

Trick Me 2101

Chapter 2101: Ji Yunjing VS Ye Qinghuan 43

“Yes, Qingzhou likes his new room very much.” Ye Qinghuan nodded and said with a red face, “I like it very much too.”

“Big Brother, I specially prepared a table full of dishes for you. Come and have a taste!” Ye Qingzhou waved Ji Yunjing’s hand and pointed at the table full of dishes behind Ye Qinghuan.

Ji Yunjing took a look at Ye Qinghuan before walking to the table. Looking at the large table full of dishes, he raised his eyebrows and asked, “did you cook all of them?”

“Yes, Sir said that he wanted to eat Portuguese food this morning, so I tried to cook it.” Ye Qinghuan pulled out a chair for Ji Yunjing. After watching him sit down, she held ye Qingzhou’s hand and planned to leave.

She came in as a chef, so there was no reason for her to sit down and eat with the host.

Ye Qingzhou also knew what his sister meant. Just as he was about to leave obediently, he was stopped by Ji Yunjing.

“where are you going? sit down and eat together.”

He glanced indifferently at the only set of cutlery on the table and looked coldly at the maid who was waiting at the side. The maid immediately understood and turned to the kitchen to get two sets of cutlery and put them on the table.

“But...” Ye Qinghuan frowned and hesitated. Ji Yunjing said again, “I have something to discuss with you.”

The housekeeper also advised at the right time, “Miss Ye, please sit down.”

Ye Qinghuan then brought Ye Qingzhou and sat down on the right side of Ji Yunjing.

At first, he was a little reserved, but seeing Ji Yunjing’s easygoing attitude and the fact that the three of them ate and lived together in Macau, he quickly let go.

Ji Yunjing tasted the Portuguese chicken. The familiar taste relaxed his eyebrows and he looked at Ye Qinghuan in a good mood. “Are you free tonight?”

Ye Qinghuan nodded in a daze when he heard the news.

She knew that she was going to move, so she asked for leave from the shop where she worked. She was free for the next two days.

“Come with me to a place.” Ji Yunjing remembered that Xia Jinqi had invited him to dinner at home today. Yan Jun had mentioned it last night.

It was about time to visit her grandfather.

Ye Qinghuan picked up a piece of chicken for Ye Qingzhou. She wanted to ask where they were going, but Ji Yunjing asked again, "are you going to Qingzhou too? "

"I still have a lot of homework to do... I won't go. Big Brother and sister can go! " Ye Qingzhou shook his head and answered with a smile ...

The Little Guy's brain worked pretty fast. When he heard that his big brother was going to take his sister out, he didn't join in the fun.

Although he had finished his homework last night, he couldn't help it. He was so excited last night that he didn't feel like sleeping. He could only do his homework to pass the time.

Ji Yunjing nodded when he heard that. His eyes flashed as if he remembered something. "Do you still paint? "

"PAINT! " Ye Qingzhou nodded.

Ji Yunjing turned to look at the Butler. "find him a teacher in the afternoon and learn well. "

"Yes, young master. " The housekeeper nodded respectfully.

Ye Qingzhou was so happy that he exclaimed, "yes! Thank you, big brother! "

Ji Yunjing only smiled.

Seeing the child's simple happiness, his heart felt as if it had been tainted with honey.

Just looking at the matter that had been settled with just a few words, Ye Qinghuan's beautiful brows furrowed tightly.

It was already rude to stay at Ji Yunjing's house, but now that she had to trouble Ji Yunjing, she was already very uneasy. She wanted to reject him, but when she saw the smile on the corner of her brother's eyes, she had no choice but to swallow her rejection.

She stole a glance at Ji Yunjing and Ye Qinghuan thought that she really owed him more and more... ..

Could she really repay him by cooking every day?

Chapter 2102: Ji Yunjing VS Ye Qinghuan 44

At first, the housekeeper was puzzled as to why the young master would suddenly bring someone to stay at home.

It was not until now that he looked at the usually silent young master and laughed a few times, as well as the laughter and cheers of the restaurant, that he seemed to understand.

Compared to the previous silence, he also liked the warmth of this moment more.

It seemed that the former young master was also very lonely... ..

Now, there was finally someone who could make the young master happy.

This family would not be as calm and lonely as before.

After dinner, Ye Qingzhou obediently stayed at home and familiarized himself with the new environment while waiting for the new teacher to teach him how to sketch.

Ye Qinghuan went out with Ji Yunjing.

Before going to the Yan family, Ji Yunjing brought her to buy a few sets of clothes.

It was not that she meant anything else, but she was dressed more like a student. After all, she was someone who wanted her grandfather to see personally. Ji Yunjing did not want her to be criticized.

Ye Qinghuan did not talk much along the way. He just obediently followed behind Ji Yunjing like a little white rabbit.

When she came out of the shopping mall, she had already changed into an apricot colored dress. She wore a light colored coat on the outside, which made her look very warm.

When she paid, Ji Yunjing didn't ask about the price and directly handed her the card. Ye Qinghuan didn't see how much it was.

But when she thought of the store's specifications and the feeling of the clothes on her, she guessed that the price wouldn't be cheap.

The unease in her heart increased a little.

While Ji Yunjing was focused on driving, she habitually started to peek at him.

Sensing the gaze of the woman beside him, Ji Yunjing did not expose her. He was glad that she was like this.

It was not until the car stopped at the Yan residence that the woman beside him opened her mouth. Her voice was as soft as a mosquito. "Sir, where are we going? "

Initially, he did not think much of it, but when he heard the word 'sir' , Ji Yunjing suddenly became a little calculative.

"Call Me Yunjing. " He glanced sideways at her and got out of the car first.

The rest of Ye Qinghuan, who stood rooted to the spot, was stunned.

Yunjing?

This... .. How could he call her that ...

In just a moment, Ye Qinghuan hurriedly came back to her senses, pulled open the car door and got out of the car.

When she hurriedly ran over, she realized that Ji Yunjing had not left, but was standing on the spot.

Was He waiting for her... ..

Suddenly, the man in front of her had reached out his hand and held hers.

A sudden warmth came from the back of his hand, almost warming up all of Ye Qinghuan.

“Sir...” she muttered hesitantly.

Ji Yunjing subconsciously frowned and looked at her, as if warning her not to call him that word anymore.

Ye Qinghuan could only blush and try to stammer, “Yun... Yunjing...”

His voice was pitifully low.

Ji Yunjing, however, curled the corners of his lips and smiled in satisfaction.

Seeing the gentleness in his eyes, Ye Qinghuan’s nervous mood also relaxed a little. Only then did she ask, “where are we?”

“My cousin’s house,” Ji Yunjing said slowly. He did not mention that this was the presidential residence, but only said, “grandfather wants to see you.”

“Grandfather? See Me?” Ye Qinghuan’s heart, which had just relaxed, instantly tensed up again.

Before she could think of anything else, Ji Yunjing stopped all her assumptions with a single sentence. “grandfather just wants to see his future granddaughter-in-law. Don’t be nervous.”

Ye Qinghuan, “...”

Future granddaughter-in-law... .. He was talking about her ??

In a daze, the man in front of her had already announced with a smile on his lips, “since you’re already living in my house, you’re mine now.”

For some reason, Ye Qinghuan seemed to have seen through his deep eyes that his evil plan had succeeded... ..

Chapter 2103: Ji Yunjing VS Ye Qinghuan 45

“But...” Ye Qinghuan opened her mouth, but she was interrupted by a childish and naive voice from behind her.

“Mom, where is brother Han?”

Then, an extremely gentle female voice said with a hint of jealousy “YOU INGRATE! I don’t usually see you looking for your mom and dad like this. It’s always brother Han, brother Han, who never leaves his mouth. Where do you want me and your dad to put our face?”

Ye Qinghuan and Ji Yunjing turned their heads at the same time and saw Fang Shaoan leading Zuo Xiaoran and Yuan Bao from the front.

The two-year-old Little Yuan Bao was Chubby and cute. He did not let anyone carry him. He held his mother’s hand and walked forward.

Fang Shaoan looked up and saw Ji Yunjing and Ye Qinghuan who came with Ji Yunjing.

He raised his eyebrows. "Yunjing, you're here early! This is..."

"My girlfriend, Ye Qinghuan." Ji Yunjing introduced her naturally.

Ye Qinghuan was stunned, and his hand trembled slightly. Ji Yunjing seemed to have noticed it, so he tightened his grip on her and introduced her. "This is Fang Shaoan, and this is his wife."

"Hello." Ye Qinghuan smiled at the two of them. Just as she finished speaking, a force suddenly came from under her feet.

She subconsciously lowered her head, but she met a pair of clear eyes and a soft voice. "Hug... Hug..."

Unknowingly, Yuan Bao had let go of Zuo Xiaoran's hand and rushed in front of Ye Qinghuan, begging for a hug without even acknowledging the fact that he was alive!

Ye Qinghuan naturally could not reject such a cute little thing.

She immediately smiled and carried the little guy up.

Not to mention, it was a little heavy!

Zuo Xiaoran could only helplessly hold her forehead. "Yuan Bao, you're too..."

Before she could finish her sentence, Zuo Xiaoran turned to look at Fang Shaoan beside her.

Indeed, like father, like son!!!

Yuan Bao was so young, but he was already very sensitive to beautiful women!

Fang Shaoan had a lot of friends. As long as a man wanted to hug him, Yuan Bao would turn his head and ignore him.

However, if the other party was a woman, he would most likely accept it with a smile. If he had a more perfect appearance, he would directly pounce on him!

The only exception was that Yuan Bao liked Yan Yuhua very much.

Fang Shaoan coughed dryly under the stare. He had no choice but to shift his gaze away and change the topic with Ji Yunjing. "By the way, have you thought about the matter last time?"

Then, he used the excuse to openly pull Ji Yunjing forward.

Zuo Xiaoran snorted and walked to Ye Qinghuan's side. "It's very heavy, right? This kid's appetite is especially good!"

"It's a blessing to be able to eat! My younger brother just doesn't have a good appetite. He hasn't liked to eat anything since he was young." Ye Qinghuan quickly followed up and said slowly.

People's interactions with others were sometimes so wonderful.

As long as fate was right and the aura was right, even if it was the first time they met, they could quickly find a common topic to talk about.

Fang Shaoan and Ji Yunjing, who were walking in the front, talked about the Southeast Asians as they talked.

“I just found out that second young master has cut off all trade with Southeast Asia.” Fang Shaoan frowned with a rare serious look on his face.

“... all trade? Cut Off all of it?” Ji Yunjing raised his eyebrows in disbelief ...

Although Southeast Asia and Rao city were nothing compared to each other, there was still a lot of trade with Rao city every year. CUT OFF SO EASILY?

Chapter 2104: Ji Yunjing VS Ye Qinghuan 46

“I heard that the document was sent this morning. When I come out from Tan Zhuqing’s place, I think I will receive an official order.” Fang Shaoan’s tone was a little heavy, and his furrowed brows were full of worry.

He was not in charge of diplomacy, so the Red Tou document was not sent to him.

Fortunately, he had a brother with Tan Zhuqing, so he knew the news in advance.

Ji Yunjing listened and was a little silent.

It could not be just a coincidence.

Yan Jun just said he would deal with, the next day under such a document.

Fang Shaoan glanced sideways at the silent Ji Yunjing and said, “you know the temperament of the second young master. Once he makes a move, the world will be turned upside down.”

Ji Yunjing’s eyes darkened.

After years of contact, he knew Yan Jun’s character.

It’s just... ..

He’s a little wistful.

This is Yan Jun..

He does things in a completely different way.

“Next year if Yan Jun retired, you still continue to do this minister?” Ji Yunjing suddenly changed the topic, asked.

Fang Shaoan was stunned. He did not expect him to ask this question.

Originally, he was also the minister to replace his father’s position.

To be honest, he thought that he did not have the ability and qualification. It was just that in that situation, he had to sit in this position to protect himself, assist Yan Jun, and kill his enemy.

If Yan Jun really wanted to retire, he did not know who the new person was. Presumably, when the time came, he would also become a very boring minister.

That kind of life was not what he wanted.

As he thought about it, Fang Shaoan stopped in his tracks again. He turned back to look at his son who was in ye Qinghuan's arms. Then, he turned his eyes to look at Zuo Xiaoran, who was chatting and laughing with Ye Qinghuan.

"I want to stay at home with my wife and children. It's also a good thing to be free! "

Ji Yunjing also followed his line of sight and happened to see ye Qinghuan smiling and pinching Yuan Bao's little face. This made the Little Guy Giggle.

That scene seemed to be quite heartwarming.

"A person who becomes a father is indeed different. " Ji Yunjing smiled and returned the words that Fang Shaoan said about Yan Jun the night before.

Fang Shaoan's brows twitched slightly and laughed awkwardly. "without realizing it, I'm almost middle-aged. It's time for me to stop myself! "

This hearty laughter attracted Yuan Bao's attention. He looked up and his bright eyes immediately caught sight of his father's figure. He spread his two chubby little arms and shouted, "Daddy, Daddy! "

"COMING! " Fang Shaoan immediately retreated with joy. He took his Chubby son from Ye Qinghuan's arms and kissed his soft little face. "Good boy! "

"where is brother Han? " Yuan Bao spat out at the wrong time.

Fang Shaoan and Zuo xiaoran looked a little embarrassed. They looked at each other and thought, "did he give birth to a fake son? "?

But what could they do?

They had to spoil their own child.

"Daddy will take you to find the little cannon fodder now! Let's go! " Fang Shaoan smiled and raised Yuan Bao high above his head, letting him sit on his shoulder. He was in the mood and even took a few steps forward.

Zuo Xiaoran followed beside him and told him to be careful while supporting Yuan Bao. The smile on her face never faded. n)(Ove**ll**1n

Ji Yunjing looked at the lively family of three as they walked forward. When he turned around, he happened to see a flash of envy in Ye Qinghuan's eyes.

"Do you like children? " He asked with a smile.

Ye Qinghuan only came back to her senses when she heard that. When she saw that he was looking straight at her, her face suddenly became hot and she nodded slowly. "Yuan Bao is quite cute. "

Chapter 2105-ji Yunjing VS Ye Qinghuan 47

Women were born with maternal instincts. It was really difficult for them to resist such a soft and cute baby.

Moreover, Ye Qinghuan's character was always so soft.

Ji Yunjing saw the blush on her cheeks and a ripple suddenly appeared in his heart.

In the end, he held her hand and followed Fang Shaoan's family. "Let's go. "

Ye Qinghuan nodded and took a step forward.

She lowered her head and looked at her hand that was tightly held by the man beside her. Her eyes were still a little stunned.

In such a short period of time, she had actually gotten used to his touch... ..

Moreover, his hand was very big and very warm.

Just like that, she felt a strong sense of security for no reason.

It was as if as long as she followed him like this, no matter where she went or what kind of situation she would face in the future, she did not care at all.

As long as she could stay by his side, it would be good. n)(O\elb1n

"..."

Before she reached the hall, she saw Xia Jinqi and Su Xiangxiang sitting on the Sofa and talking about something. When she heard the movement behind her, Xia Jinqi turned her head and smiled as she stood up and gestured. "You guys came together? QUICKLY COME AND SIT! "

"We bumped into each other at the door just now," Zuo Xiaoran said first. Before she could finish her sentence, Yuan Bao interrupted her. "Auntie, Auntie, where's brother Han? "

Fang Shaoan,"..."

Zuo Xiaoran,"..."

Xia Jinqi smiled instead. She picked up Yuan Bao's soft body and pointed at the tip of his nose with her index finger. "Brother Han hasn't come back yet, but your sister puff is upstairs. Do you want to go play with her? "

"Yes! " Yuan Bao was a little disappointed at first, but he soon put on a smile and stared upstairs with excitement.

When he came back, sister puff gave him a lot of candies and even played some Nice Music for him!

Most importantly, sister puff was so beautiful! ! !

Seeing this, Xia Jinqi waved her hand to call the maid and carried Yuan Bao upstairs.

Zuo Xiaoran looked speechlessly at her son who didn't even look back and started chatting with Su Xiangxiang.

These families often gathered together and gradually became familiar with each other.

Most of the time, Zuo Xiaoran came to find Xia Jinqi, and Su Xiangxiang was also there. As time went by, they formed a new bestie group.

Fang Shaoan also sat down and asked casually, "where's Huo Ting? "

"He went out with the president to do some business. He'll come over later, " Su Xiangxiang replied with a smile.

While they were chatting, Xia Jinqi looked at Ye Qinghuan, who appeared to be a little shy beside Ji Yunjing. She clearly knew who she was, but she still had to ask Ji Yunjing, "cousin, who is this? Why don't you introduce him? "

Ji Yunjing saw the smile in Xia Jinqi's eyes and did not feel embarrassed. He directly and generously introduced her, "this is my girlfriend, Ye Qinghuan. "

After saying that, he looked at Ye Qinghuan and asked her, "do you know this person? "

Ye Qinghuan frowned and looked at Xia Jinqi for a long time. She felt that she looked a little familiar, but she really could not remember where she had seen her before. She could only shake her head in confusion. "I don't know him. "

After getting the answer, Xia Jinqi and Ji Yunjing looked at each other and both of them smiled.

Back in Macau, Ye Qinghuan had seen Xia Jinqi before. However, at that time, Xia Jinqi had disguised herself as a man and assumed Xia Tian's identity. No wonder Ye Qinghuan did not remember.

However, Xia Jinqi did not expose Ye Qinghuan in public. Instead, she changed the topic. "Why don't the two of you go and see grandfather first? He just took a nap and is drinking tea in the backyard! "

Ji Heng was the person who looked forward to Ye Qinghuan's arrival the most today.

Chapter 2106: Ji Yunjing VS Ye Qinghuan 48

Ji Yunjing also understood. He immediately held Ye Qinghuan's hand and turned to walk towards the backyard.

Zuo Xiaoran and Su Xiangxiang were chatting. When they turned around, they realized that two people were missing. They asked curiously, "why did they leave? "

"They went to see GRANDPA JI. When they saw that cousin brought his girlfriend back, GRANDPA JI must be overjoyed! " Xia Jinqi replied and sat down beside Su Xiangxiang.

Fang Shaoan watched as the three women conversed. As a man, it was inconvenient for him to be present. He got up and walked upstairs. "I'm going to see how the two children are doing! "

Therefore, there were only three women left in the huge hall.

After the marriage, the most they talked about was family and children.

After a few words, they talked about children.

“Xiangxiang, you said you were going to the hospital for a check-up. Did you go?” Zuo Xiaoran asked worriedly.

Su Xiangxiang shook her head, looking a little depressed. “I haven’t had time to go yet. Huo Ting said that children are born when they should be... he doesn’t seem to be in a hurry. “

The marriage was not long nor short. Originally, Su Xiangxiang was not in a hurry, but she could not resist grandfather Huo’s desire to have great-grandchildren. She also looked at the children of the Yan and Fang families and felt envious.

Xia Jinqi poured some tea for Su Xiangxiang and said, “Yan Jun has been quite busy recently. I’ll talk to him tonight and see if I can give huoting a break. You guys can go out and relax. “

Actually, Xia Jinqi also felt that it was better to let nature take its course when it came to having children.

However, seeing grandfather Huo urging her three times a day, Su Xiangxiang felt a lot of pressure. n)-
O//v))e-)l/(b-)l.-n

It was just that Huo Ting did not do anything. The emperor was really not in a hurry to kill a eunuch.

Su Xiangxiang smiled and took a sip from her teacup. “thank you. “

Zuo Xiaoran, on the other hand, squeezed her eyebrows and deliberately lowered her voice to ask Su Xiangxiang, “Xiangxiang, you and Huo Ting, how often do you... do you do it? “

“Cough, cough, cough!” Su Xiangxiang choked on the tea in her throat and started coughing violently.

Xia Jinqi quickly patted her back to soothe her breath, and then looked at Zuo Xiaoran helplessly. “What are you talking about! “

“No... I’m just asking about the frequency! When preparing for pregnancy, you should have more!” Zuo Xiaoran said calmly ...

“...”Su Xiangxiang’s face turned even redder. She did not know whether it was because she choked or because of Zuo Xiaoran’s extremely bold words.

Xia Jinqi smiled and shook her head. “You’re just spoiled by Shao’an to the point of being lawless! “

Zuo Xiaoran returned a proud look and continued to ask Su Xiangxiang excitedly, “Xiangxiang, you haven’t said it yet! How often do you do it? “

Su Xiangxiang,” ...”

“...”

In the backyard.

Under a Ginkgo tree that had lost all its leaves, Ji Heng was lying alone in the armchair. His legs were covered with a thick cashmere blanket, and on the small table beside him was a small charcoal stove with a pot of good tea simmering on it. The rising smoke was like a dream. In the blink of an eye, he disappeared into the vast world.

He held a jade pendant in his hand and rubbed it carefully.

The corners of his drooping eyes were also drooping. His half-closed eyes were looking ahead without focus, as if he could see through the scenery and see the people and things he was familiar with.

Ji Yunjing knew that his grandfather was most likely thinking of his grandmother and aunt again.

The early death of his beloved daughter was the pain in his heart for the rest of his life.

Since it had already happened, there was no room for regret.

And he... ..

Ji Yunjing looked down at the girl beside him, and his heart sank.

He didn't want to lose her, and he didn't want to regret it.

Chapter 2107: Ji Yunjing VS Ye Qinghuan 49

He skillfully grabbed her hand and walked towards Ji Heng.

“GRANDPA. “

Hearing the voice, Ji Heng opened his eyes and turned around to look behind him.

His originally dim eyes suddenly lit up, as if his whole person had come to life.

“You Brat, you're finally willing to visit an old man like me?” Ji Heng's tone was a little grumpy, and he curled his lips like a child.

People said that people were young and old, and Ji Heng was getting younger and younger at his age.

Ji Yunjing smiled. “Grandfather, I brought Qinghuan here to see you. “

Then, he turned his head to look at the girl beside him.

Ye Qinghuan blinked and understood what he meant. Then, she smiled at Ji Heng. “Grandfather. “

Only then did Ji Heng's gaze fall on Ye Qinghuan.

He was stunned for a moment. Then, he remembered what little Qi told him last night, ‘cousin has found a girlfriend. ‘.

At that time, he thought that Little Qi was joking. He did not expect that... .. It was actually true Huh?

Without the slightest doubt, Ji Heng immediately became happy. There was a smile on his face as he waved at Ye Qinghuan. “okay, okay, okay. You Call Me Qinghuan, right? Come, come to grandfather. “

Ye Qinghuan was a little surprised that this old grandfather was so friendly. While she was hesitating, Ji Yunjing's gentle voice rang in her ear. "Go. "

These two simple words seemed to have magic power, prompting her to take a step forward.

Carefully squatting beside the Armchair, Ye Qinghuan saw that half of the blanket had fallen off and subconsciously pulled it up.

Ji Heng saw that she had delicate features, spoke gently and gently, and was so attentive. He was instantly very satisfied. Immediately, he placed a glass-type jade pendant in the shape of a golden leaf in Ye Qinghuan's hand.

"This is our first time meeting. Grandfather didn't prepare any greeting gifts. You can take this first. "

Ye Qinghuan hurriedly declined, looking a little embarrassed.

She was actually quite strange today. Why did Ji Yunjing, who was cold and indifferent to her yesterday, suddenly become so enthusiastic.

Moreover, there was clearly nothing between them, yet he had to call her his girlfriend.

Now that she saw this situation, she guessed that Ji Yunjing's family had forced the marriage, and he had no choice but to drag her here.

Since she was an imposter, there was no reason for her to accept this big gift. n-)0veLbIn

But at this time, Ji Yunjing said, "since it's from grandfather, you can keep it. "

" ... " Ye Qinghuan paused and had to accept it as she was told. "thank you, Grandfather. "

Ji Heng nodded with a satisfied smile.

Ji Yunjing took another look at the pendant in Ye Qinghuan's hand.

It was in the shape of a leaf.

The meaning was something like a branch spreading leaves.

If he remembered correctly, this was a relic left behind by his grandmother.

No matter how he looked at it, it should have been given to Xiao Qi. However, he did not expect his grandfather to give it to Ye Qinghuan.

Ji Heng carefully looked at the two people in front of him. They were an indescribable match. He asked again, "when do you plan to hold the wedding? I heard from your sister that the second day of next month is a good day. "

In the past two years, his body had plummeted. He was becoming more and more useless.

He was afraid that... .. He would not be able to wait until his 90th birthday ...

However, he always thought that he could only leave with peace of mind when he saw that Yun Xiang had a family.

Ji Yunjing's eyes flickered and he immediately nodded. "since it's a good day, let's hold the wedding on the second day of next month. What do you think, GRANDPA?"

Hearing this, Ye Qinghuan's heart tightened.

Chapter 2108, Ji Yunjing VS Ye Qinghuan 50

Wasn't this acting too much?

It was almost the end of the month. If they couldn't bring out the wedding, how could they explain it?

Ye Qinghuan secretly raised his eyes to look at Ji Yunjing, only to find that the latter was also looking at her.

His deep gaze contained many things that Ye Qinghuan couldn't understand. From the beginning to the end, she didn't know what he was thinking.

Sometimes she felt that he was high and mighty, and sometimes she felt that he was approachable.

Sometimes he was so cold, and sometimes he was kind and warm.

But the only thing she could be sure of was that at this moment, his expression looked so serious... ..

Ji Heng counted the days and soon became happy. "Okay, okay, okay, okay. Then let's go to the second day of the Lunar New Year! GRANDPA will be your wedding witness! Wedding... Girl, what kind of wedding do you like? How about GRANDPA GIVE YOU HALF A grand wedding?!"

Ye Qinghuan wanted to explain something, but seeing the kind-looking GRANDPA in front of her smiling so happily, she could only choke back the words in her heart. "thank you, GRANDPA."

She suddenly felt that the word 'lie' didn't have that many derogatory meanings anymore.

Hearing that, Ji Yunjing bent down and pulled up the blanket for Ji Heng. "leave the wedding to me. Grandfather, you're not feeling well, and the weather has turned cold. It's better to rest more."

Ji Heng nodded repeatedly and patted Ji Yunjing's hand that was still holding the blanket. Tears welled up in his slightly cloudy old eyes. "Yunjing, you're a good child too. Grandfather owes you all his life..."

Although Ji Yunjing was brought up by Ji Heng single-handedly, in the end, it was also to allow him to assist Xia Jinqi in the future.

To put it more seriously, Ji Yunjing was probably just a sacrifice in this huge family.

He was destined to contribute to the Ji family all his life, and he would always be just a young master, never a leader... ..

Ji Yunjing's eyes were slightly hot. He held Ji Heng's hand tightly with the back of his hand and opened his mouth again. He was already a little choked up. "grandfather, you're exaggerating. I'm also a member of the Ji family."

Ye Qinghuan stood at the side, feeling mixed emotions.

This was the first time she had seen Ji Yunjing like this... ..

She still remembered that the last time in Macau, he had a wound as long as a palm cut on his arm. He did not use anesthetics and sewed up his own wound without even making a sound.

But now, because of a few words, he choked up.

Unconsciously, Ye Qinghuan took a step forward and gently stroked Ji Yunjing's shoulder, as if to comfort him.

Ji Yunjing's eyes moved slightly, and he spoke to Ji Heng for a while before bringing ye Qinghuan back to the front hall.

On the way, Ye Qinghuan finally couldn't hold it in anymore and asked, "sir, why did you agree to hold the wedding on the second day of next month? There are only a few days left, and GRANDPA will be very disappointed if there's no wedding at that time. Rather than that, why don't you not make up this lie... "

"Who said I'm lying?" Ji Yunjing stopped in his tracks and frowned at her.

"Ah?" Ye Qinghuan was a little confused and looked at Ji Yunjing in a daze.

If it wasn't a lie, then... ..

Ji Yunjing looked at the girl in front of him with a surprised look, and secretly sighed at her dullness.

"You think I'm lying? "

"But... we are obviously not in that kind of relationship..." Ye Qinghuan lowered her eyes and said with some loneliness ...

Not to mention getting married, even being able to walk together with him was something that she had never dared to imagine.

"Then what do you think our relationship is?" Ji Yunjing raised his eyebrows and looked at her, intending to discuss this serious question with her.

Chapter 2109-ji Yunjing VS Ye Qinghuan 51

Ye Qinghuan was stumped by the question.

What kind of relationship did she have with Ji Yunjing?

They had met in the Elysium realm back then, and he had saved her.

After a short period of interaction, it was now a year later.

Benefactor Friend?

Friend, I don't think so... ..

"Mister is Qinghuan's benefactor." Ye Qinghuan lowered his eyes. These words were both an answer to his question, and also a reminder to guard his heart and not to cross the line.

How could a person like her allow her to let her imagination run wild? n-)0v eLbIn

Ji Yunjing had waited for a long time, but this was the only answer he received. He suddenly felt a little frustrated.

He had already done so much, how could she still not understand?

“You said that I am your benefactor, then how are you going to repay me?” Ji Yunjing asked through gritted teeth.

Ye Qinghuan frowned slightly. He could not think of a good solution at the moment, so he could only look up at the man standing in front of him. “Mister, how do you want Qinghuan to repay you?”

Seeing that she was asking seriously, Ji Yunjing did not answer casually. “marry me with your body.”

As soon as he finished speaking, he saw her shocked expression.

In the end, he added, “you heard it just now. I happen to be short of a wife.”

Since she did not understand, then he was lucky to have made it clear!

No matter how slow Ye Qinghuan was, she finally could not escape this time.

She stared blankly at the man who was looking down at her. At that moment, time seemed to have stopped.

The clouds behind him were dyed red by the setting sun. When they reflected on her face, they were all warm and red.

Was He... Proposing ? ?

She was filled with joy. She really wanted to immediately nod her head and agree.

Being his wife, how tempting it was... ..

That was practically her lifelong dream.

However, her rationality still prevailed in the end. She gritted her teeth and forced herself to lower her head. She moved her lips and said, “sir, with Qing Huan’s status, how would she dare to climb up to him? Sir, don’t joke around.”

At that time, the two of them had just walked out of the backyard and were behind a fence. It was still quiet, but it was not desolate. There were few servants coming and going, but it was not unheard of.

Ji Yunjing could not remember how she had acted impulsively at that time. She only remembered her lowered eyebrows and her suppressed and choked voice. Everything touched his heart.

At the beginning, Ye Qinghuan was like a frightened little white rabbit. She resisted the urge to escape, but some feelings deep in her heart made her have some expectations.

Her mind was blank, and she could not think of anything else.

He stared at her deeply and continued the previous question. “Now, what is our relationship?”

Ye Qinghuan took a few deep breaths before her brain started working again. However, her expression was still a little dull. "Sir, I... "

"I said, call me Yun Xiang. " He lifted his lips and interrupted her.

He did not like her strange and distant address.

Ye Qinghuan's eyes were slightly red. She roughly understood what he meant, but... .. "I, but I don't have anything... "

Chapter 2110-ji Yunjing VS Ye Qinghuan 52

No family background, no background, and even... .. No good reputation ...

The only thing she could bring out was probably this face, but there were many more beautiful girls in the world than her.

She really did not have the qualifications to stand beside him.

Let alone become his wife.

Ji Yunjing lowered his eyes and looked at the tears flowing out of her red eyes. He subconsciously raised his hand and wiped away the tears on her cheek with his thumb.

When he touched those sparkling tears, he realized that a person's tears could be so hot... ..

Even his heart became hot.

"I don't need those. " He opened his thin lips and said with deep love, "I only want you. "

The tears at the corner of Ye Qinghuan's eyes fell even more quickly. She jumped into his arms excitedly and wrapped her arms around his waist with great strength.

It was as if as long as she did this, he would never leave... ..

"What should I do? " She asked him in a trembling voice.

Facing him like this, what should she do?

Should she be rational, or... .. accept him and tell him that she had actually been secretly liking him ? ?

Ji Yunjing, who was being hugged by her, froze slightly. This should be the first time she took the initiative.

A moment later, his lips curled into a smile. He raised his hand to wrap it around her and whispered in her ear "The marriage I want is very simple. The woman I love, a lively home, and delicious food. You just have to stay by my side and ignore everything else. With me around, I won't let you and Qingzhou be bullied. "

He had seen too much over the years.

In the end, he only wanted a stable home.

He also had to thank Ji Heng for insisting on finding Xia Jinqi back then. Otherwise, if he were to become the Ji family's heir, he would definitely not be able to choose his wife.

Xia Jinqi now owned the entire Ji family, but she had also sacrificed her marriage back then.

Fortunately, she and Yan Jun fell in love. Otherwise... .. She would probably only be continuing Ji Xiaofu's sad story ...

Thinking of this, Ji Yunjing suddenly felt a little fortunate.

It was as if all the power and money were just weeds by the roadside, worthless.

And with the woman in his arms, it was as if he had the whole world.

Ye Qinghuan lay in Ji Yunjing's arms, choking up several times, unable to speak.

She had heard him say 'the woman he loved' just now. So in his heart, she did not have any sense of presence at all?

The person she secretly liked but did not dare to get close to suddenly confessed like this.

Happiness came too quickly, so she was not prepared at all... ..

Ji Yunjing listened to the woman in his arms cry, his big hand gently stroking her back until the choking sound subsided. Only then did he step back, so that she could see his eyes clearly.

"You still haven't told me your answer," he asked her solemnly.

Since he had said so much today, then he could make sense of it all at once.

Other than not wanting to make grandfather worry, he really wanted to get married to her.

Ye Qinghuan looked up at his dark and deep eyes. It was as if her entire body was sucked in, and her feet lost a lot of weight.

How could she reject him?

But because of the sobs in her throat, she could only nod. At first, it was gentle, a little hesitant, but slowly, it became very forceful and serious.

Ji Yunjing looked at the girl in his arms, and a smile appeared on his face.

He hugged her again, and his big palm gently stroked her smooth hair. A certain part of his heart became incomparably soft.

"Xiao Qi is still waiting for us. Should we go out first?" He asked gently.
