

## Prologue

In the Supernatural world of werewolves, fate is one thing that can be both a blessing and a curse. If your fated mate is one whom you can truly trust, love and cherish, then fate denitely blessed you big time. But what if it isn't? Then what would you do if fate cursed you with a mate that you wouldn't trust, let alone love or cherish?

The triplet Alphas of the Moon Knight pack, Evan, Ethan and Econ, believed they were one of those Alphas who had been cursed with a cruel fate. Having mated with a girl who remembered nothing about her past, made the alphas very suspicious of their own mate. The triplets couldn't trust her at all. With the mate bond in play and developing further and further, the twenty-ve-year-old Alphas were trying their best to stay away from their so-called mate. But what happens when their mate's past is revealed, and they nd themselves at a crossroads of choices? Would they choose to blindly trust her, or would they ignore her, someone who was made for them by their Moon Goddess?
