

## Trick Me 2021

### Chapter 2021, Fang Shaoan VS Zuo Xiaoran 4

Zuo Xiaoran shook her head gently. "I'm not married. I'm alone with the child. "

As she spoke, she lowered her eyes slightly, as if she was looking at the coffee in the cup, or at someone else through the coffee.

Fei Dong's heart, which was on the verge of despair, suddenly became excited again. She said... .. She was not married, and she was alone with the child. That meant.. .. He still had a chance?

He excitedly reached out and touched his head. Fei Dong hurriedly said, "If you don't want to go, then don't go. I don't want to go either. That 200,000 yuan prize money, i... "

Before Fei Dong could finish, Zuo Xiaoran said, "you can keep it. I'm living with my parents now. My family has a small restaurant, so I can get by. "

Actually, Zuo Xiaoran didn't think too much about it. She wasn't short of money right now. On the other hand, Fei Dong had just graduated more than a year ago, so there were many places where he could use the money.

Who would have thought that Fei Dong would say, "If you don't accept it, then I'll donate it to the children in the poor mountain area in our names, right? " *nove.l&-1n*

" ... " Zuo Xiaoran's eyes paused. Before she could ask, Fei Dong said, "I started my business after graduation. The company's performance is quite good now. "

"Okay!" She agreed immediately. Zuo Xiaoran picked up her bag and was about to leave. "You can make the arrangements. I'm leaving first. The child is still at her best friend's house. I have to go back and take a look. "

She was a straightforward person and did not like to drag things out.

Seeing that Zuo Xiaoran was about to leave, Fei Dong hurriedly stood up and took the initiative to say, "Xiaoran, shall I accompany you to pick up the Child? "

Zuo Xiaoran's action of picking up her bag froze for a moment. She looked up at Fei Dong in surprise.

Feeling a little embarrassed from being looked at, Fei Dong hurriedly explained, "I drove here. It's convenient for me to send you. Just Nice... " They had dinner together.

Before she could finish her sentence, Zuo Xiaoran nodded. "Alright then, I'll have to trouble senior. My Best Friend's house is indeed a little far... "

Actually, it was very convenient to take a ride there, but she could tell that Fei Dong was kind-hearted, so she could not bear to reject him.

In the past, when they were in university, Fei Dong's personality was actually not so cheerful. Perhaps it was because his body was too fat and he had some inferiority complex, so he basically did not want to talk to others.

Zuo Xiaoran also got to know Fei Dong because she chose to be a photographer in the university club.

At that time, she saw that he was quite lonely, so she took the initiative to form a group with him to complete the graduation video together. Who knew that a year had passed, and their video actually won an award.

When Fei Dong heard her promise, his heart could not be happier. He immediately stood up and said, "alright! WAITER, the bill! "

After paying, the two of them went downstairs together.

When Fei Dong went to get the car, Zuo Xiaoran took a stroll around soaring Dragon Square.

This place had really changed a lot... ..

She still remembered that the new square had just been developed about three years ago. When she left, this place had not been as prosperous as it was now. Now, in less than three years, this place had already replaced the city center. It had become the most prosperous commercial area.

It could be seen how good Yan Jun's taste was at that time... .. And he had indeed done very well this year, gaining the love and support of the entire city ...

After taking a look around, Zuo Xiaoran turned around and found that the huge LED screen in the middle of the square was playing a video of an interview with Fang Shaoan.

Zuo Xiaoran stared at the familiar handsome face on the screen in a daze and did not come back to her senses for a long time... ..

At this moment, a gray commercial car drove past her.

Fang Shaoan, who was wearing a black suit, sat in the back seat of the car. He looked down at the photo of Zuo Xiaoran in his wallet and was lost in thought.

## **Chapter 2022: Fang Shaoan VS Zuo Xiaoran 5**

The driver parked the car on the side of the road and said respectfully, "director, we're here. "

Fang Shaoan then came back to his senses. He carefully put away his wallet and pushed open the door to get out of the car.

At the same time, behind him, Fei Dong's car had already arrived. Zuo Xiaoran had just gotten into the car.

When Fang Shaoan was tidying up his suit with his back to the road, Fei Dong had already driven off with Xiaoran.

No one noticed each other.

After brushing past each other, they missed each other again.

Fang Shaoan stood in front of Soaring Dragon Square and thought of the traces of him and Zuo Xiaoran coming together... ..

They used to go shopping together here, drink coke together, eat street food together, and take photos with scissors and hands.

They were all youth that could never be recovered.

While he was in a daze, the ring in his hand rang. When he came back to his senses, he saw that it was a call from Yan Jun..

“En, I’m here. Where are you? “

Yan Jun replied with an address, and Fang Shaoan put down his phone and rushed over.

..

In Fei Dong’s car.

Zuo Xiaoran’s eyes were filled with unconcealable surprise. “Senior, I’ve really seen you in a New Light! A BMW! You’ve made quite a bit of money this year, right? “

This car... .. should be at least two to three million yuan ? ?

Zuo Xiaoran had always thought that Fei Dong was just an ordinary person. She did not expect him to be a hidden tycoon as well?

Fei Dong was amused by her tone and shook his head with a smile. “fortunately, the clients at the beginning were all doing this for my parents’ sake. They could be considered to have helped me out. Later on, as I got better results, I started to have more clients. “

“Well, you have to do a good job. Otherwise, how long can you last with just a few old clients? “ Zuo Xiaoran hit the nail on the head.

Fei Dong did not expect Zuo Xiaoran to say such a thing... ..

When others heard it, they only thought that he was a rich second generation who relied on his parents’ influence. However, one sentence from her affirmed all the efforts he had made behind the scenes.

Just like when they first met, she never minded that he was a fat man who weighed almost 200 pounds. She also never laughed at him like others did. Instead, she tried to approach him and affirm him.

Even though they had not seen each other for more than a year, she was still so kind.

Fei Dong almost forcefully suppressed the gratitude in his heart and asked, “how long do you plan to stay this time? Are you still leaving? “

“about two weeks. After you take care of the things here, you’ll return to Sanjiang city and never come back. “ When Zuo Xiaoran said this, her words were filled with a faint sadness.

She still had some real estate and shares here. After everything was settled, she really did not have any lingering feelings and did not need to come back.

She had promised her parents that she would always be by their side.

“...”Fei Dong was stunned for a moment. Then, he said, “it just so happens that I’m going to Sanjiang City as well. Why don’t we go together then? It’s not convenient for you to take care of the Child by yourself. I’m a grown man with you. I can even help you carry your luggage or something.”

“really?” Zuo Xiaoran did not expect Fei Dong to go to Sanjiang City as well. She immediately became happy. “Sure! It’s also good to have a companion to talk to along the way!”

“Then it’s a deal.” Fei Dong casually said a few words, but in the bottom of his heart, he had already made up his mind to go to Sanjiang City to develop.

It was not easy for him to lose weight successfully, and he also had some small achievements in his career. He was finally willing to muster up the courage to contact her again, so he definitely wouldn’t give up... ... nove/Lb-In

Half an hour later, Zuo Xiaoran and Fei Dong arrived at the Yan family home.

“So the best friend you mentioned is Xia Jinqi?” Fei Dong looked at the totem on the door, and his eyes were a little surprised.

## **Chapter 2023, Fang Shaoan VS Zuo Xiaoran 6**

Xia Jinqi used to be a popular figure in their school. After all, her father was going to be the president... But who knew that her husband would become the president by accident ...

They were all alumni of the same school, so they had some impression of each other, not to mention that she was now the president’s wife.

“Yeah... do you still remember? There was one time when we went on a spring outing, and she sat next to me. She didn’t like to talk much!” Zuo Xiaoran also tried to recall. Fei Dong and Xia Jinqi should have met before ...

However, since she had said this, Zuo Xiaoran said excitedly, “don’t introduce yourself later. See if she can recognize you!”

“Okay.” Fei Dong nodded, and his eyes unconsciously filled with affection.

Unfortunately, Zuo Xiaoran shifted her gaze in the next second and didn’t notice anything unusual.

Xia Jinqi heard the maid say that Zuo Xiaoran had returned, and she almost immediately came downstairs.

From Afar, she saw Zuo Xiaoran sitting in the living room with a rather handsome man, chatting and laughing. They seemed to have a tacit understanding.

Before she could walk over, the sharp-eyed Zuo Xiaoran noticed her. She hurriedly stood up and walked towards her. "Xiao Qi! COME OVER QUICKLY! "

"Are you done with your business?" Xia Jinqi was a little puzzled as she was pulled over by her. Just as she was asking, the handsome man on the Sofa stood up and smiled politely at her. "Long Time no see. " " ... " Xia Jinqi was stunned on the spot. This person said 'long time no see' Did he mean that they had met before Knew Each Other?

However, she carefully sized him up for a moment and brainstormed. She still could not remember who he was. "I'm sorry, who are you? "

Fei Dong smiled shyly, but Zuo Xiaoran started to remind Xia Jinqi, "Xiao Qi, think about it again. You've met him before. We went out together! "

Xia Jinqi thought about it carefully for a while, but she still couldn't remember anything. "I don't remember... "

Seeing this, Zuo Xiaoran said, "do you still remember when we went out with a senior from the Photography Department in University? His name is Fei Dong! It's him! "

Hearing Zuo Xiaoran's words, Xia Jinqi remembered. "It's senior Fei? But it seems like... "

"I lost weight. " Fei Dong smiled. This feeling of not being recognized by others was the biggest affirmation of his success in losing weight!

And... ..

Compared to Xia Jinqi, Zuo Xiaoran recognized herself at a glance.

No matter what, in Zuo Xiaoran's heart, she still remembered her, right?

Fei Dong suddenly felt very satisfied.

"Yeah, he's really amazing. Is he completely different from the other person?" Zuo Xiaoran really admired him for his perseverance!

Xia Jinqi also nodded. "He's changed so much. No wonder he couldn't be recognized. "

After the introduction, Zuo Xiaoran asked her son, "Xiao Qi, where's Yuan Bao? "

"He's sleeping upstairs. There are maids watching him. Don't worry. " When Xia Jinqi came down, Yuan Bao was sleeping soundly. He was just a little kid, but he was eating and sleeping.

Zuo Xiaoran nodded. She was most relieved that Yuan Bao was with Xiao Qi.

Just as she was relieved, she heard Xiao Qi ask hesitantly, "did you... meet him on the way? "

"No, the short film I made with senior won an award. He asked me to split the prize money! " Zuo Xiaoran explained her relationship with Fei Dong in one sentence. She could see the confusion in Xiao Qi's eyes, and there was indeed nothing between her and Fei Dong.

**Chapter 2024, Fang Shaoan VS Zuo Xiaoran 7**

Just as she finished speaking, the maid upstairs ran down in a hurry. "Young Madam, the Child has woken up and is crying! "

Before she could finish speaking, Zuo Xiaoran had already dashed upstairs.

Seeing this, Fei Dong hurriedly chased after her. "I'll go and take a look too! "

"..."Xia Jinqi looked at the two of them and blinked her eyes. Just as she was about to go up to take a look, she heard the sound of footsteps coming from the door.

Following that was the voice of the maids. "Young Master, Mr. Fang. "

"..."

Turning around, she saw Yan Jun and Fang Shaoan enter the living room one after the other.

Xia Jinqi's eyes twitched. Looking at the time, it had been more than a month since Shaoan had come to the house. What kind of day was it today?

Xiao ran was here, and so was Shaoan... .. They were all gathered at her house ...

Yan Jun walked in and saw Xia Jinqi, who was rooted to the spot in a daze. He subconsciously asked, "what's wrong? " n(0velbIn

Xia Jinqi did not say a word. Her Gaze was only following Fang Shaoan, who had walked in from outside the door.

In this situation, should she set him up, or... .. But Xiao ran had just brought senior Fei Dong over. If they met, would the two sides fight ? ?

And Yuan Bao, that was Shao An's biological flesh and blood... ..

Fang Shaoan also noticed Xia Jinqi's gaze. At first, he thought that there was something on his face, but when he touched it, he found nothing. He could only ask Xia Jinqi, "sister-in-law? Why? Don't you recognize me? "

Xia Jinqi,"..."

At that moment, Yan Jun had already walked to the SOFA. He lowered his gaze and glanced at the two teacups on the coffee table and the light blue girl's backpack on the Sofa. He raised his eyebrows slightly. "There's a guest at home? "

Hearing this, Xia Jinqi nodded. "Yes... "

Taking a deep breath, she finally made up her mind and said, "it's Xiao Ran... " she was here.

However, before she could finish speaking, the sound of Xiao ran playing with Yuan Bao and Yuan Bao's faint sobbing could be heard from the corner of the stairs.

"Sob, SOB, SOB... "

"Alright, don't cry anymore. Mommy is here! "

The three people in the living room all looked in the direction of the sound at the same time

For a moment, Fang Shaoan actually forgot to breathe. He only stared blankly at the familiar figure that he had been longing for.

He had dreamed of the scene of him reuniting with Zuo Xiaoran countless days and nights.

But he had never dreamed of such a scene before.

She was wearing a light gray casual dress. Her long hair, which used to be loose, was now tied into a bun. She skillfully hugged a fat white boy in her arms.

Besides that, there was a young and handsome stranger standing beside her... ..

The man inadvertently looked at Zuo Xiaoran with such gentleness and doting eyes.

Fang Shaoan couldn't be clearer about the meaning behind a man looking at a woman with such eyes.

So... .. After not seeing her for more than a year, she got married ? And gave birth to a child ? ?

The way they stood together as a family of three was really dazzling... ..

All the regrets, worries, and love during this period of time all turned into bitterness and anger in an instant, churning in his chest.

Fang Shaoan gritted his teeth and clenched his fists tightly in the pocket of his suit pants.

Even so, he could not hide his trembling body and the watery light in his reddened eyes... ..

Compared to his defeat, Zuo Xiaoran was much calmer on the steps.

### **Chapter 2025, Fang Shaoan VS Zuo Xiaoran 8**

She looked straight at the man who was a few steps away. A part of her heart that was hidden seemed to be torn apart by a pair of invisible hands.

Once again, she was drenched in blood.

When she planned to return to Rao city, she thought that they might meet.

But what if she couldn't even see the last of Rao city?

That was why she came to look for Xiao Qi.

At this point, she thought that she might not necessarily be able to see him... ..

However, she did not expect that the reunion would come so quickly and catch her off guard.

Yuan Bao, who was in her arms, had already stopped crying.

She did not know if there was really a saying that blood was thicker than water, but the moment Yuan Bao saw Fang Shaoan, he miraculously quieted down.

He rolled his big eyes and stared curiously at the strange man he had never seen before... ..

The atmosphere in the living room was frighteningly silent.

Xia Jinqi did not expect Xiao ran and the others to come down so quickly. She was about to go up to resolve the awkward atmosphere, but she was stopped by the man beside her.

She looked back and saw Yan Jun shaking his head slightly at her.

She understood what he meant.

He did not want her to get involved in Shao'an and Xiao ran's matter.

After all, in matters of love, other than the two people involved, the rest were outsiders.

But... She could not bear to see Xiao ran upset in the end ...

While everyone was in a stalemate, Fang Shaoan was the first to speak.

"Miss Zuo, long time no see. "

The corners of his lips curled into a cold smile, like a statue carved out of ice and snow. His entire body was emitting a cold aura, as well as... .. A deep jealousy and hatred ! !

She was still as brazen as ever.

Back then, she had left without saying a word. Now, she had appeared in front of him with her child and Man Without saying a word ! ! !

To her, what exactly was he, Fang Shaoan, to her? nOvE/lb-1n

Zuo Xiaoran had been pretending to be calm all this while. Finally, she was defeated by his words, 'Miss Zuo' .

His deliberate alienation, the hatred he was gnashing his teeth with, as well as the sarcasm between his words, had all turned into a sharp blade that cut open her treasured heart.

Her legs suddenly went soft, and her whole body swayed. She almost fainted.

Fortunately, Fei Dong, who was beside her, held her in time and said gently, "give me the child. "

Zuo Xiaoran only felt a buzzing sound in her ears. When she came back to her senses, her arms suddenly became light, and Fei Dong and Yuan Bao hugged her.

Yuan Bao was not shy. Even when he was in Fei Dong's arms, he did not cry or make a fuss.

Or perhaps, at such a young age, he could also feel the unusual atmosphere in the hall at this moment and temporarily remained quiet.

But it was this silence that once again pierced Fang Shaoan's heart.

In this year, not a day had passed that he did not think of her, but she had long cast him out of the clouds, right She had married and had children with ease, and now that they had met, she did not even make a sound?

Hehe... ..

“What? You don’t even want to make a sound when you see your ex-boyfriend?” He spoke again, pressing on Zuo Xiaoran step by step, his deep eyes filled with a terrifying sharpness.

Every time he took a step forward, Zuo Xiaoran had no choice but to take a step back. It was only when she bumped into the stairs that she was forced to stop.

Fei Dong finally couldn’t stand it anymore. He took a step forward and stood in front of Zuo Xiaoran. He looked at Fang Shaoan coldly and said, “sir, please have some self-respect. “

“Who are you?” Fang Shaoan looked at him impatiently.

“My name is Fei Dong.” Fei Dong simply introduced himself. He was about to tell him about his relationship with Zuo Xiaoran, but he was suddenly interrupted by Fang Shaoan.

### **Chapter 2026, Fang Shaoan VS Zuo Xiaoran 9**

“Oh?” Fang Shaoan raised his eyebrows and looked at Zuo Xiaoran again. He sneered and said, “so it should be Mrs. Fei. I misspoke. “

Zuo Xiaoran kept her head down and bit on her teeth. She didn’t know how to explain... ..

Seeing her like this, Fang Shaoan suddenly sneered, “you don’t want to say a word to me? From the looks of it, you probably won’t come to my wedding, right? “

Zuo Xiaoran, who was already in a state of confusion, suddenly felt like she was struck by lightning when she heard his words!

“You... are getting married?” She asked back, her voice trembling like the strings of a zither being plucked ...

Perhaps it was because he finally saw her reaction, Fang Shaoan felt the thrill of revenge in his heart.

He did not answer her, but quickly turned around and took out a fiery red invitation card from the pocket of his suit jacket and handed it to Yan Jun..

“Next Wednesday, I respectfully invite you and sister-in-law to come. “

“...”Yan Jun..

“...”Xia Jinqi.

Zuo Xiaoran could no longer watch.

She blinked her eyes and found that it was warm inside. Something was flowing inside.

“Xiao Qi, I’m leaving first. I’ll come and look for you next time.” After forcing herself to finish her sentence, Zuo Xiaoran turned around and took Yuan Bao from Fei Dong’s arms. She walked quickly to the door and even forgot to take her bag.

Xia Jinqi wanted to stop her, but before she could say anything, Yuan Bao, who had been quiet, suddenly burst into tears.

“Wah! ! “

Zuo Xiaoran thought that she had run too fast and scared the child, but when she raised her eyes to look at Yuan Bao, she realized that his gaze had been fixed on Fang Shaoan... ..

Perhaps he had sensed that they were about to part, but he actually felt reluctant to part, and it was in front of a stranger whom he had just met.

At that moment, Zuo Xiaoran’s heart felt a stab of pain.

Blood and kinship could not be hidden... ..

Fei Dong was also a little surprised, but when he followed Yuan Bao’s gaze, he also saw more surprise in Fang Shaoan’s eyes.

He did not expect Zuo Xiaoran to be in such a hurry to leave, nor did he expect that Zuo Xiaoran’s child would stretch out both hands towards him and cry so loudly... ..

It was unknown what force was driving Fang Shaoan, but he unexpectedly took a step forward and raised his hand slightly.

These actions were almost instinctive. He did not even know what he was going to do in the past or what he was going to do with his raised hand... ..

In the next second, Zuo Xiaoran had already carried the child and walked out of the door resolutely.

The child’s cries and the adults’ footsteps gradually drifted away... ..

All the hatred and resentment in Fang Shaoan’s heart seemed to have been completely sucked dry. He did not even have the last bit of strength left.

He took a few steps back and fell into the SOFA. He stared dejectedly in the direction that Zuo Xiaoran had just left. His eyes were empty, like a dried corpse without a soul.

Fei Dong glanced back at him, walked over to take Xiao ran’s bag, and left as well.

The large living room was once again quiet.

Seeing that Fei Dong had chased after her, Xia Jinqi did not follow him out. Instead, she questioned Fang Shaoan, “you’re getting married? When did you decide? “ n(.0-)v-)e--l-/b(-l)-n

Even she did not know the news... .. How could it have come so quickly ? ?

“...”Fang Shaoan did not answer.

Yan Jun, however, understood and handed the invitation card in his hand to Xia Jinqi. “Open it and take a look. “

Xia Jinqi took it suspiciously. When she opened it, she realized that the groom and Bride’s names were actually Zhuge Wentao and Zhuge Qiangwei... ..

Therefore, everything that Fang Shaoan said just now was a lie.

## **Chapter 2027, Fang Shaoan VS Zuo Xiaoran 10**

He was just... .. To provoke Zuo Xiaoran ? ?

“Shaoan, you misunderstood. Xiaoran, she...” before Xia Jinqi could finish her sentence, Fang Shaoan, who was sitting on the sofa in a daze, suddenly stood up and dashed out of the door.

However, Zuo Xiaoran was nowhere to be seen in the courtyard?

Fang Shaoan gritted his teeth and his eyes were red. He chased after her from the courtyard to the road.  
“XIAORAN! “

He screamed loudly, but the only response he got was an empty road. Other than that, there was nothing else... ..

“Xiao Ran...” he dispirited murmur, handsome cheeks, has been a moist.

Is She leaving again?

Just like a year ago, gone so fast, he couldn't even find... ..

“No, I can't let you leave just like that...” wiping his face, Fang Shaoan took a deep breath, turned around, and ran back to the surveillance room. He yelled at the security guards in the room, “bring up the surveillance footage just now! “

The guards froze for a moment, then did as he said.

Although this was the Yan family and the presidential residence, they all knew about the relationship between Fang Shaoan and Yan Jun..

The surveillance camera was quickly pulled up.

Fang Shaoan saw Zuo Xiaoran get into Fei Dong's car while crying with his own eyes... ..

“XXXZ7Y.” After memorizing the license plate number, Fang Shaoan ran out of the surveillance room and dialed the secretary's cell phone. “license plate number XXXZ7Y, immediately check the car records and the owner of the car. I want to know where the person in the car is now! “

After saying that, he hung up the phone. Fang Shaoan drove his own car and left the Yan family quickly.

“Xiao Ran, I absolutely can not let you leave just like that. I absolutely can not! “

“...”

Yuan Bao cried for a long time after he got into the car.

However, Zuo you was only a child. He was tired after crying. He lay in Zuo Xiaoran's arms wearily and did not make a fuss. Instead, he began to doze off.

After Zuo Xiaoran coaxed him, her eyes were still red.

The sudden meeting just now and Fang Shaoan's indifference were like a movie replaying in her mind over and over again.

She could not help but think that she had made a mistake coming back this time... .. She shouldn't have held that last glimmer of hope and shouldn't disturb his life anymore ...

In her daze, Fei Dong's voice suddenly rang in her ears.

"Xiao Ran, are you okay? "

Zuo Xiaoran didn't answer. She just lowered her eyes and shook her head gently.

"where are you staying? I'll send you there," Fei Dong asked again. n./Ov**1B1n**

"I... " Zuo Xiaoran opened her mouth and only then did she remember that she hadn't found a hotel yet.

She had originally planned to sleep with Xia Jinqi tonight, so... ..

After thinking for a moment, she could only say, "you can send me to any hotel. "

" ... " Fei Dong was silent for a moment before he suggested, "why don't you go to my place? I'll stay alone. With an aunt around, I can help you take care of your child. I'm worried about you staying at a hotel alone with your child. "

"No need. It's too much trouble for you. I'll go to a hotel. " Zuo Xiaoran shook her head and refused. She was not someone who liked to trouble others.

However, Fei Dong insisted on inviting her, "don't stand on ceremony with me. My place isn't small. It's definitely more comfortable than a hotel. If you really don't want to go, then I can only go to the room next to yours and get a room. "

Having said that, if Zuo Xiaoran refused again, it would seem like they were friends.

Moreover, the two of them used to hang out together, so they could be counted on as friends.

"then... okay. " Forcing herself to agree, Zuo Xiaoran still felt very embarrassed. "Then Xiaobao and I can only go and disturb you. "

### **Chapter 2028, Fang Shaoan VS Zuo Xiaoran 11**

Hearing her answer, Fei Dong finally smiled. "It's my honor to have you guys here. By the way, what's his name? You haven't told me yet. "

"His name is Yuan Bao, " Zuo Xiaoran answered quickly. Then, she smiled again. "Yuan Bao of Jin Yuan Bao! "

What a rich name... ..

Fei Dong also went to look at the little guy who was about to fall asleep. "Little Yuan Bao, let's go to uncle's house tonight with mom, okay? "

“AWOO.” Yuan Bao took the opportunity to yawn. Then, he closed his two small eyes and fell asleep comfortably.

Zuo Xiaoran and Fei Dong were both amused by his silly look and burst into laughter. The haze and depression that they had at the Yan family’s house were swept away.

In less than an hour’s drive, they arrived at Fei Dong’s house.

It was in a high-end residential area in the city district.

As soon as they entered the house, the Auntie had already prepared the food and was ready to leave. When she saw Fei Dong bringing a woman and a baby back, she was surprised. “Sir, there are guests? But I only made dinner for you alone... why don’t I go and make two more dishes?”

Fei Dong brought Zuo Xiaoran into the House and said, “you can stay here tonight so that you can help take care of the child.”

The auntie paused and hurriedly nodded. “okay, I’ll go and prepare it now.”

Zuo Xiaoran carried Yuan Bao into the house and looked at the living room that was about fifty square meters. She clicked her tongue and said, “senior, you must have earned a lot of money after graduation, right? A BMW and a mansion. You’re probably the prince charming in the eyes of many girls now!”

“What Prince Charming? Have you forgotten that no one was willing to be friends with me in the past?” Fei Dong laughed at himself and skillfully poured hot water. When he placed it in front of Zuo Xiaoran, he saw that Yuan Bao was already asleep in her arms “bring him to his room to sleep?”

“Sure.” Zuo Xiaoran nodded and got up to follow Fei Dong to the guest room.

After putting Yuan Bao down, the two of them returned to the living room.

When they sat down again, Zuo Xiaoran realized that there was a photo frame on the coffee table in the living room.

It was a photo of her and Fei Dong together. Judging from their clothes, it should be an outdoor scene from when they went to school in the past.

Subconsciously, she picked up the photo frame and gently caressed her younger self at that time. Zuo Xiaoran could not help but laugh “You still have this photo? Think back to that time, we were still carefree kids. All we did was go to class and hang out with our friends.”

She did not expect that in the blink of an eye, she had reached this age where she reminisced about her past.

“Is it not good?” Fei Dong also sat down and followed her line of sight.

“Sure!”

“Then why don’t you keep it?”

“Uh, that’s true.” Zuo Xiaoran seemed to be convinced by this reason. She looked at Fei Dong beside her — his round face, round belly, and thick limbs... .. There was a huge difference between him and now ...

Unconsciously, she compared the photo with Fei Dong beside her. Zuo Xiaoran clicked her tongue in wonder. “You’re darker now, but you were even whiter in the past. “

“Now, I’m sunbathing a lot. I used to be fat and fair.” In front of her, Fei Dong did not feel inferior even when facing his past self.

Because he knew that she had never looked down on him.

After chatting for a while, the aunty finished cooking two more dishes and came out to call them to eat. “Sir, Miss, it’s time to eat. “

Only then did Fei Dong get up. “Let’s go. Let’s eat first. “

“Okay.” Zuo Xiaoran rubbed her starving stomach and happily went to the dining table.

### **Chapter 2029, Fang Shaoan VS Zuo Xiaoran 12**

The aunty should be a native of Rao city. She cooked all the local dishes. Zuo Xiaoran had been thinking about this taste for more than a year... ..

Even though her father’s cooking was not bad, eating it in Rao city was a different feeling.

Unknowingly, she had eaten an extra bowl of rice.

Throughout the whole process, Fei Dong was helping Zuo Xiaoran pick up food and giving it to her. “Slow down, I won’t snatch it from you! “

“@#% ...”Zuo xiaoran felt that she should turn her grief and indignation into appetite LET’S EAT first!

The dining table was filled with laughter and laughter. Little did she know that at this very moment, a gray sedan quietly stopped at the roadside downstairs.

Fang Shaoan, who was wearing a black suit, got out of the car.

He leaned against the side of the car and looked up at the two-story small villa with the lights on. He was silent for a long time.

The Security Department under his jurisdiction had the largest and most robust information network in Rao city. In less than ten minutes, his subordinates had searched Fei Dong’s personal information thoroughly. Of course, this also included the fact that Fei Dong had never been married or even in a relationship As well as the fact that he had made a few friends when he was in kindergarten.

So... .. Xiao Ran’s child could not be Fei Dong’s ...

Then since it was not Fei Dong’s, then who could it be?

When they first met at the Yan family previously, he had seen Xiao ran holding a child and standing so intimately with another man. He had really been overcome with jealousy and had completely lost his rationality. He had not calmed down to think about this at all.

But now, he was beginning to suspect.

That child... ... looked to be only a few months old. According to the time calculation, wasn't Xiao ran with him during the period when she was pregnant ? ?

During that time, Xiao ran accompanied him day and night, taking care of his daily life.

But... ... If the child really was his, why did she leave decisively when she was pregnant ? ?

She only returned with the child a year later?

And when she returned, it was not the first time she came to look for him. She even... ... was with another man ...

When he thought of the way Fei Dong looked at Zuo Xiaoran, Fang Shaoan's heart was filled with annoyance, like millions of ants gnawing at him.

Only then fished out the cigarette, lit up, took two deep breaths, only then can be considered to be able to slightly calm down the manic heart.

But even so, Fang Shaoan also did not impatiently directly rushed upstairs to interrogate Zuo Xiaoran, but alone with a cigarette in his mouth, dejectedly leaned against the car, continued to be silent.

Four hundred days and nights, let him in almost crazy in the learning of calm.

—

Upstairs.

Aunt helped Zuo Xiaoran to feed Yuan Bao milk, and took a bath, finally coax to sleep before going to the next room to rest.

Zuo Xiaoran could not fall asleep no matter how hard she tried. She lay on the bed and tossed and turned.

The scenes from the Yan family in the afternoon kept flashing in her mind. There were also the words that Fang Shaoan had said to her. Every word was so clear and piercing to the bone.

He must hate himself very much, right?

Moreover, he was about to get married.

With whom?

Was it someone he liked?

Her mind was instantly filled with these strange questions. Zuo Xiaoran simply sat up and took out her phone to look through all the news about Fang Shaoan.

However, she could not find any news about him getting married, let alone with whom.

She put down her phone dejectedly and lay back on the bed. Her eyes were wide open as she stared at the ceiling in a daze.

Fang Shaoan must have loved that person very much since he was so good at keeping confidential information. ...

### **Chapter 2030, Fang Shaoan VS Zuo Xiaoran 13**

He turned over again, and this time, he covered his head with the air conditioner in an attempt to block out Fang Shaoan's repeated voice.

But in the next second, he clearly heard someone knocking on the door.

Knock knock knock

It was very light, but it was very clear.

Zuo Xiaoran sat up and asked, "who is it? "

"It's me, " Fei Dong answered outside the door. "Are you asleep? If not, why don't you come out and chat for a while? The stars are very beautiful tonight. "

Zuo Xiaoran, "... "it was just the right time.

She hurriedly got up. Before she left, she glanced at Yuan Bao who was sleeping soundly on the bed before smiling and leaving.

There was an open-air balcony on the second floor of Fei Dong's villa. In the summer evening, it was really a wonderful thing to enjoy the wind and look at the stars on the balcony.

Zuo Xiaoran looked up at the bright starry sky and her mood finally improved.

Fei Dong brought over drinks and wine. "Can I drink? "

"No. " Zuo Xiaoran shook her head. Yuan Bao was still weaned, so she could not eat many things. "I'll drink fruit juice. "

"En, I brought you a low-sugar one. Don't worry. " Fei Dong took a can of beer and leaned against the fence beside Zuo Xiaoran. He also looked up at the starry sky.

Back then, it was more or less this balcony that he had bought this villa.

Zuo Xiaoran could not help but laugh when she heard his words. "after working out for so long, have you become so sensitive? "

Fei Dong was stunned for a moment when he was reminded of this. He smiled bitterly and said, "yes, I'm used to it. "

"It must be very hard... " Zuo Xiaoran muttered.

"It's alright. " Fei Dong gradually hid his sadness. He had already endured it, so there was no need to mention it anymore.

On the other hand, he could see that she had not been having an easy time over the past year.

“This year must have been very hard for you too, right?” He raised his head and took a sip of beer before suddenly asking.

“...”Zuo Xiaoran looked back in surprise, but just happened to meet Fei Dong’s gaze that was filled with tenderness.

She hurriedly averted her eyes and Zuo Xiaoran smiled awkwardly. “I’m doing quite well. I’m with my parents and Yuan Bao. Oh right, our shop’s business is quite good. You Know My dad’s craftsmanship too. He’ll soon have a bunch of fans! “

Fei Dong didn’t expose her pretense of stubbornness. He just changed the topic. “You and Fang Shaoan... did you leave Rao city because of him? “

There were some things he knew he shouldn’t ask, but he always wanted to know more about her.

Zuo Xiaoran was stunned by his words. She slowly tightened her grip on her drink cup.

It made sense. Anyone with a discerning eye could see the relationship between her and Fang Shaoan from the situation in the afternoon.

Perhaps it was time to find someone to talk about the things she had been hiding for a year.

After letting out a long sigh, Zuo Xiaoran smiled “His parents don’t approve of us being together, and my parents don’t approve of us being together either. “senior, in the past, I really thought that Love was a matter between two people and had nothing to do with anyone else. “But it was only today that I realized that love is related to two families. “We can’t get the support of both parents. If I insist on being with him, how will my parents be able to live with themselves “They only have me as their only daughter. “

She had grown up with her parents’love since she was young. If it weren’t for them, she wouldn’t have grown up so happily and lived a carefree life.

She can not make her parents sad for love.

She can only choose to give up.
