed the contract, then let's finish the match first." Zuo Zhiwei was the first to open his mouth, and then he said, "but you promised your mother and me that you would leave after the match."

"Yes, I promised." Zuo Xiaoran nodded with a smile, but her big round eyes were slightly glistening with tears.

Seeing her daughter answer so readily, Yu Xiuqin finally had a smile on her face. "This is a good daughter of mom and dad. Come, have some more soup!"

As she said this, she hurriedly filled Zuo Xiaoran's soup with food, and was very busy.

The atmosphere finally eased up a lot. Zuo Xiaoran told some funny stories about the past matches, which made her parents laugh.

After dinner, she used the excuse of having a training competition in the evening as an excuse to leave the house.

When she left, her mother wrapped her in a thick scarf and hat and brought her hot water. She held it in her hands so that it could both warm her hands and warm her stomach.

Her father was afraid that she would not know how to eat properly when she was alone outside. He repeatedly reminded her to eat three meals on time every day, afraid that she would be hungry.

She walked to the entrance of the residential area alone with an umbrella. Through the thin curtain of rain in front of her, Zuo Xiaoran looked at her own home, which was still brightly lit upstairs. Her heart was filled with disappointment and loss.

On one side was love, and on the other side was family love. She was unwilling to part with either side, and she was almost suffocated by the pressure.

It was impossible for her to let go of her parents and be with Fang Shaoan, so... ... The answer to what choice she had to make was already very clear ...

However, she did not expect that when she looked up at the glowing window, someone beside her would softly call her name. **noVe)lb/1n**

“Xiaoran. ”

Zuo Xiaoran was stunned. She hurriedly turned around and saw Fang Shaoan leaning against a black supercar.

He was wearing a black coat with his hands in his trouser pockets. He did not even have an umbrella. His beautiful peach blossom eyes were staring straight at her.

“Why are you here? ” She asked with her Eyes Wide Open.

“I’m here to pick you up, ” Fang Shaoan replied. Then, he walked towards her. “You said you had something to do. Are you going home? ”

After eating alone in the office, Fang Shaoan casually ordered his secretary to use the change in his position to easily find Zuo Xiaoran’s real-time location.

Knowing that she had returned to her parents’house, he did not know what had happened. He drove all the way here before he finished eating.

Seeing that the lights were on upstairs, he did not go up. Instead, he waited in the car for a long, long time... ...

Chapter 1549: I’m about to be strangled to death by you!

He knew that since she had returned to her parents’house, she would definitely stay at home. However, he refused to leave until he saw her coming downstairs a few minutes ago.

It was as if they had a telepathic connection. One of them was unwilling to leave, while the other was unwilling to stay.

Meeting each other seemed to be inevitable.

After Zuo Xiaoran was surprised, she answered embarrassedly, “Yes, my parents asked me to go home for dinner... ”

As she spoke, she raised the umbrella high above Fang Shaoan’s head.

Just as he was about to scold him for not using the umbrella, he suddenly leaned over and hugged her tightly.

“ ... ” Zuo Xiaoran’s body stiffened. After a long while, she asked, “what happened to you? ”

Why didn’t you stay at the Security Department at night and come to pick her up in the rain?

Fang Shaoan did not answer her. He only tightened his arms around her as if she would immediately run away if he relaxed even a little.

It was only when she was almost suffocated that she protested, “I’m about to be strangled to death by you! ”

Only then did Fang Shaoan come back to his senses in a hurry and let go of her.

He looked at her for a long time before asking, “why didn’t you tell me when you went home? ”

Asking such a question showed that Fang Shaoan’s sensitive heart had already sensed something, which was why he rushed over without even eating.

Zuo Xiaoran’s eyes were slightly stifled, then she smiled and said, “why would I tell you... but you, didn’t Xiao Qi tell you not to leave the security department? Why did you come out? Why didn’t you bring anyone with you? ”

She glanced behind Fang Shaoan. It was really empty, without a single bodyguard.

When Fang Shaoan came out, he almost rushed out alone. The people behind him wanted to follow him, but no one followed him, not to mention those who wanted to follow him.

“Are you really okay? ” Fang Shaoan automatically ignored the rest of her words. He stared at her and asked seriously.

“I’m really okay! ” Zuo Xiaoran subconsciously avoided his gaze and turned to walk into the car. “It’s so cold, get in the car quickly! ”

Seeing that she had gotten into the car, Fang Shaoan walked around the car and got into the car as well.

Turning on the air conditioner, Fang Shaoan looked back at Zuo Xiaoran. Seeing that she was holding a cup of water to warm her hands and there was nothing unusual on her expression, he felt relieved and started the car.

It was already late at night when the two returned to the security building.

Zuo Xiaoran took off her heavy down jacket and glanced at the half-eaten food on the table. She asked him, “Don’t you have an appetite? You’ve only eaten a little. ”

“I wasn’t very hungry just now. ” Fang Shaoan found a random excuse and put down his jacket.

“You still have to eat the food! ” Zuo Xiaoran said. She took the food and turned to leave. “I’ll heat it up for you! ”

There was a microwave in the Pantry, so it was very convenient to heat it up.

Fang Shaoan wanted to stop her, but she left in the blink of an eye, so he let her be.

However, he didn't expect Zuo Xiaoran to bring a bottle of red wine when she came back. "Can I have some of this?"

He didn't know if he was upset, but when he saw the wine in the Pantry, he suddenly wanted to drink it.

Fang Shaoan saw her sincere look and thought that she was just craving for it. "Can you drink it?"

"OF COURSE!" Zuo Xiaoran snorted. She felt that he looked down on her, so she simply brought up her heroic history. "Don't look down on me! I used to drink a lot of good wine at Xiao Qi's house!" n-)0v&ℓ℔In

After saying that, she took the bottle opener and skillfully opened the bottle.

Fang Shaoan suddenly remembered the time when he and Xiao Qi drank together, so he reached out to grab the bottle. "Forget it. I know how much you can drink."

Chapter 1550: you have so many women, so who am I in the end

Seeing that he was reaching out to snatch it, Zuo Xiaoran did not waste any more words with him. She did not even need a wine glass, and directly gulped down a few large mouthfuls from the bottle's mouth!

"..."Fang Shaoan was stunned by the side.

Zuo Xiaoran, on the other hand, wiped her mouth as if nothing had happened and turned to look at Fang Shaoan. "Eat your food, why are you looking at me?"

Fang Shaoan's eyebrows twitched, and he picked up his chopsticks in embarrassment.

He ate a mouthful absentmindedly, and when he turned back, Zuo Xiaoran had already finished more than half of the bottle of wine in one go.

After finishing it, she even said in satisfaction, "BURP..."

As the saying goes, a thousand sorrows can be solved by getting drunk. Right now, she urgently needed to use alcohol to drown her sorrows. Who would care about the promiscuity after drinking?

Moreover, with her current relationship with Fang Shaoan, even if something really happened, it would still be a bear's gall. It wasn't a bad thing.

Fang Shaoan noticed her strange behavior and reached out to shoot at her wine bottle. "Don't drink anymore."

She dodged and pointed at him as she scolded, "why don't you drink? What did I say when you were eating, drinking, and having fun?"

"I... I won't do it again." Fang Shaoan's expression froze. He knew that he was in the wrong, so he admitted his mistake earlier ...

" ... " Zuo Xiaoran blinked and continued, "you still play with women! Si Si and Tian Tian are still at your house! "

"I didn't touch them, you know that. " Fang Shaoan had already stood up and was waiting for an opportunity to take the bottle away.

However, Zuo Xiaoran seemed to have been alert for a long time. She quickly took two steps back and took another big gulp of the bottle. Her little face quickly turned red, and her logic started to mess up "Who knows if you've ever touched... you have so many women, so who am I in the end... "

Her relationship with Fang Shaoan was originally so sensitive and fragile, and her parents were still pressuring her. She was also really uncomfortable and needed a vent.

But who knew that when she said that, Fang Shaoan immediately became serious.

He frowned and looked at her, asking in a deep voice, "do you want to check? "

"PFFT! " Zuo Xiaoran spat out all the wine that she had just drunk, and then laughed out loud, "Hahahaha! Check? How do you want to check? You don't have that membrane! "

Just when she was too young to control herself, Fang Shaoan suddenly held her hand and placed it on his heart.

She was slightly stunned and looked up at him, but her eyes met his serious eyes.

"From now on, you're the only one here. "

"..."

Zuo Xiaoran did not know why her palm suddenly felt hot, and her heartbeat sped up.

She looked up at him, and in an instant, she lost herself in his deep eyes.

At such a close distance, it was as if there was a sweet smell on her... ...

Fang Shaoan naturally lowered his head and kissed her lips.

Zuo Xiaoran's heart skipped a beat at that moment. **nOV&Lb-In**

She did not have much time to think. She could only follow his rhythm and open her mouth slightly, allowing him to take whatever he wanted.

It was just a kiss. His forehead touched hers, and their breaths intertwined.

She panted roughly, and her flustered eyes looked at him in a daze.

Her large elk-like eyes seemed to see the bottom of Fang Shaoan's heart along the way.

An impulse arose spontaneously.

At a certain point in time, his gaze deepened and he leaned over to kiss her even harder.

This time, Zuo Xiaoran did not lose her focus again. She took the initiative to respond to him and wrapped her hands around his neck, tangling with him.

It did not matter who started it or what started it.

What was important was that both of them were moved by each other... ..
