

Trick Me 2071

Chapter 2071: Ji Yunjing VS Ye Qinghuan 13

"I'll be right there." Ji Yunjing took his coat and walked out of the door.

Because of Xia Jinqi and Yan Jun, Ji Yunjing, Fang Shaoan, and Zhuge Wentao were close to each other.

Of course, in addition to this relationship, Lego had a lot of connections with the security department and the administrative department.

If they wanted to live well, they had to make sure everything was in place.

In addition, the people that Ji Yunjing threw at the foot of the South Mountain seemed to have some identity. Now, they were looking for people to seek revenge, so Ji Yunjing asked Fang Shaoan to help check the identity of those people.

Since they were looking for him in such a hurry, they must have some clues, and... .. They must be from a powerful background ...

Forty minutes later, they arrived at the security department's building.

Fang Shaoan's assistant went straight to the underground garage to pick up Ji Yunjing. They went through the VIP passageway. There were no surveillance cameras throughout the entire journey, and there were no unauthorized people who could enter. The security level was No. 1.

Ji Yunjing did not care about these things, but it was better to avoid unnecessary trouble. Since he was here, he decided to follow the procedure. ~~novel~~-In

After going upstairs, Ji Yunjing was brought to the information control room.

In the vast space, all the windows were covered, and the lights were on in the daytime. A few huge screens were hanging on the wall, flashing the live images of the main roads in the four main streets of Rao city.

The surrounding area was filled with work areas. Dozens of computers and operators were all staring at the screens, silently protecting the city.

Fang Shaoan just finished briefing his secretary about the next work arrangements. He turned around and saw his assistant walking towards him with Ji Yunjing.

"Hello, BIG COUSIN!" He took the initiative to welcome him with a smile.

Ji Yunjing's eyebrows twitched when he heard the address, but he didn't say anything.

Fang Shaoan called Xia Jinqi his sister-in-law. Their seniority wasn't that different. Moreover, ever since they got married, this guy had been smiling all day long. He was in a good mood.

"What did you find out?" Ji Yunjing didn't have time to argue with him, so he went straight to the point.

Hearing this, Fang Shaoan put away the smile on his face and handed a document to Ji Yunjing. "I got into trouble this time. It's a Southeast Asian Drug Lord who came to Rao city to have fun. It just so happens to be your territory. "

Ji Yunjing's eyes darkened. He opened the document bag and took out a few photos. "It's them. "

It was the group of people he had thrown at the foot of Nanshan Hill that day.

He had expected that this group of people had a backer. After all, no one in Rao city dared to mess with Lego's territory.

But he didn't expect that they had close ties with the Southeast Asian side.

Fang Shaoan saw his deep frown and couldn't help but worry. "I heard that they have a hidden flower to buy your life. Be careful and don't stick your head out. "

"hidden flower?" Ji Yunjing laughed. "How much did they offer? "

"thirty million." Fang Shaoan had found quite a lot of information.

Ji Yunjing's smile deepened. "looks like I'll have to find a powerful bodyguard. "

His tone was relaxed as he casually put the photo back into the document bag. He casually looked up, but his gaze was frozen in an instant! ! !

At that moment, on the big screen in front of him, Ye Qinghuan was holding her brother's hand and walking in the middle of the Zebra crossing!

At that moment, he forgot to breathe and suddenly didn't know how to react. He just stared blankly at the girl that he had been dreaming about... ..

Fang Shaoan didn't notice his unusual behavior. He only heard that he was looking for a bodyguard and couldn't help but laugh out loud. "If I had to say it, you could have offered 50 million dark flower to buy their lives! It's just a competition to see who has more money! "

Chapter 2072-ji Yunjing VS Ye Qinghuan 14

Those people overestimated themselves. Competing with the Ji family for money was courting death?

They didn't even think about who held the economic lifeline of Rao city in their hands!

Moreover, Ji Yunjing wasn't just a member of the Ji family. He was also Yan Jun's brother-in-law... ..

Based on Fang Shaoan's understanding of Yan Jun, he definitely wouldn't just watch his own people being bullied.

Perhaps he already had plans.

However, seeing that Ji Yunjing did not make a sound for a long time and instead seemed to be in a trance, Fang Shaoan patted his shoulder and asked, "Hey, are you really intimidated by those Southeast Asians? With your identity as a member of the Ji family, you're still... " afraid of them?

Before he could finish his words, Ji Yunjing, who had been in a daze, suddenly turned his head and grabbed his arm forcefully. His eyes were red as he shouted, "Shaoan, help me find someone! "

"... who, who..." Fang Shaoan was frightened by his big reaction and was dumbfounded ...

"Her!" Ji Yunjing turned his eyes and pointed at a girl who appeared on the big screen. He was so excited that his soul seemed to be about to fly out.

Fang Shaoan turned his head with doubt. He glanced at the screen and found that it was a very strange and beautiful girl. He asked again, "Do you know her? "

"You! Help me find her! What street is that? !" Ji Yunjing had no time to explain at this time. He only knew that it was not easy to see Ye Qinghuan again. No matter what, he could not lose news of her again!

This was the first time Fang Shaoan had seen Ji Yunjing so excited and helpless. He followed his line of sight and said, "the great world of Jin Ling... "

He knew all the streets of Rao city like the back of his hand.

Ji Yunjing could not wait any longer. After getting the specific name of the place, he turned around and rushed downstairs!

At that moment, his mind was blank. Or Rather, this sudden coincidence did not give him any time to think!

If he missed it again, he did not know whether it would be the next year or the next decade!

Or... ... It would be his whole life ...

He could not wait any longer.

Fang Shaoan watched Ji Yunjing run away and muttered, "we haven't finished discussing the matter, why did she run away... is it so urgent? "

Even though he said so, he still turned around quickly and ordered his colleagues, "cut out the scene just now. Yes, yes, yes, it's the girl in the white t-shirt. pull up all the surveillance cameras on that street and check her movements. "

"Yes, minister. "

"..." n/-Ovelbln

Ye Qinghuan had just picked up his younger brother from school and was about to go home. Who knew that she would be captured on the surveillance cameras? Coincidentally, Ji Yunjing saw her.

Not long after she left with her younger brother, Ji Yunjing arrived.

Unfortunately, the place was already empty. There was no sign of the beauty.

Just as his mind was filled with thoughts, Fang Shaoan called.

"She's at Fuhua Street, in front of the milk tea shop. "

“...” Ji Yunjing heard him and drove towards Fuhua Street without saying a word.

Far Away in the security department, Fang Shaoan was drinking coffee and leaning back in his chair. He was looking at the screen full of surveillance cameras, leisurely reporting the news, and at the same time... ... Robbing ...

“Ah, I forgot to mention it just now. Those Southeast Asians who came out to assassinate you also injured a few of my men. “

Ji Yunjing raised his eyebrows. “So? “

“Help me recruit them. ” Fang Shaoan smiled innocently. He was like Yan Jun, the most protective.

Chapter 2073: Ji Yunjing VS Ye Qinghuan 15

In order to help Ji Yunjing investigate this matter, a few of his underlings were beaten up when they went out in plain clothes. He couldn't just let this go.

However, the limelight was quite tight recently, so it wasn't good to cause trouble for Yan Jun..

But if it was through Ji Yunjing's hands, everything would become logical.

In fact, even if Fang Shaoan didn't say it, Ji Yunjing wouldn't let those people go.

Just as he was about to answer, he looked up and saw Ye Qinghuan and Ye Qinghuan walking out of the milk tea shop. Without thinking, he hung up the phone and threw it aside.

“Du du Du...” before Fang Shaoan could finish his sentence, he heard the sound of someone cutting off the line. “Hello? Hello! Where is she? ! “

Fang Shaoan put down the phone anxiously and subconsciously glanced at the big screen. He saw that Ji Yunjing had already gotten out of the car and was walking towards the girl in the white t-shirt. He immediately scolded, “a guy who prioritizes his lover over his friend! “

“...”

Ji Yunjing quickly ran a few steps after getting out of the car. Just as he was about to catch up with the siblings, he suddenly slowed down.

He suddenly didn't know how to face her, or what to say when they met?

He had been looking forward to her calling him day and night for the past year. He even went to Macau to look for her?

No, he couldn't say that out loud.

So, after thinking about it, he decided to follow her from afar.

As long as he knew her news, it would be good.

In Front, Ye Qinghuan held his brother's hand with a blissful smile on his face. He didn't notice if there was anyone following him.

Ye Qingzhou was still holding the milk tea in his other hand as he sipped it, as if he had found a treasure.

He raised his little head and looked at his sister innocently, asking, "sister, why aren't you drinking?"

"I'm not thirsty." Ye Qinghuan shook her head. In fact, she was just trying to save some money.

The rent was about to be paid, and her brother's school had to organize an excursion, so he had to pay for it too.

She herself had a scholarship, so the tuition fees were not a problem. It was just that she had to spend money on everything in life. She also knew that this money was not easy to come by, so she could not be extravagant.

"Oh... then try the taste! It's so delicious!" Ye Qingzhou insisted on passing the cup over, purely wanting to share his happiness with his sister ...

Ye Qinghuan hesitated for a moment before taking a small sip, and then nodded. "It's really delicious."

"hehe." Ye Qingzhou smiled in satisfaction. Holding the Milk Tea Cup, he told Ye Qinghuan a lot of things about school.

Along the way, Ji Yunjing followed them at a leisurely pace.

He watched them walk around the city park and then go home.

That home was in a village in the city. The environment and living conditions were even worse than their home in Macau.

But even so, Ye Qinghuan and his brother still felt very happy.

At least, no one beat them up all day long, and no one could casually sell them off... ..

He led his brother upstairs and happened to see an old lady on the same floor cooking. When she saw the two of them return, she hurriedly took out two big white and fat mantous from her bag and handed them over "Qinghuan, this is the big mantous that I just bought. Take it and eat it with your younger brother!"

"This..." Ye Qinghuan was a little embarrassed. Just as she was about to refuse, the old lady had already stuffed the mantous into her arms. "Take it! I haven't thanked you for helping me carry water upstairs the last time!"

"okay..." Ye Qinghuan smiled and handed the mantous to her younger brother. "Qingzhou, quickly thank grandma."

Chapter 2074: Ji Yunjing VS Ye Qinghuan 16

Ye Qingzhou immediately nodded obediently. "Thank you, GRANDMA!"

"Sigh! Such a good boy!" The Old Lady stroked his head and smiled.

Walking a few steps forward, another younger female neighbor saw Qing Huan and the others. She turned around and took out a few apples from her house and stuffed them into their hands “Qing Huan, YOU’RE REALLY GOOD! That silly son of mine scored more than 90 points in his math exam this time! It’s all thanks to you tutoring him. Otherwise, he would have failed the entire semester. I’m so angry! “

There was even an old man walking over with a fish in his hand. “Qinghuan, Qingzhou, look! Uncle went to the riverside to fish today! It’s so fresh! Take it back and stew it. It’s smart to eat fish! “

In the end, before Ye Qinghuan even walked into the house, she was already carrying bags of things in her hands... ..

Fortunately, there were some cookies that she made when she was an apprentice in the cake shop at home. She took them out and shared them with everyone. After chatting with them for a while, the entire floor was filled with laughter.

Ji Yunjing leaned against the side of the corridor and put his hands in his pockets. He listened carefully to the conversation between Ye Qinghuan and the neighbors. His lips could not help but curl into a faint smile.

A kind and innocent girl would be liked wherever she went.

He really did not expect that she would bring her brother to Rao city.

Moreover, seeing that she got along so well with the neighbors, she must have lived here for a while.

So... ..

Was it because she was used to living here that she did not call him? n/-O\elbln

The smile on his lips gradually disappeared. Ji Yunjing lowered his eyes and took out a cigarette from his pocket to light it. He smoked quietly and his back view was lonely and lonely.

It was not until the sky slowly darkened that ye qinghuan finished cooking for her brother and told him not to open the door for strangers at home alone. Then, she carried her bag and left.

Tonight, she found a temporary job — to work at a food stall.

Ji Yunjing did not leave. When he leaned against the wall in a daze, he saw ye Qinghuan walk out again.

Thanks to the dim light in the corridor, Ye Qinghuan did not see him at all and went downstairs alone.

Ji Yunjing frowned slightly. He did not know where she was going so late at night, so he had to follow her quickly.

After walking for about four or five streets, Ye Qinghuan stopped at a food stall.

Ji Yunjing watched from afar as she negotiated with the boss for a while before squatting down to wash the vegetables.

He glanced sideways at the Food Stall. Not only was there a wok, but there was also a row of barbecue grills and even a casserole pot. It seemed that the vegetables that Ye Qinghuan washed were the ingredients for this food stall at night.

In the silence, his phone vibrated.

When he opened it, he realized that it was Fang Shaoan who had sent him all the information he had found on Ye Qinghuan in Rao city.

It turned out that she had transferred to Rao city half a year ago. Not only did she get a scholarship, but she also worked several jobs to send her younger brother to school.

There were also many places where she worked. Restaurants, bookstores, coffee shops, cake shops, food stalls... ..

Ji Yunjing could not help but look up. Once again, he looked at the girl who was washing a large pile of vegetables in the distance.

The white t-shirt she was wearing was a little loose, and her jeans were a little old, but they were very clean and tidy.

Even though she was only doing such simple and repetitive physical labor, she was very focused on cleaning every single vegetable leaf.

No matter when or what the situation was, she did not seem to complain. She was always silently working hard.

This kind of her... .. Made Ji Yunjing's heart ache slightly ...

Chapter 2075: Ji Yunjing VS Ye Qinghuan 17

On the surface, it seemed like he and Ye Qinghuan belonged to two completely different worlds.

One was born into a noble family, and with a flip of his hand, he became the cloud, and with a flip of his hand, he became the rain.

The other was born into a commoner, and his family was poor, and he had no one to rely on.

But in reality, Ye Qinghuan and he were very similar.

They both left their parents at a young age, and they both lived for the sake of their younger brothers and sisters. They were both so stubborn and hard-working.

He was able to get to where he was today, and God knows how much he had sacrificed in the countless dark nights.

The bigger lego's business was, the more people and things he had to manage.

Whoever caused trouble, who lost an arm or a leg, and who lost something in someone's stomach, he had to take care of everything that could not be settled.

The past few years had been fine. After Yan Jun took over, the atmosphere in Rao city had become more upright. The economy was developing at a high speed, and the lives of the people began to become prosperous. There were fewer fights and killings.

In the past few years, the injuries on his body had almost never stopped, but he never made a sound, nor did he complain.

From this point of view, the stubbornness on Ye Qinghuan was really similar to him... ..

Perhaps the reason why he was willing to take care of her a little more back then was because he saw the old him in her... ..

It was just that the little bit of care and taking care of her slowly became a matter of course.

She lived in his house and cooked for him and took care of him every day. Even though the two of them rarely spoke and would only get together when they ate, the fireworks in the world gradually made him addicted.

There were many beautiful women in this world, but in the end, Ji Yunjing realized that he only wanted to be with her.

Even if they didn't do anything, as long as the two of them were close to each other, it would be warm.

In the distance.

Ye Qinghuan had already finished washing a bunch of dishes. The boss asked her to look at the casserole for the Porridge, stirring it from time to time to avoid the bottom.

It was still early at this time, and the diners had yet to gather. It was a rare moment of leisure.

At a moment when she was in a daze, she suddenly looked towards the left side of the street. There was nothing else, but she felt as if someone was looking at her.

But when she looked over, she only saw a figure flash past behind the big tree by the street. There was nothing else.

She did not know why, but somewhere in her heart, Meng ran was gripped tightly. Ye Qinghuan put down the employee in her hand and stood up unconsciously, staring at the tree in the distance.

Ji Yunjing did not expect her to look at him. He subconsciously hid behind the tree and held his breath, afraid that she would notice more.

However, the feeling in Ye Qinghuan's heart became more and more obvious. She took a step forward, wanting to investigate the situation.

Seeing that she was about to leave, the boss of the food stall hurriedly asked, "Xiao Ye, where are you going? "

Only then did ye Qinghuan turn around and explain, "boss, I'm going for a while. I'LL BE RIGHT BACK! "

Just as she turned around, Ji Yunjing hid in the bushes nearby and left through the small path.

He thought that now was not the best time to meet.

After ye Qinghuan finished talking to the boss, she quickly ran towards the big tree.

She was not sure if it was her misperception, but she seemed to have... .. seen the gentleman who had helped her and her younger brother ? ?

Although she didn't see his face clearly, she recognized his figure.

Her heartbeat sped up like a drum beat.

Could it be... .. Him ? ?

This question kept circling in her mind. Ye Qinghuan held her breath and ran to the back of the big tree in one breath... ..

Chapter 2076: Ji Yunjing VS Ye Qinghuan 18

At first glance, there was nothing around. There was not even a shadow, let alone a person.

A huge sense of loss instantly attacked her... ..

“Did I miss you too much? I'm hallucinating...” Mumbling, Ye Qinghuan looked around. After confirming that there was really no one around, she turned around and stared at the big tree in front of her.

A hint of sadness flashed in her clear eyes. She raised her hand and gently caressed the tree trunk. Waves gradually rose in her heart.

What she did not know was that at this moment, the place she was caressing was exactly the place where Ji Yunjing had leaned against just now. It was as if there was still a remnant of his body temperature... ..

The night wind suddenly rose and blew away the few remaining withered leaves on the tree branches.

The few pieces that fell occasionally slowly fell and wiped away the tears at the corner of her eyes.

When will we meet again... ..

The stall owner in the distance waited for a long time. He was a little anxious and hurriedly shouted, “Xiao Ye, what are you doing? COME BACK QUICKLY! The PORRIDGE IS GOING TO BURN! “

Ye qinghuan quickly snapped back to reality. “I'LL BE RIGHT THERE! “

She randomly wiped the moisture on her cheeks. She did not even have more time to grieve and immediately threw herself into her work.

Only she herself knew that she was working so hard just so that at a certain moment in the future, when she could really see that man again, she would not be as down and out as she was in the past.

She wanted to make herself better, better... ..

..

After leaving the stall, Ji Yunjing walked around the village in the city. Finally, he stopped at a corner of the overpass and leaned over to watch the traffic coming and going under the bridge.

After a long time, I dialed Fang Shaoan's number.

"I'll take care of the Southeast Asians, but you have to do something for me. "

While speaking, Ji Yunjing turned his eyes to the left of the city village, slowly opened his mouth.

The night wind blew, with bursts of coolness.

It's almost winter.

—

Ye Qinghuan finished work, it is already two o'clock in the morning.

Business at the food stall was good. She washed dishes and worked as a waitress. She ran so fast that her legs almost broke.

Drag the tired body back home, only to find that the original dark several streets, suddenly there are street lights.

The surroundings were brightly lit, and there were even policemen patrolling the streets.

This place was originally a mix of fish and dragons because the rent was cheap. At night, she could often hear the sounds of fighting downstairs. Every time Ye Qinghuan came home late, she would feel a little afraid.

But... .. Tonight seemed to be a little different ...

Even the corridor of the building that she and her brother rented was cleaned up, and there were even a few pots of flowers and plants.

After she went home and washed up, she laid down, but ye Qinghuan couldn't sleep.

Usually, people would be yelling and yelling for death downstairs at this time, but tonight... .. It was quite quiet ...

She remembered the shadow she saw by the tree, and she suddenly had a strange feeling.

Could it be... ..

As soon as this thought surfaced, she immediately killed it in its cradle.

"impossible, absolutely impossible!" She sat up in excitement and hugged her head with both hands, not letting her imagination run wild.

The sudden sound woke up ye Qingzhou who was sleeping next to her. He opened his eyes in confusion and asked, "SIS, why aren't you asleep yet... "

"Uh, I'm already asleep. You should go to sleep..." Ye Qinghuan went over to pull up the blanket for him and comforted him.

After he fell asleep, she resentfully hid under the blanket and took out the photo of Ji Yunjing, whom she regarded as a treasure, from her phone.

It was secretly taken when she took care of him when he had a high fever after he was injured that night.

Chapter 2077: Ji Yunjing VS Ye Qinghuan 19

She had never seen someone like him in her world.

He had been to a nightclub before. Judging from the way he flirted with Lili at that time, he should be a veteran, but he was willing to fight for her, whom he had just met for the first time.

He might never know that when he resolutely protected her behind his back and blocked that menacing knife for her, her heart had completely fallen in.

No one had ever protected her like this since she was young.

She thought that the best gift she had ever received in her life was probably when she met a man named Ji Yunjing that night when she was at her wits' end.

“...”

The next morning, Ye Qinghuan went to school early.

Today's class was very full, and she didn't even have time to work.

Fortunately, her brother was now much more independent, and he could go home by himself after school. Sometimes when he was hungry, he would cook some noodles to deal with it, which made her feel a lot better.

Her days seemed to be getting better and better.

But to her surprise, a transfer student suddenly came to her class, and it was an old acquaintance of hers.

“Hello, my name is Lin Jing. You can call me Cai Cai. “

When the girl introduced herself on the stage, Ye Qinghuan's face changed.

Shu Yi, her deskmate, saw her pale face and thought she was not feeling well. He poked her elbow lightly and asked, “Qinghuan, what happened to you? “

“nothing...” Ye Qinghuan hurriedly shook her head, but she did not dare to look at the stage in panic.

Unexpectedly, Cai Cai saw her early in the morning. After introducing herself, she walked straight to Ye Qinghuan's side and greeted with a smile, “Oh, isn't this Ye Qinghuan? So you transferred here? What a coincidence! “

” ... “ Ye Qinghuan's little face tensed up and said perfunctorily, “yeah, it's quite a coincidence...” “

When Cai Cai saw her like this, her smile became more subtle and she directly sat on the seat behind Ye Qinghuan.

This time, Ye Qinghuan was even more on pins and needles... ..

Shu Yi saw that something was wrong with her and asked in a low voice, “you two know each other? Classmates?”

“Yes.” Ye Qinghuan answered curtly, as if she did not want to continue this topic.

It just so happened that the professor on the stage started to give a lecture, so Shu Yi did not continue asking.

After class, Ye Qinghuan packed up her things and was about to leave, but was stopped by Cai Cai.

“Ye Qinghuan, we’re old classmates meeting, aren’t you going to chat with me? Tonight, Xu Kai said to welcome me and go sing Karaoke. Shall we go together?”

The Xu Kai in Cai Cai’s mouth was the boy sitting next to her.

They had just chatted for a while, and they were already about to welcome the wind and Sing Karaoke. This was really... ..

Ye Qinghuan frowned and rejected. “I’m sorry, I don’t know how to sing. You guys can go.”

After saying that, she was about to leave, but Cai Cai did not give up and pulled her back. “Don’t go! Why are you so disrespectful?” After saying that, she went to look at Xu Kai and said in a coquettish voice, “brother Kai, look at her! She’s looking down on me!”

Xu Kai’s heart was melted by this cry. Without thinking, he spoke up for Cai Cai. “That’s right, Ye Qinghuan. We’re all classmates, so let’s go together! Call a few more classmates, it’ll be more lively with more people!”

As he said that, he glanced behind him. Instantly, a few boys surrounded Ye Qinghuan and blocked her way. It was obvious that they had to go even if they didn’t want to.

Ye Qinghuan’s hands that were holding the book tightened. Her eyes were filled with stubbornness.

Shu Yizhen, who was beside her, was afraid that they would start a conflict. He quickly came over to smooth things over. “Let’s go! Qinghuan, I’ll call a few sisters. Let’s go together!”

There were more people than people. After all, it wasn’t their money that was being spent!

Ye Qinghuan could only bite the bullet and nod. “Alright...”

Chapter 2078: Ji Yunjing VS Ye Qinghuan 20

When Cai Cai saw that she had agreed, she looked at Shu Yi proudly. “that’s great. Call All your friends over! Our brother Kai can afford it, right?”

When Xu Kai heard that, he started calling her brother. He immediately straightened her waist and said swaggeringly, “just the few of you. It’s a small case! Let’s go! Let’s go play!”

They walked in front, and there were a few people waiting behind Ye Qinghuan and Shu Yi.

They had no choice but to follow them.

Xu Kai was probably trying to show off in front of the dishes, so he actually went to a high-class KTV.

Ye Qinghuan followed them inside while thinking of an excuse to open the door later. However, she did not expect that at this moment, the man she had been thinking about in this KTV corridor.. Was actually walking towards her from the other end of the road... ..

Ji Yunjing had received the news that the Southeast Asians had come to this KTV, so he brought Zhou Xian to check out the situation.

Who knew that he would bump into Ye Qinghuan at the next second around the corner.

An earth-shattering sound came from the private room with the door ajar. The dim light in the tunnel was colorful, and everything was so dreamy.

A flash of surprise flashed across Ji Yunjing's dark eyes, and then it was replaced by coldness.

If he had not seen her yesterday, he would have misunderstood that she was still in that line of work.

But... .. The group of people who came with her were all dressed as students, and they came with their classmates ? ?

All the thoughts in his heart were suppressed. Ji Yunjing put one hand in the pocket of his suit pants and quickly withdrew his gaze.

Obviously, he did not intend to take the initiative to recruit her.

As for Ye Qinghuan, the shock in her heart at this moment was no less than the excitement when Ji Yunjing saw her on the big screen of the Security Department yesterday.

She had been looking forward to the reunion for so long. She had fantasized about meeting him countless times. She had wanted to use the best posture to meet him... ..

But she did not expect that the heavens loved to tease people so much. It was actually in a place like a nightclub again... ..

She clenched her hands tightly by her side, and her nails almost sank into her flesh, but she couldn't feel any pain at all.

Just as her thoughts ran wild, the god-like man didn't even look at her again, and walked past her coldly the whole time... ..

Without a word, or even a glance, he walked past her calmly like a stranger.

At that moment, Ye Qinghuan felt her heart stop.

Something that he had always treasured was broken.

He already... .. Didn't remember her ? ?

But she was clearly still the same as before. She didn't even want to change her hairstyle... .. She was afraid that one day when she met him on the street, he wouldn't be able to recognize her ...

But at that moment, all of her persistence and hope turned into a joke.

He didn't remember her at all... ..

His heart was in so much pain, as if it was being torn apart.

Something hot burst out of his eyes.

When Shu Yi turned around, he was shocked by her appearance. He quickly asked, "Qinghuan! Why are you crying? "

Ji Yunjing, who had already walked over, happened to hear this sentence.

His slender legs suddenly froze. His eyes were deep and his jaw was tightly taut. n.-OVeLbIn

On the other side, Ye Qinghuan did not turn around. After being replaced by Shu Yi's words, she casually raised her hand to wipe the tears on her face. She smiled bitterly and said, "I'm fine. "

Chapter 2079: Ji Yunjing VS Ye Qinghuan 21

He was obviously in trouble... Shu Yi wanted to ask further, but he was pushed by a few people behind him. "What are you waiting for? HURRY UP! "

"What are you rushing for? You'RE RUSHING TO BE REINCARNATED! " Shu Yi cursed and pulled Ye Qinghuan forward.

At this time, Ye Qinghuan couldn't care less about what these people were saying. All her attention was on the chance encounter just now... ..

After they left, Ji Yunjing turned around and looked at the empty tunnel coldly.

Zhou Xian did not know Ye Qinghuan, and he did not know why his grandfather, who had just said that he was leaving, stopped at this moment and even stared behind him.

"Grandfather, what's wrong? " Zhou Xian thought that he had made a new discovery.

Ji Yunjing did not answer. To be exact, he was not in the mood to think about anything else. All his attention was on the sentence he had just heard, 'why are you crying? ' And that group of people. They were obviously not very friendly towards Ye Qinghuan.

He frowned and did not hesitate any longer. Instead, he followed them.

Zhou Xian was stunned for a moment. He scratched the back of his head in confusion. Didn't they just come out Why did they have to go back?

"..."

Xu Kai and the rest did not open a private room. Instead, they booked two tables behind the dance floor in the hall.

Caicai took off her coat and started to dance with Xu Kai on the dance floor in her tank top and miniskirt. The size was quite eye-catching.

Shu Yi simply covered his eyes. He could not stand it anymore. “where did the wild vixen come from? You don’t need us to be the audience to seduce men, right? “

Everyone was an adult, so they had to decide what they wanted to do. Shu Yi could understand it, but the dishes were obviously too much. Were they trying to bring them here to be abused?

On the other hand, Xu Kai’s lackeys were all staring at the beautiful women writhing on the dance floor. They were so happy that they almost drooled.

Birds of a feather flock together!

Shaking his head, Shu Yi sized up the people around him before turning to look at Ye Qinghuan. “Qinghuan, tell me about that dish! was she like this when she was in Macau? “

” ... Huh? “ Ye Qinghuan asked, “what did you say? “

“What’s wrong with you? Why are you in a daze? “ Shu Yi frowned. Ever since that dish had appeared, she had felt that Ye Qinghuan was strange. After coming to the KTV, she had even lost her soul.

“I. . . “ Ye Qinghuan opened his mouth, but he was interrupted by the dish that came out from the dance floor.

“How is it, Qinghuan? You should be familiar with this place, right? “ The dish took a bottle of beer on the table, opened it with her teeth, and gulped down a few mouthfuls.

Hearing this, Ye Qinghuan subconsciously furrowed her eyebrows, and her folded hands also tightened.

Seeing her like this, Shu Yi also instinctively frowned.

Xu Kai was interested, walking over and placing his hand on Cai Cai’s shoulder, he asked, “what do you mean? Ye Qinghuan, do you often come here? I see that you’re usually quite honest, I really can’t tell! “

Hearing this, Cai Cai’s smile became sarcastic, and the Gaze she looked at Ye Qinghuan became even sharper. “honest? Did I hear wrong? Qinghuan, you used to be a celebrity in our school! “

“celebrity? Campus Belle? “ Xu Kai took a sip of wine and asked casually.

“What Campus Belle? She’s a Social Aid Belle! HAHAHA! “ Cai Cai laughed even more wantonly.

As soon as she said this, everyone’s eyes turned towards Ye Qinghuan, including Shu Yi and the few female students she had called over.

Chapter 2080: Ji Yunjing VS Ye Qinghuan 22

As the center of attention, the last string of tension in Ye Qinghuan’s head was completely broken.

She used all her strength to dig out the pain deep in her heart. That feeling was as uncomfortable as being stripped naked and standing in front of everyone.

In fact, when she saw the dishes at school, she had already guessed that something like this would happen. She just didn't expect it to happen so quickly and so suddenly... ..

Her delicate little face finally lost all color.

Shu Yi, who was sitting next to Ye Qinghuan, saw the situation and slammed the table. He pointed at Cai Cai's nose and scolded, "what nonsense are you spouting!" *nOvE-lb.1n*

"whether I'm spouting nonsense or not, just ask her!" Cai Cai crossed her arms in front of her chest and looked with interest at ye Qinghuan, who was sitting on the sofa like a wooden chicken. Her face was Pale "Ye Qinghuan, you don't dare to admit what you've done! You debuted when you were more than ten years old. I heard that someone smashed the entire 'Elysium' for you that night! "

Unfortunately, the dishes were also in the 'paradise' that night. She witnessed the whole incident and spread the news in school as soon as she turned around.

Ever since then, no matter where Ye Qinghuan went in school, there would always be people pointing at her behind her back.

When she left Macau, other than being unable to tolerate her stepfather's insatiable greed, she also wanted to change places to start over.

However, she did not expect that the past that she tried so hard to hide would be exposed so easily.

Ye Qinghuan looked at the dishes standing in front of her proudly. She suddenly felt that it was not as scary as she had imagined... ..

She did not need to care about their judgment. She only needed to know that there was someone who had never cared about her identity and what she had done. That was enough.

Ji Yunjing's face kept flashing in her mind, as if it gave ye Qinghuan power.

She slowly stood up and stared at the aggressive gaze of the dishes. She admitted generously, "yes, I did do it. "

Since it was fated that she could not hide it, then she should bravely accept it!

Shu Yi did not expect Ye Qinghuan to answer. Her eyes flickered slightly, and the female students behind her began to whisper among themselves.

"It can't be... She's usually quite well-behaved. I didn't expect her to do that too! "

"Tsk Tsk, you can't judge a book by its cover! The key is that she's good-looking. Wouldn't it be a pity not to do it? "

"No wonder she doesn't live on campus. So it's convenient for this... "

Shu Yi felt uncomfortable listening to this. He turned around and glared at the girls. "Stop Talking! "

The dishes were still not enough. He added on sarcastically, "you don't allow others to tell you what you've done! Acting innocent after being a whore. Ye Qinghuan, you're really good! "

She was actually jealous of Ye Qinghuan. Whether it was her looks or her grades, Ye Qinghuan was always better than her. In the eyes of the teachers, Ye Qinghuan was an obedient girl. She was a Liu Adou who could not be helped. Now that she had such an opportunity, she still wanted to take revenge.

After listening to her, Xu Kai once again sized up ye Qinghuan from top to bottom. Seeing that her figure was indeed not bad, he immediately had a lust for her.

He took two steps forward and stood in front of Ye Qinghuan. He reached out to touch her chin and teased, "so you're also a chicken. Why didn't you say so earlier! How's the market? How much is it for one night? "

Ye Qinghuan subconsciously wanted to dodge, but before she could move, Xu Kai's hand was firmly held by a force!

Immediately after, a familiar, low voice reached her ear, "you dare to touch my woman? Are you courting death? "
