Chapter 2081: Ji Yunjing VS Ye Qinghuan 23

Then, there was a dead silence.

Ye Qinghuan subconsciously looked back and stared at the man who had brushed past her just now. His gaze was frozen in that instant.

It was him.

It was the man who had saved her from the fire and water, the man who had fought his way out in front of everyone and brought her away!

Ji Yunjing!

He had actually returned!

And... .. He had just said that she was his woman ...

In the eyes of the rest of the people present, she was no less than Ye Qinghuan.

Especially that dish.

She stared blankly at Ji Yunjing, who had suddenly appeared like a shura, and was dumbfounded.

She had witnessed the entire process that night in the Elysium realm, so she had naturally met Ji Yunjing, and she also knew that this man was not someone to be trifled with!

Her quick-witted and smug words seemed to be stuck in her throat, and she could not say a word.

As for Xu Kai... ..

He was originally here to pick up girls, and his good mood was ruined just like that. Immediately, the young master's temper flared up, and he shouted at Ji Yunjing, "bastard! Let go of me! Do you know who I am? ! "

Ji Yunjing had not used much strength, but after Xu Kai said that, his hand that was holding Xu Kai moved slightly, and with a crack, Xu Kai's hand was fractured.

"AHHHH! " He let out a series of painful cries like a pig being slaughtered, and his face suddenly turned Pale.

His underling behind him saw that the situation was not good, and he quickly sneaked away to get help.

Zhou Xian was also stunned when he saw this, and he muttered worriedly, "master, this... "

After all, the backer behind this KTV was not small.

It was better not to make too much of a fuss in this kind of situation.

Ji Yunjing acted as if he did not hear anything. He continued to increase the strength of his hand calmly.

His eyes were as dark as a Falcon's. They were malicious and evil. He looked at Xu Kai's face, which had become distorted due to the pain.

"AHHHHH!" Xu Kai's screams became even more intense. He was like a snake that had its seven inches pinched. He had no strength to resist at all.

When Cai Cai saw that the situation was not right, she quietly took a step back and hid in the crowd. She wanted to find an opportunity to leave.

Although Shu Yi did not say anything, she secretly observed Cai Cai's every move. Seeing that she was about to escape, she sneered in her heart. Just as she was about to point it out, Ye Qinghuan, who was beside her, spoke at this time.

"Sir..." Ye Qinghuan did not want to blow the matter up. In a moment of desperation, she grabbed Ji Yunjing's arms with both hands. "Don't do this..."

Hearing this, Ji Yunjing turned back and looked into her slightly pleading eyes with an unfathomable gaze. "Did he touch you?"

"..." Ye Qinghuan's little face instantly turned red and she hurriedly shook her head. "No, no..."

Ji Yunjing turned back to look at Xu Kai after hearing his answer. She approached him slowly and warned him in a cold voice, "if I see you having designs on her again, I will cripple you with my own hands!"

After saying that, he threw Xu Kai out. That figure was arrogant and bloodthirsty, like the God of death. His whole body was emitting a strong murderous aura.

When Xu Kai was thrown out, his underlings brought reinforcements.

It was the owner of this KTV, Lei Ting. He caught Xu Kai's shaky body and asked, "are you okay?"

Xu Kai turned around to take a look and immediately burst into tears. "UNCLE! He broke my hand! ! It hurts! !"

Lei Ting subconsciously held on to the arm that Xu Kai was hugging tightly. He heard Xu Kai let out another wave of screams and immediately frowned. He glared coldly at Ji Yunjing.

"Young Master Ji, you came to my place to cause trouble and even hit my nephew. How should I settle this score?"

Chapter 2082: Ji Yunjing VS Ye Qinghuan 24

Leiting had been in the Jianghu for many years, and the power behind him was not to be underestimated. However, he had joined Lu Yiming's side back then, and even though the dynasty had changed, he still had some problems with the Ji family.

Both families opened casinos and a series of entertainment venues in Rao city, so it was inevitable that they had a competitive relationship, and this relationship made Leiting unhappy with Ji Yunjing for a long time.

However, even so, the two families were still calm on the surface, talking and laughing, worrying that there was nothing that could be used as a fuse to tear this relationship apart.

It was also a coincidence this time. Ji Yunjing actually caused trouble in his territory. This time, he did not seize the opportunity and completely shed all pretense of cordiality with the Ji family.

Ji Yunjing only glanced at him indifferently. He took out a white handkerchief from the pocket of his suit jacket and wiped his hands that were not dirty at a leisurely pace "You want to settle the score? Alright, why don't you ask your nephew why he touched my woman first? "

It was this "my woman" again.

Ye Qinghuan gritted his teeth and stood beside Ji Yunjing. The mist that slowly rose up wetted her eyes.

Lei Ting originally thought that he could take the initiative to strike first, but who knew that the reason seemed to be that his nephew had caused trouble first?

He suddenly looked back and questioned Xu Kai with an icy face, "what's going on? ! " *no vE(lb*.In

Xu Kai's hands were already hurting terribly, and when his uncle yelled at him, he almost lost his soul. For a moment, he was at a loss for words and did not know what to say.

On the other hand, Cai Cai, who had originally planned to open Liu Liu, saw that Xu Kai's family really had some power, and this uncle seemed to be a ruthless character. He immediately dismissed the idea of opening Liu and took the initiative to stand out instead He carefully supported Xu Kai and began to complain, "uncle, you really misunderstood! Ah Kai didn't touch Ye Qinghuan at all. We're classmates, and we're here to sing Karaoke. Who knew that this gentleman would rush over and break AH KAI's hand without saying a word! "

Xu Kai's brain was like glue. When he heard Cai Cai's words, he immediately nodded. "Yes, uncle, that's how it is! I REALLY DIDN'T CAUSE TROUBLE! "

The stiff lines on leiting's face eased up a little. He didn't care about the relationship between the woman who just spoke and Xu Kai. He didn't care if what she said was true or false. As long as it was beneficial to him, it was fine.

He immediately put on a face and turned to look at Ji Yunjing and the woman beside him. He snorted coldly "young master Ji, don't talk nonsense. My nephew has been obedient and sensible since he was young. Moreover, he has a girlfriend. There are so many women in this scene. Do you really have to take a fancy to this person on your side? Don't tell me that he purposely came to my place to forcefully find an excuse? "

These words had a double meaning. Not only did they invert right and wrong, but they also belittled Ye Qinghuan, double the face of Ji Yunjing.

Ji Yunjing looked at the few people in front of him coldly, and a trace of mockery flashed across his bloodthirsty lips.

"Lei Lao er, I want to mess with your place. Do I need to find an excuse? "

His cold tone was filled with a chill that threatened one's soul!

To be honest, Leiting had been trying their best to find Hu Legao's clients recently. Ji Yunjing had turned a blind eye to it. The recent situation was a little tense, so he naturally would not make things difficult for Yan Jun. Many things were resolved peacefully.

But... ..

Leiting should never have belittled the woman he liked in front of him!

Since that was the case, then it was fine to settle old and new grudges together and unify Rao city's entertainment industry!

Chapter 2083: Ji Yunjing VS Ye Qinghuan 25

LEITING's face suddenly turned green and white, and beads of sweat slowly formed on his forehead.

Just now, both parties were still polite and courteous, but Ji Yunjing suddenly changed the way he addressed him, from the head of Leiting to the second of Leiting. The meaning behind this was self-evident.

But even so, Leiting felt that he could not be inferior in terms of imposing manner. He raised his hand and shouted "Do you think I'm afraid of you, Ji Yunjing? ! If you can walk out of my place today, then even if you're amazing, come on, surround me. Not even a fly is allowed to fly out! "

As soon as he said that, all the thugs in the nightclub gathered and surrounded Ji Yunjing and Ye Qinghuan in the middle.

Seeing this, Ye Qinghuan seemed to recall what happened that night in the Elysium realm. At that time, Ji Yunjing was also one against ten, but he suffered very serious injuries and had a high fever all night.

She looked up at the man who stood in front of her like a God, and a touch of pity and heartache rose in her heart. She quietly reached out and grabbed Ji Yunjing's suit sleeve, saying in a low voice, "sir, you should go. Don't fight over me. "

Ji Yunjing did not care about the power of lightning at all. He did not care even if they fought here today!

However, he did not expect that the woman he was protecting behind him would say something like this.

He lowered his eyes and looked straight at her. His lips curled slightly and he smiled evilly. "Are you worried that I will get hurt? "

"..."Ye Qinghuan was stunned for a moment before he nodded weakly. He was like a cute little animal, a little hesitant and scared, but also very real.

After getting her answer, Ji Yunjing's devilish smile rose from the corner of his mouth. He asked her, "if I get hurt, will you still take care of me for the whole night? "

Ye Qinghuan was shocked by his words and hurriedly pulled him back. "Don't get hurt... "

“Just these few people, what can they do to me?” Ji Yunjing sneered and looked back at Leiting, but his words were directed at Zhou Xian. “What are you still standing there for? ! If Lei Lao er wants to play, let’s play with him! Tell Xiantian that someone is planning to go against lego! “

Hearing that, Zhou Xian immediately nodded. “Yes, master, I’ll call someone right now! “

After that, he took out his phone and said a few words, probably to get someone to bring the guy over, then hung up.

When he heard this, three black lines appeared on leiting’s forehead. His face was stiff, and he looked very bad.

He did not miss the word ‘summer’ that Ji Yunjing had mentioned just now... ..

It was rumored that the leader of Lego had a deep relationship with the higher-ups. Not only Rao city, but even Europe and the Middle East had his territory!

It was fine to offend Lego, but if he offended that group of people, his life would not be easy.

When leiting was silent, Xu Kai, who had recovered from the pain, shouted domineeringly, “uncle, you must avenge me! I want to rip his arm off to make amends! “

Xu Kai was a spoiled child. He relied on his family’s influence to strut around and dare to do anything.

However, he probably did not know what kind of person he had provoked tonight... ..

Cai Cai was also fanning the flames by the side. “Yes, uncle, look at Ah Kai’s pain. You must stand up for him! “

The two juniors were making a Ruckus over there. As an elder, leiting made up his mind and shouted, “Go! “

Chapter 2084: Ji Yunjing VS Ye Qinghuan,

After that, all the fighters behind him who were already in position immediately rushed towards Ji Yunjing, shouting and shouting!

He didn’t believe it!

Ji Yunjing had only brought one person here today, could he not be treated? ! !

Since they had already shed all pretenses of cordiality, then they would rely on their own abilities, and the ones who survived would get everything!

Caicai and Xu Kai laughed complacently. They also felt that with their side’s numbers, Ji Yunjing would definitely be outnumbered!

However, what they didn’t expect was that Ji Yunjing had no intention of personally making a move from the start... ..

The moment those people rushed up, Zhou Xian had already pulled out the three-section stick that had been hidden in his sleeve. With a Swish, he swung it 60 cm long and blocked in front of Ji Yunjing!

No matter how many people came, they were all no match for him! **noVe.lB-1n**

Leiting was stunned, Xu Kai and Cai Cai were also stunned. None of them had expected that the seemingly timid follower behind Ji Yunjing could actually hold his own against ten thousand men!

Compared to them, Ji Yunjing was much calmer.

There were so many people under Lego. Naturally, there was a reason why he had left Zhou Xian alone under him.

Although Zhou Xian's brain wasn't that good, he had martial arts skills that weren't inferior to Li Jie's. As long as he studied for a few more years, he would definitely become a good player at Lego!

How could he not have some good martial arts skills when he was out?

In less than three minutes, the first wave of people who rushed up had all been knocked to the ground by Zhou Xian!

Leiting was sweating profusely. He waved his hand and called over 20 thugs. "All of you, go!"

At this moment, the helpers that Zhou Xian had called over had all arrived.

Three black vans stopped at the entrance of the KTV. Seven people got out of each vehicle. Each of them brought their weapons and rushed into the KTV with a whoosh!

Hearing the commotion outside the door, everyone in the venue was stunned and looked out of the door in unison.

Ji Yunjing did not expect that the person who came was actually Li Jie.

Seeing that he had so many people behind him, it was probably Xia Jinqi's idea.

Li Jie swept his gaze across the arena. When he saw Ji Yunjing, he walked straight towards him. "Young Master."

"Xia Tian's idea?" Ji Yunjing raised his eyebrows and asked.

Li Jie nodded. "The chairman said that since we can't be friends, there's no need to show mercy. We'll do as young master says."

"..." on the other side, Leiting's face was completely ashen. Even his palms were starting to sweat!

He was a little regretful. He should not have provoked Ji Yunjing so rashly... ..

His heart began to flinch, but the imposing manner on his mouth weakened. Leiting looked at Li Jie in shock. "What do you mean? LEGO wants to eat my plate?!"

Hearing this, the smile on Ji Yunjing's lips became even colder. Between his brows, there was an extreme malice.

“second brother Leiting, you’re overestimating yourself. To be honest, I, Lego, don’t care about your plate. Either you die tonight, or I’ll let your good nephew cut off one of his arms. Choose! “

As soon as he finished speaking, Li Jie and Zhou Xian turned their bodies at the same time and looked coldly at Leiting and Xu Kai, who had his arms crossed. The threat in their eyes was self-evident!

The twenty people that Li Jie had brought with him were also prepared for battle. Each of them clenched their teeth tightly, as if they were ready to risk their lives.

Xu Kai was so frightened by their imposing manner that his teeth were trembling!

In the end, he was just a child spoiled by his parents. It was normal for him to scare his classmates in his own territory. However, he had never seen such a scene where he was going all out in the streets. He was so frightened that his legs turned soft. He almost peed.

Chapter 2085: Ji Yunjing VS Ye Qinghuan-27

He wanted an arm... ... What would he do without an arm in the future ! !

“Uncle... ” Xu Kai was a little scared and hurriedly called for Leiting.

Leiting gritted his teeth and shifted his gaze from Li Jie and Zhou Xian to Ji Yunjing who was behind them.

He had already witnessed Zhou Xian’s skills just now, not to mention Li Jie, who was ranked first on the assassin list. Even if all the people in his arena went up tonight, they might not be able to win against these two people.

Most importantly, this matter had already alarmed Xia Tian.

It was said that that kid was in charge of the entire Ji family at such a young age, and even that bunch of sly old foxes from Macau were subdued by him. One could see his methods.

If he really went up against Ji Yunjing today, not only would he not be able to gain any benefits, he might even offend Xia Tian. This... ...

While he was hesitating, the subordinate behind him suddenly handed over a phone and whispered into Leiting’s ear, “big boss is calling. “

Leiting frowned and hurriedly picked up the phone. He said respectfully, “big brother. “

LEITING’s big brother, Lei Jun, spoke with a hint of anger, “I don’t care what you are doing. Apologize to JI YUNJING RIGHT NOW! “

“...”Leiting was stunned. He didn’t expect his big brother to find out about this so quickly!

After waiting for a while for Leiting’s reply, Lei Jun seemed to have guessed what was on his mind. He shouted again, “Xu Kai caused this trouble himself. LET HIM SOLVE IT HIMSELF! If you want to die, don’t drag our Leiting clan into this! “

After being scolded so easily, Leiting's last bit of confidence was gone. He looked at Ji Yunjing again and started to panic.

Lei Jun was his biological older brother, and also the person he respected the most in his heart. Even his older brother had said so... ..

"I got it." After putting down the phone, Leiting waved his hand behind him, and someone immediately pushed Xu Kai out.

Xu Kai was completely stunned. He stumbled and almost fell to the ground. He looked at Leiting with intense fear in his eyes. "Uncle, you... what do you mean by this?"

"It's your own fault. SOLVE IT YOURSELF!" Leiting took out a knife from the guard beside him and threw it at Xu Kai's feet.

This change in attitude was too quick. Xu Kai was so scared that his throat tightened and his eyes turned red.

"UNCLE! You have to save me! My mother... If my mother knew that I only had one arm, she would definitely be heartbroken!" Xu Kai knelt down in front of Leiting and begged for mercy. "Uncle, save me, save me!"

Lei Ting looked down at him and was a little moved. He reminded him, "the person you should be begging is young master Ji."

Xu Kai was already scared out of his wits. When he heard this, he did not care about his face at all. He turned around and knelt in front of Ji Yunjing and Ye Qinghuan. He kept crying, "it's my fault, it's all my fault. I shouldn't have provoked Ye Qinghuan. I won't dare to do it again in the future!"

"..."Ye Qinghuan hid behind Ji Yunjing. She did not know why the situation had suddenly changed.

Ji Yunjing was sitting on the sofa, his long legs crossed. He looked down at Xu Kai, who was kneeling on the ground and trembling.

"Ye Qinghuan, you called him that too?" His voice rose, and his narrow eyes shot out a soul-stirring hostility.

Xu Kai's body trembled, and his throat tightened. He could barely speak.

Chapter 2086: Ji Yunjing VS Ye Qinghuan 28

"I... I..." Xu Kai mumbled. His eyes suddenly turned and his gaze fell on Ye Qinghuan ...

He crawled over on his knees and kept kowtowing to her. "Miss, Great Aunt, please let me go!"

Ye Qinghuan was shocked by his appearance and instinctively took a step back.

At the same time, a force suddenly came from his hand and tightly grabbed her wrist!

"..."Ye Qinghuan turned his eyes and met Ji Yunjing's dark eyes that were full of deep meaning.

Before she could find out the true meaning in his eyes, she was pulled into his arms.

Under the watchful eyes of everyone, she fell on his lap... ..

Because she lost her balance, she almost subconsciously reached out to wrap her arms around his neck.

Fortunately, she tried her best to suppress the scream in her throat so that she would not be in such a sorry state.

She could only open her innocent eyes wide and stare at the man who was holding her in his arms and protecting her. Her heartbeat suddenly accelerated!

“Sir...” she called out to him uneasily and embarrassedly.

Ji Yunjing lowered his eyes to look at her, who was extremely shy in his arms. Suddenly, he raised his hand to caress her flower-like face and asked gently, “he offended you, how do you want him to apologize?”

As soon as he said this, Ye Qinghuan instantly became the center of attention!

Even leiting could not help but take another look at Ye Qinghuan. He could not figure out the relationship between this girl and Ji Yunjing, so he did not dare to express his stance casually.

Cai Cai, who was hiding in the crowd, gritted her teeth and glared at Ye Qinghuan with hatred in her eyes. It was not easy to find such a good opportunity to humiliate her, but who would have thought that Cheng Yaojin would suddenly appear out of nowhere and break her wishful thinking!

Just as Cai Cai was hating Ye Qinghuan, Shu Yi was also secretly sizing her up. n--0ve**LB**1n

At this moment, before Ye Qinghuan could even open his mouth to answer, he stood out and pointed at Cai Cai as he scolded, “I don’t think it’s just Xu Kai who needs to make amends. Cai Cai, the instigator, also needs to make amends!”

When Meng di was called out, Cai Cai’s entire body quivered and she looked at Shu Yi in surprise.

At the same time, she also saw Ji Yunjing, whose eyes instantly emitted killing intent... ..

Meng Di’s heart thumped and Cai Cai’s forehead started to sweat, but her mouth was still trying to show off.. “Did I say anything wrong?” Ye Qinghuan was the miss of the ‘paradise world’ when she was in Macau Back then, summer had ordered her, but who knew that she would be together with another man now? Someone actually picked up such a ruined woman and treated her like a treasure!”

Actually, in the situation at that time, Cai Cai had also knelt down to beg for mercy and might have been able to beg for a way out, but she just couldn’t accept it!

Why was Ye Qinghuan so lucky every time!

When she was in school, the teachers liked her, the students liked her, and when she was out in the world, there was actually such a handsome man with such a strong aura protecting her!

How hateful!

It would be best if she revealed her dirty past and was kicked away by this man!

When ye Qinghuan heard the words 'ruined flower, ruined willow', her whole body tensed up, and her little face inexplicably stiffened.

She raised her head and secretly looked at Ji Yunjing, worried that he would think the same way... .. But in the next second.. She saw the corner of his thin lips curl up into a sarcastic smile, and one sentence blocked the dishes "You're right, Qinghuan is the treasure in my hands. And you... spoke so rudely to my woman, there's no use keeping your tongue. "

Chapter 2087: Ji Yunjing VS Ye Qinghuan 29

As soon as she finished speaking, Caicai didn't even realize the meaning behind Ji Yunjing's words. Zhou Xian had already turned around and dragged her out.

The moment Caicai lowered her eyes, she happened to see Zhou Xian holding a fruit knife in his right hand. Under the light of the lamp, it reflected a cold and bloodthirsty light... ..

"No! Let go of me!" Suddenly realizing what she might suffer next, CAICAI SCREAMED WITH A HEART-WRENCHING SCREAM!

However, no matter how fiercely she resisted and how shrill her voice was, Zhou Xian was not moved at all.

He grabbed Cai Cai's arm with one hand and dragged her all the way out... ..

Xu Kai, who was watching from the side, was dumbfounded. His face turned even Paler, and he subconsciously clutched his arm tightly.

Lei Ting, on the other hand, watched coldly from the side. He seemed to have made up his mind not to care about this matter anymore. It seemed that he had long been used to this kind of scene. It was just a tongue. In this business, there were countless people who lost their lives all year round No one had ever cared about it.

However, this was the first time Ye Qinghuan had seen such a scene.

She saw the fear in Cai Cai's eyes and Zhou Xian's coldness. Her heart skipped a beat. Without thinking, she grabbed Ji Yunjing's suit and said hurriedly, "sir, let them Go... "

"Huh?" Ji Yunjing raised his eyebrows and looked down at the girl in his arms.

Ye Qinghuan's eyes dodged slightly and said self-deprecatingly, "what they said is also the truth. "

After saying that, she looked at leaving again. "It's not worth it to do this for me. "

Ji Yunjing looked at her fixedly. He did not expect that even though she looked weak and had no sense of presence, in fact, nothing was hidden from her eyes.

She could see that he was using her as an excuse to intimidate Lei Ting... ..

She was a smart girl.

Whatever. *no ε. 1b-1n*

She could teach Lei Ting a lesson at any time, but she was scared.

Ji Yunjing curled the corners of her lips and leaned over to her ear, whispering softly, "as long as it's for you, it's worth it to do anything. "

Ye Qinghuan was stunned and her ears turned red instantly.

Before she could continue to be shy, Ji Yunjing had already pulled her up and was about to leave.

Lei Ting saw this and quickly surrounded her. He asked carefully, "Young Master Ji, what are you doing?"

"Tonight's matter ends here." Ji Yunjing glanced at him indifferently, and a dangerous glint flashed in his eyes. "Say hello to your big brother for me. "

After that, he held ye Qinghuan's hand and walked away in front of everyone's astonished gazes.

The rest of Lei Ting's face was stiff.

He was wondering why his big brother would suddenly call. It turned out that Ji Yunjing had secretly done something... ..

Seeing Ji Yunjing leave, Li Jie waved his hand and left with a group of people.

At the same time, Lei Jun, who was far away in his own field, also heaved a sigh of relief.

Because the gun that had been pointed at his temple from the beginning was finally moved away... ..

Xia Jinqi, who was dressed as a man, played with the guy in her hand and looked at Lei Jun with a faint smile. "Big boss Lei, sorry for offending you this time. "

"humph. Xia Tian, do we need to talk so much nonsense? I let you sneak into my territory. I, Lei Jun, am not capable. I admit defeat!" Lei Jun's tone was not very good. After all, the muzzle mark on his temple was still there... ..

Xia Jinqi did not say anything more on this topic. She only threw down a threat in a cold voice. "Take care of your second brother. If you dare to have any ideas about Lego again, I won't just warn you! "

Chapter 2088: Ji Yunjing VS Ye Qinghuan 30

"..."Lei Jun was scolded until he lost his temper. He gritted his teeth and did not say another word.

Seeing this, Xia Jinqi led her people and left.

"..."

When Ji Yunjing walked to the door of the KTV, he received a call from Xia Jinqi.

"cousin, are you okay? "

“I’m fine. I’ve already come out.” Ji Yunjing smiled. He had long guessed that Xia Jinqi must have done something behind the scenes. Otherwise, Lei Ting’s attitude would not have changed so quickly. “thank you for what happened just now. “

“Why are we siblings being so polite?” Xia Jinqi also smiled. “I should go back too. COME OVER FOR DINNER TOMORROW! “

“Okay.” Ji Yunjing nodded. He put down his phone and gave a few instructions to Li Jie before he left with his people.

Ye Qinghuan did not know much about Lego. She was only focused on the KTV exit, and her beautiful brows were tightly furrowed.

Zhou Xian had not come out yet... ..

While she was lost in her thoughts, Ji Yunjing’s deep and deep voice came from behind her. “Get in the car. “

Ye Qinghuan turned around, but his feet did not move even half a step. Instead, he muttered, “sir, if I had not spoken just now, would you have really... pulled out the tongue of the vegetables? “

“...” Ji Yunjing frowned. His handsome face darkened slightly, and there was a certain kind of Ling Han in his eyes.

The answer was obvious.

Ye Qinghuan suddenly felt that this question of his was a little redundant.

She didn’t continue to ask any more questions, and quickly got into the car.

Ji Yunjing held the steering wheel, and when he saw that she had fastened her seatbelt, he said, “are you hungry? Go eat something. “

Ye Qinghuan grabbed the seatbelt a little awkwardly, and nodded slightly.

After school, she directly came here. Although there was food in the KTV, she didn’t take a single bite. After all, in that kind of place, even if it was something she brought over, there would be a certain risk of eating it after leaving her sight for a second Not to mention that it was originally prepared by someone else.

In the Elysium world, even if it was just a short day, Ye Qinghuan had learned enough things.

The car drove steadily. Ji Yunjing didn’t even look at the Lei family KTV behind him.

He left Zhou Xian behind to deal with the aftermath.

Xu Kai and Cai Cai could be spared from death, but they couldn’t escape punishment.

But there was no need to tell these things to Ye Qinghuan.

After so many years, some things and some darkness, Ji Yunjing was already used to enduring them alone.

Ji Yunjing's silence made Ye Qinghuan even more nervous.

Even now, she still felt like she was dreaming... ..

The person she had been looking forward to for so long not only reunited with her again today, he even helped her out of her predicament and brought her out.

No matter what, she should have expressed her gratitude to him.

Thinking of this, Ye Qinghuan did the same.

She turned to look at him and said sincerely, "Sir, thank you for saving me tonight. "

Hearing this, Ji Yunjing came back to his senses and turned to look at her. His gaze was deep, but there was a hint of mockery in his tone. "Are you just saying that? "

"..."Ye Qinghuan paused, not understanding what he meant.

Ji Yunjing continued, "you also said thank you in Macau, but in the blink of an eye, you disappeared without a trace. "

This time, there was actually a hint of complaint in his tone.

"I..." Ye Qinghuan opened his mouth, wanting to explain, but when the words reached his mouth, he realized that his explanation was so useless, so he could only give up in the end.

The car fell into silence again.

Until Ji Yunjing parked the car next to a noodle shop on a quiet street.

"Get out of the car, " he said and opened the door first.

Ye Qinghuan also got out of the car hurriedly and trotted to keep up with his footsteps.

Chapter 2089: Ji Yunjing VS Ye Qinghuan 31

The two of them entered the noodle shop one after the other.

There was no luxurious decoration, just a simple white and pink wall. Even the menu was written on a small blackboard. There was only a limited supply of four types of noodles every day. The second and third types were sold out.

Ji Yunjing ordered one of the remaining two types and then sat down by the window.

Ye Qinghuan tightened the strap of his bag and followed him to sit across from him.

After a moment of silence, the lady boss came over with the noodles. She did not ask who had what flavor and just put it down casually. It was very unique.

Two big bowls of noodles. The steaming steam from the steaming noodles made their faces become blurry.

Ji Yunjing seemed to be really hungry. He ate very well, but even so, his movements were still elegant.

No matter what, he was still a young master from a wealthy family. He had been educated since he was young. Even after so many years of cultivation, he could not change.

Ye Qinghuan's mind was not on the noodles. As she ate, she secretly looked at him across from her.

It was a strange feeling.

Just a second ago, she had cut off contact with him. Just like most people in the world, they were doing their own things. How did they meet in the next second? Furthermore, they were sitting together and eating noodles. It was not strange at all, as if they had never been separated.

Perhaps he had noticed her peeking, but the man across from her suddenly asked, "what flavor is yours?"

"Ah?" Ye Qinghuan was dumbfounded. It took her a long time to react. He was asking her what the taste of her noodles was... ..

She had been eating for a long time, but she still didn't know what it was. She could only bury her head in her mouth and take a bite before she answered in embarrassment, "beef..."

Ji Yunjing took in her reaction without batting an eyelid. His stiff jaw finally eased up a little. He asked again, "Is it good?"

"Yes." She nodded blankly. She was a little uncomfortable with his sudden topic.

Ji Yunjing had already put down his chopsticks and picked up a tissue to wipe the corner of his mouth. His dark eyes were fixed on her tightly. "Do you have a boyfriend?"

Ye Qinghuan, "...shook his head.

The span between these two topics seemed to be a little big.

"Why did you come to Rao city?" He asked again.

"My stepfather was released from prison and sold all the things in the house. I could only escape with my younger brother." Ye Qinghuan used a simple sentence to cover all the torture that she had suffered.

Those things had hurt her greatly in the past, but now she didn't care anymore.

Because the heavens had given her a big gift. And this gift was sitting right in front of her.

Ji Yunjing felt a sharp pain in his heart as he listened.

"Why didn't you contact me?" He frowned and continued to ask.

Ye Qinghuan looked up at him in surprise. She did not expect him to ask this. Just as she did not know how to answer, Meng ran suddenly remembered that it was already so late, and her brother was still at home alone... ..

She suddenly stood up and said anxiously, "Sir, I have to go back... it's so late, I wonder if Qingzhou has eaten at home alone!" n--0veLB1n

“ ... ”

Ji Yunjing's eyebrows twitched, but she did not say anything more. She stood up as well and said, "let's go, I'll send you back. "

He knew that she and her brother depended on each other.

But Ye Qinghuan was stunned on the spot. She did not want Ji Yunjing to send her.

Seeing that she did not move, Ji Yunjing looked back at her. "Aren't you leaving yet? "

"..."Ye Qinghuan could only follow.

The two of them sat back in the car, and the atmosphere was different from before.

Chapter 2090:: Ji Yunjing VS Ye Qinghuan 32

"My house is..." Ye Qinghuan was about to announce the name of the street when he was interrupted by Ji Yunjing.

"I know, " he said lightly. He turned the steering wheel with one hand and drove the car into the main road.

It was indeed a little late. There were not many cars on the street, especially in this secluded corner, which seemed especially deserted.

Ye Qinghuan looked out of the window. His eyes flashed slightly, and he looked back. "How does Sir know where my house is? "

"What do you think? " Ji Yunjing did not answer but asked instead. There was no emotion in his tone.

However, his face was extremely gloomy, revealing his displeasure.

Ye Qinghuan felt a lump in her throat. She did not know if she had said something wrong. Otherwise, why would he suddenly get angry?

Also... ... She had been scared out of her wits at the KTV just now. Now that she had eaten something, her body was warm. Her blood sugar had gone up and her brain was working again. Only then did she remember what he had said at the KTV ...

Her little face was a little red. She turned her head to look at him. She wanted to ask but did not dare to ask.

He was obviously helping her out by doing that.

If she thought of anything else, she would be overstepping her boundaries.

But... ... There was still a small voice in the bottom of her heart that had a small hope. Did he actually like her a little by doing that ? ?

In the end, she was unable to ask him and remained silent the entire way.

What Ye Qinghuan did not know was that Ji Yunjing also had a question that he had not asked out of the bottom of his heart.

She wanted to leave Macau. It was not good to go anywhere else in the world, so she had to come to Rao city.

Why?

It was because... .. He was in Rao city ? ?

But if that was the case, why didn't she contact him even once she came to Rao city?

If he hadn't accidentally seen her at Fang Shaoan's place, would he have missed her for the rest of his life?

Also, how did she feel about him and if she was willing to stay by his side.

He really wanted to ask all these questions at once.

But there were some words on the tip of his tongue, but he didn't have the courage to ask.

The car stopped below the building where Ye Qinghuan was renting.

Ji Yunjing looked around and was quite satisfied with the security that was obviously better than the last time.

Ye Qinghuan walked upstairs awkwardly the whole time. The man behind him followed her without saying a word. This... Could it be that he was planning to come in and have a seat ? ?

The house was still clean every day. However, she could not help but feel inferior in such a vulgar place.

The gap between them was far greater than this meticulous life.

When she reached the door, Ye Qinghuan did not intend to open it. Instead, she turned around and looked at Ji Yunjing. She said softly, "Sir, thank you for sending me back. "

What she meant was that she wanted to send him off.

Ji Yunjing naturally could see through this. However, he pretended that he did not understand anything. Instead, he asked, "aren't you going to invite me in? "

" ... " Ye Qinghuan furrowed his brows in embarrassment. "My place is too small... "

"Do you think I care about these things?" Ji Yunjing raised his eyebrows and asked unhappily.

Hearing his words, Ye Qinghuan's heart skipped a beat.

She had almost forgotten that Ji Yunjing had brought her and her brother out from that dilapidated house in Macau?

If he really cared about those things, he would not have helped her and taken care of her so much.

With that thought, Ye Qinghuan finally let go of her worries. She turned around and took out her keys to open the door.

Just as the door opened, a figure immediately rushed over and hugged Ye Qinghuan tightly. “sister, why did you come back so late? “

Ye Qingzhou’s voice was a little aggrieved and also a little scared.

In his world, there was only one sister that he could rely on.
