

## Tick Me 511

### Chapter 511: getting red envelopes was addictive!

After dinner, they were not in a hurry to leave. Instead, they stayed behind to celebrate the New Year with Yan Youcheng.

Just after midnight, the entire city was filled with the crackling sound of firecrackers. It was extremely lively.

Xia Jinqi was a little tired and did not have the energy to play. After celebrating the New Year, she returned to her room with Yan Jun and fell asleep.

She slept until midnight, and her calves felt uncomfortable.

Her body had been a little bloated for the past two days, especially her two legs. It was a little strenuous to wear shoes.

At this moment, she even began to cramp.

She moaned with a pained expression on her face, and her two legs twisted in discomfort.

In a trance, someone seemed to move beside her. Then, someone held her bent calf and kneaded it gently.

Those hands seemed to carry magic power, and very quickly smoothed out her discomfort.

Gradually, she fell asleep again.

After she fell asleep, Yan Jun gently laid her legs flat and carefully covered them with the blanket before lying down beside her.

He did mean what he said. Ever since he almost lost her and the child, he had really put in a lot of effort to learn how to take care of her and the child.

He could easily cope with such an unexpected situation.

Unknowingly, he seemed to be more and more able to understand her habits and everything... ..

Happy, sad.

Happy, sad.

He knew everything.

“...”

The next day, Xia Jinqi woke up very early.

Although she still felt tired, it was still the New Year after all. She still had to make a good start and pay her new year's greetings.

When she arrived at Yan Youcheng's place, Yan Qing had already paid his New Year's greetings. He was holding a huge red packet in his hand, and his face was more or less filled with joy.

He was talking to Zhou Lingfang, and his mood seemed to be good.

When Xia Jinqi and Yan Jun went over, his gaze was clearly a little stiff.

Zhou Lingfang could see it, and she pushed him in frustration.

Xia Jinqi did not pay attention to them. Instead, it was sister-in-law Xu, who was walking around in the corner of the living room, that attracted her attention.

Last night, she had slept early and had forgotten to tell Yan Jun..

While she was lost in thought, Yan Youcheng's red packet was handed over. It was probably because she had not taken it for a long time that Yan Youcheng began to cough hard. "UH-HUH!"

Xia Jinqi then looked back and hurriedly accepted the red packet to thank him.

She accidentally saw Yan Youcheng's angry expression, so she could only smile awkwardly.

This old man did not like her to begin with, so he was probably even more impatient now, right?

However, for the sake of Yan Jun, she still smiled and thanked him. "thank you, Grandfather."

After saying that, she caressed her stomach and acted cute. "Baby, Tell great-grandfather Happy New Year!"

Of course, the baby could not speak, but this sentence made Yan Youcheng beaming with joy. With a wave of his hand, another red packet was handed over.

Xia Jinqi took it awkwardly. As God as a witness, she really didn't say this just to get another red packet...

...

But, COUGH COUGH These two red packets were really big... ..

They were as thick as two palms, right?

Yan Jun saw that she was holding the two super big red packets as if she had obtained a treasure. He couldn't help but scratch the tip of her small nose and smiled. "So happy?"

Xia Jinqi immediately smiled with her big eyes. "Of course! It's my first time getting a double red packet!"

Anyway, the baby was still so small and didn't know what a red packet was, so she accepted it on her behalf!

With that thought, she spread her hands at Yan Jun again with a face full of excitement. "You haven't given me a red packet yet! Come, come, come, happy New Year!"

It looked like she was addicted to accepting red packets!

Yan Jun held her hand and answered very straightforwardly, "No."

Xia Jinqi snorted in disdain. "So stingy..."

### **Chapter 512: was so elegant and refined**

Just as he finished speaking, a familiar voice came from outside the door. "I think you should just put yourself into a red packet and give it to sister-in-law!"

Xia Jinqi looked towards the voice and couldn't help but be a little surprised. "Shao'an? Why are you here?"

"I'M HERE TO PAY NEW YEAR'S GREETINGS!" Fang Shaoan walked in with a smile. He first greeted Yan Youcheng before walking to the side of Yan Jun and Xia Jinqi. He looked at the two red packets in Xia Jinqi's hands and was a little envious. "sister-in-law, your red packet is good!"

Xia Jinqi's playfulness grew and she also teased him. "Are you envious?"

"I don't DARE TO BE ENVIOUS!" Fang Shaoan looked at Yan Youcheng and then looked at Yan Jun beside him. He was quite self-aware!

After saying that, he looked at Yan Jun. "let's go, second young master. Didn't you come looking for me for something?"

Only then did Yan Jun turn around to inform Yan Youcheng. The three of them then went to Yan Jun's villa.

The only shortcoming of the Yan family was that it was too big.

Because of Yan Qing's existence, the family could not live in the same building. Yan Youcheng simply expanded two villas and lived in them separately. No one bothered each other.

After returning, Yan Jun went to take a call. Xia Jinqi was left staring at the two big red packets. She was hesitating whether to open them or not when Zuo Xiaoran's call came in.

They greeted each other for the new year and heard that Xia Jinqi had received two big red packets. They could not help but gossip. "As thick as a palm? Wow! That's ten to twenty thousand, right?!"

Zuo Xiaoran was very excited. She could hear her excitement through the phone!

As Fang Shaoan was still beside her, Xia Jinqi very considerately turned on the speakerphone!

"I don't know. It feels pretty thick..." Xia Jinqi played with the red packets and wondered how many there were.

Fang Shaoan heard it and couldn't help but hold his forehead. "Ten or twenty thousand? Please... you guys don't know how much money Yan Youcheng has, right?"

Zuo Xiaoran was silent on the phone. She probably didn't expect that Fang Shaoan would be with Xia Jinqi on the first day of college.

Xia Jinqi was quite interested in Fang Shaoan's words. "How much money? I really don't know."

She didn't even know how much money Yan Jun had, let alone Yan Youcheng's... ..

However, a big shot like Yan Youcheng must have a lot of money, right?

Fang Shaoan was still high and mighty at first, but now he was suddenly stopped by Xia Jinqi's question. He looked a little embarrassed. "I don't know either!"

"then why are you still talking?" Xia Jinqi glanced at him with disdain from the corner of her eyes.

Fang Shaoan's confidence was greatly undermined by her look, so he changed the topic again. "Anyway, it can't be 10,000 or 20,000! If he can give me 10,000 or 20,000, I'll feel embarrassed for him!"

Rao Cheng's richest man couldn't be so stingy, right?

The corner of Xia Jinqi's eyes twitched, and she put down her phone. "Xiao Ran, I'll open the red packet first..."

"okay," Zuo Xiaoran replied, but it was obvious that she was not as excited as before.

Xia Jinqi opened the red packet and realized that it was not money at all, but a pile of paper.

She was a little surprised at first, but when she took it out and looked at it, she was completely dumbfounded... ..

Alright, Fang Shaoan's words were indeed reasonable.

How could an old senior like Yan Youcheng casually pack some money?

He was so elegant and refined, pretending to be... .. To be stocks and bonds ...

When Fang Shaoan saw this, he was so smug that his abdominal muscles almost burst out laughing. "Hahahaha! This is at least tens of millions, right? I knew old master Yan wouldn't be so stingy!"

### **Chapter 513: hit me if you dare!**

Xia Jinqi stuffed the stocks and bonds back into the red packet, and her gaze changed slightly.

So it turned out that Yan Youcheng didn't hate her as much as she thought... ..

The red packet she received was the same as Yan Jun and Yan Qing's.

Actually, when he insisted on getting a divorce from Yan Jun, she could understand it.

After all, it was indeed outrageous for such a big family to have such a scandal.

It was just that she didn't know how Yan Jun dealt with it later, and Yan Youcheng never mentioned it in front of her again... ..

While Xia Jinqi was silent, Zuo Xiaoran on the other end of the phone probably couldn't stand Fang Shaoan's demonic laughter. She opened her mouth in disgust and said, "What an ugly laugh! It's like killing a pig!"

“...”the remaining half of Fang Shaoan’s laughter was stuck in his throat. He couldn’t get up or down, and his expression was very ugly.

He glanced at the Dazed Xia Jinqi, quietly grabbed his phone, turned off the speakerphone, and walked to the balcony. He shouted, “damn girl! Are you deliberately making things difficult for me? !”

On the other side, Zuo Xiaoran heard that Fang Shaoan was talking to her in a low voice. She knew that he was avoiding Xia Jinqi, so she was even more unscrupulous in her attacks. “Yes, I am doing it on purpose. If you have the ability, come and hit me! ”

“You! You! ” Fang Shaoan was so angry that his freshly dyed yellow hair stood up again! “If you have the ability to see me, don’t run away! ”

“Lilie, if you have the ability, come! ! ” Zuo Xiaoran was also domineering. She had now returned to her parents’ house. Anyway, it was impossible for Fang Shaoan to know where she was. Moreover, it was the new year. No matter what, he should at least stay at her house, right?

So know that he is absolutely impossible to come, Zuo Xiaoran wantonly said big words.

Unexpectedly, Fang Shaoan actually took it seriously, “but you said this, if I really go you don’t run! ”

“DOES NOT BOTHER YOU! ” Zuo Xiaoran does not put in the heart completely, the PA sound hangs up the telephone.

This rich young master is getting more and more ridiculous!

Zuo Xiaoran just hung up the phone, the kitchen busy dad poked his head out and asked suspiciously, “With Xiao Qi Bicker? You girl, the New Year, can’t you say something Nice? ”

Zuo Xiaoran smiled awkwardly, put down the phone, and pounced over. “Dad, you heard wrong! I’m not quarreling with Xiaoqi, I’m talking about someone else! ”

“Who is it? ”

“Oh... A BIG PINEAPPLE! ” Zuo Xiaoran made up some nonsense. Anyway, Fang Shaoan’s yellow hair stood up like a big pineapple ! !

A huge pineapple head appeared in Father Zuo’s mind, and he couldn’t help but laugh out loud. “YOU LITTLE GIRL! WHO talks about their friends like that? ”

“Aiya, Dad, don’t mention him, I want to eat sweet and sour fish for lunch! ”

“okay, okay, okay, I’m washing the fish! You go outside and accompany your mother, don’t wander around the kitchen. Today, you two are both Queens! ”

“Okay! Thank you, Dad! ” Zuo Xiaoran leaned forward and kissed her father fiercely. Then, she skipped to the living room to watch TV with her mother.

The phone that she had thrown on the dining table was still vibrating... ... But no one was in the mood to pay attention to it ...

Fang Shaoan made a few phone calls, but no one picked up. He was getting old.

He felt like he was being teased again... ..

This time, he had to teach this arrogant girl a lesson! ! !

Yan Jun had just finished his call. When he returned, he saw Fang Shaoan's bitter and vengeful look. He frowned slightly. "I called you over on the first day of the New Year. Are you unhappy?"

#### **Chapter 514: The sponsor spoke**

Xia Jinqi also took the opportunity to ask, "Oh right, Shaoan, why didn't you ask for a red packet at home?"

Fang Shaoan finally came back to his senses. He put Xia Jinqi's phone down and began to sigh. "My parents are still overseas and I'm the only one at home. There's no atmosphere at all."

He usually had a lot of scoundrels by his side and would not stop partying every night. He had no time to feel empty at all.

It was the new year at this time. No matter how wild he was, he had to go home and restrain himself at this time.

He was also lonely when he went home, and he was left behind just like that.

Anyway, he was bored. Yan Jun gave him a call, and he rushed over.

It was still lively here... ..

Xia Jinqi looked at him with some sympathy. She felt the same way.

In the past, she didn't have a good Chinese new year at home either.

"Why don't you stay with us for the Chinese New Year today?" Xia Jinqi knew the loneliness of being alone. It was heart-wrenching.

Before Fang Shaoan could answer, Yan Jun walked over and sat next to Xia Jinqi. He held a freshly peeled banana in his hand and handed it to Xia Jinqi. "He still has things to do. He can't stay any longer."

"Oh..." Xia Jinqi nodded in understanding.

However, Fang Shaoan exploded. "What do you mean I still have matters to attend to? I HAVE NOTHING TO ATTEND TO TODAY!"

Didn't he come to their house because he had nothing better to do What could it be?

Before he could continue to be in a daze, Yan Jun had already taken out a small black rectangular box and placed it on the table. It was similar to a USB drive. "retrieve the information inside."

"..."Fang Shaoan paused and looked in the direction of his gaze.

What entered his eyes was a small box that was badly deformed. When he picked it up and took a look, he saw that there was an outdated SD card inside. He immediately put on a sad face. "How can I get this thing? It's an antique from more than ten years ago, right?"

"Don't you have a computer expert under you?" Yan Jun retorted, choking Fang Shaoan. Fang Shaoan couldn't refuse him, so he snorted. "Big Brother, it's the first day of the Lunar New Year! You're on vacation, don't tell me they don't take vacations?"

Yan Jun narrowed his long and narrow eyes and looked at him coldly. "I can triple your investment this year."

...

When Fang Shaoan heard this, he immediately perked up. "Okay, big brother, don't worry. I'll get it for you right away!"

After saying that, he picked up the clothes on the SOFA and was about to leave.

Xia Jinqi, who was watching from the side, couldn't help but laugh... .. "Shaoan, you've only invested three times and you've already bought away your backbone?"

"There's nothing I can do. Since the investor has spoken, can I not help him with his work?" Fang Shaoan suddenly became serious.

Although he was usually carefree, he was still the young master of the Fang Corporation. There were still a bunch of people under his command who needed him to support them!

Besides, if he didn't earn money, where would he get food, drink, and play?

He was different from those rich second-generation heirs who sat around and waited for death.

Xia Jinqi listened, and a bright light suddenly flashed in her head.

Help with work?

She didn't know why, but she suddenly thought of Second sister-in-law Xu. She had a feeling that second sister-in-law Xu was working for Zhou Lingfang... ..

Thinking of this, Xia Jinqi hurriedly turned back to look at Yan Jun, and unconsciously grabbed his sleeve "Oh right! I almost forgot to tell you something! Yesterday, when I went to change, I heard that second sister-in-law Xu and Zhou Lingfang were entangled in something! Why don't you also check second sister-in-law Xu?"

Yan Jun saw that she was so excited, and his big palm covered the back of her hand, and he nodded to comfort her, "don't worry. What did you hear?"

"I heard that second sister-in-law Xu seemed to be very afraid of you, and then Zhou Lingfang said that if she was found out, she would have died long ago... I keep feeling that there might be some secret between them."

**Chapter 515: I will make her pay the price**

Xia Jinqi wasn't too sure either. She just felt that her sixth sense was abnormally strong.

"You said that she's very afraid of me?" Yan Jun narrowed his eyes dangerously and grasped the main point of Xia Jinqi's words.

"Yes!" Xia Jinqi nodded very seriously. She was sure that she didn't hear wrongly.

Yan Jun was silent for a moment. He carefully thought about it. It didn't have any effect on the second sister-in-law Xu from yesterday, so he smiled faintly. "then go and find out what we know. They will definitely die."

After saying that, he looked at Fang Shaoan, who had already put on his coat.

It was just a glance, and Fang Shaoan immediately understood. "Alright! I'M THE BEST AT INVESTIGATING PEOPLE!"

He walked to the door and turned back to remind Yan Jun, "don't forget about my investment!"

Then, he disappeared cheerfully.

Xia Jinqi, who was watching from behind, was stunned... ..

Three times the investment and Fang Shaoan bent over?

Didn't they say that he wouldn't bend over for a bucket of rice?

With a faint smile, Xia Jinqi looked at the man beside her. "Is there anything important on that USB drive?"

Yan Jun nodded. "there might be some new findings from the surveillance records from more than ten years ago."

He didn't think that he would be able to find something like this after coming back. Although the records from back then had been destroyed, he still felt that he had to give it a try.

When Xia Jinqi heard this, she basically understood. "If... if big brother's death is really related to Zhou Lingfang..."

She still couldn't help but wonder how he would react when he heard such a guess.

Yan Jun looked up into her watery eyes and fell silent.

After a long while, he leaned over and pulled her into his arms.

She heard his soft sigh and strong restraint. "I will make her pay the price."

Xia Jinqi's body stiffened slightly.

His words quickly reached her ears. "You don't have to worry about this. I will take care of it. What you need to do now is to get ready to be a mother."

As he spoke, he let go of her, held her hand and placed it on her round belly as he said with a smile.

Sure enough, Xia Jinqi stopped talking about her brother, Yan Qi. Instead, she placed her attention on her belly.

“He’s probably asleep right now. He’s not moving much. When he received the red packet this morning, he was really moving!” Xia Jinqi laughed as she ridiculed her child. “He’s really a little money-grubber!”

After unwrapping the red packet, there was no more movement in her belly. She was also very helpless.

Yan Jun listened to her and placed his hand gently on her belly. After waiting for a long time, he did not see any movement. He could not help but feel a little disappointed. “He’s really asleep.”

“right...” Xia Jinqi smiled with a pair of big, curved eyes, which were very bright and moving.

Yan Jun was infected by her, and his thin lips curled into a smile. “Is there anywhere you want to go? I’ll accompany you.”

It was a rare holiday, so he naturally had to spend more time with his wife and children.

“Oh...” Xia Jinqi thought about it seriously and quickly came up with an idea. “Let’s go watch a movie? I heard that the New Year’s movie this year is very good. I haven’t been to a movie theater in a long time!”

“Okay, let’s go watch a movie.” Yan Jun did not refuse. After giving her a doting smile, he asked the servant to send over the clothes for going out.

When they arrived at the cinema, Xia Jinqi looked at the empty cinema and was a little disappointed.

“Why is there no one here?”

Didn’t the advertisement say that this movie’s box office earnings were very good?

And they even said that there was a sea of people... ..

She felt like she had been deceived.

### **Chapter 516: gave her the best**

Yan Jun was taking a thick coat and draping it over her body, his expression focused.

The manager of the movie studio next to him came forward and explained, “Madam, director Yan has already booked the entire movie studio. There will definitely not be any outsiders who will disturb the two of you.”

Xia Jinqi, “...”

Booking the entire movie studio without saying a word. It was indeed very Yan Jun..

At that time, he had just finished draping the coat over her and was leading her into the movie studio.

She was a little hesitant. “actually, we just came here to watch a show. There’s no need for such a big show...”

Yan Jun replied without changing his expression, “it’s too noisy.”

Alright then.

Xia Jinqi's eyes twitched. Wasn't it lively when there were more people?

However, when she thought about how Yan Jun had protected her for the past few months, she knew that he was worried, so she didn't say anything more.

She was brought into the giant screen hall by him. The manager from earlier had come again, and the waiters behind him had brought a lot of fruit and food up. They placed them in front of Xia Jinqi one by one.

"President Yan, Madam, this is your exclusive projectionist. He will adjust the mode that is most suitable for pregnant women to watch and specially serve the two of you," the manager said as she pointed to a middle-aged man with a full beard beside her.

Xia Jinqi was shocked by this scene, but she quickly regained her senses. "Okay, thank you."

"Madam, you are too kind. If you need anything, please call me at any time." After saying that, she obediently left the scene.

The lights in the hall also dimmed. Yan Jun glanced at the projectionist, and the movie soon began to play.

Taking advantage of the opening and the prelude, Xia Jinqi tilted her head and glanced at the serious man beside her. She could not help but laugh.

Sensing her gaze, Yan Jun turned his head and saw that she was smiling at him with a deeper meaning...  
...

"What's wrong?" He opened his mouth to ask her, his brows raised very high.

"Nothing." Xia Jinqi smiled and shook her head. Then, she stopped looking at him and stared at the prologue with a laugh.

Yan Jun,"..."

He silently wiped his face. There was nothing on his face either?

Xia Jinqi smiled even more happily.

This man... .. No matter what he did, he was always at his limit ...

It was the same for their wedding. When he saw that her wedding dress was wet, he went straight to Fang Shaoan's collection and gave her the most precious wedding dress in the world.

It was the same when she went to Las Vegas. As soon as she went to the casino, she immediately found someone to give her cash that could crush the entire venue and let her play as she pleased.

Later on, when they went to Qinghuai, they announced that they were going out to sea and directly drove the huge luxury yacht there... .. And then they crushed Fang Shaoan until his body was completely crushed ...

Until now, nothing had changed. He was just here to watch a movie. He immediately booked the entire movie city and found his own top-notch projectionist... ..

What he gave her seemed to be the best.

Moreover, he put in a lot of effort.

Xia Jinqi watched the entire movie happily. She could not tell how satisfied she was.

As expected of a top-notch projectionist. The scene was very exquisite and the voice was neither loud nor soft. It was not as deafening as when she went to the cinema in the past. Instead, it was as comfortable as being in the real world!

Yan Jun looked at the satisfied smile on Xia Jinqi's face. With a wave of his hand, a large tip was sent down.

The administrator and the projectionist were overjoyed as they sent them off.

After leaving the cinema, Xia Jinqi thought that she was going home. Who knew that Yan Jun would take her to another place.

"Do you have any other arrangements?" She followed his footsteps and looked around curiously.

"There's someone who wants to see you." As soon as Yan Jun finished speaking, his footsteps stopped as well.

Xia Jinqi followed his line of sight and looked over, her eyes slightly dull.

### **Chapter 517: I can't lie to you**

On the roof of the third floor of the movie studio where they had just watched the movie, a familiar figure was standing with his back facing the wind.

Perhaps it was because he heard a voice behind him, that person turned around and looked at them.

The Moment Xia Jinqi and his eyes met, there was an indescribable complicated feeling in her heart, mixed feelings.

"You two talk. I'll wait for you downstairs." Yan Jun's gentle voice echoed in her ears. Xia Jinqi nodded slightly.

At this moment, all her attention was attracted by the man in front of her... ..

"Xiao Qi, we meet again at last. "

Facing the wind, Qi Maolin, who had just got off the plane, smiled and looked at Xia Jinqi, who was five meters away with a big belly.

Even though she's pregnant, she looks exactly like chiao-fu... ..

Xia Jinqi heart a pause, black and white in the big eyes immediately began to mist.

She walked slowly, a little choked up.

“Mr. Qi...” she opened her mouth, a little carefully, “you... know I am...”

Xia Jinqi hesitated halfway through her sentence.

Perhaps she should ask him directly if she was his daughter.

Ever since she found out that her biological mother was Ji Xiaofu, she had always wanted to find Qi Maolin to confirm it.

However, he was far away in Las Vegas, and she hadn't gone there during this period of time.

She felt that she couldn't explain it clearly over the phone... ..

Of course, the most important thing was that Xia Jinqi was afraid of feeling disappointed again, so she dragged it out until now.

Who knew that they would meet here?

So the phone call that Yan Jun left her and Fang Shaoan to answer was from him?

Knowing what Xia Jinqi was going to say, Qi Maolin didn't continue to make things difficult for her. Instead, his eyes were red as he choked, “I didn't expect that Xiao Fu's child was still alive...”

When he first heard the news, Qi Maolin also felt that it was unbelievable. After all, he had seen Xiao Fu die in childbirth with his own eyes.

However, when he saw Xia Jinqi again, all the doubts in his heart disappeared.

The girl in front of him was too similar to JI XIAOFU'S!

There was no reason that they were not mother and daughter.

Xia Jinqi gritted her teeth and suppressed her overflowing emotions. She looked up at Qi Maolin's eyes and asked, “then... are you my father?”

She remembered that Ji Xiaofu was married to Qi Maolin.

Qi Maolin still had Ji Xiaofu's photo at his home in Las Vegas.

He had even personally introduced Ji Xiaofu to Xia Jinqi as his wife... ..

Qi Maolin looked at her with tears in his eyes for a long time before he finally said, “No.”

“...”Xia Jinqi was stunned on the spot. Her throat was a little tight, and her mind was blank.

Once again, her hopes were dashed.

Qi Maolin's heart ached when he saw her haggard appearance. Tears immediately flowed down his face.

“If I could, I really wish that I was your biological father. But... Xiao Qi, I can't lie to you.” Qi Maolin seemed to have made up his mind ...

Previously, Ji Yunjing had looked for him and asked him to admit that he was her father when Xia Jinqi went to look for him, but he didn't agree.

He was unwilling to lie to such a kind child.

"When Xiaofu married me back then, she was already two months pregnant." Qi Maolin smiled bitterly as he recalled what had happened back then.

Xia Jinqi was a little surprised when she heard this. She had never heard Ji Yunjing mention this before...  
...

Qi Maolin continued, "she didn't say who your father was, and I didn't ask her."

### **Chapter 518: is the happiest time in my life... ...**

"I love her very much, so I treat you like my own child. The days after my marriage to Xiao Fu were the happiest time in my life..."

Qi Maolin recalled with a gentleness that Xia Jinqi had never seen before.

His gaze toward the sky was infatuated and affectionate.

His voice was choked with sobs... ..

Xia Jinqi could feel that Qi Maolin really loved her mother. He loved her deeply and was willing to love her child as well.

Even if that child wasn't his, he didn't care at all.

It turned out that when she was still in her mother's womb, Qi Maolin had already been by her side.

No wonder when she first saw Qi Maolin, she didn't reject him too much. Instead, she felt that he was very affectionate.

After a long time, Qi Maolin pulled himself away from the memories of the past and turned to look at Xia Jinqi lovingly. "If you don't mind, you're Xiao Fu's child. I'll treat you as my child too."

Xia Jinqi saw the tears and softness in his eyes, and a certain part of her heart was extremely moved.

She thought that since her mother had married Qi Maolin while carrying her, she had originally wanted Qi Maolin to be her father, right?

However, she didn't know what happened after that, so she moved to the Xia family... ..

If not for the waves that followed, she would have lived with Qi Maolin forever, right?

Staring at Qi Maolin, Xia Jinqi smiled gently. "If you don't mind, can I call you daddy?"

If it wasn't for Qi Maolin's care back then, her mother wouldn't have been able to give birth to her.

She suddenly didn't want to look for her biological father.

If her Mother didn't want to talk about him, there was probably no meaning to it.

Perhaps she should listen to her mother.

Qi Maolin didn't expect Xia Jinqi to call him daddy, so he paused. After a long while, he shook his head with a SOB. "I don't mind. WHY WOULD I mind? I'm so happy!"

"Yes, Daddy." Xia Jinqi also nodded heavily with a smile on her face.

Qi Maolin was so excited that he couldn't speak. He could only go up and hug Xia Jinqi, crying a few times.

It had been more than twenty years. He really didn't think that he would be able to find Xiao Fu's child...  
...

He could finally have an explanation for Xiao Fu... ..

The father and daughter cried on the rooftop and laughed.

"Baby, this is grandfather." Xia Jinqi stroked her belly and introduced Qi Maolin, a smile appearing in her slightly red eyes.

Qi Maolin instantly became a little reserved. He suddenly found his daughter and was about to have another grandson. This happiness came too quickly.

"The child is about to be born, right? Have you given it a name?" Qi Maolin wiped the corners of his eyes and asked happily.

"En, there are still two months left." Xia Jinqi nodded. "I haven't given it a name yet. I still don't know if it's a boy or a girl."

There were quite a number of checkups at the hospital, but she didn't deliberately ask the doctor if it was a boy or a girl. She wanted to save this feeling until the end.

Yan Jun didn't deliberately pay attention to the gender of the baby. As long as he knew that he was very healthy, he would be relieved.

Qi Maolin smiled. "If it's a girl, she will definitely look like you."

"If it's a girl, what should your nickname be? Let grandpa take it, okay, baby?" Xia Jinqi muttered. It sounded like she was asking about the baby in her belly, but in reality, she was asking Qi Maolin.

Qi Maolin's heart moved. He did not expect Xia Jinqi to give him such authority. He was a little nervous. "really? Can I name it?"

"OF COURSE!" Xia Jinqi nodded and looked at Qi Maolin with some anticipation.

### **Chapter 519: Miss Puff and Mr. Hades**

Qi Maolin was so moved that his eyes were filled with tears. His hands were rubbing against each other nonstop. It was obvious that he was both cautious and excited.

Nickname... .. What name should he give her ??

After thinking for a long time, Qi Maolin carefully said, “does... Does Xiao puff sound good?”

“Xiao puff...” Xia Jinqi repeated. In just a moment, she understood Qi Maolin’s true intention.

Xiao puff also had the word “Fu” in it, which was exactly the same as Ji Xiaofu’s “Fu” .

He really missed Xia Jinqi’s mother very much... ..

After Xia Jinqi finished reading the name, Qi Maolin was so nervous that he almost held his breath, afraid that she would reject him.

How could Xia Jinqi bear to see him being so careful?

Moreover, Xiao puff... ..

This name was really nice to hear!

He couldn’t help but smile. “Nice to hear! If it’s a girl, then call her Xiao puff! Okay? Baby...”

As he said that, he lowered his head and touched his belly.

The little guy seemed to be able to hear him. He even kicked her across her belly, which was very happy.

The smile on Xia Jinqi’s face became even more gentle. The warm rays of the Winter Sun enveloped her. She was indescribably gentle and beautiful.

Qi Maolin could not help but sigh. “thank you, Little Qi...”

Thank you for helping me.

However, Xia Jinqi shook her head. “Dad, I should be the one thanking you. If it wasn’t for you, mom wouldn’t have given birth to me so smoothly.”

As they chatted, the wind started to blow again.

Qi Maolin quietly turned his back to wipe the corners of his eyes. He then turned to support Xia Jinqi. “Let’s go down first. The wind is getting stronger.”

“Okay.” Xia Jinqi nodded and followed the expression on her face, which was peaceful and happy.

Mommy, did you see it in the sky?

I’ve already recognized Daddy.

According to the way you wanted to see it.

When they reached downstairs, Xia Jinqi casually mentioned the baby’s nickname to Yan Jun..

Yan Jun asked very thoughtfully, “what if it’s a boy?”

“A boy will be called King of Hell!” Xia Jinqi replied without thinking. It was extremely casual.

Yan Jun,“...”

He even said that both boys and girls liked him. It was obvious that he valued girls over boys! ! !

“ ... ”

On the other side.

Fang Shaoan returned to the company with the old-fashioned SD card that Yan Jun had given him.

Twelve consecutive life-threatening calls called back the few computer elites who were on their annual leave and had them repair the contents of the SD card overnight.

The elites were all suffering unspeakably, but they still could not resist the temptation of President Fang's powerful reward. They quickly focused on their work.

Fang Shaoan, on the other hand, was free. He wandered around the office a few times and was so bored that mushrooms were about to grow on his head!

When the sky was almost dark, he suddenly realized... ..

Anyway, those little brats were in charge of the SD card. He didn't have to guard here at all!

But if he went home now, there would be no one at home.

He definitely wouldn't be able to call anyone out tonight. Then where could he go?

Although it was lively at Yan Jun's place, the atmosphere in the family was too heavy. He didn't like it.

Zhuge Wentao was too bored. Last time, he even beat him up. He was very angry He didn't want to talk to him for the time being!

After thinking for a long time, there wasn't a suitable candidate.

Fang Shaoan Lay back on the guest sofa and crossed his legs. As he thought about it, he suddenly thought of something

Oh right, wasn't there a girl who didn't know the immensity of Heaven and earth that provoked him in the morning?

Anyway, he didn't have anywhere to go, so he might as well go tease her.

At this time, she must be at her parents' place, right?

If he suddenly appeared, he would definitely scare her to death, right?

Just thinking about it, Fang Shaoan couldn't help but burst out laughing!

“HAHAHAHAHAHA! ”

LITTLE BRAT!

Watch me torture you to death this time!

**Chapter 520: don't women like to say the opposite of what they mean?**

Thus.

On this dark and windy night... ..

Fang Shaoan was dressed properly. He carried two large boxes of gifts and appeared at the Zuo family's door.

"Ding Dong..." he pressed the doorbell, but there was no response.

"Ding Dong..." he pressed the doorbell again, and the sound of footsteps finally came from behind the door.

Then, a middle-aged man with a rich build came to open the door.

"Hello, UNCLE!" Fang Shaoan's voice was especially loud and clear. After he shouted, he even gave a formal bow!

Father Zuo was stunned for a moment, then carefully sized up Fang Shaoan. Looking at his yellow hair, he suddenly laughed. "YOU'RE THAT PINEAPPLE!"

"... ?" Fang Shaoan was dumbfounded. "What Pineapple?"

Father Zuo did not give him time to think. He directly pulled him into the door and shouted inside, "Xiao Ran! YOUR PINEAPPLE FRIEND IS HERE! COME OUT QUICKLY!"

Fang Shaoan's face was full of black lines.

Pineapple... .. Friend ? ?

Does he look like pineapple? ! !

What the hell There's such a handsome pineapple like him in the world? ! !

Zuo Xiaoran, who was helping to serve the dishes in the kitchen, heard this and walked over curiously. "Who is it?"

In the end, she saw it at a glance... .. Fang Shaoan ? ? !

"You... you..." Zuo Xiaoran pointed at the man in front of her with her trembling fingers. She was so shocked that her tongue was tied and she could not speak ! !

Fang Shaoan raised his eyebrows and Chin at her provocatively. Then, he handed the gift in his hand over. "This is a gift for uncle and Auntie!"

"Oh, you're so polite!" Father Zuo took the gift and handed it to mother Zuo.

Mother Zuo took it absentmindedly. Her eyes kept glancing at Fang Shaoan. Then, she pushed her daughter and asked in a low voice, "Xiao Ran, aren't you going to introduce us?"

"He..." Zuo Xiaoran was interrupted just as she opened her mouth.

Fang Shaoan started to introduce himself. "Uncle and Auntie, my name is Fang Shaoan. I'm Xiao Ran's friend."

"friend... what friend?" Mother Zuo stared at the two of them again. It seemed like she had to add a prefix to the word 'friend' ! !

For example... .. Boyfriend ? ?

Zuo Xiaoran came back to her senses and slapped her forehead. "They're just ordinary friends!"

After saying that, she rushed over and pulled Fang Shaoan to her room. "GET OVER HERE!"

Fang Shaoan was pulled away without any resistance. Before he left, he even gave father and mother Zuo a mysterious smile.

Bang! Zuo Xiaoran closed her door and glared at the man who had suddenly barged into her house. "How do you know about my house? What do you want?"

Fang Shaoan shrugged his shoulders. "Didn't you ask me to come here?"

While he was perfunctory, he began to look around Zuo Xiaoran's room.

"Me!" Zuo Xiaoran was extremely angry. Only then did she remember what she had said on the phone in the morning. She almost rolled her eyes. "I was just teasing you! I didn't really ask you to come! !"

"Don't women like to say the opposite?" Fang Shaoan said lazily and glanced at the only single bed in the room. It was pitifully small.

However, the quilt was a cartoon version of the Dragon Cat. How childish.

He happened to be tired, so he jumped up and lay down steadily.

"This bed is so small!" He twisted his body and found a comfortable position for himself.

Zuo Xiaoran, "..."

After countless deep breaths, she forced herself to calm down. "come down."

"It's not as big as my SOFA."

"Fang! Shao! An!" Zuo Xiaoran was already grimacing. She felt as if there was a flaming mountain on her head!
