Unlike Fang Shaoan, there were no beauties around him. He was the only one sitting. In such a noisy place, he felt a little lonely.

Xia Jinqi suddenly remembered that the last time she saw Yan Jun in the bar, he was drinking alone, unlike other men who carried young ladies around.

Zhuge Wentao took the lead and walked over. "Second Young Master, your fiancée is here. "

As soon as he said that, not only did Yan Jun raise his head, but everyone in the private room looked towards the door.

Many of the women who were laughing hysterically just now shut their mouths at this moment and carefully sized up the woman standing at the door.

They only knew that second young master Yan was about to get married, but they did not know what kind of woman was qualified to marry Yan Jun and marry into a top-tier wealthy family.

At this moment, they looked... ..

They saw that the woman's waist-length hair was carefully taken care of and was loosely draped over her shoulders.

The light purple flowers matched the light pink strapless short skirt, generously revealing her exquisite collarbone and round shoulders.

The tight-fitting design easily outlined the curves of her entire body.

Her slender jade legs wore nude-colored ten-inch high heels, and she held a silver-white handbag in her hand.

At first glance, she really looked like a socialite from some family, with peerless magnificence.

But... ... No matter how peerless magnificence she was, to appear in such a formal dress in the entertainment club looked a little out of place ...

Xia Jinqi wore this dress to the Yan family. She didn't even have time to change her clothes before she came to participate in singles'night.

She didn't pay much attention to the envious, sarcastic, or jealous gazes of the women around her.

She bit her lower teeth lightly and walked straight towards Yan Jun..

“You asked me what I regard marriage as. What about you? What do you regard marriage as? ”

Her original purpose was to ease the relationship between the two of them and make sure that the wedding tomorrow could be held as usual.

Who Knew... ... When she came in and saw so many women surrounding Yan Jun, a ball of unknown fire suddenly burst out from the bottom of her heart ...

Yan Jun,”...”

This was the first time in her life that she had been questioned like this by a woman.

Moreover, he did not expect that she would suddenly rush over to look for him with such an imposing manner.

Yan Jun did not speak, but Fang Shaoan, who was beside him, came over with a stiff face and apologized repeatedly, “sister-in-law, don't

misunderstand! I was the one who called him over! I can testify that he did nothing but drink! ”

Fang Shaoan’s explanation caused the surrounding women to gasp and look at second young master Yan in disbelief.

It can’t be Second Young Master Yan, could he be a strict wife?

However, Yan Jun was very dissatisfied with Fang Shaoan’s superfluous words. He glared at him coldly, causing Fang Shaoan to shrink his head back... ..

Could his explanation be wrong Looking at his sister-in-law’s terrifying aura, it was obvious that she was here to catch the adulterer!

He was doing this for his own good, and he was actually being despised!

The world was unfair!

...

The air was filled with a deathly silence.

Everyone looked at Yan Jun, holding their breaths as they waited for his reply.

However, there was no change in his eyes, which were as bright as the stars.

His slender fingers even held a wine glass and raised it at Xia Jinqi. “Do you know how to drink? ”

He didn’t answer her question. He bypassed Xia Jinqi’s question and casually talked about other unimportant topics.

Seeing him like this, Xia Jinqi frowned slightly. Knowing that they couldn’t talk here, she walked up to him, bent down, and took the wine glass in his hand.
