Author:?Su Zhishui?MACHINE TRANSLATION

Fifteen minutes later, a Red Maserati convertible picked up Fang Shaoan, who had been abandoned on the highway.

This was Yan Jun and Fang Shaoan's mutual good friend, Zhuge Wentao.

He happened to be nearby and rushed over when he received a call from Fang Shaoan.

As soon as he got into the car, Fang Shaoan couldn't help but complain, "Wen Tao, you don't know that second young master Yan is now placing more importance on his lover than his friend! I just spoke a few more words with his wife and he left me here alone! He doesn't even care about his brother's life! "

As the car started to move, Zhuge Wentao pushed the glasses on the bridge of his nose. He was a little curious about Fang Shaoan's words just now.

"Are you sure he kicked you out of the car for a woman? "

"What else could it be? He even kissed his fianc??e in public on the beach this afternoon! F * Ck, he kissed her for two minutes! It's simply... " Fang Shaoan was now filled with anger that he had nowhere to vent. He was ready to expose Yan Jun's true colors!

It was a waste that he pushed so many beautiful dates today and specially took wedding photos for him. In the end... ... He was actually thrown onto the road ! !

He felt his personality being crushed once again!

Zhugue Wentao raised his eyebrows and muttered with interest in his eyes, "that's really strange. "

"Yeah! When we went out to play in the past, did you see him touch any woman? "

"No. " Zhugue Wentao answered very quickly. He didn't even need to think about it.

"Sigh, a Horny man... "

"..."

Ever since Fang Shaoan was kicked out of the car and Xia Jinqi sat in the passenger seat, she didn't say anything.

It was so quiet in the car that even the sound of each other's breathing could be heard.

Xia Jinqi did not think as much as Fang Shaoan. She only kicked Yan Jun out of the car because she and Fang Shaoan were too noisy.

As for the reason why she was not kicked out of the car, it was probably because he did not bring her home. It was not easy for him to explain himself, right?

In the afternoon, her mother gave her a call, asking her to go home with Yan Jun in the evening.

It seemed that there was something that needed to be communicated between the families... ..

She couldn't care about these things, and she didn't want to. She just wanted to move out of that family after she got married.

As for who her husband was, she didn't mind so much.

Because this marriage without love was destined to be unhappy.

What did it matter who the person she married was?

In silence, Xia Jinqi flipped through the photos on the tablet one by one. Fortunately, Fang Shaoan didn't take this away just now. Otherwise, she would have been so awkward sitting in the car in silence.

As she flipped through the photos, she happened to flip to the photos of her and Yan Jun Kissing... ..

When she saw that scene, Xia Jinqi was stunned for a moment. Then, she tilted the tablet to an angle, not wanting to be seen by the man next to her.

This bastard, that was her first kiss... ..

Even if it was to put on an act for others to see, there was no need to, there was no need to kiss for so long!

She gritted her teeth so hard that they almost broke. Xia Jinqi flipped through ten pages in a row, but she still hadn't finished flipping through the photos of them kissing!

F * CK Just how many photos had she taken?

Her face was burning red. Xia Jinqi didn't even dare to look at those photos that made her blush and her heart beat faster. She could only speed up the flipping of the pages.

It was an indescribable feeling.

Not only did she kiss a man she wasn't familiar with the second time she met him, she even left behind so many photos from all sorts of angles.

Moreover, she didn't hate them at all... ..

After flipping through the photos of the kiss with great difficulty, Xia Jinqi's gaze paused on another photo.

This was... ..

She was dressed in a pink and white long dress. She raised her head and gave Yan Jun a brilliant smile.

And the way Yan Jun looked at her... .. For some reason, Xia Jinqi could actually see an indescribable softness ? ?

If she remembered correctly, when she had teased him back then, she had been feeling smug and had not paid attention to his expression.

She had thought that he must have been unable to contain his anger, but because there were so many people present, she could only suppress her temper.

But she had not expected that he did not seem angry?

She had always thought that that kiss was a punishment for her after he was angry.

If he was not angry, then what did that kiss mean?

Thinking of this, Xia Jinqi reached out her hand to caress her lips again. In an instant, she was a little lost.

When Yan Jun turned his head to look at Xia Jinqi, he happened to see her eyes were empty, and she looked so dazed that she had lost her soul.

He frowned slightly, and his eyes were as dark as the night.

Just now, she and Fang Shaoan were talking and laughing. Why was she sitting next to him so quiet?
