Chapter 2061: Ji Yunjing VS Ye Qinghuan 3

Macau.

Ji Yunjing only informed Xia Jinqi before he left. He did not inform anyone else.

Therefore, the bosses of the dozens of casinos did not hear any news. They were still living a comfortable life.

They had been well-behaved for more than a year. The casinos took care of them and the money was handed over.

Moreover, Ji Yunjing's purpose of going there this time was not for them.

When the sky turned dark, Ji Yunjing's car stopped at the entrance of the Elysium world.

After getting out of the car, there was a special attendant who was responsible for parking the car.

As soon as he walked into the venue, he ran into an acquaintance.

The owner of one of the casinos, Xie Zusan, was also here.

He recognized Ji Yunjing at a glance and was stunned for a full three seconds. Then, he came up to greet him. "YOUNG MASTER JI? When did you come to Macau? Why didn't you tell me? ! "

Ji Yunjing didn't intend to avoid him. He also greeted him with a smile. "Third Master! How have you been? ! "

Xie Zusan shook his head repeatedly. "Hey! What third master? You are the Master! " He didn't dare to call himself a master in front of his father who was a rich man.

Ji Yunjing only smiled and didn't say anything else.

Third Master was Xie Zusan's nickname in the underworld, so he was just being polite.

However, seeing Ji Yunjing's deep smile, Xie Zusan instinctively frowned and leaned over to ask in a low voice, "is the eldest young master here for a surprise attack? "

He still remembered that a year ago, Ji Yunjing and Xia Tian came for a surprise inspection and found out that he and a few other people had embezzled the stolen money. They almost got buried alive.

.. What an unpleasant memory!

Who knew that not only did Ji Yunjing not answer him directly, but he even turned around and asked him, "has third master been embezzling money recently? "

"No, no! " Xie Zusan suddenly tensed up and hurriedly explained, "this account book is sent to you every month, right? "

“That’s true.” Ji Yunjing nodded as if he understood and then smiled, “since the account book is perfect, I naturally have nothing to investigate.”

Xie Zusan heard the hidden meaning in his words and his face slightly stiffened.

In fact, everyone was well aware of it.

The account books were made by each casino themselves.

Ji Yunjing spent most of his time in Rao city, and it was impossible for him to stay in the casino every day. Naturally, he did not know the specific revenue of the Casino.

How much money he could receive would depend on the number of account books each casino handed over.

If he wanted to steal some money and make the data look good, he could just find a few more accountants. There was no technical difficulty.

This kind of thing was basically seen through without being seen through. The person who took the money got some profit. When he was in a good mood, he would naturally work harder.

As for people like Ji Yunjing and Xia Jinqi who took money, as long as the number was not too far off, most of the time they turned a blind eye.

Of course, Xie Zusan naturally could not discuss this topic in depth, so he could only change the topic. “Then why did the eldest young master come this time?”

“to the ‘Elysium world’ , what do you think it is for?” Ji Yunjing smiled roguishly, and his long and slender legs opened, walking toward the venue.

In fact, it was because he could not find Ye Qinghuan. He even sent people to inquire about the boarding school that he sent her brother to. He said that Ye Qingzhou had already dropped out half a year ago, and no one knew where he had transferred to after that.

He couldn’t find her, thinking that maybe Lili here would have her whereabouts, so he came here to try his luck.

Chapter 2062, Ji Yunjing VS Ye Qinghuan 4

However, Xie Zusan misunderstood and thought that he was here to have fun, so he immediately followed with a smile “coming here is the right thing to do! Recently, there is a new batch of girls. All of them are pretty and young. How about it? Do you want me to find someone to arrange it for you?”

As he said that, he directly called his mother sang over.

Xie Zusan’s reputation in this area was also well-known. When his mother sang saw that he was nodding and bowing to Ji Yunjing, she immediately leaned in “This gentleman looks very noble. I wonder what style he likes? We have tall, Short, fat, and thin ones here! I’m sure you’LL BE SATISFIED!”

At that time, Ji Yunjing had already chosen a private room and sat down. He looked up at his mother and found that she didn't seem to recognize him, so he asked, "I remember you have a Lili here. Is She still there? "

"Lili?" His mother paused, as if she was brainstorming. Then she lowered her voice and said mysteriously, "she... Hey... something happened! "

Ji Yunjing frowned slightly and heard his mother say again "three months ago, she married a rich boss and was pregnant with a child! Who knew that she was found out by the lady and was caught and beaten up. The child was gone and her body collapsed. She couldn't continue in this line of work anymore. I heard that she went back to her hometown! " n-/O-(V/-E--l)-b/.l.)n

Although his mother's tone was a little regretful, there was no more sympathy in her eyes.

In their line of work, they were used to seeing such things.

Ji Yunjing, "..."

Xie Zusan saw that Ji Yunjing did not speak and his face was Ashen, so he asked, "could it be your old lover? "

In exchange, Ji Yunjing looked at him coldly.

Xie Zusan chuckled and played with the Emerald Ring on his right thumb while waiting for a good show.

The next second, Ji Yunjing asked his mother sang, "you used to have someone called Qing Huan here. Do you know... ".

Before he could finish his sentence, his mother sang had already racked her brain and answered eagerly, "Yes, yes, yes! Qing Huan is our number one girl here! If I like her, I'll go get her for you! "

She had wanted to keep this big client, but unexpectedly, a simple sentence turned into a sharp sword and stabbed at Ji Yunjing's heart.

His handsome face suddenly lost all color, and his dark eyes were cold. He lifted his lips and repeated the word playfully, "top girl? "

So she didn't leave She was still the top girl here... ..

Her mother sang didn't know what Ji Yunjing was thinking at the moment and thought that his words meant that he agreed. She immediately turned around and went to get someone. "Wait a minute, master! Qinghuan will be here soon! "

Seeing mother sang run away happily, Xie Zusan opened a can of beer and placed it in front of Ji Yunjing. He teased, "there really are old lovers? Why don't I inform them first and open the VIP room upstairs first? "

As a man, he only thought about that little thing in his heart. Xie Zusan was very experienced and knew it very well.

Moreover, he also wanted to take this opportunity to curry favor with Ji Yunjing. or rather, he wanted to inquire about Ji Yunjing's feelings.

Regardless of whether it was a woman or anything else, only by knowing what he liked could he be considered to have grasped his weakness and could be used as a breakthrough point.

Although their current boss was summer, Ji Yunjing was still the one who had more contact with them.

Chapter 2063: Ji Yunjing VS Ye Qinghuan

Xia Tian was far away in Rao city, and no one could curry favor with her. Ji Yunjing was close by, and he was a genuine member of the Ji family. It was said that even Xia Tian had to give him some face. If he could curry favor with her, wouldn't there be many benefits?

Unfortunately, Ji Yunjing was really not in the mood to think about these things now.

He tightened his grip on the wine glass, and his slender joints faintly turned Pale. His mind was filled with his mother sang's words, "Qinghuan is now the number one here" *no v E* | ~~l~~ - In

Didn't he already give her a sum of money and arrange a school for her younger brother?

Why did he still come back to be a miss?

Was He forced to do so, or was she such a person Was he just pretending to be innocent in front of him back then? !!

Everything, everything, Made Ji Yunjing start to think wildly at this moment!

His silence also made Xie Zusan feel a little awkward.

Fortunately, Mama Sang was fast enough, and she came back shouting in just a few minutes.

"Qing Huan, HURRY UP! Don't make the two masters wait! "

The Moment Mama Sang's voice was heard, Ji Yunjing looked up and stared at the entrance of the private room with his eagle-like eyes... ..

Even Xie Zusan was attracted by her.

He also wanted to see what kind of country-toppling character this legendary headliner was.

The Plump Mama Sang came in first, and then the girl behind her slowly walked in.

The light in the private room was a little dim. At first glance, the girl was just a hazy outline.

However, judging from her height, she was 168. She wore spicy pants, revealing a pair of fair and slender legs generously.

Her top was very short, revealing her belly button, which made her waist even more slender.

Her exquisite body was wrapped in a black leather jacket, slightly revealing her fair skin.

Just by looking at her figure, Xie Zusan secretly swallowed his saliva.

As expected of the top brand.

Ji Yunjing was not in the mood to appreciate these things. His face was dark the whole time, until he had a clear look at the girl's face.

Her oval face, big eyes, and high nose bridge were created like an assembly line. She was completely different from the Ye Qinghuan in his memory.

For some reason, the emotions that were hanging tightly in his heart suddenly relaxed.

His body even started to hold its breath automatically.

Only at this moment did he catch his breath.

It wasn't her.

At the same time, the girl who came in also sized up the two men in the private room.

She knew about Xie Zusan, but seeing her mother sang so excited today, it was obvious that she wasn't here to accompany Xie Zusan.

On the other hand, the man sitting on the right side had a dark suit that made him look lean and capable. His facial features were deep, and he was extraordinarily handsome. especially his dark and deep eyes, it was obvious that he was a big shot.

He immediately leaned over to him and said, "master, it's so boring to drink alone. I'll accompany you..."

As he said that, he took the initiative to raise the wine glass on the table, wanting to clink glasses with Ji Yunjing.

Ji Yunjing casually moved his hand away. He did not clink glasses with her, but asked casually, "what's your name?"

The girl was stunned for a moment, as if she did not expect that this master was not mesmerized by her beauty. Then, she answered, "Qin Huan."

"Qin Huan?" Ji Yunjing raised his eyebrows and looked coldly at his mother sang who had not left the door.

His mother sang immediately replied, "that's right! That's right! It's Qing Huan! Didn't you specifically ask for her, master?"

Ji Yunjing, "..."

Only then did he realize that this mother sang had a serious accent.

She was probably chattering in Mandarin, Portuguese, Cantonese, and English.

Chapter 2064, Ji Yunjing VS Ye Qinghuan 6

After a long time, it turned out to be a mistake.

Xie Zusan also realized that he had found the wrong person, so he said, “we’re looking for Qinghuan, not Qin Huan! What kind of ears do you have? “

“Qin, Qing... Qinghuan? ” Mama Sang tried several times before she got the right tone. “We don’t have such a girl here... “

Ji Yunjing lost his patience. He pinched the space between his eyebrows and said directly, “tell me Lili’s contact information. “

“Lili, let me see... ” his mother knew that she had done something wrong. She was afraid that he would blame her, so she quickly took out her phone and started to look for Lili’s phone number.

After Ji Yunjing saved the phone number, he was so anxious to leave that Xie Zusan stopped him. “where are you going, young master? If you don’t like this one, why don’t you just change it to another one? “

“I have something else to do, have fun! ” Ji Yunjing said and quickly disappeared behind the door.

The entire private room suddenly became quiet, and it was a little awkward.

Xie Zusan turned the thumb ring on his right hand and narrowed his eyes. A moment later, he walked toward Qin Huan, who was still sitting on the Sofa. “You’re called Qin Huan, right? You’re the one tonight! “

Qin Huan immediately smiled and held his wine glass close to him. “Master, DRINK! “

“YOU DRINK FIRST! ” Xie Zusan raised his hand and pulled him into his arms, and his hands began to become disobedient.

Seeing this, his mother sang hurriedly covered her face and left.

When the door was closed, Qin Huan’s sweet smile could still be heard. “Master, don’t be like this! “

...

After leaving the Elysium world, Ji Yunjing went to look for Lili without stopping.

However, Lili told him that she hadn’t contacted Ye Qinghuan for a long time. She only knew that something happened to Ye Qinghuan’s family and he took her brother away. Now, she didn’t know where she was exactly.

At this point, all the information that Ji Yunjing knew about Ye Qinghuan had been cut off.

He finally made up his mind to come to Macau, but who would have thought that it would be in vain.

Sitting alone in the car, Ji Yunjing closed his eyes slightly. His heart felt empty and inexplicably depressed.

She was a young girl, still in school, and she had to take care of her little brother who was only a few years old. Where could she go?

He... ... should have come earlier ...

After being silent for about an hour, Ji Yunjing suddenly opened his dark eyes and took out his phone to make a call.

“Chang An, it’s me. Arrange for a temporary inspection of all the major casinos. “

After saying that, he hung up the phone, stepped on the accelerator, and drove to the nearest casino.

He was in a bad mood and needed to be relieved.

Therefore, Ji Yunjing raided all 24 casinos throughout the night.

All the managers’buttholes tightened when they received the call, and they ran back without stopping.

Even Xie Zusan, who had opened a private room in Elysium, did not escape. After receiving the call, he hurriedly got up from Qin Huan’s body and cursed as he put on his pants “Damn it, didn’t I say that I won’t check? ! This Ji Yunjing, is he playing with me? ! “

...

In short, that night, there were a total of 32 people in charge of the 24 casinos. Not a single one of them had not been reprimanded.

Those who could match the books were better off, but those who could not match the books were directly beaten up. What a tragic word.

For a moment, it caused everyone to feel anxious. They all held their tails between their legs, afraid that they would be picked out again.

They roughly knew that young master Ji was in a bad mood, so their days would not be easy.

Chapter 2065: Ji Yunjing VS Ye Qinghuan

Fortunately, Ji Yunjing did not stay in Macau for long.

After checking the accounts at the last minute, the 24 people in charge became more obedient.

On the third day, Ji Yunjing returned to Rao city.

This trip to Macau made his heart feel empty again.

Driving back to the villa, what awaited him was a familiar room of dead silence.

After taking a shower, changing into a nightgown, flipping through a few documents and smoking a cigarette.

Everything was monotonous and repetitive.

Only the bright moon outside the window, round and missing, accompanied him for a long time.

However, what Ji Yunjing did not know was that at this very moment, the girl that he had been looking for was staring at the bright moon in a daze just like him.

Ye Qinghuan's stepfather had been released from prison half a year ago. The first thing he did was to look for the siblings to ask for money. He had been causing trouble all day long. The siblings finally could not take it anymore and decided to leave.

Perhaps Ye Qinghuan had come to Rao city on a whim, or perhaps it was because she wanted to... ..

Because she had unintentionally heard Ji Yunjing say that he had come from Rao city.

She thought, the world is so big. If she were to leave Macau, the only place she would want to go would be Rao city.

Perhaps, she might run into that mister who had once saved her... ..

Not long after, a hurried voice came from behind. "Qinghuan! What are you daydreaming about! Hurry up and wash the dishes. Do you still want to get off work? "

"Oh! I'm coming!" Ye Qinghuan hurriedly replied. She took one last look at the round moon, then turned around and went to the sink.

What awaited her was the mountain of dishes in the restaurant.

Yes, she found a part-time job in the restaurant — washing dishes.

She had been very careful and thrifty with the money that Ji Yunjing had given her, but after her stepfather was released from prison, he snatched it all away.

At a young age, she brought her younger brother to Rao city. She had no relatives and her life was once very difficult.

But she still gritted her teeth and persevered.

Not only that, she also continued her studies and found a school for her younger brother. She usually worked whenever she was free. Although the money she earned was not much, the siblings could still make ends meet.

In the beginning, she also cried, complained, and even thought about giving up.

But every time she held her phone and stared at Ji Yunjing's phone number, it seemed to give her the courage to work hard to live on!

She promised that when she was successful in the future, she would definitely repay him for saving her life back then... ..

It was already late at night when she returned home after work.

In a rented house that was less than nine square meters, her nine-year-old brother, Ye Qingzhou, was already sound asleep.

Hearing the sound of the door opening, he woke up in a daze. He glanced at the person who entered the house and muttered, "sister, you're back... "

"Okay, you should go to sleep." Ye Qinghuan carefully moved over and covered him with the blanket before she put down her bag.

The rented house did not even have a separate bathroom. She had to go to the bathroom at the end of the corridor to wash up.

But even so, Ye Qinghuan was already satisfied enough.

After taking a shower and lying on the bed, she still could not bear to sleep. She took out Ji Yunjing's number from her phone and stared at it for a long time. Only when she was really tired did she fall into a deep sleep.

His hand that was hanging down just happened to click on the number and the call was made.

"Du... Du..." the call went through ...

At that time, Ji Yunjing had just put down his cigarette butt when the phone on the table vibrated.

He took it over and saw that it was an unfamiliar phone call from the city.

Chapter 2066: Ji Yunjing VS Ye Qinghuan 8

Not many people knew his private number.

And who could it be calling at this time?

Frowning slightly, he swiped the screen to answer the call.

"Hello? "

A deep and pleasant male voice came from the phone and spread in the rented house that was less than nine square meters.

However, Ye Qinghuan didn't hear it at all.

He had worked two jobs during the day, so he was really sleepy.

Ji Yunjing was silent for a moment on the other end of the phone, but he still didn't get an answer.

He put down the phone and looked at the string of strange calls again. His eyes darkened slightly, and he pressed the end button.

It was probably a wrong number.

Or perhaps, it was someone's prank.

He picked up the document again and turned a page, but he could not read a single word.

Ji Yunjing lowered his eyes and stared at the quiet phone beside him. He did not know why, but he suddenly picked it up again and called back according to the phone call just now.

He did it like a ghost.

At that time, Ye Qinghuan had been tired all day and had long fallen asleep.

The cell phone screen beside the pillow suddenly lit up and vibrated, the screen showed 'Ji Yunjing' three words.

She did not notice it at all, but turned over and continued to sleep.

Ji Yunjing waited for a long time, still no one answered, until the ear came familiar, "sorry, you dial the user is temporarily unable to answer... "

Frowning, he threw the phone down, lit a second cigarette and continued to read the document on the table.

Soon, the phone call was out of his mind.

—

The next morning,

Ye Qingzhou was awakened by a scream from his sister.

"AAAAAAAH! ! "

Directly frightened a shiver, Ye qingzhou crawled out of the quilt, rubbing confused eyes, looked at his sister next to him, "sister, what are you doing... "

"Qing... Qingzhou, do you have the mobile phone that moves elder sister? " Ye Qinghuan all of a sudden came over, opened the eyes to ask the younger brother eagerly . .

"No... Last night I slept you just came back... " Ye Qingzhou squinty shook his head ...

Hearing that, Ye Qinghuan was like a deflated rubber ball, her face full of frustration and fear. "that... that... "

"sister? What happened to you? " Ye Qingzhou looked down at the phone in his sister's hand, which was tightly clenched. It just happened to stop at the call log. "Who called you? "

"No. " Ye Qinghuan came back to her senses and hurriedly put away her phone. She looked at the call log again last night. It clearly showed that she had called Ji Yunjing once, and then Ji Yunjing picked it up and called her back.

Moreover, she could not remember where the two calls from last night came from!

This... Could it be that she had called in her dream last night ? She didn't say anything in her sleep, right ? ? !

With a depressed little face, Ye Qinghuan almost wanted to die.

Although she put away her phone quickly, Ye Qingzhou still saw the two records.

As a little kid, he seemed to know something, so he asked with a smile, "SIS, is it that big brother who helped us last time? "

Ye Qinghuan," ..."

“Didn’t you tell me that I could see big brother when I came to Rao city? Why didn’t you call him and just stared at his phone in a daze?” Qingzhou was very confused about his sister’s behavior.

“We’ll see him when we can! Besides, big brother is very busy. We can’t disturb him, understand?” Ye Qinghuan rubbed his head and explained gently.

She roughly knew that the identity of that gentleman must be high and mighty.

And she... .. was just an ordinary girl who couldn’t be any more ordinary. How could she dare to climb up to him ? ?

In fact, as long as she knew that she lived in the same city as him and looked at the same blue sky, she would be happy enough.

Chapter 2067: Ji Yunjing VS Ye Qinghuan

This little bit of happiness also became the biggest motivation for her to persevere and work hard in life.

She would definitely live well and take good care of her younger brother. She would have self-respect and self-respect.

If they really met again one day in the future, she also hoped that she could stand in front of him in an upright and clean manner and greet him with a smile.

“Oh...” Ye Qingzhou nodded as if he understood, but his eyes were still filled with longing and anticipation. “But I still really want to see big brother soon. “

In Qingzhou’s memory, that was the first person who treated him and his sister well.

It was really very good... .. If they could become a family and become closer, that would be great ...

Ye Qinghuan listened to his murmur, and her eyes paused for a moment, then she smiled. “GET UP QUICKLY! I’ll make breakfast for you, and I’ll send you to school later. “

“Okay. “ Ye Qingzhou got off the bed and said with a little pride, “SIS, don’t send me off. You don’t have classes this morning, right? You still have to go to work! You can go straight to work! I remember the way to school, there’s no need to send me off. “

“How can that be? What if we meet bad people on the way?” Ye Qinghuan hurriedly shook her head and sounded very nervous.

She and her brother grew up in Macau. They could speak Mandarin, but they were not familiar with Rao city, so she had to be extra careful. She had always personally picked up her brother to go to school.

Ye Qingzhou had his own thoughts. “Sis, I’ve always followed what you taught me and followed places with a lot of people! Besides, I’m almost ten years old. I’m not a child. “

Hearing his awkward tone, Ye Qinghuan really wanted to reply. In front of her, he would always be a child!

But seeing that he was so insistent, she thought for a moment before nodding. "Alright then, you can go by yourself today. I WON'T SEND YOU OFF!"

"Okay!" Ye Qingzhou almost immediately jumped up in joy. "Big sister is the best big sister in the world!"

After being flattered a little, Ye Qinghuan couldn't help but laugh.

That's right, she couldn't keep protecting Qingzhou like this.

He was a boy. In the future, when he grew up, he would have to stand tall.

It was time for her to learn to let go and let him grow up on his own.

She did not have to send Qingzhou to school in the morning. Ye Qinghuan had a little more private time.

In the past six months, whenever she was free, she liked to carry her bag and walk through the streets and alleys of Rao city.

She had almost walked through the most prosperous streets and the most secluded alleys.

It was not for anything else but a subconscious hope. What If... ... What if she turned a corner, what if she could see that gentleman again in the next block? ?

She had a certain hope in her heart. Even if it did not come true, she still felt sweet.

Ji Yunjing

Ji Yunjing woke up very early in the morning.

He didn't sleep well at night, and it was easy to wake up from a shallow sleep.

When they were having breakfast, his cousin, Xia Jinqi, came looking for him.

"cousin, did you go to Macau specifically to check the accounts? I heard from Master Chang Qi that you tortured those thirty people to death!" As she spoke, Xia Jinqi walked to the dining table with a smile.

She had just sat down when Ji Yunjing turned to look at the servant behind him. "prepare another breakfast."

Before the servant could answer, Xia Jinqi shook her head. "There's no need to prepare. I just ate breakfast and came over."

Ji Yunjing looked back at her with a smile in her eyes. "You ate with Yan Jun?"

"Who else could it be?" Xia Jinqi smiled and said, "you haven't answered my question!"

Chapter 2068: Ji Yunjing VS Ye Qinghuan 10

"It was a spur-of-the-moment moment. Fortunately, they have been honest recently," Ji Yunjing said lightly, not mentioning his real purpose for going to Macau.

Instead, he was more happy for Xia Jinqi.

No matter how busy Yan Jun was, he would definitely find time to spend with his family.

It was also his cousin's fortune to marry such a good man.

"But why did I hear Chang an say that you went to the Elysium first?" Xia Jinqi raised her eyebrows and looked at Ji Yunjing meaningfully.

On the second day after he interrogated the people in charge of the 24 casinos overnight, her phone was continuously ringing.

More than 30 people had all come to offer their condolences and admit their mistakes. At that time, she was confused. After dealing with those people, she went to ask Chang 'an. Only then did she know the INS and outs of the matter.

Master Chang Qi was quite impressed by Xia Jinqi. Chang 'an was his younger brother, so Chang 'an could be considered Xia Jinqi's confidant among the group of people in Macau.

Ji Yunjing's hand that was holding the sandwich stiffened slightly. Although it was only for a moment, it was still seen by the sharp-eyed Xia Jinqi.

She continued to raise her eyebrows and asked, "I heard that you also looked for Lili?"

Xia Jinqi had seen that Lili before. There was nothing special about her. The only thing was that she knew Ye Qinghuan.

It was probably due to a woman's sixth sense. Xia Jinqi always felt that her cousin's purpose for this trip was impure.

It was very likely that it was for that Ye Qinghuan.

However, she did not directly ask him. Instead, she began to beat around the bush. "Hey, cousin, actually, recently, GRANDPA Ji has already told me several times that he wants me to introduce you to a girlfriend..."

Ji Yunjing, "..."

Seeing this, Xia Jinqi continued happily "Why don't you tell me what kind of girl you like? As for me, I have quite a few classmates as well. There's also Yan Jun. he has more connections. We can help you find what kind of girl you like! Otherwise, GRANDPA will say that I don't care about you anymore!"

Hearing this, Ji Yunjing smiled coldly. He picked up a NAPKIN and wiped the corner of his mouth. There was a hint of bitterness in his tone. "Forget it. You and Yan Jun are only introducing the daughters of high-ranking officials and nobles. Do you think my identity is suitable?"

One was black and the other was white. They were destined to be at odds.

"..."Xia Jinqi froze. She had forgotten about this.

Ji Yunjing saw the apologetic look on her face and the hesitation in her eyes. He sighed in his heart. When he got up, he rubbed the top of her head and smiled. "silly girl, what are you standing there for? Come here. I have a gift for you."

Xia Jinqi came back to her senses. She got up and followed him. "What gift?"

"Yes." Ji Yunjing walked to the SOFA and picked up a brown box from the coffee table. He handed it to Xia Jinqi. "I think it suits you. I bought it while I was at it."

"Wow." Xia Jinqi took the box and opened it. It was an emerald-green bracelet. It was completely transparent and crystal clear.

She immediately took it and put it on. The size was just right!

Xia Jinqi smiled with joy. "THANK YOU, cousin! I've prepared a gift for you, too!"

As she spoke, she took out a document from her bag and handed it to Ji Yunjing. nDVe.1b)1n

"What is it?" Ji Yunjing obviously didn't expect this surprise. He opened it and found that it was the ownership of a luxurious vacation villa in a famous scenic spot overseas.

Before he could ask, Xia Jinqi had already explained, "I said that I would give you more shares, but you didn't want them. So I bought this for you! Whenever you feel tired, go and relax!"

Chapter 2069: Ji Yunjing VS Ye Qinghuan 11

Although Ji Yunjing did not say anything and always looked cool, Xia Jinqi knew that he would also feel tired sometimes.

He did not lack money and wealth, so he could only give him other things.

Ji Yunjing could not help but laugh. He pinched the space between his eyebrows and smiled. "Little Qj, aren't you afraid that people will say that you are siding with your family by sending things to me every now and then?"

Actually, he knew that he was in the dark and lived a life of fighting and killing. As the president's wife, Xia Jinqi lived a peaceful life. She always felt guilty towards herself, so she tried every means to make it up to him.

Either she would always ask him to go to her home for dinner, or she would give him a yacht, a villa, and shares.

"What's wrong with siding with my family?" Xia Jinqi pouted and didn't care. "And this is Lego's money. It should have been given to you."

Yan Jun had never interfered with the distribution of her property.

Ji Yunjing held the ownership letter and frowned slightly. He asked, "the two-year term is about to expire. I heard that Yan Jun is going to retire?"

Xia Jinqi's eyes darkened when she said this. "It will be full next spring. As for whether he will retire or not... I don't know yet."

When he first took office, Yan Jun had indeed said that he would only work for two years. But now, his voice was too high, and his approval ratings were far ahead. He did not know if he would be able to retire in a rush and hide his achievements and fame.

“What do you think?” Ji Yunjing looked at Xia Jinqi worriedly and asked again.

“Me?” Xia Jinqi was startled, but she immediately smiled and said, “No matter what decision he makes, I will support him.”

She was still the same as before, and the faith in her heart had never changed.

Ji Yunjing nodded and did not ask much about Yan Jun. He only said, “I hope that the next president will be personally selected by Yan Jun.”

No matter what, Yan Jun’s consideration was always the most comprehensive.

Even if it was for Xia Jinqi, he would still think of Lego.

“...” Xia Jinqi was silent for a moment, but then she realized the deep meaning behind her cousin’s words.

Every time the dynasty changed, it would inevitably cause unrest.

Not to mention others, Lego was also greatly affected.

Whether it was to be close or eliminated, it depended on the words of the person in power.

The so-called capital was sometimes so fragile.

Xia Jinqi was beginning to understand why grandfather Ji let her grow up in the Xia family and even became friends with Huo Ting. n(-OvelB1n

The meaning behind it could be said to be well-thought-out.

“Let’s take it one step at a time.” Xia Jinqi smiled again, intending to end this topic.

In fact, she roughly knew who would take over if Yan Jun stepped down.

Recently, her third brother, Xia Chuanxu, had been in close contact with Yan Jun. . . .

However, she didn’t tell Ji Yunjing about this. After all, it hadn’t been decided yet, so there was no need to disturb his mind.

Sighing, she returned to the topic that hadn’t come to a conclusion. “By the way, cousin, you still haven’t told me what kind of girl you like?”

“...” Ji Yunjing was still thinking about the next president, but when she said that, he suddenly felt a little confused.

Seeing that he refused to answer, Xia Jinqi spread her hands. “obedient? Like Ye Qinghuan?”

Ji Yunjing said, “... what nonsense are you talking about?”

“actually, I also think that Qinghuan is quite good. She suits you quite well. ” Xia Jinqi completely ignored him and continued talking on her own “Don’t you like the feeling of home very much “You’re not young anymore. It’s time to start a family. I don’t want grandfather to talk about you all day and say that you’re still not getting married at your age. Is there something wrong with your orientation. “Sigh, I have to explain to him for a long time every time. I say that you’re as normal as you can be. It’s just that you’ve been physically and mentally exhausted recently, so you’re powerless. “

Chapter 2070: Ji Yunjing VS Ye Qinghuan 12

In the first half of Ji Heng’s life, he did as he was told. He was stubborn and stubborn, but due to the loss of his beloved daughter due to a wrong decision, he became extra cautious when dealing with his granddaughter’s matters.

The planning in the second half of his life paved a wide path for Xia Jinqi.

Even Ji Yunjing was just a capable assistant that he chose for Xia Jinqi.

But that was still his plan when he was young. Now that he was old, he no longer cared about Jianghu matters. His greatest joy every day was to teach his great-granddaughter to play the zither and raise flowers.

If he had any unfulfilled wishes, it was to see Ji Yunjing start a family and have children.

That was why he would talk about these things in front of Xia Jinqi.

It was not that Ji Yunjing did not understand the old man’s heart, but... ...

Relationships were not something that could be said and done.

Xia Jinqi saw that he did not speak for a long time and suddenly thought of something. She asked, “cousin, to be honest, have you not seen Qinghuan since then? “

A simple sentence easily brought Ji Yunjing back to his senses.

He slowly shook his head. “No. “

“I heard Chang an say that she left with her younger brother? ” Xia Jinqi held her chin and frowned thoughtfully.

Ji Yunjing fell silent.

This Chang an actually said everything... ...

Xia Jinqi suddenly turned her head and looked curiously at Ji Yunjing. “then... If the two of you meet again, cousin, will you be with her? “

Ji Yunjing was stunned for a moment before he raised his eyebrows. “Why do you ask? “

“actually, she’s quite suitable for you. And I can tell that you like her, don’t you? ” Xia Jinqi added.

Chang an told Xia Jinqi everything, including Ji Yunjing asking about Ye Qinghuan.

If it was someone completely unrelated, why would he need to look for her?

Since he had such a thought, he must have taken it to heart and had a thought.

Ji Yunjing did not answer, but only smiled. "You're here today to act as a matchmaker? "

However, Xia Jinqi could tell that he did not say anything positive, but he did not deny it either.

It seemed that this time, he really had a mortal heart.

"If you want to find someone, there's always a way," Xia Jinqi said as she stood up. "Alright, I won't disturb you anymore. Remember to come home for dinner tonight! GRANDPA has been talking about you for a few days! "

Ji Yunjing's eyes shined, then just looked up at the back of Xia Jinqi left, "good, I will go at night. "

Xia Jinqi did not turn around, waved her hand and left, leaving Ji Yunjing alone in the quiet room.

There was a cigarette on the table. I took it to light it, but I put it down.

The Sky outside the window is blue and blue, as if revealing infinite hope.

Of course, Ji Yunjing knew that it was only a matter of time before Lego could find a simple little girl.

It's just... ..

And when you do?

Marry her?

He might, but what about her? none-ℓb-1n

He never knew what she was thinking.

And all this time, she hasn't even called him.

Perhaps she had forgotten to give it to him.

What happened in Macau was just a small episode in her life.

Or maybe it's not that he doesn't want to find her, but... .. waiting for a phone call . .

—

It was Fang Shaoan's call that broke the long silence.

When he saw the three words on the phone screen, Ji Yunjing was lost for a moment.

The Security Department was the best at finding people... ..

A moment later, he picked up the call. "Hello? "

"Are you free now? Come to the security department. We have something to discuss." Fang Shaoan's voice reached his ears.
