

Triplets secret 25

Chapter 25

The afternoon banquet that Zhong Zhen had thought to be ordinary turned out to be a gathering of stars. There were a lot of familiar faces that she had seen on the television.

The famous TV hostess, Xi Anan was there as well. "Hello Mr. Feng," she greeted passionately as she walked toward them. Of course, she had completely ignored Zhong Zhen.

Zhong Zhen did not mind the cold treatment. She wasn't someone who was easily influenced by her own surroundings. Feng Beichen was right by her side as well.

Feng Beichen tucked his arm around Zhong Zhen's and held her closer to imply they were in an intimate relationship. Xi Anan merely responded with a nod.

Zhong Zhen nonchalantly smiled, portraying her role as an affectionate girlfriend. She might not have any experience in acting, but with someone handsome like Feng Beichen, how could she not fall for him? While they were only pretending to be lovers, it was still a bliss to enjoy.

Zhong Zhen was the attention of a lot of envy.

Is Xi Anan upset with her passionate treatment being responded so coldly, void of any affection?

Zhong Zhen paid her no mind as she followed Feng Beichen.

It was common etiquette for people of higher social standing to behave courteously before the eyes of many. While they might have their own opinion, they kept their own thoughts to themselves.

"Hey, who is this?" asked an attractive woman before them mischievously as she tilted her head.

Zhong Zhen could only smile. While her expression was a little stiff, she had to protect her own image as she did not want to embarrass her partner.

"Meet Zhong Zhen, my girlfriend," Feng Beichen answered with a deadpan face.

"Brother, is that true?" That woman asked in disbelief as her eyes widened. Then she turned to Zhong Zhen as she evaluated her, "What do you do for a living? How did you do it?"

Zhong Zhen was in an awkward situation. She was being picked on despite not knowing the woman's identity

"Insolence! She is my woman, and therefore your future sister-in-law. You should learn how to be respectful," said Feng Beichen as he turned toward Zhong Zhen, gazing at her affectionately. "Zhen, that's my sister Feng Meijuan," He then introduced the woman standing before them.

So they were siblings, "It is a pleasure to meet you, Meijuan," Zhong Zhen greeted immediately.

"Nice to meet you, Ms. Zhong. I'm impressed. I wonder what tricks you have used to seduce my brother?" replied Meijuan sarcastically as she gave Zhong Zhen a thumbs up. Obviously, she didn't like Zhong Zhen. She didn't think that Zhong Zhen was a good match for her brother.

Zhong Zhen wasn't bothered at all by her snarky remarks. She had her own plans. What actually mattered to her was doing her job well.

Xi Anan decided to give it another try. Her pride wouldn't allow her to be bested by a commoner. She believed that Feng Beichen would be tired of Zhong Zhen in no time.

"Mr. Feng, Meijuan, so both of you are here!" said Xi Anan passionately as she tried to strike a conversation.

"Yup. Sister is here with her boyfriend too," said Feng Meijuan as she could feel their presence.

Everyone shifted their attention to the hall's entrance.

Zhong Zhen immediately recognized the man who was entering with the gorgeous woman. It was Ji Yunxiao. She had not contacted him in ages. Zhong Zhen could feel her heart skipping a beat.

Since when did he become a part of Feng family? A lot of time had passed. There was no saying what could have happened in such a long period.

Ji Yunxiao and Feng Wensu walked toward Feng Beichen. Ji Yunxiao did not recognize Zhong Zhen until they were right beside them. There was a hint of awkwardness on his face. It only lingered for two seconds before he examined the people before him.

"Meet my boyfriend, Ji Yunxiao." Feng Wensu introduced her partner to her siblings.

It wouldn't be an exaggeration to say Ji Yunxiao was blessed with good looks. The only problem with him was his attitude.

However, a person's attitude wasn't as apparent as his looks. It would only be revealed as time went by. That being said, one could still deceive a lot of people with one's slyness. Should it be done skillfully people might not be aware that they were living in their own fantasy.

"What do we have here? A new guy again?" sneered Feng Meijuan.

How disheartening it was for a woman of such a young age to be hurling snarky remarks. If only she had a pleasant personality.

"What are you trying to imply?" retorted Feng Wensu. "I really meant it this time!"

"Congratulations," Feng Beichen said coldly.

"So, this is your girlfriend?" snorted Feng Wensu as she carefully observed Zhong Zhen. "Seems like you have gotten worse at discerning women..." Her voice trailed off as she gave her brother her opinion.

“So, you want to have a say in everything I do?” asked Feng Beichen as he raised his voice. His face became stern after listening to his sister’s comment

“I wouldn’t dare!” Feng Wensu declared. “But brother, you ought to give her a proper introduction, right?”

“Ill do it!” interrupted Feng Meijuan. “Her name is Zhong Zhen. Despite her origins and background being unknown, she is currently the girlfriend to our big brother!”

Zhong Zhen smiled nonchalantly as she listened to the dispute between the siblings. She was relieved that the commotion had managed to conceal the awkwardness of her unexpected encounter with Ji Yunxiao.

How did the luncheon turned out to be a stage for the Feng family? There were even so many celebrities here.

“That’s my girlfriend. You’d better behave yourselves!” While Feng Beichen wasn’t mad, his voice was full of power. It was enough to make people submit to his demands.

The atmosphere was as tense as it could be. The uneasiness on the faces of his sisters was apparent.

Watching Feng Beichen willing to defend his girlfriend from his sisters’ nasty remarks, what woman wouldn’t be moved by that?

Zhong Zhen was filled with a bittersweet feeling. She might not be able to encounter such a relationship again in her lifetime.

Ji Yunxiao looked like he wanted to talk to her, but Zhong Zhen paid him no heed. It was normal for her to be furious because she was abandoned by him at the darkest hour of her life.

“Let’s go,” Feng Beichen said to her softly before moving away.
