To Xia Jinqi, it was just two people standing together taking a photo. It wasn't difficult at all.

Until... ..

Fang Shaoan looked at the photo and made a rather excessive request.

"Give me a kiss! "

Xia Jinqi,"..."

Yan Jun,"? ? ?"

The two of them were in a deadlock. Neither of them moved!

To outsiders, they only got married after they fell in love. It was very normal for them to take a sweet wedding photo!

Nothing about a Kiss was excessive!

Thus, Fang Shaoan urged impatiently, "you're already going to get married, why are you still so shy? "

Xia Jinqi smiled awkwardly and turned around to say to Yan Jun in a low voice, "I think we should stop taking photos..." "

She knew that not only was she embarrassed, Yan Jun definitely didn't want to take photos either.

The photos they took just now should be enough.

So... ..

Unexpectedly, Yan Jun sneered. "What? Didn't you rather die than marry me? In the end, you can't even do a kiss? "

His cold and thin voice was filled with mockery.

He deliberately put her in a difficult position so that she would back down.

He couldn't say anything to reject this marriage, but she could.

As long as she wasn't willing, things would be easy to handle... ..

However, not only did she agree, she even stuck to his side like a piece of chewing gum!

Just as Yan Jun's voice fell, his cheek was imprinted with a layer of softness.

Between his nostrils, a refreshing fragrance lingered. Her soft body seemed to inadvertently rub against his chest.

This woman... .. actually.. .. Really kissed him?

The kiss that was released at the touch of a finger disappeared in the blink of an eye.

Xia Jinqi didn't hear the clicking sound of the shutter, but she knew that Fang Shaoan must have captured the scene just now.

She didn't retreat at the first moment because it would make people think that she despised this kiss.

She still maintained the position of standing on Tiptoe. Her hands pulled on his suit, looking straight into his shocked eyes.

"The one who can't do it is you! "

She raised her chin arrogantly, openly provoking him!

"You don't dare to marry me, right? "

Don't dare?

Yan Jun raised his eyebrows, his sharp eyes narrowed!

For the first time in his life, he was looked down upon by a woman.

“woman, do you know the consequences of your actions? ”

He suddenly reached out and grabbed her graceful waist, his cold aura approaching her.

“What is it? Do you want to hit me again? You... ”

Xia Jinqi couldn't finish the second half of her sentence.

Because in the next moment, the man's tall figure had already pressed down on her!

His lips were covered with a layer of ice-cold, and there was also his warm breath!

Xia Jinqi immediately froze!

He... He.. ...

“UGH...” she quickly came back to her senses and reached out to push him, rejecting this kiss!

However, his strength was too great, and he firmly held her waist. She couldn't even take a step back!

On her lips, it was his biting with anger and punishment. It was so unfamiliar that it made her afraid!

In the distance, Fang Shaoan was screaming in pain while constantly changing the angle of the shutter button!

Oh my God, he only said that he would take a kiss photo!

Why did he directly perform a French kiss?

Look at this angle, Tsk Tsk, perfect!

After recalling what happened that day, Yan Jun, who had always been cold and heartless, could not help but smile slightly.

He thought that he might have been possessed that day... ..

He did not know why, but he just kissed her. In front of so many people, it seemed like he could do nothing.

He just wanted to shut her powerful mouth.
