

Trick Me 2011

Chapter 2011: Huo Ting VS Su Xiangxiang 2

A smile naturally appeared on the corner of Su Zhihang's lips. He coughed lightly and took the initiative to invite Su Zhihang. "Are you free tonight? Do you want to go home for dinner? Mom and Dad said they want to see you. "

Hearing this, Huo Ting finally calmed down and nodded seriously. "Okay. "

"In addition, they don't know about the cooperation between you and me, including the opportunity to launch the coup... "

Before Su Zhihang could finish, Huo Ting said, "don't worry, I won't say anything. "

"That's good. " Su Zhihang heaved a sigh of relief. Then, he thought of something and looked at Huo Ting seriously. "There's one more thing. "

Huo Ting didn't say anything. He just frowned and waited for him to continue.

Seeing this, Su Zhihang said, "No matter what the other members of the Su family think, Zhilian and I support you as a chief very much. "You don't have to put in extra effort for the sake of the SU family. I hope that all your concern for Xiangxiang is based on your true love for her and not for any other benefits. "

He said each word with a pause, neither servile nor overbearing. He was completely speaking from the standpoint of a big brother.

Su Zhihang loved his sister dearly, so naturally, he hoped that she could spend the rest of her life in happiness. Therefore, even if the man in front of him was his superior, even if he could cover the sky with one hand, there were some things that he had to say.

However, Huo Ting curled his lips and smiled coldly.

"All these years, the Su family has always been suppressed. I completely understand that your grandfather wants to turn things around, but... " when he said this, huo Ting paused for a moment, and his deep eyes stared at Su Zhihang. "Back then, you were willing to look for me and cooperate with the outside to suppress the restless Su family. I think the reason is not just for Xiangxiang, right? "

Su Zhihang suddenly froze.

Huo Ting continued to speak.

"You should also know that with the Su family's strength, it's impossible to eat this big cake. The reason why Yan Jun allowed your grandfather to do whatever he wanted was because of what the Su family had done for Rao city over the years. In addition to the current situation, some people needed to be appeased. "But I'm different. "If it weren't for Xiangxiang, I wouldn't have used such a gentle method. "You should know my style. I've always liked to eradicate the root of the problem. "

Su Zhihang, " ..."

Su Zhihang knew the situation of the Su family very well... ..

His grandfather had heard the slanderous words of a villain, which was why he went against the Huo family.

In reality, how could the SU family compare to the Huo family's hundred-year-old foundation?

It wasn't that he was belittling himself, it was just... .. Su Zhihang was also a person who knew his own limits ...

That was why he took the initiative to look for Huo Ting. He cooperated with him from the inside and the outside to suppress the SU family. He even coaxed his grandfather to praise Huo Ting a lot.

Now that he heard huoting's words, Su Zhihang felt even more fortunate. Fortunately, he had chosen to help Huo Ting back then. Otherwise... .. Rao Cheng probably had no place for the SU family to stay ...

Huo Ting glanced back at Su Zhihang's slightly pale face, and his eyes sank a little.

If he was not ruthless and did not have a bit of boldness, how could he sit firmly in the military district's first position?

Even Xia Jinqi had never seen this side of him before... ..

However, Yan Jun knew.

Back then, when Yan Jun asked him to compete fairly with Su Chuang, he knew that Yan Jun wanted him to eat up the entire Su family so that Rao city would have a firm foothold.

At that time, even though he was already the chief, there were still many people who were unconvinced of him. *n/-0veLbIn*

Coincidentally, Su Chuang was causing trouble again. To him, subduing Su Chuang was a great opportunity for him to make a name for himself.

However, for the sake of Su Xiangxiang, he let Su Chuang go and chose to coexist with the SU family.

Chapter 2012, Huo Ting VS Su Xiangxiang 3

Even if Huo Ting didn't say these words, Su Zhihang wasn't uncertain.

But considering that they were going to be a family in the future, Huo Ting naturally wouldn't make things too awkward.

So after saying those words with a cold face, he then smiled faintly and changed his attitude "Of course, that's all in the past. Now that the SU family is in your hands, I'm naturally at ease. Now that the dynasty has changed, many things still need our joint efforts. Don't make things difficult for the president. "

Both kindness and power.

Huo Ting also learned a lot from Yan Jun..

In Rao city, Yan Jun was the largest, but in the military district, this could be considered a small kingdom for him.

Su Zhihang's initially stiff expression finally eased after listening to Huo Ting's words.

It was originally a matter of finding a way out... ..

Immediately, Su Zhihang laughed. "The chief is right. In the future, our Su family and Xiang Xiang will have to trouble the chief to take care of them. "

"A family. " Huo Ting nodded and already very naturally talked about these things.

There was nothing else. He had already determined from the depths of his heart that Su Xiangxiang was the woman he wanted to be with for the rest of his life.

Su Zhihang was stunned for a moment. Then, he became even happier. "Yes, a family! "

It seemed that he didn't have to worry about Xiangxiang anymore.

A person like Huo Ting and his current position. To be honest, how could he be willing to be a victim for a small Su family for the rest of his life?

On the other hand, it was Xiangxiang who saved the entire Su family... ..

After leaving Su Zhihang's place, Huo Ting went to the armor department again.

It just so happened that Shangguan Nan had sent over a lot of newly developed weapons recently. Su Zhilian was checking them one by one.

Seeing that Huo Ting had arrived, he immediately put down what he was doing and stood in a military posture. "Hello, chief! "

Huo Ting glanced at him and was about to nod when the latter asked with a smile, "chief, are you looking for Xiangxiang? She just left. "

"..."Huo Ting really wanted to kick her Did he say that he was looking for Su Xiangxiang! ! !

His face immediately darkened. Huo Ting stood with his hands behind his back in front of the guns and ammunition on the ground. He asked unhappily, "how are the new weapons? "

"Uh... " Su Zhilian then turned his head in embarrassment and replied, "It's alright! The Shangguan family will definitely be at ease with the things they make! "

Actually, it was not just at ease. The Shangguan family had the largest arsenal in Asia and they also had the world's leading technology. Their things could be said to be extremely hard to come by!

In the past, Su Zhilian had never thought that his troops would be able to use the weapons made by the Shangguan family. He did not know if the president and the Shangguan Siblings had a personal relationship... ..

While he was deep in thought, a seemingly casual question from huo ting suddenly came to his ear, "where did it go? "

“Ah? Where did what go?” Su Zhilian was still in a daze when he heard Huo Ting’s question.

However, when his eyes met Huo Ting’s gloomy face, his brain started to work at a high speed, “to the shooting range!”

After getting a satisfactory answer, Huo Ting coughed lightly and looked around, “continue!”

Then, he turned around and left.

Su Zhilian blinked his eyes and chuckled, “Little Guy! Stop pretending! Who doesn’t know what you’re thinking...”

“...”

There was a recruit training at the outdoor shooting range today, so Su Xiangxiang could only go to the indoor shooting range that had just been built and hadn’t been fully put into use yet.

Although it hadn’t been officially put into use yet, all the equipment was very complete. Her second brother had brought her in before, so she could be considered familiar with it.

Chapter 2013: Huo Ting VS Su Xiangxiang 4

HMM... ... It could be considered a small backdoor for military families ...

Su Xiangxiang also cherished such an opportunity.

She was still practicing handguns. Although she was no longer the rookie from before, she still needed to train hard if she wanted to develop her skills.

After seven consecutive shots, the number of rings on the target in front of her was pitifully few.

Su Xiangxiang took off her earphones in frustration and continued to reload the bullets in frustration.

Huo Ting did not find anyone at the outdoor shooting range before he walked into the indoor shooting range. The familiar figure was his first sight.

His furrowed brows relaxed at this moment.

She was indeed here.

He did not go over immediately. Instead, he crossed his arms and leaned against the door, watching her shoot another round of bullets.

The number of rounds was still not ideal.

To be honest, Su Xiangxiang did not have much talent in this area.

A pistol could be fired by anyone, but not everyone could shoot it well. She had never received any professional training before this. Wanting to improve in a short period of time was no different from daydreaming.

But... She persevered like this ...

When she was ready to shoot again, Huo Ting frowned slightly and walked over.

Su Xiangxiang did not know that someone was watching her from behind. In the next second, someone suddenly approached her from behind.

“Keep your arms straight, don’t shake. “

The familiar voice reached her ears. Su Xiangxiang’s body trembled, and she almost stopped breathing...

...

Why was he here?

And... ... He leaned over, his strong and broad chest almost pressed against her back ...

There was also the pleasant smell of a man that belonged exclusively to him. Everything, including her, was so tight... ...

Her small face suddenly turned red. Her large black and white eyes were like Moose, blinking uneasily.

He also noticed her distraction.

“Calm Down, ” he reminded her, then held her hand and continued to preach, “you don’t have to fasten it so tightly. Relax. Pay attention to the three points and one line. Look for the target. “

Su Xiangxiang then took a small deep breath and forced herself to calm down. She aimed at the bull’s eye again.

Bang

Huo Ting wanted to hold su Xiangxiang’s hand when he fired the gun because the recoil was quite strong when the bullet was fired.

He thought that with her strength, she would not be able to hold the gun. This would have a great impact on the continuous firing.

However, Su Xiangxiang held the gun firmly and quickly fired the next round.

The number of rounds this time was a little better than before, but it was still not ideal.

However, Huo Ting did not seem to care about this at the moment. After Su Xiangxiang fired seven rounds, he snatched the gun from her hand and took her hand to examine it carefully.

A few calluses had been worn out on his delicate palm, especially the area between his thumb and forefinger. It had been worn until it was red and swollen.

His face instantly darkened.

“How long have you been practicing?” He asked in a very unpleasant tone.

Su Xiangxiang looked away and wanted to withdraw her hand, but she found that he was pulling at her hard and refused to let go.

She had no choice but to answer truthfully, “four hours a day. “

" ... " Huo Ting's brows furrowed even more tightly. Without thinking, he said, "you're not allowed to practice anymore. "

Huo Ting used to think that he was a careless person who never cared about women, but every time he was in front of Su Xiangxiang, he unconsciously became overbearing.

Chapter 2014: Huo Ting VS Su Xiangxiang 5

Su Xiangxiang was stunned for a moment. She was shocked by the overbearing man who was gripping her tightly with a frown.

Was He... ... Feeling sorry for her ? ?

"How can I do that? I don't have any talent to begin with. Didn't you say that hard work can make up for a lack of talent... " Su Xiangxiang said and smiled. There was a hint of sweetness in the bottom of her heart.

However, Huo Ting was unwilling to compromise. "From now on, you are a member of the huo family. It doesn't matter if you ignore the rules of the Su family. "

He thought that she was desperately practicing shooting because her family was pressuring her again.

However, in reality, Su Xiangxiang was not a puppet at the mercy of her family.

Although she had agreed to a political marriage with Huo Ting, most of it was because she also liked him... ...

She did not like to stay in the family since she was young. Ever since she was sensible, she knew that if she wanted to stand firm in the family, she had to practice good marksmanship.

However, she did not care at all. She never forced herself to practice marksmanship until... ... The moment she decided to walk down the road with Huo Ting, she made up her mind that she must practice her shooting skills well ...

He was a soldier and a chief. How could she not know anything?

At least, she had to be worthy of him!

"We're not married yet... " Su Xiangxiang blushed and almost didn't dare to look at him.

Huo Ting lowered his eyes to catch her evasive gaze. "I'll go to your house tonight and discuss the date of our wedding with your parents. "

"So soon? ! " Su Xiangxiang was shocked again. They had just confirmed their relationship not long ago, and then... ... They were going to get married ? ?

"I think it's too slow. " Huo Ting smiled. He thought of the previous news and teased her again. "when the news came out that you were pregnant, why didn't I hurry up and marry you? "

Su Xiangxiang," ..."

Seeing that her little face was so red that it was about to bleed, the little depression that Huo Ting had held in his heart was instantly swept away. He stretched out his arms and easily pulled her into his arms.

“The snacks are very delicious,” he suddenly whispered in her ear.

Su Xiangxiang’s originally restless heart finally calmed down for a moment. When he suddenly approached her, it caused another wave of emotions. “Then I’ll send it to you tomorrow...”

“Why didn’t you come in? Did you leave after putting down your things?” She couldn’t help but ask.

“...” Su Xiangxiang blinked. So he suddenly appeared because she didn’t go in to see him just now?

After hesitating for a moment, she slowly said, “I watched you at the door for a while, but you were busy all the time. I was afraid to disturb you, so I didn’t go in.”

During this period of time, when her two brothers came home, they talked to her father about the reform of the military region. How many people had been fired, and how many people had suddenly jumped through the dragon gate.

Although she did not understand the significance of this, she at least knew that in this critical period, Huo Ting must be very busy.

There were enough things that troubled him. If she went to disturb him again, it would only make him more tired. Why not take advantage of this period to practice her marksmanship.

Zhuangxing did not realize it, but practice makes perfect. Now, even if she raised the gun with one hand and fired continuously, she would not tremble as much as before.

When Huo Ting heard this, his heart immediately warmed up. *no ve-llb*-In

She had peeked at him for a long time outside the door... ..

He let go of her and stared at her with deep eyes. “Next time you come, come find me directly.”

Su Xiangxiang opened her mouth and was about to say something when he said, “If you don’t come, I won’t eat the snacks.”

All her hesitation was swallowed into her stomach. Su Xiangxiang looked up and smiled at him. “I will definitely go!”

Chapter 2015: Huo Ting VS Su Xiangxiang

When Huo Ting looked down, he happened to see her big, curved eyes. There seemed to be twinkling stars there, like a bright galaxy.

His heart was itchy and soft. It was as if something was growing, but also as if it was wrapped by something.

He could not help but lean over and kiss her lips.

It was just a light touch, but he stepped back and hugged her tightly.

Su Xiangxiang was shocked by his sudden movement. Just as she came back to her senses, she heard his breathing, getting heavier and heavier... ..

“No, I can’t wait anymore. “

“What... can’t wait anymore?” Su Xiangxiang wanted to see him, but just as she moved back a little, she was immediately hugged by him with even more force ...

Huo Ting took a deep breath again, and there were even signs of a light bite on his teeth. After a long time, he said, “let’s get married next week. “

..

When Xia Jinqi received the invitation, she was stunned for three seconds.

Then, she looked up at the two people sitting in front of her with their hands clenched and their faces flushed with laughter. She still felt like she was in a dream... ..

Was this still the Er Huo she knew There was actually such a time when she was in such a hurry?

She had just heard that they were together, and they were going to get married in the blink of an eye?

And most importantly, a few days ago, Yan Jun had just told her to start preparing for the wedding gift... .. It had only been a few days, and the invitation was already in her hands ! !

Did she have to be so farsighted? ! !

However, her surprise only lasted for a moment. Then, Xia Jinqi smiled and blessed the two of them. “Congratulations! Congratulations! Don’t worry, Yan Jun and I will definitely be there on the wedding day! “

Huo Ting held Su Xiangxiang’s hand and smiled. Then, he said, “where are your two children? Why haven’t we seen anyone? “

“Yu Han went out with his father. Xiao puff is at GRANDPA JI’s place. The little guy especially likes to stay with GRANDPA JI now. He can’t move when he sees the piano!” Xia Jinqi also smiled. When she talked about the two little babies at home.. She was always in high spirits like this.

Just as she finished speaking, Yan Jun came back with Xiao Yuhan in his arms outside the glass door.

Huo Ting and Yan Jun happened to have something to talk about, so Xia Jinqi brought Su Xiangxiang out of the courtyard for a walk.

The huge ferris wheel was particularly attractive. Su Xiangxiang walked along the Path and saw large patches of pink daisies. She was immediately envious.

“Wow! The president is too romantic...” she could not help but sigh.

Xia Jinqi was amused by her joke and looked at the Sea of flowers in front of her.

Yes, Yan Jun was actually a very romantic person... ..

While Xia Jinqi was in a daze, Su Xiangxiang had already raised her eyes and looked at her.

In fact, whether it was the first time they met or now, Su Xiangxiang liked Xia Jinqi very much.

Whether it was her appearance, temperament, or the way she spoke, she liked it very much.

Some people might think that Xia Jinqi was Huo Ting's first love, so Su Xiangxiang should naturally hate her... ..

But Su Xiangxiang had never thought of it that way.

"Xiaoqi, can you tell me about Huo Ting?" Su Xiangxiang suddenly asked.

No matter if it was a man or a woman, they would unconsciously approach the person they liked and treat them very gently.

"OF COURSE!" Xia Jinqi came back to her senses and met Su Xiangxiang's gaze. She agreed very readily.

They would always talk about this topic, so there was no need to avoid it at all. *no-ve-llb*-In

"HMM... .. Where should we start? When we were young, we were neighbors for a few years. At that time, we were only a few years old, and we spent our days making trouble "... later, after I got married, he retired from the army. Coupled with the relationship between our families, we saw each other often. Our relationship was closer than family." In Xia Jinqi's heart, Erhuo was even closer than Xia Chuanxu.

Chapter 2016: Huo Ting VS Su Xiangxiang 7

Su Xiangxiang listened very carefully. She suddenly turned her head and asked, "then do you know that he likes you?"

"..." Xia Jinqi's eyes paused. The smile on her lips faded bit by bit, and the atmosphere became strange.

Su Xiangxiang's face also stiffened. She had thought that it would be a little awkward before she asked, but she didn't expect it to be so awkward... ..

She was about to explain that she didn't mean anything else. She just wanted to clarify this matter before the wedding. After all, after she married Huo Ting, frequent interactions with Xia Jinqi's family were unavoidable, whether in life or career.

However, Xia Jinqi beat her to it.

"Xiang Xiang, that's all in the past. Now, he treats me like his own sister, and I treat him like my own brother," Xia Jinqi said. She walked to the wooden chair next to her and sat down. Then, she patted the seat next to her and signaled for Su Xiangxiang to sit down as well.

Actually, it was better to talk about this matter openly. *n.-o/.17)-e-(l//b((l-)n*

Everyone would have to get along with each other in the future. If they kept this estrangement in their hearts, it would become a big problem sooner or later.

Su Xiangxiang did not hesitate. She quickly followed and sat next to Xia Jinqi.

“when he was young, Huo Ting was like a wild horse that ran out of control. In Our neighborhood, he was the craziest. No matter how grandfather huo tried to control him, it was useless. In the end, he could only be brought into the army.

“after he came back from the army, he became much calmer. I think that was the result of years of training, right “For many years, Grandfather Huo was anxious to have a great-grandson. When he saw that Yan Jun and I had a child, he became even more anxious. “At that time, he arranged many blind dates for Huo Ting, but he didn’t take a fancy to any of them. He chose you alone. “

Xia Jinqi turned her head and took the initiative to pull Su Xiangxiang’s hand. She said softly, “Huo Ting, do you want to marry him? ” “whether you love him or not, you must be able to feel it, right? ” “To be honest, when I heard the news of the two of you getting married, I was really quite surprised. Because in terms of love, Huo Ting has always been gentle. But in your place, he’s like a completely different person. It’s as if if he doesn’t marry you immediately, you’ll run away! “

What Xia Jinqi said was true.

She Cherished Huo Ting, her brother who was given to her by the heavens. Naturally, she would also cherish the person Huo Ting liked.

Therefore, she treated Su Xiangxiang with sincerity. She didn’t want to hide anything.

Hearing Xia Jinqi’s words, Su Xiangxiang suddenly blushed. She thought of the words “I can’t wait anymore” that huo ting said in her ear.

He was obviously an impatient person. He wasn’t gentle at all... ..

“I understand. ” Su Xiangxiang nodded and looked at Xia Jinqi “actually, you don’t have to be nervous. I know about your relationship. I just want to tidy it up before we get married so that it won’t become awkward in the future. “And I really like you. I’m always thinking about how to be as strong, brave, and confident as you are... “... “...”

Appreciating this kind of thing didn’t only exist between the opposite sex. Many people of the same sex wouldn’t reject each other. Instead, they admired each other even more.

Xia Jinqi had something that Su Xiangxiang didn’t have and had always yearned for. That was why she had always wanted to get close to Xia Jinqi.

“Is the person you’re talking about me? ” Xia Jinqi blinked and suddenly felt very uncomfortable.

She had grown up with a lot of curses since she was young. What was there to talk about being a coward? Now that she heard Su Xiangxiang’s description, she realized that she had really changed a lot.

“Yes! ” Su Xiangxiang was amused by her expression and took the initiative to shake her hand. “Xiao Qi, can we be good friends? “

Chapter 2017: Huo Ting VS. Su Xiangxiang

“Okay. ” Xia Jinqi came back to her senses. She nodded and asked, “then about Huo Ting, you... “

“It’s not important. You said it yourself. It’s all in the past.” Su Xiangxiang continued to smile, looking very cheerful. “So you don’t have to feel awkward in the future. You don’t have to take care of me on purpose.”

Looking at the understanding and likable girl in front of her, Xia Jinqi suddenly understood why Huo Ting was so eager to get married.

She smiled and said, “alright, since you’ve said so, come over tomorrow and help me take care of my two children! mother-in-law and father-in-law are going out to celebrate their anniversary tomorrow. I can’t take care of my two children by myself.”

In fact, Su Xiangxiang knew that Xia Jinqi was inviting her to play at home. Even if mother-in-law and father-in-law were going out, there were still groups of servants here. How could they be too busy.

However, she accepted it gladly and said, “in exchange, how about you accompany me to choose a wedding dress?”

“DEAL!” Xia Jinqi agreed without thinking.

Su Xiangxiang smiled and couldn’t help but go forward to hug Xia Jinqi. “Xiaoqi, it’s nice to meet you...”

It’s nice that Huo ting once liked you.

Xia Jinqi was about to say something when Huo Ting’s voice came from afar.

“Xiangxiang, let’s go home!”

Su Xiangxiang finally let go of Xia Jinqi and looked into the distance.

At the end of the Sea of pink flowers, a tall figure was waving at her under the bright moonlight... ..

At that moment, Su Xiangxiang was moved.

He asked her to go home.

Soon, they would have their own little home.

“What are you waiting for? Go!” Xia Jinqi’s gentle urging came into her ears. Su Xiangxiang nodded heavily. “Okay!”

Then, she ran quickly toward the man she was going to spend her life with.

Huo Ting had just finished talking with Yan Jun and came out. He didn’t see the two of them, so he followed them all the way here.

Looking at the girl who had run to him because of his words, Huo Ting couldn’t help but smile gently. He subconsciously took her hand and said, “slow down, how long has it been?”

He still remembered that she twisted her ankle in the hospital, afraid that she would get hurt again if she wasn’t careful.

“I’m afraid that you’ve waited too long...” Su Xiangxiang smiled and mumbled. When she looked down, she saw huo ting holding her hand. It was so warm and reassuring... ..

Xiao Qi was right. She could really feel whether she loved him or not.

When Su Xiangxiang stood beside him obediently, Huo Ting looked up and saw Xia Jinqi walking over to stand with Yan Jun. he nodded slightly and said, "we'll leave first. "

"En, go ahead." Xia Jinqi nodded. Yan Jun also said, "be careful on the way. "

Huo Ting then held su Xiangxiang's hand and left.

Looking at their backs, Yan Jun also stretched out his hand to hug Xia Jinqi's waist and asked, "how did it go? "

"pretty good." Xia Jinqi smiled and asked him again, "how are you guys? "

"pretty good too." Yan Jun curled his lips and a faint smile appeared in his dark eyes.

Even the moonlight tonight was pretty good.

"..."

Huo Ting just walked to the door and asked Su Xiangxiang the same question.

"What did you guys talk about? "

"Well... Xiao Qi told me that you were like a wild horse that ran wild when you were young. No one could control you!" Su Xiangxiang seriously recalled what Xia Jinqi said just now ...

Huo Ting instantly choked up, and his face was a little embarrassed. "This girl, I only have so much background, and she already exposed it? "

"More or less." Su Xiangxiang continued to nod seriously.

"But there's one thing she said wrong." Huo Ting frowned again.

Su Xiangxiang stopped in her tracks and looked at him in confusion. "What's wrong? "

Huo Ting also turned his head and gazed at her affectionately. "There's really one person in this world who can control me. "

Su Xiangxiang's cheeks were almost burning from his stare. She asked hesitantly, "who is it? "

As soon as she finished speaking, he leaned over and whispered in her ear, "her name is Su Xiangxiang. "

It was a late spring and early summer night.

The night breeze seemed to be mixed with a stuffy temperature, instantly igniting the hearts of both of them.

Chapter 2018: Fang Shaoan VS Zuo Xiaoran

A year later.

Hot Summer.

When the sun is shining on your skin, there is a burning sensation.

Zuo Xiaoran hugged her five-month-old White Chubby son and rang the Yan family's doorbell.

As soon as the housekeeper saw her, he welcomed her in and sent for the young lady.

At that time Xia Jinqi just took a nap, heard the news immediately ran downstairs.

But to the living room, see that is playing with the child's figure, suddenly slowed down the pace, even some do not dare to approach... ..

"small... small ran?" She hesitated, finally or asked the mouth . .

Hearing the voice, Zuo Xiaoran immediately turned around, in the sight of Xia Jinqi that moment, finally revealed a long-lost smile.

"It's me." She nodded, then took her son and held him in her arms and introduced him, "Yuan Bao, come and see mother's best friend, Aunt Xiao Qi."

"Ah... .." white chubby little guy really obedient toward the direction of Xia Jinqi to see, small hands holding a tooth biscuit, a force to the mouth.

At that moment, Xia Jinqi's eyes turned red and she almost cried. "Xiao Ran, you... is this your child?"

"Yes, it's been five months. I didn't dare to contact you for more than a year. Don't be angry with me, okay?" Zuo Xiaoran's eyes were also red, and her voice was choked with sobs.

After she found out that Fang Shaoan had gone to Sanjiang City once, she didn't dare to contact Xia Jinqi anymore.

She didn't blame Xia Jinqi for revealing her information, but she didn't know how to face it... ..

"silly, why would I be angry with you? It's good that you're fine, it's good that you're back..." Xia Jinqi went forward and hugged her. After wiping the tears from the corners of her eyes, she turned her attention to the child in her arms.

Xiao ran had just said that he was five months old... .. Then.. ..

"His name is Yuan Bao, right? His nickname?" Xia Jinqi pulled Zuo Xiaoran to sit down and took a tissue to wipe Yuan Bao's saliva.

"It's a nickname." Zuo Xiaoran nodded. When she looked at Yuan Bao, her gaze unconsciously became gentle. "I haven't named him yet!"

"..."Xia Jinqi lowered her head to look at Yuan Bao, then at Zuo Xiaoran. Suddenly, she wanted to say something, but stopped herself.

Zuo Xiaoran roughly guessed what she wanted to ask her. After a bitter smile, she said, "it's Shao'an's."

Xia Jinqi immediately fell silent. She was not surprised.

After all, based on the time, Zuo Xiaoran was indeed with Fang Shaoan at that time.

“Why don’t you eat at home tonight? Sleep with me tonight? We haven’t seen each other for a long time!” Xia Jinqi saw the gloomy look on Zuo Xiaoran’s face. She also knew that this was a pain in her heart, so she stopped mentioning it and began to reminisce between sisters.

Hearing this, Zuo Xiaoran also put away the sadness in her heart and turned to smile “Don’t worry, I’ll be back for about two weeks this time. I’ll have plenty of time to chat in the future! I came here today to trouble you. Can you help me take care of Xiao Bao for a while? I have to go take care of some things. I might be back very late. “

“NO PROBLEM!” Xia Jinqi had already gotten the hang of taking care of the two children. It wouldn’t be difficult to take care of one more, but... ..

“Oh right, there’s also a present for my Godson and goddaughter. Where are they? They won’t be taking a NAP, right?” Zuo Xiaoran leaned over to pick up the two large bags on the ground. They were filled with stuffed toys and racing models.

“Yes, they’re still sleeping. I think they’ll wake up in a while. You can give them to them when they wake up, right?” Xia Jinqi looked at the time. It was about time.

Chapter 2019: Fang Shaoan VS Zuo Xiaoran

While they were talking, Yuan Bao had already finished eating a biscuit. He shook his little hand and wanted a second one. “Ah... “

He couldn’t speak yet, so he could only babble in a hurry.

Xia Jinqi finally found an opportunity to tease him. “want a biscuit? Can Aunty Hug you? “

Initially, Xia Jinqi was worried that this kid would cry. In the end, without saying anything, he opened his little hand and pounced into her embrace... ..

Hugging his round body, Xia Jinqi couldn’t help but laugh. “YOU LITTLE GLUTTON! “

Zuo Xiaoran was also amused. She pretended to be disgusted as she muttered, “he just doesn’t cry when there’s food to play with. It’s very easy to bring him along! Just give him some food so that he can be alone for the whole afternoon! “

After saying that, she took out Yuan Bao’s milk powder and diapers. After thinking about it, she felt very embarrassed. “Xiao Qi, I... Am I being too much? I haven’t contacted you for such a long time. I’ll have to trouble you to take care of little Bao for me as soon as I return... “

“It’s good that you know! Hurry up and finish your things. Come back tonight and explain clearly what you’ve been doing for more than a year! You gave birth to the child without saying a word!” Xia Jinqi hugged Yuan Bao and snorted.

“Life is forcing me... Hehe, then I’ll have to trouble you. I’LL BE LEAVING FIRST!” Zuo Xiaoran giggled foolishly and leaned over to kiss Yuan Bao twice. “Son, be good and stay here. Listen to little aunt. Mommy will come and pick you up tonight! “

Unfortunately, Yuan Bao was only focused on eating the biscuit in his hand and had no time to pay attention to her at all... ..

The corners of Zuo Xiaoran's eyes twitched, and she quickly picked up her bag and left.

After Zuo Xiaoran left for a while, Yuan Bao turned his head when he was bored with eating the biscuit and realized that his mother was gone. His small mouth immediately pouted and he cried out loud, looking as if he was about to burst the dam!

“Wah! ! ! ! “

Xia Jinqi jumped in fright and hurriedly coaxed him. “Alright, alright, little Bao, don't cry. Mommy will be back tonight! Auntie has delicious candies and all sorts of toys here! “

“Wah! ! “ Yuan Bao did not give her any face and continued to cry. The more he cried, the more heartbroken he became. The more he cried, the more heartbroken he became.

In the end, he still carried him to Yu Han's room to look for toys before he stopped crying.

Xia Jinqi let out a long sigh and wiped the sweat off her forehead. Looking at Yuan Bao who was excitedly crawling among the toys, she sighed inwardly... .. As expected, just like his father, he loved to eat and play ...

..

Zuo Xiaoran left the Yan family home and took a taxi to soaring Dragon Square.

More than a year ago, she had accidentally bought a lot of shares of the Yan Corporation. Who knew that when Yan Jun became the president, the shares of the Yan Corporation would soar. Her current value could be said to be at the top of Rao city's upper-class society. n-/Oυ&l&In

However, she had never used any of this money. In the past year, she had opened a small restaurant with her parents on a small street in Sanjiang City. Her business was good and her life was very ordinary.

The reason why she came back this time was firstly to deal with these shares, and secondly, to meet an old friend.

'meet again' coffee shop.

Zuo Xiaoran ordered a Mocha alone, but she did not drink a single SIP.

She casually opened Weibo and scrolled through it. The news that popped up could not escape the security department.

When it came to the security department, it was naturally Fang Shaoan, the head of the security department that everyone had been praising recently... ..

In the photo, he had lost a lot of weight, and he had become a lot more disciplined.

His previous sloppy appearance had disappeared, and his yellow hair had returned to his short black hair. Even his pink shirt had been replaced by a black and white suit. The smile on his face had also disappeared, and most of the time, he had a straight face as he followed behind Yan Jun..

A year's time was not long, nor was it short, but it had changed a person so completely.

Chapter 2020: Fang Shaoan VS Zuo Xiaoran 3

Sometimes, Zuo Xiaoran could not help but smile when she looked at these photos or read a few lines about him.

The young boy from before had become calm and steady.

But as she looked at him, her eyes slowly turned red.

She thought, a year had passed, and she still loved him.

Otherwise, she would not have chosen to give birth to Yuan Bao.

Even if they were destined to be separated by fate in this life, she would still bury him deep in the bottom of her heart.

In the silence, a familiar and cheerful voice suddenly came from beside her ear. It was mixed with a smile and joy. "Hi! Xiaoran!"

Zuo Xiaoran subconsciously raised her head and carefully looked at the handsome boy in front of her who was wearing a plaid shirt. After a long while, she recognized him. "Fei Dong? Senior Fei?!"

"It's me." Fei Dong sat down opposite Zuo Xiaoran. His clean and handsome face was always filled with a smile, giving people a very friendly feeling.

The waiter next to him walked over with good eyesight and asked, "Sir, what would you like to drink?"

"American style is fine." Fei Dong opened his mouth. His voice was very deep and had a unique masculine charm.

Zuo Xiaoran looked at him in a daze and sized him up from top to bottom. The surprise in her eyes grew even more. "Senior, did you get plastic surgery? You used to..."

Oh my God Was this still the Chubby senior from her memories?

Look at his face that was filled with contours, his slender fingers, and his long legs!

It was a complete change!

The News in Fei Dong's eyes gradually turned bitter, but then it completely dissipated. "What plastic surgery? I lost weight. I lost about 60 pounds."

Who knew how much time and perseverance he had spent to say those words so easily.

But he felt that it was all worth it, because at this moment, he bravely and confidently sat in front of the girl he liked.

"Wow!" The stars in Zuo Xiaoran's eyes became more and more numerous. "It's too amazing! And senior, you're really more handsome than the school hunk now! It's really great!"

“thank you.” Fei Dong’s face was a little red from being praised. Just then, the waiter came over with coffee, so he took the opportunity to change the topic. “How have you been recently? Why did you go to such a faraway place in Sanjiang City?”

“Uh... it’s fine. It’s probably because of some personal reasons.” Zuo Xiaoran stirred the coffee spoon, and only then did she remember her real intention for coming today. “senior, you told me on the phone earlier that our short film won an award overseas?”

“Yes.” Fei Dong nodded and drank a cup of coffee lightly. “I also didn’t expect that we would win first place. The prize is 200,000 yuan, and there are two spots for German students to study abroad. Do you want to go?”

As he spoke, Fei Dong looked at Zuo Xiaoran with some anticipation. If she was willing to go, then they could go to Germany to study together.

When she heard that they could study abroad, Zuo Xiaoran was stunned for a moment.

In the past, she had envied her classmates who could study abroad. She also wanted to one day study abroad, but for some reason, this thought was slowly worn away.

When she no longer had any illusions, or even couldn’t remember it at all, such an opportunity suddenly appeared in front of her, catching her off guard.

God, he really knew how to joke... ..

Zuo Xiaoran smiled bitterly. “Forget it, I still have to take care of the children. Moreover, I’m already so old, what’s the point of staying? Give this opportunity to someone else.”

“You... You have a child? You’re married?” Fei Dong stood rooted to the ground, his eyes almost popping out of their sockets. It seemed like he was really shocked ...
