

Troublemakers 1111

Chapter 1111: He looks like a great person

"Hey, those rowing in front, go away, this place has been contracted by us, you can't row here, get out of here quickly." When Shen Ning and the others were playing happily, a boat came out from the opposite side. The middle-aged woman floated towards them with a paddle, and chased them loudly.

Zhang Xiaoxian heard the words and looked at Uncle Yang: "Uncle Yang, who is she and why is she so overbearing? Isn't this place from the village? Why does it belong to her family?"

Uncle Yang saw that this was Aunt Xie from the village head, she didn't care about these things at all, let alone contracting, what was going on today?

Shen Ning had been looking at the small boat sailing towards them, his eyes quickly fell on the young man sitting in the middle of the boat wearing a hat, a cold chill appeared on the corners of his lips.

Li Zhenting, the lingering guy, even rushed over, thinking that he was determined to leave, but it seems that not only did he not leave, but he wanted to play some Western scenes instead.

She believes he did buy it!

He has plenty of money, so it's not surprising that he can do this kind of thing!

Zhu Qixiong, who was sitting beside him, had also seen Li Zhenting a long time ago, the fire flashed in his deep eyes, and then he squeezed them out again.

He looked at him very calmly, with a disdainful smile on the corner of his lips.

Today's Li Zhenting has changed his unhealthy appearance from last night. He has cut his hair, changed into a set of casual clothes, white shirt, and black shorts. He looks very energetic and capable.

"Sister Xie, what are you doing, this is the public lotus pond, why can't you play here?" Uncle Yang questioned Sister Xie.

Xie Dasou patted his palms and smiled: "This matter is really different now. It turned out to be the property of the public, but now someone has paid for the rent and bought it. Now that it has been rented and bought, it is someone else's property." Now, it's wrong for you to laugh and play here, and you have picked so many water chestnuts, so you have to give them back to others."

Uncle Yang frowned: "You ghost wife, I have lived in this village for generations and have never heard of such a thing. If you dare to act wild here, let me see if I don't beat you to death."

Uncle Yang didn't believe that someone would buy such a ruined place.

"Brother Yang, you haven't heard that it's your short-sightedness. Forget it, I won't say it. Anyway, I didn't buy it. I was just hired by someone. If you have any questions, just ask this person." President Li." Mrs. Xie pointed to Li Zhenting who was sitting in the middle of the boat after she made the boat steady.

Uncle Yang looked at Li Zhenting after hearing the words.

Looking at this, I was a little terrified.

This young man is very handsome, his eyes are sharp, and he is a powerful person at first glance. What is going on in Yuhe Village recently? Some people with extraordinary behavior have appeared repeatedly. He has never seen such people in his entire life here. , could not help but feel a little confused.

"Uncle Yang, I have indeed bought this place. This is the contract, you can take a good look at it." Li Zhenting stood up, shook the contract paper in his hand, and declared his sovereignty.

Uncle Yang's eyes widened.

What is the young man doing here? Could it be that he wants to engage in farming?

"Forget it, Uncle Yang, let's not look at the lotus, let's go ashore and go back." She tensed her face and said to Uncle Yang.

Uncle Yang is very embarrassed, originally invited him to row the boat today, Shen Ning gave him wages, now it seems that this is not a game, and he is about to open his mouth to be a peacemaker, so he advises Li Zhenting not to be too fussy, play with them for a while All will go.

"Since it's been bought by someone, let's go back." Zhang Xiaoxian also became angry. Sure enough, Shen Ning's ex-husband is not easy to mess with. Even if he bought this place, Shen Ning would still be his ex-wife no matter what. , is still pregnant with his child, how can anyone do such an absolute thing.

Chapter 1112: you are mean and shameless

"Yes, let's go back, who cares about playing in this kind of place." Shen Ning stared fiercely, and demanded to go back decisively.

"Hey, well, we can only go back." Uncle Yang had no choice but to turn the bow of the boat and row towards the shore.

Zhu Qixiong watched Li Zhenting use this kind of child's play to force Shen Ning to submit, and he found it more and more interesting. There was an unfathomable smile on the corner of his lips. When he looked at Li Zhenting, he was completely superior, as if Li Zhenting was his Like a defeated general.

How could Li Zhenting not understand his thoughts, his sharp eyes stared at him, his teeth itching with hatred.

"Hey, you can't take the water chestnut away, it's Mr. Li's." Just as they were about to go ashore, Zhang Xiaoxian picked up a basket of water chestnuts they picked, but Aunt Xie screamed.

"If you don't want it, you don't want it, what's so great about it." Zhang Xiaoxian was so angry that her stomach hurt, she threw it away with a wave of her hand.

"Ning Ning, come, I'll carry you aboard." At this moment, Zhu Qixiong hugged Shen Ning from behind and walked towards the shore.

Li Zhenting's eyes looked like he was going to kill someone. The once weak body belonged to him only, but now it was held in his arms by another man in front of him.

Damn Zhu Qixiong!

Looks like he hasn't taught him enough lessons last time! How dare he touch his woman.

"Thank you, Qixiong." On the side of the road, Zhu Qixiong gently put Shen Ning down. Shen Ning helped him stand firmly and thanked him in a low voice, but when he raised his eyes, he saw that Zhu Qixiong was looking at her affectionately. The sticky light seemed to be laced with sugar, and she couldn't help but feel a burst of warmth on her face.

Zhu Qixiong looked at her predicament, smiled softly, and turned around. Li Zhenting was standing on the boat, his eyes were piercing, as if he was about to execute Ling Chi!

"President Li, I'm really sorry. I didn't know that you had already bought this lotus pond. It's so offensive. In this case, I will transfer 2,000 yuan to you immediately to make up for your loss." Zhu Qixiong took out his phone and took a quick click, and soon transferred two thousand yuan to Li Zhenting.

Then he turned around and said to Shen Ning and Zhang Xiaoxian:

"Let's go, the weather is getting hot, so it's not suitable for playing for a long time."

"Yes." Both of them nodded at the same time.

Zhu Qixiong Shi turned around and walked in the direction he came.

Both Shen Ning and Zhang Xiaoxian turned their heads and gave Li Zhenting an unfriendly look, then turned and left.

Li Zhenting was stunned for a while, shook a bit, and almost fell into the water.

Zhu Qixiong, you mean and shameless villain, how dare you insult me, let's see how I deal with you!

For the first time, he felt that money could not solve the problem.

Today, he listened to Aunt Dong's advice, cleaned himself up first, and bought a lot of things back. As soon as he came back, Aunt Dong said that the three of them had gone to play in the lotus hall of the neighboring team.

He immediately walked over, and sure enough, he saw Zhu Qixiong taking Shen Ning and Zhang Xiaoxian playing in the lotus pond. For a moment, a deep jealousy welled up in his heart, and he immediately called Captain Wang and said he wanted to buy it. That piece of lotus fish pond.

This place was originally abandoned and long lotus roots. It would be good if someone bought it, and what made Captain Wang happy was that the price was so good, they signed the contract immediately.

Li Zhenting took the contract and left. Originally, he just wanted to drive away Zhu Qixiong, but obviously, Shen Ning really hated seeing him. Once he came, they all wanted to leave!

Seeing her flirting with Zhu Qixiong, as if they were in love, he was furious!

"Go ashore." As soon as the three of them left, Li Zhenting was immediately bored, and asked Aunt Xie to row the boat to the shore.

Li Zhenting went ashore, and the three of them were still walking ahead talking and laughing.

Because Shen Ning was pregnant, they walked extremely slowly.

Li Zhenting glanced coldly at Zhu Qixiong and followed him with strides.

Chapter 1113: This cheek is too thick!

"Ouch." As Shen Ning was walking, he suddenly kicked a small stone with his foot, his center of gravity was unstable, and his body was sprained, as if he was about to fall. Li Zhenting, who had been silently watching her from behind, suddenly felt a throbbing pain in his chest. , immediately rushed up, hugged her, and shouted anxiously: "Ningning, be careful."

At the same time, Zhu Qixiong also reacted, and stretched out a hand to grab Shen Ning's arm.

"What do you want to do? Get out." Shen Ning came back to his senses, pushed Li Zhenting away immediately, and yelled at him, "Who told you to touch me? Didn't I tell you? I You are not even considered as ordinary friends, you are not qualified to come and hug me."

"Ningning, I'm worried about you. You almost fell down just now. If you fall, it will hurt the child in your stomach." Li Zhenting quickly explained.

But what Shen Ning couldn't listen to the most was his explanation, he just sneered repeatedly: "Li Zhenting, you finally showed your fox tail, you came here to find me for the child in my stomach, you think you can Do you **** the children back with your domineering and powerful wrists like Coco and Xiaoxiao? Tell you, it is absolutely impossible. This time, unless I die, or I die with the children, I will never Let you succeed."

Li Zhenting stood there in shock.

"Li Zhenting, don't waste your time in vain, get out of here, I feel disgusted when I see you." Shen Ning yelled at him with red eyes.

"Ning Ning, don't get angry." Zhu Qixiong hurriedly rested her shoulders on his strong arms, comforting her.

At this time, Shen Ning was so excited that his whole body was shaking, which was not good for a pregnant woman who was about to give birth.

"Don't worry, as long as someone comes to **** your child, I will definitely guard by my side and prevent anyone from succeeding." He comforted her.

"Qixiong, thank you." Shen Ning gradually calmed down the anger in his heart, and smiled, "Let's go back quickly, I'll make something delicious for you."

"Okay, thank you." Zhu Qixiong helped her by the shoulders, and led her to walk forward slowly.

Li Zhenting only felt that he had been slapped in the face until he lost all color. Shen Ning's distrust and assumptions towards him made him lose even the courage to live.

It turned out that his impression in Shen Ning's heart was so bad!

"Hmph, tell you, if you dare to harass my sister again, I won't let you go, villain." Zhang Xiaoxian also hated Li Zhenting, so she gave a stern warning before catching up.

At this moment, Li Zhenting felt like an annoying dog, and everyone wanted to drive him away.

But he has been looking for Shen Ning for so long, and finally found it. He can't lose it easily, absolutely not!

During lunch, Shen Ning and Zhang Xiaoxian cooked a table of delicious dishes for Zhu Qixiong.

Standing outside, Li Zhenting smelled the fragrance in the room, thinking of Shen Ning seeing his disgusted face, he felt bitter and unwilling.

In the room, Zhu Qixiong was like a distinguished guest, surrounded by Shen Ning and Zhang Xiaoxian, taking care of him meticulously.

He is not reconciled!

When everyone was sitting down and getting ready to eat.

Li Zhenting walked in generously with long legs, and sat down directly next to the main seat.

As soon as he sat down, Shen Ning's face changed color, and he stared at him angrily.

This **** came here uninvited, he's too thick-skinned!

She pursed her lips tightly, wishing she could eat him.

"There are so many delicious foods, let's eat quickly." Li Zhenting didn't intend to be polite at all, so he picked up the chopsticks and ate the vegetables.

"Li Zhenting, who allowed you to come in for dinner?" Shen Ning finally couldn't help it, and asked angrily.

"Please, I am also your child's daddy anyway, do you have the heart to starve me to death?"

"But am I responsible for cooking for you? Why is your face so big? Don't you feel ashamed?" Shen Ning replied directly.

Chapter 1114: Do you have to do it so badly?

"Ning Ning, I never felt ashamed. It's normal for my children's mommy to cook for me." Li Zhenting had no shame!

"You..." Shen Ning was so angry that his fingers trembled!

"Ning Ning, do you have to do it so badly?" Li Zhenting looked up at her, "Don't forget, Ke Ke, Ding Ding and Xiao Xiao are still living with me, do you plan to never see each other again in this lifetime?" Are they there yet?"

As soon as these words came out, all of Shen Ning's strength and pretense were torn to pieces at this moment.

Li Zhenting is warning her not to go too far, otherwise, he will not let Ke Ke and Ding Ding meet her.

Shen Ning can accept anything, but this is not acceptable.

She gave him a hard look, and swallowed all the words she wanted to blurt out.

The corners of Li Zhenting's lips curled up slightly, and he finally found her weakness. I hope that the future will not be so hard!

He had suffered enough during this time.

"Mr. Li, when are you going back to the imperial capital?" Zhu Qixiong took the initiative to ask Shen Ning after picking up a chopstick dish.

Li Zhenting was disgusted to death by Zhu Qixiong a long time ago.

While eating like this for a while, knowing that he was by his side, he specially picked up vegetables and served bowls for Shen Ning, wiped her mouth, and took good care of her. Full of annoyed.

"How can I go back? My children are still in Mommy's womb. If I go back without seeing the children, others will scold me for being irresponsible." He said coldly.

This is obviously telling him that Shen Ning is his woman, pregnant with his child, so let him restrain himself.

But Zhu Qixiong just doesn't know how to restrain himself!

"So it's because of this, don't worry, I will take good care of Shen Ning and help her take care of the children. As for not being responsible, that's true. You have long been not responsible when you were in the imperial capital." He said righteously.

Li Zhenting became even more disgusted when he heard that, his child, he Zhu Qixiong scrambled to take care of it, what is this guy's intention!

Coincidentally, Zhu Qixiong is going to pick up a lotus root!

As soon as he picked it up, Li Zhenting's chopsticks suddenly reached out and grabbed it.

It's okay to grab it and eat it in his mouth, but he even threw the lotus root that Zhu Qixiong had caught on the table, with a look of disgust on his face.

Then use a finger towel to wipe the place where the chopsticks have caught the food.

His behavior made everyone at the table look at him.

This is obviously humiliating Zhu Qixiong.

Shen Ning stared at him and dared not speak out, she was really worried that if he was provoked again, and then he would be completely annoyed, so that she would never see Coco, Ding Ding and Xiao Xiao again in this life, then she would not cry die.

And Li Zhenting has become a little mentally abnormal in her opinion during this period of time!

"Come, come, eat." After Li Zhenting finished this move, he took the initiative to turn against the guests, and generously greeted everyone to eat, as if this was his home and he cooked these meals.

Zhang Xiaoxian looked at him angrily, this man is really thick-skinned.

Aunt Dong bowed her head to eat, pretending not to see.

Zhu Qixiong's face darkened, but a smile appeared again.

In his life, he has suffered a lot, and he has suffered all kinds of setbacks. Of course, he doesn't care about Li Zhenting's insult.

"Qixiong, come, eat some vegetables." At this time, Shen Ning would not watch Zhu Qixiong being humiliated, and immediately took the vegetables to his bowl with concern, looked at him with bright eyes, and smiled .

"Okay, thank you, Ning Ning." Zhu Qixiong looked at Shen Ning tenderly and affectionately, stretched out his fingers and pinned a strand of hair from her forehead behind her ear, and said pitifully, "Don't worry about me, I will pinch it myself." Yes, but you should eat more, you still have a baby in your belly."

Chapter 1115: really not afraid of torture

"Well, don't worry, no one will wrong the baby in my stomach." Shen Ning caressed his belly with one hand, his face was full of the brilliance of maternal love.

Li Zhenting looked at her with heavy eyes. At this moment, the woman's eyes and face were full of agility and excitement, and even the tiny fluff on the corners of her lips were soft, which made her docile and well-behaved.

He was a little lost.

When Shen Ning inadvertently raised his eyes, he saw that Li Zhenting was looking at her foolishly, his eyes immediately showed disgust and disgust, and he lowered his head to eat.

Li Zhenting had a wry smile on his face, and Shen Ning's dislike for him made him feel like he was rejected and rejected like a piece of shit.

It turned out that he had already become so unbearable in Shen Ning's mind.

But he was not discouraged!

Because, he has fallen in love with Shen Ning, without her, he would not be able to live, nor would the children, and he must think about the happiness of himself and the children.

"Aunt Dong, Xiaoxian, you have worked so hard to cook, and you shouldn't be doing the dishwashing work anymore. You should go to rest first. Some people here are eating and drinking for free. Why? There is no free lunch in the world. After eating, you should work, we don't have any young masters here." After eating, Zhang Xiaoxian and Aunt Dong competed to clean up the dishes, but Shen Ning stopped them and said this expressionlessly. talk.

Everyone was taken aback, and immediately turned their eyes to Li Zhenting.

Everyone knew that she was targeting Li Zhenting.

The corners of Zhu Qixiong's lips twitched slightly, his black pupils were unpredictable.

Li Zhenting was stunned for a moment, then stood up immediately and said, "It's okay, I'll come to Xian, you all go to rest."

After speaking, the man's white fingers began to pick up the dishes.

Everyone looked at his slender and clear fingers, and when they were wondering whether he could do the job, they saw him put away the bowl swiftly, not like a pampered young master at all.

Not long after, he collected all the bowls and went to the kitchen to wash them carefully.

"The living room is very dirty, mop the floor after washing the dishes." Shen Ning stood up and ordered loudly towards the kitchen.

"Okay, I'll clean up later." Li Zhenting answered obediently immediately.

Shen Ning turned around and walked towards the bedroom.

The sun was a little fierce at noon, everyone was not energetic and a little sleepy, so they went back to their rooms for a lunch break.

"Sister, Gao." Zhang Xiaoxian followed Shen Ning to the bedroom, yawned, turned her head and looked outside, Li Zhenting had already finished washing the dishes, and was cleaning the floor seriously. He cleaned very carefully and meticulously, she With a smile on the corner of his lips, he gave Shen Ning a thumbs up.

Shen Ning also looked out, with a flash of disdain in his eyes, but also a hint of surprise.

She didn't expect Li Zhenting's resilience to be so strong, and she was really not afraid of torture. In her heart, there was a fleeting shock, but it was only for a second, and then, strong resentment and hatred welled up in her eyes.

Various images of her being framed by Shen Mei and being bullied by Xiaofeng flooded her mind, making her calm heart suddenly become restless.

Li Zhenting, no matter what you do, no matter how you ask for forgiveness, you are unforgivable, because you really deserve to die!

She lay on the bed with her clothes on, and slowly fell asleep.

In the afternoon, Shen Ning woke up after sleeping and felt his lower abdomen slump. He counted with his fingers, and it was only a week or so before giving birth.

Why hasn't Ji Qingshan come yet?

She couldn't help feeling a little anxious, and went to find her mobile phone, wanting to call him to confirm.

Chapter 1116: What kind of fairy sister is Shen Ning?

"Ning Ning, Ning Ning." Just as Shen Ning picked up the phone, suddenly a young man's voice came from outside the yard, accompanied by the sound of knocking on the fence door.

Shen Ning was startled for a moment, and was soon overjoyed.

Really said Cao Cao Cao Cao arrived!

Ji Qingshan finally came.

"Qingshan, here I come." Shen Ning quickly got up, got off the bed carefully and walked outside.

"Sister, be careful, don't go so fast, I'll help you." Zhang Xiaoxian also woke up, and immediately followed to help Shen Ning walk out.

"Ning Ning, this place is so hard to find." Ji Qingshan looked around with a big medicine box in his hand, and smiled helplessly.

He has walked back and forth in this village several times.

"Yes, but the environment here is good, you should call me so I can come and pick you up." Shen Ning said embarrassedly.

Ji Qingshan is a doctor after all, the first thing he looked at was Shen Ning's stomach.

"I called you, but I couldn't get through. Well, it's quite big, and it's about to give birth."

"Yes, my stomach was still a little sore just now."

"Then you have to pay attention, but don't worry, I'm ready to make sure you're okay." Ji Qingshan followed Shen Ning and walked inside.

"Xiaoxian, please pour a glass of boiling water for Professor Ji." Shen Ning was talking to Zhang Xiaoxian while walking.

who knows

She didn't get a response even after saying a few words, she looked back and saw Zhang Xiaoxian standing aside, silly, she looked like a nympho!

Hey, this little woman, she shook her head, not knowing whether to laugh or cry, so she had to bring Ji Qingshan in.

Here, Zhang Xiaoxian fell into an unimaginable shock.

Oh my god, what kind of fairy sister is Shen Ning? The men she dates with are more handsome and elegant than the other, and they are all dragons.

Although she hasn't seen much in the world, she also met many male classmates when she was in college. She has never seen such handsome, handsome, noble and rich, not even one in ten thousand. This time, it was an eye-opener.

Shen Ning led Ji Qingshan into the living room, Ji Qingshan was startled as soon as he entered.

I saw Li Zhenting sitting on the wooden sofa in the living room, crossing his legs and talking on the phone. He should be arranging work. When he saw them, there was calm emotion in his eyes.

"Ning Ning, it seems that I came at a bad time." Ji Qingshan, who had always been aloof, only became tense when he saw Li Zhenting, without any expression.

He has never had a good impression of Li Zhenting.

"No, Professor Ji, you came at just the right time. My due date is coming soon. You must help me. Only you know what's wrong with me. Some people are begging for nothing, and they can't be driven away. , I can't help it." Shen Ning immediately explained, looking at him beggingly.

Giving birth to the baby in her womb is her only wish at present, and she hopes that Ji Qingshan can help her like last time.

"You." Ji Qingshan shook his head and patted her head, "Don't worry, if you come, you'll be fine, I won't just leave you alone."

"Thank you Professor Ji." Shen Ning smiled happily.

"Come on, I'll give you a checkup first." Ji Qingshan is worthy of being a famous doctor, as soon as he came in, he dragged Shen Ning into the bedroom and gave her a big checkup.

Shen Ning's worries just now disappeared soon. With a good friend like Ji Qingshan, what else is she afraid of.

"Well, yes, the fetal position is normal, and the children are developing very well, much better than last time." After a while, Ji Qingshan retracted the stethoscope and nodded with satisfaction.

"Thank you."

"But the amniotic fluid is a little low. According to the current situation, I suggest you go to the hospital tomorrow." Ji Qingshan solemnly put forward his suggestion.

"Okay, I think so too." Shen Ning nodded in agreement, and was going to pack up and go to the hospital tomorrow.

After a while, Zhu Qixiong walked in.

Ji Qingshan and Zhu Qixiong were considered acquaintances, and chatted for a few words.

In the afternoon, Aunt Dong and Zhang Xiaoxian started to cook, and they made a big table full. Everyone sat around and ate happily.

Chapter 1117: Ji Qingshan, here I come!

"Cousin-in-law, cousin-in-law, are you home?" While everyone was sitting around eating and chatting, suddenly, another woman's voice came from outside the yard.

Ji Qingshan's ears twitched when he heard this voice, and he couldn't help but frowned.

And Shen Ning was also in a trance for a while.

This voice is so familiar, but I can't remember it for a while, I just sit in a daze.

Zhu Qixiong laughed, but did not speak.

"Cousin, open the door quickly." At this time, outside, Li Jiaojiao slapped the gate fence and shouted.

"Okay, I'm here." Zhang Xiaoxian finally heard a girl's voice, and called her cousin again. She concluded that it was Shen Ning's relative, and hurriedly stood up to open the door.

"Excuse me, miss, does Shen Ning live here?" Seeing Zhang Xiaoxian, Li Jiaojiao smiled.

"Yes."

"Yeah, great, I finally found my cousin."

Li Jiaojiao walked in with her luggage on her back. Suddenly, she screamed again: "Cousin, so you are here too."

In the courtyard, Li Zhenting was answering the phone, with a sharp side face, and Li Jiaojiao called to open the door, but he pretended not to hear him at all. Seeing that Li Jiaojiao recognized him, he just glanced at her and continued to make calls.

Li Jiaojiao was a little disappointed.

It turned out that her cousin had come here a long time ago, but she was late. Originally, she was going to ask her cousin for rewards after finding her cousin, but now, it seems that this is a dead end.

However, soon, her eyes lit up.

Sure enough, she saw Ji Qingshan sitting at the dining table in the living room.

You guessed it right!

Wherever my cousin is, Ji Qingshan will be there! This is the most important thing!

Ji Qingshan, here I come!

"Cousin-in-law." She shouted, opened her arms and rushed in, about to hug Shen Ning, but was stopped by an arm.

"Miss Li, Shen Ning has a big belly now, please exercise restraint." Ji Qingshan stopped the crazy girl with one hand, his brows furrowed, and his tone was cold.

Li Jiaojiao didn't know if it was intentional or if she couldn't hold back her arms, she folded her open arms and hugged Ji Qingshan's neck at once.

Pull hard.

Ji Qingshan's head was forced to tilt.

Her red lips pecked at him, and happened to land on his nose.

If it landed on the nose, let it be the nose, but she dared to slide along his nose and onto the man's lips.

It is fragrant and soft, and it feels good!

Li Jiaojiao's heart throbbed.

Ji Qingshan's breath produced smoke.

"Get out." He pushed Li Jiaojiao away, furious.

Li Jiaojiao was pushed back a few steps and fell on the wall. There was a huge pain in her back, and she pouted.

Shen Ning didn't realize until now that it was Li Jiaojiao who came.

What a foolish three-year pregnancy!

She failed to recognize Li Jiaojiao's voice.

"Jiaojiao, how did you come here?" She looked at Li Jiaojiao and asked.

Li Jiaojiao glanced at Ji Qingshan next to her, walked up and hugged Shen Ning: "Cousin, why did you come to such a place, you don't know, I miss you every day since you disappeared, I wanted to find you, but I was afraid that it would be unsafe for you to be a pregnant woman, and I was afraid that you would suffer a disadvantage. I criticized my cousin every day for not protecting you well and causing you to wander around. I went to school to pick up the children every day, took them to play, and relieved them."

At that time, Shen Ning's mind was buzzing, and he didn't hear anything, only the following words "children" fell into his ears clearly.

"How are Ke Ke, Ding Ding and Xiao Xiao doing now?" She pushed her away, grabbed her hand and asked eagerly.

Chapter 1118: He was kissed by this woman

"Hey, cousin, it's too miserable. A child without a mother is like a grass." Li Jiaojiao shrugged and squeezed a few tears from her eyes, "The children miss Mommy every day, I don't think about eating and drinking, especially my little eyes are swollen from crying, Ke Ke has lost a lot of weight, and Ding Ding's personality has become more withdrawn. I came out to look for you because I couldn't see it. I didn't expect to see my cousin when I came here with them all here."

She wiped away her tears, and suddenly said very angrily:

"Biao sister-in-law, you are too serious about **** and friends. You told them all your addresses, but you forgot me. Anyway, I am on the same side as you. When Shen Mei and Xiaofeng hurt you, I was against you." It's here, but now it's hard for me to find it, doesn't it chill my heart, woo woo."

While speaking, she held a tissue and began to cry.

When Shen Ning heard the tragic situation of the children, his whole heart felt like a knife was being cut.

And Li Jiaojiao's crying disturbed her even more.

"Jiaojiao, I didn't tell them, they found it by themselves, have you eaten yet? Stop crying, let's eat first." Shen Ning patted her on the shoulder to comfort her.

"Miss Biao, eat quickly." At this time, Aunt Dong brought the bowls and chopsticks and put them in front of Li Jiaojiao.

After pretending to wait for a while, Li Jiaojiao picked up the bowl and chopsticks and sat down next to Shen Ning, and moved the chair. When she turned her head, she saw Ji Qingshan sitting beside her, looking at her coldly with a sullen face. It's full of disdain and ridicule.

She suddenly raised her lips and smiled at him: "Professor Ji, what a coincidence, I met you here. Just now, I'm really sorry, I didn't know it was you..."

Ji Qingshan's expressionless face turned a little red. Just now, he was kissed by this woman in front of so many people.

Damn it!

"Hmph." He moved his chair, snorted coldly, moved away from her, and ignored her.

Li Jiaojiao was very happy from the bottom of her heart.

Finally found him.

Actually, she found out that Shen Ning lived in Yuan County from Li Zhijun, so she came here.

In her subconscious mind, as long as she finds Shen Ning, she can find Ji Qingshan.

Indeed.

Here she sees a man who misses day and night! So worth it!

Ji Qingshan ignored her, she didn't care at all, as long as she was happy anyway.

Shen Ning sat in a trance, thinking of Ke Ke, Ding Ding and Xiao Xiao, feeling very uncomfortable in his heart.

When everyone was eating, Li Zhenting came in calmly, sat down on the chair next to Shen Ning, picked up chopsticks and ate.

Shen Ning glared at him fiercely, and the disgust on his face was about to come out.

"Qingshan, Qixiong, eat first, I'm full." She put down her chopsticks with a 'snap', gave Li Zhenting who was sitting next to her a blank look, stood up and left.

She was really annoyed by this pair of cousins.

One made herself humiliated, but couldn't get rid of him, and the other ran the train all day long, without any shape, but they still stayed by her side like innocent ghosts all day long.

But what worries her the most are Coco, Ding Ding and Xiao Xiao.

Thinking that Coco has lost weight, her little eyes are swollen from crying, and Ding Ding is even more depressed, her heart is really uncomfortable.

In the room, because of the arrival of Ji Qingshan and Li Jiaojiao, it suddenly became crowded.

In the end, Zhu Qixiong had no choice but to voluntarily give up the room to Ji Qingshan, because Ji Qingshan is a doctor, and it is safer for him to stay by Shen Ning's side who is about to give birth.

And when Li Jiaojiao saw Ji Qingshan sleeping next door, she became even more attached to Shen Ning, she insisted on sleeping with her, Shen Ning could only do as she wished.

The night was dark.

Everyone fell asleep!

In the darkness, Li Jiaojiao tiptoed out while sucking on her slippers.

Chapter 1119: you have to be careful

"Cousin, I didn't expect that you have become such a good man now, working as a nanny here every day." Li Jiaojiao slipped into the small room where Li Zhenting lived. He was busy with work, obviously, he was dealing with work matters, she folded her arms around her chest, leaning against the door panel, looking at him casually and laughing.

Li Zhenting didn't even raise his head, and asked in a cold voice, "What are you doing here?"

"Of course I came to see my cousin, don't you know? I always care about my cousin very much, even more than you." Li Jiaojiao replied with a smile.

"Hey." Li Zhenting said coldly, not bothering to talk to her.

"I said cousin, when will you succeed in robbing and get your cousin's forgiveness." Li Jiaojiao suddenly asked seriously.

Tonight, after everyone finished eating, everyone went to rest and wash up. He was the only one who was seriously washing the dishes, cleaning the table, and sweeping and mopping the floor. He was definitely a nanny. She was very surprised when she saw it.

That President Li, who is admired by thousands of people in the mall, is able to bend and stretch, and becomes a nanny for his cousin, which is really impressive.

Li Zhenting's face sank: "Are you okay? Didn't go to bed quickly."

Compared to washing dishes and cleaning, the one in front of him is the real pain. He sleeps on the stone bench in the open-air yard every day, and his face is covered with mosquito bites. Now this is very good, at least he can sleep and eat.

"Cousin, I think my cousin-in-law likes Zhu Qixiong very much now, you have to be careful." Li Jiaojiao seriously reminded after walking a few steps in the house.

"Do you really think that Shen Ning will choose Zhu Qixiong?" This sentence touched Li Zhenting's heart, because he thought so too, so he raised his head and asked.

"Why not? Zhu Qixiong is considerate, considerate and gentle, and understands women's thoughts very well. She is very popular with women. My cousin is just a woman, or a woman who has been scarred by you. She will completely choose Zhu Qixiong, didn't you see that when she looked at Zhu Qixiong, there was light in her eyes, you have to be careful."

"Okay, I see." Li Zhenting was a little upset, "Get out, don't bother me."

"Cousin, don't worry, don't worry, I will definitely help you with the matter of cousin, who told you to be my cousin, I come to you now because I have a letter to give you. "Li Jiaojiao is not in a hurry.

"What letter?"

"Xiaoxiao wrote it for you."

Li Zhenting straightened up, thinking of his daughter Xiaoxiao, a smile appeared on his face that hadn't smiled for a long time.

"Show me." He held out his hand to her.

"It's just..." Li Jiaojiao was not in a hurry to take it out and giggled, "Cousin, you also know that I ran from the imperial capital to such a remote small village. It was really hard for me, and I spent a lot of money on board and lodging along the way."

Li Zhenting half-closed his eyes.

This little girl is as virtuous as his elder brother Li Zhijun, but whenever she comes to him, she must be asking for money!

"Tell me, how much do you want?"

"Cousin, I'm so sorry, I'm really tight right now, you can lend me some first, and I'll pay you back when I have money." Li Jiaojiao's eyes brightened, she smiled and wrung her fingers.

"How many?"

"This number." She held out a finger.

The corners of Li Zhenting's lips twitched, he picked up his phone and sent her a hundred yuan.

"Cousin, you are joking, what can you do with a hundred dollars." Li Jiaojiao grimaced.

"How much, one thousand or ten thousand?"

"No, it's one million." Li Jiaojiao lowered her head, her voice was small but clear.

Li Zhenting's eyes darkened, staring at her, the aperture tightened little by little.

Li Jiaojiao raised her eyes and smiled flatteringly at him.

Chapter 1120: In came the dark shadows of two men

"Well, I only have 100,000 here. If you want it, you can get it, if you don't want it, get out." After a while, Li Zhenting said lightly.

"Cousin, one hundred thousand is too little, is it possible that you don't even want a small letter?"

"Of course, but I will call Xiaoxiao and tell her that you asked me for money. The little guy will definitely tell me the content of the letter."

"..." Li Jiaojiao was dumbfounded, "Okay, one hundred thousand is one hundred thousand."

Li Zhenting is really good!

Li Zhenting squinted at her sideways, and turned 100,000 to her slowly.

"Jiaojiao, this time, if you can really help me and let Shen Ning take the children home obediently, I will give you a generous reward."

"Okay, okay, I will definitely." Li Jiaojiao's eyes lit up again, her face became a flower with a smile, and she immediately patted her chest to promise.

Li Zhenting snorted noncommittally.

Li Jiaojiao went to bed happily after winning 100,000 yuan.

Sitting under the dim light, Li Zhenting opened the letter written by Xiaoxiao, with a knowing smile on his lips.

Little, she is really his precious daughter!

The darkest hour before the dawn.

Outside the courtyard, two black shadows approached quietly.

After turning around in a big circle, they came to a big tree.

"Da Niu, which room do you think is better for us to enter?"

"It must be going into the big belly woman's room, one is because she is easy to control, and the other is that she is about to give birth, so she must have prepared a lot of cash, and all three men came to him, so she must not give her a lot of money Yeah." Big Yellow's eyes turned green.

As long as they get one-third of the money, they will all get rich.

"Makes sense."

The two discussed again in low voices.

It turned out that after Li Zhenting came to find him, everyone gradually knew that he was the richest man in the imperial capital, contracted the lotus pond, and donated it to the village. The whole village was boiling, and then, Zhu Qixiong came, Ji Aoyama also followed.

These men look extravagant.

Therefore, Shen Ning has now become the richest rich woman.

Coincidentally, there are two idlers in the village who have just finished squatting: Daniu and Dahuang. They plan to come here to steal some money at night. This matter has been discussed for several days, and they decided to act tonight.

At this time, the moon is dark and the wind is high, which is a good time to commit crimes!

After a while, they went around to the back of Shen Ning's bedroom, took out the pliers and began to pick the lock.

In the room here, Li Jiaojiao fell asleep like a dead pig after asking for the money.

Shen Ning was half asleep and half awake.

The closer the delivery is, the more the stomach presses the bladder, and the more I want to go to the toilet.

In the second half of the night, she had another nightmare. She dreamed that someone hit her stomach with something. She felt a pain in her heart, and broke out in a cold sweat. When she opened her eyes, she saw that the room was pitch black, and her stomach The pendulum swelled so much that I wanted to pee more and more.

She turned over vigorously, got up, and was about to go down to put on her shoes when suddenly there was a sound of picking the lock from the back door.

But it wasn't long before I turned my head away.

The back door was suddenly pushed open, and the shadows of two men entered.

Shen Ning never dreamed that there would be idle villagers coming in to steal money. At first, he thought it was Li Zhenting. After all, these days, he was always trying to get close to her and take care of her. Now in the middle of the night, this **** actually pried The door came in, because she thought she was asleep and wanted to sneak in.
