

### **Triplets On SM 509**

Chapter 509-Michael not only kidnapped molly, but he was also guilty of some other offenses. "Father, how can the Anderson family save him ifhe successfully committed a crime? If this spreads out, the Anderson family would be an embarrassment.

Don't tell me if one of the Anderson family members commits a crime, he or she doesn't need to be punished legally.

The Anderson family is not all-powerful in Northfolk." Sean's lips were filled with sarcasm.

He knew his father knew about what Michael had done in the Anderson family for the past few years.

It was just that Ricky turned a blind eye to Michael's wrongdoings again and again out of brotherhood.

But, Sean was not like his father.

He would not tolerate Michael's wrongdoings.

Ricky wanted to say something.

But, when he saw his son's determined eyes, he sighed.

He did not say what he wanted to say initially.

"You're right.

But, your grandfather will definitely ask you about it." 'TH explain to grandfather."

Ricky backed down when he heard Sean say that.

He did not say anything else.

He then turned around as he left.

Sean did what he said.

“You’re right.

But, your grandfather will definitely ask you about it.” ‘TH explain to grandfather.”

Ricky backed down when he heard Sean say that.

He did not say anything else.

He then turned around as he left.

Sean did what he said.

He did not wait for Mr.Anderson Sr. to look for him.

He took the initiative to go to the Anderson residence.

It was already past eight when he arrived at Terahis Grove.

Molly heard that Michael was arrested.

But, she did not think that Sean would actually do that.

“You had the police arrest Michael.

Will the Anderson family blame you for this? After all, he's your uncle.

Will Mr. Anderson Sr.

blame you too?" Molly hesitated before she asked Sean these questions when she came over to treat him.

"How did you know Michael was arrested?" Sean raised his eyebrows.

He was still thinking about whether he should tell her about it.

He did not expect her to know about it before he could tell her that.

"My grandfather told me about it today," Molly said.

Sean was not surprised.

This was because he knew Grandpa Dave talked to Nathan occasionally.

Business people would know that Michael was arrested when they socialized among themselves.

It was most probably Nathan who talked about it.

"Don't worry about it.

I know what I'm doing.

Although Michael's my uncle, he's not all powerful.

Mr.Anderson Sr.

wouldn't cover everything up for him.

It's the Anderson family's misfortune to have someone like him." Sean did not tell her about the awful things that had happened in the Anderson family.

But, it was enough for Molly to understand what Sean said.

Sean smiled as he saw Molly's worried face.

He said, "Don't worry.

Let's not talk about the fact that Michael misappropriated the company's funds and caused some damage to the company.

I'll not spare him for what he did to you alone."

Michael dared to take the risk to provoke Sean even though he knew Molly was important to him.

Sean would not go easy on Michael.

Molly felt warm as she heard what Sean said.

It was like she was being wrapped by the warmth of the spring breeze.

She was touched by Sean.

She could not help but smile gently.

'The man in front of me did so much for me without me knowing.

'He did everything for me without expecting anything in return.

Sean helped me so many times that I can't even remember how many times he had helped me.
