

## Trick Me 2211

### Chapter 2211, tell me the truth

Han Jingjing.

The daughter of the Big Brother Han Zhang in Rao city.

The Han family's business was different from Lego's.

LEGO's main business was to control the casinos in the country. They used money to build a friendly relationship with the upper echelons of Rao city. They could be considered black and white, and their positive identity was well-established.

The Han family, on the other hand, was pure black. They did all kinds of evil. The underlings in the hall carried a knife on their waist when they went out to mingle.

After Yan Jun became the president, the atmosphere slowly improved after a period of reorganization.

However, where there was light, there was darkness.

These forces hidden in the darkness could never be cut off.

The Han family was considered one of the best among them. Not only did they monopolize Rao city, they even wanted to swallow Lego's forces.

Speaking of which, Lego was indeed a big piece of meat in the eyes of outsiders. However, 99% of the people knew that Lego could not be provoked, so no one dared to act rashly.

However, the Han family did this 1% .

Since last year, they had started to disrupt Lego's business and had a few direct conflicts. Although they did not gain any advantages, they firmly believed that doing so would bring a lot of pressure to Lego.

Han Jingjing was Han Zhang's only daughter, and she was going to inherit everything from the Han family in the future. Therefore, Han Zhang also brought her to participate in this matter.

After a while, Han Jingjing found out about Yan Yuhan's existence.

When she found out that the leader of Lego was actually a boy who was two years younger than her, she immediately ridiculed him and made her subordinates do things even more unscrupulously.

Especially in the past two years, the Han family's development was very fast. Han Zhang constantly absorbed small groups around him to expand his power, and his ambition to annex Lego grew bigger and bigger.

As for Yan Yuhan, he only chose to watch coldly from the sidelines.

He was not in a hurry to settle accounts with Han Jingjing. He was clear about Lego's losses over the years, and he even had dinner with Han Jingjing.

Some of the elders of Lego were also dissatisfied, but in the end, no one dared to make a sound.

Although Ji Heng had passed away many years ago, the Lego lineage had been passed down to Yan Yuhan.

No one dared to question their leader.

Yan Yuhan calmly retracted his gaze and looked at Yuan Bao. Instead of answering, he asked, “who do you think that is? “

“Me?” Yuan Bao was stunned for a moment. Then, he began to dig for information. “Hehe, brother, just tell me the truth. Is that your girlfriend? “

“girlfriend?” Yan Yuhan raised his eyebrows. He did not understand why Yuan Bao would suddenly think of this.

“Yes! She is always hanging around you. I saw her! And you guys even had dinner together!” Yuan Bao said with certainty.

Even though Fang Shaoan had not been in charge of the security department for many years, his old subordinates from many years ago were still around. If he wanted to find out some information about someone in this city, it was always the fastest way to find Fang Shaoan.

When Yuan Bao had nothing to do, he would also go to his father’s information database to take a look around. At the same time, he would also pay attention to his brother Han, whom he idolized the most.

After all this, he only knew about Han Jingjing’s existence.

However... .. He did not have enough authority. He only knew that there was a woman who was chasing Yan Yuhan, but he did not know the identity of this woman ...

Moreover, if a woman always revolved around a man, wouldn’t it be easy for people to associate it with feelings?

However, Yan Yuhan smiled coldly. “Yuan Bao, you must remember this: the person who hangs around you doesn’t care about men or women. Other than liking you, perhaps she just wants to find an opportunity to kill you. “

Yuan Bao, “ ... ”

### **Chapter 2212: Strike First and gain the upper hand**

What a huge reversal!

He had always thought that woman was interested in brother Yu Han!

How could it be... .. that she had suddenly become an enemy ? ?

Furthermore, he had also heard of the Han family. He knew that they were ruthless and had many disciples. Moreover, they were famous for being reckless!

Yuan Bao's heartbeat suddenly became heavier. He gulped and looked at Yan Yuhan in a daze. "brother, what should we do? They are targeting you! You, you, you, you still dare to go out? And you only have a few people with you? ! "

As he spoke, Yuan Bao subconsciously counted the people around Yan Yuhan. Other than him and the driver, there were only two people? ! !

Yan Yuhan did not care.

"They are not stupid enough to make a move in broad daylight. " With a cold smile, Yan Yuhan took the lead and got into the car. He did not even look at the Red Ferrari behind him.

Han Jingjing dared to wait outside the Yan family's door so brazenly. It was obvious that she was not afraid of the Yan family's power.

Now that no one in the Yan family was working in the officialdom, it did not matter even if people knew about the relationship between Yan Yuhan and Lego.

The only thing was that in the future... ..

Yuan Bao also quickly followed him into the car.

He stared blankly at Yan Yuhan who was sitting beside him and suddenly felt a little apprehensive.

Ever since he was young, he had been used to eating, drinking, and having fun. Every time he came to the Yan family, he would eat, drink, and have fun like this. When he was with his brothers and sisters, he thought that everyone was like this.

But now... .. He suddenly felt that he seemed to be wrong ...

The brother in front of him was completely different from him.

How could he describe that feeling? ~~no~~**VE-IB.1n**

Aiya, he regretted not having enough books when he needed them!

Yuan Bao racked his brains before he thought of two words: Calm, calm! ! !

Yes It was the kind of calmness that was like a mountain when a powerful enemy came knocking on the door!

So powerful... ..

Yuan Bao stared at Yan Yuhan's eyes and his heart began to well up.

"brother, were you already prepared? " He could not help but ask.

Normally, Yan Yuhan would not answer this kind of question because it was unnecessary and it seemed that his iq was being doubted.

But... ..

He looked at Yuan Bao for three seconds before finally lifting his thin lips and patiently telling him, “only when you are prepared can you be confident. If you learn how to control the overall situation, you will not be afraid. “

These things were taught to him by his father in the early years. Now, he had taught them to Yuan Bao.

The reason why Yan Yuhan told Yuan Bao about Han Jingjing this time was to take this opportunity to let him take a good look at the powerful relationship between them. He wanted to let him decide what kind of person he wanted to be in the future.

Would he be a playboy who only knew how to indulge in debauchery all day long, or would he really learn all his skills and become an indomitable good man!

Yuan Bao was confused. “Then how do I control the overall situation? That bad woman is so fierce. What if she finds a lot of people to force her? “

“That’s why I’ve only been going back and forth between home and the company for the past few days, ” Yan Yuhan replied indifferently. Then, he looked up at the rearview mirror in front of him.

The driver understood and immediately nodded and started the car.

“Then hiding all the time is not a solution! ” Yuan Bao rarely started to think, and he even suggested, “why don’t we make a move first? Isn’t there a saying that it’s better to make a move first? “

Yuan Bao was still young, so he was more aggressive.

However, Yan Yuhan slowly curled his lips, and there was no warmth in his voice. “Well said. “

He had indeed... .. made the first move ...

However, the Han family members were still in Duke Zhou’s dream and did not know it.

**Chapter 2213: was even more exciting than filming a blockbuster!**

“Ah? ” Yuan Bao was dumbfounded. Why did he feel like a fool in front of brother Yu Han?

There were so many things that brother Yu Han said that he couldn’t understand... ..

“learn well. ” Yan Yuhan smiled faintly and patted Yuan Bao’s shoulder. He felt like he was worrying about his old father.

Yuan Bao, ” ...”

At the back.

The Red Maserati followed Yan Yuhan’s car at a distance.

Han Jingjing was wearing a black leather jacket and pants. Her long black hair was tied into a ponytail, making her look even more energetic.

She held the steering wheel with both hands and stared at the black car in front of her. However, she said to the person beside her, “have you found out Yan Yuhan’s recent schedule? “

“Yes.” The red-haired youth sitting in the front passenger seat nodded. Then, he frowned and said, “boss, other than the Yan family, he goes to the company. WE HAVE NO CHANCE TO DO ANYTHING!”

“Humph, does he think that I won’t be able to do anything?” Han Jingjing whistled frivolously and leaned back. The huge rainbow earrings hanging on her earlobes swayed with her movements.

“then... boss, what do you plan to do?”

Hearing this, Han Jingjing immediately frowned and turned to glare at the youth beside her. “Use your brain, Cao Yu. You’ve been with me for so long, why are you still so stupid?”

The youth shrunk his neck and chuckled. “How can I be as smart as you, boss! Anyway, it’s you who speaks, I’ll do the work!”

He was quite clear about his own position.

Han Jingjing snorted. She didn’t say anything, but she was quite pleased in her heart. Then, she said, “We can’t move the Yan family, so we’ll find an opportunity to make a move on them on the road!” “See? The road from the Yan family is sparsely populated, and it stretches in all directions!” “when the time comes, we’ll cut off the surveillance cameras along the way and find a group of people to surround his car. By then, we won’t be afraid that he’ll be able to run away.”

This was the best plan that she had devised with Yan Yuhan over the past few days.

The Yan family couldn’t be moved. The company’s target was too big, so they could only move along the road.

“BOSS IS RIGHT! WE’LL STOP HIM ON THIS ROAD!” Cao Yu excitedly began to rub his hands together. “Boss, is twenty people enough?!”

“You pig! Why did the target make such a big deal?! FIND ME SOME SKILLED FIGHTERS! The kind that can take on 10 people!” Han Jingjing shouted a few more words and rolled her eyes ... n-)(\V-.e/).-b-- 1/-n

She really didn’t know why she chose such a fool as her subordinate in the first place?

“Yes, boss!” Cao Yu was still smiling as if no matter what Han Jingjing said, he felt that it was right and he would never be angry.

Han Jingjing slapped her forehead in anger and resisted the urge to kick this idiot out of the car!

When she turned around again, the car in front had already stopped. Yan Yuhan got out of the car and entered the company as usual.

Knowing that Han Jingjing was definitely following behind him, Yan Yuhan did not turn around to take a look. He just acted as if she did not exist at all.

Yuan Bao was originally quite curious, but seeing that brother Yu Han was so calm, he also tried his best to control his curiosity. His body stiffened as he followed him in.

Only when he entered the elevator did he dare to breathe hard. “HUFF HUFF! I’m really too nervous! It’s even more exciting than filming a blockbuster!”

Just as he finished speaking, he received a cold glare from Yan Yuhan, scaring him so much that he shivered!

#### **Chapter 2214: Using One's child to trap another's Wolf**

"..."Yuan Bao rubbed his nose awkwardly. He turned around and stood silently at the side.

For the rest of the day, Yan Yuhan was dealing with all sorts of matters in the company.

During this period of time, Yan Jun had gone to the Middle East. Yan Yuhan was in charge of everything, and he did it with ease.

Although Yan Jun was back now, it seemed that he was still busy with the matters at hand.

Yuan Bao followed Yan Yuhan for the whole day.

When Yan Yuhan was reading the documents, he was paralyzed on the SOFA playing games.

When Yan Yuhan was eating, he would come over to freeload with him.

In short, when Yan Yuhan finally got off work, he wiped the drool from his mouth when he was sleeping and shouted in a daze, "can we go home for dinner now? Sister Puff said there will be a big meal tonight! "

If he liked to play, he followed Fang Shaoan. If he liked to eat, he must have followed Zuo Xiaoran!

Yan Yuhan was not in a hurry to go home. He stood in front of the floor-to-ceiling glass window and looked down at the people below him. His Evil Phoenix eyes narrowed.

He was different from an ordinary child.

He seemed to have sensed this from the moment he was born.

After being by his father's side all these years, he knew more and more how heavy the burden he had to shoulder was.

Although his father had never mentioned the matter of the president to him, he knew that the glory of the Yan family was closely related to it.

Coupled with the conversation Quan Che had with him last night... ..

His memories were interrupted here.

The phone on the office desk vibrated, emitting a buzzing sound.

Yan Yuhan turned around and glanced at the screen, then picked up the phone.

"Uncle. "

It was a call from Huo Ting.

"Yes. " A familiar voice soon came from the other side. "We've set up defenses along the way. As long as the Han family dares to make a move, don't even think about running away. "

“okay, uncle, you’ve worked hard. ” Yan Yuhan slowly curved his lips and said politely.

Huo Ting did not relax. Instead, he warned earnestly, “you must be careful. Don’t make any mistakes. Otherwise, if your parents know that I’ve agreed to let you be the Bait, I’m afraid that even my military district will be torn apart. ”

The matter of dealing with the Han family was something that Yan Yuhan had contacted Huo Ting alone after Yan Jun and Xia Jinqi went to the Middle East.

Originally, Han Jingjing, this big fish, was about to take the bait, but her parents had come back early.

Therefore, when Yan Yuhan came downstairs in the morning, he would be so surprised to see Yan Jun. .

If they knew, this plan would definitely not go ahead.

“You can’t bear to part with your child, and you can’t trap the wolf. ” Yan Yuhan smiled. Han Jingjing’s target was him. If he did not personally come out to be the Bait, Han Jingjing would definitely not take the bait easily.

The words were rough but not rough. For now, this was the most likely way to win.

As for his safety... He had borrowed Li Jie from his father in the morning. With Wu Shu protecting him in the dark, nothing should happen ...

Yuan Bao, who was bored and eating an apple at the side, heard this and immediately came over. He asked curiously like a baby, “whose child are you using to trap whose wolf? ”

Hearing this, Yan Yuhan turned around and glanced at him indifferently.

Huo Ting, who was on the other side of the phone, also heard Yuan Bao’s voice. He immediately frowned. “The Fang family’s kid is with you? ”

“Yes. ” Yan Yuhan nodded.

Upon hearing this, Huo Ting immediately flew into a rage. “Get someone to send him back! I’ve experienced that kid before. He’s purposely stirring up trouble! How can he participate in such a life-and-death matter? ”

His words were not pleasant to hear, but Yan Yuhan knew that his uncle was worried about Yuan Bao’s safety.

### **Chapter 2215: What kind of person would he become**

In fact, Huo Ting knew Yuan Bao’s character very well.

Yuan Bao was not like Yan Yuhan. He knew how to adapt to the situation, and even if he was in a desperate situation, he could still survive.

The Han family was a group of extremely vicious people. If they wanted to fight to the death, it would be difficult for him to protect Yan Yuhan, let alone Yuan Bao.

To put it bluntly, if something were to happen, what would happen if Yan Jun and Fang Shaoan came to find trouble with him?

.. This risk could not be taken.

“uncle, don’t worry. Yuan Bao is just here to experience life.” Yan Yuhan smiled and said, “I’ll send him back now.”

“That’s more like it!” Huo Ting finally let out a sigh of relief and then hung up the phone.

Although Yuan Bao didn’t hear what Huo Ting said, he could guess something from Yan Yuhan’s few words.

“Humph, it’s Uncle Huo again, right? Are you afraid that I’ll give you trouble?” Yuan Bao blew on his bangs, his cheeks swollen from anger.

Yan Yuhan put down his phone and asked, “you know it’s him?”

He just called him uncle and didn’t specify which uncle. How did Yuan Bao know?

“Tch, why would the uncle of the Xia family care about me?” As for the uncle of the Ji family, he trusted you very much, so he definitely wouldn’t be so suspicious. No matter how he looked at it, it was only uncle Huo. He must be afraid that something would happen to you, and Godfather would find trouble with him!” Yuan Bao could easily tell from Yan Yuhan’s expression and tone that the caller was one of Yan Yuhan’s uncles.

If he had to say, he was quite envious of the Yan siblings. These uncles and uncles were everywhere, and all of them were very good to them.

How was he like him? He hadn’t even met his own grandparents... ..

Fortunately, he still had his grandparents to dote on him. Otherwise, when his parents hit him, he would have nowhere to hide!

Yan Yuhan raised his eyebrows and looked at him. He suddenly discovered another talent of Yuan Bao.

He didn’t study hard, but he seemed to be very good at things other than studying.

Even if it was a simple game, he could accomplish more tricks than others, and he was meticulous... .. He might be the best candidate to take charge of the security department in the future ...

“Yuan Bao, what do you want to do in the future? What kind of person do you want to become?” Yan Yuhan suddenly narrowed his eyes and asked.

This question came too suddenly, so Yuan Bao was stunned for a full ten seconds before he answered, “i. . . Don’t know... My Dad said that if I continue like this, I can only muddle along and wait for death... ”

In the past, Fang Shaoan was no less than the current Yuan Bao!

At that time, no one showed him a mirror, and he did not know what he looked like. He could play however he wanted!

But now, seeing his son grow up and become more and more mischievous and uncontrollable, he began to understand what he looked like in the eyes of his parents.

Unfortunately, the frivolity of that young man was long gone with the passage of time. All that was left was an endless stream of regret and self-blame... ..

If only he could be more sensible and filial to his parents earlier.

With such remorse, Fang Shaoan's education of Yuan Bao became more and more strict.

However, Yuan Bao, who was in the rebellious stage, did not listen at all. He ran away from home every few days or caused trouble everywhere. It was completely counterproductive.

At this moment, Yuan Bao thought of his father's scolding and suddenly felt a little lost.

At this moment, Yan Yuhan's voice sounded again, "do you want to do something meaningful? "

### **Chapter 2216: I only love you**

"I think eating, drinking, and having fun are also very meaningful!" Yuan Bao threw himself into the SOFA dejectedly. He also knew what he was capable of.

There were some things that the yan siblings could easily do, but he just couldn't do it easily.

There was also that Brat Ye Qingzhou. His drawing skills were excellent, and he flirted with girls until they screamed. Uncle Huo's precious son had been playing with guns since he was young, and it was said that he was a shooting genius.

Only he seemed to be unable to do anything.

Actually, he had tried his best and wanted to perform well, but... He really felt dizzy just by reading books !!

As time passed, he realized a principle in life.

"perhaps, I was destined to be an ordinary idiot from the moment I was born... "

So, he would just continue living like this. Day After Day, just like what his father said, he would just eat and wait for his death.

"Don't belittle yourself." Yan Yuhan firmly denied his thoughts. He wanted to chat with him more, but it was almost time. He could only say, "let's go home. "

"Oh," Yuan Bao answered sullenly. He got up and trailed behind Yan Yuhan.

As soon as he got out of the elevator, the excitement of the morning automatically appeared in his mind. He couldn't help but look at the street outside.

He searched carefully, but he didn't see the Red Maserati again.

He couldn't help but be a little curious. "Eh? Why aren't you following me? "

Hearing this, Yan Yuhan's dark eyes darkened.

These few days, Han Jingjing had been following him neither too far nor too close, but now she had suddenly disappeared?

It seemed that she had found a way and went back to make preparations.

The surprise attack was about two days away.

While he was thinking about this, Yan Yuhan did not show anything on his face. He was as calm as usual.

When the car returned to the Yan residence, the sun had already set.

Yuan Bao pushed the door open and got out of the car. He coolly saluted the setting sun. "Oh, you look beautiful tonight too!"

Coincidentally, Yan Yusheng had just returned. There was a champagne rose in her hand. It was so beautiful.

"Sister Puff, you're in a good mood!" Yuan Bao's gossipy heart was rekindled. "Who sent the flowers?"

Since he couldn't find out about brother Yu Han's sexual gossip, he would try IT WITH SISTER PUFF!

"Guess?" Yan Yusheng smiled as she passed by him and walked to Yan Yuhan. "brother, you're back so early tonight?"

"Yes, I have nothing to do today." Yan Yuhan nodded. His gaze also lingered on the rose in her hand for a second.

Yuan Bao didn't know, so he didn't know who sent these flowers.

But he knew.

Besides Quan Che, who else could make his little sister's eyes and brows look like they were stained with love?

Yuan Bao did not give up and came over again. He frowned and muttered, "the meaning of champagne rose is that I only like you. Eh? Sister Puff, you... could it be..."

"Let's go! Quickly go in and see what delicious food aunt Liu has made!" Yan Yusheng interrupted his guess and turned to walk into the house first.

The hand holding the rose became tighter.

These flowers were given to her by Che Er's brother.

Moreover... ..n)(OVelb1n

Did Champagne rose have such a meaning?

She actually did not know... ..

After Yan Yusheng ran away, Yuan Bao ran to ask Yan Yuhan, "brother, is this true?"

Had he not come to the Yan family for a long time, and even such an important piece of news was delayed?

“What do you think?” Yan Yuhan smiled faintly and walked into the house.

The happiness in Xiao Sheng’s eyes could not be hidden.

It looked like she really liked Quan Che... ..

### **Chapter 2217: The progress of was not bad!**

This rhetorical question directly asked Yuan Bao’s soul.

Well, it seemed to be true.

“Who... who is that person? Do I know him?” Yuan Bao came back to his senses and followed up to continue asking ...

Yan Yuhan did not answer.

The three of them entered the living room one after another.

Yan Jun and Xia Jinqi had not returned yet. Yan Yusheng quickly returned to his room and carefully found a vase to plant the champagne rose.

For some reason, when she looked at the flower, Yan Yusheng could not help but raise the corners of her mouth.

Then she remembered what Yuan Bao had said just now. Curious, she immediately went online to search for the flower language of the champagne rose.

Every time she looked at it, the smile in her eyes grew.

She secretly laughed for a long time before she remembered that Shenjia Linxi had called her in the afternoon. She hung up without saying anything. Since she had nothing to do at the moment, she called her.

“Linxi? I’m going home.” Yan Yusheng had just finished speaking Shenjia Linxi’s warm voice rang in her ear, “you finally have time! Let me tell you, Qin Shuangshuang and Zhou Qi have dropped out of school! I heard that the Qin Corporation disappeared overnight... could it be your brother? or... is it your fianc???”

Yan Yusheng had never paid much attention to the news about these two people.

However, in the past two days, all the major news had reported about the Qin family.

She knew it was Quan Che who did it, but she didn’t expect that Zhou Qi had also left.

“probably, it was brother Che er who did it.” Yan Yusheng’s answer was very concise. Then, she changed the topic, “What about you? How are things going with senior Qi Shuai?”

In the afternoon, when Shenjia Linxi looked for her, she was so excited that she wanted to talk to her about this matter!

“Me? US... ” Shenjia Linxi was a little hesitant, but from her voice, it was not difficult to tell that she was happy. “after the dance that day, he left my number, and then we had dinner together yesterday. ”

“The progress is not bad! ” Yan Yusheng was also curious. “How do you feel? ”

“It’s... It’s not bad. ” Shenjia Linxi laughed. In fact, she had a good impression of Qi Shuai since the beginning, but she had been hiding it in her heart ...

Who Knew that Qi Shuai would actually take the initiative to ask her to dance at the dance that day, and then he even asked her out to play.

Shen Jia Linxi had been secretly in love with someone she did not dare to get close to, and now he had suddenly shown goodwill to her. This made Shenjia Linxi so excited that she did not sleep for two nights!

Yan Yusheng knew what Shenjia Linxi was thinking, so he teased her again, “it’s just not bad? ”

“Well, it’s very good! HEHEHE! ” This time, Shenjia Linxi finally could not help but laugh out loud. She collapsed on the bed and rolled around in excitement. Then, she scooped up a rag doll and hugged it in her arms. Only then did she calm down.

But even so, the smile on her face did not disappear.

“How about you? How’s the progress with your childhood sweetheart? ”

“I’m also okay! ” Yan Yusheng repeated what she had said just now. He unconsciously looked at the rose next to him. His cheeks were pink.

It was very good.

The kind that could not be better!

Shenjia Linxi burst into laughter. “It’s really good. We even fell in love together! We really have a tacit understanding! ” n-/OVεlb1n

“Yeah, that’s great... ” Yan Yusheng also laughed. She stretched out her hand and poked the rose petals. The corners of her eyes and brows were filled with joy.

Downstairs.

Yuan Bao had just sat down on the SOFA. He crossed his legs and leisurely took out a game to play when he heard a commotion outside the door... ..

“where’s that Brat? He actually dares not go to school! He must have grown wings! ”

### **Chapter 2218: What did he learn in**

Before he could finish his sentence, Yuan Bao felt his anus tighten. He turned off his phone with lightning speed and hid under the SOFA seat. With a beautiful bounce, he hid behind Yan Yuhan with a swoosh.

Looking at his series of actions, it was obvious that he had accumulated experience through countless times of practice!

On the other side, Fang Shaoan had already rushed in and scanned the living room. His Line of sight, which was flickering with flames, instantly locked onto the stinky brat hiding behind Yan Yuhan!

“Aren’t you going to get your ass over here? !” Fang Shaoan was really furious.

He had only seen this brat behave himself for a few days, and today, he had started playing truant again!

It seemed like he was missing another round of punches!

Yuan Bao was so scared that he did not even dare to look at his own father. He could only whisper for help behind Yan Yuhan, “brother, please save me! “

No matter how much trouble he caused outside, the person Yuan Bao was most afraid of was still Fang Shaoan.

However, this was still the Yan family after all. Yan Yuhan naturally would not just watch as he was captured and sent back to be beaten up. He could only speak first, “Godfather, Yuan Bao went to the company with me today. “

Hearing this, half of Fang Shaoan’s burning anger disappeared. He raised his eyebrows and asked, “went to the company? What did you do? Did you get into trouble again? “ n)(OVelb1n

“No, no! Dad, I went to learn with brother Yu Han!” Yuan Bao immediately began to answer.

If he did not say more nice things about himself at this time, he was really afraid that his butt would explode later!

“Is that so?” Fang Shaoan snorted. It was not so easy to get him to go. He asked, “what did you learn? “

Yuan Bao also paused. Just as Fang Shaoan was about to make trouble, he suddenly shouted, “brother Yu Han said... said... that I have to be prepared before doing anything so that I can grasp the overall situation and not be afraid! “

Fang Shaoan,” ...”

Yan Yuhan,” ...”

Not only was Fang Shaoan stunned, even Yan Yuhan was a little surprised.

This kid really took his words to heart.

Seeing that the two people in front of him were silent, Yuan Bao began to rack his brain to recall what had happened during the day and continued, “he also said... that I shouldn’t belittle myself and ask what kind of person I want to be in the future! “

HUFF huff. Fortunately, he remembered these few words. Otherwise, he really didn’t know how to explain it!

“...”

Fang Shaoan had originally come here in a fit of anger. However, after hearing these few sentences, he suddenly felt that he had no reason to be angry anymore.

He took a deep look at Yuan Bao. In the end, he let go of his tightly clenched fists and sighed. "Go and ask your sister puff to come down. Tell Her that Godfather and godmother brought her a gift. "

"..."Yuan Bao was stunned. He hadn't recovered from his father's 180-degree change in attitude.

Seeing that he didn't move, Fang Shaoan shouted again, "why aren't you going? ! "

Yuan Bao was shocked and turned around to run upstairs.

It was dangerous here, so it was better to run first!

After he left, Fang Shaoan retracted his gaze and looked at Yan Yuhan in front of him.

"Yu Han, come and sit. Godfather has something to say to you. " When Fang Shaoan spoke again, his tone was full of fatigue.

When it came to disciplining his son, he admitted that he had failed.

He also saw the shadow of his childhood in Yuan Bao, and it was too late for regrets.

Yan Yuhan nodded and followed, and the two sat down on the SOFA.

The Servant brought up the teacup and quietly left.

Fang Shaoan first looked at the teacup that was emitting smoke, and then let out a long sigh.

### **Chapter 2219: why are you trembling?**

Fang Shaoan did not know if he found it difficult to speak, or if he did not know what to say at all. He was silent for a long time.

In the end, it was Yan Yuhan who started the conversation. "Godfather, Yuan Bao is still young. He has a youthful temperament. There's no need to worry too much. "

"He's only three years younger than you. Sigh... you've already taken over the Yan Corporation, yet Yuan Bao still acts like this all day long. " Fang Shaoan shook his head as he spoke ...

Yuan Bao had not been with him before he was one year old. He had always felt that he owed him, so he doted on him a little more.

Who knew that simplicity had created Yuan Bao's lawless character... ..

It just so happened that he was in puberty, and he was very rebellious. Fang Shaoan was often troubled by this.

Yan Yuhan rarely saw his godfather so helpless.

After thinking for a moment, he said, "If Godfather is at ease, let Yuan Bao stay by my side for a period of time. Fortunately, he doesn't have any interest in school work now. Why don't we let him come out to gain experience? "

Fang Shaoan was stunned. He did not expect Yan Yuhan to say this.

He knew very well how difficult it was to deal with his own devil king.

An ordinary person would not have time to hide, but Yan Yuhan actually took the initiative to bring Yuan Bao with him?

Yan Yuhan saw that he did not answer for a long time and thought that he was worried, so he said again, "let the private tutor follow him. The school's homework can be made up for him at any time. "

Hearing this, Fang Shaoan quickly shook his head. "I'm not worried about that. Since he is so noisy, let's bring forward the winter vacation. The key is, do you have time to deal with him now? I'm just afraid that this kid will cause you trouble! "

Fang Shaoan more or less knew what Yan Yuhan had been doing recently.

Yan Jun and Xia Jinqi were not in Rao city. As elders, they had to take care of the children.

Initially, he had proposed to wait for Yan Jun to return before discussing the Han family's matter. However, since Yan Yuhan and Huo Ting had already reached an agreement, it was not convenient for him to say anything more.

"actually, Yuan Bao..." Yan Yuhan was about to say something when the sound of footsteps came from outside the door.

He looked up and saw that Yan Jun and Xia Jinqi had returned.

Zuo Xiaoran was also with them, chatting and laughing. They must have bumped into each other at the door.

Fang Shaoan glanced at Yan Yuhan and very consciously ended the topic. He turned to look at Yan Jun and teased, "second young master, I haven't seen you for the past few days. You're even more spirited now! "

He heard that Yan Jun went out this time and directly swallowed up all the forces in the Middle East. The European market also took up 60% .

The current Yan family was no longer the Yan family that had almost fallen apart under Yan Youcheng's hands.

"You've aged quite a bit. " Yan Jun glanced at him indifferently and spoke the truth bluntly. n-/OVεlb1n

Fang Shaoan,"..."he was looking for his son all over the world How could he not be old His white hair had even grown out! ! !

Xia Jinqi was watching happily at the side, while Zuo Xiaoran rushed over directly. "where's Yuan Bao? Didn't you say you were looking for Yuan Bao? "

“He’s upstairs.” Fang Shaoan sighed, as if he didn’t want to talk about it.

Yan Yuhan looked at the crowd and greeted them one by one. Yuan Bao and Yan Yusheng happened to come downstairs as well, so everyone went to the restaurant and sat together, eating and chatting.

Just like when they were young, the adults talked about the adults and the children talked about the children.

This time, Yuan Bao deliberately chose the furthest place from his parents and then stayed close to Yan Yusheng.

This way, if his father started to fight, he could still hide!

“Yuan Bao, why are you trembling?” Yan Yusheng asked in a low voice.

### **Chapter 2220: Don’t do such things again**

“Me? I’M NOT SHIVERING!” Yuan Bao straightened his neck, completely denying the timidity in his heart at this moment.

Could he say that he was afraid of being beaten up That he wouldn’t be able to get out of bed for three days?

However, Yan Yusheng looked at his chopsticks and frowned. “The dishes have all fallen, and you still say that you’re not shivering?”

Only then did Yuan Bao lower his head. As expected, when he saw the dishes that had fallen onto the plate and the soup that had fallen to the side, he immediately swallowed guiltily. “My hands are cramping...”

Yan Yusheng,”...”

Fang Shaoan, who was in the middle of the conversation, seemed to have heard the commotion over there. He looked over coldly, scaring Yuan Bao so much that he immediately lowered his head and started eating.

Yan Yusheng smiled at him. She picked up some food for Yuan Bao and comforted him, “alright, it’s alright. Eat well.”

“... Oh.” Yuan Bao answered in a muffled voice and continued eating. He did not dare to raise his head again ...

Yan Yuhan, who was opposite him, raised his eyes and looked at him. There was a faint smile on his lips.

Halfway through the meal, Wu Shu quietly came in. He whispered a few words into Yan Yuhan’s ear before he got up and quietly left.

Outside the House, in the courtyard.

“where did the news come from?” Yan Yuhan stood tall in the darkness, his eyes drooping as he flipped through the few photos in his hands.

The content of the photos were all of the Han family members without exception.

Han Zhang and Han Jingjing had been appearing frequently at the nightclub recently. They had met the same person.

“Quan Che gave them to me,” Wu Shu replied. “The person that Han Zhang met had a grudge with the Bai family. The Bai family had been monitoring him for many years. I didn’t expect him to come to Rao city and bring many people with him.”

Yan Yuhan frowned slightly. He closed the few photos together and began to slowly snap them in his hands.

His pure black pupils looked at the pitch-black night, and he said seductively, “looking for outsiders to help. It seems that Han Zhang wants to wash himself clean.”

Han Jingjing wanted to get rid of Yan Yuhan, so she was definitely not stupid enough to do it herself. Otherwise, the Han family would basically be finished. **no ve-lb)**In

Since she had thought of hiring someone to kill him, she must have already planned everything out.

However, she did not expect that the person she was looking for happened to be under the Bai family’s watch, so Yan Yuhan could receive the news so quickly.

“Young Master, they came prepared.” Wu Shu began to worry. “I’ve discussed it with Wu Wei. From tomorrow onwards, he will pretend to be you and go to work every day. If anything happens on the way, we can deal with it at any time.”

This meant that Wu Wei would be Yan Yuhan’s substitute.

Their brother’s mission was to protect Yan Yuhan’s life. Now that danger had appeared, they couldn’t just sit idly by.

“No need.” Yan Yuhan’s eyes darkened and a cold light shone. “You and Wu Wei are my brothers. Don’t do such things in the future.”

Since he had accepted Han Jingjing’s challenge, it was naturally up to him to bear it.

“...”Wu Shu was stunned for a moment. His heart was slightly heated. It burned all the way to the top of his head, so much so that he forgot his identity. He raised his eyes and looked straight at Yan Yuhan.

When he was young, he had always treated him as his second brother.

Until one day, he realized that their identities were actually different.

He also forgot when he began to change the way he addressed Wu Shu as young master. But from that day onwards, Wu Shu’s heart had an additional respect and distance to him.

But in fact, so many years had passed, and in the depths of Wu Shu’s heart, he still regarded him as his favorite second brother.

So, even if Yan Yuhan rejected his proposal, he and Wu Wei would still do it.

No matter what, they would not let anything happen to Yan Yuhan.
