

Trick Me 2051

Chapter 2051, Fang Shaoan VS Zuo Xiaoran 34

She suddenly felt that Fei Dong's gaze had become fiery... ..

A thought suddenly flashed through her mind... ..

Could it be that Fei Dong really... ..

The moment she realized this, she snatched the initiative of the conversation and said anxiously, "so, senior, we have to be good friends for life! "

"..."

Fei Dong's words were interrupted, and he was instantly petrified on the spot. His gaze also became somewhat empty.

It wasn't that he didn't understand the meaning behind Zuo Xiaoran's words.

Did she want to tell him that they could only be good friends?

Other than friends, there couldn't be... .. Anything else between them ...

One sentence, and he was sentenced to death.

Fei Dong's hands, which were hanging under the table, slowly clenched.

Since he had already said this, then, was there still a need for him to confess?

Those words that had been hidden deep in his heart for so many years, in the end, he still didn't have the chance to say them... ..

Zuo Xiaoran looked at his dejected look, and she felt very guilty in her heart. She didn't dare to look at him at all, so she could only lower her eyes.. "senior, you don't know how outstanding you are.

"Actually, I've always admired you for being able to focus on one thing and not be disturbed. You're so single-minded. "I can't do it. My parents say that I'm hot-headed and like everything, but I'm not good at anything... "Now that I think about it, I just can't calm down "So every time I see you, I feel so envious. "

Perhaps, this was one of her strengths.

One should look at his strengths before looking at his weaknesses.

Fei Dong's gaze never left Zuo Xiaoran's body.

His eyes were red and red, but he forced himself not to cry in front of her.

"Is it... because of Fang Shaoan? " He avoided the past and directly asked her the main point ...

He understood what she meant, but... .. At least let him know where she would end up for the rest of her life ...

"..."Zuo Xiaoran did not answer at first, she remained silent.

Xiao Qi had asked her this question this morning, but she laughed and diverted it away.

It could be considered an escape... .. She had always been like this. Timid and lacking courage, she had chosen to retreat in many things ...

But this time, she did not want to escape anymore.

There were some things that should be faced in the end.

After taking a deep breath, Zuo Xiaoran raised her eyes and looked straight into Fei Dong's eyes.

"Yes. " She was finally willing to admit it, bravely admitting, "I think that in my life, I will never fall in love with anyone other than him. For the rest of my life, I think that I will eventually live in longing and endless admiration for him. "

She would never know that when she said these words, her eyes were filled with longing and yearning.

That kind of pursuit and admiration for beautiful things deeply stung Fei Dong's heart.

He did not expect that even though they had been separated for a year, even though Fang Shaoan had said such harsh words to her that day at the Yan family, she still loved Fang Shaoan deeply.

And such love, he knew that he would never be able to reach it.

"then... what if he gets married? The two of you will never be together in this lifetime. " Fei Dong gritted his teeth tightly. He did not know if his voice was trembling or even choking up ...

"I will bless him. " Zuo Xiaoran smiled again. "loving someone does not mean that you have to fall in love with him, get married, and have children. As long as he is living well, I will be fine. "

Fei Dong's heart was once again deeply touched by such a sentence.

Chapter 2052, Fang Shaoan VS Zuo Xiaoran 35

So, love can be like this... ..

To love someone, but not have her, or even not tell her, and just look at her silently and guard her, is that already blissful?

Seeing that Fei Dong was in a daze for a long time, Zuo Xiaoran said again, "senior, one day, you will also find the one you love. Good Luck! "

After saying that, she stood up, "I have to go back. Yuan Bao hasn't seen me for a long time and I will cry. Thank you for the roast meat, it's really delicious! "

Then, she turned around and left resolutely.

For someone who liked her but she couldn't show him anything, a complete and merciless rejection was the most basic etiquette.

"..."

Fei Dong wanted to say send her back, but unfortunately, she had already left before he could say anything.

He sat there alone, accompanying loneliness.

He couldn't help but laugh at himself.

Wasn't he too miserable tonight?

He hadn't even said his confession before he was rejected... ..

But even so, he still looked at Zuo Xiaoran just sat place smile up.

Thank you, ran. *nøve.Lb*-In

Thank you for reaching out to me when I was at my most lonely and helpless.

Thank you for keeping that last shred of dignity for me.

And since it's your choice, I respect that.

This is not yet to say the urgent export of love, I will-forever treasure.

—

Wednesday.

It's a beautiful, sunny day.

Fang early in the morning sent bridesmaid clothes, and also arranged a transfer car to pick up Zuo Xiaoran.

Xia Jinqi also got up early in the morning and helped Zuo Xiaoran with everything. She helped Zuo Xiaoran change into the bridesmaid's dress, put on her makeup, and dressed her up.

"If only today was your wedding..." Xia Jinqi looked at the beautiful bridesmaid in the mirror and couldn't help but sigh.

"My wedding doesn't have to be so tacky!" Zuo Xiaoran pouted. In fact, she knew that she would probably never get married again in this lifetime.

Speaking of this, Zuo Xiaoran couldn't help but think of Wen Jing again. She sighed and said, "Wen Jing isn't married either. Among the three of us, you're the first to get married. "

"But Wen Jing has a boyfriend. She just doesn't like the bondage of marriage. She's not like you, WHO's so stubborn!" Xia Jinqi pointed at her forehead and said with a smile.

"How am I stubborn? I'm called faithful. I'm a virtuous woman, okay? If it were in the past, someone like me would have built a big archway for me, okay!" Zuo Xiaoran also thought it was funny. As she spoke, she began to joke.

She didn't want Xia Jinqi to see the sadness in the depths of her heart, so she could only liven up the atmosphere.

Now that things had come to this, she could do nothing but smile.

“Okay, chastity martyr, let’s go out! Don’t make the people outside wait so anxiously!” Xia Jinqi didn’t expose her and pulled her out of the door.

These words made Zuo Xiaoran curious. She wondered, “what’s the hurry! Didn’t we agree on a private car to pick you up? You can’t wait even one more minute? This Fang Shaoan...” how did he do things.

Before she could finish her sentence, she was stuck in her throat.

When Zuo Xiaoran followed Xia Jinqi downstairs, she saw Fang Shaoan and Yan Jun talking in the living room.

She was stunned. She turned to ask Xia Jinqi, “why is he here?”

“Of course he’s here to pick you up!” Xia Jinqi didn’t explain further. She looked at Yan Jun and Fang Shaoan. “Come and see the most beautiful person today!”

Chapter 2053, Fang Shaoan VS Zuo Xiaoran 36

“Xiao Qi, the most beautiful person should be the bride!” Zuo Xiaoran lowered her voice and tugged at Xia Jinqi’s clothes, but unfortunately, she did not get any response.

Because in the next second, Fang Shaoan had already turned his head to look at her.

His gaze... .. was burning hot. When it landed on her body, it almost burned her whole body ...

She lowered her head in embarrassment, tugged at her skirt, and touched her hair.

As for Fang Shaoan... ..

From the moment he saw her, he was dumbfounded. His dark eyes were filled with surprise and joy.

“It’s been four days. How have you been?” He suddenly opened his mouth and asked.

“... ..” Zuo Xiaoran froze. Instead of answering, she asked, “you... why are you here? Aren’t you going to pick up the bride?”

Hearing this, Fang Shaoan’s eyes glazed over. He casually replied, “I’ll pick you up first.”

Zuo Xiaoran was stunned. She subconsciously looked up at him.

It had been four days since they last saw each other. He seemed... .. Lost a little weight ...

She did not know what he had been doing for the past four days. He was about to get married, but he still did not know how to take care of her?

She really wanted to scold him a little, but when she remembered that today was his big day, Zuo Xiaoran resisted the urge.

As observers, Xia Jinqi and Yan Jun looked at each other. There was an unconcealable smile in their eyes.

“Alright, it’s getting late. Let’s hurry up and set off!”

Xia Jinqi looked at the time and urged them to set off.

Only then did Fang Shaoan remember. He hurriedly said, "right, right. Let's go quickly. We don't want to miss the time. "

After saying that, he pulled Zuo Xiaoran out of the door.

Zuo Xiaoran had yet to come back to her senses when she saw him holding her wrist tightly. He did not seem to have any intention of avoiding suspicion at all... ..

However, this was not good after all. She struggled to break free. "I can walk by myself. "

Fang Shaoan did not expect her to suddenly break free. He was stunned for a moment before he smiled and followed her. He opened the car door for her on his own initiative. "Get in. "

Zuo Xiaoran glanced at him and then looked at the extended rolls-royce. No matter how she looked at it, it looked like a wedding car. "This is the car that is supposed to pick up the bride, right? It's not good for me to sit in IT, right? "

"Why are you so fussy? Get in the car!" Fang Shaoan immediately stuffed her into the car.

"Hey!" Zuo Xiaoran still wanted to struggle, but Fang Shaoan had already walked around the front of the car and got in from the other side.

"Don't move!" He helped her pull up her skirt and then looked up at the driver in the front row. "drive. "

After the car started, the atmosphere in the car immediately quieted down.

Zuo Xiaoran then saw clearly that he was wearing a snow-white suit with a bow tie. He looked very formal. n--@-(v-/e-/l)(b)(l./n

Thinking about how he was really going to get married today, a strong sense of sadness filled her heart.

After today, they would probably not see each other again, right?

"where... have you been these four days?" She still wanted to find something to talk about, or there would be no chance in the future ...

Hearing this, Fang Shaoan looked back at her with a deep gaze. "To make up for the past mistakes. "

" ? " Zuo Xiaoran was confused. She did not know what he meant at all. "speak English! "

However, Fang Shaoan suddenly smiled. His narrowed eyes seemed to have stars twinkling in them.

Zuo Xiaoran, "... "was this person dumb?

Just as she was about to roll her eyes, the person beside her suddenly spoke again.

"Xiaoran, I'm really happy today. "

Her heart felt like it had been stabbed by something.

Zuo Xiaoran endured the pain and said with a smile, "right? Congratulations... "

Chapter 2054, Fang Shaoan VS Zuo Xiaoran 37

Fang Shaoan did not say anything else until the car stopped at the wedding venue.

“Get out of the car,” he only said one sentence before he got out of the car first.

Zuo Xiaoran looked around and saw that it was an open-air wedding venue. The lawn was already filled with guest seats and red carpet balloons. It was very formal and grand.

However, there were not many people here. They should have come to prepare first.

Just as she was thinking, Fang Shaoan, who was walking in front, called out to her, “are you still standing there? HURRY UP AND FOLLOW ME!”

“...”Zuo Xiaoran came back to her senses and quickly walked over.

There was a special resting place beside the lawn, and there was also a resting room for the bride and groom.

Fang Shaoan directly brought her there. “Go in and rest. When the wedding starts, you won’t have time to rest.”

Although he had never been married before, he had attended many weddings. Fang Shaoan still had some common sense.

Zuo Xiaoran walked in suspiciously. Seeing that there was quite a lot of space inside, she nodded. “Okay. Hurry up and pick up the bride. Don’t make her wait too long...”

Hearing this, Fang Shaoan glanced at her indifferently. Just as he was about to say something, a waiter came in with a plate and whispered, “sir, this is the black pepper beef spaghetti you ordered.”

“Okay.” Fang Shaoan nodded and then looked at Zuo Xiaoran. “Give it to her.”

“Okay.” When the waiter brought the plate over, Fang Shaoan explained, “eat something to fill your stomach first.”

Just as he finished speaking, Zuo Xiaoran cried out in surprise, “AH!”

Then, the waiter kept apologizing, “sorry, sorry, my hand slipped. Sorry, sorry...”

Zuo Xiaoran looked down at her bridesmaid’s dress, which was already full of black pepper spaghetti.

When the waiter walked past her just now, for some reason, the plate tilted and fell on the hem of her dress... ..

Today was such an important occasion, and she didn’t have a backup dress. What would she do if it got dirty?

Seeing that the waiter kept apologizing, Zuo Xiaoran couldn’t bear to scold him, so she could only say, “it’s okay... where’s the bathroom? I’ll go wash up...”

“Can you still wash it clean? Take it off,” Fang Shaoan said faintly.

“But... I don't have a spare.” Zuo Xiaoran was in a difficult position. If she had known earlier, she would have prepared another set ...

Fang Shaoan saw her annoyed look and pointed to the changing room at the side. “There's something prepared inside. Go Change.”

“... prepared? Zuoxiaorann was slightly stunned. Shee thought to herself that the service here was so good that even the bridesmaid's dress had a backup ? ?

While she was still thinking, Fang Shaoan was already urging her. “Hurry Up, don't dawdle. If you delay, are you responsible for it? “

“Okay.” Then, he carried the stained skirt and walked into the fitting room.

Worried that it would be inconvenient for her to be alone, Fang Shaoan called another waitress to help.

After she left, Fang Shaoan looked at the waitress who knocked over the plate and lowered his voice, “well done! “

The waitress also smiled, “sir, then I'll go out first? “

“Yes, go ahead.” Fang Shaoan nodded in satisfaction.

That scene just now could be said to be smooth and natural!

This silly girl, Zuo Xiaoran, seemed to have really not noticed at all.

“...”

In the fitting room.

Zuo Xiaoran really found a brand-new gown on the chair.

She did not look carefully and directly changed into it.

After all... ... No matter what style this dress was, it was at least much better than the one she had dirtied ? ?

Chapter 2055, Fang Shaoan VS Zuo Xiaoran 38

At least she could go out and meet people... ...

But when she finished changing, she realized that this dress looked familiar.

It seemed... ... A little similar to the wedding dress she tried on the other day ? ?

It was very similar, but it wasn't exactly the same.

This, could it be for the bride?

With a perturbed mood, Zuo Xiaoran walked out of the fitting room. As she walked, she asked awkwardly, “did I send the wrong dress? This looks like a wedding dress... “

Outside the door, Fang Shaoan was waiting for her.

When he saw her come out, the gentleness in his eyes could not be hidden.

“You didn’t get the wrong dress,” he said softly and slowly walked to her.

“But... ” Zuo Xiaoran still felt strange. Bridesmaids’ dresses were so grand these days? “Why don’t I change into another one? This one is too gorgeous...” if she stole the bride’s limelight, it would not be good.

However, just as she was in a dilemma, the man standing in front of her suddenly knelt down.

Zuo Xiaoran said, “... You, what are you doing?”

Compared to her panic and shock, Fang Shaoan smiled. He was extremely happy and happy.

He pulled out a bouquet of flowers from behind him as if he was performing a magic trick. Only later did Zuo Xiaoran realize that it was actually a bouquet of flowers... ..

He looked at her with the gentlest gaze and enunciated each word, “Zuo Xiaoran, will you marry me? “

“...”

At that moment, Zuo Xiaoran racked her brains, but she could not find any words to describe one-thousandth of her feelings at that moment.

She was clearly only here to be a bridesmaid, and when they met before, his attitude was still so bad... ..

How could it be? It had only been four days, and he actually proposed to her at his wedding?

In an instant, shock, surprise, joy, and excitement filled her mind.

“You... are you crazy?” She still could not believe what she had seen and heard ...

Seeing that she did not believe him, Fang Shaoan said again, “I love you. Marry me, okay? “

This time, Zuo Xiaoran could no longer doubt that she was hearing things.

He said it so solemnly and seriously... ..

“What on Earth Are you doing?” She asked him with tears in her eyes. It was as if she was in the clouds. Her legs were soft and she could barely stand.

“As you can see, this grand wedding was prepared for you. “there is no fianc??e, and I will not marry anyone else. “Zuo Xiaoran, in this life, I, Fang Shaoan, only want you. So, marry me, okay?” He gazed at her affectionately It was as if if she did not agree, he would continue to kneel like this.

“...”Zuo Xiaoran could not say a word.

Her mind was in a mess. n/-0ve**Lb**ln

He just said that he did not have a fianc??e... .. This wedding was prepared for her ??

So... Making her the bridesmaid and dirtying the dress was all arranged by him on purpose ??

In the midst of shock, Zuo Xiaoran's parents' voices suddenly came from outside the door.

"Xiaoran, say yes. "

"Yes, Xiaoran, say yes. "

Zuo Xiaoran looked up in shock. She actually saw her parents, who were supposed to be far away in Sanjiang City, appear in front of her at this moment.

"Dad, mom... " she looked at them in a daze, completely dumbfounded. "You... why are you here? "

Zuo Zhiwei wiped the tears from the corner of his eyes and walked towards Zuo Xiaoran, sobbing as he opened his mouth "Xiaoran, in the past... it was dad and mom's fault. They shouldn't have separated you two alive. Shao'an came to us two days ago. We also know that he is sincerely treating you well. We don't object anymore. "

Chapter 2056, Fang Shaoan VS Zuo Xiaoran 39

Yu Xiuqin added, "yeah, your father and I won't stop you anymore. If you like Shaoan, just go back to his side and give Yuan Bao a complete home. "

The two elders finally came to terms with it.

What matching families? It was just a worldly perspective.

At this point, what could be unacceptable?

They knew about Xiaoran's situation over the past year... ..

In addition, Fang Shaoan went to their door and knelt for an entire day and night. He swore with his life that he would treat Xiaoran and Yuan Bao well for the rest of his life.

That was enough. They did not ask for anything else.

As long as they could see their daughter live happily and happily... ..

After Zuo Xiaoran heard her parents' words, her heart could no longer calm down. Her unfocused gaze fell on the man who was still kneeling in front of her.

It turned out that he had asked for leave to go to Sanjiang City to look for his parents... ..

No wonder he had asked where his family's store was during dinner that night.

Had he already made up his mind from that moment on?

While she was hesitating, Xia Jinqi also walked in from outside the door and encouraged her, "what are you still standing there for? QUICKLY AGREE TO HIM! "

The tears in Zuo Xiaoran's eyes finally gushed out... ..

That's right.

The man she loved deeply kneeled down on one knee and proposed to her. What was she still standing there for?

The scene that she had been longing for had finally happened. What was she still standing there for! !

She mustered up her courage and reached out to take the flowers in his hand, nodding her head heavily.

At that moment, Fang Shaoan practically jumped up and pulled Zuo Xiaoran into his arms.

“This time, I won’t let go of your hand even if I die... “

The onlookers began to cheer. Even Zuo Zhiwei and Yu Xiuqin were crying.

In this world, what could be better than having a lover get married in the end?

“...”

The wedding was held on time.

Fang Shaoan held Zuo Xiaoran’s hand. Under the witness of the priest and the guests, they swore to each other.

In this life, no matter what situation they were in, they would love each other and take care of each other for the rest of their lives.

The sunshine that day was really good. The grass was green, there were many people, the wine was very fragrant, and the flowers were very beautiful... ...

Zuo Xiaoran looked at the man who carefully put on the ring for her, and she couldn’t help but cry again.

Fang Shaoan put on the ring for her and wiped her tears. “You should laugh at marriage. Why are you crying? “

“I’m happy! ” She snorted.

“good, good, good. You’re happy. You’re the biggest today! ” Fang Shaoan smiled and stretched out his left hand. “It’s your turn to put on the ring for me. “

Seeing this, Zuo Xiaoran took the diamond ring and carefully put it on for him.

“It’s so beautiful. ” Fang Shaoan looked at it carefully, and his heart was full of gratitude.

Today, today was the day they got married.

It was so good.

“...”

Far Away.

Among the many guests.

Fei Dong held a glass of champagne in his hand and looked at Zuo Xiaoran from afar. nOVe)lB(1n

Her every frown and smile was engraved in the bottom of his heart.

“Xiaoran, you must be happy. You must. “

While muttering, he drank a whole glass of champagne in one gulp, then stood up and left in a carefree manner.

Actually, after he failed to confess to Zuo Xiaoran that day, he had called Fang Shaoan.

Therefore, he was not surprised by today’s scene.

On the contrary, he was glad.

Because ran finally found her happiness.

That man will stay with her and love her forever.

Well, that’s a relief.

—

Getting married is a very tiring thing.

Chapter 2057, Fang Shaoan VS Zuo Xiaoran 40

After a whole day, Zuo Xiaoran was so tired that she couldn’t even stand up. She could only massage her sore calves to relieve her fatigue.

After sending off the guests, the two of them could go home.

Sitting in the car, Fang Shaoan saw Zuo Xiaoran constantly kneading her calves, so he patted his thigh. “put it up, I’ll knead it for you. “

“...”he originally wanted to be reserved, but after thinking about it, they were already married, so there was nothing to be reserved about.

Zuo Xiaoran obediently placed her leg on the ring.

Fang Shaoan was not only good at bragging, but his strength was still quite moderate.

Zuo Xiaoran leaned on the side and quietly watched his movements. Her gaze finally stopped on the diamond ring on his ring finger.

The Shiny Little Dot refracted the light, making it especially dazzling.

She suddenly felt that the scene in front of her was very unreal.

“Am I dreaming...” she unconsciously muttered, still in a skeptical attitude.

Fang Shaoan laughed, “It’s a beautiful dream, right? “

“CHEH! ” Zuo Xiaoran turned her head and put her legs down, “I haven’t forgotten what you said when you first saw me. You even lied to me about getting married and asked me to be a bridesmaid! “

She had broken her heart many times!

Speaking of this, Fang Shaoan frowned, "who asked you to leave for a year without saying a word. When you came back, you had a child in your arms and were so intimate with other men. Can you bear it? "

"So you deliberately planned to get married to get revenge on me? " Zuo Xiaoran clutched her chest, feeling that those few nights were really a waste of sleepless nights... ..

"Not Revenge, but to keep you by my side forever. " Fang Shaoan suddenly became serious.

As soon as he finished speaking, the car stopped.

Fang Shaoan looked out of the car window and said, "We're here. Get Out of the CAR. "

"Hey, you haven't finished talking yet. You... " Zuo Xiaoran chased after him out of the car, but her words choked in her throat.

She looked at the neighborhood she used to live in in a daze and asked in confusion, "why are you here? "

She thought she was going back to her house.

"Don't you live here? " Fang Shaoan smiled.

"I used to... but I sold all the houses here, i. . . " As she spoke, Zuo Xiaoran stopped ...

A thought flashed through her mind. She frowned and stared at Fang Shaoan, "don't tell me... you bought my house? " *no ve(lB-In*

Fang Shaoan only smiled and didn't answer.

Seeing him like this, Zuo Xiaoran knew that her guess was right, "It really is you! I knew it, who would buy three of my houses in one go... "

Just as she said that, many uncles and aunties walked over from outside the neighborhood.

At this time, it just so happened that the evening practice had ended.

One of them recognized Zuo Xiaoran and took the initiative to come over to greet her. "Are you... Xiaoran? You're back? "

"Uh... " before Zuo Xiaoran could think of a reply, the uncles and aunties began to talk at once. "I haven't seen you for a year. We thought you had moved! "

Then, someone's gaze fell on Fang Shaoan.

Fang Shaoan did not find it strange. Instead, he generously held Zuo Xiaoran's slender waist and proudly introduced her to everyone. "Hello, everyone. I'm Xiao Ran's husband. "

"Oh, so Xiao ran went to look for her husband this year! " Someone in the crowd said. Then, everyone laughed along.

Fang Shaoan even went to the car to get wedding candies and distributed them to everyone.

Chapter 2058, Fang Shaoan VS Zuo Xiaoran 41

Zuo Xiaoran was stunned on the spot. She looked at the enthusiastic Fang Shaoan and asked, "what... are you doing? "

He had bought her house on purpose, brought her back on their wedding night, stood at the entrance of the neighborhood with her, and even brought so many wedding candies... ..

She wouldn't believe it if it wasn't premeditated.

Fang Shaoan was about to answer when many people walked over and looked at Zuo Xiaoran enviously.

"Xiaoran, your husband is so handsome! "

"You guys have to live well in the future! "

"Yes, yes, I can see that you are a lucky man! "

Zuo Xiaoran looked at the familiar faces and suddenly remembered that more than a year ago, when she had just decided to be with Fang Shaoan, one night when she returned home, it was at the entrance of this community, right where she was standing now Fang Shaoan's mother gave her a slap and then threw money at her, warning her to stay far away from Fang Shaoan and not dream of becoming a phoenix... ..

At that time, it was also at this time, and there were many people coming and going.

In the silence, the man beside her suddenly held her shoulders.

Zuo Xiaoran subconsciously looked up at him, but her eyes happened to meet his bright eyes.

She heard him say, "I'll help you get back the dignity you lost here. "

"..."at that moment, Zuo Xiaoran's eyes were filled with Tears of grievance.

After such a long time, she thought that he must have forgotten. She thought that he would not even take such a small matter to heart.

But... He still remembered that he really did take it to heart ...

"In the past, I only cared about myself and never thought about anything for you. "In the year that you left, I thought a lot. "In the past, you were the one who paid for me. I said that I loved you, but I let you bear so much alone," he said regretfully He was extremely affectionate. "From now on, no matter what it is, I will accompany you and bear it with you. "

Zuo Xiaoran stared at him in a daze. She suddenly felt that her life was complete. n/-0ve**Lb**In

She could no longer suppress the feelings deep in her heart. She threw herself into his arms and hugged his waist tightly.

Fang Shaoan listened to her sobbing voice. He hugged her gently and patted her back. He smiled and said, "people say that a father's debt is repaid by his son. Then a mother's debt is repaid by her son. I'll make up for the hurt my mother caused you back then... wife, let me give myself to you tonight. How about it? "

Hearing his careless tone, Zuo Xiaoran wanted to laugh. However, she could not laugh at all. Instead, she cried even louder.

“thank you, Shao’an. And, I’m sorry... “

Thank you for everything you’ve done for me.

I’m sorry for leaving without saying goodbye.

Fang Shaoan hugged her even tighter. “Let’s not talk about the past anymore. We only want the future, okay? “

“En...” Zuo Xiaoran wept, immersed in his gentleness.

In the future, they would never be separated.

The three of them would always be together... ..

As she said this, Zuo Xiaoran suddenly thought of something. She lifted her head from Fang Shaoan’s arms. “How do you know Yuan Bao is your son? “

“For a woman who can say, ‘for the rest of my life, I think I will eventually live in my longing and endless admiration for him. ‘ Can you give birth to someone else’s son? ” Fang Shaoan said proudly.

Zuo Xiaoran clenched her little fists and punched his chest. “How did you know? ! Bad Man! “

Fang Shaoan took the opportunity to grab her little hand and kissed it on the lips. “Xiaoran, thank you for giving birth to a son for me. “

“HMPH! “

“Anyway, the moonlight is so good tonight. Why not choose another day and give birth to a daughter for me tonight...” a certain someone started to push his luck.

“You wish! GO GIVE BIRTH YOURSELF! ” Zuo Xiaoran shook off his hand and turned around to walk into the residential area.

“honey, wait for me. How can I give birth alone! ” Fang Shaoan quickly caught up with her and easily grabbed her. The two of them played around and went upstairs.

At this moment, little Yuan Bao, who was far away in the Fang family, was sleeping soundly. His mouth was puffing out small bubbles as he looked forward to the arrival of his sister.

Chapter 2059: Ji Yunjing VS Ye Qinghuan 1

It was late autumn, and the weather was getting colder day by day.

Ji Yunjing finished collecting the accounts of several casinos and drove home alone.

The Butler was at the door to welcome him, and a sumptuous dinner was already set up on the dining table.

Everything seemed to be going according to plan, as if it was a matter of course.

EXCEPT... ..

It was very quiet during the meal.

He was the only one at the dining table, so quiet that only the sound of knives and forks cutting across the plate could be heard.

When he was 70% full, he put down the knife and fork, wiped the corner of his mouth with a Napkin, then got up and went upstairs to the study.

Recently, the income of the Macau Casino had increased several times. The most direct reason was that ever since Yan Jun took over, the economy of Rao city had developed rapidly. As more people had money, naturally, more people would patronize the casino.

In this world, there were many people who lost money and won money every day, but the casino was the only one that never lost money.

The cash that flowed like water every day had to be circulated in the casino. Then, when it passed through Ji Yunjing's hands, it turned into a pile of numbers, a pile of clean numbers.

Half of these numbers needed to be used to maintain the casino, protect the customers, and protect some special friends.

The remaining half was regularly handed over to Xia Jinqi to manage.

The Ji Family's coffers were piling up higher and higher, but Ji Yunjing never cared about the exact amount of money.

He knew from a young age that his family was just a side branch of the Ji family.

The reason why he was chosen by Ji Heng and groomed from a young age was so that one day, he could assist the successor of the family.

This person was his cousin, Xia Jinqi.

Perhaps many people thought that he should not submit to a woman's subordinate. He had the strength and support. He could blow the Horn of war, turn the serfs around, sing songs, and take the power of the Ji family into his own hands.

But he had never thought of this problem.

Betraying the Ji family was simply impossible in his mind.

Xia Jinqi was not only the person he needed to assist, but she was more like a relative.

So even when she took the initiative to give the Ji family to him, Ji Yunjing refused. ~~noVe-lb~~.In

Doing what he should do was the right path.

In his life, he was destined to give up everything for the Ji family, even his life.

He did not call this loyalty. He called it faith, and he would work hard to fight for it.

But... ..

In the past few years, he suddenly felt very tired.

Especially in the past two months, after attending Fang Shaoan and Zhuge Wentao's wedding, the sense of loss in his heart became more and more obvious.

Just like now, after dealing with the trivial matters in the family and taking a shower and lying on the bed, he began to feel that his surroundings had become quiet again.

He thought that he might have felt lonely... ..

He could not sleep, but he also thought that he should not get up and take a walk?

Just as he was hesitating, the phone rang.

It was Zhou Xian, his subordinate.

"master, come and take a look. Someone is causing trouble in the Casino! They are fighting! "

Well, there was something to do.

"I'll be right there. " After hanging up the phone, Ji Yunjing got out of bed, put on a coat, and drove in the direction of the Casino.

When he arrived at the Casino, he found out that a group of people had come drunk and lost some money. They were unhappy, so they destroyed the casino.

Ji Yunjing didn't discuss it with them. He directly tied them all up and threw them at the foot of Nanshan Mountain outside Rao city.

"If there is such a thing in the future, solve it yourself. " Ji Yunjing turned around and glared at Zhou Xian, his expression somewhat displeased.

How dare he call him back in the middle of the night for such a trivial matter.

Zhou Xian shrunk his neck, but he still hesitated. "Master, isn't it not good for us to do this? Recently, there has been a lot of commotion. Didn't you say that we should be careful? "

Recently, the higher-ups had been making a big move. They guessed that Yan Jun was trying to establish his authority, so no matter what level the people below were at, whether they were officials or in the underworld, all of them had their tails between their legs. No one dared to compete for the top spot They had touched his sore spot.

To be honest, there had never been such a swift and decisive president in the history of Rao city... ..

Even Ji Yunjing had ordered his subordinates to be more careful, so Zhou Xian did not dare to act rashly.

Who knew that this master would tie them up as soon as he arrived.

Ji Yunjing glared at him and said coldly, "I told you to restrain yourselves. I didn't tell YOU TO BE COWARDS! The others have already bullied them to the door, but you still did nothing? You just tied them up and threw them out. You didn't even move a single finger! "

He had only tied them up now. If he let go of his previous temper, he wouldn't have just thrown Nanshan away.

"Yes, yes, yes..." Zhou Xian nodded repeatedly. He was the one watching the scene tonight. If something happened, he should be the one to solve it, and he should also be scolded.

Ji Yunjing calmed himself down. The matter in the scene had also been resolved. He put on his coat and was ready to leave.

He had just taken a step out when he was stopped by Zhou Xian. "Master, it's so late and I still have to trouble you. Why don't I treat you to a drink or two? Anyway, it's cold today. A drink or two will warm you up! "

"drinking will ruin things. Take care of Your Business!" Ji Yunjing waved his hand and left.

He roughly knew what Zhou Xian meant by drinking.

It was just a private room. He would find two young ladies to accompany him for a night of fun.

He was not very interested.

After experiencing so much over the years, he knew more and more about cultivating his body and character.

After leaving the Casino and getting into the car, he habitually took out his phone to take a look.

There were no missed calls, nor were there any text messages.

A hint of disappointment flashed through his heart.

When Zhou Xian mentioned drinking just now, he could not help but think of a person.

Thinking back, when he first met her, it was also in the nightclub.

Compared to that group of women with heavy makeup and sexy bodies, the innocent and naive her looked so out of place.

After meeting her later, he found out that she went to the nightclub to work because her family was in trouble.

When she saw that he was injured and bleeding, she would cry, she would silently take care of him for a night, and she would even cook for him... ...

When she left, she even said that she remembered his cell phone number and would definitely think of a way to repay him in the future.

But the result?

Heartless little thing.

It had been a whole year, but there was no phone call or any news.

With a gloomy face, Ji Yunjing bent his index finger and gently tapped on the phone screen.

He still had hope for her joke back then.

He had a feeling that he had been deceived... ..

Ye Qinghuan.

You Liar.

In the end, Ji Yunjing threw his phone down in frustration. He stepped on the accelerator and the car flew onto the highway like an Arrow.

The next day, Zhou Xian received a text message from Ji Yunjing.

[I'm on a business trip in Macau. If you have something to say, look for summer.]

Zhou Xian's hand that was holding the phone shook heavily, and he looked bitter. "Master, why did you leave so easily... summer is the leader, how could I dare to disturb you... "

Ji Yunjing did not care about these things.

He had some deep-buried obsession that he could not let go of, and he suddenly wanted to verify it.
