

Trick Me 921

Chapter 921: So what if was for sale?

Seeing this, Ji Yunjing waved his hand and gestured for the two girls to leave. "You two can leave first."

Lili and Qing Huan looked at each other. Their faces were very pale, but they didn't dare to say anything. They quietly got up and left.

After they left, Xia Jinqi pinched the space between her eyebrows and asked Ji Yunjing, "why wasn't there any custom of toasting when we were in Rao city?"

She had received a notice when she was promoted, and it was on the night of her wedding.

"That was just a test." Ji Yunjing looked at Xia Jinqi "Rao Cheng, the elders you met were responsible for the operation of the company. "The real place to spend money is here. "there are 24 casinos, each of which is managed by a person, similar to Qi Maolin. "these 24 people, you have to be able to control them and eat them to death. They were convinced by you, so they notified the elders and asked you to come to Macau to meet them."

"So... they agreed to meet me because they recognized me?" Xia Jinqi really didn't expect that Rao Cheng's so-called Lego was just a formality ...

It turned out that she had yet to get to the bottom of it.

"You can say that. You helped Lego earn a lot of money and obtained the highest level of government documents." Ji Yunjing nodded. Suddenly, he seemed to understand why his grandfather had left Xia Qi by Xia Jitian's side back then.

The relationship between the Xia family was indeed a great help to Lego.

Apart from that, his grandfather had also asked the huo family to move next door to the Xia family. Since Young, he had let Xia Jinqi and huo ting cultivate their relationship.

Lego was originally a place where money was spent, so it only needed military and political support.

Thinking of this, Ji Yunjing curled his lips into a faint smile.

The powerful old man had planned everything from the beginning.

Xia Jinqi thought for a moment and remembered that she had indeed gotten the so-called document from her third brother, Xia Chuanxu.

She hadn't noticed it when she was doing these things in the past, but now that Ji Yunjing reminded her, she came to a realization.

It turned out that these things didn't happen by chance. They were all connected.

After doing all this, a year had passed, and the bosses in Macau finally agreed to meet her.

"I didn't expect the first step to be so difficult." Xia Jinqi suddenly smiled and sighed.

“Many people can’t even reach this first step. Xiao Qi, you’ve done very well.” When Ji Yunjing said these words, he really looked like a big brother taking care of his sister.

Xia Jinqi didn’t say anything. Ji Yunjing glanced around again. “How is it? Have you experienced the life of a man well?”

“As you said, it’s a new world,” Xia Jinqi replied. She thought of something and turned to look at Ji Yunjing. “cousin, then...”

Before she could finish her sentence, she saw Ji Yunjing turning his head to look at a place in a daze.

Xia Jinqi followed his line of sight and realized that the girl called Qing Huan, who had just left their place, had been brought to the table next door.

The guests at that table were all greasy old men. Two of them were bald, and the other was pregnant. They were all smiling wretchedly.

The pregnant man stared at Qing Huan and drooled. After saying a few words to mother sang, he directly pulled Qing Huan into his arms and started touching her.

Qing Huan’s face was filled with fear. She wanted to escape, but another bald man held her hand.

Xia Jinqi was slightly shocked. “What... will she do?”

“She’s a prostitute. What can she do?” Ji Yunjing replied indifferently. He picked up the beer on the table and downed it in one gulp.

Chapter 922: Miss Qinghuan, tonight she belongs to me

Xia Jinqi’s eyebrows twitched when she heard Ji Yunjing’s cold words.

It was not that she did not know what Qinghuan’s profession represented.

She did not dislike it. After all, she did not burn, kill, pillage, or commit any evil deeds. They relied on their own abilities to earn a living.

However, seeing such an innocent young lady being spoiled by these few bad old men, she felt more or less regretful.

Xia Jinqi turned around and looked at the two bodyguards behind her. Suddenly, she asked, “cousin, if I cause trouble here, will I be able to suppress it?”

Ji Yunjing was slightly stunned. She looked up at Xia Jinqi, who had already stood up. Although she didn’t understand what she meant by this question, she still nodded and said, “yes.”

Not to mention this small bar, even the entire underworld in Macau had to bow down before Lego!

“That’s good.” Xia Jinqi nodded and walked towards the table next door.

Ji Yunjing hurriedly stood up. “where are you going?”

“To experience the new world.” Xia Jinqi curved her lips into a smile. The corners of her eyes were slightly raised. She was both good and evil.

“...” Ji Yunjing still did not understand what she meant. While she was slightly stunned, Xia Jinqi had already walked to the table next door. She coughed lightly and said in a clear voice, “I’m sorry, sir. Miss Qing Huan, it’s mine tonight.”

The moment she said this, the few people on the table all looked at Xia Jinqi in unison. Even the few people who passed by stopped and watched.

At first glance, everyone was surprised by the remarkable figure of the youth in front of them.

His handsome facial features, perfect face shape, and fair skin complemented his Pale Pink Lips. He really was a young man with a jade face who had walked out of a painting.

Especially when she tilted her head slightly, her left ear was flashing with a dazzling diamond earring, emitting a mysterious sapphire-blue glow... ..

This unruly young man was really handsome beyond compare.

At the second glance, someone started to sigh softly. nDve(Lb-In

“Who is this little brother? He actually dares to snatch brother Kang’s girl! Who doesn’t know that in our territory, brother Kang has always been unruly?”

“I don’t know. He looks rather unfamiliar, and he’s also quite young.”

The old man with a big belly was brother Kang, and the other two were friends he brought with him.

They had been staying here for a long time. The new sisters that mother sang brought in were all for them to choose from. However, Xia Jinqi and the others came early tonight, and they had an extraordinary temperament. Mother Sang introduced Qing Huan to Xia Jinqi first, wanting to hook up with two more rich men.

Unexpectedly, Xia Jinqi didn’t like Qing Huan after that, so mother sang took her to meet a new customer.

Who knew that when they were almost done here, the young master from before jumped out again?

Seeing brother Kang’s expression change, Mamasan hurriedly tried to persuade Xia Jinqi, “young master, weren’t you... not satisfied with Qinghuan just now...”

Mamasan’s voice became lower and lower. Although she didn’t know Xia Jinqi’s background, she didn’t dare to provoke her.

She came to this area because she was low-ranking. Which one of them wasn’t an influential figure?

She relied on these important figures to give her a living. She didn’t want to be inexplicably hacked to death when she walked on the street one night.

“Did I say that I’m not satisfied with her?” Xia Jinqi glanced at Mamasan from the corner of her eyes. When she opened her mouth, her voice was bone-chilling.

Sensing Xia Jinqi's anger, her mother immediately stopped talking and didn't dare to say anything more.

On the other side, brother Kang was also angry. PA! He slammed the table and stood up, pointing at the tip of Xia Jinqi's nose. He said fiercely, "where did this immature child come from? Do you want to die? !"

Chapter 923: as long as you stand here, it's a kind of faith! '!

Xia Jinqi didn't even frown. She directly passed him and looked at Qing Huan, who was being pressed into the sofa by the two baldies.

"Are you willing to follow him or me?" Xia Jinqi narrowed her deep, watery eyes. Her tone was thirty percent serious and seventy percent frivolous.

Her hands were coolly tucked into her trouser pockets. Standing there casually was already a natural scenery.

In addition to that, she had an outstanding cold and cheerless Aura, which made her look even more beautiful and elegant.

Qing Huan Shivered. She wanted to say something, but the bald old man glared at her. She didn't dare to say anything, but tears kept rolling in her eyes. **no v E.lb-1n**

"Of course it's with me!" Brother Kang said firmly. He took a step forward, and his fat belly swayed with him, especially rhythmically.

This time, Xia Jinqi didn't have to say anything. The people around them were already sighing.

"only a fool would choose brother Kang, right? A discerning person would know at a glance that it's time to follow the little brother!"

"Right! I'm standing on the little brother! He's shockingly handsome!"

Brother Kang's face turned red as he vented all his anger on Xia Jinqi. "Brat! Do you know who your brother Kang is? HURRY UP AND GET LOST! Otherwise, I'll just move my little finger and I'll kill you!"

Xia Jinqi couldn't be bothered to waste her breath on him. She directly took a step back, and the two bodyguards behind her immediately understood. They rushed up and gave brother Kang a Hook Punch in the face!

"Ah!" Brother Kang screamed in pain, and the lackeys behind him immediately rushed up and fought with the bodyguards.

When Xia Jinqi retreated, she happened to be standing next to Ji Yunjing.

Ji Yunjing took out a cigarette and took a deep breath. "You're quite skilled!"

When he saw Xia Jinqi's appearance, he thought that she would need some time to get used to it. He didn't expect her to play so big on her first night here?

“This is why GRANDPA found me a hypnotist, right?” Xia Jinqi smiled. There was no fear in her eyes. Instead, she was a little excited.

That hidden personality really helped her a lot.

Since she had already come to her territory, how could she meet the managers of the 24 casinos if she didn't make some noise?

Ji Yunjing didn't answer. He took a deep breath and looked at the situation in front of him with a frown.

It was obviously a mistake to bring only two bodyguards. Brother Kang had seven or eight men under him.

The bodyguards didn't gain any obvious advantages in the scuffle.

He immediately narrowed his eyes. “Xiao Qi, remember, you're a leader. No matter what happens, you can't panic. You don't have to do anything. As long as you stand here properly, you can become the faith of your subordinates.”

After saying that, she took a deep drag on her cigarette and threw the cigarette butt away. When she passed by the wine table, she picked up a bottle casually, grabbed the opening of the bottle, and smashed the bottom of the bottle onto the table!

After a crisp sound, a sharp or sharp crack appeared on the glass of the wine bottle. It refracted the flickering light above her head, giving off a soul-stirring chill!

While Xia Jinqi was stunned by what she saw, Ji Yunjing had already swept away the henchmen who were protecting brother Kang. He jumped up and directly stabbed the beer bottle into brother Kang's chest!

“Ah! !”

“save brother Kang!”

Screams, roars, and hammering sounds could be heard.

The scene was once again extremely chaotic!

Xia Jinqi held her breath. Her hands, which were in her trouser pockets, were already slightly clenched.

She had long known that Ji Yunjing had the darkness attribute. She had known since the last time he secretly kidnapped Xia Tianjiao and Yan Qing... ..

Chapter 924: “the woman I like is also someone you can lay your hands on?”

However, at that time, she had never seen Ji Yunjing personally take care of her.

But this time... ..

Ji Yunjing released the bottle of wine that had already sunk into brother Kang's chest. He flew up and kicked brother Kang to the side. Then, he turned around and punched one of the lackeys on the left.

His movements were smooth and smooth.

At this critical moment, one of the lackeys on the right who was knocked down by the bodyguard suddenly woke up. He raised a chair and smashed it at JI YUNJING's back!

"F * CK..." Xia Jinqi wanted to warn him, but just as she was about to say something, the chair in the lackey's hand had already fallen. With a clang, it smashed onto JI YUNJING's back!

Ji Yunjing's footsteps swayed from the impact... ..

Xia Jinqi's heart tightened, and she instinctively wanted to rush over.

However, her feet felt as if they were filled with lead. They were incomparably heavy, and she couldn't move a single step!

Ji Yunjing's words just now were still echoing in her ears... ..

"You are the leader of Lego. No matter what happens, you must not panic! Standing here properly is the faith of your subordinates!"

Xia Jinqi bit her lower lip and understood Ji Yunjing's meaning... ..

He had come to the end to test her!

There would be more of such things in the future, and she had to get used to it as soon as possible!

The people around her were almost dumbfounded... ..

The Group of people in front of her were fighting and killing each other, and the young man next to him was actually calm and unmoving as he watched this scene.

Everyone was secretly guessing who this young man was? ! !

Apart from these, Ji Yunjing's side was still in full swing!

Seeing that brother Kang had fallen, the two bald men panicked. They pulled Qing Huan's arms and wanted to leave quietly.

Ji Yunjing had sharp eyes and immediately noticed. He ran over in two or three steps, knocking down one on each side and snatching Qing Huan over to protect his back!

"Are you alright!"

"No..." Qing Huan shook his head. When she looked up to see that the tall man who had protected her was covered in blood, she choked and said, "you... you lost a lot of blood..."

Ji Yunjing didn't care much. When he heard that she was fine, he frowned and looked in front of her again.

There were only two or three lackeys left. If one of them rushed over, he would take care of the other.

Before long, a lot of groaning lackeys were lying on the ground.

After everything was over, Xia Jinqi took a few steps forward and coldly glanced at brother Kang who was lying on the ground and wailing.

He was screaming miserably. In fact, when the glass bottle pierced his chest, it was almost broken. At most, it was just a superficial wound. A little blood wouldn't be a big problem.

Xia Jinqi looked down at him condescendingly. "The woman I like is also someone you can touch?"

Her deliberately lowered voice was not as clear as before. Instead, it had a full texture. It sounded like a piece of ice that entered her heart and was quite intimidating!

"I don't dare anymore... I don't dare anymore..." brother Kang rolled on the ground, blood dripping all over the floor ...

Seeing this, Xia Jinqi walked around him, held Qing Huan's hand, and walked out.

Qing Huan did not dare to refuse. She only glanced at Ji Yunjing with a timid look.

There was still a lot of blood on his body... ..

Ji Yunjing seemed to be very satisfied with Xia Jinqi's actions just now. He threw away the steel rod that he had snatched from his henchman and tidied up his suit before following Xia Jinqi.

The two bodyguards also quickly passed through the crowd and chased after them. n))o-
/v).e//l()b/.l).n

This group of people came and went quickly.

If it were not for the group of people who were still groaning on the ground, the surrounding crowd would have thought that everything that happened just now was just their imagination... ..

It was simply too damn cool!

Chapter 925: was brought into the car by a strange man

The owner of the nightclub immediately rushed over and got someone to send brother Kang to the hospital. Then, he looked in the direction where Xia Jinqi and the others had left and frowned.

"These people look unfamiliar. Go and find out who they are! How dare they behave atrociously in my territory!"

"Yes, boss!"

"..."

As soon as Xia Jinqi walked out of the nightclub, she immediately turned around to help Ji Yunjing. She asked anxiously, "cousin, are you alright?"

Ji Yunjing glanced at her and frowned slightly. "Pay attention to your identity."

He was quite domineering just now. He broke his technique the moment he came out, but he wasn't handsome for more than three seconds.

Xia Jinqi saw him look at Qing Huan again and instantly understood that there were still people in the audience.

Ji Yunjing wanted her to let go and not support him, but Xia Jinqi pretended not to see him and directly helped him to the road.

The car that came to pick them up had already stopped by the road. Xia Jinqi helped Ji Yunjing into the car and asked Qing Huan to sit next to Ji Yunjing while she went to the passenger seat.

The reason for this arrangement was... .. Xia Jinqi felt very awkward when she sat next to Qing Huan ! !

Since Ji Yunjing was so good at dealing with women, she would hand Qing Huan over to him!

Ji Yunjing's back was injured, and a large gash was cut on his left arm. He had already used the torn sleeve of his shirt to wrap it around a few times to stop the bleeding.

Most of the blood on his shirt belonged to someone else, so Ji Yunjing was still very conscious.

He closed his eyes and pretended to sleep.

The little girl sitting next to him looked very uncomfortable.

The fight just now, which she had never seen before, was already in a state of shock, and now was taken to the car by a strange man, although this is her savior... ..

But... .. thinking of Ji Yunjing's ruthlessness just now, Qing Huan could not help but be afraid. At this moment, sitting beside him, he was already as if he was facing a great enemy. He did not even dare to move, and his heart almost jumped to his throat ! !

Have a nice, quiet trip.

A car went straight to JI YUNJING's place.

In the past few years, Xia Jinqi had never set foot in a casino in Macau. Ji Yunjing was the one who helped manage all of this, so he actually had a place to stay here. It was just that it was more secretive and he didn't stay there often, so no outsiders knew about it.

Although it was just an apartment, the area was not small, and it was a high-end Duplex House.

As soon as she entered, Ji Heng's grandfather's call came, and Xia Jinqi went to the next room to answer it.

Ji Yunjing went straight to the first-aid kit at home and began to treat the wounds.

The bodyguards were all injured, and only Qing Huan stood by the side, not knowing where to put his hands and feet.

It was not until she saw Ji Yunjing roll up his sleeves that she couldn't help but ask, "sir, why don't we go to the hospital?"

She then saw that the wound on Ji Yunjing's arm was at least 16 centimeters long, about the length of the palm of an average-height girl.

How should she treat such a wound?

She had to go to the hospital for suturing.

Ji Yunjing just looked up at her indifferently and said nothing.

She had never seen a gangster who dared to swagger into the hospital after blatantly causing trouble.

She was indeed a naive girl.

Ji Yunjing stopped the bleeding as if there was no one else around. He took out the forceps and thread from the medical kit and sutured the wound with one hand.

He was not very fast. Every time he made a stitch, he tied a knot.

Every time he tied a knot, a large amount of sweat would drip down his forehead.

Qing Huan was dumbfounded.

She did not see Ji Yunjing do any anesthetic treatment and just started to do it.

Chapter 926: Crying for you

So painful... ... He actually endured it just like that ? ?

Qing Huan looked up and unsurprisingly saw Ji Yunjing's tightly clenched jaw and his forehead full of sweat.

He didn't even Moan, not even a frown... ...

What kind of person was he exactly?

Unconsciously, she took out a tissue and wiped the sweat off Ji Yunjing's forehead... ...

Ji Yunjing's wound was just halfway closed, and the sensitive touch was sending pain messages to his limbs and bones.

But he gritted his teeth and didn't allow himself to make any sound.

It was when the pain was unbearable that the gentle touch on his forehead attracted his attention.

He subconsciously looked up and saw a pair of bright red eyes, which were shrouded in mist. With a gentle blink, a bean-sized tear rolled down and fell on Ji Yunjing's right hand.

It was a very strange feeling.

The tear was so small and light, as if it had fallen directly on his heart. It carried a boiling temperature and instantly burned his heart.

"Are you hurt?" Ji Yunjing raised his eyebrows strangely. He thought that she was hurt somewhere, so he cried in pain.

Qing Huan shook his head.

“Then why are you crying?” Ji Yunjing asked again. At the same time, he lowered his head and continued the unfinished suture.

The surgical suture had just pierced through the flesh, but the sobbing voice of a little girl came into his ears. “You’re hurt.”

Ji Yunjing’s hand suddenly froze.

His deep eyes suddenly flickered.

So, she was crying not because she was hurt, but because he was hurt?

Ji Yunjing looked up at her again, and the look in his eyes was no longer the same as before.

After so many years, the number of injuries on his body was countless. He had long learned how to treat his own injuries.

Moreover, such pain was just a common occurrence to him.

There had never been a woman who cried for him.

And this feeling did not seem to be annoying.

“What’s your name?” Ji Yunjing lowered his eyes again and asked as he continued to suture.

He knew that girls in this line of work used stage names in front of their customers, and he had never cared about their names. n).O()v-(e/-ℓ-.B.(l/.n

But this time was different.

He suddenly wanted to know her real name.

Qing Huan was stunned for a moment, thinking that he was asking for his full name, so he said, “my name is Ye Qinghuan.”

“Real name?” Ji Yunjing was a little surprised.

“Yes.” Ye Qinghuan nodded. It was her first time out, so she did not know that she needed a stage name or something, so she just told him honestly.

Ji Yunjing did not ask any more questions. Instead, it was Ye Qinghuan who saw Ji Yunjing’s needle after needle and asked curiously, “Do you feel pain?”

“No,” Ji Yunjing said in a low voice, but the blue veins on his forehead completely betrayed him.

Ye Qinghuan knew that he was in a lot of pain, but he did not know what to do to help him. He could only clumsily breathe softly beside him.

When did she bump into anything? This was how she alleviated the pain.

Ji Yunjing felt the breeze. The pain did not ease, but his heart that was anxious because of the pain felt like the breeze caressing the willow and the drizzle hitting the Lotus.

It miraculously calmed down.

It felt like it really did not hurt as much anymore... ..

Ji Yunjing finally let out a sigh of relief after the last stitch was done.

Xia Jinqi had already finished answering the phone and walked out.

Hearing the footsteps, Ji Yunjing quickly disinfected the wound and covered it with gauze before starting to bandage it.

It was just a small wound. If she were to see it, she would probably blame herself for a long time.

Chapter 927: I will become your shadow

When Xia Jinqi came out, she happened to see Ji Yunjing putting on his coat casually.

She quickened her pace and almost trotted over. Frowning, she asked, "where are you hurt?"

"It's just a superficial injury." Ji Yunjing changed the topic and got up to walk to the sofa at the side.

Under the light, his face was pale, and his thin lips were as pale as water.

Unexpectedly, Xia Jinqi asked, so Ji Yunjing looked at Ye Qinghuan. "You go upstairs first."

"..."Ye Qinghuan nodded and went upstairs obediently.

Seeing this, Xia Jinqi walked over to Ji Yunjing's side and sat down. "cousin, do you really not need to go to the hospital?"

"I know my body." Ji Yunjing nodded.

"I'm sorry." Xia Jinqi lowered her head and apologized in a deep voice. "I shouldn't have caused trouble."

She had only wanted to take Ye Qinghuan away, but who knew that there would be a fight later, and she did not expect Ji Yunjing to do it personally.

When Ji Yunjing heard this, he more or less sighed.

He turned around and used his right hand to stroke Xia Jinqi's drooping head "Our circle is like this. You did very well just now. I'll get someone to spread the news about tonight and announce your identity at the same time. Those who are curious about you should already have a rough idea. You're not someone to be trifled with."

Xia Jinqi was considered a newcomer. In order to gain a firm foothold, besides her achievements in Rao city, she also needed to cultivate her own personal charisma.

This sort of thing was especially simple when it came to the underworld.

They would compete to see who had more courage and who had more subordinates.

Xia Jinqi gritted her teeth slightly, but she still couldn't bear it.

Seeing that she was silent, Ji Yunjing continued “The noble bear the responsibility, and the ruler must make sacrifices. “If you cower because of your current weakness, Lego will be leaderless all year round, and there will be civil strife one day. “when the time comes, when the clan fights, or when the opponent takes advantage of the situation, there will be even greater sacrifices. ”

” ... ” Xia Jinqi understood all this, but when she saw that Ji Yunjing was going to risk his life for her because of her words, she couldn’t bear it. “cousin, why can’t you be the leader? I think you’re more suitable than me. I... ”

Ji Yunjing immediately shook his head and interrupted her.

“Xiao Qi, you should have known long ago. Any force that wants to dominate an area can’t just walk in the underworld or the white path.

Even Yan Jun, he has both the underworld and the white path. Otherwise, he wouldn’t have grown to where he is today.

And our Lego, on the surface, still has a decent company that provides large amounts of funds for the government. This requires the support of people in the white path. Your relationship with Xia Jitian and Xia Chuanxu makes it so that only you can be qualified for this position.

As for me... ... I will become your shadow ...

I will do those dirty and shameful things in the dark for you.

Xiao Qi, we are brother and sister. Light and darkness depend on each other, so we can last for a long time. Do you understand?”

“...”Xia Jinqi really wanted to say that she didn’t understand.

Her face darkened, and she said in a Huff, “I can’t do it. You let me carry this superficial reputation and enjoy being high and mighty, while you fight and fight in the dark, risking your life. ”

It was just a huff, but it was taken seriously by Ji Yunjing.

He frowned and turned around. He grabbed Xia Jinqi’s arms and looked into her eyes. “You must do it! ”

Xia Jinqi was stunned.

She had never seen her cousin speak so harshly to her... ...

Chapter 928: the person who caused a Ruckus tonight was called Xia Tian

Seeing that she did not speak, Ji Yunjing raised his voice again and said sternly, “if every general on the battlefield is like you, afraid to deploy troops because they are unwilling to bear the loss of soldiers, then no matter how powerful a country is, it will eventually be destroyed! ”

“...”

“As a descendant of the Ji family, this is your inherent responsibility! ”

"I... " Xia Jinqi's eyes were still flickering.

"promise me, you must do it!" Ji Yunjing's burning gaze stared at Xia Jinqi, not allowing her to dodge or evade.

Xia Jinqi had never seen such a serious Ji Yunjing.

She looked straight into his deep black eyes, and somewhere in the bottom of her heart was violently touched!

A surge of hot blood surged into her heart.

Just like that, she solemnly nodded in front of Ji YUNJING'S UNWAVERING GAZE!

This heavy responsibility, the responsibility she had always wanted to get rid of... ..

She thought that she could easily throw the burden to Ji Yunjing. She had never even taken lego seriously, and even thought of stopping after two years.

It was she who forgot her identity and the responsibility she should bear!

Now that things had come to this, she had no way out. No matter how difficult it was, she had to face it head-on!

Seeing this, Ji Yunjing finally let go of Xia Jinqi. He closed his eyes to sort out his emotions and said in a gentle voice, "Xiao Qi, don't blame me."

Xia Jinqi shook her head and said in a heavy tone filled with self-blame, "cousin, you're not wrong. I was too naive. I know that you and grandfather put in a lot of effort to cultivate me."

"actually, you did very well at the nightclub just now. You should know that when I first came here, I wasn't as domineering as you." Ji Yunjing was not stingy in praising Xia Jinqi. At the same time, she also remembered how ignorant she was when she was young, and she couldn't help but laugh at herself.

Thinking of what happened just now, Xia Jinqi glanced at the second floor and asked weakly, "then... What about Qinghuan?"

"What about the person you brought back?" Ji Yunjing turned back to look at her.

"I... I can't do anything to her..." Xia Jinqi coughed lightly and smiled slyly. "So, I'll leave her to you, cousin. You see, you live alone anyway, and you need someone to take care of you..." n)/o-(V))E..l)(b..1/(n

Ji Yunjing said, "... If you can do anything to her, you really want to do something to her?"

"Aiya, cousin, I can't beat you in tongue twisters. Your two nephews are still waiting for me at home. I'll leave first!" Xia Jinqi didn't care about that and smiled as she stood up and left.

In the blink of an eye, the culprit disappeared without a trace.

Ji Yunjing looked at the empty living room and suddenly felt helpless.

The pain in his left hand was still spreading. He took out his phone and gave a few simple instructions.

“spread the news. The person who caused a Ruckus tonight is called Xia Tian. ”

After that, he dragged his slightly heavy and tired body upstairs.

There was no one in the living room, and Ji Yunjing did not think too much about it. He was extremely tired. Because of his injury, his body was already starting to heat up slightly.

He turned around and went to the bedroom. He did not open the door. He walked to the bedside using his memory and the faint moonlight that shone in through the window. Then, he laid down.

He was tall and mighty. When he laid down, it made a lot of noise. Ye Qinghuan, who was beside him, was immediately woken up.

“Ah...” she was so scared that she screamed. When she got up, she didn’t notice and almost rolled off the bed.

Chapter 929: She did not know what had affected her heart

Ji Yunjing frowned slightly and turned on the table lamp beside the bed.

The dim yellow light instantly reflected the girl’s fair and delicate face.

Ye Qinghuan rubbed her elbow that had been bumped. When she looked up, she met a pair of dark eyes.

“Why are you here? ”

“I... I’m sorry, sir. I didn’t know this was your room. I’ll go out immediately...” Ye Qinghuan hurriedly apologized. She stood up and was about to walk to the door ...

“Wait. ” Ji Yunjing called out to her.

Ye Qinghuan immediately stopped in his tracks and froze on the spot.

“Come here. ” Ji Yunjing was half-lying on the bed. His sharp gaze fell on the girl in front of him.

Ye Qinghuan bit his lower lip slightly and moved over bit by bit.

She didn’t stand up and look down at him. Instead, she obediently squatted down.

Her eyes were still lowered, like some poor little animal. Her face was a little Pale, and her long eyelashes were still wet with tears.

Ji Yunjing looked a little annoyed. He hated women crying the most. “What are you crying for again? ”

Ye Qinghuan sniffled and didn’t say anything.

After a moment of silence, Ji Yunjing lost his patience. He turned around and opened the drawer of the bedside table. He took out a bundle of hundred-dollar bills and threw it to her. “You can go. If you dare to say a word about what happened tonight, I’ll cut your tongue out! ”

With his status, it was common for him to fight and kill all day long. It was hard to guarantee that something would happen one day, so he hid a large amount of cash and guns at home just in case.

Ye Qinghuan's hands tightened. When she lowered her head to look, her eyes that were already big instantly widened!

"Sir, this... This is too much... "

This money was worth 10,000 yuan per bundle.

Ye Qinghuan heard from Lili that the most generous customer she had ever met, Bao Ye, was only worth 1,800 yuan.

And she didn't do anything... ... Taking this money, she felt a little uneasy ...

Ji Yunjing didn't have the heart to argue with her about this. He just waved his hand and lay down.

Ye Qinghuan knew that he was complaining that she was too noisy, so he didn't say anything more. He could only carry the money and quietly leave.

When she went downstairs, she found that the people in the room had all left. It was dark everywhere, so quiet that it was frightening.

Remembering the way she came, she quickly found the door. The moment the door opened, her movements stopped.

She turned back to look at the empty darkness behind her. She did not know what was pulling at her heart.

After hesitating for a moment, Ye Qinghuan quietly withdrew the hand that was holding the door handle.

She returned to the living room, put down her bag, and walked upstairs.

She had received so much money for no reason. No matter what, she should have taken care of him for a night.

When she left just now, he looked so pale.

And the wound on his arm, it was so shocking... ...

She really could not leave with peace of mind.

At least, she could ask him if he was better, if he was hungry, if he wanted to eat something. n//o(/v)-e/).-b.-1-n

With such a grateful heart, Ye Qinghuan walked to the door of Ji Yunjing's bedroom.

Knock, knock, knock... very quietly, she knocked on the door. Ye Qinghuan asked in a low voice, "sir, does your wound still hurt? "

There was no reply from inside, not even any movement.

Ye Qinghuan frowned and listened carefully, but there was still no response.

Was She asleep?

After hesitating for a moment, she pushed open the door that was ajar and walked in.

In the dimly lit room, Ji Yunjing was lying alone on the wide bed, lying on his right side.

When she got closer, she saw his tightly furrowed brows and Crimson cheeks.

“Sir? ” Ye Qinghuan hurried over and reached out to touch JI YUNJING’s forehead. Only then did she realize how hot it was.

Chapter 930: was held by a man’s hand for the first time

Ji Yunjing had already fallen into a deep sleep and did not have any reaction. He only furrowed his eyebrows tightly and did not show any intention of letting go.

As strong as he was, he did not allow himself to Moan even in his sleep.

Ye Qinghuan’s heart was also pulled up at once.

She immediately got up, went to the bathroom to fetch water, and took out a clean towel.

After wringing the wet towel dry, she placed it on Ji Yunjing’s forehead and repeated the process.

Soon, the water was no longer cold, so she went to get another basin.

She knew that the wound on Ji Yunjing’s arm had just been sewn up, so it was normal for the body to recover and the tissues to heal, causing fever. However, when she saw how uncomfortable he was, she could not help but redden her eyes.

She saw that the knife in the henchman’s hand was waving at her.

At that time, in order to protect her, Ji Yunjing had cut her crotch.

She did not understand... ..

To put it bluntly, she was just a prostitute.

With such a lowly her, why did this gentleman still save her?

When she was brought back by them, she was already mentally prepared.

But who knew that not only did they not do anything to her, they even gave her such a large sum of money... ..

These people seemed to be completely different from the customers that Lili described to her.

“WATER... ”

A broken murmur disturbed ye Qinghuan’s thoughts.

She immediately came back to her senses and looked left and right, but she didn’t find any water.

She could only stumble downstairs and find a bottle of water in the refrigerator in the kitchen.

Just as she poured it out, she touched it, but it was too cold. She carefully heated it up before carrying the cup upstairs.

“The water is here, sir.” Ye Qinghuan carefully helped Ji Yunjing up. After feeding him more than half of the cup of water, she helped him to lie down properly.

Who knew that his hand, which was about to be withdrawn, was grabbed by him.

“Sir...” Ye Qinghuan was shocked. She tried to withdraw her hand, but found that Ji Yunjing’s brows were knitted tightly when she moved slightly. Moreover, he actually used his left hand... .. n)/o- (V))E..l)(b..1/(n

Ye Qinghuan did not know why he had such strength even though his hand was injured so badly?

She was afraid that it would affect his wound, so she could only freeze and did not dare to use any more strength.

As for Ji Yunjing... He almost unconsciously finished drinking the water. He only felt that there was someone beside him taking care of him ...

Perhaps he was greedy for this warmth, so he subconsciously reached out to grab it.

Who knew that this grab did not miss.

This was hard on Ye Qinghuan.

At that time, she was so embarrassed that her face was red. She did not even dare to look at Ji Yunjing who was lying on the bed. Even though he was in a coma at the moment, even if she did something, he would not know.

This was the first time she was held by a man’s hand... ..

The cold hand that was soaked in cold water was wrapped in his boiling hot palm, and it was so hard... ..

She did not even dare to sit beside Ji Yunjing’s bed without permission. She could only maintain a half-kneeling position, struggling to maintain it.

Until the bent legs began to go numb, she just clenched her teeth and punched lightly, and then changed to another position, without a word of complaint.

At least, she kept her innocence.

Plus, I got the money.

With this kind of money, the loan sharks won’t come knocking every now and then.
