He still remembered that she had bitten him hard.

When he finally let go of her, her eyes were already red, but she had been holding back her tears.

This made him even more curious. He could tell that she didn't want to marry him either, but why did she agree to marry him?

Moreover, she didn't seem as boring as the rumors said.

...

For the whole afternoon, Xia Jinqi changed into six sets of clothes and did countless poses. Finally, she finished taking the damn wedding photos!

She originally thought that it was just for fun. She just needed to get a few random photos to report back!

Who knew that Fang Shaoan was even addicted to taking photos. After being praised by the people around him for his good photography skills, he immediately urged her to change her clothes.

What was even more hateful was that Yan Jun actually did not object?

She was sandwiched in the middle and could not run even if she wanted to...

...

Who Knew How many photos she took in the end?

She only knew that when she got into Yan Jun's car, her legs were extremely sore!

Hammering her own legs, Xia Jinqi turned her face and looked at the scenery flying past the window. The corners of her eyes were twitching... ..

Sitting in the back seat with her was Fang Shaoan, who was hugging his tablet.

He had already uploaded the photos he had taken earlier and was currently flipping through them in boredom.

Yan Jun was driving in the front seat, his face as cold as ever. The only difference was that he would occasionally look at the situation in the back seat through the rearview mirror.

His father wanted him to bring Xia Jinqi back for dinner. It was normal for her to appear in his car. As for Fang Shaoan, he was not on the same road as them, yet he insisted on following them.

Also, wasn't Xia Jinqi his nominal fiancée? Why didn't she sit next to him, but instead sat next to Fang Shaoan?

Was it because of the kiss just now? Was she angry?

Yan Jun frowned slightly. He turned the steering wheel and drove up to Huan City. He could not help but think of the kiss just now.

Obviously, it was a wonderful kiss. She should have liked it.

Her lips were even more wonderful than he had imagined... ..

The scent on her body was cold and refreshing. He liked it very much... ..

He didn't seem to dislike her. On the contrary, ever since they made contact, his gaze would uncontrollably fall on her.

.. Just as he was thinking, Fang Shaoan, who was behind him, started acting up again.

“sister-in-law, I couldn’t tell. You’re quite photogenic! Look, look, this can even be used as a magazine cover! ”

As he said this, Fang Shaoan handed the tablet in his hand to Xia Jinqi. He pointed at a single photo of Xia Jinqi in a snow-white wedding dress. Tsk, Tsk, it was surprising.

Hearing this, Xia Jinqi couldn’t help but move closer.

She had been snapping photos all afternoon. She didn’t even know what it looked like, so she could take a look!

At a glance, it turned out to be the photo of her standing on the reef and staring at the sea.

She had a tall and slim figure, beautiful long hair, and a five-meter-long long dress. Whether it was the shape of her face or her figure, every angle was perfectly controlled!

Xia Jinqi was surprised when she saw it. “It’s really good... ”

“right? sister-in-law, you don’t know. Do you still remember the man with the baseball cap who handed me the equipment just now? He’s one of the top ten wedding photographers in the world, but in front of me, he’s only worthy of anti-resistance equipment! ”

After being praised, Fang Shaoan immediately began to inflate himself, wanting to change his image in the eyes of his sister-in-law!

At this moment, Xia Jinqi didn’t mind his self-praise. All her thoughts were attracted to a small tablet.
