

## Trick Me 2161

### Chapter 2161: I have a female companion

He quickly turned around and saw someone standing by the car, furiously knocking on the window.

He put down the window and saw that it was a young girl who was similarly dressed up. Her facial features were exquisite, and she was dressed up sweetly.

“aiyo, little Nian ‘er, you don’t know how scary people can be!” Bai Yuchen let out a long sigh and held onto his little heart. It was obvious that he was quite frightened.

The person who had come was Qi Nian.

Her gaze directly bypassed Bai Yuchen and landed on Quan Che, who was beside her. “Brother Che, let’s go in together!”

“What are you doing here?” Quan Che asked in return. His gaze was still fixed on Yan Yusheng, who had entered the venue with Yan Yuhan.

“I’m here to be your female companion! It’ll be so awkward if you go in alone!” Qi Nian replied excitedly. He realized that Quan Che seemed to be looking in a certain direction, so he followed his gaze.

Coincidentally, the Yan Siblings had already disappeared at the end of the red carpet. Quan Che turned around at this moment.

“I have a female companion.” He said these four words calmly. Quan Che looked up at the rearview mirror in front of him. The driver immediately understood and nodded his head before starting the car again and driving forward.

The car was still driving slowly and did not scare Qi Nian. However, she was clearly unwilling to give up. She lifted the hem of her skirt and chased after them. “Wait for me!”

Bai Yuchen looked at the girl following behind him. He still could not bear it and looked at Quan Che again. “Are we just going to leave like this? She’s a girl after all. Why don’t we...”

Even though Bai Yuchen didn’t say the rest of his words, Quan Che knew what he meant.

Qi Nian was a few years younger than him. Their parents were good friends for many years, but he treated Qi Nian like his own sister.

Since he was destined not to give her what she wanted, Quan Che wouldn’t give her any hope.

A clear rejection was the most basic form of respect.

“after the ball ends, send her back,” Quan Che said flatly. He looked away and stopped looking at the girl who was chasing after him behind the car.

A moment of heartlessness was better than a lifetime of pain.

Bai Yuchen was stunned. “Ah? Why did you ask me to send her back? I’m not close to her either...”

Why did he have to block this kid's peach blossom?

Sigh... .. Forget it, forget it. For the sake of that Dream Villa, he could be merciful !!

Qi Nian was panting as she chased after him. From Afar, she saw Quan Che get out of the car first. Just as she was about to chase after him, she was stopped by Bai Yuchen, who had also gotten out of the car and been waiting for a long time.

"Little Nian 'er, it just so happens that I don't have a dance partner tonight. Why don't you come in with me?" Bai Yuchen smiled warmly and took the initiative to invite her.

Qi Nian glanced at him and snorted rudely, "why do I have to go with you? I want to go with brother Che! "

"But your brother Che already has a female partner!" Bai Yuchen added without fear of death. He would poke anyone who hurt him!

" ... " Qi Nian gritted his teeth and said hatefully, "does he like the Yan family's girl that much? "

"What girl? She's two years older than you. You have to call her sister-in-law now, do you understand? " Bai Yuchen continued to explain with a 'kind' smile.

It would have been better if he had not said that, but as soon as he said that, Qi Nian exploded on the spot. His eyes were red as he shouted, "What sister-in-law! She's not my sister-in-law! ! "

Bai Yuchen felt as if his brain was about to explode from all the noise. He quickly went along with her words. "Alright, alright, alright. If she's not my sister-in-law, then she's not my sister-in-law... say, you're just a ten-year-old child. Why are you so mature so early? You know everything! "

### **Chapter 2162, does your brother have a girlfriend?**

"You're the one WHO's too ignorant! HMPH!" Qi Nian snorted again, picked up her skirt, and chased after Quan Che.

She wasn't a child. She was already 15 years old this year, and was already an adult!

She was an adult who could decide who she liked!

"..." Bai Yuchen was rendered speechless.

He was ignorant? ! ! ! !

He had studied at Princeton, alright? ! !

He could enter and leave all the aristocratic schools in Rao city. Other than Quan Che's relationship with him, the most important thing was his knowledge! ! !

Now, he was actually looked down upon by a ten-year-old child!

?`?`

Inside the venue.

Yan Yuhan met two familiar people and exchanged a few words. Yan Yusheng felt bored and went to a quiet corner to stare blankly.

There were indeed quite a number of handsome men and beautiful women who came today. Moreover, they were all the descendants of the upper-class society. Each of them had a decent family background and were all dressed up.

This was also the reason why the school would specially hold a dance party for them as high school students. Moreover, there were several times a year.

The purpose of this dance party was not only to train their social skills, but also to lay a foundation for them to become friends with the various large families in Rao city in the future.

As the saying goes, the younger waves of the Yangtze River will replace the younger ones. When the elders are old, it will be these children who will take over the family.

They will be the hope of Rao city in the future.

Shenjia Linxi arrived late. She originally wanted to come together with Yan Yusheng, but she was delayed at the last minute, so she could only come alone.

After searching around the venue, she found Yan Yusheng, who was alone. She rushed over with quick steps.

“Yusheng, why are you sitting here alone? I saw your brother when I came in!” Shenjia Linxi’s voice was a little tired, but it could not stop her passionate passion.

Only then did Yan Yusheng raise his eyes and look into the distance in a daze. Seeing his brother chatting happily with others, he said, “he said he was free today and wanted to come to the dance.”

“What! I think he’s worried about you!” Shenjia Linxi was a sensible person. She stole a few glances at Yan Yuhan and eight out of ten times, she noticed that Yan Yuhan’s gaze was on Yan Yusheng.

Even though he couldn’t get away, all his attention was still on his sister. The True Demon who spoiled his sister didn’t run away!

“But to be honest, your brother is so handsome... Yusheng, does your brother have a girlfriend?” Shenjia Linxi clicked her tongue and looked at Yan Yuhan with eyes that were shining with pink hearts ! !

Yan Yusheng paused for a moment before answering, “probably... no?”

She hadn’t heard her brother mention it when she was at home. If he did, he would have told her, right?

“Ah? Why are both of you like this!” Shenjia Linxi sighed and looked at Yan Yusheng with disdain.

“You’re going to be eighteen soon. Can you start dating now? ! !”

Before Yan Yusheng could say anything, a warm voice came from behind and interrupted their conversation.

“dating?”

Shenjia Linxi subconsciously turned her head, and her eyes instantly had peach hearts again. “Senior Qi! You’re here too! “

Yan Yusheng also recognized that the person who came was the president of the Student Union, Qi Shuai.

Qi Shuai’s grandfather and Tan Zhuqing were on friendly terms, and they had also developed a relationship with the Yan family. In the past few meals, Yan Yusheng and Qi Shuai had sat at the same table.

“Hello, senior. ” Yan Yusheng nodded slightly at him as a form of greeting.

Qi Shuai looked at her with a deep gaze and asked, “don’t tell me the two of you... “

**Chapter 2163: gender, female, male lover!**

“Ah? ” Shenjia Linxi was stunned for a moment. Only then did she realize what Qi Shuai meant. She quickly shook her head and denied, “senior, you’ve misunderstood! I’m talking about why Yusheng doesn’t Fall in love! It’s not the two of us! Our orientations are very normal! “

” ... ” the corner of Yan Yusheng’s eyes twitched when he heard that. He quietly tugged at Shenjia Linxi, hinting her to stop talking. However, Shenjia Linxi did not feel that there was anything wrong with it at all. She continued, “especially me, gender, male lover! “

Once these words were said, Yan Yusheng and Qi Shuai were both shocked for a moment.

In the end, Qi Shuai was the first to smile and smooth things over. “Student Shen is still as lively as ever. “

“hehe. ” Shenjia Linxi was a little embarrassed, which was rare. Just as she was thinking about what topic to find next, people slowly began to gather around her.

Everyone’s gaze fell on Yan Yusheng without exception.

She had deliberately chosen a secluded place for the sake of peace and quiet. Who knew that in the end, she would still attract everyone over.

Everyone sighed

“Wow, this is too beautiful! “

“Who is she? Why haven’t I seen her before? “

“No way, you don’t even know the daughter of the Yan family? Her name is Yan Yusheng, and her father was the great hero who saved Rao city more than ten years ago! “

“The daughter of former President Yan Jun? Oh my God, she’s amazing! “

“As expected, people still have to do good deeds. Look at the symbols his daughter gave birth to... “

As the number of people talking increased, the uninvited guests slowly drew closer.

Qin Shuangshuang, who was wearing a long black dress, walked over with her little follower, Zhou Qi.

With just a glance at Yan Yusheng, the pride and stubbornness in Qin Shuangshuang's eyes fell to the ground... ..

One had to admit that Yan Yusheng in front of her, whether it was in terms of looks, figure, or dress, was more creative and beautiful than her.

Putting aside Yan Yusheng's delicate facial features, which matched her fair little face, it was indescribably pure and refined. Just the dress she was wearing... ..

The main color of the upper body was white. There was nothing special about it, but the strangeness was on the Cake Dress on the lower body.

Layer by layer, the color slowly changed from the initial white to the white of the moon. Then, for no reason, an extremely clear blue sky jumped out. It was very light, and in the end, the faint blue gathered into the blue of the blue water at a certain moment. The color was like the sea, dreamy and illusory, ethereal and ethereal.

Such a magical color match was something Qin Shuangshuang had never seen before... ..

A strong sense of jealousy and envy suddenly rose from the bottom of her heart, almost burning Qin Shuangshuang up!

She took a deep breath and tried hard to suppress the unwillingness and resentment, and the jealousy and sarcasm, "I thought it was some celestial immortal, but it's just so-so! "

Zhou Qi also hummed along, "Shuangshuang, you don't know that the world is very chaotic now. Even a person who wears a white dress calls himself a celestial immortal! In fact, who knows what's in that background! "

These words obviously had a hidden meaning, but secretly said that Yan Yusheng was not what he appeared to be.

No one present was an idiot. They all heard what he said, but no one dared to speak rashly at this time. They only cast a suspicious gaze at Yan Yusheng.

Shenjia Linxi was so angry that her cheeks twitched. Just as she was about to retort, she heard Yan Yusheng, who was beside her, say with a smile, "are you trying to say that although you're wearing black clothes, your hearts are as pure as unpolished jade? "

"..."when everyone first heard this, they froze. Then, as if they had understood something, they looked at Qin Shuangshuang and burst out laughing.

#### **Chapter 2164: The person that needed the most right now was probably that person**

Even Qi Shuai raised his eyebrows and looked back at Yan Yusheng. His lips slowly curled into a smile as he took the opportunity to strike up a conversation, "Student Yan, you're wrong. How could someone with a heart as pure as a piece of unpolished jade say such provocative words? "

“You’re right. I’ve overestimated them.” Yan Yusheng smiled slightly and answered without any sense of discord.

This harmony immediately caused the laughter around them to become even more impudent. Some people even dared to stand up and speak fairly.

“In my opinion, this Qin Shuangshuang just can’t eat the grapes and say that the grapes are sour! Yan Yusheng’s family background is just there, how bad can it be? “

“Look, you don’t know, right! Previously, when they were selecting the School Belle, Qin Shuangshuang lost to Yan Yusheng. Ever since then, this Qin Shuangshuang just doesn’t like Yan Yusheng no matter how she looks at him! If she doesn’t pick a few faults on her, she will feel uncomfortable all over! “

“Is that so! Why did I hear that the Qin family and the Yan family are feuds? “

“WHAT FEUD! The Qin family is just doing a small business, they don’t dare to touch even the slightest bit of the political world. Look at the Yan family now, they are like sesame flowers blooming continuously! What does the Qin family count as! “

Hearing this, Shenjia Linxi inexplicably felt very relieved!

It was not that these people’s words were unpleasant to hear, but it was mainly reasonable!

The Yan family was indeed powerful to a certain extent that made people’s hair stand on end. The Qin family wanted to have a feud with them, but they did not have the qualifications to do so!

Anyway, when Qin Shuangshuang heard these words, she was so angry that she trembled. She did not care about the status and occasion. She gritted her teeth so hard that they almost shattered. “You! Good Yan Yusheng, you usually pretend to be obedient and obedient, but now you finally can’t hide it anymore, right? ! “

While they were arguing, Yan Yuhan, who was not far away, also heard the commotion.

At that time, he was chatting with an expert programmer. He wanted to poach him to work for the Yan Corporation after he graduated. However, before the matter was settled, his attention was drawn away.

He turned his eyes and saw his younger sister surrounded by a group of people. Among them, a woman wearing a black dress was the first to bear the brunt. She looked extremely vicious as if she wanted to eat people.

Before Yan Yuhan could ask what happened, Wu Shu already said in a low voice, “eldest miss was bullied. “

Hearing this, Yan Yuhan’s eyes darkened and he walked over.

However, he had only taken one step when another figure suddenly entered his line of sight. He paused and looked at that person.

It was actually that person from the Quan family... ..

He came at just the right time.

Yan Yuhan suddenly stopped in his tracks and turned to look at his little sister who was still surrounded by the crowd. A hint of a smile appeared in his dark eyes.

Wu Shu did not understand and asked, “young master? “

“There’s no need to go over.” Yan Yuhan curled his lips into a smile. “someone will help her out. “

Upon hearing this, Wu Shu raised his eyes and saw Quan Che, who was dressed in white, walking towards the eldest miss from afar.

He could not tell what kind of feeling he was feeling at the bottom of his heart.

It was a little sour, a little bitter, and a little bitter.

But the only thing he could be sure of was that there was absolutely no jealousy or unwillingness in it.

This was also good.

Perhaps the person that the eldest miss needed the most at this moment was also that person... ..

As long as it was someone that the eldest miss liked, it would be fine.

He had nothing else to ask for.

“...”

Yan Yusheng did not know that the Che Er brother that she had been longing for was slowly approaching her at this moment. Faced with Qin Shuangshuang’s provocation, she actually did not have much interest. Instead, she wanted to leave.

It was not that she was afraid of her, but she just did not want to meddle.

This point was somewhat similar to her mother when she was young.

However, those who did not want to provoke deliberately avoided it. Most of the time, they would be seen as weak and evasive.

And tonight, she happened to be in a bad mood.

### **Chapter 2165: I have fulfilled my promise.**

“What is there for me to hide? On the other hand, Qin Shuangshuang, have you forgotten what I said to you previously?” Yan Yusheng furrowed his delicate eyebrows and fixed his gaze on the woman who was staring at him relentlessly.

“You... what did you say...” Qin Shuangshuang muttered hesitantly. Suddenly, she remembered what Yan Yusheng had said before, asking her if the Qin family did not even want to do business anymore ...

Now that she mentioned it again, could it be that she wanted to say... ..

Qin Shuangshuang’s throat seemed to be choked. Her face alternated between green and white, and she didn’t say a word for a long time.

It was fine to make a fuss about her own matter, but if it involved two big families... ..

Qin Shuangshuang didn't dare to face her parents' disgust and blame.

This matter could be considered to have come to an end here, but Zhou Qi insisted on getting involved at this time. Moreover, the moment she said it, she was full of sarcasm.. "You have to say so many words every day, to us, to the teacher, to men. Which one did you say, please? "

These words were ambiguous and immediately aroused the curiosity of the gossiping crowd. One by one, they began to mutter.

"To men... Yan Yusheng already has a man? How old is she? TSK TSK TSK! "

"No... No way... She's my goddess! "

"It's hard to say. A good-looking girl with a good family background like her must have a lot of suitors! "

In just a short while, the direction of public opinion shifted towards Yan Yusheng again.

Seeing this, Qin Shuangshuang started to feel proud again, "goddess? HMPH! That's true, a social goddess, right? "

"SHUT UP, you! Your words are so smelly! " Shenjia Linxi scolded back. She really hated these two people. If they didn't speak for a day, it seemed like they would die.

Moreover, they were always targeting Yu Sheng. She didn't know if there was something wrong with them!

"If you don't want others to know, don't do it yourself! She knows what she has done herself. You don't have to shut my mouth! " Qin Shuangshuang continued to make things up out of thin air.

Qi Shuai also felt that their words were too excessive, and wanted to open his mouth to help Yan Yusheng. However, right at this moment, a cold and awe-inspiring voice came from outside the crowd, breaking the balance.

"Then, what exactly did she do? Speak clearly. "

The last part of the voice was loud and clear, and a chilly aura suddenly attacked. It was like Ling Han's winter snow, freezing the arrogance and frivolity of everyone present.

Everyone turned their heads at the same time

Under the illumination of the dazzling star-like lights, that handsome man came against the light. He was full of vigor and handsome, like a god or Buddha in heaven.

His sharp eyes swept across the crowd forcefully. The moment he stopped on Yan Yusheng's body, he became extremely gentle.

His slender legs opened up and walked towards her.

The onlookers automatically opened up a path for him. No one dared to say a word. They didn't even dare to breathe loudly.

No one dared to challenge the pressure of standing at the top of the food chain!

Yan Yusheng was also stunned.

She stared blankly at the strange man who suddenly appeared in front of her. She didn't know why, but she felt that he looked familiar?

In her astonishment, the man stopped in front of her. *no 17ε.ℓb*.In

Then, he turned around and took out a delicate and beautiful rose from the tray in the hands of the attendant behind him and handed it to her.

"I have kept my appointment. "

It was just a simple word, clear and elegant, so noble.

Yan Yusheng held her breath

She raised her head slightly to meet his gaze.

### **Chapter 2166: her man**

At that moment, she seemed to be attracted by the vast universe, and it was as if she had fallen into a deep lake... ..

There seemed to be some weightlessness under her feet, and her entire body seemed to float in the clouds.

Her heartbeat became heavy and powerful, almost breaking through her chest and rushing towards him.

Yan Yusheng could not help but wonder, what kind of feeling was this?

It was just a simple look at each other, as if all the cells in her body had been awakened, with excitement and excitement. It was so strange, but it also made people feel extremely happy.

"You... you're brother Che Er?" Yan Yusheng was stunned for a long time before she asked him tentatively ...

The card she received last night said that they would meet today, and he said that he would keep his appointment. That meant... ..

However, she had never seen him again in all these years. The only things that remained in her mind that were related to him were the few times they had met when they were young.

Those memories gradually faded away as time passed. The only thing that was deeply engraved in her heart was that pair of black eyes that were as gentle as water when he looked at her. The faint smile on his lips was like the spring sun in March, warm to the heart.

Seeing that she recognized him, Quan Che curled his lips and smiled warmly. He nodded slightly, "yes, it's me. "

These simple but not simple words were rather heavy and powerful.

Seeing his smile, Yan Yusheng seemed to be infected as the corners of her mouth could not help but rise.

But for some reason, her heart felt a little sour, and her eyes became boiling hot.

She still clearly remembered that year when great-grandfather's birthday was celebrated, he had come with his family to send a congratulatory gift. When he left, he told her that when she grew up, he would come back.

Twelve years had really passed in a flash.

He had not lied to her. He had really arrived as promised, even three years in advance.

Quan Che saw the sparkling tears at the corner of her eyes. His slender brows suddenly furrowed slightly. He raised his hand and wiped the tears at the corner of her eyes with his well-defined fingers. He said gently, "when we meet again, we should smile. "

Yan Yusheng raised her head and looked into his deep black eyes. She smiled faintly.

As they looked at each other, a thousand words flowed silently between them.

Yes, this was the reunion she had waited for twelve years. She should smile... ..

The two of them were talking to themselves, completely ignoring the surrounding crowd.

In their eyes, the scene in front of them was really as beautiful as a painting... ..

Under the spotlight, it was an extremely pleasing sight to see handsome men and beautiful women in the same frame. Moreover, the atmosphere between the two of them was indescribably warm and beautiful.

The kind of happiness that one could feel even if they had never participated in it, even if they only looked at it from afar, was truly rare.

Everyone had a tacit understanding and no one spoke. They were all immersed in such happiness, except for some ignorant people.

Zhou Qi held Qin Shuangshuang's hand. Seeing the jealousy in Qin Shuangshuang's eyes, she tried to curry favor by belittling Yan Yusheng "Everyone, see! This is your goddess' man! Do you see? Both of them are wearing matching outfits. Under the watchful eyes of the public, they are doing such indecent acts. HOW SHAMELESS! "

Everyone came back to their senses and looked at the two's clothes.

Even Yan Yusheng was seriously sizing up Quan Che's clothes from now on.

When he came in just now, she was attracted by his eyes that were as bright as the stars. She didn't notice that he was wearing a pure white suit.

The elegant Bow Tie was light blue, the color of the sky.

It seemed to echo with her skirt.

**Author:**?Su Zhishui?MACHINE TRANSLATION

Yan Yusheng blinked and couldn't help but think —

Could it be... .. It really is a couple's outfit ? ?

Looking at this unique color, it shouldn't be wrong.

No wonder he gave her an evening gown yesterday. Was it for this moment?

This was the first time she wore such a couple's outfit!

No, the point is... .. This is a couple's outfit ? ? ?

Then, then what brother Che Er meant was... ..

Before she could think further, the man standing in front of her had already turned around and stood in front of her. He was like an iron wall, shielding her from all harm and danger.

Quan Che turned around and looked at the rude Zhou Qi with a cold gaze. His murderous aura surged out, "I'm her fianc??. Do you have any objections? "

His tone was not high. Each and every word seemed peaceful, but there was a sinister and cold aura hidden within it. He was imposing even when he was not angry!

Zhou Qi was so frightened that she took a step back. She almost missed her footing!

It was as if death was gripping her throat. She could not speak or even breathe!

She cowered. She did not even dare to look at Quan Che again, as if she was scared out of her wits.

Yan Yusheng was no longer in the mood to care about Zhou Qi's performance. She was once again stunned by Quan Che's words.

FIANC?? ! !

She couldn't help but secretly raise her eyes to look at his chiseled profile. Yan Yusheng's little face flushed red.

As Zhou Qi stepped back, she happened to bump into Qin Shuangshuang. She said with some annoyance and disgust, "what are you afraid of? ! You're so cowardly! "

After saying that, she turned around and glared at Yan Yusheng, who was hidden behind Quan Che. She pointed out and scolded, "Yan Yusheng, if you dare to do it, don't be afraid of others saying it! You even have a fianc??. It looks like you've done a lot of homework behind the scenes, right? If you're shameless, YOU'RE SHAMELESS! "

Although the Qin family was not considered to be a top-notch power holder, her grandfather was also a politician with some reputation when Lu Yiming was causing a Ruckus. Qin Shuangshuang was more or less knowledgeable and would not be so brainless.

Now that she knew that this man who suddenly appeared out of nowhere was not to be trifled with, she pointed the blame at Yan Yusheng.

However, she seemed to have forgotten one point. Quan Che had already said that he was Yan Yusheng's fiancé??.

In this world, how could a man watch his woman being bullied?

"Who are you?" Quan Che opened his mouth coldly and a trace of displeasure appeared in his dark eyes.

"Me? Ha! My father is Qin Guangming!" Qin Shuangshuang introduced herself proudly and arrogantly. She arrogantly thought that her father was the ruler of this world and that everyone should respect and fear her. "The Qin Corporation belongs to my family!"

Quan Che's expression did not change. He only narrowed his phoenix-like eyes and said slowly, "your father will probably regret it."

When the onlookers heard this, they looked at Quan Che in confusion.

Weren't they talking about him and Yan Yusheng just now?

Why was Qin Shuangshuang's father suddenly implicated?

Moreover... .. Why did she regret it ...

Qin Shuangshuang was stunned. Her brain, which wasn't particularly stupid, started to work at this moment. She vaguely sensed that something was wrong. She gritted her teeth and felt some lingering fear, but she still slapped her own face and pretended to be fat. She questioned loudly, "what do you mean?!"

"You'll find out very soon." Quan Che smiled coldly. The look between his brows was extremely malicious.

After saying that, he turned around and glanced at the attendant behind him. The attendant immediately understood and walked out of the crowd. He took out his phone and started making a call.

Yan Yusheng had probably guessed what Quan Che wanted to do. She looked at Qin Shuangshuang before reaching out to pull on Quan Che's sleeve. "Brother Che Er..."

### **Chapter 2168 was just pure affection**

**Author:**?Su Zhishui?MACHINE TRANSLATION

Sensing her small movements, Quan Che looked at her. In an instant, his pitch-black eyes became incomparably gentle.

"Don't worry, I am here."

He seemed to have seen the hesitation in her eyes. His thin lips curled up slightly and revealed a smile.

Yan Yusheng raised her head slightly to look at him. In the blink of an eye, she was lost in his dazzling and blooming smile... ..

Outside the crowd.

Yan Yuhan quietly watched the development of the situation. Even if he was not involved, he knew the entire situation like the back of his hand.

Wu Shu's gaze also moved away from Yan Yusheng, who was looking at Quan Che. After a moment of silence, he asked, "young master, what will happen to the Qin Corporation?"

"The Qin Corporation?" Yan Yuhan repeated these four words and sneered, "there is no Qin Corporation."

"..."Wu Shu was stunned at first, then he reacted. Unconsciously, his gaze fell on Quan Che, who was like a god in the crowd.

This person... ..

He was decisive and decisive.

He would definitely be able to protect the young miss for the rest of her life.

There was no lack of clear-headed people among the audience. Even if they did not guess that Quan Che wanted to destroy the Qin family, they knew that at least with Yan Yusheng's identity, the Yan family would not let the Qin family off so easily after what happened tonight.

If they allowed the situation to continue developing, it was likely that it would reach an uncontrollable stage.

Qi Shuai had also thought of this. As the president of the Student Union, he naturally did not want to see any big scenes in the school, so he stood out and changed the topic with a smile.

"Why is everyone standing here? It's a rare dance tonight, so don't be shy and enjoy it!"

As soon as Qi Shuai said this, his reaction was already fast enough to Echo, "I knew it! So the music didn't wake up! DJ, MUSIC!"

When the DJ who was waiting for orders heard this, he was about to play the first dance song that he had prepared, but he was stopped by someone.

Zhou Qi did not know when she came back to her senses. She grabbed the opportunity and immediately started to brag about Qin Shuangshuang, "why do we need a DJ? Our Shuangshuang is a level 10 piano player! Why don't we listen to her play a piece of celestial music!"

The matter just now was indeed unpleasant. Zhou Qi knew that she would lose face, so she wanted to support Qin Shuangshuang and earn some face.

The people around also said, "let's play a song! Let's play a song!"

The DJ in the distance was quietly petrified. There were probably five million grass mud horses running through his heart... ..

Qin Shuangshuang's tail flew up into the sky after being praised like that. She walked proudly to the piano at the side.

A world-famous Piano Song, “wedding in a dream, ” slowly came out... ..

The layman was mesmerized by it, and the smile on his slightly knowledgeable face was a little stiff.

To those who did not understand it, level 10 piano might seem very impressive, but to those who truly understood it, it was just the beginning.

Qin Shuangshuang was a virgin after all. No matter how well she played, at least there was not a single note that was wrong. Therefore, when she finished playing, warm applause rang in her ears.

She raised her neck arrogantly, looking down on the people who were cheering for her like a queen.

Zhou Qi licked her lips as usual. “Shuangshuang, you play really well! “

“It’s alright. ” Qin Shuangshuang stood up proudly. Her gaze swept across Yan Yusheng in the crowd, full of contempt.

Shenjia Linxi could not bear to see these two acting so well. Recalling that Yan Yusheng also knew how to play the piano, she asked her, “Yusheng, what grade do you play the piano? “

“I haven’t passed the exam... ” Yan Yusheng shook his head. This was the first time she had heard that there was a need to pass the exam for the piano?

She just purely liked music.

#### **Chapter 2169, who do you hope to win?**

**Author:?**Su Zhishui?MACHINE TRANSLATION

The speaker did not mean it, but the listener did.

As soon as Yan Yusheng finished his sentence, Zhou Qi burst out laughing, “If you don’t understand, then don’t come out and embarrass yourself! You haven’t even passed the level test, how can you compete with our Shuangshuang? ! “

“So what if you passed the level test! ” Shenjia Linxi rolled her eyes and went forward to hold Yan Yusheng’s hand, cheering her on, “even if Yu Sheng didn’t pass the level test, she still plays better than Qin Shuangshuang! “

Hearing that, Qin Shuangshuang cast a sidelong glance at Yan Yusheng, “don’t make your face swollen and pretend to be fat! Music is not something that just anyone can understand! It’s better to go back and find a teacher to learn from! “

These words were obviously mocking Yan Yusheng for not knowing music and still putting up a front.

Quan Che furrowed his brows and was about to open his mouth when the girl behind him who had been protecting him all this time suddenly opened her mouth. “The one who really doesn’t know music is you. “

Everyone was stunned and turned to look at Yan Yusheng.

They saw that the indifference on her delicate little face had long disappeared. It was as if she was no longer detached from the matter, but more serious.

Yan Yusheng did not want to mess around with Qin Shuangshuang. Firstly, he felt that it was troublesome. Secondly, he knew his parents' identity and did not want to tarnish their reputation.

However, since Qin Shuangshuang used music to insult her, she wouldn't tolerate it any longer.

She had learned piano from her great-grandfather since she was young. Even though her great-grandfather had passed away many years ago, she had never forgotten her great-grandfather's love for music and his teachings to her.

Some things were worth fighting for with everything she had, even her life.

And this kind of thing was called faith.

When Yan Yusheng looked up, he happened to meet Quan Che's gaze.

Their eyes met. With just a glance, he could see what she was thinking.

He nodded slightly at her. His dark eyes were filled with silent encouragement and praise.

The last trace of uncertainty in Yan Yusheng's heart disappeared under his encouragement. She took a deep breath and walked towards the piano with a smile on her face.

When she passed by Qin Shuangshuang, she saw her malevolent indifference and the intense jealousy in her eyes.

How could a person with such a heart play the purest and most flawless music in the world?

Shenjia Linxi looked at Yan Yusheng who was slowly walking onto the stage. She could not help but clench her small fists and press them against her chin. In an instant, she turned into a little fangirl and said, "Good Luck, Shengyu! "

The Moment Yan Yusheng sat in front of the piano, all the main lights in the venue went out with a bang. Only a gentle beam of light was lit. It shot out from a perfect angle and gently wrapped around Yan Yusheng.

That warm color seemed to coat her with a layer of dazzling brilliance. It was so beautiful that it was like a dream.

Quan Che watched from afar. His dark eyes slowly spread out... ..

All these years, as long as Yan Yusheng learned a new piece of music, she would play it for him.

He knew better than anyone the progress and changes that had been accumulated over the years.

Qin Shuangshuang actually used this to provoke her. She was really courting death.

In the distance.

Qi Nian looked resentfully at Quan Che, who had placed all his attention on Yan Yusheng. He pouted and turned around to scold Bai Yuchen, who was beside him "Why did you light her up? ! You made her so beautiful. Look, brother Che's soul has almost been lured away by her! "

Bai Yuchen, who had arrived late, had nothing to do anyway. He simply snatched the position of the lighting master and controlled the lights in the venue.

At such a time, he naturally had to contribute to his sister-in-law!

“Little Nian ‘er, who do you hope to win?” Bai Yuchen suddenly asked.

“Do you even need to say that? Of course it’s Yan Yusheng! Didn’t you see the arrogant look of that woman just now! Just what kind of plaything does she play, and she still has the nerve to say that she knows music? Bah!” Praying for mercy placed his hands on his waist and spat. His overbearing little appearance was very cute.

Although Yan Yusheng had seduced brother Che’s soul away, she was still more pleasing to the eye than that bad woman!

Bai Yuchen was amused when he heard this, “looks like you’re not completely unable to distinguish right from wrong! Not Bad, not bad. You haven’t been blinded by jealousy. Let me tell you, you...”

Before he could finish his sentence, Qi Nian mercilessly interrupted him. “Shut up! She’s going to start playing the piano!”

Bai Yuchen,” ...”

Just as he was about to teach this little girl what it meant to respect others, a gentle and clear melody drifted into his ears.

Everyone present held their breaths as they looked at the girl on the high platform

Under the shining lights, the girl was dressed in a pure white long dress. Her chestnut-colored hair was tied up behind her head, forming an exquisite flower bud shape.

On the clip used to hold her long hair, there were two sparkling and translucent pearls. The color was extraordinary and the pearls were round and smooth.

Perhaps it was because she was too young, the girl looked a little childish, but it still could not hide her delicate facial features. One could imagine how beautiful she would be when she grew up.

At this moment, her scaly fingertips were jumping on the black and white keys like a butterfly spreading its wings. Every movement contained extremely powerful vitality, giving life to every musical note that flowed out of her fingertips... ..

Everyone listened in rapture.

A few who understood could already tell that this was one of Anan Ryoko’s most famous piano pieces. It was called “Refrain.”

The original piece was played by the piano, the triangle bell, and the wooden guitar. It was a piece of healing music.

This time, Yan Yusheng only used the piano, but she was able to control the melody so perfectly. It did not lose any of its spiritual energy, and it was very natural. She could even fuse her emotions into the rhythm of the music. It made people unable to help but be intoxicated by the wonderful world outlined by the notes, unable to extricate themselves for a long time... ..

Even the prayers were subdued.

She looked at the girl who was playing on the high platform with some anger, then turned her head to look at brother Che in the crowd. She suddenly sighed.

She seemed to understand why brother Che liked Yan Yusheng so much.

More than ten years of gifts were sent to the Yan family like flowing water.

Not to mention her, even brother Che's sister had not received such treatment, right?

She should have thought of it long ago. Brother Che's heart had been snatched away by the girl playing the piano more than ten years ago.

But... .. But she still felt indignant !!

So what if it was more than ten years She had been by brother Che's side for more than ten years Why couldn't she get brother Che's favor? !!

When Bai Yuchen turned around, he saw the resentment on Qi Nian's face. His gaze changed slightly, and he had no choice but to persuade her, "little nian 'er, no one can snatch what should be yours, and neither can you snatch what shouldn't be yours. You're still so young, how would you know what love is? "

"You speak as if you know. Haven't you never been in a relationship before? Old Bachelor! " Qi Nian pouted and replied fiercely.

"Hey you..." Bai Yuchen's bad temper had just flared up He saw Qi Nian's reddened eyes and knew that this little guy was like a hedgehog because he was sad, so he didn't argue with her "Forget it, I'll just quietly enjoy the music! Look, your brother Che is staring at your love rival! If you have the ability, snatch him over! "

The initial persuasion turned into excitement instead.
