

TRIUMPH ABOVE ALL

Chapter 14

Skylar's voice was gentle like summer breezes which calmed Yulia down. The next moment, he took out his phone and dialed a number.

“Get rid of all the videos which went viral in 5 minutes and eliminate all impacts at all costs. Not only that, call the police to Luna restaurant in the next 5 minutes. I’ll wait here.” After saying that, Skylar hung up the phone without waiting for the other party’s response.

Next to her, Yulia was stunned. She didn't know whom Skylar was calling, but he was so demanding over the phone.

Hearing that, Nicholas sniggered. “What? Get rid of all the videos in five minutes! What a joke, Skylar!”

Nevertheless, before Nicholas could finish his words, the news on the TV in the dining area caught his attention. The big screen on the TV, which was playing a soap opera just now, was switched to the news channel suddenly.

"At 4:30 p.m., an indecent video was uploaded from an unknown IP address in Cloudtopia. According to the professional assessment of our TV station, the person who appeared on the video was not Ms. Yulia Sue. Her face was transposed with the person in the video..."

"Discussions and comments related to the video were being deleted and the authority urged the public to stop circulating the video online. At the same time, relevant departments will look into the case and hold the right for any legal action against the forger who violated relative laws or regulations in the country," reported the news commentator.

Hearing that, everyone was shocked. That was the national news channel, and Yulia's fake video was being reported? It was only 2 minutes at most from the moment Skylar made the call. Everyone was horrified as everything happened in the blink of an eye.

"How... How is that possible?" Nicholas's face darkened immediately.

Gasping, Yulia stared at Skylar with her big watery eyes. "How did he do that?" she wondered. It was unbelievable.

Afraid of frightening her, Skylar tried to explain, "Don't think too much. I happened to have a very good comrade who work in the national news channel after retiring from the army. He's responsible for the newsflash."

Hearing that, Yulia nodded with relief.

However, the screen of the TV suddenly changed and showed Nicholas's ID card. At the same time, the commentator continued in an indignant tone, "With the use of the IP tracking technology, the police have targeted the man named Nicholas Wexler who was the forger of the video. It was believed that Nicholas Wexler, from the notorious Wexler family in Cloudtopia, was trying to ruin Ms. Yulia Sue's reputation after he failed to pursue her..."

"Wow!" The restaurant was in an uproar.

"It turns out that he is the shameless one!" Someone stood up and pointed at Nicholas. "You're so disgusting! How could you post a video of a good woman like that?"

“He thought he could do whatever he wants because of his family. Now he is all over the national news. He really deserves it!”

Hearing that, Nicholas was terrified. “Skylar, you’re going to pay for what you’ve done sooner or later!” Nicholas cursed and gave Skylar a ferocious stare. However, as soon as he was about to leave, a dozen of policemen suddenly rushed in and stopped him.

Nicholas' heart skipped a beat. “Did the police come for me?” he wondered. However, as soon as he saw the police head, he felt relieved.

“Mr. Lawson! It’s me, Nicholas. That guy over there ganged up with some guy from the news channel and slandered me. Help me arrest him. I’m going to sue him!” Nicholas pointed at Skylar with a fierce look.

Skylar not only snatched away the woman Nicholas

liked, but also beat him up, which disgraced him in front of the Sue family. Nicholas wanted Skylar to pay back what he'd done to him.

However, before Nicholas could do anything to Skylar, Mr. Lawson said coldly, "Nicholas Wexler, we've solid evidence of you involving in 2 cases. Guards, take him back to the police station now."

As soon as Mr. Lawson finished his words, he took out the handcuffs around his waist, and a dozen policemen swarmed up. Before Nicholas could resist, he was taken into the police car.

Skylar looked at the clock on the wall. Five minutes had just passed.

Yulia was still in a daze and stared at the door.

"Hurray! The bad guy who bullied Mommy was

arrested! Even the police have to listen to Daddy.
Daddy, you're so awesome!"

"So, do you still think Daddy is stupid?" Skylar asked deliberately.

"No! You're the best Daddy in the world!" Lola looked at Skylar with admiration, and Skylar couldn't help but touch Lola's nose in return.

Right then, Yulia came to her senses and said emotionally, "Thank you, Skylar." Lolo was too small to understand, but she knew very well that she and Skylar were not a real couple.

"I owe you and Lola too much since I left. I'd do anything now that I'm back," said Skylar seriously.

Hearing that, Yulia was speechless. "Did I misunderstand him? Did he really think he is Lola's

father?" she wondered. Nonetheless, Yulia remained quiet in front of Lola.

As soon as the three returned home after dinner, Yulia's phone rang. It was from Charles.

"Yulia, Yvonne is your sister. You shouldn't have her arrested even if she made a mistake!" Charles berated as soon as the phone was connected.
