Fang Shaoan continued to rub his goosebumps as he stared at Yan Jun helplessly. "brother, you've changed. "

"Shut up! " Yan Jun turned around and glanced at him. Would he die if he didn't speak?

"... you're so mushy, yet you're not allowed to tell others?"

"You don't want the investment this year? "

"... "

Xia Jinqi listened to the bickering between the two and then looked at Yan Jun's Ashen face. Her mood suddenly brightened!

She had finally turned the tables!

Moreover, she realized that her future husband wasn't as cruel and bloodthirsty as the rumors said.

While they were talking, the few of them had already walked to the beach.

This was the side of Rao city that faced the sea. The Wide Beach and the Azure blue of the sea and sky were very suitable for taking wedding photos.

Fang Shaoan finally became serious. He took the camera from the hands of an internationally renowned photographer and randomly adjusted a few parameters. Then, he began to try to take pictures of Xia Jinqi and Yan Jun..

“The two of you are standing so far away. How are you going to take pictures? Come closer and be intimate with each other! ”

As soon as he took the camera, this guy started to become serious. He actually dared to point at Yan Jun... ..

To be honest, he reckoned that this was the only time in his life that he could suppress this cold-faced King of Hell!

After hearing Fang Shaoan’s words, Xia Jinqi turned to look at where she and Yan Jun were standing.

There was at least a distance of 10,000 people between them... ..

Alright, she admitted that this was indeed not a distance that could be used to take wedding photos.

Hence, she took a small step in his direction.

However, Fang Shaoan was still not satisfied. “A little more! ”

Xia Jinqi gritted her teeth and braced herself to continue moving... ..

Little by little, she finally moved to a distance that Fang Shaoan was satisfied with.

And she was already about to touch Yan Jun’s body!

Awkward... ..

She raised her eyes to look at Yan Jun. seeing that his expression was normal and there were no signs of him getting angry, she finally relaxed.

“Why didn’t you tell me that he was the one who took our photos? ”

Xia Jinqi had always thought that Fang Shaoan had followed her here to watch him embarrass himself.

She didn’t expect that he was here to do something serious.

Yan Jun tilted his head to look at her and sneered. "Is there a need to tell you? "

What he meant was, why would an unimportant person like you tell you?

Xia Jinqi froze when she heard that and smiled blankly. "Are you angry? "

Yan Jun raised his eyebrows. Was He angry?

"who asked you to threaten me just now? We can be considered even. How about it? " As she said that, Xia Jinqi raised her Chin and smiled brightly at the man beside her.

After all, the wedding photos were not good-looking and she was the one who suffered.

She felt that she should take the initiative to seek peace.

Yan Jun was indeed in a very bad mood.

He was forced to accept the marriage by the old master using the company's shares as an excuse. In addition, he heard rumors that the fourth daughter of the Xia family had an unhealthy obsession with cleanliness since she was young.

She was antisocial and withdrawn. She needed to take sleeping pills all year round to fall asleep.

How could he be willing to give such a woman to him?

Moreover, she and Yan Qing... ..

In silence, he was caught off guard by the smile on her lips.

Reflecting the warm Spring Sun, there was an indescribable warmth and purity.

For a moment, Yan Jun was stunned by what he saw... ..

Not Far Away, Fang Shaoan quickly pressed the shutter.

With a click, this scene was forever frozen in place.

“This kid, he still said he doesn’t want to get married? Look at his beaming face. Looks like he married the right person! ”

Fang Shaoan waved at the two people opposite him. “Come on, let’s do another move! “
