

Troublemakers 1101

Chapter 1101: I really came to the right

Madam?

Butler Luo's eyes turned red, and he shook his head.

"What do you mean?" Lin Shouyu's face was very ugly, "I have a serious business to find her."

"But sir, madam, madam, she has been away from here for a long time."

"Why? Where did she go?"

"She divorced the young master, and I don't know where she went." Butler Luo answered truthfully after a long while.

Lin Shouyu's face froze, his eyes flashed, and there was inexplicable anger in his heart.

What a Li Zhenting, he dared to divorce Shen Ning!

Shen Ning is such a good woman, can she not be worthy of him?

"It must be your young master who bullied Shen Ning." Lin Shouyu asked angrily.

Butler Luo bowed his head and remained silent.

"Hmph, Li Zhenting, you are really deceiving people too much." Lin Shouyu left after throwing down a sentence.

Originally, when he returned to the imperial capital this time, he had to find out whether Shen Ning was his lost sister!

Based on his intuition, she felt that Shen Ning must be!

If he has doubts, he must investigate. He didn't have time last time, but this time he came here specially and couldn't find Shen Ning, which made him very annoyed!

In the house in Lijiang.

Aunt Dong came out with a plate of brown sugar baba, put it on the dining table, made several appetizers, brought out a bowl of noodles, and called inside: "Master Zhu, dinner is ready, come and eat quickly. "

"Okay, thank you, Aunt Dong." Zhu Qixiong replied, and smiled at Shen Ning, "How is it? You can also accompany me to have some supper, I am embarrassed to eat alone."

"Okay, let's go, but I want to tell you that you don't have alcohol with me." Shen Ning stood up with a smile.

"Of course, as long as I'm with you, I promise not to smoke or drink!" Zhu Qixiong raised his hand and swore.

"Come on, as long as you know." Shen Ning pursed his lips and smiled, and walked towards the living room, Zhu Qixiong followed closely behind.

The two quickly walked into the living room.

Zhu Qixiong squinted his eyes and looked outside. Li Zhenting was still standing in the yard, his straight body was like a pillar, and his face was black.

An invisible smile floated on the corner of his lips.

"Ning Ning, please sit down." He quickly walked to the table and pulled out the chair in a gentlemanly manner, and made a 'please' gesture to Shen Ning.

Shen Ning sat down with a smile.

He sat down on the chair next to her, picked up a piece of glutinous rice cake with his chopsticks, brought it to Shen Ning's lips and said affectionately: "This one looks bright in color, very attractive, it must be delicious, you eat a piece first."

"Well, this brown sugar cake is very famous here. Made from refined glutinous rice, it's glutinous and sweet. It's very delicious and suits my taste. Thank you." Shen Ning smiled, opened his mouth to catch it, and started eating.

"It's delicious, so eat more." Zhu Qixiong put the whole plate of glutinous rice cakes in front of her, and he picked up the noodles.

"I've already had dinner. If I eat too much, I'll feel uncomfortable. Aunt Dong made this for you. You have to finish it." Shen Ning pushed the plate in front of Zhu Qixiong again, "I'll eat a few more pickles alright."

While speaking, he stretched out his fingers to pick up a pickle cucumber and ate it appetizingly.

"Take a good rest tonight, and I'll take you around tomorrow. The scenery here is beautiful, and you can see a beautiful scenery with just a finger. I'm sure you have never seen such a beautiful and fresh pastoral scenery. There are lotuses and moonlight in the neighboring villages." , you can row a boat, the lotus is very beautiful, the lotus root is very pink, and it is famous in Lijiang." Shen Ning introduced with a smile.

"Really, that's great, I really came to the right place." Zhu Qixiong was very happy.

"Well, you're right." Shen Ning nodded in agreement.

The two of them were talking and eating, and the whole living room became more lively because of Zhu Qixiong's arrival.

Aunt Dong watched the two talking and laughing inside, and looked outside, only to see the man standing outside blended into the darkness, the black suit all over his body was shining sharply, his eyebrows and eyes were covered by the ruffled hair of the night wind , but couldn't hide those cold eyes.

Chapter 1102: let go of your dirty hands

Li Zhenting was expressionless, his sharp eyes cut on Zhu Qixiong's body like cold knives.

And Zhu Qixiong inside didn't notice him at all, instead interacting with Shen Ning more intimately.

Aunt Dong was frightened for a moment.

She wanted to take Zhu Qixiong out of here, but it was obvious that Zhu Qixiong would not listen to her, and it was so late, there was nowhere to go.

"Ning Ning, eat another piece of beef jerky." At this time, Zhu Qixiong took another piece of beef jerky and brought it to Shen Ning's lips.

"I really can't eat anymore." Shen Ning looked at him and shook his head.

"The last piece, to save face, eat it." Zhu Qixiong was doting on his face, coaxing him gently.

Unable to be moved by the hospitality, Shen Ning had no choice but to open his mouth and eat it.

"Okay, I'm done eating, I'll go wash the dishes." After eating, Zhu Qixiong stood up and was about to wash the dishes. He usually does this at home, and he's used to it.

"No need, Young Master Zhu, take a bath and rest, as long as I'm with you." Aunt Dong hurriedly refused.

She really didn't expect that Zhu Qixiong, a romantic young man, would even do housework by himself, which made her admire him.

"Aunt Dong, I'm really sorry to trouble you." Zhu Qixiong thanked politely.

"You're welcome, you're welcome, go take a shower, it's getting late." Aunt Dong smiled, this child is also quite polite, he knows the cold and the hot, and is considerate and gentle, without any machismo thoughts, she It is not unreasonable to think that Shen Ning can make friends with him.

She glanced at Li Zhenting standing outside. Although he was handsome in appearance and much more powerful than Zhu Qixiong, he couldn't talk sweetly or be so considerate.

This woman is quite good at this.

"Ouch." Seeing that Zhu Qixiong had finished eating, Shen Ning was about to stand up while supporting his waist, but as soon as he stood up, his stomach bumped against the dining table, and she tilted her body and was about to fall down. She was so frightened She screamed.

"Ning Ning, be careful." Zhu Qixiong's face paled, and he immediately reached out and hugged Shen Ning's waist.

When Shen Ning was hugged to stand up, he felt dizzy and couldn't stand upright at all, and leaned softly on Zhu Qixiong's chest.

"Ning Ning, are you okay?" Zhu Qixiong looked down and saw Shen Ning's face pale for a while, panicked, and hurriedly asked with concern.

Fortunately, it was only for a while, Shen Ning soon came back to his senses, and when he was about to stand up, suddenly, a force was exerted on Zhu Qixiong's shoulder.

A powerful man's palm grabbed Zhu Qixiong's shoulder.

Zhu Qixiong immediately felt the pressure and pain of Mount Tai.

"Zhu Qixiong, let go of your dirty hands." Before he could react, Li Zhenting's eyes fell on his hands that were tightly hugging Shen Ning's waist. yelled at him.

But he was still worried about Shen Ning, and he didn't dare to shake off Zhu Qixiong, fearing that this would hurt Shen Ning.

But Li Zhenting is a man, he must never allow other men to touch his woman, even holding hands.

Here, Zhu Qixiong only woke up after a moment of astonishment. He was not intimidated by Li Zhenting's gaze. What is it?"

After finishing speaking, not only did he not let go of Shen Ning, but he hugged her even tighter.

The cold light in Li Zhenting's eyes exploded, and the fingers that grabbed his shoulders slammed hard, Zhu Qixiong's face twitched.

Chapter 1103: How long are you going to mess around?

"Zhu Qixiong, you know that Shen Ning is my woman, but you still hold her even harder. I order you to let her go immediately, otherwise, I will break your shoulder." Li Zhenting yelled angrily.

Zhu Qixiong smiled contemptuously.

He is also a **** man, and he usually works out. At the beginning, he succeeded Li Zhenting because he was not on guard. Now, when Li Zhenting exerted more strength, he was lucky and directly resisted the pressure of his palm and stood firm. steady.

"Li Zhenting, are you worthy to say that Shen Ning is your woman? As a man, I feel ashamed for you. Tell me, why do you say that Ning Ning is your woman? Show me the evidence look."

"It's because Shen Ning is pregnant with my child."

"Hey." Zhu Qixiong laughed disdainfully again, "This can only prove your despicableness. You made a woman's belly bigger, but drove her homeless. Remember: you and Ningning have long been married. Divorced, Shen Ning is a single woman, free, she is not someone of yours, now, she is single, I am unmarried, we are in a normal relationship, but you, shamelessly follow, I am ashamed for you."

"Zhu Qixiong, so you are going to challenge me on purpose?" Li Zhenting's eyes flashed coldly.

"Yes, it's a challenge. Tell me, what do you want?" Zhu Qixiong was tough and full of arrogance.

Li Zhenting became angry.

"Very well, that's the challenge. Then you let go of Shen Ning first. Let's go outside and compete fairly." He said in a stern tone.

"One-on-one is one-on-one, who is afraid of whom?" Zhu Qixiong was also **** for a while, and now he wanted to show his manly majesty, and immediately put down his harsh words.

"Okay, then let's go." Li Zhenting's eyes fell on Shen Ning's waist, who was still hugging Shen Ning. Forbearance.

"Ning Ning, you go to rest first, I'll go outside and settle the matter with him between our men." Zhu Qixiong finally let go of Shen Ning, and commanded her in a soft voice.

Li Zhenting turned and walked outside.

Zhu Qixiong followed.

"Slow down, stop for me." After Shen Ning regained consciousness, he suddenly shouted loudly.

The two men turned around at the same time.

"Li Zhenting, how long are you going to mess around?" Shen Ning's cold eyes fell on Li Zhenting's face, expressionless.

In an instant, Li Zhenting only felt a chill rise from the soles of his feet.

"Ningning, you go home with me, let's go back to the imperial capital, Keke, Ding Ding and Xiaoxiao are still waiting for us at home, they are asking about you every day, asking me if I want a mommy, how can you bear to talk to this bastard?" Together." He rushed over and suddenly picked up Shen Ning and was about to leave.

"Li Zhenting, let me down." Shen Ning was furious, struggling and shouting.

"I don't, you are my children's mother, I love you, come back with me, and I will never let you down again." Li Zhenting's eyes were red, and he was very persistent.

He is about to be tortured crazy, he doesn't want to lose Shen Ning, and the children can't lose Mommy!

"It seems that you want me to kill two people." Shen Ning smiled coldly, and suddenly twisted his body violently and struggled, fast and hard, trying his best.

"Ningning, don't do this." Li Zhenting yelled in pain.

He didn't expect that Shen Ning would struggle so desperately, scratching and scratching at him, accidentally, her fingers caught Li Zhenting's eyes, the pain caused his eyes to close, and his fingers loosened unconsciously, Shen Ning took the opportunity to roll down.

Chapter 1104: I feel sick when I see you

"Ning Ning, be careful." At this moment, Zhu Qixiong came to his senses, rushed over and hugged Shen Ning with both hands.

Li Zhenting's eyes widened, and his heart almost stopped beating.

Seeing that Zhu Qixiong had already embraced Shen Ning, he rushed over and snatched Shen Ning from Zhu Qixiong's hand.

"Put me down." Shen Ning yelled hysterically as soon as he fell into Li Zhenting's arms.

Now, Li Zhenting didn't dare to hug her anymore, and immediately put her gently on the ground.

"Li Zhenting, I tell you, I feel disgusted when I see you, get out of here." Shen Ning immediately pointed to the door and shouted angrily after standing still.

"Ning Ning, I..." Li Zhenting was heartbroken.

"roll."

"No, Ning Ning, I love you." Li Zhenting shook his head, and suddenly lost his mind, he took a step forward, cupped Shen Ning's face in both hands, and kissed her hard with his lips. lips, frantically about to pierce her tongue.

With a crisp "snap", Shen Ning gritted his teeth desperately, pushed him away with all his strength, raised his hand and slapped him **** the face.

The crisp applause seemed to wake everyone up.

Li Zhenting stood there dumbfounded.

"Li Zhenting, listen to me, you are nothing to me, I am disgusting to you except disgusting, if I have ever loved you, it was once, from now on, I will never treat you The slightest bit of affection, you, get out immediately, as far away as possible." Shen Ning pointed at Li Zhenting's nose and cursed mercilessly.

After scolding, he stopped looking at him, but turned to look at Zhu Qixiong, and apologized guiltily: "I'm sorry, I got you in trouble."

"No, Ningning, you don't have to worry, I'm happy to be implicated by you." Zhu Qixiong looked at her affectionately.

"Thank you, Qixiong."

"You're welcome, don't be too angry, you are pregnant with twins now." Zhu Qixiong looked at her tenderly, "It's getting late, I was frightened again just now, go back to the room and sleep."

"Well, okay, I'll take you to get the toiletries first." Shen Ning nodded slightly.

Zhu Qixiong came up to hold her arm.

The two of them walked in very 'lovingly'.

Li Zhenting stood there dejectedly like a defeated fighter, his fingers clenched into fists.

Aunt Dong watched this scene with trepidation.

She really can't get involved in the fight between young men and women.

But obviously, it is impossible for Li Zhenting to gain the upper hand now.

"Boss Li, you should wash up and sleep too." After Shen Ning and the others entered there, Aunt Dong closed the bedroom door to prevent Shen Ning from driving him out after seeing him. In fact, in the next few days Every day, after Shen Ning fell asleep, she would pull Li Zhenting in to sleep, while she went to Zhang Xiaoxian's house.

But it is not an option for things to continue like this. Now Shen Ning is very resistant to Li Zhenting and will not accept him.

"Aunt Dong, I, I feel so uncomfortable." Li Zhenting slumped on the chair weakly, holding his head in both hands.

"Mr. Li, a woman's heart cools down slowly. When it cools down to a certain level, it will harden. It's only because you hurt her too much before. She is already disappointed in you. Now you are too impatient." If you can't eat hot tofu, you can only take it slowly and use a strategy." Aunt Dong said softly beside her.

As for Li Zhenting and Zhu Qixiong, although she is also optimistic about Zhu Qixiong, she is still clear-headed.

Shen Ning has already given birth to three children for Li Zhenting, and she is pregnant with his child again. Before, Shen Ning loved Li Zhenting with all her heart and eyes. Because of love and reason, their family still has the hope of reunion.

Chapter 1105: How could she be so stupid!

"I know I was sorry for her before, but now I just want to make up and improve, but she never gave me the slightest chance." Li Zhenting sobbed.

"If you really want to make amends and improve, then you have to show sincerity and warm her heart first. A woman's hardened heart is not so easy to warm up. It will take a process, and there is no rush. Use." Aunt Dong explained patiently.

In her heart, she didn't believe that Shen Ning really didn't have any love for Li Zhenting anymore. With her obsessive, love-minded, and children, she couldn't possibly forget it completely.

Li Zhenting bowed his head when he heard the words, holding his head in both hands, helpless.

"President Li, it's getting late, go wash up and rest early, improve your image first, give yourself a haircut, restore your previous mental outlook, and have more confidence in yourself. Women have to take their time. As long as she is still here and is the mother of your children, she can't be so decisive, and she will definitely have concerns when making decisions."

"The most important thing now is that you must have confidence in yourself, so that Shen Ning can feel your sincerity and love, instead of going hard like this, it won't work, not to mention that the child in her belly is about to give birth. Now, if you are so reckless to provoke her again, if something bad happens, you will only regret it for the rest of your life."

Aunt Dong continued to comfort him and persuade him.

"Aunt Dong, thank you very much." Li Zhenting was very moved and thanked Aunt Dong.

Aunt Dong smiled: "I have long regarded Ning Ning as my daughter. I can see some things clearly, and I'm all for her good. Now that she is angry, I really can't rush, I can only take my time. You should wash up and go to bed first, take care of your body, and only then can you come up with a better way when you have energy and energy."

"Okay, okay." Li Zhenting agreed and walked towards the bathroom.

Aunt Dong went out to Zhang Xiaoxian's house.

In the room, Shen Ning sat on the sofa chair, trembling with fear and terror.

Tonight, when Li Zhenting hugged her, she resisted desperately. At that time, her mind went blank, she forgot everything except excitement and anger, and she forgot that she was still pregnant with twins. At that time, under her struggle and resistance, the whole person has broken free from Li Zhenting's arm and is falling towards the ground...

Thinking about it now makes me tremble all over.

If it really falls to the ground, the consequences will make her regret for the rest of her life!

Her hands stroked her stomach, and a chill ran through the soles of her feet.

"I'm sorry, baby, Mommy was too impulsive today and completely forgot about your safety. Mommy is really not a competent mommy. Don't worry, Mommy will put you first and never do that kind of thing again. It's a stupid thing." Shen Ning stroked his stomach in fear, feeling guilty.

How could she be angry because of that **** man? Isn't he hurting her badly enough? Why would he implicate the children?

How could she be so stupid!

But when he thought of tonight, he actually forcibly kissed her! A wave of anger rushed up again, wishing to run out and slap him a few more times!

This **** dog man! It's really a grievance that lingers, and I don't know when I will give up and leave!

However, in the end, reason prevailed over anger, and she stood up and walked towards the window.

The yard was dark, and the shadow of the dead man could no longer be seen.

He should have left.

She breathed a sigh of relief, and secretly swore in her heart that no matter what she did in the future, she would have to consider the safety of the children, and she would never do that kind of stupid thing again. She would give birth soon, and the children were her fate. .

Chapter 1106: Did you mean it?

"Ning Ning, what are you thinking?" When she was losing her mind, suddenly, someone beside her spoke.

She turned her head, and Zhu Qixiong was standing beside her. She didn't know when he came.

"I didn't think about it, you finished washing so soon." Shen Ning smiled slightly and looked at him.

Zhu Qixiong felt an inexplicable pain in his heart when he saw her watery eyes and a hint of fear on her palm-sized face.

"Ning Ning, are you still afraid?" He walked up to stroke her head and asked gently.

"Well, if you hadn't caught me just now, I don't know what would happen now!" Shen Ning had tears in his eyes, very grateful, but still afraid in his heart.

"Damn, as long as I'm still a man, I would do that. Isn't this caught? It's okay, don't worry." Zhu Qixiong smiled and patted her on the head lightly.

"Yes." Shen Ning smiled with tears in his eyes.

"Ning Ning, do you know why I came here?" Soon, Zhu Qixiong asked softly again.

Suspicion flashed in Shen Ning's eyes, and he shook his head.

"Because I'm so worried about you. You're a pregnant woman living in another place. I don't know how to live. I'm really worried about you. Sometimes I can't sleep all night and have to go to the bar to drink." Zhu Qixiong was full of emotion, "I'm here now. Those who want to take care of you, just watch you give birth to the child safely."

Shen Ning was very moved when he heard it, and he lowered his head and shed tears.

Perhaps because of pregnancy, she always likes to cry recently.

"Qixiong, if I hadn't been pregnant with his child, I would have gone with you." She wiped her tears with her fingers.

"It's okay, even if you are pregnant with his child, I won't mind, but I treasure everything about you. I just don't want to see you suffer any more in this life. I don't have your things during this time." News, I really lost my soul, I always dreamed that you were covered in blood, woke up in a nightmare, and then called your phone, but your phone was always turned off." Zhu Qixiong said with a sigh .

Shen Ning's bright black eyes gleamed softly with tears.

"Qixiong, you are so kind to me. I feel so lucky to have a good friend like you." There was a slight smile on the corner of her lips, a row of small white teeth looming.

"Me too, knowing you in this life is my greatest happiness." Zhu Qixiong also smiled at her.

The two stood relatively silent after the meeting.

"Okay, go and rest, it's next door, but it's a little rough, you have to get used to it." Shen Ning urged him with a smile.

"Don't worry, I'm a big man, what can I not get used to, then, good night." Zhu Qixiong raised his hand to say goodbye to her, turned and walked into the small room next door.

Shen Ning watched his back and walked in, smiled slightly, wiped away the tears from the corners of his eyes, and went to bed to rest.

Zhu Qixiong walked in with a white shirt draped over his forearm.

The room was indeed a little dark, and the bed was rough, but none of these troubled him.

He hung his shirt on a wooden hanger and was about to turn off the lights and go to sleep.

Another door suddenly opened.

He turns around.

A man's figure walked in.

"Boss Li, you haven't slept so late, are you sleeping on the stone bench outside the yard tonight or are you going to sit all night?" Zhu Qixiong asked with a mocking smile.

Li Zhenting's eyes sparkled, his face expressionless.

"Zhu Qixiong, did you do it on purpose?" He stood behind and asked in a cold voice.

"What do you mean? I don't understand." Zhu Qixiong shrugged.

"Hey." Li Zhenting sneered, ran over and grabbed the pajamas on his chest, "You want to grab a woman from me, you are a little tender."

Chapter 1107: I am not afraid of death

"Really." Zhu Qixiong smiled fearlessly and calmly, pushed his hand away, and adjusted the pajamas on his chest, "In business, I don't think I can compare to you, but for the sake of being good to women, I think I am much stronger than you, and you don't have to use such a strong hand to deal with me. Obviously, now Shen Ning doesn't want to see you at all. For example, you have worked hard to find her, but I, It was she who took the initiative to send me the location map and invited me to come, this is the difference between me and you now, you can't deny it."

A trace of pain flashed across Li Zhenting's black pupils, but he was also extremely calm: "So what? My woman, I have the ability to make her suffer, and I can also make her change her mind and fall in love with me. As for you, the most you can do is make her smile, but she will never choose you."

"Ha, Li Zhenting, you are really arrogant, then try it and see if your woman will change her mind and fall in love with you again, I hope you can do so." Zhu Qixiong sneered, turned around, and gave a slap. Yawning, "It's getting late, let's go, don't disturb my sleep, now that Ningning sees you sick, I also see that you are uncomfortable, stop dangling in front of my eyes."

The corners of Li Zhenting's lips twitched, and suddenly he grabbed the clothes on the back of him again, gritted his teeth and warned in a low voice: "Zhu Qixiong, I warn you, if you dare to do anything to Shen Ning this time, or dare to violate her, I will definitely not let you go, I will let you and the Zhu Group be wiped out."

"Hey." Zhu Qixiong said hey twice, and said casually: "It's up to you, as long as you like it, I'm not afraid of death."

After speaking, she shook off his arm, pushed him away, yawned again, turned off the lamp, fell on the bed, fell into a big slumber, and ignored him.

Li Zhenting stood in the dark for a while, and said in a low voice: "Zhu Qixiong, you'd better not go against my scales and violate my bottom line, otherwise, I will do what I say."

He turned and walked out.

Zhu Qixiong let out a light snort, turned over and fell asleep.

Li Zhenting walked into the room where Aunt Dong slept, feeling very upset, and sat by the bed for a long time before lying down.

Aunt Dong is right. Love depends on the feelings of both men and women. It is love that moves people. He can no longer be so stubborn. He just warned Zhu Qixiong that as long as he doesn't stalk Shen Ning, he still has a chance.

He knows Shen Ning too well, she is very kind, and she will not see her child without a father, the key is that he has to change himself!

But during this time, he was too tired and sleepy, he had to rest first, and then think about the strategy!

Soon, he fell asleep.

the next day.

Zhang Xiaoxian walked in early in the morning with a big bowl of porridge, buns, side dishes, and dumplings.

"Sister Ning, it's time to have breakfast." After she entered, she put the breakfast on the dining table and called to the bedroom inside.

But there was no response after shouting a few times, so she had no choice but to push open the door of the bedroom next door. This room was connected to Shen Ning's bedroom, and she was going to pass through.

"ah."

Unexpectedly, as soon as she opened the door, she saw a young man with a shirtless body and only a pair of shorts combing his hair. With a scream, he covered his face and ran out.

Zhu Qixiong had just woken up, but he never expected that there would be a girl who pushed open his door at this moment. He was startled when he heard the scream, and when he looked up, he saw Shen Ning's best friend Zhang Xiaoxian standing at the door. He was shocked. Before she had time to get dressed, she saw her turn and run away with her face covered in red. After being startled, she couldn't help but smiled and shook her head.

Xiaoxian is really cute!

Chapter 1108: don't get me wrong

"Sister, sister." Zhang Xiaoxian ran to Shen Ning's bedroom and saw that Shen Ning was still sleeping on the bed, she cried softly a few times.

Shen Ning opened his eyes, it was already dawn.

"Xiaoxian, you're here so early." She got up sideways, with some difficulty, Zhang Xiaoxian quickly grabbed her arm and helped her.

"Sister, let's go have breakfast."

"good."

Shen Ning was a little tired all over, and he was still not feeling well after being irritated by that **** Li Zhenting yesterday.

"Xiaoxian, today I'm going to take Master Zhu around here for fun. It's inconvenient for me to have a big belly, so you can follow us and help me take care of it." Shen Ning washed up and came out to talk to Zhang Xiaoxian. Said.

Zhang Xiaoxian hesitated when she heard the words, she shook her head and said, "Sister, this is not very good, will I disturb you if I am caught between you?"

us? Shen Ning was stunned for a moment, knowing that she had misunderstood, and smiled: "Young Master Zhu and I are just ordinary friends, don't get me wrong."

"I don't believe it." Zhang Xiaoxian said, "Can ordinary friends come so far to see you?"

"You really think too much, I have such a big belly, could it possibly have something to do with him?" Shen Ning gave her a white look, "If you think about it, be careful that I will ignore you."

"But I see that Master Zhu looks at you very differently. Those eyes are bright and gentle, full of affection. I dare say that he must have a good impression of you." Zhang Xiaoxian remembered Zhu Qixiong's look at Shen Ning. For some reason, there was a sour feeling in my heart.

"Maybe, but it's impossible for me and him." Shen Ning shook his head and said sadly, "Forget it, don't talk about it, let's go around later, and then go to the lotus pond in the neighboring village. Appreciate the lotus, now the lotus is blooming, the lotus is very beautiful."

Zhang Xiaoxian's eyes lit up, the lotus flowers that could not be seen in the moonlight of the lotus pond were indeed very interesting and seductive, and Shen Ning denied the relationship with Zhu Qixiong, which made her feel a little relieved.

"Then let's prepare a boat. Boating is fun. I'll borrow it from the uncle in the neighboring village." She said happily.

"Well, yes, let's have breakfast first."

"good."

The two walked towards the living room.

"Ning Ning, good morning." Zhu Qixiong had already washed up and was standing in the living room, greeting her as soon as he saw her. He was wearing a French T-shirt and denim, looking very chic and foreign.

When Zhang Xiaoxian saw him, she remembered the embarrassment just now, and felt very uncomfortable for a while, she lowered her eyes and dared not look at him.

But Zhu Qixiong was generous, as if what happened just now had never happened, which made Zhang Xiaoxian quickly regain his composure.

"Qixiong, good morning, let's have breakfast." Shen Ning smiled at him and sat down first.

Zhu Qixiong and Zhang Xiaoxian also sat down.

"Mr. Zhu, although the breakfast here is simple and has few styles, it is all self-sufficient in the countryside. There are no pesticides and chemical fertilizers. It is authentic, very fresh and delicious. Eat more." Shen Ning put a dumpling in his pocket. Put it on his plate, and opened his mouth with a smile.

"Thank you, these are my favorite." Zhu Qixiong thanked.

"Young Master Zhu, come, let's have a bowl of eight-treasure porridge first. I made it early in the morning. It is very hot and tastes good." At this time, Zhang Xiaoxian also scooped up a bowl of porridge and placed it in front of Zhu Qixiong.

"Thank you, Miss Zhang." Zhu Qixiong glanced at her and thanked her politely.

The three began to eat breakfast.

only

It wasn't long before they ate, when footsteps came from behind.

Shen Ning looked back, his face turned dark instantly.

Chapter 1109: hit a soft nail

Li Zhenting strode over, sat down on the seat opposite Shen Ning, scooped a bowl of porridge for himself, picked up the buns and ate them.

Shen Ning stared at his eyeballs as if he wanted to kill someone.

But Li Zhenting didn't see it, just ate breakfast generously and calmly, and didn't talk to anyone, not even Shen Ning.

Shen Ning suddenly felt that he had hit a soft nail.

During this period of time, as long as she teased him, even a glance would make him panic, but now he doesn't even look at her, and he doesn't know whether he really gave up, or it's just superficial.

She deliberately refused to let him have breakfast, but it was obvious that he would not want to.

Thinking of almost hurting the child in his belly when fighting with him last night, seeing that he is ignoring her now, he probably gave up. As for him, he can eat as much as he wants, anyway.

So

She ignored him, bowed her head and went to eat.

"Ning Ning, this sauerkraut steamed stuffed bun is delicious, it's definitely suitable for you." Zhu Qixiong glanced at Li Zhenting who lowered his head and was wolfing down his breakfast. He didn't know how long he hadn't eaten. It seemed that he was abused by Shen Ning. With a slight smile on his lips, he picked up a sauerkraut bun and sent it to Shen Ning's bowl.

"Thank you, Qixiong." Shen Ning smiled at him.

"You're welcome, the capers are so refreshing, crunchy, so delicious, come, eat this." Zhu Qixiong moved another plate of capers from Li Zhenting to Shen Ning.

Shen Ning smiled sweetly at him: "Thank you, you can eat quickly, we have to go out and play quickly while the weather is not hot."

"En." Zhu Qixiong stared at the corners of his eyes again and was shocked. Although he was eating as if nothing had happened, his side face was obviously much darker.

Zhang Xiaoxian looked at Li Zhenting for a while, and then at the intimate way Zhu Qixiong took care of Shen Ning for breakfast, a little unclear.

Finally finished breakfast.

Zhang Xiaoxian went to wash the dishes.

Shen Ning hurriedly went to prepare things, and after a while she came out wearing a bamboo hat and sun protection clothing, but just as she came out, she saw Li Zhenting walking in front of her with a briefcase and bowed her head. He had a broad and steady back, and walked quickly. Yes, as if to do something.

He should be leaving, so it's best.

She gave him a cold look and walked towards the living room.

Zhang Xiaoxian has finished washing the dishes and came out, and Zhu Qixiong is on the phone.

"Let's go." After a while, Zhu Qixiong put down the phone and smiled at them.

"good."

The three of them walked outside, and when they got out of the fence in the yard, they saw a tricycle parked there with a farmer sitting on it.

"Uncle Huang, why are you here?" Zhang Xiaoxian asked in surprise.

"I invited him here. It's too hard to walk in the hot weather. I asked him to drive us away." Zhu Qixiong answered with a smile first.

"Then how did you know Uncle Huang?" Shen Ning was surprised.

Zhu Qixiong smiled: "I have clairvoyance and can talk through the air."

Actually, when he came here yesterday, because he couldn't find Shen Ning and was walking around the village, he happened to see Uncle Huang's car, so he paid for it and rented it out, which happened to come in handy today.

"Cut, who will believe you." Shen Ning rolled his eyes at him.

"Both ladies, get in the car quickly, it will be hot when the sun comes out." Zhu Qixiong urged them to get in the car with a smile, and he himself jumped into the car first.

So, Shen Ning and Zhang Xiaoxian also came up.

Uncle Huang started the car and took the three of them around the village.

"Tsk tsk, it's so beautiful." Shen Ning looked at the beautiful scenery outside and kept praising.

In fact, she has been here for so long, and she has never had time to go out to play, and it is the first time to see it now. It is very fresh and very happy.

Uncle Huang was very responsible, he took them around and went to every place.

Two hours later, he took them to the moonlight of the lotus pond in the neighboring village.

Chapter 1110: i will protect you

"Oh my God, the lotus is so beautiful." From a distance, they saw endless lotus flowers, each blossoming and swaying in the wind, even Zhang Xiaoxian, who had always been used to seeing lotus flowers, couldn't help admiring.

"Yes, it's really beautiful." Shen Ning echoed, she had never seen so many lotus flowers since she was a child, and now she was amazed by the beauty.

"The lotus leaves in the sky are infinitely blue, and the lotus flowers are red in the sun." Zhu Qixiong was so poetic that he chanted casually.

"Qixiong, not bad, he can also recite poems." Shen Ning laughed jokingly.

"Pfft, everyone knows what's in elementary school textbooks."

Zhu Qixiong laughed, jumped out of the car first, and stretched out his hand to Shen Ning: "Come on, I'll help you get out of the car."

"Thank you." Shen Ning helped Zhu Qixiong's outstretched arm and got out of the car carefully.

Zhang Xiaoxian jumped out of the car early.

"Today we will have a good time. I borrowed a boat and Uncle Yang will help us row the boat. We can walk through the sea of flowers, admire them, and take pictures. Some mature lotus seeds can be eaten, and we can also pick water chestnuts to eat." She shouted happily and ran towards the bank of the lotus.

Shen Ning looked in the direction she was running, and saw a small boat was parked there, and a middle-aged man was sitting on the boat.

"Come here, the boat is easy to row here." Seeing them coming, the middle-aged man quickly stood up, picked up the oar and shouted at them.

"Okay, let's go there." Shen Ning was very happy and walked towards the boat.

Zhu Qixiong strode up to follow.

"Well, Xiaoxian, you can play with Zhu Shao, I won't get on the boat with a big belly, just stand on the shore and watch you play." Seeing the boat swaying, the water surface was in the sun. Under the light, it was white, Shen Ning's mind suddenly flashed the horror scene of being pushed into the sea by Shen Mei, his face turned pale, and he didn't dare to take the boat.

"Sister, it's a pity that you don't take a boat for such a good opportunity. It's okay. Uncle Yang rowed very steadily, and the water is not too deep. Come up, don't worry, I will protect you. I am good at water." Zhang Xiaoxian Seeing that Shen Ning couldn't get off the boat, he was very unhappy, so he immediately climbed up and pulled Shen Ning to get her off the boat.

Shen Ning still hesitated.

"Ningning, come down, this boat is very stable, don't worry, the three of us will protect you, there is nothing to see standing on the shore." Zhu Qixiong came up to persuade.

"Okay." Finally, Shen Ning boarded the boat with the support of Zhu Qixiong and Zhang Xiaoxian, and sat in the center.

Uncle Yang rowed the boat, and the boat rowed towards the lotus pond.

"Sister, let's pick some water chestnuts. The tender ones are very sweet, and the old ones can be eaten with stew." Zhang Xiaoxian took a blueberry, reached out and fished out a fluffy green plant floating on the water, and turned it over. .

Sure enough, it was covered with purplish red water chestnuts, shaped like ox horns.

She quickly picked a handful and put them in the basket.

"Come on, sister, try one first." She casually picked up a piece of peeled tender meat and handed it to Shen Ning.

Shen Ning took it and chewed it in his mouth. The meat was thick and delicious, sweet and fragrant.

"It's really good." She ate several in a row, and when she became interested, she also picked up water chestnut leaves from the water and picked them up.

Zhu Qixiong also felt that the taste was good after tasting it, so he started picking it.

"There is a story between the water chestnut and the bull devil..." Seeing that they were very excited, Uncle Yang told the story beside him.

Just like that, the three of them picked water chestnuts while listening to the story, laughing happily, and after a while they planted a big basket full.

The boat gradually rowed into the lotus bushes, and the lotus flowers were so beautiful.

"It's so beautiful, take a picture for me." Zhang Xiaoxian cheered, reached out and grabbed the largest and most beautiful lotus, put it next to her face, and called to Shen Ning.

"Don't worry, I'll take pictures for you." Shen Ning was about to take pictures with his mobile phone, but Zhu Qixiong had already pointed his mobile phone at Zhang Xiaoxian, and took pictures frantically.

"Sister, take the photo." Zhang Xiaoxian planted the most beautiful flower and handed it to Shen Ning.

"It's a pity to be planted." Shen Ning looked very regretful.

Zhang Xiaoxian smiled: "Thousands of flowers, if you don't plant them for appreciation, it's a waste of the flowering period. You only need to pick the flowers when they are ready to be picked. Don't wait until there is no time to pick the branches! And this flower will not bear fruit, don't worry."

As she spoke, she put her arms around Shen Ning, their faces touching each other, with bright smiles.

Zhu Qixiong took the opportunity to take several consecutive photos.
