

## Trick Me 711

### Chapter 711: was about how to win beautifully.

“answer me, ” he said seductively. She had never been able to resist him.

Even though she knew that he was asking for her consent.

She nodded slightly, almost imperceptibly.

Awkward, it was really a CASE OF BLACK INK!

He didn't even need to say it out loud, but she already understood what he meant!

Yan Jun seemed to be very satisfied with this answer. His thin lips curled up slightly, and his smile was wanton.

Seeing that he was about to say something, Xia Jinqi hurriedly interrupted him. “What are your plans for the ten tons of things under our feet? ”

Yan Jun naturally knew that she was trying to change the topic.

Since he knew that she had recovered, he naturally wouldn't be in a hurry. There would be plenty of time in the future.

As for those things...

“Don't worry about them, ” Yan Jun replied coolly.

Xia Jinqi couldn't help but raise her eyebrows when she saw how confident he was. “En? What do you mean? Do you already have a countermeasure? ”

However, Yan Jun only smiled leisurely. He leaned over and gently touched her forehead with his forehead. “believe me, I won't let anything happen to you. ”

The two of them looked at each other, and there was an indescribable feeling and understanding.

After happiness, they would move forward hand in hand!

“Then what should I do next? ” Xia Jinqi asked. Since she had stayed behind, it was to cooperate with Yan Jun with all her might.

“Yan Qing should have noticed something. The party will be over soon. When these people leave, he will reveal his true colors. Take Shao'an to grandfather first. ” Yan Jun spoke a little quickly. He furrowed his brows slightly, and his deep black eyes sparkled.

Xia Jinqi knew that since he said this, he must have already made arrangements. Thus, she nodded and asked, “what about you? ”

“Me? ” Yan Jun looked down at her and suddenly smiled wickedly. “I'm going to do something interesting. ”

Wouldn't it be easy to beat Yan Qing?

The key was how to win beautifully.

The two of them waited for a while, and sure enough, they waited for Fang Shaoan, who had finished watching the good show.

Xia Jinqi was still hiding in the corner. Fang Shaoan looked over and only saw Yan Jun's figure.

"Yo! You're hiding here?" Fang Shaoan walked over with a beaming face. When he thought of the scene where you Xi was tricked, he couldn't stop laughing! "That woman is still sitting on the ground and refuses to get up! She's scared silly by you!"

Yan Jun glanced at him and began to talk about serious matters. "The party ended?"

"Yes. When I came out, those people were preparing to go home!" Fang Shaoan nodded.

"Why didn't you leave?" YannJunn asked again.

"I came to look for you!" Fang Shaoan answered.

Yan Jun heard this and pondered for a moment. Then he gently patted Fang Shaoan's shoulder and sighed. "As expected of good brothers, we share life and death together."

"Uh..." Fang Shaoan was a little dumbfounded. He didn't understand what Yan Jun meant and asked, "what's the situation?"

"You didn't leave just now. I'm afraid you can't leave now." Yan Jun narrowed his Phoenix Eyes and made a judgment.

Yan Qing was suspicious. He knew that Fang Shaoan was close to him and would never let Fang Shaoan leave so easily.

The Poor Fang Shaoan only came back to his senses at this time... ..

He looked at Yan Jun and made sure that he was very serious and wasn't joking with him. Then, he lowered his head and looked at his feet.

Trying to hide his embarrassment, he swallowed his saliva. He stretched out a little finger and pointed at his feet. He asked Yan Jun, "so... you mean that I have to stand here all the time?"

Yan Jun nodded and said emotionally, "Shao'an, I really didn't expect to have a good brother like you to accompany me when I die in an instant."

### **Chapter 712: will stay with you**

"..."

Fang Shaoan broke out in a cold sweat!

He immediately slapped Yan Jun's hand away and wailed, "who wants to die with you! I... I'm so young, I haven't married yet, and I haven't even had a child yet!"

Yan Jun was in a rare good mood as he bullied Fang Shaoan. "maybe in the next life. "

"And I was killed by the explosion! With so many explosives, they must have blown me into minced meat! There will definitely be no residue left! " Fang Shaoan covered his face and was about to cry. "I want to go home, I want to find my mother! !"

"..."

Xia Jinqi, who was hiding in the corner, finally couldn't stand it anymore.

She walked out and patted Fang Shaoan's shoulder as well. She comforted him with a sincere tone, "I'm sorry for your loss. You have to believe that so many explosives won't turn you into minced meat. They will directly turn you into minced meat. "

"You won't leave me a complete corpse?" Fang Shaoan asked in return. Then, he came back to his senses and hurriedly looked in the direction of the voice.

He was dumbfounded by this look.

"You... you..."

You haven't been able to come up with a reason even after a long time.

Yan Jun did not want to argue with him anymore. He glanced at Xia Jinqi and said, "go wait for me at grandfather's place. "

"En, you go ahead. " Xia Jinqi nodded at him and then took Fang Shaoan away like a obedient baby.

"You... he... i..." Fang Shaoan looked at Xia Jinqi and then at Yan Jun. He suddenly felt that his brain was a little inadequate?

After a long while, he finally asked, "sister-in-law, you... didn't you leave? "

"I didn't leave," Xia Jinqi answered in a relaxed manner.

"Why?" Fang Shaoan asked in surprise.

"about that..." Xia Jinqi hesitated for a moment. Recalling Yan Jun's prank earlier, she cooperated with him and answered heroically, "thinking about how miserable you two were when you were killed by the explosion, I stayed to accompany you two. "

Fang Shaoan was so shocked that he had forgotten that he was going to be killed by the explosion. Now that Xia Jinqi mentioned it, he couldn't suppress his grief anymore!

"You're still going to die after talking for so long! If you say I'm going to die, then so be it. I've fallen into this trap of a brother. If I die, then so be it. But you're different. You can clearly leave, but why aren't you leaving?"

Sister-in-law, what are you getting people to say about you... .. How can you be so stupid ? ?

Let me tell you, that so-called love and commitment aren't worth mentioning at all. Is it worth it to sacrifice your little life for these things?"

Fang Shaoan followed behind Xia Jinqi. As he walked, he brainwashed her.

Xia Jinqi listened very seriously. "Yes, love is not more important than life."

"That's why you're still staying. Are you stupid?"

"stupid." Xia Jinqi continued to nod.

Fang Shaoan was shocked by her lack of refutation. "If you understand, why are you still staying?"

Hearing this, Xia Jinqi turned to look at him. Her eyes were unusually determined. "Then, since you know that there are so many explosives here, why did you come?"

"I. . ." Fang Shaoan was at a loss for words.

Before he came, he already knew that his young life might be buried in the Yan family today.

But he still came.

Xia Jinqi looked at him with understanding and smiled brightly. "So, do you still plan to continue asking?"

In fact, Xia Jinqi had long seen through it.

Fang Shaoan was a person who always acted carelessly, but his heart was very soft and he valued friendship very much.

Although he always insisted that he always hung out with Yan Jun in order to get Yan Jun's investment, in fact, Yan Jun was not the only one who had investments. He just got along well with Yan Jun..

### **Chapter 713: died in an instant**

Just like just now, when he heard that he might die here, he immediately blew his top and caused a bigger ruckus than anyone else. In fact, before he came, he already had the determination to die.

Fang Shaoan was rendered speechless by Xia Jinqi's question.

After a moment of silence, he sighed and smiled.

"You're right. There's no need for so many whys."

He had come, so he had come.

He had stayed, so he had stayed.

The feelings and bonds between people, sometimes, could only be understood and not conveyed in words.

Xia Jinqi also smiled. As she continued to walk forward, she suddenly remembered something and prepared to trick Fang Shaoan again.

"since you know that you're going to die, do you still have any unfinished wishes? I heard you say that you haven't married yet and haven't had a child yet. Is it really impossible for you and Xiao Ran?"

She casually brought up this topic.

Xia Jinqi had watched the two of them get along with each other for the past six months and was also anxious.

If they wanted to be together, they should have been together earlier!

Dragging things out like this was simply a waste of his life!

Although he said that, their relationship was theirs. If they did not take a step forward, it would be useless no matter who said it.

Originally, Fang Shaoan was already very discouraged by Zuo Xiaoran's 'ignore and ignore' policy and was prepared to give up at one point.

However, now that he was mentioned by Xia Jinqi, he seemed to have a desire to revive.

When Xia Jinqi saw his rare silence, she knew that he probably had thoughts as well, so she did not mind adding fuel to the fire. "Dying in an instant, there are some questions. Don't you want to know the answer?"

Fang Shaoan's footsteps suddenly froze.

His pair of peach blossom eyes immediately became very stifled.

Dying in an instant.

He always thought that such a thing was still very, very far away... ..

He was still young, only in his twenties. In the future, he would have many more in his twenties.

So he wasn't in a hurry at all. He just waited slowly and patiently.

But... ..

He didn't expect that the day of his death would come so quickly. Perhaps it would be in the next second.

Looking back at the past twenty years, what did he do?

It seemed like... .. He hadn't accomplished anything ...

He had accomplished nothing.

Not only had he squandered his family fortune and become the laughingstock of Rao city, but he had also become the laughingstock of the entire world.

Even the girl whom he had finally fallen in love with was rejected by him thousands of miles away.

He had really failed... ..

Xia Jinqi looked at him, who was deep in thought. She then looked up at Yan Youcheng's villa, which was just inches away, and said, "I'll go in first."

It was better to give him more time to think about it.

If he could take advantage of this disaster and let him understand how to cherish and seize the opportunity, it could be considered a joyous occasion!

After Xia Jinqi left, Fang Shaoan stood there in a daze for a long time before he finally took out his phone.

The first call was to his parents.

Father and mother Fang were taking photos under the pyramid as a memento when they suddenly received a call from their son who had not contacted them for hundreds of years.

“An ‘An, you... ” mother Fang opened her mouth, and the rest of her words were stuck in her throat.

Because in the next second, the wailing sound of her obedient son came from the phone. It traveled across thousands of mountains and rivers, crossing half of the earth. It was extremely mournful and tragic!

“Mom! ! ! Wuwuwu, where are you and dad! Wuwuwu... I miss you guys! ! ! ”

“...”

Inside the villa.

Xia Jinqi secretly looked outside and saw Fang Shaoan crying loudly on the grass outside. He almost rolled on the ground.

Wu... ..

She suddenly felt that her conscience had been slightly reprimanded.

Wasn't this joke between her and Yan Jun a little too much?

#### **Chapter 714: He was... .. Dissecting his own soul**

Di Qu happened to bring some tea and snacks over. He followed Xia Jinqi's line of sight and saw Fang Shaoan crying his eyes out.

His expression became a little strange.

“Young Madam, Young Master Fang Is... ”

“Uh, he is... dissecting his own soul, ” Xia Jinqi said and nodded as if she was trying to convince herself ...

Yes, Fang Shaoan was deeply dissecting his soul, so this joke was still useful.

Di Qu did not understand it, but he did not ask further.

He was old, and he did not understand many of the popular words among the young people, but the children were talking about it.

Hence, he smiled. “Young Madam, do you want to eat anything else? ”

“enough, enough...” Xia Jinqi whispered. Yan Youcheng, who was next to her, coughed lightly and looked at di Qu. “Ask the kitchen to send a few more pastries over.”

Xia Jinqi, “...”

Di Qu had already nodded and turned to leave.

Xia Jinqi actually wanted to say that what was on the table was enough.

However, seeing Yan Youcheng’s expression that did not allow for discussion, she did not say anything.

What Yan Jun said, sometimes, the kindness of the elders could just be led.

Too many rejections made people feel uncomfortable.

Yan Youcheng glanced at her and asked, “where’s Jun ‘er?”

“He... has something to do.” Xia Jinqi randomly found an excuse and was prepared to prevaricate ...

The things that happened at home, even Yan Qing did not dare to disturb him, so Yan Jun naturally did not need to trouble him.

The only thing that the uncle and nephew had in common was that they both hoped to resolve it privately. They did not want to disturb Yan Youcheng, right?

“All these years, I’ve left the Yan family to him. It’s been hard on him.” Yan Youcheng sighed. His tone was no longer as fierce as before. He felt that his inner Qi was very lacking, and it felt like he was in his last years.

Ever since the incident with Yan Jun and Xia Jinqi, Yan Youcheng’s health had really deteriorated day by day.

He also knew that he did not have much time left, which was why he wanted to see this uncle and nephew get along well as soon as possible.

Xia Jinqi heard that Yan Youcheng seemed to be very tired from talking. She instinctively looked up and noticed that Yan Youcheng’s hair seemed to have turned a lot whiter.

“grandfather, don’t worry about these things. Yan Jun will take care of them.” Xia Jinqi suddenly felt a little sad.

Even a hero would grow old one day.

Putting aside how heroic Yan Youcheng was when he was young, only then could he get long Qingxin’s love.

Just one year ago, when Xia Jinqi first saw him, she could still feel his heroic spirit.

Now that she looked at him... ..

“Yeah, he’ll take care of it... I’m old. From now on, it’ll be your young generation’s world.” Yan Youcheng let out another long sigh ...

His gaze was still on Fang Shaoan, who was crying his heart out through the window.

He was such a young man. His skin was also a healthy wheat color. His eyes were lively, and he could do whatever he wanted. There was still plenty of time to squander... ..

Unlike him, he was so old that he didn't even have the strength to speak.

Xia Jinqi looked at the old and muddle-headed Yan Youcheng and listened to his lamentation. She couldn't help but choke up.

Time had left so many traces on his face, and now, it was finally going to take away his life and vitality as well?

While lamenting, Yan Youcheng had already retracted his gaze and looked at Xia Jinqi again.

"child, come here..."

Yan Youcheng waved at her.

Although both of them were sitting in the Living Room, the Sofa was too far away.

Xia Jinqi didn't understand, but she still got up and walked to the SOFA beside Yan Youcheng and sat down.

### **Chapter 715: The battle between uncle and nephew. It could start at any moment!**

Yan Youcheng took out an envelope-like object from nowhere and handed it to Xia Jinqi. "take this."

Xia Jinqi took it obediently and realized that there were no words written on it. Instead, it felt like it was bulging inside.

"What is this?" She asked instinctively.

Speaking of this, the corners of Yan Youcheng's mouth curled up slightly. Finally, there was a hint of a smile.

"This is what I left for Yu Han and Yu Sheng. The children are still young. I'm afraid I won't be able to see them grow up. You're a mother, so keep it well for them."

Xia Jinqi knew that from Yan Youcheng's expression and tone, she could tell that he really doted on Yu Han and Yu Sheng.

"Grandfather, it's better for you to give this to them personally in the future." Xia Jinqi returned the envelope.

She had no right to say whether she would accept the things that her great-grandfather wanted to give to the children. She only wanted to leave this opportunity to Yan Youcheng.

However, Yan Youcheng seemed to be a little angry. "Just take it if I tell you to! If you're so blunt, how are you going to be the matriarch of the Yan family in the future?!"

"..."Xia Jinqi was stunned. This was the first time she heard this from Yan Youcheng.

Did he mean to leave the Yan family to Yan Jun?

But, Yan Qing... ..

Yan Youcheng saw that Xia Jinqi was slightly stunned and said, "I know what you're thinking. Half of the reason why their uncle and nephew fought like this is my responsibility. That year... "

When he recalled the past, Yan Youcheng glanced at Xia Jinqi again. His turbid eyes were filled with apology.

"that year, Qing 'Er came to me to beg you. But in order to let him fight with Jun 'er, I insisted on letting Jun 'er marry you. Now that I see that you and Jun 'er are living better and better lives, the sin in my heart is more or less lighter. "

Xia Jinqi listened, and for a moment, she was silent.

She had already guessed it.

But she did not expect that when Yan Youcheng personally said these things in front of her, she still felt somewhat uncomfortable in her heart.

After pausing for a moment, Yan Youcheng said again, "guarding the Yan family, only hatred is not enough. I hope that in the future, you can persuade Jun 'er to at least let Qing 'er go on the account that they are of the same bloodline. "

His test for these two children had already ended.

The winner and loser had long been decided.

It was just that he did not expect that it would involve the death of Yan Qi more than 20 years ago.

And, many years later, Yan Qing lost his mother.

Xia Jinqi's heart stopped. She really wanted to say that it was not that they did not want to let Yan Qing off, it was that Yan Qing did not intend to let them off.

But seeing Yan Youcheng's aged appearance, she really could not bear to let him know that his youngest son, whom he doted on the most, had already walked so far up to this day, and there was no turning back.

"grandfather, don't worry. Yan Jun will not be so heartless. " Xia Jinqi comforted the old man's heart.

In fact, whether it was a success or failure today, everything was still unknown.

The party had already ended, and the crowd had all been evacuated.

Yan Qing would soon know that her child had been sent away, right?

The battle between uncle and nephew was on the verge of breaking out!

"Good... good... " Yan Youcheng nodded repeatedly. Perhaps he was really comforted by Xia Jinqi's words, and the expression on his face finally didn't look so grim anymore ...

Seeing this, Xia Jinqi also turned her hand to carry the hot water on the table and handed it to Yan Youcheng. "GRANDPA, drink some water first. "

The moment she finished speaking, Yan Qing walked in aggressively and quickly from outside the door!

Xia Jinqi glanced at him. The bowstrings in her brain were already tensed up.

Speaking of the devil, the devil arrived.

### **Chapter 716: being hurt by a man you deeply love must be very painful, right?**

Yan Qing's eyes sparkled with fire. The first thing he did when he entered was to look for something by Xia Jinqi's side.

Yan Jun's actions at the party had already made him somewhat suspicious.

After chasing away those uninvited guests, Yan Qing immediately inquired about Ji Xinyu's location.

In the end, the person he called over stammered for a long time, unable to come up with an explanation. He only knew that the last time he saw Ji Xinyu, she had brought Xia Jinqi's two children to look for Yan Youcheng.

Only then did Yan Qing hurriedly chase after her.

He opened his mouth to question Xia Jinqi, but Yan Youcheng, who was beside him, waved at him lovingly. "Qing 'er, you're here. Quickly come over, come to Daddy..."

He did not know if it was Xia Jinqi's misconception, but he felt that as he got older, he seemed to have become a lot more benevolent and soft.

Yan Qing's anger had not yet erupted, but he was instantly softened by Yan Youcheng's words.

He gritted his teeth gently, but he still moved towards Yan Youcheng's direction.

"Dad," Yan Qing called out, but his eyes were still patrolling the room. "I heard that sister-in-law is here?"

Xia Jinqi's expression froze.

However, Yan Youcheng did not know what Xia Jinqi had done under his nose. His memory was still stuck in what Xia Jinqi had said earlier. Ji Xinyu was in the guest room coaxing the two children to sleep.

After being asked by Yan Qing, he naturally replied, "Yes, I'm afraid she's sleeping with the two children in the guest room."

"..."Yan Qing only relaxed when he heard that.

The fire in his eyes was no longer as intense as before, and he calmed down almost instantly.

Xia Jinqi was very keen to sense the change in Yan Qing's mood. She raised her thin brows slightly and could be considered to have let out a small sigh of relief.

Her guess was indeed correct.

Yan Qing hated Ji Xinyu to the bone.

Fortunately, she let Huo Ting Take Ji Xinyu away first, or else... ..

If anything really happened to Ji Xinyu, Yan Jun would definitely seek revenge on him.

At that time, two more lives would be lost.

The chain of hatred would continue endlessly like this.

They had to stop it.

After Yan Qing calmed down, he looked up at Xia Jinqi.

“Xiao Qi, why didn’t you go to the front hall when it was so lively just now?” Yan Qing asked the question he already knew. He looked at Xia Jinqi’s slightly stifled expression with interest.

Being hurt by the man she loved deeply must be very painful, right?

Only when she knew the pain would she know that she had chosen the wrong person!

Unfortunately, she did not go and did not let her see the glorious moment when he was being sought after by everyone.

Xia Jinqi obviously understood what Yan Qing meant. She should have pretended to be very sad.

However, at this point, as long as Yan Qing took a few steps forward, he would realize that Ji Xinyu and the children were not in the guest room at all.

So... ..

There was nothing to continue pretending.

Xia Jinqi curled her pink lips and smiled. It was a beautiful sight.

“There aren’t many people I know. It won’t be fun even if I go. Why don’t you come and read a newspaper for Grandfather and get a red packet!” As she said that, she waved the envelope in her hand at Yan Qing.

Yan Qing’s attention was not on the envelope at all. He frowned and looked at Xia Jinqi, unable to understand.

Everyone knew that this party was organized by Yan Jun for you Xi. Why did Xia Jinqi... ..

She didn’t seem to be sad at all?

What she said could be a lie, or she could be putting on a brave front.

However, her eyes would not lie.

Yan Qing did not see any sadness in Xia Jinqi’s eyes.

What was going on?

“You’re not sad?” He planned to confirm it himself.

**Chapter 717: the Empty City Stratagem was seen through**

Xia Jinqi raised her eyebrows slightly, and an ethereal smile appeared on her lips. "What's there to be sad about?"

One sentence made Yan Qing frown.

This was different from what he had expected... ..

Yan Youcheng listened by the side. His expression was slightly fluctuating, but he remained silent. When he looked at Yan Qing again, his eyes were filled with a complicated look.

He was old and was about to die, but that did not mean that he was stupid and did not know anything.

"Qing 'er, what have you been doing recently?" A slightly stern voice came out from the corner of Yan Youcheng's lips.

Yan Qing heard this and came back to his senses. He looked at Yan Youcheng with a smile and said, "the same as always. I've been at home most of the time."

"It would be great if you could really calm down." Yan Youcheng's cold words were full of sighs.

Without waiting for Yan Qing to reply, he continued, "come out tomorrow and come with me to see your mother."

The moment Yan Youcheng's voice fell, Yan Qing's hand on his thigh trembled heavily!

He looked at Yan Youcheng in disbelief, "Dad, you... what did you say?"

"I said I'll go see your mother tomorrow. It's been so long, I should go see her too." Yan Youcheng sighed. Looking at his son's surprised expression, he sighed helplessly in his heart.

He actually did not have much feelings for Zhou Lingfang, so he had never been willing to see her.

Yan Qi was also his beloved eldest grandson.

When Yan Qi was born, he had hugged and kissed him.

Just like that, he was gone... ..

He took the initiative to bring it up now because he felt that he did not have much time left. If he could resolve a little of the hatred in Yan Qing's heart, then he would resolve it a little.

Yan Qing suddenly fell silent.

He had always wanted to go to his mother's grave with his father to take a look and offer incense.

But it had to be tomorrow?

As long as he did not understand the matter between him and Yan Jun, he would not leave the Yan family for a day!

"Another Day." He rejected him directly. Yan Qing did not notice how sarcastic his expression was when he said these three words.

The thing that he had been looking forward to day and night, when it really happened one day, he felt that it was such irony.

Father should have gone to see mother a long time ago!

After dragging it out for such a long time, he still said it like it was charity!

Yan Youcheng could not help but be shocked. He did not expect Yan Qing to reject him.

He wanted to work harder, but the topic was brushed off by Yan Qing.

“I’ve been sitting here for so long, why hasn’t sister-in-law come out?” Yan Qing’s gaze shifted to the guest room again.

The mention of his mother reminded him of the enemy who would definitely be killed before he could act quickly!

Didn’t he come here to confirm Ji Xinyu’s location?

Xia Jinqi’s eyes flickered when she heard this. “She might have fallen asleep.”

“Why don’t you come out on such a good day and waste your time sleeping?” Yan Qing smiled coldly as if he had sensed something.

As he spoke, he had already stood up and walked towards the guest room.

On the other side, before Xia Jinqi could speak, Yan Youcheng had already called out to him. “Stop! Is Your sister-in-law’s room something that you can enter as you please?”

Knowing the hatred between Yan Qing and Ji Xinyu, Yan Youcheng naturally had to be more cautious.

However, Yan Qing did not care at all. He quickly stepped forward and pushed open the door of the guest room.

“Bang!” The sound was very ear-piercing. It was enough to show how strong he was.

Yan Qing looked inside, but he found that there was not even a single person in the small room!

His face immediately darkened. He turned around and glanced at Xia Jinqi. His veins bulged as he shouted, “where is she?!”

Yan Youcheng was a little confused. He had always thought that Ji Xinyu and the two children were in the guest room. Why did he look like Yan Qing was not there?

### **Chapter 718: If you turn back now, it’s still not too late**

Xia Jinqi fell silent for a moment.

Seeing this, Yan Qing’s eyes instantly became bloodshot!

“Li Dongwen! Come in!”

The unscrupulous roar was deafening!

Outside the door, Li Dongwen's legs trembled and he hurriedly rolled in.

He had thought that there was some sudden situation, but who knew that the three people in the room seemed very calm?

Li Dongwen looked at Yan Qing in confusion. "President, what orders do you have?"

Yan Qing was so angry that his face turned black. He was about to explode on the spot, and Li Dongwen still had the face to ask such an idiotic question? ! !

"Come in and take a look yourself!" Yan Qing shouted again.

Li Dongwen quickly rolled over and stuck his head into the room. His face instantly turned pale.

"where is she? ! You said that she has always been with the old man, now I'm asking you where she is! " Yan Qing roared and kicked Li Dongwen in the stomach ! !

He was very strong, and Li Dongwen even fell to the ground after being kicked.

Even so, Li Dongwen still held his stomach as he carefully looked around the room. "This is impossible! President, my people have been guarding outside the entire time. I didn't see her go out at all. Why..."

As he said this, he suddenly stopped.

Li Dongwen suddenly remembered the trunk that had made him suspicious.

Could it be... ..

Could it be that she had been sent out at that time? ! !

Li Dongwen gritted his teeth, and his resentful gaze focused on Xia Jinqi!

He pointed at the tip of Xia Jinqi's nose and complained loudly, "it's her! President! She let Ji Xinyu go! "

Xia Jinqi didn't seem to deny Li Dongwen's accusation.

She was the one who let her go.

Yan Qing followed Li Dongwen's line of sight and looked at Xia Jinqi.

His red eyes were like a wild wolf. He grabbed her in his mouth. "where is she? ! "

"I don't know either. " Xia Jinqi shrugged with a calm expression.

She didn't know where she was. She had handed her to Huo Ting.

As for where Huo Ting would take them, they hadn't discussed it beforehand.

"Xia Jinqi! I'll ask again, where is he? ! " Yan Qing's emotions completely exploded He didn't care whether the woman in front of him was the love of his life. He only knew that everything he had gone to great lengths to arrange, before he even achieved his goal, his enemy had disappeared without a trace! !  
!

He had come this far for revenge!

If he couldn't take revenge, what was the point of doing all this!

Xia Jinqi remained silent. Her clear and beautiful eyes only coldly looked at all the changes in Yan Qing's expression.

She knew that at this moment, he must be unable to contain his anger, right?

Then, what would he do next?

Kill her?

Or... ..

The Moment Xia Jinqi thought about it, Yan Qing had already walked towards her with quick steps.

His footsteps were extremely fast. He was clearly about ten steps away, but in the blink of an eye, he was already standing in front of her.

Both of his hands fiercely grabbed onto her shoulders. He gritted his teeth and roared, "even you are helping them! Xia Jinqi, you don't care about your children anymore, right? !"

His scarlet eyes were filled with viciousness as they seeped into her clear eyes.

Xia Jinqi was not afraid.

"Yan Qing, if you turn back now, it's still not too late."

"Turn Back? !" Yan Qing sneered. His smile was extremely vicious, but it was also inexplicably painful.

"Tell me how to turn back! Ask Ji Xinyu to return my mother to me! !"

Xia Jinqi looked at his twisted expression, as if she could see his painful soul struggling in hatred.

His heart was really in pain.

### **Chapter 719: Final Battle 1**

During this period of time, Yan Youcheng, who was extremely shocked by everything that had happened before his eyes, finally regained his senses.

From what had happened previously, as well as the fragmented conversation between Xia Jinqi and Yan Qing, he had more or less understood the situation.

Now that he saw Yan Qing acting so crazily, he was finally furious. "Qing 'er! How much longer do you want to cause a ruckus! "

"I'm causing a Ruckus? " Yan Qing sneered as he turned around to look at Yan Youcheng. He did not intend to continue hiding this matter. Since things had already come to this point, then... .. He should completely expose the last layer of window paper ! !

"Ji Xinyu killed my mother. Shouldn't I seek revenge on her? Dad, isn't my mother your woman? Are you going to protect Ji Xinyu like this? "

Yan Qing interrogated one question after another, filled with rage and unwillingness!

Yan Youcheng was furious. He raised his hand and slapped down.

“SLAP!”

Yan Qing’s face was slapped to the side. The burning pain instantly spread.

His ears were also buzzing. He almost broke his eardrum!

An itchy feeling came from the corner of his mouth. Yan Qing reached out to touch it. It was sticky blood.

He stared at the bright red color and suddenly laughed.

“Hit it. Anyway, this body is also given by you.” As he said this, a sinister smile hung on the corner of his lips. “In your heart, we, mother and son, deserve to be bullied. We deserve to be their stepping stones, right...”

“EVIL CREATURE!” Yan Youcheng was so angry that his whole body was trembling. He raised his walking stick and was about to hit Yan Qing’s body again.

But just as he raised his hand, it was immediately grabbed by Yan Qing, and then violently flung away!

Yan Youcheng was still old, and he was no longer the same as before. and Yan Qing was at the time when his body was strong. With this swing, he directly threw YAN YOUCHENG INTO THE SOFA!

“You... you evil creature! Cough, cough, cough!” Yan Youcheng suffered a heavy fall. While he was angry, he began to cough non-stop ! !

“whatever you say.” Yan Qing clapped his hands and looked down at Yan Youcheng. His eyes were rolling with endless hatred and anger “In any case, in your eyes, I’ve never been able to put on a good show. I’ve never been able to compete with Yan Jun. then, open your eyes wide and see who will win this time between me and him!”

“You...” Yan Youcheng clapped his hands on his chest, unable to speak or breathe.

Xia Jinqi hurriedly went forward to help him up. “Grandfather, are you alright?”

Then, she turned back to glare at Yan Qing and said angrily, “No matter what, he’s still your father! Yan Qing, how can you!”

“Ask him if he treats me like a son?” Yan Qing sneered. The hatred and dissatisfaction in his heart had finally been completely vented out!

Just as he finished speaking, Li Dongwen ran over shakily. “President, it’s not good... no, we didn’t find Yan Jun’s two children. They should have left with Ji Xinyu...”

Knowing that he had failed in his task, he had let these people escape. When Li Dongwen spoke, he did not even have the slightest bit of aura. He was even trembling!

He had also experienced the consequences of Yan Qing’s anger!

“What? !” Sure enough, Yan Qing grabbed Li Dongwen’s collar and stared at him with his blood-red eyes. “They all ran away? !”

“...”Li Dongwen was strangled to the point that he couldn’t breathe, and his face began to turn purple.

Xia Jinqi couldn’t stand it anymore and took the initiative to speak. “I arranged for them to leave. Yan Qing, stop. You have no more leverage to blackmail me.”

## **Chapter 720: Final Battle 2**

Her weakness was also Yan Jun’s weakness.

Once Ji Xinyu and the children left, Yan Qing did not have any fighting strength at all!

When Yan Qing heard that, he indeed threw Li Dongwen aside. The veins on his forehead popped out. He quickly walked forward and bent down to look at her. “Do you think that I can’t do anything to you just because you sent them away?”

” ... ” Xia Jinqi looked into Yan Qing’s eyes without any fear. “You don’t want to be in the wrong!”

“It’s you who are in the wrong!” Yan Qing roared. Then, he stood up again and began to pace back and forth in the living room with a straight face.

His eyes were dark, as if he was thinking about something.

Yan Youcheng was completely speechless. He bent his body and breathed with difficulty.

Xia Jinqi looked out of the window and began to calculate the time.

After Huo Ting went out, master Chang Qi should have already received the news.

Yan Jun should be back soon... ..

It was just a short while.

Just a little longer, just a little longer... ..

At this moment, Yan Qing’s footsteps suddenly stopped.

He glanced at Xia Jinqi with a cold smile on his lips. He beckoned for someone to come in. “Li Jie! Come in!”

At the sound of his voice, the man who had been standing guard at the door in his servant’s clothes came in.

Each step of that person, all abnormally heavy, take strong let a person suffocate the killing intent!

Xia Jinqi was the momentum of pressure, looked up at the moment, just on the line of sight of Li Hao!

The look in this man’s eyes... ..

There’s no light. It’s dark. It’s scary. It’s like... .. The reaper from Hell ! !

Heartless, cold-blooded killer!

He walked up to Yan Qing and stopped.

“where is Yan Jun? !” Yan Qing narrowed his eyes and asked.

“In his study,” Li Jie answered, “Li Kui followed him all the way. He won’t make a mistake.”

“Humph! Are you still studying how to deal with me in the study at this time?” Yan Qing smiled wantonly, with a strong dark color, “but unfortunately, I only want to win in one battle!”

With that, he turned around and walked in front of Xia Jinqi.

He took out a small walkie-talkie-like thing from his pocket. It was black, and there was something like an antenna on it.

With a twisted smile on his face, he sat beside Xia Jinqi. “Xiao Qi, let me show you something good.”

“...”Xia Jinqi frowned. She felt that Yan Qing was already a little deranged.

From his expression and tone just now, as well as his changeable anger, it could be seen that his heart was beginning to become abnormal.

Yan Qing did not care whether Xia Jinqi looked at him with vigilance and rejection. He just simply pressed the blue button on the walkie-talkie in front of her.

“Look, you can talk to others by pressing this button.” After saying that, he waved at the walkie-talkie. “Li Hao.”

Xia Jinqi did not know what he was going to do, so she could only stand rooted to the spot.

A reply came from the walkie-talkie very quickly. “Roger.”

It was just a simple word, but Yan Qing smiled again.

He seemed to be in a good mood, and he even taught Xia Jinqi a lesson.

“Do you know the three Li brothers? Li Jie is the eldest brother, this is the person.” Yan Qing pointed at the cold man standing at the side and introduced him to Xia Jinqi. “Zero loss record in close combat, No. 1 pistol within 50 meters, one shot in the head at 800 meters.”

Xia Jinqi still didn’t understand. Why was he telling her all this?

“second brother Li Kui was born with only three fingers, but he is a genius at making poison. He should have thrown the poison gas bullet into Yan Jun’s study by now, right?” Yan Qing spoke very slowly. When he talked about this, he was very pleased and proud.
