

Tick Me 521

Chapter 521: A girl's body was soft and supple

God knows how much she wanted to drag the man who was clinging to her bed down and give him a good beating The kind that would make him smoke! ! !

And in fact, she did the same thing!

After shouting for a long time, it was useless. She could only go up and pull him down herself. "GET DOWN HERE!"

However, he was even sturdier than she had imagined. She used all her strength to pull him down, but not only did she not manage to shake him at all, she was instead pulled back by him, and her entire body was thrown towards him!

"Ah!" She cried out in shock, but the pain that she had imagined did not come.

Her entire body fell onto his body.

This human cushion was very well placed.

Subconsciously, she raised her eyes to look, but it just so happened to meet his pair of captivating peach blossom eyes.

Zuo Xiaoran was stunned.

Putting aside all her prejudices, she said something fair and just.

The man beneath her was really handsome enough.

He was completely different from Yan Jun's deep and steady handsomeness.

He even had the impression of a Gigolo... .. Cough cough ! !

While the girl on him was sizing him up, Fang Shaoan was also looking at her without blinking.

The girl's body was soft and soft, very light. It was almost weightless when it pressed on him like this.

The faint fragrance lingering on her body lingered in his heart for a long time, lingering.

He unconsciously raised his hand and gently stroked her cheek... ..

At this moment in the living room.

Father and mother Zuo were still in a daze, looking at their daughter's tightly shut room. Then, they looked at each other in a daze... ..

"Hubby, what do you think is the relationship between this boy and our Xiao Ran?" Mother Zuo asked thoughtfully.

Father Zuo coughed lightly. "What relationship could it be? Didn't our daughter say that he's just a normal friend?"

"I don't think so. It's fine if you say that he's usually here, but he's here during the New Year. Do you think... could it be that our Xiao ran deliberately arranged it?" Mother Zuo frowned and thought for a long time. Finally, she thought of a decent possibility. "could it be that Xiao ran found a boyfriend and was too embarrassed to bring him back directly, so she let him come by himself during the New Year?"

"this... It can't be?" Father Zuo squeezed his eyes, and his face began to look a little Pale. "Our daughter is still so young, and she already found a boyfriend?"

"little what! Xiao Qi's child is about to be born! Aren't you in a hurry?" Mother Zuo interrupted Father Zuo.

When she first found out that Xia Jinqi was getting married, she had been secretly worried for her silly daughter!

However, since she had not finished her studies, it was not appropriate to rush her.

Now that Xia Jinqi's child was about to be born, her Xiao ran still had not made a move, so she was anxious!

Now that Xiao ran had finally brought a man back, the things in her head were spinning really fast!

"..."Father Zuo paused for a moment. It made sense.

He also wanted to be a grandfather... ..

"Hurry up and cook the remaining two dishes. I'll call them out for dinner. By the way, I'll ask them what the relationship between the two of them is!" Mother Zuo pushed Father Zuo away and walked straight to her daughter's room.

"knock, knock, knock..." she knocked on the door tentatively. Mother Zuo cleared her throat and called out, "Xiao ran? COME OUT AND GET READY FOR DINNER!"

The two people who were still looking at each other inside the door were shocked at the same time and came back to their senses!

"Oh! Okay, come out now!" Zuo Xiaoran's slightly trembling voice came out from the gap of the door.

Mother Zuo didn't find anything wrong with it, so she turned around and went into the restaurant to help Father Zuo prepare dinner.

Zuo Xiaoran listened to the sound of footsteps gradually moving away from the door, and then she breathed a sigh of relief.

Chapter 522: do you really not want to see me?

When she came back to her senses, she realized that she was still lying on this stinky man's body?

She was about to get up with a face full of disgust, but her lower back was forcefully pushed back, and she was thrown back again... ..

"What are you doing?" Zuo Xiaoran shouted as she furrowed her brows in embarrassment and anger.

However, Fang Shaoan was not annoyed by the disdain in her eyes at all. Instead, he began to act shamelessly. "Zuo Xiaoran, you should be clear about this. Right now, you're the one who's pressing on me. Whatever you want to do, you're the one who's doing it to me, okay?"

"I..." Only then did Zuo Xiaoran realize that the position of the two of them was as ambiguous as it could be. Her face instantly turned red. "Who told you to lie on my bed?"

She was still struggling. It seemed that getting closer to him would be a form of torture for her.

She was acting as if she really wanted to get away from him too much. This made Fang Shaoan's self-esteem suffer a great blow.

He suddenly frowned. With the force from his lower back, after the world turned upside down, he took the dominant position and pressed her down instead.

Zuo Xiaoran was shocked by this sudden change. She stared blankly at the handsome face hanging above her.

Taking advantage of her absent-mindedness and rare obedience, Fang Shaoan put away his usual casual smile and looked into her eyes seriously and seriously... ..

"Do you really not want to see me?"

"..."

There seemed to be an ocean in his eyes... ..

Half a second later, her heart fell into that boundless ocean.

She could no longer control her direction. In the ups and downs, she could only follow his waves.

The fierce expression on her face was long gone, and her expression was somewhat out of control.

She really could not bear to continue being fierce to him... ..

"You're thinking too much." She stubbornly turned her head away, not daring to look at him.

Seeing that she had averted her gaze, Fang Shaoan's heart could not help but feel a wave of disappointment.

However, a moment later, he smiled again, and the haze from before was swept away. He turned over and got out of bed, staring at the few photos on the bookshelf. "SO UGLY!"

Zuo Xiaoran's heart had just returned when she heard his voice. She immediately clenched her small fists. "You're the ugly one!"

However, Fang Shaoan seemed to have expected her to make a move. He nimbly dodged and walked out of the door.

The rest of Zuo Xiaoran's empty fists... ..

She paused and suddenly smiled.

What an idiot.

When the two of them walked out of the door, father and mother Zuo had already prepared a large table of sumptuous dinner. The color, aroma, and taste were all present. Fang Shaoan almost drooled at the sight!

“Uncle, did you cook all these dishes?” Fang Shaoan could not help but exclaim in surprise.

“Yes! I don’t know if it suits your appetite! SIT DOWN!” Father Zuo was always enthusiastic. He washed his hands from the kitchen, took off his apron, and began to pour wine.

Mother Zuo kept staring at Fang Shaoan. “What did you say your name was? Fang...”

“Shaoan. Auntie, you can call me Shaoan.” Fang Shaoan smiled obediently, pretending to be very cute.

Zuo Xiaoran rolled her eyes at him and coldly poured cold water on him. “Mom, you can just call him pineapple!”

The corners of Fang Shaoan’s eyes twitched. Before he could find out the origin of this nickname, mother Zuo’s question came again. “Shaoan, what do you do? How old are you? How long have you known our Xiaoran?”

“Uh...” before Fang Shaoan could answer, Zuo Xiaoran shook mother Zuo’s arm embarrassedly. “Mom! Why are you asking this! We’re just ordinary friends!”

Why did she ask such a standard mother-in-law question right from the start!!!

Chapter 523: was instantly lost

Mother Zuo pulled her arm away. “Can’t you ask a normal friend?”

Then, she looked at Fang Shaoan. “child, don’t you think so?”

“THAT’S RIGHT!” It was rare for Fang Shaoan to see Zuo Xiaoran being defeated. He immediately stood on the United Front with Mother Zuo. “I’m 26 this year. My family has a small business and I’ve known Xiao ran for more than half a year. I think the two of US get along quite well!”

“26, not much older than our Xiao ran. It’s good, it’s good!” Mother Zuo seemed to be quite satisfied, and continued to ask, “is your family from Rao city? Who Do you have in your family?”

Zuo Xiaoran held her forehead and could only look at her father for help. “Dad!” LOOK AT MOM!

Father Zuo replied with a calm look, and then coughed lightly. Just as he was about to speak, Fang Shaoan started to answer, “it’s from Rao city. My family... Grandfather, father, and mother, have a sister, and she’s married.”

“Oh... then what business does your family do?” Mother Zuo’s questions really came one after another, seemingly endless!!

It was even more professional than checking household registration!

Zuo Xiaoran really couldn’t stand it anymore. She quickly snatched mother Zuo’s bowl and filled it with soup for her. “Mom! Stop talking, the dishes are getting cold! I’m starving to death!”

Hearing that his daughter was hungry, Father Zuo hurriedly tried to persuade her. "Alright, alright, let's eat first!"

Only then did mother Zuo give up. "Why are you interrupting, seriously... If you're hungry, let's eat first!"

Although her tone was not good, she kept putting food into Zuo Xiaoran's bowl. "You child, why are you trying to lose weight like others? Don't you see how thin you are? EAT MORE QUICKLY!"

Zuo Xiaoran smiled and nodded. "Yes, mother!"

Father Zuo, who did not speak much, also scooped some soup and silently handed it to Zuo Xiaoran. He watched her eat and drink, his eyes filled with deep fatherly love.

Fang Shaoan sat at the table and suddenly had a very different feeling... ..

In the Fang family, it was very rare for a family to sit together and eat together.

Basically, everyone was busy with their own things. Even if they could occasionally gather together, they would eat quietly and go their own ways. It would not be like Zuo Xiaoran's family, where they would be laughing and laughing... ..

Mother Zuo's sharp eyes saw that Fang Shaoan did not move his chopsticks and just stood there in a daze. She quickly asked, "why aren't you eating? Are these dishes not to your liking?"

"What do you want to eat? I'll make you another two dishes?" Father Zuo looked over.

Fang Shaoan came back to his senses and quickly shook his head. "No need, no need..."

Before he could finish his words, a chicken wing appeared in the bowl. Zuo Xiaoran picked it up.

"where are you coming from? Hurry up and eat, okay?"

She deliberately didn't look at him. She turned her head coolly and ate her own food.

Fang Shaoan's hands were slightly stiff, but his lips curled into a pure arc.

"okay..." he nodded seriously and then began to eat.

After just one bite, his eyes immediately widened and he praised sincerely, "this... this is too delicious, right?"

"My father is a chef!" Zuo Xiaoran introduced proudly. She knew that her father's dishes were the best in the world!

Father Zuo even smiled a little embarrassedly. "As long as you like it..."

Mother Zuo also took the opportunity to give Fang Shaoan a lot of food. She also told him not to be polite and to eat freely as if he was at home.

This was the first time Fang Shaoan had seen such an atmosphere, and he almost fell into it instantly... ..

How should I put it?

He felt that everyone in the Zuo family was very friendly and warm.

It's something he had never experienced before at home... ..

Chapter 524: when she cried, his heart ached terribly... ..

The warm atmosphere coupled with the delicious food really made it easy for people to be intoxicated.

In the end, Fang Shaoan ate three bowls of rice in one go, so bloated that his head was a little empty... ..

Seeing that his appetite was so good, mother Zuo immediately added a few points to her impression!

After the family ate, Zuo Xiaoran volunteered to wash the dishes. Fang Shaoan did not stay idle and took the initiative to follow her.

However, with his status, let alone washing the dishes, he had never even entered the kitchen in his entire life!

Zuo Xiaoran could only teach him hand-in-hand, and almost broke down during the process... ..

After she finally taught him a little, Zuo Xiaoran sighed and said, "you said that you wouldn't cook at home, so why did you have to come to my house to wash dishes?"

"because your father's dishes are delicious!" Fang Shaoan answered without thinking.

Zuo Xiaoran was silent.

Alright, what he said made sense, but she couldn't refute it?

But... ..

She couldn't help but sneak a glance at the man next to her who was clumsily wiping the clean dishes one by one and putting them on the shelf. Zuo Xiaoran was absent-minded for a moment.

She really did not expect that the playboy, Fang Shaoan, had such a side to him?

It was really... .. A little unexpected ...

Perhaps, she should not have arbitrarily defined him as a useless second-generation rich kid who only knew how to eat and wait for death.

..

While the two children were playing in the kitchen, mother Zuo and Father Zuo were sitting on the SOFA, closely monitoring their movements.

"Hubby, what do you think of this pineapple boy?"

Father Zuo frowned and thought carefully before saying, "I still think that our Xiaoran is still young. There's no need to be in such a hurry..."

As a father, he could not bear to part with her.

His daughter, whom he had doted on since she was young, had grown up in the blink of an eye. Now, she was starting to have a boyfriend.

Sigh, he was very disappointed... ..

Mother Zuo glared at him. "A child has to grow up eventually. You can't take care of her for the rest of her life, right? If we don't find a good family for her now, what will she do when we pass away in the future?"

"Sigh... that's true." Father Zuo was getting sadder and sadder. In the blink of an eye, he was already so old ...

He really wanted to watch his precious ran ran like this for the rest of his life... ..

After Zuo Xiaoran and Fang Shaoan washed the dishes and cleaned up the kitchen, they returned to the living room to watch TV and chat with Father Zuo and mother Zuo for a while. The night became darker and darker.

When Fang Shaoan left, Father Zuo also stood up and said that he would go downstairs to throw away the garbage... ..

Fang Shaoan had good eyesight. He took the garbage bag from Father Zuo and walked behind him.

Father Zuo looked at him and asked, "do you like our ran?"

"..."Fang Shaoan was scared silly by this straightforward question.

He hesitated and before he could answer, Father Zuo smiled like he had been there before. "Xiao Ran, this child, has never brought a boy home. When I opened the door and saw you, I almost understood."

Fang Shaoan did not refute. He just quietly followed Father Zuo and listened to his words.

"Xiao ran's mother and I are both open-minded parents. Since you like each other, then get along well." Father Zuo suddenly became fierce again as he turned around and stared at Fang Shaoan seriously "But I'll say the ugly thing first. If you dare to make Xiao ran cry, I'll definitely not let you off!"

Fang Shaoan smiled. "uncle, don't worry. I'll definitely treat her well."

How would he dare to make her cry?

The last time she cried, his heart ached terribly... ..

Chapter 525: peace and quiet

Father Zuo nodded and felt relieved.

As they chatted, they walked Fang Shaoan to the entrance of the residential area. "Pineapple boy, come again next time when you're free!"

"Okay, uncle! I'll definitely come often!" Fang Shaoan smiled and waved his hand.

When Father Zuo turned around and left, he finally reacted and the corner of his mouth twitched. "How on Earth Am I related to pineapple? It must be that wretched girl Zuo Xiaoran!"

After thinking about it, he couldn't help but smile again.

Forget it.

He had a lot of fun tonight, so he wouldn't stoop to her level!

After he left, Zuo Xiaoran, who was lying on the windowsill, retracted her gaze. She pulled the curtains shut and sat by the bed in a daze.

She really didn't expect that he would come today, and... ..

She reached out to caress her heart. The feeling there was very strange.

Zuo Xiaoran shook her head in annoyance and buried herself in a pile of dolls.

What on Earth did he want! ..!

..

On the second day of the New Year.

The weather wasn't perfect. Yesterday's Sunny Day disappeared in an instant. From today onwards, it was a continuous rain, and the temperature had dropped by several degrees.

It was really cold outside. Xia Jinqi's body also became heavier, and she became more and more lazy to go out.

She laid down until it was past nine o'clock before she lazily got out of bed.

She went downstairs to eat and walked around the living room. Her gaze was instantly attracted.

In front of the bright floor-to-ceiling glass window, a slender man with crossed legs was lazily leaning against the Soft Sofa.

He was wearing a light gray sweater, revealing a white shirt at the neck. One Hand was on his temple, and the other hand was slowly opening a thick book on his thigh.

Outside the window, fluffy snowflakes fell, as if it was a custom-made background for him.

The heater in the room was turned on sufficiently, and the light was soft and dim... ..

Everything in front of him looked so warm and peaceful.

Xia Jinqi could not help but smile and slowly walked over.

"What are you reading?" She asked and naturally sat beside him, taking the opportunity to glance at the book in his hand.

Seeing that it was her, Yan Jun smiled instinctively. He turned his hand and showed her the cover of the book.

[mother and baby]

Xia Jinqi's eyes were filled with surprise. She took it and flipped through it. She looked at him curiously. "Are you looking at this?"

"Yes. The child is about to be born. There are some things that need to be prepared quickly." His smile was gentle. As he spoke, his big hand habitually landed on her protruding belly.

The baby seemed to know that it was his father's touch, so he kicked it excitedly.

That magical touch was immediately returned to Yan Jun. the softness in his eyes became thicker.

Xia Jinqi also felt the baby's liveliness, and she couldn't help but feel jealous. "I talked to him for quite a while just now, but he didn't respond. Now that he sees Daddy, he's awake?"

The smile on Yan Jun's lips deepened. "He's very powerful, just like a boy."

"What name should we give a boy? Have you thought about it?" Xia Jinqi took the opportunity to ask.

Yesterday, she went to see Qi Maolin and discussed the child's nickname. Suddenly, she began to obsess over the child's big name.

Anyway, it was almost time to give birth. It was time to think about it.

"Not yet." Yan Jun shook his head. His dark eyes were somewhat deep.

He could make a decision in a second for a business worth hundreds of billions, but naming the child... ... He was in a difficult situation ...

Xia Jinqi saw that he was being so cautious and could not help but become playful. "I'VE THOUGHT OF A PLAN! The boy will be called Yan Yan, and the girl will be called Yan Miao!"

"..."Yan Jun's body clearly stiffened.

Fire and water did not mix?

But at least it was better than the King of Hell... ...

He coughed lightly. "It's good that you like it..."

Chapter 526: She is... ... spying on you

Xia Jinqi could see the veins on his forehead. Finally, she couldn't help but laugh out loud. "HAHAHA! I'm just kidding!"

She could feel that he had been preoccupied with something recently.

So, she deliberately said some witty words to tease him and liven up the atmosphere.

If she really chose this name, Yan Youcheng would probably not let her off the hook first. Hahahaha!

Seeing her happy smile, Yan Jun could only shake his head helplessly, full of indulgence.

"Alright, let's stop fooling around." Xia Jinqi finally calmed down and asked him, "did you find anything out? Did Shao'an call you this morning?"

While she was half asleep, she seemed to have heard Yan Jun mention something about second sister-in-law Xu over the phone.

Hearing her question, Yan Jun furrowed his brows slightly and looked back at her. "I'll take care of this matter. Don't worry."

It was written in the book that when a woman was about to give birth, she had to maintain a happy mood and not overwork herself.

He didn't want her to worry about these things.

Xia Jinqi was bored and would not listen to him. She grabbed his arm and shook it. "Just tell me! I promise I WON'T DO ANYTHING RASH! Just be a bystander, okay?"

He would never be able to refuse her whining.

He had no choice but to give in to her whining. "We agreed that we can only watch and not interfere."

"Okay!" Xia Jinqi agreed immediately, afraid that he would go back on his words if she was a step slower.

Yan Jun pinched the tip of her nose and smiled helplessly. "You..."

"hehe... Hurry up and say it!" Xia Jinqi leaned against him in satisfaction and urged him ...

Only then did Yan Jun hug her and tell her everything he had found so far without holding back.

"The contents of the SD card have been restored, but a portion of it has long been intercepted. As for that second sister-in-law Xu, she came from the Yan family's home economics. I heard that the family was very difficult, but more than ten years ago, they suddenly struck it rich. Not only did they get two houses, they even sent their children abroad to study."

The more he spoke, the colder Yan Jun's tone became.

Second sister-in-law Xu had never been to school since she was young. She was illiterate and had been doing housework since she was fifteen years old. Most of her friends were well-connected, so they didn't know much about money management.

She had been working at the Yan family all these years, so how could she suddenly make a fortune?

To be able to own two houses in Rao city and send her child overseas was a considerable expenditure.

She didn't have the means and ability to earn this money, so the only possibility was... ..

"someone is secretly giving her money?" Xia Jinqi immediately reacted, and a candidate popped up in her mind. "Zhou Lingfang?"

"Yes." Yan Jun nodded, and a dark light reflected from his dark eyes.

Xia Jinqi excitedly sat up from his arms and looked at him with her mouth agape. "Zhou Lingfang bribed her? With so much money, Zhou Lingfang can't have kept her for free... could it be... "

Yan Jun knew what she wanted to say, but he wasn't in a hurry. He slowly guided her train of thought "The servants that have been around for more than ten years have left and dispersed. Basically, there aren't many left. And this second sister-in-law Xu already has quite a lot of wealth, but she's still willing to stay and work."

"You mean, she's been working for Zhou Lingfang all these years? She's... spying on you guys?" Xia Jinqi paused. When she finished speaking, her bright eyes flickered ...

All these years, Zhou Lingfang had been away from the Yan family. Speaking of which, she did have a confidant to help her monitor the Yan family's every move.

Since she was a confidant, then she should know everything that Zhou Lingfang did, right?

For example, things related to Yan Qi?

Chapter 527: Why don't you go scare her?

Yan Jun continued to nod his head and smiled as he looked at her beaming analysis.

"That's simple. We can just directly START WITH SECOND SISTER-IN-LAW XU!" Xia Jinqi had an epiphany.

Yan Jun could not help but lean over and kiss her head. He praised her, "SMART!"

Xia Jinqi was a little embarrassed by his praise, but she smiled and suggested, "she's so afraid of you anyway. Why don't you go scare her?"

Speaking of this, Yan Jun smiled leisurely. Just as he was about to say something, someone walked in from outside the door.

Taking a closer look, it was second sister-in-law Xu.

She walked in very cautiously. If one took a closer look, one could even see her slightly trembling legs.

Xia Jinqi was slightly stunned. Speak of the devil... ..

When she turned to look at Yan Jun, Second sister-in-law Xu had already opened her mouth, "young master, Young Madam."

Her voice was very small, and she was extremely afraid.

She had just been shoveling the snow in the backyard when the housekeeper directly looked for her, saying that young master had something to ask her to go over.

She instinctively wanted to hide and look for Zhou Lingfang, but the housekeeper grabbed her and refused to let her go. He insisted that she come immediately.

She was scared half to death, but she still had to brace herself to come.

If she resisted too much, she would definitely arouse the suspicion of others... ..

Yan Jun glanced at her and said coldly, "I heard that you are very good at making West Lake Vinegar Fish?"

As soon as he said this, second sister-in-law Xu's trembling body immediately relaxed.

She thought that she had been exposed and was about to die, but who knew that young master would ask such a question?

She was stunned, and the Butler urged her anxiously, "young master is asking you a question! Why are you in a daze!"

Second sister-in-law quickly came back to her senses and quickly nodded, "young master, my mother's family is in the south. It's a culinary skill passed down from our ancestors."

The entire Yan family knew that West Lake Vinegar Fish was second sister-in-law's specialty.

Even Yan Youcheng was full of praise for her culinary skills.

However, she only made this dish, so she was not considered a cook. She only helped out occasionally in the kitchen.

Yan Jun's lips curled up in understanding. His eyes and brows were like a painting, "Ah Jin is craving. You can cook for her here at noon."

His voice was very calm and ordinary. There was no fluctuation or deep meaning in it.

Second sister-in-law Xu did not doubt him at all. She immediately nodded and went to the kitchen.

Seeing her leave, Xia Jinqi glanced at the man beside her and pretended to be ignorant. "When did I say that I'm craving for West Lake Vinegar Fish?"

Yan Jun looked back and rubbed the top of her head. He smiled dotingly and said, "are you sure you don't want it? Then change to another dish."

His change came too quickly, scaring Xia Jinqi so much that she hurriedly grabbed him. "Hey, don't! Just eat this!"

Just as she finished speaking, she saw the big bad wolf in front of her smiling at her with malicious intentions... ..

She instantly understood that she had been tricked!

Xia Jinqi's eyes were filled with tears. "It's true that one pregnancy can fool you for three years!"

Yan Jun could not help but laugh out loud... ..

The low, emotional laughter suddenly filled the spacious living room.

After she had laughed enough, Xia Jinqi used her starry eyes to worship Yan Jun. "you deliberately called Second sister-in-law Xu over, right?"

"You know about it again?" He chuckled. Wherever his gaze went, it was filled with her clear, watery eyes.

“first, it’s to scare second sister-in-law Xu. Second, it’s to make Zhou Lingfang anxious, right?” Xia Jinqi hurriedly asked Yan Jun for confirmation “If second sister-in-law Xu really knows something, Zhou Lingfang will definitely run here without stopping! Because she’s afraid that second sister-in-law Xu will reveal her secret!”

Yan Jun pinched the tip of her small nose. “She’s not too stupid.”

Chapter 528: could not be said to be reluctant to part with her

While the two of them were having a good time, the news that second sister-in-law Xu was called away by Yan Jun quickly reached Zhou Lingfang’s ears.

At that time, she was helping Yan Youcheng change his clothes.

Yan Youcheng had just returned from outside and there were some snowflakes on his body.

He had only changed half of his clothes when the Butler walked in. According to Yan Jun’s instructions, he faintly raised his mouth and said, “young master just called Second sister-in-law Xu away.”

It was supposed to be an unimportant matter, but Yan Youcheng’s expression was as usual, as if he did not hear it.

But Zhou Lingfang’s hand shook hard!

Her face, which was covered in foundation, was also Pale!

Yan Youcheng noticed her stop and frowned unhappily, looking over with his Sharp Eagle Eyes.

Zhou Lingfang was shocked and quickly came back to her senses. She explained awkwardly, “my hand suddenly cramped...”

Then, she really shook her hand, afraid that Yan Youcheng wouldn’t believe her.

Yan Youcheng retracted his gaze and waited for her to change her clothes before walking upstairs.

But Zhou Lingfang didn’t follow him. Instead, she turned around and ran to Yan Jun’s villa in a hurry!

Why did Yan Jun suddenly target Second sister-in-law Xu?

Why did he call her over Could it be that he had found out something?

This second sister-in-law Xu She was as timid as a mouse and her mouth was not strict. If she had fallen into Yan Jun’s hands, wouldn’t she have handed over all her assets in no time?

She really regretted not solving this time bomb earlier? ! !

After Zhou Lingfang left, Yan Youcheng called for the Butler, di Qu.

“What’s going on?” How could an old fox like him not see that Zhou Lingfang was strange?

In addition, di Qu seemed to be more talkative than usual today.

Di Qu did not hesitate or hide anything. He directly told Yan Youcheng everything that the young master had instructed him to do.

In the end, he was Yan Youcheng's confidant.

Of course, it was because Yan Jun had long guessed that di Qu would be like this that he deliberately asked him to do this matter.

After Yan Youcheng heard it, he closed his eyes and leaned back in his chair.

After a long time, he said, "Jun 'Er is not a person who seeks trouble for no reason. "

What he meant was that he could tell that Yan Jun was preparing to make a big move.

Di Qu nodded. Although he could not tell what the young master was planning to do, as long as it was something that the young master was planning to do, it was definitely not simple.

However... ..

Di Qu looked up at Yan Youcheng. After thinking for a moment, he could not help but ask, "master, if... are you willing to part with Mrs. Zhou? "

Di Qu had seen through many things in the Yan family over the years. However, he was very self-aware. He knew what he should say and what he should not say.

However, now that he was old and did not have to be so cautious, he was suddenly stubborn and wanted to know the answer.

When Yan Youcheng heard this, he suddenly opened his eyes and his sharp gaze wrapped around Di Qu... ..

After a long while, he closed his eyes again.

"He is just a person who takes care of food and living. It is not a matter of whether he is willing to part with her or not. "

This simple sentence was so ethereal that it disappeared into the dust. Very soon, he could not find where it came from.

However, di Qu's eyes widened slightly when he heard this. He stared at Yan Youcheng for a long time before he sighed in his heart.

So it turned out that after so many years, Madam Zhou had only earned a position in master's heart that he could not even bear to part with?

Yan Youcheng did not say anything more. He seemed to be extremely tired. He waved his hand and gestured for di Qu to leave.

The more time passed, the clearer he could see his own heart.

Why did he fall in love with Zhou Lingfang at first sight back then?

Chapter 529: the woman he had loved in his life

Long Qingxin was very powerful. The long family had always regarded their bloodline as noble and had always been arrogant.

In the beginning, Yan Youcheng had suppressed his backbone and tried his best to be on good terms with the long family because he loved Long Qingxin.

However, as the days passed, there were more and more conflicts between the families, like snowballs rolling.

Finally, one day, the conflict completely erupted.

He and Long Qingxin had a big fight and ran out.

At that time, he went to Jiangnan and met Zhou Lingfang.

She was not considered beautiful. Compared to long Qingxin, she was the kind of beauty that paled in comparison.

But that year, she was only seventeen years old. She was fair and tender, as if she could come out of the water with a pinch.

When she looked at him, it was the same. Her pair of big watery eyes flickered, filled with fear and pity.

She and long Qingxin were completely different.

It was also out of frustration that he bought her that night.

After a night of training, she was young and tender. She was afraid of something, but she was cautious and cautious, carefully serving him.

For Yan Youcheng, this was simply opening the door to a new world.

Long Qingxin was originally a rich young lady who never touched the Sun. Sometimes, her aura was even more aggressive than his, and she simply could not be suppressed.

But Zhou Lingfang was different. She was cautious and timid, completely a little woman who was loved by others.

Yan Youcheng began to enjoy this feeling.

One night was not enough.

Two nights was still not enough.

Day after day, night after night, she simply raised him up and brought him back to Rao Cheng.

Gradually, Zhou Lingfang also knew what kind of person long Qingxin was, so she took care of Yan Youcheng even more humbly to gain more sympathy from him.

When the passion subsided, Yan Youcheng actually began to discover his true heart.

The only woman he had ever loved in his life was long Qingxin.

As for Zhou Lingfang... .. He was actually better at enjoying her care of him in terms of food, clothing, shelter, and transportation ...

If there was any difference, it was probably only because Zhou Lingfang gave birth to a son for him.

Even if she didn't love him, she was still Yan Qing's biological mother. He had to show some mercy.

Because of this, he tolerated it again and again... ..

Until now, he was finally tired and tired.

He wouldn't stop Jun'er from doing whatever she wanted to do.

The snow outside the window was still falling.

The vast expanse of Whiteness finally cooled people's hearts.

..

It was almost noon.

Before the steaming West Lake Vinegar Fish could be placed on the table, Zhou Lingfang ran over angrily with a dark face.

Xia Jinqi was lying on the SOFA, holding a can of chocolate to fill her stomach when she heard a commotion outside the door.

"Madam Zhou, you can't go in. "

"Let go! You've really rebelled against the heavens! You actually dare to stop me! "

She looked towards the source of the noise and happened to see Zhou Lingfang wearing a thin long dress, shouting loudly at the door.

Her expression was very anxious, as if she had rushed over in a hurry. It was such a cold day, yet she didn't even put on a coat.

Thinking about it, she must have been burning with anxiety after knowing that second sister-in-law Xu had been called away?

Xia Jinqi waved at the servant who was guarding the door. "Let her in. "

Wasn't she and Yan Jun putting on a show for Zhou Lingfang?

Without the important villain, how could this show continue?

Seeing this, the servant didn't stop her.

Zhou Lingfang took the opportunity to rush in, her eyes constantly searching the surroundings.

After seeing that she didn't see the person she wanted to see, she asked Xia Jinqi, "where's Yan Jun? "

She couldn't directly ask where second sister-in-law Xu was, so she could only find trouble with Yan Jun first.

Chapter 530: are you afraid?

"Him? He brought someone to the police station in a hurry just now. Why? Are you looking for him for something?" Xia Jinqi then came up with a lie, trying to deceive Zhou Lingfang.

And as expected, just when she mentioned the police station, Zhou Lingfang's face instantly turned pale, and her eyes were incomparably flustered!

"Go... go to the police station for what?" Zhou Lingfang unconsciously clenched her hands, and her breathing became heavy ...

"I think he brought a servant with him, saying that he was investigating a case from more than ten years ago or something..." Xia Jinqi leaned on the SOFA calmly, casually making up a story.

Zhou Lingfang was so scared that her calves trembled, and she fell back a few steps!

"What... What? !" She widened her eyes in disbelief and stared at Xia Jinqi, her face even uglier than a pig's liver ...

The case that happened more than ten years ago even took second sister-in-law Xu away!

Yan Jun had obviously noticed something!

Zhou Lingfang swallowed hard, her teeth trembling.

She hid it so well, how could it be... .. How could it be found out ??

Seeing her like this, Xia Jinqi didn't need to guess how many Ghosts Zhou Lingfang had in her heart.

She had always thought that although Zhou Lingfang had destroyed other people's families and become a mistress, at least she hadn't done anything outrageous. Moreover, Yan Youcheng had to bear half of the responsibility.

But now she realized that she was wrong. She was so wrong that she didn't know how ridiculous it was!

When the child in her belly hadn't been formed yet, Zhou Lingfang had already been tempted. Moreover, Yan Qi and Yan Qing were only three months apart?

"Are you very afraid?" Xia Jinqi put down the chocolate jar and stared at Zhou Lingfang coldly.

Now that things had come to this, what she needed to do now was to alert the enemy!

"I..." Zhou Lingfang came back to her senses. When she saw the sharpness in Xia Jinqi's eyes, she instantly stopped the panic on her face and covered everything up. "I don't understand what you're saying."

Xia Jinqi also smiled, as if she had expected Zhou Lingfang to have such a reaction. "It's for the best if you don't understand. Otherwise... Everything that you've worked so hard for all these years will vanish into thin air."

"..." Zhou Lingfang's smile instantly froze on her face.

She stared fixedly at Xia Jinqi, her eyes so bloodshot that they were about to pop out.

“What do you mean? !” A fierce voice seemed to be questioning Xia Jinqi.

“nothing much. I’m just reminding you by the way. Heaven watches what people do. Karma will always be late, and you won’t Miss It, ” Xia Jinqi replied indifferently. She didn’t Miss Zhou Lingfang’s sudden clenching of her teeth.

“... I don’t know what you’re talking about!”Zhou Lingfang threw out this sentence, afraid that Xia Jinqi would see through her if she continued to stay. She was also afraid that second sister-in-law Xu would spill out her secrets, so she hurriedly wanted to leave ...

However, she had only taken two steps when Xia Jinqi’s laughter came again. The words were not directed at her. “Second sister-in-law Xu, the fish you cooked is really fragrant! ”

Zhou Lingfang’s entire body trembled. She hurriedly turned around and indeed saw second sister-in-law Xu coming out from the kitchen with the dishes.

She was scared silly at that moment. She almost couldn’t stand still!

Didn’t they say that second sister-in-law Xu was taken to the police station by Yan Jun Why was she here?

Second sister-in-law Xu came out with the fish. When she heard Xia Jinqi’s praise, she smiled and said, “Young Madam, you’ve praised me. ”

As soon as she finished speaking, she turned around and saw Zhou Lingfang staring at her like she had seen a ghost!

Second sister-in-law Xu’s hand that was holding the fish trembled. “Madam... Madam Zhou... ”
