

## Trick Me 941

### Chapter 941: I'll go pick her up

Otherwise, she wouldn't have spoken so calmly, even with a tone of criticism.

Xia Jinqi felt a little sour in her heart, and she didn't feel good about it.

But in the end, she didn't say anything. She just placed a stack of money on the table. "Tell me her contact information."

Lili glanced at the money on the table and happily wrote a string of numbers and an address.

After getting what she wanted, Xia Jinqi didn't stay any longer. She bade boss Qian farewell and left with Ji Yunjing.

Back in the car, Xia Jinqi had just fastened her seatbelt when Ji Yunjing received a call from Ji Heng's grandfather.

"Grandfather. Yes, she's here," Ji Yunjing answered as she turned to look at Xia Jinqi. "Now? Okay, I'll get someone to send her over."

She hung up the phone after a few words.

Xia Jinqi heard the entire conversation and hurriedly asked, "what did grandfather say?"

"He wants you to go back now." Ji Yunjing didn't know much, so she turned to Xia Jinqi and stretched out her hand. "Give me the address. I'll go pick her up."

She handed the note over in a daze. Xia Jinqi raised her eyebrows in confusion. "Why don't we get the bodyguards to pick her up?"

It was just picking up a person. She didn't expect that her cousin would volunteer himself?

She felt that it was a bit overkill to ask him to pick up a person.

Ji Yunjing answered coolly, "I happen to be free today. I'll go pick her up. I don't want you to be worried."

"Oh..." Xia Jinqi nodded and got out of the car.

What could she be worried about?

When she got into the second car, Xia Jinqi suddenly realized that her cousin wanted to go, right?

And he had to be so proud to say that he wanted her to be at ease... ..

It seemed that something special happened last night.

Ji Yunjing sat in the car and waited for Xia Jinqi's car to leave. Then, he unfolded the little note with Ye Qinghuan's address on it.

After taking a look, he turned on the navigation.

Looking at the distance, Ji Yunjing came back to his senses. Was He possessed?

He actually took the initiative to pick her up... ..

Forget it. Since she was someone useful to Xia Jinqi, it was only right for him to pick her up personally.

As he consoled himself, Ji Yunjing stepped on the accelerator and drove towards the route planned by the navigation system.

After about forty minutes, they finally entered an extremely narrow alley. They could only pass through a small car at a time.

Ji Yunjing got out of the car and carefully sized up the Shabby Alley.

The road surface was uneven, and the buildings on both sides were dilapidated. It was like an old house from decades ago. The windows were all heavily corroded and anti-theft windows protruded out.

The walls were black and gray in color, and occasionally, one or two cracks could be seen.

As he walked in, he could see some buildings that were only about a meter apart from each other. There was a steel wire in the middle, and there were a few children's clothes hanging below. They were all washed white, and there were even some patches.

Obviously, this was a slum area.

Ji Yunjing walked for a long time, but he still couldn't find building 23.

He only found building 22 and building 24 that were close to each other.

However, there was a sudden entrance between the two buildings.

The entrance was only one meter wide, but it was seven or eight meters deep. The space above his head was also full of clothes.

The sunlight couldn't get in, causing the end of the road to look extremely dark.

Ji Yunjing frowned slightly and walked straight in without hesitation.

After walking through the long corridor, he found that there was another building hidden behind the original building.

## **Chapter 942: I'll go with you!**

There was a corridor on the outer edge of each floor of the seven-story small building, and there were doors every three to four meters.

There were about ten doors on the first floor, which was a typical old rental house. n--σ.-V-(ε-/ℓ-.b(/l./n

When he got closer, he saw that the entrance of the stairs on the first floor was marked with a big 23 in red paint.

Ji Yunjing took out the small note again and dialed the number on it with his mobile phone.

“Du... Du...” it was connected, but no one answered ...

His jaw was a little tense.

Lili only wrote down which building it was, but she didn't write down the house number. There were so many residents here. Was she going to let him knock on the door one by one?

Why didn't she pick up the phone?

Just when she was a little angry, someone opened the door upstairs. There was a loud bang.

Then, someone shouted, someone cried, and the sound of someone being dragged was heard.

“If you don't have money to pay me back, I'll use your brother to pay the debt!”

“Sis, save me... SIS...”

“Let go of my brother! He's still young!” Ye Qinghuan's voice was hoarse and sorrowful. “I already gave you 10,000 yuan. Isn't that enough?!”

Hearing this, Ji Yunjing's eyes darkened, and he walked upstairs.

At this moment, upstairs, a greasy fat man wearing short-sleeved shorts was holding a little boy who was about seven or eight years old, spitting on the ground with a fierce expression “Bah! Are you kidding me? Do you know how much your father owes me? 300,000 yuan! He can't even pay me back when he's dead!”

“SIS...” The little boy trembled, not daring to resist. He could only stare at Ye Qinghuan, as if he was badly frightened.

How could Ye Qinghuan just watch them take his brother away?

She wiped the tears from the corner of her eyes and suddenly said, “I'll go with you. You let my brother go!”

Fatty's pupils dilated immediately when he heard this. His wretched gaze kept lingering on Ye Qinghuan. “really? You're willing to go with us?”

Fatty had another subordinate beside him who was also very big. When he heard this, he also started to size up Ye Qinghuan. “boss, if we capture her, she'll be worth more than this little brat! Before we sell her, we can still play by ourselves!”

“Kid, your reaction is pretty fast!” Fat boy laughed along and pushed the little boy back. “Come on, let's change!”

The little boy ran two steps forward and threw himself into Ye Qinghuan's arms. “Sis, don't go, don't go...”

Ye Qinghuan gritted her teeth and lowered her head to hug the little boy. “Qingzhou, be good. You'll go back to school later and don't come back for a while.”

“I don't, SIS. They're all bad people, don't go...” the boy started to sob, but Ye Qinghuan let him go and walked towards fat boy.

Fatty looked at Ye Qinghuan's fair little face and almost drooled. He reached out to touch Ye Qinghuan's chin. "What a pretty girl! She's still a virgin, right?"

Ye Qinghuan tilted his head to avoid him, and fatty came to grab her hand again. "Her little hands are also tender and tender. The taste will definitely be intoxicating..."

The unbearable obscenities fell on ye Qinghuan like a tide. Her eyes turned red and she wanted to shake fatty off. "Let go of me!"

Fatty pulled her even harder. "Let go? If you don't come with us, I'll grab your brother. Your brother is also tender and tender. Recently, there are customers who like this and are willing to pay a high price!"

Seeing that Ye Qinghuan was about to be pulled away, the little boy pounced on her again and pulled on Ye Qinghuan's other hand. "sister, don't go, don't go!"

### **Chapter 943: now, get lost.**

He could not pull ye Qinghuan back, so he went to hit fat boy again. "You bad man, let go of my sister!"

Fat Boy kicked the boy two meters away. "GET LOST! If You keep messing around, I'll catch you too!"

"Sob, SOB, SOB..." it was unknown whether the little boy was in pain or he could not bear to let go of his sister, but he burst into tears.

"QINGZHOU!" Ye Qinghuan was so anxious that her eyes were red. She wanted to see if her brother was hurt, but fat boy pulled her back. "Baby, you're mine now. Let's go!"

"No! Let go of me! !" Struggling, Ye Qinghuan stretched out her hand towards her brother. Her tearful eyes were filled with despair and helplessness.

Could this be the fate that should belong to her?

Could it be that she would not be able to break free from this shackle no matter what?

At this moment, a low shout came from the front. "Let go of her!"

The cold and murderous voice suddenly suppressed this chaotic scene!

Everyone was stunned for a moment. Then, they looked in the direction of the voice at the same time.

Ye Qinghuan suddenly froze in place. It was as if she had been cast a spell, and she was frozen in that moment.

A string of crystal clear tears streaked across her face, and she did not even know it.

Building 23 was blocked behind the first two buildings, facing north. It could not get any sunlight all year round, so it was damp and cold.

But at this moment... ..

The man in a black shirt appeared at the other end of the tunnel, as if a god had descended, bringing with him sunlight and hope. He suddenly descended and intruded into her world.

It was him... ..

The gentleman from last night.

Fatty was the first to come back to his senses. He glanced at Ji Yunjing with disdain. "Kid, I advise you to mind your own business!"

After saying that, he turned back to pull ye Qinghuan. nDVe)Cb)In

It was obvious that he did not put Ji Yunjing in his eyes at all.

However, this time, before he could even touch a hair on ye Qinghuan's body, a violent gust of wind came from behind him. He was shocked. When he wanted to turn back again, a powerful uppercut had already smashed towards him!

Bang

Fatty was hit so hard that he crashed into the wall behind him. At the same time, he spat out a mouthful of blood. "Pu!"

In the bright red blood, along with two teeth, they fell to the ground in unison.

Fatty seemed to have been beaten into a daze. He covered his face and fell to the ground. He looked in disbelief at the Tall Ji Yunjing in front of him.

Fatty's underlings were also shocked by Ji Yunjing's strength. They shook their legs and walked around Ji Yunjing before they helped fatty up. "boss..."

Ji Yunjing only glanced at Ye Qinghuan indifferently. Then, he turned his head and his gaze fell on Fatty.

"I'll pay you back how much she owes you. Now, get lost." His cold tone was bloodthirsty.

Fatty's men were intimidated by Ji Yunjing's murderous aura. They gulped and turned back to advise fatty, "boss, a wise man doesn't lose out when the odds are against him..."

Fatty was still covering his mouth. The pain on his face told him that the person in front of him was not to be trifled with!

He immediately ran away. "Humph! You... just you wait!"

Ji Yunjing sneered. When he turned back, he found that Ye Qinghuan had already hugged the little boy who had fallen to the ground. The siblings were crying.

"Qingzhou is fine. It's fine. Don't be afraid..." Ye Qinghuan held the little boy and comforted him while crying.

The little boy also hugged Ye Qinghuan while crying. "SIS..."

Ji Yunjing did not call for them. Instead, he leisurely lit a cigarette and leaned against the corridor. He took a deep breath and turned to look at his surroundings.

**Chapter 944: bravely ran towards him**

The densely packed residents were like a huge concentration camp.

Compared to the life he had once lived, this slum district was simply unbearable.

On the other side, Ye Qinghuan made sure that her brother was alright before wiping her tears and holding his hand, she walked towards Ji Yunjing.

“Sir, thank you...”

The little boy also obediently said, “thank you, sir.”

Ji Yunjing shook off the ashes from his cigarette and his gaze fell on the little boy. “What’s your name?”

“Ye Qingzhou.” The little boy’s eyes were timid as he hid half of his body behind Ye Qinghuan.

Perhaps he was scared by the Group of people just now. He was a little afraid of strangers and his eyelashes were still wet. They were drooping together and his little face was a little dirty.

Ye Qinghuan held his little brother’s hand the whole time and looked at Ji Yunjing at a loss. “Sir, why are you here?”

Last night was a fortuitous encounter. She thought that she would never see him again for the rest of her life.

Who would have thought that they would meet again the next day.

Moreover, it was at the door of her house.

Ye Qinghuan suddenly lowered her head and clenched her teeth tightly.

Her house was very down and out, wasn’t it?

Ji Yunjing took one last puff of his cigarette and put it out. “They might come back soon. It’s not safe here anymore. Come with me.”

Then, he turned around and walked downstairs.

Ye Qinghuan froze for a moment and didn’t follow him.

Ye Qingzhou looked up at his sister in confusion and asked in a low voice, “sister, are you familiar with each other?”

Ye Qinghuan smiled bitterly. Are you familiar with each other?

They... Didn’t even know each other ...

She didn’t even know this gentleman’s name.

But... ... Even though she still found it unbelievable, it was him who had descended from the sky just now to save her from the fire and water ...

Ji Yunjing took a few steps and realized that the siblings behind him didn’t follow him, so he frowned and looked back at them.

His eyes were deep, like a mysterious black hole that could suck a person’s soul in.

After so many years, when Ye Qinghuan recalled this scene again, she couldn't explain why she, who was originally hesitant, completely lost all her vigilance and hesitation because of Ji Yunjing's glance when he turned back. She bravely ran towards him.

Even though she did not know his name at that time, did not know if he was a good person or a bad person, and did not even know why he came to save her.

Just that one look at each other and she went.

Now that she thought about it, perhaps her mind at that time was controlled by fate?

After getting into the car, Ye Qinghuan placed her brother in the back seat and went to the front seat.

It was not to deliberately get close to anyone, but she felt that if she also went to the back seat, it would be an offense to this gentleman.

Ye Qingzhou was also very obedient. After getting into the car, he sat quietly by the window and looked at the neighborhood that he had lived in for several years.

It was quiet all the way.

Until the car stopped at a red light intersection, Ji Yunjing looked back at the girl who was sitting by the side obediently. Her dark eyes deepened. "Aren't you afraid that I'll sell you out if you follow me like this?"

Ye Qinghuan was still thinking about how to avoid those loan sharks. When mengde heard Ji Yunjing's question, she was stunned for a moment.

But she reacted quickly. She quickly looked back and met Ji Yunjing's gaze and said seriously, "Sir doesn't seem like a bad person."

She said it so seriously that Ji Yunjing was caught off guard.

Especially her big eyes, which were as clear as crystal submerged in water.

Ji Yunjing really suspected that there were no bad people in her eyes?

#### **Chapter 945: anytime, anytime, anytime**

Last night, he made a mess and beat up people. His body was full of wounds, big and small.

He really wasn't a good person.

Ji Yunjing suddenly smiled. He finally understood. This girl was beautiful, but her taste was terrible.

However, this was the first time he was trusted unconditionally.

Ye Qinghuan looked at the smile on Ji Yunjing's lips in confusion. She wanted to ask him what he was smiling about, but after hesitating for a long time, she didn't know how to say it.

After that, no one spoke anymore.

Just like that, the car drove straight back to Ji Yunjing's apartment.

Ye Qingzhou was covered in dirt. Ye Qinghuan let him go upstairs to take a shower first while she stayed on the first floor. She thanked Ji Yunjing very solemnly.

"Sir, I am very grateful for your help. May I know your name? I will definitely repay you in the future."

Ji Yunjing took out a can of cold drinks from the refrigerator. After opening it, he raised his head and drank half of it. When he turned back to look at Ye Qinghuan, his brows were already furrowed.

He had probably heard more thanks from last night than he had in the past twenty years.

"It's very easy to thank me." Ji Yunjing walked to the SOFA and sat down.

"please speak, sir." Ye Qinghuan walked over and stood opposite the coffee table. His clear eyes reflected the man who was leaning on the Sofa cushion with one hand and his long legs crossed.

Ji Yunjing looked up at her and asked first, "your family owes a lot of money to the loan sharks?"

Even though she did not understand why Ji Yunjing suddenly asked this, Ye Qinghuan still nodded. "Yes."

"No matter how much you owe, I will repay this money for you." As Ji Yunjing spoke, he took another sip of his cold drink.

Ye Qinghuan's eyes widened in shock at this sudden news. "Sir..."

Without waiting for her to say anything, Ji Yunjing continued, "not only that, whether you and your brother want to go to school or do anything, I can help you."

"..."perhaps luck came too quickly, so fast that Ye Qinghuan could not believe what she had heard.

She bit her lower lip lightly and hesitated for a long time before asking, "what does Sir want me to do?"

She was not a fool. She had no family with this man before her. He had helped her so much and even offered such a generous condition. He must have something he wanted.

Ji Yunjing looked at her for a moment, and the corners of her lips curled up with appreciation. "SMART."

He leaned over and took out a document from the drawer of the coffee table and pushed it in front of Ye Qinghuan. "This is a confidentiality agreement. Open it and see."

Ye Qinghuan bent over and picked up the document as she was told. On it, there was only a dense list of non-disclosure and the responsibilities after disclosure, but it did not say what she was supposed to do.

But since it had already reached the point where she had to sign a confidentiality agreement, it was probably not something simple. nDVe)Cb)In

Ye Qinghuan's brows furrowed even more tightly. "What exactly do you want me to do, sir?"

"Be a love Ren who is on call and ready to serve at any time for two months."

After Ji Yunjing said this, Ye Qinghuan's mind suddenly went blank.

There was a buzzing sound in her ear, and then it became completely quiet, as if she could not hear anything... ..

Ji Yunjing had prepared this document for Xia Jinqi. After all, if Ye Qinghuan and Xia Jinqi were to come into close contact, then there was a high possibility that Xia Jinqi was actually a woman.

If Ye Qinghuan could not keep his mouth shut, Xia Jinqi would be in danger.

Yan Jun's plan would also be completely shelved.

Therefore, he needed Ye Qinghuan to sign this confidentiality agreement.

Moreover, he had to bring ye Qinghuan's younger brother back to prevent her from defecting.

**Chapter 946: was right in front of her, but she could not touch it.**

But Ye Qinghuan did not know about this.

She gritted her teeth and unconsciously exerted more force on her hands. She did not even know that the contract was being pinched until it was wrinkled.

"Sir, do you really want me to do this?" She suddenly asked.

"Yes." Ji Yunjing nodded.

"I see..." Ye Qinghuan smiled bitterly.

Although she also knew that she had long made up her mind to do this line of work, whether it was being a prostitute or selling organs or whatever, she must protect her younger brother!

Even Lili had told her that the most generous customers would only pay one or two thousand a night.

But this gentleman in front of her was different. He was generous and even willing to pay her debts.

She was so lucky to have met this gentleman.

But... .. But why did she suddenly feel so disappointed ??

She had thought that this gentleman was different from the others, but in fact, how was he different from the men in the nightclubs?

He was just a little more handsome, a little more refined, and the smell on his body was a little better...

...

She really wanted to throw away this agreement and tell him openly that she was not that kind of woman!

But in the end, she could only smile bitterly. How could she still have the qualifications to pretend to be a chaste and virtuous woman.

From the moment she stepped into the 'Paradise World' last night, she had lost her dignity.

She had to avoid those loan sharks and protect her younger brother.

To be honest, being a lover for two months would be able to solve all the problems in front of her at this moment. She was the one who earned the money.

She sighed secretly and finally smiled. "Okay, I'll sign it."

No matter how life treated her, she would still smile and face it bravely.

One day, she would be able to see the rainbow, wouldn't she?

Ji Yunjing looked at ye qinghuan's signature with satisfaction before taking out his phone and dialing a number.

"It's done."

Ye Qinghuan listened and looked up at Ji Yunjing in confusion.

Ji Yunjing had also hung up the phone and looked down at her.

His eyes were deep black, distant, and deep. They were close but untouchable.

"Do you know how to cook? I'm hungry," he suddenly lifted his thin lips and said coldly.

Ye Qinghuan paused for a moment, then came back to her senses. "I do." nove-L**b**.In

After saying that, she got up and walked straight to the kitchen.

Opening the fridge, she saw that there were all kinds of ingredients.

She quickly picked some and prepared to make her own specialty dishes.

Ji Yunjing leaned deeply against the SOFA, his leisurely gaze fixed on the kitchen.

Ding Dong Dong sounds rang out, carrying the breath of life.

It had been a long time since she had such a feeling.

It was very peaceful.

It was like... ... A home ...

When Xia Jinqi arrived, she saw the following scene —

Ji Yunjing rarely sat on the Sofa and watched the boring news broadcast on the television. Beside the coffee table in front of the SOFA, there was a little boy drawing.

Meanwhile, the woman in the kitchen was busy cooking for the whole family.

The sound of the television, the sound of cooking, and the sound of the range hood... ...

At that moment, Xia Jinqi suddenly had an illusion. Perhaps, this kind of life was very suitable for her cousin?

If he had gotten married earlier, his children would probably be able to join him now, right?

Thinking of this, Xia Jinqi could not help but laugh and tease Ji Yunjing. "cousin, I've only been gone for a few hours, and you already... have a home here? "

Ji Yunjing's brows stiffened. Before he could reply, Ye Qingzhou, who was beside him, had already sweetly called Xia Jinqi, "hello, Tian Tian. "

Xia Jinqi, "..."

Brother... ..

### **Chapter 947: he was a famous gambling saint in that era**

Xia Jinqi looked down at her outfit and could only helplessly walk to Ye Qingzhou's side. She patted his little head and said with a smile, "hello. "

Ye Qingzhou blinked his eyes and looked at Xia Jinqi. "this brother is so good-looking... "

Xia Jinqi paused and looked up at Ji Yunjing. The two of them could not help but laugh.

"You are also very cute! " Xia Jinqi pinched his fair little face and sighed. How could such a young child be so good at talking?

Ji Yunjing smiled and said, "Qingzhou, go ask your sister when the meal will be ready. "

"Okay. " Ye Qingzhou nodded heavily, got up, and skipped to the kitchen.

After he left, Xia Jinqi raised her eyebrows and looked at Ji Yunjing. "cousin, who is this child? "

"Ye Qinghuan's younger brother. " Ji Yunjing answered quickly, and he directly ignored Xia Jinqi's beaming face.

"Oh... no wonder he looks a little familiar. " Xia Jinqi continued to smile with evil intentions, and she looked directly at Ji Yunjing with her eyes full of spiritual energy. "So... you brought his younger brother here? "

"..."who exactly was he working for?

With a light cough, Ji Yunjing brazenly changed the topic. "GRANDPA was in such a hurry to ask you to go back. What happened? "

Xia Jinqi naturally saw Ji Yunjing's embarrassment.

However, there were many things in this world, and it was best to stop before it was too late.

She straightened her face and said, "I went to see an old friend of GRANDPA's. It mentioned that a mysterious Bai family... seems to be chasing after GRANDPA's old friend. "

"Bai Family? " Ji Yunjing repeated the name, looking a little Pale. "Bai Ye? "

"No... " Xia Jinqi shook her head and thought about it carefully before saying, "It should be called Bai Jiutian. I heard something about a phoenix dancing in the sky. "

Hearing this, Ji Yunjing smiled. "That's it. Bai Ye is Bai Jiutian's son."

"Oh?" Xia Jinqi raised her eyebrows. Since her cousin smiled, he must know the whole story. "Then what kind of family is this?"

"Bai Jiutian is also a legendary figure. ". "I've only heard about him from my grandfather's generation. When he was young, he started off by selling drugs and weapons. Later on, I don't know where he learned extraordinary gambling skills. Other people lost nine out of ten wagers, but he won ten out of ten wagers. In that era, he was a famous gambling saint. "

"cousin, how did you know?" Xia Jinqi was curious. How come she had never heard of such a legendary figure?

Seeing Xia Jinqi's eager face, Ji Yunjing didn't answer, but his smile became more meaningful.

"... ? ?" no v ε - l b - 1 n

Xia Jinqi frowned and thought for a moment

Bai Jiutian was the gambling saint, and the Ji family ran a casino. Could there be a connection between the two?

Realizing this, Xia Jinqi suddenly asked, "did Bai Jiutian win money in our casino?"

"And he won a lot." The smile on Ji Yunjing's face didn't diminish.

How should I put it? A gambler and a casino owner There must be some inexplicable fate, right?

"really? He didn't cheat?" Xia Jinqi was inexplicably excited. She always felt that such a gambling saint was very mysterious.

"No one knows." Ji Yunjing shook his head. He recalled the things that happened in the past. He had only heard about it from others. "It's said that he used a video camera to record the whole process of gambling and then played it slowly. He couldn't find any flaws. "

Xia Jinqi was amazed. "So powerful? He is indeed a legendary figure..."

"He won more than half a month's income from our family in one day. From then on, he became rich and recruited soldiers. I heard that he later became the leader of the northern underworld. "

#### **Chapter 948: Bai and dogs are not allowed to enter**

"One day? Then if he comes here a few more times, wouldn't we go bankrupt?" Xia Jinqi chuckled.

Which casino operator didn't open for the SAKE OF MAKING MONEY?

The most frightening thing was to encounter such a Gambler who was extremely lucky and skilled. He could easily take away a large sum of cash.

"So later on, grandfather put up signs at the entrance of all the casinos: Bai and dogs are not allowed to enter. " When Ji Yunjing mentioned this matter, she couldn't help but laugh.

That stubborn old man at home had also been angered to the point of doing such a childish act.

Xia Jinqi was slightly stunned. After all, in her impression, her grandfather had always been a stickler for rules.

To have such a line placed at the door, it seemed like Bai Jiutian really did take a lot of money from the casino back then... .. To make old master Ji angry ...

She couldn't help but smile and ask, "has the Bai family not come back since then?"

"They've already won enough money. Old Master Bai is also a person who cares about his face. He swore never to enter the LEGO casino for the rest of his life." Ji Yunjing put down the cold drink cup and recalled what Xia Jinqi said just now "Didn't you just say that grandfather had an old friend who was being chased by the Bai family? He hid in our family's casino. It could be said to be a very wise choice."

"I see..." Xia Jinqi nodded in realization.

The Bai family had a grudge with the Ji family to begin with. If it weren't for the fact that they had taken so much money from the Ji family's casino back then, it wouldn't have been possible for them to prosper in the future.

Bai Jiutian still felt a little guilty, right?

Therefore, he never set foot into the Ji family's casino again in his entire life.

Although some people in the Ji family also said that Bai Jiutian was afraid of coming back again, if he was caught cheating, his liver would explode!

Every gambler should learn the philosophy of stopping when he had enough.

Endless greed would eventually destroy everything he had worked so hard to accumulate.

When they were almost done chatting, Ye Qinghuan had already put the dishes on the table. "It's time to eat, sir." **novE(lB(In**

Xia Jinqi happened to come over hungry, so they went to the restaurant together.

Looking at the sumptuous dishes on the table, Xia Jinqi was a little surprised. She looked up at Ye Qinghuan and asked, "did you cook all this?"

Ye Qinghuan nodded obediently. His face was flushed red. It was unknown whether he was tired from cooking or he was a little embarrassed. "Yes, it's all home-cooked dishes..."

Ye Qingzhou was very proud of his sister's cooking skills. He immediately became a small commentator and pointed at a dish in front of Xia Jinqi. "brother, try this. This is Portuguese chicken. The meat is very tender!"

"Portuguese chicken?" Xia Jinqi tried to repeat it, thinking that she had heard it wrong.

What a unique name.

Ji Yunjing knew that this was Xia Jinqi's first time here, and this was definitely her first time seeing this dish, so he explained "This is one of Macau's most representative dishes. Portuguese people learned

from African and Indian food that chicken and potato pieces were mixed with grape juice made from coconut milk and curry, sprinkled with a little Portuguese sausage and black olives, and baked in the oven. The chicken was fresh, tender, and delicious, with a rich fragrance. Generally, it was better with wine. Since you can't drink wine, so...? ."

"..."speaking of drinking, Xia Jinqi felt this or will become his life's pain.

But soon her sight fell on the delicious food in front of her again, and she began to taste it with great interest.

Just at this time, Ye Qinghuan puzzled asked a sentence, "two gentlemen, is not the local people?"

#### **Chapter 949: Mr. why are you giving me these things?**

"No, " Ji Yunjing answered.

Xia Jinqi listened and lowered her eyes slightly. She then praised the delicacies in front of her. "They are indeed delicious. "

"right... " Ye Qingzhou smiled very happily. "My sister's cooking is top-notch! "

Ye Qinghuan blushed a little from her brother's praise. After all, she was putting food on Ye Qingzhou's plate in front of Ji Yunjing and Xia Jinqi. "HURRY UP AND EAT! "

"hehe... " Ye Qingzhou then obediently lowered his head and ate.

Children were always naive and innocent. He only thought that this was the home of one of his sister's friends.

And these two big brothers were both good-looking and easy to get along with.

They didn't seem like bad people at all.

However... When ye Qinghuan signed the confidentiality agreement just now, she already had a dislike for Ji Yunjing in her heart ...

He was just a man who played with women... ..

Thinking of this, Ye Qinghuan's slightly hot little face gradually turned cold.

At this moment, she suddenly heard the conversation between Ji Yunjing and Xia Jinqi.

"The date for the official meeting with the thirty-two people in charge has been set. Tomorrow night at Lido Hotel. While there's still some time, you and Qing Huan should get to know each other better. " Ji Yunjing looked sideways at Xia Jinqi and carefully calculated the time for her.

He had said before that as long as Xia Jinqi had a heavy responsibility on her shoulders, he would definitely do his best to support her.

His and Yan Qing's thoughts were different. Even though they were both people who could get this position, Ji Yunjing had never thought of snatching it from the start.

Xia Jinqi frowned slightly, and her action of drinking the water crab porridge froze.

The thing she was most afraid of was still coming.

She turned back to look at Ye Qinghuan awkwardly... .. Really, she was going to start flirting with girls ...

Ye Qinghuan looked at Ji Yunjing with a blank face, then looked at Xia Jinqi. She had no idea what the two brothers were up to.

After dinner, Ye Qingzhou was left at home. Ji Yunjing heard that he liked the violin, so he immediately got someone to find a violin teacher to teach him, so that he wouldn't be bored at home.

Ye Qinghuan went out with Ji Yunjing and Xia Jinqi.

To Bring Ye Qinghuan to the dinner party tomorrow night, she had to dress up first.

First, she went to choose a few sets of clothes, then she went to try on her makeup. When Ye Qinghuan stood in front of the mirror and looked at herself, she almost didn't recognize herself.

She changed out of the washed dress and replaced it with a noble brand dress.

The ponytail from before was also lowered. It was ironed a few times and hung over her collarbone and back.

She never wore makeup, and her plain face was also covered with light makeup.

Other than that, she was also holding a limited-edition bag from a famous brand for this season. When she was paying the bill, she heard the price. She could not even count the number of Zeros that followed... ..

Looking at her unfamiliar face, Ye Qinghuan bit her lower lip lightly, and her face was very stiff.

She felt like a child who had stolen an adult's clothes.

These things should not have belonged to her in the first place.

"Sir, why are you giving me these things?" Ye Qinghuan turned her head to look at Ji Yunjing, who was sitting on the Sofa at the back, puzzled.

Xia Jinqi was currently on the phone at the door, so she didn't have time to take care of them.

Ji Yunjing heard this and looked up from the open newspaper in the direction of the voice.

With just one glance, his heart tightened.

His pure black pupils started to dilate... ..

He was used to her plain appearance, but he didn't expect her to be so outstanding.

### **Chapter 950: When did I ask you to be my lover in**

"Sir?" She didn't get an answer for a long time and called out softly again.

Ji Yunjing came back to his senses. Perhaps he realized that he had lost his composure and cleared his throat to resolve the awkwardness. "There's a dinner party tomorrow night."

Ye Qinghuan did not understand why she had to attend that dinner party, and he had deliberately brought her here to pick out clothes.

She turned around and looked at herself in the mirror, feeling extremely awkward. She bit her lower lip lightly.

For money, she could sell her body.

But... .. It might sound a little ridiculous ...

She could sell her body, but she still wanted to keep her last shred of backbone.

She seemed to have made up her mind after much difficulty. She turned around and walked towards Ji Yunjing.

Ji Yunjing had already lowered his head. He was reading the newspaper when he caught a glimpse of someone standing in front of him from the corner of his eye.

He raised his eyebrows and looked up at her. Before he could ask anything, he heard her soft but stubborn voice.

“Sir, you helped me and saved my brother. I’ve signed your confidentiality agreement. I can agree to be your lover. But these things are not suitable for me. I can’t pretend to be a celebrity and go to such a place with you. ”

Ye Qinghuan said it very seriously.

There were some things that she felt that she should persevere with.

If her body was not destined to be clean, then at least her soul was still free.

Ji Yunjing was slightly stunned, and then he looked at her with a smile. “when did I ask you to be my Love Ren? ”

“Ah? ” Ye Qinghuan was instantly dumbfounded, and her mind was immediately blown as she recalled what had happened before. “But sir, you said... ”

Hearing this, Ji Yunjing roughly understood.

She must have misunderstood and thought that he was the one who wanted to sign the agreement with her.

No wonder she had a dejected sadness when she looked at him at that time.

Ji Yunjing stood up with a light smile, and Ji Yunjing bent his knuckles to lightly knock ye qinghuan’s forehead. “I mean, I want you to pretend to be my cousin’s Love Ren and mess with those old guys. ”

He seemed to be really happy. When he said these words, his tone was filled with joy.

Ye Qinghuan froze on the spot and reached out to touch the forehead that he had knocked on just now. His gaze unconsciously followed him.

Ji Yunjing had already walked to the side. His knuckles were clearly defined, and his fingers swept across a row of neatly hanging women's dresses. "Also, my name is Ji Yunjing."

As he said this, he elegantly took out a relatively gentle set of clothes from the pile of dresses. After examining it carefully, he handed it to Ye Qinghuan. "Go and try it on."

Ye Qinghuan's mind was originally still in a mess, but when she heard Ji Yunjing's words, she immediately came back to her senses and obediently took the clothes to the fitting room.

When she closed the door, she was still nervously tugging at the clothes in her arms.

After a long time, she smiled faintly.

So, she had misunderstood?

Pretending to be in love, which meant... ..

Moreover, he actually took the initiative to tell her his name.

Ji Yunjing.

What a nice name. ~~novE(lB(In~~

It was so beautiful that it was like a dream.

"..."

When Xia Jinqi came back from the phone call, she saw the faint smile hanging on Ji Yunjing's lips.

She subconsciously looked around, but there was no one around.

"What made you so happy?" Xia Jinqi walked over and asked in confusion.

Hearing this, the smile on Ji Yunjing's lips suddenly froze for a moment.

Was He smiling just now?

Even he himself didn't notice that he was actually smiling foolishly here alone?

No, this was detrimental to his personal image.

He instantly turned serious and pretended that nothing had happened just now. Instead of answering, he asked, "is that Yan Jun's phone call?"

"Yes." Xia Jinqi nodded honestly, her fair face was slightly flushed.
