

Troublemakers 1191

Chapter 1191: I feel sick no matter what!

What a couple of dogs and men!

How disgusting!

In Li Jiaojiao's heart, a wave of anger ignited!

She turned sharply and rushed towards the other bedroom.

With a "bang", over there, she slammed the door shut.

"Qingshan, who is it?" Chen Qianqian turned her head to the side and asked.

"Crazy." Ji Qingshan frowned and looked at Li Jiaojiao who had rushed over recklessly, then ran away in a hurry, muttered something, turned around, and smiled slightly: "It's okay, it's just that little sister. "

Chen Qianqian rolled her eyes. In fact, she had already seen Li Jiaojiao standing at the door just now.

"Qingshan, do you think she is really just a little sister?" She looked at him and asked with a smile.

Ji Qingshan smiled disapprovingly: "Otherwise, he would be self-willed and arrogant, unable to understand the situation, immature and unreasonable, and even more unreliable than a young lady."

Chen Qianqian smiled and said, "Why do I think she has a crush on you?"

"That's because she's willful and ignorant. She's just a little girl who just turned eighteen. She hasn't experienced the beatings and experiences of society, so she doesn't know what love is. It's just curiosity."

"But at the age of eighteen, it is also the age when love first begins."

"So, this is a normal physiological reaction for her, and she will wake up after a while." Ji Qingshan smiled helplessly. He always felt very innocent to be favored by such a young lady.

Because he doesn't have the energy to deal with her!

It's time to eat.

Li Zhenting ordered someone to deliver a large table of sumptuous meals, with everything you need.

Fresh prawns, crabs, lobsters, salmon... If this is normal, Li Jiaojiao will definitely have a big appetite and can't stop eating.

But today, she was really disgusted! I have no appetite for these delicacies!

But Ji Qingshan and Chen Qianqian were sitting across from her, they couldn't see each other when they looked up, they felt disgusted no matter what!

"Dean Chen, come, try this lobster." As soon as the meal started, Ji Qingshan thoughtfully picked up the lobster and sent it to Chen Qianqian's bowl.

"Thank you." Chen Qianqian blushed slightly and thanked with a smile.

"Ning Ning specially asked Yan to thank you, you don't have to thank me." Ji Qingshan smiled.

"Thank you so much, Mrs. Li." Chen Qianqian looked at Shen Ning, "You are so kind."

"It should." Shen Ning smiled politely.

Everyone talked and laughed kindly, and the atmosphere was harmonious.

"Hypocrisy, disgusting." But Li Jiaojiao couldn't swallow that breath, and muttered softly.

Shen Ning was sitting next to her, and she listened straight to her. She looked back at Li Jiaojiao who was full of unwillingness, and shook her head slightly.

So far, she has been stalking Ji Qingshan, but Ji Qingshan still doesn't show any sign of loving her. If this little girl doesn't come out, she will suffer a lot.

During the banquet, Li Zhenting toasted Ji Qingshan and Dean Chen.

The two of them also returned the wine to Li Zhenting, singing like husband and wife, looking very much like a loving couple.

Li Jiaojiao felt even more panicked when she saw it.

"Miss Li, I offer you a toast, I wish you more and more beautiful, and find a favorite Prince Charming." Ji Qingshan didn't even look at Li Jiaojiao out of the corner of his eyes, just drank wine with Li Zhenting, holding food for Chen Qianqian from time to time, Instead, Chen Qianqian took the initiative to toast Li Jiaojiao.

"Thank you, Dean Chen." Even though Li Jiaojiao hated Chen Qianqian even more, she was specially toasted to her, and she still had to drink it.

If Chen Qianqian took the initiative to toast her, she would have to pay back, right?

"Professor Ji, Dean Chen, I offer you a toast." She poured a full glass of wine, but respected Ji Qingshan and Chen Qianqian at the same time.

Ji Qingshan had no choice but to raise his glass: "Thank you."

"Professor Ji, Dean Chen, when can I drink your wedding wine?" After the three of them clinked glasses, Li Jiaojiao asked with a smile after drinking the wine in one gulp.

This made Ji Qingshan very embarrassed.

The current relationship between him and Chen Qianqian is far from getting married, and the window paper between them has not been pierced, but Li Jiaojiao's direct question not only embarrasses him, but also embarrasses Chen Qianqian.

It's okay for him to be embarrassed, after all, he is a man, but Chen Qianqian...

Chapter 1192: Much more brazen than she imagined

"It's not that time yet, don't worry, we will definitely invite you to a wedding banquet when we get married." When Ji Qingshan was worried, Chen Qianqian answered generously.

"Okay, I'll wait." Li Jiaojiao's expression darkened.

This woman is so shameless that she admitted it generously. She and Ji Qingshan only met a few times, not as many as she has seen Ji Qingshan. As far as she knows, Ji Qingshan has not proposed to her. The relationship hasn't been confirmed yet, but she agreed so easily, it's so beautiful and thick-skinned!

Originally, she just wanted to remind Chen Qianqian to pay attention to her image. A woman is with a man she doesn't know very well. It has nothing to do with her, but she behaves like a married couple. This is not good for her image, but she did not expect that she is much more brazen than she imagined.

Ji Qingshan pretended not to hear, raised his glass to toast Shen Ning.

Li Jiaojiao was deflated everywhere, full of anger.

Ke Ke, Xiao Xiao and Ding Ding are sitting next to her. The three little guys are eating sea prawns earnestly, making their hands full of prawn meat.

She didn't want to look at Chen Qianqian anymore, so she simply concentrated on taking care of the three little ones.

After a while, at the wine table, everyone had taken turns to toast the wine several times, and the atmosphere was getting stronger and stronger.

"Auntie, I would like to offer you a toast." Suddenly, Ke Ke picked up two glasses of fruit juice on the table and walked towards Chen Qianqian. One cup, the appearance of a little adult: "I am a child, I can't drink alcohol, I can only respect you with juice. In order not to make you feel disadvantaged, you can also drink juice."

He articulated clearly and spoke a series of words. After this series of actions, the adults all over the table laughed.

"Okay, my little nephew is toasting my wine, so I must drink it." Chen Qianqian happily took the juice from Ke Ke's hand and put it on the table, then picked up the wine glass on the table and clinked the glass with Ke Ke, and then she was about to drink it. .

"Auntie, I drink fruit juice, so you should too. I'm a man, so I don't take advantage of women." Little Keke insisted that Chen Qianqian only drink fruit juice.

"Well, well, you are such a caring little cutie. I don't know how many girls will be fascinated when they grow up in the future." Chen Qianqian smiled happily, and readily picked up the juice and drank one.

"Thank you, Auntie, for your face." Coco also drank it all in one gulp, and returned to her seat with her head held high under the eyes of smiling adults.

"Ke Ke must be a talent when he grows up, and he will greatly surpass President Li." Ji Qingshan smiled and sighed.

Li Zhenting also had a proud smile on his face.

At this time, Xiaojian Keke toasted, and she also brought a glass of juice to toast.

Following the same pattern, Chen Qianqian also drank a glass of juice.

Shen Ning saw that the little guys liked to drink with Chen Qianqian, so he said with a smile: "Dean Chen, the little guys all know that you saved their younger brothers and sisters, so I came here specially to thank you."

"Thank you so much, the children are really sensible."

Hmph, that's not the case. After listening to Mommy's words, Ke Ke didn't agree with her from the bottom of her heart. He and Ding Ding didn't like the new baby siblings at all.

However, he didn't answer, just continued to eat delicious food.

At this time, Ding Ding was not far behind, and ran over to toast Chen Qianqian after bringing the juice.

After three cups of fruit juice, Chen Qianqian felt full.

Everyone continued to eat, and dishes were served from time to time.

Chapter 1193: Fortunately, it was sent to the hospital in time

"Oh, it's so itchy." While everyone was eating and drinking, suddenly, Chen Qianqian started to scratch her body with her fingers on her arms.

"What's going on?" Ji Qingshan, who was sitting next to him, immediately asked with concern.

"I don't know. It was fine just now, but suddenly it started to itch." Chen Qianqian said while scratching, her face full of pain.

"Ah, Dean Chen, your face and neck are red, are you allergic?" Shen Ning looked up, and saw that Chen Qianqian's face and neck were all red, and she was shocked instantly.

"Dean Chen, aren't you allergic to seafood?" Ji Qingshan also changed color, and asked worriedly.

Chen Qianqian scratched and shook her head: "No way, I usually eat seafood, and I have never had a history of allergies."

"What's the matter?" Li Zhenting also felt that something was wrong.

"No, I have a stomachache and I'm going to have diarrhea." At this moment, Chen Qianqian stood up and ran towards the toilet.

"I'll go with you." Ji Qingshan panicked and hurriedly ran behind her.

Li Jiaojiao gave the two of them a cold look and snorted disdainfully.

Shen Ning hurriedly said to Aunt Dong: "Aunt Dong, hurry up and get the medicine box, there are plasters to relieve itching."

Aunt Dong hurriedly went upstairs to get the medicine box.

"Ah, I feel so uncomfortable, I have difficulty breathing." In the bathroom, Chen Qianqian felt her feet were soft and her hands were soft after she had diarrhea, so she walked out while holding onto the wall.

As soon as she came out, she saw Ji Qingshan standing at the door waiting for her.

She went limp and fell forward.

Ji Qingshan hastily stretched out his arms and hugged her.

"Dean Chen, how are you doing now?"

"I feel bad, my stomach hurts, my body is itchy, I have no energy, and I have shortness of breath." Chen Qianqian spoke weakly as she fell into Ji Qingshan's arms.

"Trouble, this must be a severe allergy, I'll take you to the hospital immediately." Ji Qingshan was so anxious that he picked her up and walked outside.

As soon as they walked to the door, they saw Shen Ning, Li Zhenting, and Li Jiaojiao all standing here waiting for them, with anxious expressions on their faces.

"President Li, Ning Ning, Dean Chen must be allergic to something. The symptoms are very serious. I will send her to the hospital immediately and leave first." Ji Qingshan said to Li Zhenting, and Shen Ning hugged Chen Qianqian and left .

Chen Qianqian huddled in Ji Qingshan's arms weakly, her face pale.

Li Jiaojiao looked at her thoughtfully, her face gloomy and uncertain.

Ji Qingshan carried Chen Qianqian into the car, started the car and drove towards the hospital.

"Professor Ji, Dean Chen, this is an allergic reaction. Fortunately, he was sent to the hospital in time, otherwise it will cause heart and kidney failure." The doctor looked at some examinations with lingering fear.

On the hospital bed, Chen Qianqian had fallen into a coma.

"What is the cause of the allergy?" Ji Qingshan's eyelids twitched, and he detailed the meal he ate at noon.

The doctor fell into deep thought and said:

"Professor Ji, we have to ask Dean Chen about her allergy history after she wakes up. Many people are allergic to seafood."

"But she said that she is not allergic to seafood."

"If it's not seafood, it's very likely to be something else, and it's also very likely that something else has mixed with the seafood and a chemical reaction has occurred. Let's see the test results later." The doctor replied.

Ji Qingshan is proficient in medical theory, so he naturally understands these principles. Right now, he can only wait for the test results to come out.

Shaw Villa.

"It's fine, how could you be allergic?" Shen Ning watched Ji Qingshan take Chen Qianqian to the hospital with lingering fear.

"Ning Ning, don't worry, Dean Chen and Ji Qingshan are both doctors, they know how to deal with it." Li Zhenting comforted Shen Ning.

Shen Ning's face sank, and he said angrily: "It's all the food you sent, I was going to cook it at home, but you came up with this bad idea, if anything happens this time, it's all your responsibility. "

Chapter 1194: She is only allergic to mango juice

"Okay, it's my responsibility." Li Zhenting quickly admitted his mistake.

"Then get out of here quickly, and don't come here again, I don't want to see you again." Shen Ning tightened his face and began to chase him away.

But wherever there is him, there will be trouble, she is really afraid!

But Li Zhenting played a rogue.

"No, I'm leaving. What if the babies are crying? What if the children need Daddy? I can't see the children without Daddy's love." He simply went to the sofa and sat down, with a look of "you can take care of me." What to do like a rogue.

Shen Ning was very angry, but there was nothing he could do about it. Just at this moment, the cries of babies came from the room.

When she heard this, she panicked and ran inside.

The corners of Li Zhenting's lips curled up slightly.

Hmph, try to drive me away, but there is no door!

His kids are here, he goes, how is that possible? !

Moreover, he didn't want to stay in that house alone, without Shen Ning, he felt that the whole world was gloomy, and he didn't even know why he was alive!

"Baby, don't cry, Mummy is here, be hungry, Mummy is here to breastfeed you." Shen Ning hugged his brother and coaxed him gently, and began to breastfeed the little one.

But after she finished feeding the children, she received a call from Ji Qingshan.

"Qingshan, how is Dean Chen?" She saw it, picked it up quickly, and asked anxiously.

"Ning Ning, Dean Chen is allergic, I want to ask you, did you give her mango juice today?" Ji Qingshan asked over there.

mango juice?

Shen Ning was taken aback, and thought about it, isn't there just a bottle of mango juice, grape juice, and orange juice on the dinner table today.

"Yes, there is indeed a bottle of mango juice on the dinner table today. Did Dean Chen drink it?" She wasn't sure if Chen Qianqian drank it, because Chen Qianqian had been drinking all the time today, and she didn't see her drinking mango juice. The juice has long been poured out by a few little guys.

"Dean Chen said that she is only allergic to mango juice, and if mango juice is mixed with seafood, the allergies will increase."

"I remember that she didn't drink mango juice, and the bottle of mango juice was snatched up by the children long ago." Shen Ning replied while recalling.

Unexpectedly, as soon as Shen Ning mentioned the children, Ji Qingshan suddenly remembered, and hurriedly said: "By the way, I remembered, Ke Ke, Ding Ding and Xiao Xiao each toasted Dean Chen with a glass of juice, then there should be mango juice in the juice, if so, then you can be sure."

Shen Ning was stunned, and then remembered that the three little guys did offer three glasses of juice to Chen Qianqian.

"That's it, then I'll ask the children to see if there is any mango juice in it?" She replied and walked outside.

"Forget it, Ningning, the children did it unintentionally. Even if they drank it, they are still young and don't understand it. Don't blame them. I can treat the symptoms after I find the source." Ji Qingshan After comforting Shen Ning a few words, he hung up the phone.

Now he can be sure that Chen Qianqian must be allergic after drinking mango juice, even if she didn't drink mango juice, it should be mixed with mango juice.

"Dean Chen, it's all my fault. I shouldn't have asked you to eat at Shen Ning's place. This is good, I've hurt you." When Ji Qingshan came back and saw Chen Qianqian lying down with a pale face, he felt very guilty. full of apologies.

"It's okay. I can't blame you. It's my fault. I didn't know that mango juice would be mixed in the fruit juice served by the children. I'm a doctor, so I should have thought of it earlier." Chen Qianqian smiled weakly, very understanding Satisfactory.

Ji Qingshan felt even more uneasy.

Chapter 1195: plan

"Hey, the three little guys are also kind, they are so young, they don't understand these at all, and there is no way to blame them." He sighed, "Don't worry, I just asked the doctor, you will not have any serious problems, But you have to stay in the hospital for two days, and I will take good care of you in these two days."

"Thank you." Chen Qianqian smiled, and suddenly said half-jokingly: "The three little guys are really sensible today, they all came to toast to me, as if they had discussed it in advance, I was at a loss for a while, so sensible and cute The children of my family came to toast me. Of course I had to drink it. I didn't think about it for a while, and what they gave me was grape juice. I didn't think there would be mango juice mixed in it. I was negligent, no wonder others."

She seemed to be blaming herself, but there was something in her words.

The speaker has the intention, and the listener also has the intention.

Ji Qingshan was stunned for a moment, then suddenly remembered something, comforted Chen Qianqian, said something happened, and hurried out.

Chen Qianqian looked at the back of him leaving in a hurry, with an unfathomable smile on the corner of her lips.

During lunch today, Li Jiaojiao mixed three kinds of fruit juices, poured several glasses and placed them in front of the children. Then she took the opportunity of taking care of the children to eat, and whispered something in Coco and Xiaoxiao's ears from time to time.

At the beginning, she didn't know what she said to the children, but when the children took turns to toast to her, she already guessed that she was teaching the children to toast to her.

Originally, if it was just drinking, she would not have thought much about it, but when the little guys unanimously asked her to drink juice, she guessed it.

This woman actually wanted to harm her!

As a doctor, of course she would think about the consequences, so she secretly gave herself an anti-allergy medicine that she carried with her.

As for the girl Li Jiaojiao, who is also a woman, she has been wary of her from the very beginning. Others will not notice her, but she has been watching her in secret all the time.

Li Jiaojiao likes Ji Qingshan and has been pestering him, but obviously, Ji Qingshan doesn't mean much to her.

On the contrary, Ji Qingshan has a crush on her.

And she also has a good impression of Ji Qingshan, a talent like Ji Qingshan is a rising star in the medical field, she has admired him for a long time, in that meeting, Ji Qingshan was not actually on the list sitting

in her seat She sat next to him on purpose, just to attract his attention, and sure enough, he really noticed her, and he had a good impression of her.

Love is selfish.

She will never allow Li Jiaojiao to ruin her love.

So, he decided to use this opportunity to completely eradicate Li Jiaojiao.

This is what happened later. In fact, there is nothing wrong with her body.

She just wants to deal with Li Jiaojiao and teach her a lesson!

When she thought of finding out that Li Jiaojiao was jealous of her and deliberately made her drink mango juice to cause her allergies, a satisfied smile appeared on the corner of her lips.

Such despicable behavior will only cause Ji Qingshan to completely dislike her and blame her for all the responsibility, this girl is really stupid!

In fact, the reason why Li Jiaojiao knew that she was allergic to mango juice was because she deliberately revealed it to her.

This morning, she received a call from a friend. While she was talking, Li Jiaojiao suddenly walked over, so she purposely told her that she was allergic to mangoes, but she didn't expect Li Jiaojiao to fall into the trap.

Hmph, such a stupid little white girl still wants to compete with her for love, so go as far as you can!

She fell asleep peacefully.

Here is Shaw Villa.

In the living room.

Li Jiaojiao was playing games with the three little ones, feeling restless.

Not long.

Shen Ning walked over.

Chapter 1196: I have nothing to say to him

"Ke Ke, Ding Ding, Xiao Xiao, when you offered juice to Aunt Chen today, was there mango juice in the juice?" Shen Ning came over and asked softly.

Ke Ke and Ding Ding were playing checkers, and they didn't know if they heard it clearly, so they answered casually: "No."

"Really not?" Shen Ning patted their heads and asked seriously.

"No."

Seeing how serious they were playing, Shen Ning remembered Ji Qingshan's words, that's right, even if there is mango juice, the children are so young, they don't understand what evil thoughts they can have.

She smiled, stood up and prepared to go back to the bedroom.

At this moment, Xiaoxiao remembered something and replied: "Mum, there should be mango juice."

"Oh, how did you know? Did you pour it in?" Shen Ning looked at her and asked with a smile.

"I didn't pour it in, but Aunt Jiaojiao poured it in. I saw it, and she said it tastes good when mixed together." Xiao Xiao said confidently.

Shen Ning was stunned for a moment, his eyes hurriedly looked at Li Jiaojiao who was sitting beside her, and this look met her dodgy eyes.

She was stunned, and suddenly remembered something, her eyelids twitched.

At this time

The phone in his hand rang again.

She lowered her head and saw that it was Ji Qingshan calling again, as if she had already expected something, she picked it up frightened.

"Ningning, may I ask if Li Jiaojiao is still with you?"

Shen Ning looked at Li Jiaojiao.

Li Jiaojiao seemed to realize something, and looked at her with a pale face.

"She's still here."

"Then please ask her to answer the phone." Ji Qingshan has never had Li Jiaojiao's mobile phone number, and deleted her after adding her on WeChat. He thought he would not go to her. Unexpectedly, today is really true I'm going to find her.

Shen Ning looked at Li Jiaojiao worriedly, and replied: "Okay."

She walked over and handed the phone to Li Jiaojiao: "Jiaojiao, your call is from Professor Ji."

"Why is he looking for me? I have nothing to say to him." Li Jiaojiao muttered, not answering the phone at all, but her heart was beating.

When Shen Ning came to ask Ke Ke and Ding Ding if they had added mango juice to their drinks, she knew that something was wrong. Now that Ji Qingshan came to her, it must be something bad.

Moreover, thinking of Chen Qianqian's messy clothes on her chest, she felt sick and wanted to vomit, and she didn't even want to talk to Ji Qingshan.

"He came to you for consultation." Shen Ning replied.

"I don't know anything, and I have nothing to tell him. Don't give it to me. I won't answer his phone. It's disgusting." Li Jiaojiao replied angrily, not answering the phone.

Shen Ning had no choice but to turn on the speakerphone.

At this time, Ji Qingshan's questioning voice came from over there:

"Li Jiaojiao, let me ask you, did you mix mango juice with grape juice, and then instigated Ke Ke, Ding Ding and Xiao Xiao to take turns to toast President Chen?"

"No." Li Jiaojiao yelled emotionally, "Ji Mingshou, what are you? How dare you ask me like this, your girlfriend has an accident, and you want to rely on me? Do you think I'm good? Bullying? Tell you, I'm not that bad, I don't care about her at all, I don't want to talk to you now, please don't bother me again, I have no interest in dogs and girls, and I never want to see them again You guys, please don't bother me."

So far, Ji Qingshan has fully deduced that Chen Qianqian's allergies today were caused by Li Jiaojiao on purpose, because she mixed mango juice into grape juice.

This girl is really poisonous.

He was livid with anger.

Chapter 1197: It's fine to settle this matter privately.

"Li Jiaojiao, it doesn't matter if you don't want to talk to me, it's fine if you don't want to admit it. What happened to Dean Chen today is by no means a trivial matter. Now she is still lying in the hospital. If you have such an attitude, I can only call the police. , hand it over to the police." Ji Qingshan's voice was very cold, "As for whether I have relied on you, the police will find out if they find out that there is something wrong with it, then it is your business. For Ning's sake, I told you in advance to give you a chance, but you don't seem to appreciate it."

Li Jiaojiao panicked for a moment.

"Death is a beast, you should report to the police, why are you telling me these things? Just because your girlfriend was hurt, are you going to treat me as a vicious witch? It's too much." She still refused to admit defeat. refuted.

"You...very good, the police will convince you by then, so call the police." Ji Qingshan gritted his teeth and was about to hang up the phone.

Shen Ning on the side picked up the phone and put it to his ear and walked outside.

"Qingshan, don't be impulsive, talk about something."

"Ning Ning, you heard it too, Li Jiaojiao's attitude, what do you want me to say?" Ji Qingshan was very angry there, "If it wasn't for your sake, I wouldn't call to ask She should call the police directly."

"Qingshan, are you sure that Jiaojiao did this?"

"It must be her. If it wasn't for her, I would dare to write the word Ji upside down."

"Can you be so sure? Could it be that she gave Dean Chen the mango juice to drink? The toasts were Ke Ke, Ding Ding and Xiao Xiao. They are so young and don't understand anything."

"So, this is the most hateful thing about her. She actually instigated children to do such outrageous things. Moreover, Dean Chen also saw her whispering to the children from time to time. Now that I think about it, she is instigating They did something bad."

Shen Ning was silent for a while and said: "You mean that Dean Chen knew from the beginning that Li Jiaojiao was harming her?"

Ji Qingshan was momentarily at a loss for words.

"No, she doesn't know, she just has some doubts..."

Suspected from the start? As a doctor, do you suspect that you will drink drinks that are allergic to your body? Do you not cherish your body?

Women's scheming has always been unfathomable.

Shen Ning has no doubts that Li Jiaojiao did this. After all, it is obvious that she has a motive for committing the crime.

And this girl has always been willful, she can do whatever she wants, and she won't restrain herself.

"Qingshan, how about this, give me some face, just settle this matter privately, Jiaojiao is just a little girl with no heart, don't be so serious."

"Ning Ning, I'm fine, but I don't know if Dean Chen will agree." Ji Qingshan was a little embarrassed there. In fact, he didn't want to make things big, but he was worried that Dean Chen would take the opportunity to clean up Li Jiaojiao.

"Don't worry, I'll explain this to Dean Chen. Dean Chen is a modern woman and is reasonable. I believe she will agree."

"Okay, I will leave this matter to you."

Ji Qingshan finally agreed.

Shen Ning smiled and hung up the phone.

"Cousin, don't hit me, I'm sorry, I won't dare next time." As soon as she hung up the phone, Li Jiaojiao's pleading voice came from the living room.

Followed by Li Zhenting's angry voice:

"You are really getting more and more courageous. If you dare to do such a thing, is there anything you dare not do? If I forgive you this time, it will be harming you."

Chapter 1198: she's gone too far

"Don't hit me, cousin, I was wrong." Li Jiaojiao cried and ran outside.

Before Shen Ning had time to go up, Li Jiaojiao ran over with a pale face and hid behind her.

Li Zhenting held a hanger, his face full of anger: "Li Jiaojiao, come here, see if I don't kill you."

Shen Ning looked at him coldly: "Why are you a big man bullying a girl?"

Li Zhenting was helpless and angry: "Ning Ning, do you know what she did?"

"Did what? How did you know?"

"I..." Li Zhenting pointed to his mobile phone: "The hospital called me just now, saying that Dean Chen is seriously ill, and they want to call the police to investigate this matter, because it happened in our home, and Dean Chen took the initiative to report to me. I called and said that she didn't want to make a big deal out of it, and she didn't want to call the police, for fear of affecting our reputation, but she also wanted to know why Li Jiaojiao did this, let me ask her, you said it's all like this, Can I let her go?"

Shen Ning secretly sighed.

Sure enough, it was Chen Qianqian who told Li Zhenting.

Just now, she was on the phone with Ji Qingshan. Ji Qingshan would tell her first about anything, and he would not tell Li Zhenting.

Chen Qianqian told Li Zhenting so caringly and in a timely manner, on the surface it was for his own good, but in fact she wanted to use Li Zhenting's hand to deal with Li Jiaojiao.

Of course she didn't want to call the police and make things worse, after all, it wouldn't do her any good. It can only be said that Chen Qianqian also loves Ji Qingshan and wants to win over him.

"You'll believe what they say over there. Are you going to accuse her like that? How many bad thoughts can she have as a little girl?" Shen Ning tensed her face.

"No, Ningning, don't cover her up. She has gone too far. No matter how she teaches, she will be involved in killing people in the future. The worst thing is that she still uses Ke Ke, Ding Ding and Xiao Xiao..."

"Forget it, don't talk about it, it's not as serious as you said, she did something wrong, and you hit her with a hanger, then what did you do wrong, who hit you with a hanger? What's more, you did something wrong. There are so many things happened, no one is perfect, who can not make mistakes? Now this happened in my house, I have the right to intervene, leave it to me." Shen Ning directly hit him in the face.

When Li Zhenting heard this, he became languid, his face was ashamed, and he lowered his head, not daring to look into Shen Ning's eyes.

Shen Ning dragged Li Jiaojiao's hand and walked inside.

"Jiaojiao, tell me, did you mix mango juice into the juice and let Ke Ke, Ding Ding and Xiao Xiao go to toast Chen Qianqian, just to make her allergic?" In the room, she asked patiently, her tone was calm.

Li Jiaojiao lowered her head and burst into tears.

"Sister-in-law, I'm sorry, I did it. When I was looking for Keke today, I heard Chen Qianqian on the phone, saying that she was allergic to mango juice. I just poured it in when I saw mango juice when I was eating. I thought I was allergic. It's not a big deal, it's just itchy and uncomfortable at most, how could I know it would be so serious, I didn't think much about it at the time, I just couldn't understand her flirting with Ji Qingshan, seducing Ji Qingshan like a vixen, just wanting to give her It's just a lesson." She confessed, sobbing.

"You, you are so naive." Shen Ning held her hand, "Don't be afraid, this matter is not as serious as you imagined, I will help you settle it, but, next time, you must **** Learn from experience, don't do such stupid things again, not only can't teach others, but it will leave others with excuses."

"Well, yes, thank you cousin." Li Jiaojiao nodded.

"Jiaojiao, there is one thing I hope you can promise me." Shen Ning suddenly said with a serious face.

Li Jiaojiao was taken aback, and asked, "What's the matter?"

Chapter 1199: because they are so ugly

"Jiaojiao, I hope you will stay away from Ji Qingshan from now on, and don't go to him again, can you promise me?" Shen Ning asked seriously.

Li Jiaojiao's face flushed with embarrassment.

"Cousin, don't worry, I have completely given up on him now, and I will never go to him again." With hatred in her eyes, she nodded and agreed.

"Yeah." Shen Ning nodded: "Love runs in both directions, so far I can't see what Ji Qingshan means to you, but he is fine with Dean Chen, so let's forget about it , Girls must learn to be reserved and mysterious, so that men will notice you, and you are only eighteen years old, you will have a long way to go, and you will meet your true love."

"I understand." Li Jiaojiao nodded emphatically, her eyes were red.

"It's okay, don't be sad, I believe there will be someone better and more worthy of your love waiting for you in front of you. In the future, you must remember that feelings must go in both directions. If a man doesn't understand you, he doesn't know how to cherish you. There's no need to fight for a man, and the feelings he wins are also the cheapest." Shen Ning continued to comfort her.

"Okay, I understand." Li Jiaojiao agreed while shedding tears.

Seeing the little girl full of grievances, Shen Ning thought of her former self. At that time, she fell in love with Li Zhenting and devoted herself to him, but in the end...

She patted Li Jiaojiao on the shoulder, and after comforting her a few words, Li Jiaojiao finally walked away listlessly.

Afterwards, Shen Ning called Chen Qianqian, comforted her, and said some good things.

Chen Qianqian's goal was to drive away Li Jiaojiao and let her go away tactfully. Now that Shen Ning promised that Li Jiaojiao would never pester Ji Qingshan again, she let it go and immediately said that she would not pursue it.

This incident basically passed like this.

night.

After feeding the two babies, Shen Ning sat on the bed and played with the little ones.

Turning his head, he saw Ke Ke and Ding Ding standing aside with their big eyes open, their two small heads put together, round and round.

"Ke Ke, Ding Ding, do you like younger siblings?" Shen Ning asked with a smile.

"dislike."

"Why?" Shen Ning was very surprised, he didn't expect the two little guys to answer like this.

"Because they are too ugly." Coco sniffed her little nose, with disgust on her face.

"Besides, they are quite annoying. They only know to eat and sleep, and eat when they sleep." Ding Ding's reason is even more strange.

Shen Ning wanted to laugh when he heard that, these two little brats, they didn't fully understand what was going on, yet they turned their backs on younger brothers and younger sisters.

"Ke Ke, Ding Ding, little brothers and sisters are still young, they don't understand anything, they can only eat, drink and sleep, so that they can grow up, you are their elder brothers, you have to protect and love them, understand?" Shen Ning stroked them The head opened gently.

"Should we protect them?" Ke Ke pouted her lips, not agreeing at all.

Why protect them? Why, they not only rob daddy and mommy, but also want them to protect them, so what do they get?

"Yes, they are your younger brothers and sisters. As elder brothers, you should protect your younger brothers and sisters. This is what you should do." Shen Ning explained seriously, "If you protect them, they will love and respect you , so that the big family can be harmonious and beautiful, understand."

"Okay." Coco and Ding Ding reluctantly agreed.

Shen Ning didn't think too much about it.

Chapter 1200: It turned out that I had an idea in my heart.

"Ke Ke, Ding Ding, help Mommy take care of the younger siblings, I'll go to the bathroom." After a while, Shen Ning wanted to go to the bathroom, so he told Ke Ke and Ding Ding who were playing next to them.

"Okay." The two little ones agreed while playing with the plane in their hands.

Shen Ning walked towards the bathroom.

Not long after, the two babies started crying.

"It's disgusting. I occupy Mommy every day, and cry at every turn." Keke became impatient, stretched out her chubby hand and patted her little brother's face, trying to make him stop.

"That's right, they cry all the time and are not cute at all. I really don't like them at all." Ding Ding also echoed beside him.

After the two cubs were patted by Ke Ke, not only did they not stop, but they cried even more fiercely.

"It's so annoying." Ding Ding ran around with the small plane, stood still in front of the two little guys, picked up the small plane in his hand and ordered to them: "Don't cry, if you cry again, I will let the plane clean up you gone."

But how could the two little guys understand their threats, and continued to cry loudly.

Ding Ding was very annoyed, and as soon as he let go of his hand, the little plane fell straight down, hitting the little guy's little face.

"It's bad, Ding Ding, there's blood coming out." Ke Ke fainted when he saw it. If Mommy knew about it, he wouldn't know how to spank, so he hurriedly shouted and ran out.

Ding Ding was also frightened when he saw it, and ran outside.

The two little guys cried loudly, crying until the veins on their foreheads bulged.

Shen Ning heard the cries of two little guys in the bathroom, and was anxious. He who was going to wash his face didn't do it now, and rushed into the bedroom.

"Oh my God, what's the matter with this blood? How did the plane land on their faces?" She ran over and almost fainted, only to see a small plane falling on the little brother's face, and the little guy's forehead It was broken, and it was bleeding out.

"Aunt Dong, quickly, bring the medicine box." She panicked and shouted anxiously.

Aunt Dong just came out of the kitchen after washing the dishes, and immediately ran in when she heard the shouts, she was frightened when she saw the blood on the foreheads of the babies, she immediately shouted 'what's going on', and ran there I went to get the medicine box.

After a while of fussing around, he finally bandaged the wounds on the foreheads of the two little guys. Shen Ning changed their diapers again, and after feeding them, he coaxed the two babies to fall asleep.

"Mum, let me tell you, that little plane belongs to Tintin. My brother and Ding Ding were playing here just now. My brother patted my brother's face, and Tintin deliberately dropped the little plane on my brother's face." Shen Ning finished his work. Then, holding the small plane, she was about to ask Ke Ke and Ding Ding how the plane landed on the little brother's face, when Xiao Xiao walked over and told her the truth.

Shen Ning was startled, and asked, "Why did they do this?"

"Mum, you don't know, Coco and Ding Ding don't like Xin Xiaobao, saying that after Mummy and Daddy have them, they only like them and don't love them anymore. They are very unhappy."

Shen Ning was dumbfounded.

It turned out to be like this!

No wonder she felt that Keke and Ding Ding were not happy all day, and seeing that she was not as affectionate as before, it turned out that she had an idea in her heart.

Hey, children are so stingy!

"Little, thank you for telling Mommy, Mommy knows." Shen Ning kissed Xiaoxiao, "You are such a good boy, Mommy not only likes the babies, but also you, but the baby is too small, you still need Mommy to take care of you, you know?"

"Well, I understand Mommy's heart." Xiao Xiaozhong nodded, "Mommy, I love you."

She threw herself into Mummy's arms, and kissed Shen Ning's face with her small mouth.

Shen Ning picked her up and kissed her, with tears in his eyes.
