

Troublemakers 1151

Chapter 1151: jealousy and hatred

"Mom, why did you turn Xiaoxi into Xiaofeng and give it to Li Zhenting?" Shen Mei continued to ask questions.

Lan Feiyun took a sip of water and smiled triumphantly: "We are not doing well, and Shao Meiqi's child should not think about it. Didn't Li Xuexi ask me to find a girl who pretended to be Xiaofeng and appear next to Li Zhenting so that I could control him? At that time, I thought of Xiaoxi, because she had suffered so much in life and had no power, so she was easy to deal with, and it was to get rid of this curse. At that time, the woman had already told Xiaoxi her true identity and asked her to find herself. Now that the science is advanced, it is very easy to really recognize relatives, and at that time she registered online, and agreed to a local TV family-finding variety show, as long as she appeared on TV, she would be recognized by you soon. If Dad knows all this, then we are finished, so I have to use someone else's hand to get rid of her.

I found her, gave her a generous return, and invited the hostess to teach her the etiquette and manners of the upper class. She was very grateful to me, and I told her about Li Xuexian's plan, and made her look like Shen Ning, and just like that, the plan was a success."

"Then why did you make her look like Shen Ning? The woman on Li Zhenting's heart is Xiaofeng, not Shen Ning."

Lan Feiyun glanced at Shen Mei, and asked with a gloomy face: "Meimei, do you know who Xiaofeng is in Li Zhenting's mind?"

"Who is it?"

"She is Shen Ning."

"Ah." Shen Mei's eyes widened in shock, "How is this possible?"

"Nothing is impossible." Lan Feiyun was very angry, "Shen Ning has been getting better and better under Shao Meiqi's training. The old man of the Li family has already taken a fancy to her and wants her to be his granddaughter-in-law. Because of this, she only then did I have the opportunity to go to the back mountain to rescue Li Zhenting. She spent a period of time with Li Zhenting. I witnessed it with my own eyes. Even if Shen Ning was not born to Shao Meiqi, I would not allow such a woman in our Shen family to **** her. Take the happiness that belongs to you, you are much nobler than Shen Ning, only you are worthy to marry Li Zhenting, and live the life of a top wealthy lady in the imperial capital, so I told Li Xuexi about this, fortunately, there is such a family in the Li family. For one person, she is completely in favor of Li Zhenting marrying you. She has always supported us and helped us hide this relationship, but later, she had no choice but to use Xiaofeng in Li Zhenting's mind to accomplish their goal, so I found Xiaoxi."

Shen Mei didn't understand until she heard this, her eyes were full of jealousy and hatred.

"Mom, Shen Ning's life is really good."

"Hey, it depends on the back, but let me tell you, the fact that she is the real Xiaofeng in Li Zhenting's mind cannot be concealed. Sooner or later, Li Zhenting will know. Now, Li Zhenting has no idea that she is Xiaofeng. Xia has already fallen in love with her, so in the future, Shen Ning will become his only one, so if we want to make a breakthrough, we have to find another way." Lan Feiyun said wisely.

The jealousy in Shen Mei's eyes grew stronger.

"Mom, forget it, we have no chance of winning." Thinking of what happened over the years, she was very depressed.

"Why are you discouraged, I still have plans." Looking at her disheartened daughter, Lan Feiyun was very dissatisfied.

This daughter is not like her at all. If she is like her, there is no way for Shen Ning to survive!

"what's the plan?"

Lan Feiyun looked at Shen Mei's face carefully, and sized her up: "Don't even mention it, it's a bit like it."

"What does it look like?" Shen Mei was at a loss.

"Meimei, mom is going to take you to have a facelift."

"Plastic plastic surgery? What kind of cosmetic surgery?" Shen Mei was even more puzzled.

"Meimei, from now on Li Zhenting's favorite must be Shen Ning, I will make you look like Shen Ning."

"Ah." Shen Mei exclaimed, "Didn't Xiaofeng also have plastic surgery to look like her, and was killed in the end, I don't want to die."

"These are completely different things." Lan Feiyun shook his head and denied, "Xiaofeng did something illegal because Li Xuexi wanted to use her. We don't do those bad things, we only want to make money. Ning's appearance, then we will be able to confuse Li Zhenting, and the preservation will achieve twice the result with half the effort, besides, now you and Shen Ning are two sisters in name, it is normal to look like that, why not."

Shen Mei fell into deep thought after listening to her mother's words, and slowly a happy expression appeared on her face.

Chapter 1152: Others are not as disgusting as you

In the morning, because Shen Ning was worried about Zhu Qixiong, he called him again.

This time, the call got through, but it was a woman who answered the phone.

"Who, who?"

Shen Ning was taken aback, Zhu Qixiong could be with some woman or something, if so, she would disturb him!

"Excuse me, I'm Young Master Zhu's friend, surnamed Shen, is Young Master Zhu here?" Shen Ning asked politely.

"Are you that Shen Ning?" Suddenly, the woman's voice became very sharp and sharp, very unfriendly.

"Yes, I am." Shen Ning didn't know what was going on there for a while, so he had to answer truthfully.

"Mrs. Li, let me say that you are a married woman, a middle-aged woman who has five children, why do you always ask Qixiong from our family to do something? Do you think this is okay? Qixiong is still a golden bachelor, are you worthy of him?" The woman immediately fired at her like a cannonball.

Shen Ning was stunned by the scolding, unable to react for a long time.

"Who are you?" She asked after thinking for a while.

"I'm his relative, you don't have to worry about who I am, just take care of yourself, I hope you don't call Qixiong again, you are a married woman who has given birth to seduce my unmarried youth, I feel ashamed and ashamed for you, I hope you will cleanse yourself in the future, and don't do something that violates morals and ethics, otherwise, I will ruin your reputation and make you unable to stay in the imperial capital." Xu Xiangzhi was sarcastic and threatening, wishing to lift Shen Ning to his feet and trample him to death.

Shen Ning finally recognized who this woman was, and suddenly understood something.

"Madam, please don't be so arbitrary. What do you call me, a middle-aged married woman? Please remember that I was born in the same year as Zhu Qixiong. We are just friends, very ordinary friends, and there is no such thing as you said. Ugly things, please don't use your own ugly thoughts to imagine others, others are not as disgusting as you." She retorted calmly.

"You bitch, you dare to talk back and tell you that Qixiong already has a new girlfriend, please don't bother her in the future, otherwise, I will be rude to you." Xu Xiangzhi shouted angrily.

At this moment, the bathroom door opened, and Zhu Qixiong came out.

As soon as he came out, he saw Xu Xiangzhi talking on his mobile phone, and immediately became furious.

"Auntie, how can you use my mobile phone to talk to others? Who is he?" He asked dissatisfied.

This hypocritical woman is getting more and more shameful, she dares to interfere in his affairs at will, using his mobile phone, doesn't she know that this is privacy.

Xu Xiangzhi panicked when she heard Zhu Qixiong's voice, she quickly hung up the phone, turned around, and smiled all over her face: "I'm sorry, Qixiong, I used your phone to call Xueying just now."

Is it?

Zhu Qixiong glanced at her calmly.

There was obviously anger in her eyes, and she was obviously lying.

"Auntie, please remember, I don't like other people using my mobile phone." He warned coldly.

"Okay, I won't use it next time." Xu Xiangzhi changed his face really quickly, and immediately replied flatteringly.

Zhu Qixiong took the phone and looked at it, put the phone aside, sat down lazily by the side, and asked, "What do you want from me?"

"Yes." Xu Xiangzhi smiled, "Your father is worried about you, so let me come and see you. Hey, your father actually cares about you."

Zhu Qixiong had a sneer of disdain on his lips: "That's it?"

"Also, Xueying will come to our house tomorrow, let me tell you, let you make preparations, you can have a good talk tomorrow."

"Oh, I see." Zhu Qixiong frowned, fell on the bed, turned sideways, and ignored her.

Xu Xiangzhi was happy to see that he had no objection, and ignored his indifference, turned around and left. "

Chapter 1153: Get along more and more easily and harmoniously

In the ward.

After Shen Ning put down the phone, the more he thought about it, the more something went wrong.

Zhu Qixiong must have encountered trouble during this time. In the past, she had always suspected that Li Zhenting had caused him trouble, but now that his stepmother Xu Xiangzhi can appear by his side, it means that he may have had conflicts with his family. As for the contradiction, she couldn't tell why.

While thinking about it, suddenly the phone in his hand rang.

She looked down and saw that it was Zhu Qixiong's mobile phone number, and immediately picked it up.

This time, it was Zhu Qixiong's voice.

"Ning Ning, did you call just now?" Zhu Qixiong asked over there.

"Yes, Qixiong, what happened to you? Haven't heard from you for so long?" Shen Ning asked with concern.

Zhu Qixiong was silent for a while, then said: "Yes, my father and stepmother locked me up."

"Why?" Shen Ning screamed.

"It's not because of the Zhu's Group. My insidious stepmother blamed me for the reason why the Zhu's Group went bankrupt, saying that I shouldn't be with you. This led to Li Zhenting's accusation of Zhu's Group. Suppress."

Shen Ningxiu twitched her eyebrows, and asked tentatively: "Qixiong, do you think Li Zhenting maliciously suppressed Zhu's Group because of your association with me?"

"of course not."

"Then why did he want to suppress the Zhu Group?"

"Because Zhu Qiming is an idiot, he has no real skills, and he has a lot of tricks. During this time, he has been constantly provoking Li's Group behind his back. He should have annoyed Li Zhenting, which is why he ordered Zhu's Group to be destroyed. Deadly."

"Oh." Shen Ning nodded thoughtfully.

Even Zhu Qixiong said this, it seems that she really misunderstood Li Zhenting!

"Qixiong, you should tell your father all this so that he can see the mother and child clearly."

"Tch." Zhu Qixiong sneered coldly, "Ning Ning, you will never wake up a man who pretends to be sleepy, blind and deaf, what's more, he has long been fascinated by Xu Xiangzhi, what did he say? Maybe he would believe it? If he could believe it, the father-son relationship between me and him would not be what it is today. It seems that he would only believe it if the Zhu Group was completely eliminated. What's even more ridiculous is that the mother and son were calculating Someone else's property actually wants me to marry Wu Xueying, their purpose is to take advantage of the Wu family's property and try to defraud their family's money, it's really abhorrent."

Shen Ning is really sad for Zhu Qixiong when he hears this, but so far, Zhu Qixiong's three views are still very upright, growing up in such a family, and still possessing such justice, this man is indeed worth dating.

"Qixiong, do you have any plans? Do you need my help?" Shen Ning asked with concern after thinking for a while.

"No, I'm a big man and they can't do anything to me." Zhu Qixiong smiled, "It's you, right now Li Zhenting didn't do anything to you."

"Not yet, but I'm going to compete with him for the custody of the two little treasures." Shen Ning told him his thoughts over and over again.

"Well, yes, don't worry, I will help you when the time comes, who made us good friends, I will definitely not stand idly by when my friend is in trouble." Zhu Qixiong replied with a smile.

"Okay, thank you." Shen Ning also smiled, "If you need any help, you must come to me."

"Can."

After the two talked about the conversation again, they hung up the phone.

After hanging up the phone, Shen Ning thought of Zhu Qixiong's situation, and secretly worried about him, but she felt that the relationship between her and Zhu Qixiong had become more and more relaxed and harmonious.

It should be because she and Zhu Qixiong share the same illness, they are both poor people abandoned by fate. In this way, they have a common language and can get closer.

While she was thinking this way, the door suddenly opened, and a girl ran in like a gust of wind.

Chapter 1154: Why is he doing this?

"Sister." Zhang Xiaoxian ran in excitedly, smiling brightly.

Shen Ning was stunned.

"Xiaoxian, it's you?"

She was full of surprise, she was still on the phone yesterday, and she didn't know when we could meet, but who would have thought that she would appear in front of her early this morning.

Then how did she come here? How could it be so fast?

"Sister, I'm so happy to see you so well." Zhang Xiaoxian came up and held Shen Ning's hand tightly, looking up and down, with an uncontrollable excitement on her face.

She didn't react until she held Shen Ning's hand.

"Xiaoxian, tell me quickly, how did you get here?" Shen Ning was also very excited.

Could it be that Zhu Qixiong sent someone to pick her up early in the morning? What about her parents?

"Sister, don't you know how I got here?" Zhang Xiaoxian looked at her strangely at this moment, "Didn't you send someone to bring our family here?"

"Your family?" Shen Ning was even more surprised, shaking his head, "I haven't had time yet."

She did have this idea, but it was too late to implement it.

"So you didn't mean it. The person who picked me up said that you asked him to pick us up to the imperial capital." Zhang Xiaoxian was very surprised.

"Is it someone from Zhu Shao?"

Zhang Xiaoxian shook her head: "I don't know, it's a young man."

Speaking of this, she was extremely excited, "Sister, helicopter, it's the first time I've seen a helicopter, and it's also the first time I've been in a helicopter. It's so majestic."

Helicopter?

Shen Ning frowned.

There are not many people who can use a helicopter to pick up Zhang Xiaoxian's family. Zhu Qixiong doesn't have the capital yet!

While she was thinking, the door opened.

A man in a silver-gray suit, with a straight figure, walked in gracefully. The buttons on the cuff buttons were shining brightly, which made him dignified and majestic.

"Ning Ning, get hungry, come and have breakfast." Li Zhenting walked in with several delicate and nutritious breakfasts, with a slight smile on his lips, seeing Zhang Xiaoxian who seemed to have known her for a long time, and lightly greeted her. He nodded and walked over.

Zhang Xiaoxian, who was originally unrestrained, stood up a little cautiously after seeing Li Zhenting coming in.

When she was in Yuhe Village, she could despise him, treat him as a transparent rogue, and label him as Shen Ning's disgraceful ex-husband, but when she came to the imperial capital, she was a little at a loss when facing him who was dignified and dignified.

Li Zhenting's identity is beyond the reach of ordinary people like her!

"President Li." She greeted timidly.

"Xiaoxian, your parents have already made arrangements." Li Zhenting nodded lightly and asked seemingly casually.

"It's already been arranged." Zhang Xiaoxian had a feeling at this moment that Li Zhenting should have sent someone to bring their family here.

Just why?

She looked at Shen Ning.

At this time, Shen Ning also understood that it was Zhang Xiaoxian's family who came to the imperial capital that Li Zhenting sent someone to pick them up.

She didn't understand why he did this? Because he is not familiar with Zhang Xiaoxian!

Her phoenix eyes lightly aimed at Li Zhenting.

The facial features of a man are not as firm as usual, but soft, handsome and warm, and can easily attract a woman's heart, not to mention that he is blessed with power and money.

It was such an outstanding and handsome man that made her love him thoroughly before, and foolishly sacrificed everything for him.

And when she looked at him, Li Zhenting's affectionate eyes also looked at him.

The two face each other.

The man's ink pupils were as deep as the sea, as if trying to **** her mind away, Shen Ning hurriedly opened her eyes and turned her head to the side.

Chapter 1155: affectionate confession

The corners of Li Zhenting's lips twitched slightly, opened the insulated lunch box, placed the stewed tonics in front of her one by one, Wen Yan said: "Ning Ning, drink more soup, the babies will be sent back soon, two This little guy needs a lot of milk."

Shen Ning looked at Zhang Xiaoxian: "Xiaoxian, have you had breakfast yet? Let's have some together."

"No, sister, I finished eating. My parents have already been admitted to the People's Hospital. Thank you so much, sister and Mr. Li." Zhang Xiaoxian immediately shook her head, thanking her very much, "Thank you for being so kind to me and my parents."

After speaking, she bowed to them.

No matter who picked them up, it has something to do with these two anyway, and she is sincerely grateful to them.

"Xiao Xian, they are all from my own family. Don't worry about it. You should treat your parents properly first. Don't worry about the medical expenses. Don't worry, everything is up to me. Let's talk about it later." Shen Ning smiled slightly laugh.

Now that Zhang Xiaoxian's family is here, her wish is over.

"Okay, sister, then I'll go to see my parents first." Zhang Xiaoxian saw that Li Zhenting had scooped up the thick soup and sat in front of Shen Ning to feed him. With that caring and loving look, she already understood something, so she left immediately .

Li Zhenting must have sent a private jet to pick her up. Of course, it was all for Shen Ning's sake.

Actually, Li Zhenting still really loves Shen Ning.

"Let me ask you, did you send someone to pick up Xiaoxian's family?" As soon as Zhang Xiaoxian left, Shen Ning immediately asked Li Zhenting with widened eyes.

The corners of Li Zhenting's lips twitched slightly, and said, "Are you unhappy?"

"Whether I'm happy or not is my business, but I'm very unhappy that you took my good friends and family over without my consent." Shen Ning sullenly did not appreciate his favor.

Li Zhenting's eyes were deep: "Ning Ning, don't you know? I did this to make you happy."

"No, I don't need you to be courteous. On the contrary, what you do makes me feel disgusted. I won't thank you for it, and I won't forgive you. I advise you not to do these things in the future. It's useless." Shen Ning snapped With a straight face, his tone was stiff.

"Ning Ning." Frustration and pain flashed in Li Zhenting's eyes, he grabbed her hand suddenly, put it on his chest, and said sincerely, "I just want you to see my attitude, my sincerity, I For your sincere love, I admit that I have never done this before, and I have never considered your feelings, but from now on, I will not, I will love you with all my heart, think of everything for you, worry Your feelings, as long as I can express my heart and make you happy, as long as I can do it, I will definitely do it, regardless of any cost, just to make you happy. Ningning, I will use me immediately My heart, my sincerity, my love to influence you, please give me a chance."

He held her little hand tightly, with great sincerity.

He has never chased a woman in his life, and now he is very proud of chasing his wife.

But Shen Ning just withdrew his hand, lowered his head and drank the soup, as if he didn't hear it.

If he could express his love to her like this six years ago, she must be the happiest woman in the world, but after going through so much, she only feels that a man is unreliable, let alone believe his sweet words.

"Oh, by the way, about Zhu Qixiong." Seeing that Shen Ning finished eating and drinking the soup after a while, he remembered the situation of Zhu Qixiong who asked Leng Xue to investigate, and hurriedly said, "He was controlled by his father, not me. What did he do, don't worry, I will let him contact you when the time comes."

"No need, I already know." Shen Ning felt a little apologetic when he thought that he had indeed misunderstood him, but this apology disappeared after a flash. She only misunderstood him once. How many times he misunderstood her before, and how much harm he caused her each time!

Chapter 1156: i have to take care of you

"Have you found Zhu Qixiong?" Li Zhenting looked at her suspiciously.

Shen Ning is so calm, it seems that he already knows about Zhu Qixiong's situation. If so, she must have contacted Zhu Qixiong. Thinking that she trusts and cares about Zhu Qixiong so much, she feels sour.

Shen Ning looked down at his phone and ignored him.

Looking at what she was busy with on the phone, Li Zhenting seemed to be sending a message, not sure if she was getting in touch with Zhu Qixiong, and his heart became more and more acid.

He sat down on the edge of the bed.

After a while, the WeChat notification sounded on his mobile phone.

He went to get his cell phone.

At this time

Shen Ning just sent a message, when he heard the WeChat notification sound on Li Zhenting's mobile phone, he looked up at him with some doubts.

Li Zhenting turned on his phone and was shocked.

Shen Ning was actually sending messages to 'Lawyer Niu'.

No wonder she glanced at him just now.

He didn't even have time to look at what she sent, so he quickly turned off the WeChat notification tone.

Just after closing it, Shen Ning sent another WeChat message as if he was verifying something: Lawyer Niu, where are you now?

How dare he return, he put away his phone as if nothing had happened.

"Ningning, let me peel an apple for you to eat." He stood up and went to peel the apple, avoiding this embarrassment.

Shen Ning lowered his head and sent another message, but he didn't hear the WeChat notification beeping on Li Zhenting's phone. He thought it was just a coincidence, and Lawyer Niu didn't reply to her message. He must be very busy, so he put down his phone.

At this time, the big apple that Li Zhenting was holding had already been peeled.

"I won't eat." Shen Ning said coldly.

"How can I do that? I've already peeled the skin." Li Zhenting looked at the half-peeled apple and disagreed.

"Then you can eat it yourself." Shen Ning frowned, she didn't want to eat apples at all, and she didn't need him to be so courteous.

Li Zhenting didn't speak when he heard the words, but just lowered his head and peeled the apple.

Shen Ning didn't want to talk to him, and wanted to bring a water glass to drink, but Li Zhenting was standing there, so he had to give up.

"Let's go after eating the apples, I'm going to rest." She yawned, leaned against the bed screen, closed her eyes slightly to rest.

After peeling the apple, Li Zhenting took a deep look at her and cut the apple in half.

"You have to eat. If you don't eat, I won't leave." He sat down beside her, and fed the apple to her lips.

Shen Ning turned his head, his face tensed: "I said that if I don't eat it, I won't eat it. Besides, I want to eat it myself, so I don't need your hypocritical hospitality."

Li Zhenting looked at her with gloomy eyes, and the corners of his lips twitched: "How do you know I'm fake?"

"Whether you are or not, I don't need it."

"But I want to take care of you, you are the mother of my five children, I have to take care of you." Li Zhenting is quite good at making excuses.

As soon as Shen Ning rang the alarm, he immediately sat up, stared back at him, and said sharply: "Li Zhenting, the reason why you take care of me so much and stay here is because of the custody of this pair of little milk babies, let me tell you, This pair of baby milk is mine, and I will never let you take it away. I have already given you Cocoa and Xiaoxiao, which is enough. If you want to **** it again, I will definitely fight you to the end of."

Li Zhenting's heart palpitated, it seems that his bad image has taken root in her mind!

"Ningning, I want the child, and I want you too. I don't want my children to lose their mommy." He replied seriously.

"Children don't lose Mommy, yes, I want them all, as for you, I'm sorry, you are too dirty, I don't want it." She said indifferently.

Chapter 1157: drive him away

Li Zhenting was silent for a while, and said: "Nothing happened to me and Xiaofeng..."

"That's enough. I don't want to hear the name of that disgusting woman, and I don't want to hear your explanation. I'm not blind, I have eyes to see." Shen Ning immediately interrupted him in a cold voice.

Leaving aside what about Xiaofeng, what about Lan Lan, she is the child Shen Mei gave birth to him, and he still wants to explain something, it's really disgusting!

She has disgust on her face!

Li Zhenting was beaten into a dog, lowered his head, suddenly took a bite of an apple, reached out and put his arm around her shoulder, hugged her into his arms, lowered his head and bit her lip.

Shen Ning didn't react for a while, when he came back to his senses, the dead man had already pushed the apple into her mouth.

She never expected that he would suddenly make such a move, shaking her head and struggling in anger, wanting to spit out the apple in her mouth.

But Li Zhenting knew her thoughts long ago, one hand supported the back of her head, the other hand went around and hugged her arm tightly, and his lips tightly blocked hers.

Shen Ning couldn't breathe, and felt so uncomfortable that he had to bite the apple into pieces and swallow it. Li Zhenting let go of his lips when she saw that she had eaten the apple, and smiled triumphantly.

Fresh air came in, Shen Ning opened his mouth to breathe.

At this time

Li Zhenting suddenly lowered his head, kissed her mouth fiercely, and kissed skillfully, with the tip of his tongue poking in... Shen Ning stared at him with eyes widened in anger, broke free with both hands and waved to hit him.

Fists fell on his shoulders and back, like raindrops.

Li Zhenting simply hugged her, kissed her for a while, and then buried his head in her arms, breathing in her heart, and closed his eyes as if his heart, which had no place to rest, had found a home.

"Get out." Shen Ning was so angry that he pushed him to get out.

But Li Zhenting is just a pug, Lai is in her arms and doesn't want to get up, let her beat her or scold her, anyway, there is only one word: Lai.

Shen Ning was so angry that he had no choice but to reach out and press the calling bell.

Not long after, the nurse ran in panting.

Li Zhenting let go of Shen Ning.

The clothes and hair of the two were a little messy, and their faces were flushed. Shen Ning's ears and neck were flushed, and fine sweat was oozing from his forehead.

"President Li, Ms. Shen, what can I do?" Seeing the two of them like this, the nurse understood something, smiled awkwardly, and asked politely.

"Yes." When Li Zhenting was about to let her go out, Shen Ning spoke.

"May I ask what's the matter, Ms. Shen?"

"Isn't it time to turn off the lights here?"

"Yes, lights out at ten."

"Okay, someone here is disturbing my rest, please invite him out." Shen Ning didn't even look at Li Zhenting, but told the nurse.

The nurse lady immediately turned her eyes to Li Zhenting.

"President Li, it's almost ten o'clock, and the lights are going to be turned off here." She smiled and was very polite.

Li Zhenting pursed his lips tightly, but there was still Shen Ning's unique fragrance on his lips.

He knew that Shen Ning must hate her very much now, who made him forcefully kiss her just now.

He didn't dare to stay here anymore, for fear of being retaliated by her, he glanced at her with attachment and smiled: "Okay, I'll leave right away."

He packed his things and left under Shen Ning's disgusted eyes.

"Miss nurse, this man is not allowed to appear in my ward in the future, and he must never be allowed to come in again." Li Zhenting left, and Shen Ning immediately instructed the nurse.

Chapter 1158: She really doesn't understand his heart.

"Okay, Miss Shen, we will pay attention." The nurse could only agree with an embarrassed smile, said goodbye and walked out.

Shen Ning immediately got out of bed, went to the bathroom, turned on the faucet, scooped up the water, and washed the lips that Li Zhenting had just kissed, until his lips were flushed, and then returned to the room, turned off the light, and lay down.

But the messy face was all about the scene of Li Zhenting kissing her just now.

She sat up annoyed and beat her head with her hands.

At this time, the phone's WeChat sounded.

She opens.

It was the news that Lawyer Niu had returned.

"Miss Shen, I'm sorry, I was receiving customers just now."

"It's okay, I just want to ask you what materials do you need me to prepare for the lawsuit?"

"You don't need to prepare anything, just leave everything to me when the time comes, don't worry, I promise to beat Li Zhenting to death and keep the custody of your pair of children."

Shen Ning showed a satisfied smile on his lips: "Thank you, Lawyer Niu, I will treat you to dinner then."

"Okay, when the lawsuit is won, we must go to dinner."

"Then should I pay you a deposit first?" Shen Ning remembered something, and sent another message.

After all, Lawyer Niu relies on this to make a living. If she doesn't give some deposit, how can she get by? I'm also worried about what he will think, and it will be miserable if I don't help her with the lawsuit.

Li Zhenting squinted his eyes to read the news, and the corners of his lips were slightly raised.

Dead woman, but still charged the deposit!

All right, she won't feel at ease if she doesn't charge some money.

"Then let's charge 10,000 first." He sent the message.

In an instant, the phone screen flickered.

The transferred funds arrived in the account within 10,000 seconds.

Li Zhenting's eyes darkened, it seemed that this dead woman was determined to **** the child from him.

She really doesn't understand his heart.

If there is no her, what if he has all the children?

No matter what, let her sit in confinement first. In this life, he will never give up on her. Their family must be reunited!

"Thank you, the beautiful lady boss, I'll take it first." After he sent an emoji package of the beauty bowing and thanking her, he took the money.

Shen Ning came over with a smiling face, thinking of saying goodbye to him.

But here, Li Zhenting still has more to say, and still wants to chat with her.

After all, Nuo Da's room was empty, and the night was long, thinking about the kiss with Shen Ning just now, he was still excited and excited.

"Are you already asleep?" He sent another message.

Shen Ning was thinking of sending another 'goodbye' and then shutting down the phone. Seeing that he sent a message, she didn't want to ignore it, after all, she still wanted him.

"Not yet." Out of politeness, she replied.

"Miss Shen, what are your plans now? Do you have a beloved man? Or how do you plan to live in the future?" Li Zhenting mustered up his courage, typed a line, and sent it with a shake of his hand.

After the message was sent, he was very nervous, staring at the screen of the phone anxiously waiting for Shen Ning's reply.

As long as Shen Ning doesn't have a beloved man, he has the confidence to chase her back.

When Shen Ning saw the message he sent, he frowned.

She didn't like Lawyer Niu asking her these personal questions, and felt that she was not respected.

But because I had something to ask of him, I had to reply:

"I just want to raise my own pair of children. I haven't thought about personal matters, and I don't have the heart to think about them."

Li Zhenting looked happy, he was quite satisfied with this answer.

"Don't worry, leave the children's affairs to me, and I will definitely give you a satisfactory answer." He immediately assured her.

Chapter 1159: Her calculations were wrong

"Okay, thank you, Lawyer Niu." Shen Ning was very happy with Lawyer Niu's answer, and immediately expressed his gratitude.

Looking at the smiling face sent on WeChat, Li Zhenting seemed to see Shen Ning's smiling face too, with the corners of his lips curled up.

He really hasn't seen her smile for a long time. Now, as long as he can make her laugh, he is willing to give everything, even if it is worth all the assets of the Li Group.

In order not to disturb her rest, he took the initiative to say good night.

After Shen Ning turned off his mobile phone, he thought that he could finally have the custody of the pair of baby milk babies. He felt relieved, and fell asleep after lying down, sleeping soundly.

The next day, Zhu's mansion.

"Qixiong, you are ready to leave, and Xueying will be here when it snows." Zhu Qixiong was sitting on the bed with his legs crossed and swiping his mobile phone. Xu Xiangzhi walked in with a smile on his face and told him.

Zhu Qixiong gave her a cold look and ignored her.

"Qixiong, Xueying loves pineapple, you can peel it for her later." After a while, Xu Xiangzhi came in with several pineapples and put them on the bedside table.

Because of Wu Xueying's arrival, Zhu Qixiong's guest room was also changed to one of the most luxurious rooms in the south. Xu Xiangzhi also prepared a set of handmade tailor-made suits, a casual T-shirt, and a set of luxurious pajamas for Zhu Qixiong.

Zhu Qixiong let her go to trouble, anyway, he just ignored it and didn't oppose it.

After all, he has been imprisoned by them for almost a week, and he just wants to take this opportunity to escape from here, and never come back.

An hour later, a luxury car drove in quietly, the door opened, and a beautiful girl in a white dress came out.

Zhu Qixiong half-lyed on the bed and looked at her coldly.

The room he lives in is facing the front garden, and the large floor-to-ceiling glass can see the outside clearly.

This girl is indeed very beautiful, wearing a white skirt that looks fairy-like.

Zhu Qixiong has seen all kinds of outstanding women, but he was still a little surprised when he saw Wu Xueying.

To be honest, if Xu Xiangzhi hadn't introduced her specially, if he met her in a bar or party, he might have taken the initiative to talk to her.

But when he thought of Xu Xiangzhi's face, he didn't even have any good feelings for her.

As soon as Wu Xueying got out of the car, Xu Xiangzhi warmly greeted her, held her hand and talked and smiled affectionately. I don't know, but I thought they were a mother and daughter.

The two of them walked up the stairs and into the living room while talking and laughing.

When going up the stairs, Zhu Qixiong was able to clearly see Wu Xueying's face through the floor-to-ceiling glass. She was indeed a beauty, with an oval face, big eyes, fair skin, and elegant temperament.

Xu Xiangzhi specially arranged this position for Zhu Qixiong, so that he could see Wu Xueying's beauty clearly, so as to attract him, and also afraid that he would have resistance. After all, Zhu Qixiong is also a **** man, how can he not be tempted by a beauty.

It's just that her calculation was wrong, Zhu Qixiong didn't pay the bill!

"Qixiong, Qixiong, come to the living room quickly, Xueying is waiting for you in the living room." Not long after, Xu Xiangzhi came over, "Oh, I haven't changed my clothes yet, change quickly, we have to change later. Go out to eat, the restaurant is already booked."

Zhu Qixiong sat up slowly, and Xu Xiangzhi had already brought his clothes over.

He picked it up and went to the bathroom.

Here in the hospital.

Zhang Xiaoxian came out after making arrangements for her parents.

When she first came to the imperial capital, she was shocked by heaven.

After the novelty passed, I felt deep inferiority complex and anxiety.

Although Shen Ning will settle the medical expenses for her parents, how could she have the nerve to ask others to pay for it all in advance, and the prices in the imperial capital are really expensive, so the three of them need food and clothing.

Now that she has come to a place like the imperial capital, where gold is everywhere, she has to survive, and she can't just count on other people's charity.

Therefore, she decided to come out and look for a job.

Chapter 1160: backhand is a slap in the face

Xinyue Restaurant.

"Excuse me, do you still need to hire part-time workers here?" Zhang Xiaoxian stood in front of the restaurant manager and asked cautiously.

Although she is a graduate student from a famous university, she is not familiar with the place in the imperial capital, so she will not be able to find a suitable job for a while.

During the day, she has also submitted several application materials online, but because she has to take care of her parents, the working place cannot be too far away, and she has no internship experience, so there are not many positions to choose from.

I heard from a local aunt in the same ward that a nearby hotel is recruiting part-time workers, and she wants to come here first to make some quick money.

The hotel manager looked up, hey, what a young and beautiful girl, dressed plainly, with clean and bright eyes, she looked like she came from other places.

"Yes, it happens that one of the passers-by is on vacation, and you can take over today, why don't you?" He glanced at the lively restaurant lobby and asked.

"Okay, yes." Zhang Xiaoxian nodded.

"50 yuan an hour."

"okay."

Zhang Xiaoxian is penniless at this time, she just wants to make some money as soon as possible, and she can accept anything.

The manager immediately called a few times on the walkie-talkie, and soon, a woman who looked like a foreman took Zhang Xiaoxian away.

Zhang Xiaoxian never thought that serving dishes would be so tiring. After passing several dishes in a row, her arms were sore, but she had no time to rest. The business was so good that the private rooms upstairs were also full of people.

"Xiao Zhang, send this pot of steamed turbot to the osmanthus box on the second floor, be polite and considerate, this is for a VIP." She had just passed a dish when the head waiter handed her a pot of turbot .

She agreed, took it and walked upstairs.

This is a very big turbot, which she has never seen before. It is a large white porcelain plate, very heavy.

Zhang Xiaoxian felt heavy holding it with her hands, and even she who had done farm work was struggling.

She carried it upstairs carefully, found the sweet-scented osmanthus room, and gently knocked on the door.

The moment the box door opened, the golden wall inside was so brilliant that she dared not look directly at the guests sitting inside.

She lowered her eyes, carefully brought the turbot to the table, said "use it slowly", turned around and left with her head down, and suddenly felt a light watching her from above her head, she didn't dare to take a closer look , just walked out in a hurry with small steps.

But as soon as he walked out, the foreman pushed a lot of food over with a cart.

The guests in this box are really rich!

I have already ordered so many dishes, and I still have to serve them.

She thought that she couldn't solve the three meals a day, while others had too little food for a big table, so she couldn't help but sigh in her heart.

"Xiao Zhang, quickly, pass these dishes in too." The foreman saw her come out and ordered immediately.

"Okay." Zhang Xiaoxian had no choice but to pick up the dish and walked in again.

This time, as soon as she entered, she felt a ray of light watching her. She couldn't help feeling a little panicked, and lowered her head even lower. "Mr. Zhu, Mrs. Zhu, Young Master Zhu, Miss Zhu, Miss Wu, do you like the food? Please be sure to eat and drink well." The head waiter also came in with the dishes and greeted warmly with a smile.

Wish you less?

Zhang Xiaoxian was about to put down the dish when she heard this name, her eyelids jumped inexplicably, and she raised her head involuntarily.

This raise met Zhu Qixiong's deep and unpredictable eyes.

In an instant, she shook her hand like petrified, and the dish fell to the table, and the soup splashed out with a bang.

"Ah." Zhu Qixiong's half-sister Zhu Jinzhi who was sitting next to her screamed immediately, jumped up, furious, and slapped Zhang Xiaoxian in the face with her backhand.

Following the crisp applause of "pa", Zhang Xiaoxian was slapped heavily on the face, and five clear finger prints appeared on her face.

Zhang Xiaoxian was stunned by the beating, and the people next to her were also stunned by the scene.

"Bitch, you don't even know how to serve a dish. Do you know how much my clothes are worth? Now that oil has been spilled on them, it's ruined. I'll tell you, I'll pay you back." Zhu Jinzhi sternly yelled.

"I'm sorry, I'm sorry, Miss Zhu." Seeing that the situation was not good, the foreman immediately walked over with a smiling face and apologized repeatedly, then pushed Zhang Xiaoxian, ignoring the pain of her beating, and urged: "Xiao Zhang, hurry up with Miss Zhu." Apologize."
