

Troublemakers 1181

Chapter 1181: Daddy, I saw Mommy

"Grandma, I don't want to go to the hospital, I just want to be with Mommy, Mommy..." Xiaoxiao started crying over there, and finally kept calling Mommy.

Shen Ning couldn't bear it anymore, tears streaming down his face, he stretched out his head to see the children.

"Mommy, Mommy is right there." Ke Ke saw Shen Ning in the video with sharp eyes, and shouted excitedly inside.

Hearing this, Ding Ding immediately brought his little head closer, saw Shen Ning who was crying, and shouted excitedly: "Mommy, Mommy, why didn't you tell us that you are with grandma? We are going to you play there."

Xiaoxiao, who was listless at first, heard Ke Ke and Ding Ding's voice calling Mommy, and seemed to have recovered from her illness. She hurriedly got up, snatched the tablet from Ke Ke's hand, hugged the camera and cried loudly: "Mom! Mi, I miss you so much, where are you and grandma, I want to go find you."

After Shen Ning turned his head and wiped away his tears, he took the mobile phone from Li Wanqing, and asked with a forced smile, "Xiao Xiao, what's wrong with you now? Are you uncomfortable?"

"Yes, Mommy, I have a headache and I don't want to eat." Xiaoxiao replied in a childish voice, staring at her with bright black eyes, as if she was afraid that she would run away.

"Then do you have diarrhea and vomiting?" Shen Ning asked gently.

"No diarrhea, just a little nausea."

"Did you catch a cold because you didn't cover the quilt at night?"

"I don't know either." Xiaoxiao shook her head in a daze, "Mummy, I had a dream last night. I dreamed that you made barbecue for us to eat. It was delicious, maybe I ate too much. I don't want to eat anymore when I wake up in the morning, Mommy, I really miss you."

The little guy has a milky voice, and his face is full of longing.

Shen Ning's tears flowed down again.

Once upon a time, she thought that she would take Xiaoxiao with her for the rest of her life, and Xiaoxiao was definitely her caring little padded jacket.

"Mum, don't cry. I'm fine. I'll be fine tomorrow. Come back. Brother and I, Ding Ding will protect you and won't let Daddy bully you again." Xiao Xiao begged inside.

"Mommy."

"Mommy."

Coco and Ding Ding also yelled inside: "Come back soon, we all miss you, if Daddy dares to bully you again, we will drive him out."

Shen Ning laughed and cried at the same time.

"Ning Ning, you are still in confinement, please don't cry, too much crying is bad for your eyes." Li Wanqing immediately took the phone over, handed her a tissue, and comforted her distressedly.

"Okay, your mommy is very tired today, you can't bother her anymore, Keke, Ding Ding, you go to bed early, I'll call your daddy now, and ask him to come back and take Xiaoxiao to the hospital." Li Wanqing ordered. After the sound, he hung up the phone and started calling Li Zhenting.

At that time, Li Zhenting had already received a call from Housekeeper Luo and was rushing home anxiously.

Xiao Xiao's mental state has not been very good, and her resistance will be relatively weak.

During the time when Shen Ning ran away from home, she was the one who suffered the most. After all, girls are more fragile in heart, and she has never left Shen Ning, which is a big blow to her.

In her mind, Mommy didn't want her anymore, so she was very sad.

"Xiao Xiao, Daddy will take you to the hospital." As soon as he returned to Li's Castle, he ran upstairs, picked up Xiao Xiao and left.

Unexpectedly, Xiaoxiao hugged his neck, her eyes were black and bright:

"Daddy, I saw Mommy."

Li Zhenting was taken aback.

Aunt Yun on the side hurriedly added: "Master, today Ke Ke and Ding Ding made a video call for Madam. They all saw Madam in the video. The children are so excited."

Li Zhenting finally understood, and a hint of surprise welled up in his heart.

Shen Ning is willing to see the children, isn't she, she will soften her heart and go home with him.

Chapter 1182: He took the initiative to call Li Zhenting

Children's Hospital.

Xiaoxiao closed her eyes tightly, she was obviously scared, but she cooperated with the nurse to give the injection.

Li Zhenting felt distressed when he saw his daughter's gritted teeth and forbearing expression.

After a while, the needle was inserted, and Li Zhenting held his daughter in the bottle.

"Little, does it hurt?"

"It doesn't hurt." Xiaoxiao was so sensible that he felt distressed.

Li Zhenting stroked her head, he wouldn't know, Xiaoxiao used to be the most afraid of injections and medicines, but now she doesn't resist at all, because Mommy is back, she hopes to get better soon so that she can visit her mum.

"Daddy, where is Mommy now? I'm going to see her tomorrow." Xiao Xiao asked, lying comfortably in Li Zhenting's arms, with **** eyes open.

Li Zhenting's hand was placed on her forehead. The little girl was still having a high fever, at least 38 degrees, but she was in good spirits. When she mentioned Mommy, her eyes sparkled.

"Xiao Xiao, do you like your younger siblings?" Li Zhenting asked after thinking about it.

"Like it."

"Then if Mommy gave you another brother and sister, would you be happy?"

Xiao Xiao didn't even think about it, and replied, "I'm happy."

"Really? If you have younger siblings, Mommy might love them even more. Would you be jealous?" Li Zhenting smiled slightly.

"No, I will take care of them." The little guy replied after thinking about it.

"Well, Daddy tells you that your mommy hasn't come home during this time because she is pregnant with younger siblings. It's not that she doesn't want you, but that she is going to give birth to younger siblings. She is also worried that you will be unhappy, understand ?"

The little eyes showed confusion, but soon the bottom of my heart was filled with joy. It turned out that Mommy didn't run away, nor did she want them anymore, but just because she was pregnant with younger siblings and was about to give birth to them.

"Daddy, don't worry, I like my younger siblings very much, and I won't be unhappy. Can I visit Mommy and younger siblings tomorrow?"

Li Zhenting pondered for a while and said: "Well, I will discuss with your mommy tomorrow, and I will give you an answer as soon as possible, and I will take you to see mommy as soon as possible."

"Thank you, Daddy." Xiaoxiao snuggled into Li Zhenting's arms, all the lumps in her heart disappeared, and she was very happy.

Li Zhenting smiled slightly.

At this time, his cell phone rang.

He took it out and saw that it was Shen Ning calling.

Definitely came to ask about a small illness.

After all, Shen Ning is very concerned about the children.

He picked up the phone and said sweetly: "Ning Ning, don't worry, Xiao Xiao is much better, I will answer the phone for Xiao Xiao."

After speaking, he put the phone to Xiao Xiao's ear.

He is self-aware, Shen Ning didn't forgive him, and he didn't want to show their embarrassment in front of the children.

"Mommy." Shen Ning felt warm when he heard a small surprise cry from the microphone. Although the small voice was loud, it still sounded weak, and his heart ached inexplicably.

After Li Wanqing hung up the phone, she couldn't sleep all the time. She couldn't bear it because she was so worried about Xiaoxiao. She didn't care about anything, so she took the initiative to call Li Zhenting, because she knew that Li Zhenting must be in the hospital at this time Staying with Xiao Xiao, she wants to know about the child's condition.

"Xiao Xiao, are you feeling better now?"

"Mum, I'm much better, and I can see you and my younger siblings tomorrow." Xiaoxiao immediately shouted happily.

Shen Ning was startled when he heard that.

It seems that Li Zhenting has told her about the birth of her younger brother and sister, and she readily accepts it.

I remember that at the beginning of her pregnancy, when she was sleeping with Xiaoxiao in her arms, she tentatively asked her if she liked having a younger brother or younger sister. At that time, she hugged her and said no, she only hoped that Mommy would love her And Cocoa, Tintin's.

Children's love is selfish. At that time, she thought, anyway, they are following Li Zhenting, and they will not be with her. It's good to keep them from knowing for a while, and it's not bad to get to know each other when they grow up and understand.

Therefore, she never told the children about her pregnancy!

Looking at it now, Li Zhenting still did some homework in front of the children, and they readily accepted it.

Chapter 1183: How do you know I'm rich?

"Xiao Xiao, you get well first. Mommy hasn't furnished the children's room here yet. After Mommy has finished decorating this side, she will send someone to bring the three of you here to play, okay?" After thinking for a while, Shen Ning spoke kindly.

"Then Mommy, how long will it take for you to arrange it? My illness will be cured tomorrow. I just need to see you, and I don't need any children's room."

Shen Ning smiled: "Don't worry, Mommy will be there as soon as possible, you should get an injection and take medicine first."

"Well, okay, thank you Mommy." Xiao Xiao nodded sensibly.

After Shen Ning comforted her a few more words, she reluctantly hung up the phone.

After hanging up the phone, she felt relieved, and finally fell asleep with peace of mind.

the next day.

Shen Ning woke up early in the morning and started to turn on the phone to pick out toys and gifts for the children after feeding the children.

Aunt Dong has already cleaned up the large guest room upstairs, preparing to make a playground for the children.

Looking at Shen Ning's agreement for the children to come and play, Li Wanqing smiled without saying anything, and asked people to prepare a lot of things.

Xingyue Hotel.

Zhu Qixiong walked in with Zhang Xiaoxian.

Obviously, Zhu Qixiong is a regular customer, and the waiter greeted him with a smile when he saw him: "Master Zhu, there are luxurious private rooms inside."

"No, it's in the hall." Zhu Qixiong replied lightly.

The waiter was stunned. The famous young master Zhu was eating in the hall. She glanced at Zhang Xiaoxian who was following behind him.

She understood something, and a mocking smile flashed in her eyes.

That's it. Of course, such a shabby woman is not worthy of the luxurious private room of Young Master Zhu. I guess it's just for fun.

"Order whatever you like." Zhu Qixiong handed the menu on the table to Zhang Xiaoxian.

Zhang Xiaoxian picked it up and looked at it, then ordered three home-cooked stir-fries.

Finally, Zhu Qixiong took it over and added an old hen and prawns.

The waiter took the menu and looked at Zhang Xiaoxian contemptuously. She really is a woman who doesn't know how to consume. If such a woman enters a luxury box, she might not even dare to eat. No wonder Young Master Zhu can only invite her to eat here up.

She passed the dishes in the past.

"Master Zhu, would you like XO or Moutai?" When the dishes were ready, the waiter came over and asked with a smile.

"Nothing, he doesn't drink." Unexpectedly, before Zhu Qixiong could speak, Zhang Xiaoxian refused loudly.

Still drinking, he just came out of the hospital with alcohol poisoning!

"Well, I won't drink." Zhu Qixiong smiled and agreed, his eyes darkened.

The waiter glanced at Zhang Xiaoxian in surprise, and left resentfully.

"Come on, drink more old hen soup." Zhu Qixiong took a look at Zhang Xiaoxian's pale face, scooped a bowl of old hen soup for her and put it in front of her.

"Thank you." Zhang Xiaoxian was really hungry. These days, she was taking care of three patients upstairs and downstairs, and all she ate was takeaway. She herself was not willing to eat. Sometimes she only ate a steamed bun, and immediately picked up a spoon and drank it down. stand up.

Zhu Qixiong also drank with her, the two of them talked less and only cared about eating.

"Young Master Zhu, don't drink alcohol in the future, it will hurt your liver." Later, Zhang Xiaoxian ordered, "I know you are rich, so drinking some good wine is fine, but your body is the most important thing, right?"

"Yes, you are right." Zhu Qixiong replied with a smile, "It's just, how do you know I'm rich?"

"Does it need to be said?" Zhang Xiaoxian pouted, "Can I live in such a good villa without money, can I drink such a good Moutai?"

"Actually, I am the poorest person in the world." Zhu Qixiong said suddenly.

Chapter 1184: You have worked hard these years

"Tsk tsk, that's all right, don't cry poor, don't worry, I won't borrow it from you." Zhang Xiaoxian replied, took out a gold card from her pocket and put it in front of him and said, "Master Zhu, this is the card you gave me that day." Mine, I'm useless, but this is the bill you were discharged from the hospital today, there is no way, I have no money, otherwise, I will help you advance the payment. "

"This is for you, if you give it away, it's for you." Zhu Qixiong didn't raise his head, his eyebrows were light.

"No, I won't ask for other people's money. You should collect it quickly, so that others won't mistake me for being taken care of by you." Zhang Xiaoxian recalled the way the waiter looked at her just now, feeling a little helpless.

Zhu Qixiong could only smile, and picked up the card.

After dinner, Zhu Qixiong paid the bill, went out and called a car, and left without looking back.

Zhang Xiaoxian looked at his back, inexplicably felt that his back was heavy and sad, as if hiding a lot of thoughts, she frowned, but because she was going to work as a part-time job in a restaurant in the afternoon, she left without thinking.

After many years, she didn't know that this meal was actually paid for by Zhu Qixiong with all his belongings at that time. At this time, he was penniless except for the card.

And that card, after he returned by car, he hid it in her mother's carry-on package, which contained 200,000 yuan.

Shaw Villa

At noon, a black Bentley car parked outside.

Li Zhenting walked down from the inside.

"What are you doing here?" Shen Ning was breastfeeding two babies. Li Zhenting walked in with his long legs and a luggage bag in his hand. He was shocked and turned around immediately. Rebuke.

Li Zhenting smiled brazenly and said, "I'm here to see the baby."

"Go out, and if you come in later, you have to knock on the door and ask for my permission before you can enter."

"Ning Ning, I am the father of the children."

"If you have any objections, you can file a lawsuit. I'll wait." Shen Ning is confident, anyway, with the help of Lawyer Niu, Lawyer Niu has signed a contract with her online these days, and she has a good chance of winning this lawsuit.

"Okay." Li Zhenting gritted his teeth, "I agree to let Ke Ke, Ding Ding and Xiao Xiao come and live with you. Why are you so ruthless to me? Anyway, you can't stop me from watching the children."

After finishing speaking, he put the luggage bag in his hand aside, and Shen Ning didn't care because he had to breastfeed the two babies.

At this time, the baby in the cradle must be hungry, and cried sadly.

Li Zhenting quickly picked her up, because his brother was hungry quickly, and usually he ate first.

"Hurry up and prepare the milk powder." As the little ones grow up day by day, Shen Ning is also in a hurry. Usually, this one will cry when he is hungry, and the other one will cry before he finishes drinking the milk. Seeing the children crying, she feels distressed. He couldn't care less about driving Li Zhenting away.

As the children grow up day by day, the milk is not enough, and they are already preparing complementary food.

"Okay." Li Zhenting hurriedly prepared milk powder.

"Quick, change the diaper."

"Feed the baby plain water."

"Put some baby powder on baby's bottom."

...

Once he was busy, Li Zhenting was in a hurry. Fortunately, the little ones fell asleep after eating and drinking.

"Now you know that raising a child is not easy." When he raised his head, he saw Shen Ning looking at him coldly.

"Yes, Ningning, you have worked hard these years." He immediately gave her a thumbs up.

"You don't need to say this, you go out, and remember to send the children over in the afternoon." Shen Ning turned his head and said coldly.

"what about me?"

All the children are here, is he alone in that house!

"Just stay and take care of Lan Lan." Shen Ning said with a cold face, "I don't need you here, don't worry, I will let the children go home after staying for a few days."

Li Zhenting pursed his lower lip, and glanced at the luggage bag!

Oh, if you want him to stay in that house alone, he won't do it!

From now on, he will live here, unless Shen Ning can go home with him!

Chapter 1185: No one is allowed to take Lan Lan without my consent

In the afternoon, after Li Zhenting corrected several documents, he handed over some remaining tasks to Leng Xue.

He went to the barber shop to have a new hairstyle, and then went to the dry shop to change into a navy blue, sharp handmade suit, and then drove back to Li's Castle.

The three little guys are already dressed neatly, and they are cutely standing at the gate waiting for him.

"Children, let's go, I'll take you to your mommy." Li Zhenting got out of the car with a smile on his face, and his magnetic voice was full of joy and gentleness.

"Okay, here we come." The three little guys ran towards him with innocent smiles on their faces.

Li Zhenting looked at them with a smile, feeling warm in his heart.

At this moment, he felt that the most beautiful thing in the world was his wife and children on the bed.

"We're going to see Mommy." The three little ones scrambled to climb into the car.

"Be careful." Li Zhenting watched their little butts twitching, and told them, while opening the door to get in the car.

Sudden

Turning around, I saw a small figure in a pink princess dress standing at the gate, with his head bowed, his small shoulders shrugged, obviously crying.

He was taken aback.

Isn't that Lan Lan?

He immediately walked towards her.

"Lan Lan, Aunt Yun and Sister Li will be with you these few days. I even hired a dance teacher for you. You should study hard with her. I will come back to check in a few days." Li Zhenting bent down and told her .

With a "wow", Lan Lan burst into tears, tears streaming down her face.

Coco, Ding Ding and the little mummy are back, and Daddy is going to stay with them.

As for her, she is alone, not only has no one to accompany her, she also has to learn to dance!

She is too miserable!

"Lan Lan, why are you crying? Your Aunt Shen Ning gave birth to younger brothers and sisters. They are still so young and Aunt Shen Ning is too busy. Daddy has to accompany them for a few days. Daddy will bring Coco, Tintin and Xiao Little Metropolis will be back, and you don't like Aunt Shen Ning, Daddy will not be happy if he takes you there, so it's best for you to stay at home, just tell Daddy what you want to eat, Daddy will buy you everything Yes, be good, don't cry." Li Zhenting stroked her head, comforted her, and wiped her tears with a tissue.

"I don't want Daddy to go there, I want Daddy to accompany me, I miss Daddy." Lan Lan cried while hugging Li Zhenting's neck and didn't let go.

Li Zhenting had a headache.

Lan Lan has become more and more attached to him recently.

At this time, Aunt Yun came over.

"Mr. Li, Miss Lan Lan's grandmother called today and said she wanted to pick her up to stay for a while." She said cautiously.

Li Zhenting was startled when he heard that: "Aunt Yun, who are you talking about? Lan Lan's grandmother?"

"Yes, master."

"Which grandma?"

"It's Miss Shen Mei's mother."

Lan Feiyun?

Li Zhenting's eyes flashed, isn't that vicious woman in jail? How could she take Lan Lan to live there?

"Are you sure it's Lan Feiyun?" He asked again worriedly.

"Yes, young master." Aunt Yun is an old servant in the family, so she naturally knew who Lan Feiyun was, so she immediately nodded to confirm.

Li Zhenting's face was gloomy, and he ordered decisively: "Order, no one can take Lan Lan away without my consent. Lan Lan can only stay at home."

Will that kind of vicious woman be able to take good care of children? She will only set a bad example for Lan Lan. No wonder Lan Lan has been very abnormal these days. It turns out that the woman Lan Feiyun has returned.

It seems that the nasty woman has contacted Lan Lan and is teaching her badly again.

How disgusting!

He would never allow his daughter to stay with such a woman.

"Okay, I understand." Aunt Yun agreed.

"Lan Lan, you stay at home these days and you can't go anywhere." Li Zhenting ordered Lan Lan in a deep voice, his face a little scary.

Lan Lan, who was sobbing, saw her father's serious expression, and was too frightened to cry, so she nodded tearfully.

Li Zhenting turned around and walked towards the luxury car. While walking, he called Leng Xue and asked him to check whether Lan Feiyun had really been released from prison.

He remembered that Lan Feiyun's criminal evidence was solid, and it was impossible for him to be discharged from the hospital so soon. It has only been less than half a year.

Leng Xue agreed and immediately started to investigate.

Li Zhenting drove towards Shen Ning's villa with the three little ones singing and laughing.

Chapter 1186: jealous

"Mommy, Mommy, here we come."

"Mommy, I miss you so much."

"Mommy, I'm here to see you."

...

Shen Ning was busy folding clothes for the babies, when the chaotic footsteps of the little ones and the eager voice of the little one calling for mommy could be heard from the gate.

She was overjoyed, and hurriedly put down her clothes, before she had time to get out of bed.

Coco and Ding Ding have already run in.

"Mommy." The two little guys scrambled towards her, their foreheads covered with beads of sweat, and their faces flushed.

"Ke Ke, Ding Ding." Shen Ning got out of bed and immediately opened his arms to welcome the children, hugged them into his arms, and murmured, "Mommy misses you so much, so much."

She hugged them tightly and kissed their little cheeks one by one. When she looked up, she saw Xiaoxiao standing in front of her, looking at her with bright black eyes.

"Come on, Xiaoxiao, Mommy hugs." Shen Ning let go of Ke Ke and Ding Ding, and stretched out his arms towards Xiaoxiao.

"Mummy." Xiaoxiao called out cheerfully, and threw herself into Mummy's arms.

"Xiao Xiao, tell Mommy quickly, are you better from a cold?" Shen Ning picked her up, hugged her into his arms, kissed her forehead, and asked kindly.

"Mommy, I still have a little cough, but the doctor said it's gone, and the doctor's uncle praised me, saying I'm sensible, and the nurse also said that I'm so brave, and I don't cry when I get an injection." Xiaoxiao shook her head, especially cute.

Shen Ning smiled, and kissed her little cheek: "My little one is the most obedient, she is Mommy's best and most obedient daughter."

"Mommy, I love you so much." The little mouth was sweet, and she was so happy lying in Mommy's arms.

"Xiao Xiao, let Daddy come and hug you. Your mommy is still in confinement, but she can't hug you." Li Zhenting then came in and saw Shen Ning interacting with the children intimately. He was very relieved and looked at Shen Ning. Ning struggled to hold Xiaoxiao, and immediately took Xiaoxiao from her arms considerately.

Xiaoxiao is also very sensible, she doesn't want to be hugged by Daddy, but just breaks free from his embrace and stands beside Keke.

Maybe it was the noise of the little ones that disturbed the dreams of the two little babies, maybe it was Coco, Ding Ding and Xiaoxiao who snatched their mother's love, and the two little ones could smell it sensitively.

Sudden

They all cried loudly.

As soon as Shen Ning saw it, he immediately walked over and picked up his younger sister, patted her on the back and coaxed her softly: "Baby, don't cry, it's your brothers and sisters who are here, they are here to see you, in the future you have Brother and sister, they will love you very much."

As she spoke, she walked around the house with the baby in her arms, patted her gently, and coaxed her affectionately.

The little guy felt a sense in his heart, and immediately stopped crying obediently, smacked his little mouth, and moved his little hands happily.

Shen Ning's face was full of pampering.

over there

Li Zhenting also hugged his brother at the same time, coaxing him like Shen Ning.

The little guy seemed to feel Daddy's love too, so he stopped crying.

The two of them were only concentrating on coaxing the two little babies, and they didn't pay attention to Coco, Tintin and Xiaoxiao's expression at all.

They were also looking at Daddy and Mommy seriously, with jealousy gradually appearing in their eyes.

After a while, they watched as Daddy and Mommy put the two babies to sleep and gently put them in the cradle, their eyes were so gentle that water dripped out, but they didn't pay any attention to them standing beside them.

The three little ones looked at each other and walked out dejectedly.

"It's over, it turns out that Mommy doesn't love us a long time ago, she has new babies." Coco was dejected.

"Yes, Mommy hugged us for less than a second, but she won't let go of the new baby, so she spoils them so much." Ding Ding thought about finally seeing Mommy, so she gave them a hug, Even the kiss is so perfunctory, just nodded with the lips, this is simply perfunctory.

No wonder they haven't seen Mommy for so long. It turns out that she has a new baby and has long forgotten about the three of them.

Ding Ding and Coco are frustrated!

"It's not like that, Mommy loves us." But Xiaoxiao can figure it out, maybe because Li Zhenting took precautions in advance, she is really open-minded and thinks differently from them.

Originally, Li Zhenting thought that Xiaoxiao was a girl, and usually misses Mommy the most. Afraid that she would be narrow-minded, he told her this fact in advance.

Instead, Keke and Ding Ding, he thought they were already little men, men, how could they be so stingy, so he forgot to tell them.

Besides, these two brats have been ignoring Shen Ning ever since he left. They only care about playing games and getting into trouble every day, wishing to **** him off to death, so they don't bother to pay attention to them.

But who knows.

These two little ones really care about Mommy, and they are also very cautious.

Now, they are really jealous!

Chapter 1187: More haste less speed

"Anyway, I feel that Mommy doesn't love us that much anymore." Ding Ding was angry, and his originally expressionless face was now squeezed into a unwilling emoticon, very cute.

"Yes, I feel the same way, and Daddy also likes the new baby and doesn't love us anymore. Anyway, we are the worst." Coco nodded in agreement.

"Hey." Xiao Xiao shook her head, she didn't know how to persuade Ke Ke and Ding Ding.

"My little grandchildren." At this moment, Li Wanqing walked in with a plate of delicacies. When she saw Ke Ke, Ding Ding and Xiao Xiao, her eyes lit up, and she called out affectionately.

"Grandma." Ke Ke, Ding Ding and Xiao Xiao looked back, and when they saw Li Wanqing, Nai Yin yelled sweetly and ran towards her.

It's okay, there are grandmas who love them.

"Good grandchildren, come, eat fruit, grandma washed it for you." Li Wanqing led them to a small room over there, with a coffee table and sofa, she placed the fruit on it, and brought them milk, After everything was ready, she sat down on the sofa, hugged the three cubs and kept taking turns kissing them, overjoyed.

After playing with grandma for a while, the little guy obediently sat on the sofa eating fruit and drinking milk.

After a while, Aunt Dong brought sugar water with a smile, which was specially cooked for them.

After eating the beautiful sweets, the three little ones forgot about the unhappiness just now, and started playing happily.

After they ate and drank well, Aunt Dong took them upstairs to the entertainment room.

The three little ones went crazy when they saw their favorite toy.

Downstairs, after Shen Ning coaxed the babies to sleep, when he looked up, he saw Li Zhenting still squatting beside the cradle and looking at the children dotingly, and couldn't help being startled.

Li Zhenting loves children.

With the help of Li Zhenting these two days, she has indeed saved a lot of worry in taking care of the children, and it is not so hard.

She couldn't help but think of the child seizure lawsuit.

A father who loves his children, is it really necessary for her to push him away, and never communicate with each other ever since?

She felt inexplicably irritable.

"Ning Ning." At this moment, when Li Zhenting stood up, he saw Shen Ning's brows were tightly frowned, as if he was full of thoughts, he couldn't help feeling distressed, and walked over and hugged her into his arms.

"Get out." Shen Ning was awakened by the familiar smell, and she pushed him away, her face covered with frost.

"Ning Ning, let's make up, even if it's for the children, I promise I will never let you down again in this life." Li Zhenting rushed up again to hug Shen Ning, but was hit on the head by the pillow thrown by Shen Ning.

He took the pillow, looked at the woman's icy little face, and thought about it, forget it.

I can't eat hot tofu in a hurry, and now that the children are here, I have to bear with it!

"Ningning, don't be angry, I won't provoke you." He put the pillow on the bedside, picked up the sugar water on the table, and handed it to her with both hands: "Hurry up and drink some papaya syrup, it's warm."

Shen Ning still had a face full of frost, ignored him, and refused to take sugar water.

"Ning Ning, don't be angry. It's not good to be angry in confinement. I didn't mean to violate you, but I just love you. I really love you from the bottom of my heart. I can't control myself. I swear, next time even if I miss you so much, and I will not offend you, I will control myself." He raised his right hand above his head and swore to her.

Shen Ning glared at him and turned around.

"Yo, my cousin and sister-in-law are so affectionate now." The two were chatting, when suddenly the door opened and a girl walked in.

Shen Ning looked back, and it turned out to be Li Jiaojiao.

Chapter 1188: In order to create a chance encounter with him!

"Jiaojiao, you are here." Shen Ning immediately smiled and greeted her.

Li Jiaojiao put her arms around her chest and just stared at Li Zhenting: "Cousin, did you kneel down on the washboard to apologize to my cousin? See, my cousin gave birth to two such cute babies for you. You can't let me down any more. Otherwise, I will never forgive you."

"That's what you need to say!" Li Zhenting's lips twitched: "What are you doing here? Who let you in? You don't even knock when you come in. Are you polite?"

"Cousin, you are very kind. I came to see my little nephews. If you still question me like this, forget it. I don't need to give this red envelope to my nephews." Li Jiaojiao pouted. , expressing his anger, took out two big red envelopes from the bag and held them in his hands.

Li Zhenting snorted coldly with disdain, how could he have eyes for her red envelope, if she didn't come to extort his money, everything would be fine.

"Ning Ning." At this moment, another young man's voice came from outside.

"Qingshan." Shen Ning was taken aback for a moment. Isn't this Ji Qingshan's voice, and hurriedly called out.

"Ningning, can I come in?" Ji Qingshan asked outside the door.

"Of course, come in quickly." Shen Ning smiled, and immediately stepped forward to open the door.

Ji Qingshan walked in with many tonics.

"Ningning, how is your health? Are you recovering well?" He asked with concern as soon as he came in.

"It's okay, thank you for your help." Shen Ning smiled.

When she was in Yuan County, Licheng, if Ji Qingshan hadn't invited Chen Yuxie to deliver her baby in advance, the result would not have been so good now. She is very grateful to Ji Qingshan, who gave birth twice with his help.

"Thank you, you are my old friend, I promised you a long time ago, you should." Ji Qingshan smiled, inexplicably, he felt that a pair of eyes were looking at him, and when he looked up, he saw Li Jiaojiao was standing aside and staring at him covetously, feeling horrified for a moment.

No matter where you go, you can see this girl, she really lingers.

He frowned, but he couldn't say anything in front of Shen Ning, he just put the tonic in his hand aside.

Aunt Dong immediately brought herbal tea and snacks after she knew there was a visitor at home.

At this time, Li Zhenting also took the initiative to greet Ji Qingshan, very enthusiastic, after all, he was the one who brought Chen Qianzhen's best medical team there when he was in Yuan County, and it was also thanks to him.

"Qingshan, where is Dean Chen? I really thanked her for delivering my baby last time. I always wanted to have a meal with her to show my gratitude." Shen Ning looked behind, wondering if Chen Qianqian had followed her.

Ji Qingshan smiled slightly, and was about to answer.

"Cough, cough." At this moment, a voice cleared his throat.

When Shen Ning looked over, he saw Li Jiaojiao was looking at her mobile phone. She seemed to be looking at her mobile phone, but her ears were pricked up, and there was a nervous expression on her face.

She was slightly taken aback, as if she suddenly understood why Li Jiaojiao came to see her at this time, it turned out that she knew that Ji Qingshan was coming to see her, so she came early to create a chance encounter with him!

This Li Jiaojiao has fallen in love!

She suddenly couldn't laugh or cry.

An eighteen-year-old girl is always full of spring, as if everything is poetic, like a moth to a flame, desperately pursuing what she loves, I hope Ji Qingshan can fall in love with her.

Love must go both ways to be happy.

"Dean Chen happens to be free at home today, how about inviting her over for a meal now?" Ji Qingshan seemed to be interested, and immediately answered.

"Okay, yes." Before Shen Ning could answer, Li Zhenting rushed to agree.

He also always wanted to thank Chen Qianzhen.

"Okay, then it's settled." Ji Qingshan was very excited, and immediately took out his mobile phone, "I called her."

"Well, Professor Ji, Ning Ning is still in confinement and can't go out to eat, so I will ask the hotel under the Li Group to send a table of good wine and food. Let's have a good time at home, how about it? Dean Chen? Do you accept it?" Li Zhenting immediately remembered a question and asked immediately.

"She will definitely accept it, Dean Chen is very easy-going." Ji Qingshan replied with a smile, and dialed the phone.

"Hey, it seems that Ji Mingshou knows women very well. It's just a few times of meeting, and he can understand her thoughts like this. It's really true love. I'm afraid it's because you know people, you know your face, but you don't know your heart." Li Jiao Jiao sneered.

Chapter 1189: Why do you scold people?

Shen Ning glanced at Li Jiaojiao, then at Ji Qingshan.

Ji Qingshan was already calling Chen Qianqian, but he didn't know if he heard it. The expression on his face didn't change. While he was talking to Chen Qianqian, there was rare tenderness on the corner of his lips.

Li Jiaojiao's big eyes turned towards Ji Qingshan several times.

The way this man is talking on the phone with Chen Qianqian is so unpleasant no matter how you look at it!

"Jiaojiao, the children are upstairs, they miss you, you go up and accompany them." At this time, Shen Ning thought of the last time Li Jiaojiao and Chen Qianqian drank, and his scalp was a little numb, to be honest, she hoped that Li Jiaojiao would leave wisely and not get involved.

Based on intuition, Li Jiaojiao, who is self-willed and straightforward, is really not Chen Qianqian's opponent. Unless Ji Qingshan likes her and completely falls for her, can she hope to win, otherwise, she will only suffer.

After all, Li Jiaojiao is Li Wanqing's niece, and she doesn't want her to suffer.

"Okay, cousin, I'll be with them later, I miss them too." With Ji Qingshan here, Li Jiaojiao naturally didn't want to move away.

Li Zhenting glanced at Li Jiaojiao lightly and said: "Jiaojiao, your grandma is sick, go back and take care of her elderly. Your aunt is here to take care of Ningning these days. You know something, go back and take care of the elderly."

He was obviously trying to drive Li Jiaojiao away.

But how could Li Jiaojiao be willing to leave on this occasion.

"Cousin, my grandma is almost recovered. I usually take care of her elderly, and now I am at my cousin's house. What do you mean by driving me back?" She glared at him dissatisfied.

"It's nothing interesting. I just want you to go home and take care of grandma. You have nothing to do here."

Said it was very clear!

"Being filial is not for a while, I haven't met Ke Ke, Ding Ding and Xiao Xiao." Li Jiaojiao also rolled her eyes at him, this is the home of her cousin, not his. Home, why should he drive her away?

Shen Ning just smiled helplessly, it seems that she won't be clear-headed if she doesn't suffer a bit.

Since she wants to stay and face Chen Qianqian, let's face it. That's how the so-called eating a pad and gaining wisdom come about, and they are all here, and they won't watch her being bullied.

At this time, Ji Qingshan had finished making calls.

"Cousin, I'll go upstairs to find the children to play with." Li Jiaojiao said, turned and walked upstairs with a straight face.

I don't know whether it was intentional or unintentional, when passing by Ji Qingshan, he rushed straight there, and Ji Qingshan was knocked back several steps by her.

"Crazy." Ji Qingshan cursed angrily after standing still.

"You're crazy. It's obvious that you blocked my way and didn't let me pass on purpose. Now that I've bumped into you, why do you scold me? Just because you're called a beast?" to his face.

"You..." Ji Qingshan's face flushed for a while, and he was very angry, but arguing with women is not in his personality, so he had to hold back.

"Hmph, it looks like you're not a good person, you're always on the move, you're a pervert." Li Jiaojiao cursed again on purpose before turning around and going upstairs.

Ji Qingshan stood there, his face turning green and pale for a while, very angry but helpless against her.

"Professor Ji, my cousin has been self-willed since childhood, so don't argue with her." Li Zhenting hurriedly comforted Ji Qingshan.

Ji Qingshan just gave a wry smile, and he didn't know what evil he did in his previous life to be entangled by such a little sister, always targeting him inexplicably.

Chapter 1190: Eyes are red

Upstairs.

"Children, I'm here." As soon as Li Jiaojiao went upstairs, she heard Ke Ke, Ding Ding and Xiao Xiao cheerfully shouting while driving the electric train, and she walked in immediately.

in the room.

Xiaoxiao is sitting on the electric car, Ke Ke and Ding Ding are following behind the car, holding toy guns in both hands, playing with monsters.

Li Jiaojiao suddenly became playful, lost her bag, joined their team, and became one with them.

"Okay, let's stop playing." After Li Jiaojiao pretended to be an agent and was beaten to death by Ke Ke and Ding Ding several times, Li Jiaojiao finally raised her hand and surrendered, ending the war.

"Children, come here and wipe your sweat." Li Jiaojiao picked up the towel next to her and waved at them.

Three little guys ran towards her.

"Okay, go and drink water, don't be thirsty." After wiping the sweat off their backs one by one, Li Jiaojiao ordered them to drink water.

Just after wiping, the sound of a car engine came from downstairs.

Li Jiaojiao got up and went to the window and stretched her head out to have a look.

I saw a red Samarati parked downstairs.

soon

The door opens.

The elegant and intellectual Chen Qianqian came out carrying a small bag.

She was wearing a sky-blue printed fashion skirt, with a graceful figure. When walking with her waist twisted, her fingers inadvertently brushed the soft hair on her cheeks, which was particularly feminine.

Front, Ji Qingshan strode out to greet him with a smile all over his face.

Li Jiaojiao's eyes turned red all of a sudden, her heart was pulled into a ball, and her fingers clenched tightly.

"Aunt Jiaojiao, drink water quickly." Xiaoxiao held a bottle of mineral water and yelled several times before calling Li Jiaojiao's soul back.

"Thank you." Distraught, she took the water in Xiaoxiao's hand and poured it into her mouth.

"Aunt Jiaojiao, be careful, the water is coming out." Xiaoxiao's eyes widened in shock.

She kept pouring it into her mouth, without any intention of stopping at all, she must be choking.

Fortunately, Li Jiaojiao woke up in time and hurriedly took away the mineral water bottle, but by then the water had been poured too much, she choked into her throat, and coughed violently.

Xiao Xiao hurriedly patted her on the back.

After a while, she calmed down. At this time, Chen Qianqian and Ji Qingshan's happy laughter came from downstairs. She was heartbroken, and she grabbed Xiaoxiao suddenly and said, "Xiaoxiao, there is a vixen downstairs, wait Let's go downstairs, can you help Auntie?"

"How can I help?" Xiaoxiao blinked in confusion.

Li Jiaojiao thought for a while, then whispered in her ear.

Xiao Xiao nodded with a vague understanding.

Li Jiaojiao thought about it, but she was worried, and called Ke Ke over and whispered in his ear.

Coco nodded while listening.

After a while, the downstairs became much quieter, and the laughter of the two could no longer be heard. Li Jiaojiao regained her composure and took the three little ones downstairs.

"Jiaojiao, what happened to the clothes on your chest?" They came to Shen Ning's room together, and when Shen Ning looked up, he saw that the clothes on Li Jiaojiao's chest were wet and pressed against her chest. Embarrassed, he hurriedly asked.

Only then did Li Jiaojiao remember the reason why she drank mineral water just now, she hurriedly covered her chest with her hands and said embarrassedly: "I was thirsty just now and accidentally got wet when drinking mineral water, cousin, do you have any clothes? I'll change them." one piece."

"Yes, it's in the closet over there, you can pick it out yourself." Shen Ning was pestered by the three little guys, and after answering, he went to talk to the three little guys.

Li Jiaojiao went to the closet to pick out a skirt and walked to the next room, ready to change.

She came to the door of the guest room and pushed the door, but the door was closed.

There are several rooms downstairs, Aunt Dong occupies one, Li Wanqing also occupies one, and the larger one is occupied by three little guys, and there are two servant rooms, only this room is allowed to enter Change of clothes.

She knocked a few more times.

The door suddenly opened from the inside.

Ji Qingshan appeared in front of her.

She was taken aback.

"Are you okay?" Ji Qingshan didn't seem surprised to see her, he frowned and asked.

"I want to change clothes." Li Jiaojiao didn't expect it to be Ji Qingshan, so she hurriedly covered her clothes in front of her chest, and after answering, she looked inward and saw Chen Qianqian standing against the bookcase, full of The face was blushing, and the neckline of the clothes on the chest was slightly open, a little messy.
