

Tick Me 461

Chapter 461: has guts I admire you!

Sigh, forget about his own inexplicable situation, why was Yan Jun, a loving husband and wife who had been putting on dog food all day, like him?

“brother, what’s the matter? Find a place to drink?” Fang Shaoan winked at Yan Jun and took the initiative to suggest.

Yan Jun did not even glance at him, his gaze was still fixed on the 403 window.

“Aiya, stop looking! She’s already asleep! She won’t come down to forgive you even if you keep looking! Let’s go! I’ll call Wen Tao, the three of us haven’t gathered together for a long time! It’s rare for us to have such a romantic atmosphere today!”

Fang Shaoan invited Yan Jun again and again, so Yan Jun did not reject him anymore.

After taking one last look at the window, Yan Jun got out of the car and drove to his own car.

Twenty minutes later, the three of them booked the largest room in the Xing Hai KTV and ordered a table full of good wine, intending to drink until they were drunk!

Wen Tao came the latest. As soon as he sat down, Fang Shaoan poured three glasses of wine in a row and waved his hand repeatedly. “It’s already so late. Shaoan, forget about it. Second Young Master Yan, you’re a good married man. Why don’t you go home?”

Wen Tao teased Yan Jun for once and then took the initiative to pour wine for the two of them with a smile.

Yan Jun glanced at him with a gloomy gaze.

When Fang Shaoan saw that the situation was not looking good, he quickly stepped forward and sat between Yan Jun and Wen Tao. He grinned and told Wen Tao exactly what happened to Yan Jun that night.

When Wen Tao heard that, his expression changed slightly. He could not help but sigh. “It wasn’t a big deal initially, but after your grandfather messed things up, it directly rose to the height of a divorce.”

In that case, it was actually true. It was originally a quarrel between husband and wife, but who knew that Yan Youcheng’s arrival was really such a coincidence. With just a few words, it deepened the conflict.

When Fang Shaoan heard this, he suddenly looked at Yan Jun with a strange look “could it be that your grandfather purposely went to mess things up if my grandfather knew who was pregnant with my child, it would be strange if he didn’t immediately arrest and marry me Your grandfather is really a maverick But then again, if your grandfather forced you to get a divorce, would you get a divorce?”

He had been hoping for a grandson, but he couldn’t get one. Now that he had one, he was still thinking of ways to get rid of it.

The world had really changed quite a lot.

Yan Jun lowered his eyes and drank a mouthful of the strongest brandy. He felt the burning sensation in his throat before he said softly, "absolutely not."

"YOU HAVE GUTS! I admire you!" Fang Shaoan immediately slapped his thigh and raised his glass to Yan Jun. "that's how men should be!"

Yan Jun looked at him with great disdain. He didn't clink glasses with him and continued drinking on his own.

Fang Shaoan snorted and took the initiative to clink Wen Tao's glass. "Wen Tao, let's drink!"

Wen Tao looked at the two of them and was already used to it. Instead, he talked about the main crux of the matter "Yan Qing's future is almost ruined. I heard that he disappeared after leaving young Master Yan's office today. Li Dongwen is going crazy looking for him."

Wen Tao was quite quick to withdraw this small piece of news.

When he passed by the eighteenth floor after work, he happened to hear Li Dongwen's men discussing Yan Qing's disappearance.

Hearing this, Yan Jun looked over and frowned. "You still haven't found him?"

"No." Wen Tao shook his head. "before I came, I heard that the Yan family was also very anxious. They said that if they still couldn't find him, they would call the police."

Hearing this, Fang Shaoan realized the importance of the matter and looked at Yan Jun suspiciously. "could it be you?"

After all, it was not honorable to be cuckolded. With Yan Jun's bad temper, if he caught Yan Qing and beat him up, it was also possible.

Chapter 462: the power of trust can conquer all unknown fears

After being reminded by Fang Shaoan, Wen Tao also looked at Yan Jun, his eyes full of suspicion.

If something really happened to Yan Qing at this time, then Yan Jun would definitely be the number one suspect!

As for Yan Jun..

Facing the doubts of his two bad friends, he only snorted in contempt, "if I made a move, I wouldn't give them the chance to call the police."

A cold and bloodthirsty sentence, extremely cold!

Fang Shaoan and Wen Tao looked at each other with different expressions, but the two of them understood and silently clinked their wine glasses, quietly leaving Yan Jun..

Cherish your life and stay away from the King of Hell.

Not long after, a lot of empty wine bottles were lying on the table.

Wen Tao was the first to get drunk, and he was already lying on the Sofa, snoring and sleeping.

Fang Shaoan went to the nightclub, and his alcohol tolerance was very good. In the past, he did not get drunk even after drinking a thousand glasses, but the amount of alcohol in front of him was only a drizzle!

He changed to a beer to drink, and then glanced at Yan Jun, who had always had a gloomy expression, and said with a smile, "people say that getting drunk will solve a thousand worries. I think you can not buy a drink even if you have money?"

This ridicule really made people unable to refute a single word.

Yan Jun drank quite a lot, but he never got drunk. Instead, the more he drank, the more sober he became.

He dejectedly threw away the empty wine bottle in his hand and turned to open another bottle. "Shao'an, what should I do?"

It was only at this time that Yan Jun felt increasingly powerless.

In the business world, he commanded the winds and clouds, turned the clouds and the rain, and seized life and death. He never showed mercy.

Many people had submitted to him... ..

But in front of Xia Jinqi, he was always defeated and defeated.

Just like this time, unknowingly, many small things collided together, as if a catastrophe had happened.

The situation was out of control.

Fang Shaoan quietly listened to Yan Jun's request before doing what a great lover should do.

"actually, between the two of you, it's a problem of trust." Fang Shaoan saw the crux of the problem at a glance. "The power of trust can overcome all unknown fears. The more sister-in-law is sad, the more she cares about you."

"I know." Yan Jun sighed softly, but there were some things that had to be done. "only the results of the appraisal can stop the public from talking, and only then can they protect the mother and son."

When Fang Shaoan heard this, he also understood. "You're such a taciturn person. In the end, it wasn't for sister-in-law's good, but in the end, you were misunderstood..."

"..."Yan Junmo.

He didn't think that Xia Jinqi would think so much... ..

Moreover, it was already his fault to do the appraisal without her knowledge, and he had no right to ask for forgiveness.

Fang Shaoan rubbed his temples helplessly. He really couldn't bear to see the cold-faced King of Hell, who had been famous all his life, fall into the hands of a woman.

Sure enough, only a woman could stand at the top of the food chain in this world.

But even so, he still had to think of a way to save his poor brother!

"Alright, listen to me. Pick her up at Xiao Ran's house tomorrow morning. Buy a big bouquet of roses, apologize sincerely, and then tell her exactly what you think."

"Are you sure it will work?" Yan Jun raised his eyebrows and was a little skeptical.

Fang Shaoan shrugged his shoulders. "I'LL TRY MY BEST!"

"..."do you believe that I won't kill you?

Fang Shaoan was so shocked by Yan Jun's stare that his whole body shrank, and he hurriedly begged for mercy. "There's also a killer move. Confess to her, the most affectionate confession."

Playboy Fang Shaoan, this title did not come for nothing.

Chapter 463: the man standing in the Sea of flowers

All kinds of ways to apologize and call back his girlfriend's heart were easy to come by!

He could tell at a glance that the reason why Xia Jinqi's reaction was so big was probably because she had never felt a sense of security from Yan Jun, right?

That was true. Such an outstanding man, who knew how many wild women were staring at him Who could feel at ease?

And the best way to cure a lack of security was to confess, what else was there?

Yan Jun listened attentively. In his heart, he was already planning to confess tomorrow morning... ..

Speaking of which, he had never done such a formal thing before.

Thinking about it, he was still a little excited.

..

The next day.

Xia Jinqi was still sleeping when she was woken up by Zuo Xiaoran.

"Xiao Qi! Xiao Qi! Don't sleep anymore! Come and take a look quickly!"

Xia Jinqi opened her eyes in a daze. She saw Zuo Xiaoran smiling in surprise, as if money was starting to fall from the sky.

"What's wrong?" She rubbed her eyes and sat up, still looking sleepy.

“You’ll know when you come to the balcony!” Zuo Xiaoran dragged Xia Jinqi to the balcony without any explanation. Then, she pointed at the bottom of the residential area. She was so surprised that her facial features were almost deformed! “There weren’t any yesterday! In one night, a lot of daisies appeared here! Look! Even the road is blocked!”

Xia Jinqi was still half-asleep, but when she heard the word daisies, she was immediately startled awake!

Subconsciously, she looked in the direction that Zuo Xiaoran pointed to, and she was completely stunned.

The public greenery and streets of the residential area downstairs were all filled with little daisies... ..

The warm pink flowers were placed next to each other, forming a warm pink-colored confession.

Zuo Xiaoran cupped her face with a face full of infatuation. She was so excited that she could not control herself. “whose husband is this? He’s so romantic!”

Xia Jinqi knew that Yan Jun loved daisies the most.

Every time he gave her flowers, he would only give her this... ..

Could it be that the sea of pink flowers downstairs was also Yan Jun’s masterpiece?

But, how did he know that she was here?

Subconsciously, she began to search for Yan Jun’s figure in the Sea of flowers. Xia Jinqi bit her lower lip slightly, and her heart pounded non-stop... ..

Could it be... .. It’s him ? ?

After searching non-stop, she finally saw a figure slowly appearing at the end of the Sea of flowers.

Xia Jinqi held her breath. Her large black and white eyes were filled with anticipation!

That person slowly walked closer and closer... .. He seemed to be holding a pot of flowers in his hand ! !

Xia Jinqi stared at him nervously. However, the closer he got, the greater the disappointment in her heart.

This... .. Judging from his outline and height, he was very far away from Yan Jun. ...

Especially when he got closer, Xia Jinqi’s heart finally sank to the bottom.

This was not Yan Jun, but a very strange man.

It seemed that she had overestimated herself once again... ..

Sighing softly, Xia Jinqi’s small face collapsed. She turned around and prepared to enter the house.

Zuo Xiaoran, who was beside her, pulled her back at this moment and shouted excitedly, “Xiao Qi! Look! Look!”

Xia Jinqi was helpless. She pulled her over and looked downstairs again.

This time, on the other side of the Sea of flowers, she saw a tall man holding a handful of pink daisies in his hands... ..

He slowly walked over and stood in the middle of the Sea of flowers.

His pure white shirt collar swirled in the wind, and he looked graceful like a celestial being.

He raised his head slightly in the bright sunlight, and his pure black deep eyes looked straight at her... ..

Their eyes met, and she felt her heart beat heavily.

Chapter 464: we're not getting divorced, okay?

I'm sorry, I'm sorry, I'm sorry.

Heart Lake Ripples, there is no longer the possibility of stopping... ..

Xia Jinqi seemed to have been cast a magic, stood in place, staring at the flowers in the Sea of Yan Jun..

There is always a kind of people in the world, just a glance, can let you forget the mountains and rivers, forget the sun, moon and stars.

Zuo Xiaoran covered her mouth and sniggered. She nudged Xia Jinqi with her elbow and motioned her to go downstairs. "I'm still waiting downstairs! HURRY UP AND GO DOWN!"

Xia Jinqi was a little embarrassed by her push, but she still didn't move.

"How did he know I was here? And... "

She thought he wouldn't come.

After all, she made such a big scene last night. She must have annoyed him, right?

She didn't expect him to come early in the morning, and he even prepared so many daisies... ..

She was a little confused.

However, Zuo Xiaoran continued to urge her, "who cares how he knows! HURRY UP AND GO DOWN! The traffic in my neighborhood has been paralyzed by your daisies! "

Xia Jinqi coughed dryly before she turned around with a red face and headed downstairs.

After Xia Jinqi left, Zuo Xiaoran smiled and looked down at Yan Jun. she made an OK gesture at him and even called out in a low voice, "young master Yan! You can do it! "

She said that all the coincidences in this world were inevitable!

There were thousands of women in this world, but young master Yan didn't want them, yet he chose Xia Jinqi.

Perhaps in the dark, the two of them had already been tied up?

Yan Jun accepted Zuo Xiaoran's encouragement and nodded slightly before lowering his eyes.

Xia Jinqi just happened to walk out of the unit's door at this time.

She had jogged down just now, but when she saw Yan Jun's gaze at this moment, she unconsciously slowed down her footsteps.

There was some anticipation, some nervousness, and some lingering fear.

She was afraid that all of this was just a dream. When she woke up from the dream, there would be nothing left... ..

Even with the uncertainty of the unknown, she still could not help but take a step forward, slowly approaching him.

Just like when they were taking wedding photos at the beach, she also moved closer and closer to him little by little.

The fragrance of the flowers on the ground was refreshing.

The man in front of her was looking at her tenderly in the midst of the fragrance of the city.

Perhaps it was because she had opened her heart, or perhaps it was because she did not have the impatience and anger from last night, her heart was also like a daisy that had just bloomed, its petals unfolding one by one... ..

"Ah Jin. " Yan Jun stared at her for a long time before finally calling out to her.

Fang Shaoan said last night that the trust between them was still very weak and needed to be nurtured, so he wanted him to give her a sense of security as much as possible.

It was his fault for not taking into account her feelings.

"Let's not get a divorce, okay? "

He was like a child who had done something wrong. His tone was tactful and carried a pleading tone.

When Xia Jinqi thought of his insufferably overbearing manner, her eyes suddenly turned red.

The fact that he was willing to do so much for her was already the best proof... ..

She could not hold it in and immediately threw herself into his arms, choking with sobs. "It's my fault. I shouldn't have mentioned it... "

After she got pregnant, she always became so sentimental and emotional.

But there was only one thing that had never changed.

That was the two people's hearts that were tightly connected to each other.

Yan Jun carefully held her waist and hugged her tightly, sniffing the fragrance in her hair. His thin lips curled into a knowing smile.

Chapter 465:: Forgive me.

She would never know how happy his heart was the moment she walked towards him with tears in her eyes and threw herself into his arms.

“forgive me.” He sighed softly, his deep voice tinged with regret.

He had already done it.

No matter how much he explained, it was useless. He only wanted to beg for her forgiveness.

Xia Jinqi sniffled, her eyes red as she snorted. “You still haven’t told me when the test was done?”

“...” he wiped the tears from the corner of her eyes, feeling sorry for her, and said softly, “when Zhou Lingfang went to Qingxin Garden to look for you.”

“So early?” Xia Jinqi asked in surprise, her big watery eyes staring at him. “When I was in the hospital?”

“Yes.” Yan Jun nodded. No matter what he did, he was always one step ahead of others.

Ever since the night of Yan Youcheng’s birthday, when Zhou Lingfang intentionally twisted the birth father of the child, Yan Jun had been thinking about it.

He had super keen insight and super strong executive ability.

On that day, he did not allow Xia Jinqi to be discharged from the hospital on the same day. Part of the reason was that her pregnancy hypertension was not stable yet. The other part was naturally to keep her to cooperate with the examination.

All the procedures were reported to Yan Jun by the doctor alone, so he did not tell Xia Jinqi.

Moreover, her health was not good at the time, so it was not appropriate for her to worry too much.

“No wonder you refused to let me leave the hospital no matter what...” Xia Jinqi pursed her lips. Her face was very dejected, and she felt like she was being crushed.

She thought about doing a paternity test a long time later. She was so much later than Yan Jun... ..

“then... did you do the test because you didn’t believe me?” Xia Jinqi hesitated for a moment, but she still asked ...

They didn’t have a good conversation last night.

On one hand, he was quiet, and on the other hand, she was too radical, so they didn’t have a good conversation.

Perhaps if Yan Youcheng hadn’t fanned the flames later, they could still have a good discussion about this matter.

Now that the night had passed, both parties had calmed down, and they could look at the problem more objectively.

Yan Jun lowered his eyes and gazed deeply at her. “I have never doubted the existence of this child. Only the results of the appraisal can protect you and our child on the cusp of public opinion.”

His deep black eyes were filled with gentleness as he looked into Xia Jinqi’s eyes seriously.

The matter that he was brooding over was suddenly resolved.

It was like a spring breeze blowing away the dark clouds. After that, the rays of the sun shone in.

Xia Jinqi took a deep breath and instantly felt extremely relaxed.

Yan Jun saw that her beautiful little face was no longer cold. Instead, it was as if the weather had cleared up after the rain, so he took the opportunity to say, "in the future, don't mention divorce again."

Xia Jinqi was slightly stunned... ..

He was always so overbearing.

However, such an overbearing her made her like him as if she was addicted to him.

"grandfather..." she wanted to say something but hesitated. After all, Yan Youcheng's attitude last night was very firm.

She couldn't let Yan Jun fall out with her grandfather because of her, right?

Yan Jun knew what she wanted to say, so he immediately said, "I'll take care of it."

"Oh..." Xia Jinqi nodded gloomily. The current public opinion was indeed too unfavorable for her.

While she was deep in thought, his half-joking voice sounded like a spring breeze. "What a fool. After the divorce, don't you want the 900 billion that you invested in me?"

"..." Xia Jinqi suddenly remembered that her money was still with him!

If she got divorced just like that and couldn't get her money back, Lego wouldn't be able to hunt her down for half of earth?

Chapter 466: Romance, right I taught him that

Seeing her face darken instantly, Yan Jun teased her again, "are you still getting a divorce?"

"I'M NOT GETTING A DIVORCE!" She gritted her teeth and glared at him. As expected, he was a black-bellied man!

The feelings that she had painstakingly accumulated just now were instantly wiped away by his words!

Seeing her panting, Yan Jun could not help but laugh.

Behind Xia Jinqi, Zuo Xiaoran slowly went downstairs and was unexpectedly stuffed with a mouthful of dog food... ..

However, she was still happy for Xiao Qi. They were husband and wife, how could there be a feud between them overnight.

It was good to explain things clearly. Communication was quite effective!

Far Away, Fang Shaoan put his hands behind his back and walked to Zuo Xiaoran's side. "Isn't it romantic? I taught him."

In fact, Fang Shaoan only said to ask Yan Jun to send a bouquet.

This style was Yan Jun's usual style.

The moment she heard Fang Shaoan's familiar voice, Zuo Xiaoran's body stiffened and her expression began to change.

However, she quickly put away the stiffness on her face and pretended as if nothing had happened. She smiled and exposed him. "Come on! You can think of such a grand plan?"

Using the yacht incident by the Qinghuai River as a reference, Zuo Xiaoran came up with a very clear answer.

"..."Fang Shaoan facepalmed!

Dark history!

That time was really a dark history! ! !

As the two of them were having fun, the phone in Zuo Xiaoran's hand vibrated.

She instinctively looked over and saw that it was the unfamiliar phone call from earlier.

She hurriedly called Xia Jinqi. "Xiao Qi, your phone..."

Last night, Xia Jinqi's phone had been turned off. She had only turned it on this morning.

Zuo Xiaoran originally didn't want to be a third wheel, but Xiao Qi's phone kept ringing, so she had no choice but to come down.

On the other side, Xia Jinqi turned around and picked up the phone suspiciously.

It was an unfamiliar number... ..

But she still picked it up.

The other Party immediately introduced himself. "Hello, Madam. I'm Li Dongwen, President Yan Qing's assistant. Our president was captured by the Ji family and hasn't been released yet! I heard that you have a good relationship with the Ji family. Can you help us?"

When she first heard this news, Xia Jinqi felt that it was a little strange.

"The Ji family? Captured Yan Qing? Why?"

In her impression, Ji Yunjing and Yan Qing didn't have any relationship at all. Why would they capture him?

Moreover, according to Ji Yunjing's personality, he wouldn't do something like that, right?

Lastly, Yan Qing was captured. Shouldn't Li Dongwen call the police? What could he do with her?

"The president disappeared yesterday! We haven't been able to find him! We only found out this morning that he was taken away by the Ji family! Madam, please help the president..." Li Dongwen could be considered loyal. From his tone, it could be heard that he was really worried about Yan Qing.

As for Yan Qing... .. something had indeed happened ...

Xia Jinqi bit her lower lip slightly and immediately agreed. "Okay, I'll be there right away."

After saying that, she hung up the phone.

Then, she didn't have time to say anything to Yan Jun and quickly went upstairs to change her clothes.

When she was about to drive off, she was stopped by Yan Jun..

"You're going to look for Yan Qing?" Yan Jun's voice was a little cold.

Just now, from Xia Jinqi's words on the phone, he could tell that this matter was related to Yan Qing.

The matter related to Yan Qing made Xia Jinqi so anxious. To be honest, he did not feel good.

Xia Jinqi nodded. She knew what Yan Jun was thinking, but she had no time to explain it to him now!

Chapter 467:; don't you have anything to say to me?

If something had happened to Yan Qing elsewhere, she would have stood by and watched, but now it was Ji Yunjing who had caught him!

Even Li Dongwen could not do anything, which meant that even the police could not be mobilized... ..

She had to go over and take a look!

"I'LL BE BACK SOON!" She threw him a sentence, turned around, got into the car, and left.

After the sound of the car roaring, only Yan Jun was left standing where he was, frowning like a statue.

Fang Shaoan came over with a screaming chicken toy. He pinched it and said sarcastically, "brother, you seem to have been abandoned!"

Yan Jun turned around and glared at him, looking very dissatisfied. "Didn't you say that sending flowers is very useful?"

"Yes, it is! Didn't sister-in-law throw herself at you just now? What else do you want?" Fang Shaoan shrugged his shoulders. As if it had nothing to do with him, he lowered his head and pinched the screaming chicken in his hand, talking to it, "right, little chicken?"

"quack... quack..." after saying that, he pinched the shrieking chicken twice to make a sound to cooperate with himself ...

Yan Jun,"..."

He actually believed in this idiot's lousy trick?

He stretched out his hand and pinched the space between his eyebrows. Yan Jun also took a step and left.

Fang Shaoan's whistling came from behind. "Hey! You guys are leaving just like that? Then where are the flowers here?"

Yan Jun's car had already driven far away, so there was no sound at all.

The corner of Fang Shaoan's eyes twitched. This group of people always didn't clean up the mess!

After pausing for a moment, Fang Shaoan turned his head back.

The first thing he saw was a young girl in a cute dinosaur outfit. At this moment, she was squatting by the side, looking at the daisies all over the neighborhood. She sighed slightly regretfully, "what should you do?"

Unconsciously, she walked towards her.

"Just keep it here. It looks pretty good," Fang Shaoan casually mentioned.

Fortunately, the flowers that second young master Yan sent over were all potted plants, so they could still be kept. Otherwise, it would really be a bit of a waste.

Hearing Fang Shaoan's voice, Zuo Xiaoran raised her eyes to look at him and raised her eyebrows in surprise, "why haven't you left yet?"

"... why should I leave?" instinctively, Fang Shaoan raised his eyebrows higher than Zuo Xiaoran's ! !

"Alright, then can I leave?" Completely uninterested in arguing with him, Zuo Xiaoran got up and was about to walk back.

She still remembered the grudge from that night. If he hadn't kept talking about drinking and drinking, why would they... .. have sex after drinking ? !

The only reason why Fang Shaoan stayed was because he wanted to talk to her.

They hadn't spoken since that night!

Otherwise, would he have appeared He had come here early in the morning to help second young master Yan move flowers... ..

But before they could even speak, this girl had already turned her back on him?

The stifling feeling of being left out suddenly rose in his heart. He rushed up to her in a few steps and grabbed her wrist. "Hey, don't you have anything to say to me?"

Zuo Xiaoran was stopped by him and turned her head unhappily. "What can I say to you? Do we have a good relationship?"

"Isn't it good?" He asked her back and smiled like a Ruffian. "We've shared a bed together before. Isn't it good?"

"You!" Zuo Xiaoran did not expect him to say this so easily. She was so angry that her temples were throbbing "Didn't we agree not to mention that incident to anyone? We're all adults and we have nothing to lose. Let's not contact each other anymore!"

"How can we not contact each other? What if you're pregnant with my child?" He suddenly became serious.

Chapter 468:: The GOBLINS are fighting

Zuo Xiaoran choked on his words for a long time.

Her big, bright eyes blinked as she stared at him for a long time before Zuo Xiaoran laughed out loud, "Hahaha! Are you sick? Don't you know that there is a medicine called birth control in this world?"

Who knew that Fang Shaoan, who was originally lazy and idle, would turn Pale when he heard that she had taken the morning after pill. "You don't want to be pregnant with my child?"

"I don't want to!" Zuo Xiaoran answered firmly, "I'm not stupid..."

She was only in her early twenties. She was not married and was a single mother?

She did not want to!

There were thousands of possibilities in her life. She did not want to have a child so soon!

"Why?" Fang Shaoan seemed to be serious. He grabbed her and asked, "why?!"

"..."Zuo Xiaoran was a little dumbfounded by his question.

It was a mistake after being drunk. was there a need to be so serious?

And he even asked her why?

Was this guy really mentally ill?

Zuo Xiaoran reached out to touch his forehead, but found that the temperature was quite normal. So she teased him even more speechlessly, "don't tell me you have obsessive-compulsive disorder?"

Fang Shaoan looked at her calm and indifferent expression, and anger suddenly rose from the bottom of his heart!

What happened that night... ..

Did she really not care at all?

Was he the only one who thought about it every day and night?

Damn it!

How could she... .. How could she not feel anything at all ? !

Fang Shaoan did not know what had happened to him.

In short, at that time, he was really very angry, so angry that... ..

He used some strength in his hands that were holding her shoulders, and he pressed her against the iron door downstairs of the unit. With a clang, he could not care less, and the kiss fell like a storm!

"Oh... .." Zuo Xiaoran Dodge not in time, by HIM SNEAK ATTACK!

She opened her eyes wide, not knowing what the madman was up to, and struggled with all her might!

“What are you doing?” She asked loudly, finally pushing him away!

Fang Shaoan did not answer, find the gap, and a kiss fell down!

CRAZY GNAWING, sucking With anger, with punishment!

No one is in the mood to enjoy, the two forces are resisting each other!

Until... ..

“Kacha! “.

A resident on the first floor opened the door.

A young couple came out with a three or four-year-old child.

From the looks of it, they should be sending the child to school.

The moment the family of three opened the door, they saw two people pressed against the metal door three meters away. They were so shocked that their jaws almost dropped... ..

The child’s father covered the child’s eyes and turned to look at his wife.

His wife was also in a daze and did not know what to say.

Fortunately, Zuo Xiaoran pushed Fang Shaoan Away with all her strength when she heard the sound of the door opening behind her. She was so aggrieved that her voice was Hoarse. She shouted at him, “are you crazy? !”

After yelling, she ran away.

Afraid of embarrassing herself, she didn’t dare to run upstairs.

She was wearing dinosaur pajamas and didn’t dare to leave the neighborhood... ..

She could only run to a quiet corner.

Fang Shaoan seemed to have just come back to his senses. He looked at the family of three in front of him and felt his scalp go numb. He quickly bent down and gestured for Zuo Xiaoran to run away.

The young couple looked at each other again, somewhat baffled.

At this time, the child pulled away his father’s big hand and asked innocently, “Dad, what were the brothers and sisters doing just now? Why didn’t you show them to me?”

“Uh, this... ” the man answered somewhat hesitantly, “this... the brother is bullying the sister! The child MUST NOT LEARN! ”

“Oh, so they were fighting!”

MM, the GOBLINS were fighting.

Chapter 469: don’t ever think of me again!

When Fang Shaoan found Zuo Xiaoran, she was hiding in the flower bed, crying with her face covered.

She probably didn't want to attract too much attention, but she felt wronged, so she could only suppress her tears.

Hearing this, Fang Shaoan felt like he was being scratched by a cat's paw. It was extremely uncomfortable... ..

"Okay, stop crying." He coughed and called her.

Zuo Xiaoran was originally very depressed, but who knew that he would actually follow her. When he said this, she couldn't help but cry even louder, "Wah! ! You! What are you doing here! Go! ! BURP... "

She was crying so badly that she started to burp.

Being yelled at like that, Fang Shaoan wiped his face in defeat.

His title as the Saint of love had been completely ruined by this woman today.

He had not kissed enough yet, so he started crying first.

He came over to comfort her, but he was not pretending to speak, and then he was scolded again... ..

Taking a deep breath, Fang Shaoan took out a tissue and handed it to Zuo Xiaoran, "don't cry anymore."
.

"HMPH!" Zuo Xiaoran did not want to pay attention to him, so she turned her head away and continued to Sob.

Fang Shaoan was helpless, so he could only squat over together and help her wipe her tears.

As he wiped her tears, he suddenly said, "be my girlfriend."

"..."the sudden confession scared Zuo Xiaoran so much that she stopped hiccupping, and her anger immediately subsided... ..

She paused and subconsciously rejected him. "No!"

"Then forget it." Fang Shaoan was rather unrestrained.

Zuo Xiaoran stared at him and silently slandered him in her heart: How casual Frivolous SCUMBAG!

Before she could finish scolding him, Fang Shaoan said again, "then let's get married."

What a shock!

To Zuo Xiaoran, the shock this time was like the collapse of Heaven and earth!

She lost her balance and fell into the flower bed.

The dinosaur pajamas were very cute. It looked short-handed and short-limbed when it was passed on. This fall made it even cuter.

Fang Shaoan was overjoyed. "So excited? Looks like you agreed?"

"I didn't!" Zuo Xiaoran turned over with difficulty and dusted herself off. Then, she used her hands to make a gesture in front of Fang Shaoan!

"eldest young master, eldest young master, if you like to play, can you find a random woman? I can't afford to play with her!"

Zuo Xiaoran had already made up her mind. She would never waste her youth on such a playboy!

It was easy to imagine that such a good-for-nothing would go around fooling around with women just because he was rich and had decent looks.

When he was done, he would throw them away like trash... ..

A smart woman could still get a break-up fee in the end. However, if she was not smart, she would be cheated of her wealth and youth!

She would not let herself become so miserable... ..

Therefore, in order to prevent the worst from happening, she had already made up her mind that she would never develop anything with Fang Shaoan!

However, Fang Shaoan was a little surprised. "You think I'm playing?"

He was very serious, okay?

He had never been so serious with a woman before!

Even Julie... ..

He had never said the word marriage to her.

"What else?" Zuo Xiaoran snorted lightly and stopped crying. She wiped her tears and directly jumped down from the flower bed, glaring at him fiercely "I'm warning you, don't ever have any ideas about me again. I'll let Xiao Qi go to second young master Yan's pillow talk and let him teach you a lesson!"

After saying this, Zuo Xiaoran turned around and swaggered away.

The dinosaur tail behind her swayed left and right along with her movements, looking very cute.

Chapter 470: Prince of darkness

Fang Shaoan was engrossed in the story. After a long while, he lowered his eyes and continued to talk to the screaming chicken in his hand.

"That's weird... isn't it said that women don't love men who aren't bad? I'm so bad, she should love me more!"

"..."naturally, no one answered.

Then, he pinched the chicken twice. "Ga... Ga..."

“It seems like I have to put in more effort!”

After muttering to himself, Fang Shaoan jumped down from the flower bed and called his company.

“Hello? that... buy Anj for me. Yes, now!”

“...”

When Xia Jinqi rushed to the Ji family’s house, Li Dongwen was already standing guard at the door.

Not only him, but even Zhou Lingfang was there.

This time, she came out in a hurry. The Yan family’s bodyguards couldn’t follow her, so when she got out of the car, lego’s plainclothes quietly drew closer.

As soon as she saw her, Zhou Lingfang pounced on her.

“Xia Jinqi! To think that my Qing ‘er likes you so much! You actually found someone to take revenge on him!” Zhou Lingfang’s eyes were red and swollen. It was obvious that she had already cried.

Seeing this, Li Dongwen hurriedly pulled her and turned to look at Xia Jinqi. “I beg you to save our President! He hasn’t come out for a day and a night!”

Yesterday, Yan Qing had disappeared after leaving the Yan Corporation’s company. Li Dongwen tried to find him but couldn’t find him. In the end, he called the police, but the police said that they couldn’t interfere in this matter.

Zhou Lingfang went back to beg Yan Youcheng again. After asking around, she found out that the person was Ji Yunjing.

Yan Youcheng was angry that Yan Qing had messed things up and refused to intervene, so Li Dongwen could only look for Xia Jinqi.

It was said that Xia Jinqi was the only person who had the closest relationship with Ji Yunjing recently.

Glancing at the two people in front of her, Xia Jinqi did not want to say a word to them. She went straight to the doorbell.

When the housekeeper saw her, he immediately invited her in respectfully.

Ji Yunjing was indeed at home.

He had just eaten breakfast and was sitting in the garden, basking in the Sun, reading a book. His life was very comfortable.

Perhaps he heard a voice, so he looked up.

“Little Qi? Why are you looking for me so early?” He asked despite knowing the answer.

Xia Jinqi walked over and sat in front of him with ease. She frowned slightly. “cousin, I heard that you caught Yan Qing?”

When she asked this question, she could not say that she was not nervous.

Even if it was Yan Jun, he only criticized Yan Qing in terms of his career and future. He had never taken it seriously.

But Ji Yunjing was different. Without saying a word, he directly caught him?

And he locked him up for a day and a night.

What would happen during this day and night?

Xia Jinqi did not dare to imagine it... .. Wasn't Ji Yunjing a normal businessman ? Why would he do something similar to the underworld ? ?

Ji Yunjing didn't expect Xia Jinqi to come to him so early in the morning for Yan Qing?

The person was indeed with him, so there was nothing to hide.

"He desecrated you," Ji Yunjing said faintly. His noble figure leaned back, looking very much like a noble prince who came out of the darkness, dark and dangerous.

When Xia Jinqi met him a few times before, she didn't notice a trace of ruthlessness in his eyes.

Now that she saw it, she could not help but feel a little surprised.

"where is he now?" Xia Jinqi had just asked when she suddenly thought of another person and hurriedly asked, "don't tell me you also captured Xia Tianjiao?"

If she really investigated, those words were said by Xia Tianjiao in front of the media.
