

Trick Me 2041

Chapter 2041, Fang Shaoan VS Zuo Xiaoran 24

Otherwise, why would her heart be in such pain?

She couldn't even breathe... ..

It was as if something was strangling her neck and she was on the verge of death.

She clearly wanted to cry, but she forced herself to smile.

"I wish you both forever happiness. "

She enunciated each word, as if she had used up all her strength.

Other than this sentence, she couldn't find any other words.

As the person who was blessed, Fang Shaoan's eyes were filled with bitterness.

Silly girl.

Without you, how could I be happy?

Staring at the perfect couple in the mirror for a long time, Fang Shaoan lowered his eyes. "I'm hungry. Go change your clothes and eat. "

Zuo Xiaoran, who had been immersed in her own world, finally came back to her senses. The first thing she said was to reject him. "No need. I'll go back to Xiao Qi's place. Yuan Bao will look for me when he wakes up. "

Sensing that she was deliberately rejecting him, Fang Shaoan frowned. He turned around to look at her and curled his lips coldly. "Now, you don't even dare to have a meal with me? "

"..."Zuo Xiaoran was speechless.

She had no choice but to go back and change her clothes. When they came out of the wedding dress shop one after the other, she realized that she had not even picked out a bridesmaid's dress. She had only been treated as a doll to try on someone else's wedding dress.

She secretly looked at Fang Shaoan, who was walking in front, and Zuo Xiaoran's heart ached again.

To him, was she someone who did not even need to pick out a bridesmaid's dress?

That was true. Right now, his heart should only be for his fiancée... ..

He just said he loved his fiancée.

And she... ..

I was in the middle of thinking when I got hit on the forehead.

“AIYO.” Zuo Xiaoran hurried to stop the pace, only to find that the front of Fang Shaoan did not know when to stop the pace, and she had been absent-minded unexpectedly also did not find, so the life of the bump up.

Fang Shaoan turned his head to look at her, still as confused as before, and almost laughed out loud, but he managed to hold back in time.

Only that flying eyebrow angle, revealed his mind.

“What do you want to eat? “

Zuo Xiaoran was slightly stunned. Did he suddenly turn around to ask her what she wanted to eat?

“whatever.” She rubbed her forehead and said.

“...”Fang Shaoan did not ask any more questions. He turned around and went straight into the car.

After he left, Zuo Xiaoran suddenly felt empty in the bottom of her heart.

If it was in the past, he would definitely pester her to ask what exactly she wanted to eat. He would only let her go if she told him the names of every dish.

But now... ..

He did not even ask a single word.

He got into the car dejectedly. Just like when they arrived, neither of them spoke. It was extremely quiet.

They went to a private restaurant, a very elegant private room.

The dishes that they ordered were all the dishes that Zuo Xiaoran liked in the past, but they were all excluded from the particularly spicy and exciting ones.

She was still breastfeeding, so she could not eat many of the heavy and spicy dishes.

She did not expect that all the dishes on the table had avoided those taboos.

After the dishes were all served, Fang Shaoan began to eat.

Zuo Xiaoran hesitated for a moment, but in the end, she could not wring her hungry stomach. She picked up her chopsticks and started eating.

After a few bites, she heard Fang Shaoan suddenly ask, “you moved to Sanjiang City? “

” ... ” after a slight surprise, Zuo Xiaoran nodded. “Yes. “

Since things had come to this, there was no need to hide it anymore.

“You opened a small shop with your parents? ” He asked again.

Chapter 2042: Fang Shaoan VS Zuo Xiaoran,

“Okay. “

Fang Shaoan glanced at her. “where is it? “

“...”this time, Zuo Xiaoran did not answer.

Seeing her hesitation, Fang Shaoan sneered. “I’m getting married. Don’t tell me I’m going to Pester you?
“

He did not know what method she used to hide all his information. No matter how hard he tried, he could not find it.

He could only ask her personally.

Zuo Xiaoran gritted her teeth and said, “it’s at Shengqing Street. “

As soon as she said that, the phone in her bag started to vibrate.

She took it out and saw that it was a call from Fei Dong. Without thinking, she picked it up.

“senior? “

The moment he heard these two words, Fang Shaoan’s hand, which was picking up the food, froze.

On the other end of the phone, Fei Dong had just gotten off work. When he saw that it was already late, he did not know where Zuo Xiaoran was, so he called to ask her out for dinner.

“En. Where are you? Shall I pick you up for dinner? “

“Uh, I’m here... ” Zuo Xiaoran looked around and frowned. When she entered, she did not pay attention to the name of the shop. She did not even know the road. nOvE.Ib.1n

After all, it had been more than a year since she came back, and many streets had changed.

After hesitating for a moment, the phone was snatched away.

Fang Shaoan took the phone and said, “she’s with me now. “

After a simple and rough sentence, he hung up the phone and turned it off.

The series of actions were smooth and smooth without any hesitation.

Zuo Xiaoran was dumbfounded and asked, “what are you doing? “

“You don’t know that you don’t eat, speak, sleep, and speak? ” Fang Shaoan looked at her with a cold and angry look.

” ... ” he retracted his gaze and mumbled softly, “give me back my phone. “

However, the latter directly put her phone into her pocket.

Zuo Xiaoran was so angry that she almost flipped the table over. “That’s mine! “

“Eat. ” Fang Shaoan seemed to be on a completely different channel from her, and he did not feel that his actions just now were overbearing or vile... ...

Zuo Xiaoran wanted to argue with him, but he picked up the wine bottle, poured himself a full glass, and drank it all in one gulp.

The wine... .. Was White, and the alcohol content was not low ...

If he drank like this, there might be a problem.

Zuo Xiaoran was silent for a moment, and Fang Shaoan had already drunk the second glass.

Without thinking, he grabbed his hand. "drink less. "

Fang Shaoan looked up at her and did not say anything. After breaking free from her hand, he drank the third glass.

The burning sensation was almost burning in his throat, and it quickly went to his head.

His eyes began to blur, and his body began to sway.

But he continued to pour the fourth glass.

This time, Zuo Xiaoran took the wine bottle from his hand and reprimanded, "I told you not to drink anymore! Do you want to drink to death? ! "

She looked like the Zuo Xiaoran from before... ..

The drunk Fang Shaoan suddenly grabbed her wrist and stared at her with his confused eyes.

"You... " Zuo Xiaoran wanted to break free, but she heard him ask her in an extremely sad and painful voice, "why did you leave? "

"..."

Seeing that she did not speak, he asked again, "tell me, why did you leave me? "

He could not ask this question when he was sober.

Only by pretending to be drunk would he dare to ask... ..

He was really afraid that her answer would cut off all possibilities between them.

Zuo Xiaoran was silent for a long time before she supported him. "You're drunk. "

"Zuo Xiaoran, in your heart, what am I... " He choked up as if he had suffered a great grievance.

Chapter 2043: Fang Shaoan VS Zuo Xiaoran 26

God knows what he had been through this year.

For a moment, he thought of her so much that he was going crazy, and for a moment, he hated her so much that he gritted his teeth.

“How could you have the heart to just leave like that... have you ever loved me? Xiaoran, tell me, am I just a piece of trash that you can throw away?” He suddenly turned around He grabbed her shoulders with both hands and pulled her over to face him. n.(0V**elb**n

His voice was full of accusations, filled with the most fragile sincerity.

This was the second time Zuo Xiaoran had seen such a fragile him.

The first time was when his parents had just passed away... ..

And now, he was crying like a child in front of her. His interrogations were directed at her soul.

She could not help but cry with him.

She kept shaking her head. “No, you’re not... Shao’an, don’t be like this, okay?”

How could he be trash.

He was the only man in her life... .. And he was Yuan Bao’s biological father. She loved him so much.. ..

“It’s my fault. I’m sorry...” other than that, she really didn’t know what else to say.

Since things had already come to this, what was the point of going back to the past?

Fang Shaoan’s eyes were red as he stared at the woman in front of him who had cried until her face was smeared. His heart was throbbing in pain.

He suddenly leaned over and hugged her tightly in his arms.

Silly woman.

It’s not your fault.

Why are you apologizing?

It’s me. I didn’t think more for you. That’s why I let you leave so helplessly.

This past year must have been very hard, right?

It must be... ..

Zuo Xiaoran’s consciousness was very clear. She should have pushed him away.

He was about to get married. They couldn’t be like this anymore.

But... ..

His embrace was so warm, so steady, so nostalgic... ..

She lost herself in this bewitchment. She let him hug her and sobbed softly.

If she hadn’t left alone, would everything not have come to this irreparable state?

The lost years, it turned out, could really make one’s heart break... ..

..

Fang Shaoan was so drunk that he was unconscious, and Zuo Xiaoran was the one who helped him down the stairs.

It was definitely impossible to drive, so Zuo Xiaoran could only help him to the back seat and lie down. She reached into his pocket to look for the car keys.

There was only her phone in her coat pocket, and she conveniently took it back.

Her left trouser pocket was her wallet. When she took it out, she accidentally dropped it and dropped it under the car. She flipped it over and revealed the photo inside.

The Moment Zuo Xiaoran saw the person in the photo, she was completely frozen.

It was actually... .. Her ??

He was about to get married, but there was still a photo of her in his wallet... ..

The silent pain began to spread through his limbs and bones again. Zuo Xiaoran's eyes turned red, and her vision became blurry.

"Xiaoran..." Fang Shaoan, who was lying on the seat, moved his body dishonestly and interrupted Zuo Xiaoran's thoughts.

She hurriedly came back to her senses and helped him to take out the car keys from the other trouser pocket.

After settling him down, she went around to the driver's seat and drove the car herself.

She knew where the Fang family was.

He was drunk. She should have at least sent him home... ..

However, Rao Cheng had indeed changed a lot. Many of the streets had changed. She still followed the navigation and did not get lost.

When she reached the Fang family's house, it was already dark.

The guard saw that it was Fang Shaoan's car and immediately let him pass.

After parking the car, Zuo Xiaoran got out of the car and called two maids over. "Your young master is drunk. Help him upstairs to rest."

Chapter 2044: Fang Shaoan VS Zuo Xiaoran 27

The servants looked at each other and felt that the young lady in front of them looked very familiar. However, they did not ask much and quickly helped Fang Shaoan out of the car.

Fang Shaoan, who was originally drunk like a dead man, suddenly woke up. He opened his eyes and looked at his surroundings. He staggered and fell in Zuo Xiaoran's direction. "Xiaoran, Xiaoran..."

He called her name repeatedly, full of reliance.

Zuo Xiaoran was afraid that he would fall again, so she instinctively went forward to help him up. “stand properly. We’re home!” *nOve(lb)*In

“#@...”he mumbled a few more words, but Zuo Xiaoran did not hear him clearly.

The two servants were also very observant. Seeing this, they said directly, “Miss, why don’t you help young master upstairs? Look at him...”

Zuo Xiaoran frowned and looked at the Fang family’s villa warily. She said Awkwardly, “why don’t we let his fianc??e take care of him? It’s not convenient for me...”

She still knew to avoid suspicion.

Moreover, she did not know if Fang Shaoan’s fianc??e was currently at the Fang family’s house. If she was there, how awkward would it be if they met?

The maid was stunned. “where did young master get a fianc??e? I’ve never seen her before...”

Fang Shaoan had just announced that he was going to get married today, so naturally, they would not know.

Not to mention them, in this entire world, other than himself, who else would know who his fianc??e was?

Zuo Xiaoran was rather surprised. Why didn’t even the members of the Fang family know that Fang Shaoan had a fianc??e?

Was He so good at keeping secrets?

This made her even more curious about that woman. What kind of identity did she have to keep such a secret?

In the stalemate, Fang Shaoan, who was completely drunk and unconscious, suddenly felt nauseous and began to retch.

Zuo Xiaoran saw that he was really suffering, so she could not care less and quickly helped him up the stairs.

There were many rooms on the second floor. She remembered that there were several bedrooms, and she wanted to open any one of them. Who knew that just as she walked over, the maid ran over and stopped her “Miss! Miss, this room can not be opened. Young Master said that no one else can enter except him... come with me to young master’s bedroom!”

“Oh...” Zuo Xiaoran nodded embarrassedly. Before she left, she took another look at the door.

It looked very ordinary and there was nothing special about it. Why was Fang Shaoan not allowing anyone to enter?

Could it be that there was some secret hidden inside?

As she was thinking, she was already taken to the master bedroom next door by the maid.

After Helping Fang Shaoan to lie on the bed, Zuo Xiaoran turned to look at the maid. "Go get some hot water for your young master. "

"I'll go right away... " the maid was quite fast.

After the maid left, Zuo Xiaoran turned around and went to the bathroom. She wanted to wring a towel for him and wipe his face.

However, when she came out again, she found that there was no one on the bed.

Where could she run to in such a short time?

Wasn't she drunk... ..

Zuo Xiaoran frowned and walked out. She called out suspiciously, "Fang Shaoan? "

No one answered.

However, when she walked out of the bedroom, she found that the door that the maid said could not be casually entered and exited in the corridor had been opened.

Bright Lights spilled out of the room, adding a sense of mystery.

At first, she did not think much of it, but the maid's words just now made Zuo Xiaoran more curious about the room.

Did Fang Shaoan Open the door and enter?

With such curiosity, she slowly walked over.

The first thing she saw was Fang Shaoan, who was sitting by the door with a huge photo frame in his arms.

Chapter 2045: Fang Shaoan VS Zuo Xiaoran 28

"Shaoan?" Zuo Xiaoran squatted down and patted his arm, trying to wake him up.

However, he didn't have any reaction. Instead, he tightened his arm and hugged the photo frame tightly.

His action caught Zuo Xiaoran's attention.

Looking at the corner of the photo frame, Zuo Xiaoran's eyes paused.

The person in the photo... Was actually herself ? ?

Not only that, when she stood up and looked around the room, she was completely holding her breath.

In the huge room, all of her photos were hanging.

Big and small, sitting or standing, far or near, laughing or playing, all kinds of things... ..

She almost forgot that Fang Shaoan was most proud of his photography skills.

It was not just the digital camera, he was also deeply infatuated with the film camera. He was familiar with color and black-and-white photos.

He once said that there were too many sceneries in the world and too many beautiful women. He did not have the ability to remember everything, so he liked the camera because photos could preserve these beautiful things forever.

However, later on, his son inherited his father's business. All his attention was placed on the security department, so he rarely picked up a camera to travel around the world.

Zuo Xiaoran had never known that he had taken so many photos of her... .. And he had printed them all and hung them at home ...

By the time she realized that her eyes were warm, her face was already wet with tears.

Fang Shaoan, who was curled up on the ground, seemed to have dreamt of something. He snorted and began to Mumble, "Xiaoran, don't go... "

It was just a simple word, but it easily broke the last line of defense in Zuo Xiaoran's heart.

The tears came even more fiercely.

She bit her lower lip hard, but there were still many sobbing sounds coming from her lips.

She slowly knelt beside Fang Shaoan. After hesitating for a long time, she reached out her hand to take away the photo frame that he was desperately hugging in his arms.

However, just a little bit of strength was enough to immediately disturb the drunk and unconscious Fang Shaoan. He hugged the thing in his arms even harder. He was so nervous, so strong. It was as if that was the most important and precious thing in his life, and no one could take it away from him.

Because of his small actions, Zuo Xiaoran once again burst into tears... ..

Until a trembling inquiry came from behind, "is... is it Miss Zuo? "

Zuo Xiaoran was slightly stunned, and even forgot to wipe her tears. She turned her head to look behind her.

So it was the Fang family's housekeeper... ..

When he heard the servant downstairs say that the young master had returned, he hurriedly ran upstairs to take a look. He did not expect to see Zuo Xiaoran.

"I... " Zuo Xiaoran opened her mouth Before she could say anything, the housekeeper hurriedly said, "You're finally back. You don't know that young master is... ". ... Sigh, I still remember that night when young master prepared a room full of roses and balloons to propose to you, but who knew that you actually left "... After that, for a long time, young master got drunk every night and lost a lot of weight "... now it's great that you're finally back!"

The housekeeper's words were like a heavy blow to the back of Zuo Xiaoran's head.

She asked in a trembling voice, "what... What did you say? What proposal? "

“You... you didn’t know?” The housekeeper was also stunned. Then, she came back to her senses. Thinking about it, it made sense. Young Master had said that he wanted to give Miss Zuo a surprise, so he definitely didn’t tell her. Thus, she sighed “Young Master said that he wanted to give you a stable home. He wanted to make this empty Fang family lively, so he carefully prepared everything. He wanted to give you a surprise...”

Zuo Xiaoran,“...”

Chapter 2046: Fang Shaoan VS Zuo Xiaoran 29

She looked down at Fang Shaoan who was lying on the ground again. bean-sized tears fell on the floor like pearls with broken strings.

What on earth... ... Did she miss someone who loved her so much ...

It turned out that he was already prepared to marry her at that time.

It turned out that at that time, he didn’t put all his attention on his work.

It turned out that at that time, he also thought about their future.

But she left.

She cut off all contact between them.

She even went to find a top hacker and erased her family’s information on the main server of the security department, so that Fang Shaoan could not find her no matter what.

In her tears, her lips suddenly disappeared into a smile.

“Shaoan, in the end, we are not fated to be together. “

By chance, step by step, they brushed past each other, never going back to the past... ...

Perhaps, this was fate.

What Zuo Xiaoran did not know was that when she finished saying this, a line of clear tears quietly slid down from the corner of Fang Shaoan’s tightly shut eyes.

“...”

When she returned to the Yan family, it was already late at night.

Yuan Bao fell into a deep sleep without any worries, but Zuo Xiaoran could not fall asleep no matter what.

She hugged her knees and leaned against the headboard of the bed. She stared blankly at the dark night sky outside the window until dawn.

She had breakfast with Yan Jun and his wife. n)-OveLb1n

Zuo Xiaoran maintained her smile and vitality throughout the whole process. She did not want her sadness to infect them.

She told them many interesting stories from her time in Sanjiang City. There were also many rumors about the Quan family, such as Quan Che had grown a lot taller and Bai ran had given birth to a pair of twins.

The Quan family was one of the top celebrities in Sanjiang City. The gossip about their family was much more popular than that of popular celebrities.

Xia Jinqi also found it funny after listening to it. "The more I think about it, the more I can't get anything! Ah Ran told me before that her family, President Quan, misses his daughter so much that he's going crazy! In the end, they have two more sons! "

"YOU'RE THE BEST! Having a child once means having both children! " Zuo Xiaoran looked at Xia Jinqi enviously and asked, "how are you guys? Don't you plan to continue giving birth? "

Xia Jinqi almost choked on her milk. She subconsciously glanced at Yan Jun who was elegantly eating breakfast beside her. Seeing that he didn't have any special reaction, she finally calmed down.

She unceremoniously stretched out her hand to Pinch Zuo Xiaoran's open mouth. Only then did Xia Jinqi Hurrumph. "Didn't you say that we have both children? What's there to give birth to? If you want to give birth, go give birth yourself! "

"I... .. I'd better forget about it. When I gave birth to Yuan Bao, I gave birth naturally. It was so painful for me .. My parents said that they heard that I howled in the delivery room for more than three hours I don't even know where I got the strength from... .. Sob SOB SOB, Xiao Qi, only now do I know how hard it was for you to give birth to two children!"Zuo Xiaoran took the opportunity to hug Xia Jinqi's arm and shake it She said with a heartache.

"It hasn't been easy for you this past year. " Xia Jinqi patted her hand and sighed.

Just as she was about to talk about her and Fang Shaoan, the maid walked over with her phone. "Young Madam, it's a call for you. "

"Okay. " Xia Jinqi took the phone and gave Zuo Xiaoran a look. Then, she stood up and went to the side to listen to the call.

Recently, there had been a lot of things happening at Lego.

Zuo Xiaoran watched Xia Jinqi leave. Since she had no one to talk to, she could only bury herself in tearing bread.

However, after a few seconds of silence, Yan Jun's clear voice came from the front. It was neither too warm nor too hot, as if it was a casual conversation. "Did you know that Shao'an is getting married? "

Chapter 2047: Fang Shaoan VS Zuo Xiaoran 30

" ... " Zuo Xiaoran suddenly realized that the originally fragrant French bread in her mouth was just like chewing wax. "Yes, I know. "

Not only did she know, but she was also invited to be a bridesmaid.

Even now, she still did not know why she would agree to such an inexplicable invitation?

Yan Jun looked up at her, picked up a tissue and slowly wiped his thin lips. He said, "he took a leave of absence these few days. He said that he has something important to deal with in Sanjiang City. "

He roughly knew what Fang Shaoan had been doing in private these few days.

However, seeing Zuo Xiaoran like this, it seemed like she still didn't know anything.

Since she was Xia Jinqi's best friend, there was no harm in reminding her a little more.

However, Zuo Xiaoran was just so tactless. She completely didn't understand the deep meaning behind Yan Jun's words. She only smiled bitterly and said, "we're about to get married, yet you're still so busy... "

Yan Jun, "..."

Xia Jinqi, who had just finished the phone call, returned. Yan Jun stood up to bid her farewell and went to the City Hall.

After sending Yan Jun off, Xia Jinqi sat down again. Only then did she realize that Zuo Xiaoran's expression had suddenly turned extremely ugly.

"What's wrong? What did he say to you? " Everything was fine just now. She went to answer a call and came back like this. Yan Jun must have said something... ..

Zuo Xiaoran sighed and put down the bread again. "He said that Fang Shaoan took a leave of absence to Sanjiang City. "

Hearing this, Xia Jinqi thought for a moment and nodded. "Shaoan said that he seemed to have something to deal with. But... Xiaoran, are you really just going to watch him get married? "

Xia Jinqi had wanted to ask this question for a long time, but she had never found an opportunity!

Now that Fang Shaoan's wedding date was getting closer and closer, she had no choice but to ask.

"What else can we do? It's already impossible for us. " Zuo Xiaoran smiled bitterly.

"What about Yuan Bao? Why didn't you tell Shao'an that Yuan Bao is his child? At least he has the right to know... "

"Yuan Bao... " Zuo Xiaoran murmured, as if a huge stone was pressing on her heart. "since he has already misunderstood, then he can continue to misunderstand. "

He was about to get married. If she told him about Yuan Bao's existence at this time, wouldn't it be obvious that she wanted to disrupt this wedding?

Moreover, even if she knew, what could she do?

He was going to marry another woman... ..

Xia Jinqi looked at Zuo Xiaoran who was so stubborn. She really hated the fact that she had failed to live up to her expectations. "Xiaoran, if you really don't fight for it, if you miss it again this time, it will be something that will last for a lifetime. "

Zuo Xiaoran, who had originally decided to throw caution to the wind, was suddenly stunned by the sentence, "if you miss it again this time, it will last for a lifetime. "

A lifetime... ..

If I miss this opportunity, will it be a lifetime?

"Or are you and Fei Dong..." Xia Jinqi suddenly recalled how Fei Dong had protected Zuo Xiaoran that day. Even she could tell that Fei Dong was probably interested in Zuo Xiaoran in that way.

Otherwise, even a senior would not treat a woman so well for no reason.

However, Zuo Xiaoran shook her head and smiled. "How is that possible? We're just ordinary friends. It's not like you don't know that! "

"..."Xia Jinqi sighed.

Yan Jun was right when he said, 'those who are in the middle of the situation are confused, but those who are watching from the sidelines are clear-sighted. '

Many things were like this. As a person in the middle of the situation, it was always easy to be blinded.

This topic eventually came to an end.

However, in the afternoon, Zuo Xiaoran made a call to her home. The person who answered the call was Yu Xiuqin.

Chapter 2048: Fang Shaoan VS Zuo Xiaoran 31

"Xiaoran, is something the matter? "

"No, I just wanted to let you and dad know that I'm doing quite well here. Don't worry, I'm currently staying at Xiao Qi's house with Yuan Bao. I might not be back for a few days," Zuo Xiaoran said She pinched Yuan Bao's little face as he was napping.

"Oh, okay, okay..." Yu Xiuqin muttered.

Zuo Xiaoran could tell that her tone was not right. She immediately frowned and asked, "mom, what's wrong? Is Everything okay? "

"No... "

"Where's My dad? Why didn't I hear him? " Zuo Xiaoran asked again.

Yu Xiuqin stammered for a long time before she said, "Aiya, the shop is very busy. There are a lot of customers. Your DAD is busy cooking! I have to go help. I'M HANGING UP! "

After saying that, she hung up the phone without waiting for Zuo Xiaoran to say anything.

Zuo Xiaoran looked at the time in puzzlement. It was already past two o'clock in the afternoon, but the shop was still so busy?

Sigh... .. It seemed that when she went back, she had to consider whether she should hire two more people to help her ...

She didn't suspect anything at all and slept with Yuan Bao for a while until she received a call from Fei Dong at around five o'clock.

"senior? What's the matter?" Zuo Xiaoran sat up halfway and rubbed her eyes. Her voice was muffled as well.

Fei Dong could tell that she had just woken up. "Did you take a nap?"

"Yeah... I think I slept for too long." He pinched his temples at the same time and felt that his head was dizzy from sleep ...

"Why don't you come out for dinner tonight? Bring Yuan Bao with you. I'll take you out for a walk." Fei Dong smiled and invited her. He was afraid that she would refuse, so he added, "I happen to know a new barbecue shop. Don't you like barbecue?"

"this... Yuan Bao is quite noisy..." Zuo Xiaoran hesitated. Thinking back to what Xia Jinqi had said in the morning, she suddenly felt that she should avoid suspicion ...

However, Fei Dong was very insistent. "It's fine. I can help you take care of him. It's still early. Why don't you pack up and I'll pick you up in an hour?"

"But I've already agreed to have dinner with Xiao Qi. Why don't we forget about it tonight?" Zuo Xiaoran still rejected him.

Fei Dong paused for a moment, and his tone became a little heavy. "Xiaoran, I have something very important to tell you."

"... What is it?"

"Let's talk when we meet." Fei Dong was afraid that she would reject him again, so he directly hung up the phone. n-(o.)v--e-/1/)B-/1-.n

Last night, when he asked Xiao ran out, the person who answered the phone was Fang Shaoan.

This made him very uneasy. No matter what, he had to see her tonight, and... .. Confess to her !!

No matter what the outcome was, he had to be brave at least once!

Zuo Xiaoran stared at the phone in a daze for a few seconds, until Yuan Bao next to her was sobbing. Only then did she come back to her senses and hurriedly carried him up.

"Our Jin Yuan Bao is awake. Come to mommy to hug him..."

"Wah!" Yuan Bao let out two symbolic cries. He smacked his lips and lay in Zuo Xiaoran's arms with red eyes. He was still in a daze and had yet to wake up completely.

“ ... ”

At night, Zuo Xiaoran still went out.

On the phone, Fei Dong's tone sounded so solemn as if something really happened.

And an hour later, he really came to pick her up.

She was supposed to bring Yuan Bao along, but the temperature seemed to have dropped a little at night. Xia Jinqi tried her best to keep Yuan Bao, so Zuo Xiaoran had to go to the appointment alone.

In fact, she didn't know that Xia Jinqi was afraid that she wouldn't be able to explain to Fang Shaoan if she didn't come home at night... ...

Leaving Yuan Bao behind would at least make her worry more.

When she got into the car, Zuo Xiaoran realized that Fei Dong was wearing a formal suit tonight.

Chapter 2049: Fang Shaoan VS Zuo Xiaoran 32

The white shirt made him look much more handsome, and the outline of his jaw was even more obvious!

And... ... It seemed like he had even intentionally styled his hair, making him look much more energetic ...

In short, tonight's Fei Dong seemed to be a little different from before.

Zuo Xiaoran subconsciously smiled and asked, “senior, is there any good news today? Seeing you make it so grand? “

“You'll know in a while.” Fei Dong smiled at her, looking very mysterious.

As expected, they went to a barbeque shop, and it looked very high-end.

Originally, there was a special person responsible for barbequing food at each table, but Fei Dong said that he would do it himself.

“senior, you know how to barbeque?” Zuo Xiaoran stared at the few pieces of snow beef on the barbeque website, and then looked at Fei Dong's skillful movements. She couldn't help but feel a little curious.

“I studied for a period of time.” Fei Dong's answer was very concise. In fact, it was because he knew that she liked barbeque that he took the time to learn.

Thinking carefully, it was not just barbeque.

Many of the things that he did back then were all because of her... ...

When she was in university, she became obsessed with photography. He crazily studied photography knowledge online and bought a lot of equipment.

Later, when she started playing games, he also secretly taught her how to eat chicken.

When she got tired of playing games, she became interested in software programming, and he began to learn programming again.

Later, when she played stocks and invested in real estate, he also did not miss a single thing to study and delve into it.

There were some things that she was passionate about for three minutes, but he paid full attention to them.

Now that he had a little understanding of all these fields, he felt at ease doing everything.

Even his company now focused on game development and software programming.

The rapid development of the Internet over the years had also created many opportunities for him.

When he earned his first bucket of money, he began to manage his finances again. He bought and sold stocks, bought and sold real estate, and the number of bank deposits was like a snowball rolling bigger and bigger.

To put it bluntly, his current situation was created by Zuo Xiaoran.

In other words, it was created by his love for Zuo Xiaoran.

Of course, in the end, Zuo Xiaoran was the most important reason.

If it weren't for her, he wouldn't have made up his mind to lose weight, and he wouldn't have the current him... ..

It was really important to meet the right person in one's life.

No matter if that person was a lover or a friend, as long as they could change you and make you better, then that person was worthy of gratitude. n-(o.)v--e-/1/)B-/1-.n

Recalling the past, Fei Dong had already cooked a plate of beef and placed it in front of Zuo Xiaoran, inviting her to taste it. "Try it. "

"Then I WON'T STAND ON CEREMONY!" Zuo Xiaoran had been waiting for a long time. Now that she saw the roast meat in front of her, how could she endure it? She immediately began to feast on it.

She didn't have much hope at first, but who knew that the meat would be so fragrant, smooth, and tender. The roast was just right. It was simply perfect!

"Wow, senior, your roast is too delicious, right? !" Zuo Xiaoran was so touched that she was about to cry... ..

Fei Dong saw that she was eating so contentedly, and he was also very satisfied. He continued to roast the beef tongue.

As he ate the meat, the topic was opened up.

"Xiaoran, were you with Fang Shaoan last night? " Fei Dong asked nonchalantly.

Zuo Xiaoran froze for a moment as she chewed on the meat, then nodded. "Yes, he's getting married. He invited me to be his maid of honor. "

Fei Dong was a little dumbfounded. "You agreed? "

"En..." Zuo Xiaoran continued to nod, then she smiled bitterly and mocked herself. "Very stupid, right? He actually went to his ex-boyfriend's wedding to be his maid of honor... I'm really the dumbest woman of this century! "

Chapter 2050: Fang Shaoan VS Zuo Xiaoran 33

"..."Fei Dong looked at the bitterness in her eyes and felt very upset.

She was sad and sad, which meant that she still cared about Fang Shaoan.

After a moment of silence, Fei Dong withdrew his gaze and continued to flip the cow's tongue on the grill. "He's getting married, so you... haven't thought about your future? "

"Me? It's good that I have Yuan Bao!" Zuo Xiaoran was smiling the whole time. It was unknown if it was intentional or if she really thought about the stupid things she had done and felt that she didn't know what else to do except smile.

"I mean, don't you plan to find another father for Yuan Bao?" Fei Dong asked again.

When it came to her father, Zuo Xiaoran waved her hands repeatedly. "Forget it. I haven't heard much about the story of my stepfather when I was young, but I still know about Snow White's story! Stepmother and stepfather are the same type of creature. I don't want Yuan Bao to be bullied. "

Fei Dong's face turned a little green as he was choked by these words.

However, Zuo Xiaoran didn't notice it at all. Instead, she asked him in a particularly mysterious whisper, "senior, to be honest, you men... are you unable to accept that your woman has given birth to someone else's child? "

Actually, Zuo Xiaoran wanted to ask him if all men liked innocent young girls. **no17ε)ℓb/1n**

However, because this question was more... .. Well, she had to be more tactful ...

When Fei Dong heard this, he turned his eyes to look at her deeply. His answer was especially firm and solemn. "I don't know if other people are, but I won't mind. If I love her, I will love everything about her, including her child. "

"Wow..." when Zuo Xiaoran looked at Fei Dong, her eyes were full of stars. "senior, aren't you too handsome? Tsk Tsk, I really don't know which girl is so lucky to be the right woman for you! "

While they were talking, the ox tongue was already roasted.

After Fei Dong put the OX tongue on a plate, he also untied the apron around his waist and sat opposite Zuo Xiaoran.

"Do you want to know who this person is?" He suddenly kept her in suspense.

Zuo Xiaoran's interest was piqued. "I do! Could it be a former senior? I've never heard you mention it before!"

Gossip was one of the great genes of mankind... ..

"Yes, he's from the same school as me." Fei Dong continued to nod and took a deep breath, preparing to say the words that he had been hiding in his heart all these years.

Zuo Xiaoran was still racking her brains, "from the same school? Then they are also schoolmates of mine? Who exactly are they?"

"Xiaoran." Fei Dong suddenly interrupted her words. His pair of black eyes were filled with deep affection as he stared at her "before I met you, I was actually a very lonely person. I didn't even have any friends by my side. I grew up laughing at them. Fei Dong, Fei Dong, they also called Me Fei Dong, Fei Dong." As he said this.. Fei Dong smiled bitterly.

Zuo Xiaoran frowned slightly and felt sorry for him. "Ignore those idiots. So what if you're fat? YOU DIDN'T EAT THEIR RICE! Besides, senior, you're so handsome now that you've lost weight! You're not as serious as they are!"

After hearing this, Fei Dong couldn't help but laugh.

Just like before, she always made him happy.

"Only you are willing to call me senior and introduce me to your friends..." Fei Dong sighed slowly The beam of light above his head shone down and actually reflected the sparkling light spots at the bottom of his eyes. "You've really given me a lot of courage. Without you, I wouldn't be where I am today."

Zuo Xiaoran suddenly quieted down.
