

Troublemakers 1241

Chapter 1241: This is the veritable Zhu Sanshao

"Okay, Qixiong, let's go then. I'll take you back to my house right now. You can rest there and don't have any worries. I'll talk to you when I get back in the evening." Shen Ning took her bag and turned around. Let's go, passing by Li Zhenting without even looking at him.

He is shameless here, so they will go and see what he is still doing here.

Li Zhenting's face was so dark that it was about to rain, and his sharp eyes stared at Shen Ning, and suddenly grabbed her, dragged her aside, and asked in a low voice: "You actually want to bring another man home, my son?" The daughters are all there, what do you let them see?"

"You're so funny. Don't tell me I can't make friends even if I have a child? What would they think if I brought my friends home? Besides, Zhu Qixiong had saved Xiao Xiao before. Keke and Ding Ding both knew him and loved him. His impression is very good, I took him home, they should be very happy, where did they come up with any ideas, I think the one who has ideas is a person like you who has done wrong things and has a guilty conscience."

Shen Ning shook off him and walked up to Zhu Qixiong: "Qixiong, let's go, I'll take you home first."

"Okay." Zhu Qixiong looked at Li Zhenting who was turning into anger from embarrassment again, pursed his lower lip, agreed readily, and followed behind Shen Ning.

"Ning Ning, what did you bring me here for?" After a while, Shen Ning parked the car in front of a beauty salon, Zhu Qixiong asked puzzled.

Shen Ning smiled: "Qixiong, you are not like you now, go in and let the beautician tidy it up for you."

"Ning Ning, no more." Zhu Qixiong understood, and immediately shook his head, full of shame.

Li Zhenting was right in scolding, he has become like this, and he needs to rely on a woman to change his appearance, he is ashamed to be a man.

"Qixiong, don't have any thoughts. When heroes are in trouble, if you recognize me as a friend, then go in. The children live in my house, and they don't want to see a down and out uncle." Shen Ning Look faint.

"Okay." Zhu Qixiong could only agree.

Shen Ning smiled, parked the car and took him in.

After a while, Zhu Qixiong came out with a radiant face.

Shen Ning looked him up and down, and then led him into the next shop.

"Let's go inside and pick out two sets of clothes and shoes."

"Ningning, this, I really don't need it..."

"It's okay, go pick two sets, you are the third young master of the imperial capital, no matter what, you must be worthy of this title." Shen Ning joked.

At this time, the store manager came out to greet him.

"Manager, please take Master Zhu to pick out the two best sets of clothes and shoes." Shen Ning immediately instructed the manager.

The manager smiled when he heard this, and dragged Zhu Qixiong in without any explanation.

Not long after, Zhu Qixiong walked out with a completely new look.

He has a slender figure, a handsome face, and a free and easy demeanor. As soon as he came out, he attracted the eyes of the woman next to him.

"Not bad, this is the real Third Young Master Zhu." Shen Ning gave him a thumbs up.

Zhu Qixiong was a little embarrassed to hear that:

"Ningning, thank you."

"Hey, thank you, let's go, let's go home."

Shen Ning turned around with a smile and left, Zhu Qixiong followed behind.

The two are handsome and beautiful, talented and beautiful, and they are a perfect match, attracting many people's eyes.

Soon, Shen Ning drove Zhu Qixiong home.

"Mummy." When Shen Ning walked in with Zhu Qixiong, Ke Ke, Ding Ding and Xiao Xiao were sitting on the sofa playing, and when they saw Shen Ning came back, they were so happy that they rushed up to surround him.

"Look, who did Mommy bring here?" Shen Ning pointed to Zhu Qixiong and asked with a smile.

"Hello, Uncle." Xiao Xiaozhi recognized him at a glance, and immediately called out in a sweet voice.

"Hey, little good." Zhu Qixiong's heart melted at the cute and cute little intimate call, and he immediately agreed, bent down, picked her up, and kissed her forehead.

Chapter 1242: Do you welcome him?

"Hello, Uncle." Ke Ke and Ding Ding also recognized Zhu Qixiong, the hero uncle who saved Xiao Xiao and Mommy that day. They had a good impression of him, and immediately followed Xiao Xiao and shouted affectionately.

"Ke Ke, Ding Ding, hello." Zhu Qixiong put down Xiao Xiao, and immediately greeted the two little guys with a smile.

"Ke Ke, Ding Ding, Xiao Xiao, Uncle Zhu has been living in our house for a while, do you welcome him?" Shen Ning asked kindly.

"We all welcome Uncle Zhu." The three little ones answered in unison.

"So cute." Shen Ning smiled.

Zhu Qixiong was also moved by them, and his heart was warm. I didn't expect these three little guys to be kind and righteous, and I still remember him well.

"Thank you so much." He kissed them one by one again.

"Qixiong, this is the room you live in. Let's stay here for the time being. We'll see how the situation looks after a while before making a decision." Soon, Shen Ning took him to the guest room upstairs and handed over the key to a room. to her.

"Ningning, thank you."

"Don't say thank you to me anymore, just stay at ease and don't have any worries."

Shen Ning comforted Zhu Qixiong and hurried back to work.

Zhu Qixiong lived here for the time being.

After Shen Ning returned to the company, because he knew Zhu Qixiong's whereabouts, he felt at ease and began to work hard.

afternoon.

After a meeting, she is ready to leave work.

Because Li Zhenting "led" her to come here in his car early in the morning, her car was still at home, and it was not easy to drive away the work unit's car, so she had to go to the street to get a ride.

But as soon as he walked out of the building, he saw a Rolls-Royce parked in front. A man in a suit leaned against the car door, holding a cigarette between his white fingers, and took a puff from time to time.

The sun was slanting, shining through the reflector on Li Zhenting's angular profile, he was handsome and handsome, deep and quiet.

This man is indeed a stunner, no matter where he stands, he is as dignified and elegant as a god.

She bowed her head and left, pretending she didn't see him.

"What? Now that I have an adulterer, I don't even want to look at me?" Shen Ning deliberately avoided him and walked towards the street, but Li Zhenting's shady voice drifted into her ears like a shadow.

Damn it!

Shen Ning really wanted to slap him backhand when she heard it, but she was too lazy to talk nonsense with him, and just walked quickly with her head down.

Walking to the corner of the street, I took out my phone and looked at it. It took a few minutes for Didi Taxi to arrive, so I had to stand aside and wait.

Not long after, a gust of wind rushed out from beside her.

"Ah." She screamed in fright, and her face changed color.

Before she could figure out what was going on, she heard a 'crack', and a car rubbed against her body and stopped beside her.

She was scared out of her wits in an instant.

At this time

The car door opened, and a pair of strong and powerful hands stretched out to hug and drag her into the car, leaving her on the passenger seat.

She was thrown dizzy and hadn't reacted yet.

Li Zhenting had already closed the car door and started the car.

The car drove forward quickly.

"Li Zhenting, you crazy, what are you going to do?" The car drove for a long time before Shen Ning woke up and scolded Li Zhenting angrily.

Li Zhenting's lips curled up into a treacherous smile.

"The children are all waiting for you to breastfeed at home. What are you still doing here? My child can't drink milk. Of course, as a father, I have the responsibility to bring you home." He said brazenly .

Chapter 1243: closer than his own father

"I will go back by myself, I don't need you to take this opportunity to hijack me." Shen Ning was so angry.

Li Zhenting's face darkened, and he stepped on the accelerator and rushed forward.

Shen Ning was worried about causing his nervousness, so he sat quietly.

Shaw Villa.

As soon as Li Zhenting parked the car, Shen Ning opened the door and walked outside.

Looking at her anxious steps, Li Zhenting snorted coldly.

Hmph, going home in such a hurry must be because Zhu Qixiong was waiting for her at home.

When he thought that there was still a man blatantly hiding in the house, he felt very uncomfortable, so he chased after her three times and put his arms around her waist.

"What are you going to do?" Shen Ning was startled, and went to break his hand.

"The babies are still at home waiting to drink milk, go in quickly." Li Zhenting put his arms around her waist and walked forward, not allowing her to struggle at all.

In the end, Shen Ning couldn't resist, so he had no choice but to be hugged in by him.

In the living room.

"Uncle Zhu, tell us a story about the big bad wolf." On the sofa, the three little ones were chattering around Zhu Qixiong, the atmosphere was very harmonious, even Li Zhenting walked in with his arms around Shen Ning's waist See.

Li Zhenting's face turned dark.

The relationship between the children and Zhu Qixiong was very good, but he felt uncomfortable again.

"Okay, drink some water first and I'll talk." Zhu Qixiong smiled.

"Let's drink." The little guys immediately picked up the water glasses in front of them and took a sip of water obediently.

"Great." Zhu Qixiong gave them a thumbs up, cleared his voice and prepared to speak, "Once upon a time there was a big bad wolf..."

"Cough, cough." Li Zhenting's tall figure stood stiffly in the living room and coughed a few times on purpose, his face was as dark and hard as the black sofa.

My children are so close to Zhu Qixiong, even closer than his own father, and his chest is particularly stuffy and uncomfortable.

"Daddy, Mommy, you are back." The three little ones finally heard the voice, but they just looked up at Shen Ning and Li Zhenting, greeted them with smiles, and then started playing with Zhu Qixiong again. He ran toward them cheering as usual.

Shen Ning smiled straight, very satisfied that the children and Zhu Qixiong got along so well.

"Ning Ning, President Li, you are back." At this time Zhu Qixiong also saw them, and greeted them politely, his soft eyes fell on Shen Ning, bright and soft.

Li Zhenting's face was as dark as a pot.

"Coco, Ding Ding, Xiao Xiao, have you finished your homework?" He asked with a straight face.

Operation? The three little ones are dumbfounded, you look at me, I look at you.

"Take it here and let me check it." Li Zhenting persisted.

Hey, why did Daddy still have to check his homework today, they didn't do it at all!

This is how to do?

They turned their eyes to Mommy for help!

"It's so late, what homework do you still need to check? You don't need to check it anymore, you have fun." Of course, Shen Ning knew what Li Zhenting was thinking. This was obviously dissatisfied with the children playing with Zhu Qixiong. How could he really check what homework? Yes, and immediately opened his mouth to answer.

"Okay, Mommy." The three little ones cheered.

Shen Ning pushed away the salty pig's hand that Li Zhenting had landed on her waist, and said, "You go to see the baby first and then go home. My temple is too small to accommodate a **** like you."

After finishing speaking, he pushed him again and walked towards the bedroom.

Li Zhenting's eyes shone coldly.

This **** woman dared to push him, and refuted his face in front of the children, it's disgusting.

He snorted coldly, gave Zhu Qixiong a very unfriendly look, followed Shen Ning and walked into the bedroom.

The two babies are doing well under intensive care.

Shen Ning played with the baby for a while, then looked at Li Zhenting: "Can you go? I'm going to feed the babies."

"You just feed like this, I want to accompany the babies." Li Zhenting didn't intend to leave at all, his eyes darkened, and he ordered in a cold voice.

Shen Ning didn't want to give him face, so he walked over directly and stretched out his hand to push him.

Li Zhenting wasn't on guard and was pushed back out by her.

Shen Ning closed the door smoothly.

Chapter 1244: You can hide behind women and do whatever you want

"Damn woman, let's see how I deal with you in the future." Li Zhenting was deflated, resentful, and walked towards the living room again.

In the living room.

Ke Ke and Ding Ding are lying on Zhu Qixiong's shoulders, Xiao Xiao is sitting on Zhu Qixiong's lap, and the three little guys are playing together.

Li Zhenting's face darkened.

"Cough, cough." He coughed twice again.

The children turned their heads when they heard the sound.

"Daddy, do you have a problem with your throat?" Little Milk asked childishly.

Li Zhenting's eyes turned cold, is this little guy deliberately tearing down his platform!

"Daddy, there are Qingyan Dropping Pills over there." Xiaoxiao pointed to the cabinet over there.

Daddy keeps coughing and clearing his throat today. There must be something wrong with his throat. He must take medicine early.

Zhu Qixiong had a lot of fun listening, this is simply a fairy question.

There was a slight smile on the corner of his lips, and the corners of his eyes and brows were slightly raised, looking at him provocatively.

Li Zhenting's eyes were cold.

"Xiao Xiao, come down quickly." He immediately ordered, "Which girl sat on another man's lap, what does it look like? Didn't your mommy teach you? Shen Ning really didn't know Taoism teaches her daughter some sense of self-protection, I really don't know how she usually teaches her children."

In and out of these words, Zhu Qixiong was regarded as a black wolf.

Xiaoxiao was suddenly frightened by Li Zhenting's serious words. After all, she was her own father, so she had no choice but to climb down from Zhu Qixiong's lap and looked at him timidly.

"Mr. Li, I regard Xiao Xiao as my daughter, and she is only five or six years old. Why do you say these words to scare her." Seeing Xiao Xiao's bewildered look, Zhu Qixiong felt sour in his heart, and immediately opened his mouth to sarcasm.

Li Zhenting sneered:

"Zhu Qixiong, Xiaoxiao is my daughter, what does it matter to you if I educate her?"

Zhu Qixiong also sneered when he heard the words, and spoke sharply: "Mr. Li, you can educate your daughters, but have you, as a father, ever fulfilled your responsibility to take care of them? When it hurts, did you protect her well as a father? Not only did you not, you even encouraged bad people to harm her. You are the least qualified to educate her, let alone say anything about Shen Ning, because you are not worthy. "

"You...Zhu Qixiong, I advise you not to go too far. Don't think that with Shen Ning protecting you, you can hide behind a woman and do whatever you want. Let me tell you, I can get you out of here in minutes." Li Zhenting became angry and looked at Ke Ke and tintin.

They were still lying on Zhu Qixiong's shoulders, looking very intimate with him, ignoring him as their father, probably they also remembered the scene when Li Zhenting was with that bad woman Xiaofeng before.

Li Zhenting was a little guilty, and didn't dare to say anything more. He snorted heavily, shook his sleeves and left.

Zhu Qixiong looked at his back coldly, feeling a little jealous in his heart.

How happy he is to have a woman like Shen Ning, but he still doesn't know how to cherish it, so most men are mean!

Dinner time.

Ke Ke and Ding Ding took Zhu Qixiong's hand and walked towards the dining table affectionately.

On the table.

Li Zhenting sat on the main seat, sitting upright, luxurious and dignified.

"Coco, Ding Ding, Xiao Xiao, come, sit here with Daddy." As soon as Coco, Ding Ding and Xiao Xiao came over, Li Zhenting immediately waved to them, wanting them to sit beside him.

"Daddy, let's sit with Uncle Zhu." Ke Ke smiled, and didn't listen to him at all.

Li Zhenting's eyes turned cold.

The three little ones still sat down next to Zhu Qixiong.

Li Zhenting still wanted to speak, but Shen Ning came over.

"Mummy, sit here." Xiao Xiao called to Shen Ning.

"Okay." Shen Ning smiled and sat down beside Zhu Qixiong.

Now Li Zhenting's face became even darker.

"Qixiong, are you used to living here?" Shen Ning asked with a smile.

"Very good, the children are very good to me." Zhu Qixiong replied with a smile.

"The children are affectionate and righteous. If you know how to repay your kindness, you can live here with peace of mind." Shen Ning stroked the little heads of Ke Ke and Ding Ding next to him, and said softly, "Hurry up and eat, wait until it cools down." It won't taste good anymore."

"Okay, eat, eat." Everyone began to eat.

Chapter 1245: the pleasure of revenge

The corners of Li Zhenting's lips twitched coldly, and his voice was as cold as the wind: "Coco, Ding Ding, Xiao Xiao, you will start doing your summer homework from tomorrow, you can't play like crazy every day, I also want to check your records regularly homework."

Coco's eyes shrank when he heard that.

"I can't do it." Ding Ding answered bluntly.

"I can't do it tomorrow, I will ask the teacher to come and teach you." Li Zhenting's voice was majestic, and they were not allowed to make excuses.

"School starts in just a few days. What kind of homework can kindergarten have? Can't you have fun for a few days?" Shen Ning glared at Li Zhenting and said dissatisfiedly.

Just because he was dissatisfied with the children being so affectionate with Zhu Qixiong, he would demand so much from them, what an idiot!

"No, my sons and daughters of Li Zhenting are all dragons and phoenixes. They must receive training and learning from an early age, otherwise how can they take on important responsibilities in the future? I don't want them to hang around nightclubs every night like some people, ignorant." Li Zhenting spoke harshly.

The following words are clearly alluding to Zhu Qixiong not doing his job properly, he only knows to linger in romantic places, and he is also insinuating that Shen Ning is ignorant of people, and he is too low-level to make friends with this kind of man.

How could Shen Ning fail to understand? But she didn't want to quarrel with him, she just picked up a chopstick and put it in Zhu Qixiong's bowl, saying: "Qixiong, I asked Aunt Dong to make this boneless chicken feet for you, try it, see if it tastes good."

"Thank you, Ningning, you are so kind to me." Zhu Qixiong quickly thanked.

"You're welcome, it should be." Shen Ning smiled brightly.

The more yin-yang and eccentric Li Zhenting is, the more she will get close to Zhu Qixiong if she stays here, to see how thick-skinned he is and how strong his perseverance is.

Sure enough, Li Zhenting's nostrils were filled with black air.

After a meal, everyone ate well, only Li Zhenting felt sullen after eating.

After eating, Shen Ning sat on the sofa, and Zhu Qixiong followed immediately.

Who knows, before he sat down, suddenly, a figure came over and sat down beside Shen Ning one step ahead of him.

Zhu Qixiong had no choice but to freeze.

"Young Master Zhu, sit down, sit down wherever you want." Li Zhenting pointed to his left side and spoke to Zhu Qixiong.

Zhu Qixiong smiled awkwardly. If he sat down, Li Zhenting would be caught between him and Shen Ning. It was inconvenient for them to talk, and he didn't want to make this uncomfortable.

So, he sat down on the armchair opposite them.

Shen Ning's eyes were white and shocked, with this guy following her, she couldn't even speak, so she simply stood up: "Young Master Zhu, let's go for a walk in the front garden."

"Okay." Zhu Qixiong got what he wanted and immediately stood up.

But as soon as they left, Li Zhenting followed up lingeringly, and squeezed between them.

Shen Ning was extremely speechless.

"Young Master Zhu, I heard that Miss Wu Xueying is looking for you everywhere." Li Zhenting suddenly said lightly.

Zhu Qixiong's face turned cold, and a cold look flashed in his eyes: "I'm sorry, Young Master Li, I don't know her very well."

"Really?" Li Zhenting snorted coldly from his nose, "But I heard that you are getting engaged soon."

"That was just written by the unscrupulous media, and it has nothing to do with me."

"But this was announced by Zhu Dongjin and Xu Xiangzhi unanimously, and it was not written by unscrupulous media."

"..." Zhu Qixiong's face was very dark.

Li Zhenting glanced at Zhu Qixiong's dark face, and the desire to wipe revenge surged in his heart.

"Young Master Zhu, Zhu's Group has announced the suspension of business today for rectification. Those workers who asked for wages smashed the door today. This has alarmed the local government. Shouldn't Young Master Zhu go over and ask?" Li Zhenting's face There is a gloating expression.

"I'm sorry, Young Master Li, the Zhu Group has nothing to do with me, I don't want to hear this, you guys go for a walk first, I'm going upstairs to rest." Zhu Qixiong said blankly, turned and went inside.

Looking at his back, Li Zhenting sneered disdainfully: "Coward, coward."

"Li Zhenting, it's not a good character to laugh at others. How do you know the pain of others without suffering from others? I advise you not to gloat. The end of Zhu's Group today is not in your expectation." Shen Ning really couldn't bear to see, so he said coldly, turned around and chased after Zhu Qixiong, leaving Li Zhenting alone in the night in fear.

Chapter 1246: She can understand this feeling

"Qixiong, you don't have to care about Li Zhenting's attitude, I let him stay for the sake of the children, but I didn't expect him to take this opportunity here." Shen Ning caught up with Zhu Qixiong and explained apologetically.

"Ningning, don't worry, I won't be so small-minded." Zhu Qixiong smiled, "The more mean he is to you, the more he has you in his heart. I am sad about the tragic situation of Zhu's family. Li Zhenting is right. Even if I don't have any feelings for Zhu's family, I still like Zhu's family, especially Zhu's Group, which was poured by my mother's blood and sweat at the beginning, but now that it has come to this point, how can I be happy?"

Shen Ning's heart is also very heavy.

She can understand this feeling.

Thinking of how painful Gu Qi was when she was occupied by Shen Mei's mother and daughter, Zhu Qixiong is now so helpless and sad!

"Qixiong, do you have any plans for the Zhu Group?" She asked thoughtfully.

Zhu Qixiong smiled wryly and shook his head: "I have been adopted by Xu Xiangzhi all these years, and I don't know anything about business. She never let me get close to the Zhu Group for fear that I would seize power. I really have no choice. Besides, even if I have The way, the current Zhu's group is a mess, no one will listen to me, Xu Xiangzhi and Zhu Qiming will not let me intervene, life and death are fate, wealth is in the sky, forget it."

His eyes were full of gloom, grief and indignation.

Shen Ning was silent.

At this time, I saw Li Wanqing walking over in a panic while holding the phone.

"Ningning, where is Zhenting?"

"Auntie, he's in the back garden."

"Oh, okay, I'll go find him."

"Auntie, what happened?" Seeing Li Wanqing, who had always been stable and elegant, suddenly panicking like this, Shen Ning had a bad feeling and immediately asked.

Li Wanqing's face was solemn, watching her hesitate to speak, and finally said nothing, just ran towards the back garden.

Not long after, I saw her and Li Zhenting striding towards this side.

Shen Ning looked at them, this time Li Zhenting didn't even look at her, but just strode towards the living room.

"Qixiong, it's getting late, go up and rest, if you need anything, just tell me, try not to go out during this time." Shen Ning sent Zhu Qixiong upstairs, and told him carefully.

"Okay, thank you." Zhu Qixiong nodded his thanks.

Shen Ning smiled slightly, and walked downstairs.

"Mom, do you want to bring the children?" In the living room downstairs, Li Zhenting was asking Li Wanqing.

"Not for the time being, it's too late now, let them rest first." Li Wanqing shook her head with red eyes, "Let's go there quickly, your grandfather has already been sent to the ICU, and the surgery needs to be done as soon as possible. I can't come out, I want to see you."

"Let's go." Li Zhenting walked outside with his briefcase.

As soon as they turned around, they saw Shen Ning standing at the gate.

"Auntie, is grandpa sick?" Shen Ning asked with concern.

Li Wanqing wiped her eyes with her fingers, and nodded: "Yes, he suffered a heart attack, which is very serious and requires immediate surgery, but the old man is worried that he will not be able to get out after entering the operating room, and wants to see Zhen Ting."

"Then hurry up." Shen Ning was also very nervous.

"Ning Ning, I will trouble you to take care of the children these few days, let's go first." Li Wanqing held her hand.

"Don't worry, just leave the children to me." Shen Ning held her hand backhand, "Go quickly, grandpa is waiting for you."

Li Zhenting is the most important grandson of Mr. Li, and also the entire hope of the Li family. At this time, of course, what Mr. Li wants to see most is him.

"Ning Ning, the children will thank you for your hard work, let's go first." Li Zhenting just said something hastily and took Li Wanqing away.

Originally, when Li Zhenting left, Shen Ning would feel relieved, but now, she is worried. After all, Mr. Li is good to her. He is seriously ill, and she is also worried about him.

Chapter 1247: i want to reward her

In the hospital.

Grandpa Li was lying on the hospital bed with a pale face, one hand covering his chest, his cloudy eyes filled with pain.

At the door of the ward, Li Zhenting and Li Wanqing hurried in.

"grandfather."

"dad."

As soon as the two came in, they strode forward and asked with concern, "How are you doing now?"

Li Jichun's eyes widened when he heard the voice, his cloudy eyeballs lit up when he saw Li Zhenting, and he stared at him for a long time.

"Grandpa." Li Zhenting's voice choked up, and he stretched out his hand to hold the old man's hand.

The old fingers are cold and have no temperature.

"Where's Ning Ning?" After looking at him for a while, the old man turned his eyes to the gate, his face full of anticipation to see Shen Ning.

"..." Li Zhenting lowered his head.

Actually, the moment Li Wanqing told him that his grandfather was seriously ill, he thought of bringing Shen Ning here. The old man has always been very kind to Shen Ning, and he definitely hoped to see her.

But Shen Ning has not forgiven him until now, and has an indifferent attitude towards him, so he dare not speak at all.

"Dad, Ning Ning wants to take care of the children. The children cannot do without Mommy. She will come to see you tomorrow, so don't worry about the operation." Li Wanqing immediately answered at the side, helping to explain.

"Oh." After hearing this, Mr. Li nodded in understanding.

"Dad, I want to tell you some good news." In order to make him happy and also to convince him, Li Wanqing said loudly at this time, "Ning Ning gave birth to a pair of twins for Zhen Ting, and the baby is about to die." It's been two months, and you've become a grandfather again, because you were born in Licheng, so I'm afraid you'll be worried, so I'm going to wait a few days to tell you."

Li Jichun was refreshed, color flashed across his pale face, and he asked tremblingly, "Is this true?"

"Of course it's true." Li Wanqing hurriedly took out her mobile phone, pulled out the photo of the twins and handed it to Li Jichun, "Take a good look at your good grandson and granddaughter, they are so delicate and beautiful. "

The pain in Li Jichun's chest seemed to have eased a lot, and he took the phone while trembling and looked at it carefully.

"Like Zhenting, and a bit like Shen Ning, so cute and cute." He said excitedly, and said to Li Zhenting, "Shen Ning is really a great hero of our Li family. I want to reward her, and I must reward her."

"Well, yes, it is necessary to reward her well." Li Zhenting echoed repeatedly.

"I'm going to give her jewels, a house, that's what I'm going to give her," he added aloud.

Li Wanqing smiled: "Dad, so, you go to the operating room first, you must cure your heart disease, and then you can give Shen Ning a reward, right?"

"Yes, yes, surgery. I'm going to have the surgery right away, and then I'm going to see my good great-grandson and good-great-granddaughter. I'm going to give them big red envelopes." Li Jichun was very happy, and asked with joy: "Director He, let him operate on me quickly."

"Okay, I'll call him right away." Li Zhenting immediately ran towards the doctor's office.

At midnight, Shen Ning woke up.

This night, she seemed to be sleeping but not sleeping, thinking about the old man's illness. According to Li Wanqing, it was a serious heart attack. Can the ninety-year-old man survive? She is very worried.

In Li's family, Li Jichun was still very kind to her. She hoped that he would live well and live a long life.

Based on Li Wanqing's tone, surgery is going to take place tonight. I don't know how the surgery is going. Is it life-threatening?

She sat up and took out her phone.

Chapter 1248: How shameless!

Shen Ning first sent a WeChat message to Li Zhenting to ask about the situation of Mr. Li's operation, but there was no reply.

Must be busy!

She thought for a while, and finally dialed Li Zhenting's cell phone.

"It's me." After a while, the phone answered, and she hesitated for a while before speaking.

"Ning Ning, is it you?" Hearing Shen Ning's voice by accident, Li Zhenting was very pleasantly surprised, but even more distressed, after all, she is the mother of his five children, so staying up late at night is not good for his health, "Why haven't you slept yet?"

His voice is gentle.

"The babies are awake. I'll get up and feed them. By the way, I'll make a phone call to ask how grandpa's illness is. Did you have an operation? How did the operation go? Was it a success?" She said in a light tone, expressing herself She didn't wake up on purpose to make a phone call. Afterwards, she was all asking about Mr. Hou Li's condition, which showed that she really cared about Li Jichun's health.

Li Zhenting naturally understood what she meant.

But he is still happy that she can care about grandpa's illness.

"I just came out of the operating room and had an operation for more than four hours. The operation was successful. Don't worry, he should be able to survive this."

"That's good. If he wakes up, please say hello to the old man for me."

Li Zhenting hesitated for a while, and said:

"Ningning, Grandpa hopes that you can come to see him in person tomorrow."

"Okay, I will go to see the old man some other day." Shen Ning's heart was relieved, she was thinking about whether to ask Ji Qingshan to operate on the old man's heart, but looking at it now, it should not be necessary up.

"Ningning, thank you." Li Zhenting said in a low voice.

"Then you take good care of his old man first, I'll hang up." Just when Li Zhenting was still thinking about saying a few more sweet words, Shen Ning had already accepted his topic and hung up the phone.

Li Zhenting listened to the blind voice in his ear, feeling lonely and frustrated in his heart.

Shen Ning called him in the middle of the night just to care about his grandfather's condition, not him. She didn't even want to say a word with him.

Her indifference and alienation towards him are clearly visible.

He put down the phone sullenly!

Early in the morning, Shen Ning got up early.

The younger sister of the two babies spits up a little. She plans to take care of the children at home today and won't go to work.

Now that the company is operating normally, it won't matter much whether she goes or not.

"Ning Ning." Zhu Qixiong came down and was surprised to see that Ning Ning was not at work at home.

"Qixiong, have you had breakfast?" Shen Ning was busy holding the child.

"not yet."

"Then let's have breakfast quickly."

"Okay, Ningning, aren't you going to work today?"

"not going."

...

Zhu Qixiong looked at Shen Ning's busy figure, lost his mind, turned around and went to the dining room to have breakfast!

After breakfast, he habitually took out his mobile phone to browse the news! But not long after, his face became serious.

I saw a missing person notice issued by Zhu Dongjin on a mainstream news media, and they were looking for him everywhere.

There are also some entertainment news reports that Zhu Dongjin and Xu Xiangzhi have given Wu Xueying's family a gift of 20 million yuan, and his engagement day with Wu Xueying is this Saturday.

After all, there are only three days left!

Really shameless!

He didn't agree to the whole thing, let alone participated in it. They even made the decision for him privately. Why!

He has completely seen the ugliness and shamelessness of these people!

only

What method did they use to deceive Wu Xueying? Wu Xueying is not stupid, how could she be fooled around by them.

Chapter 1249: he really hurts

Zhu Qixiong suddenly thought of a person, and that was Uncle Wu.

Uncle Wu was the most valued person by his mother during her lifetime. He had been working in the Zhu Group. Before her death, her mother dragged him to Uncle Wu.

In these years, if Wu Boming hadn't secretly protected him, he wouldn't have lived in such a chic way. Xu Xiangzhi's mother and son might have snatched the 30% of Zhu's Group's shares long ago.

He took out his mobile phone and dialed Uncle Wu's phone number.

"Young Master." After the call was connected, Uncle Wu burst into tears and choked up, "The company is gone, and the company founded by the young lady has been ruined by them. It's a crime. I feel sad and blame myself every day. Get over it, I'm sorry for your mother."

He cried bitterly as he spoke.

Uncle Wu was originally the head of the Zhu Group, but they have found excuses to relocate him to a marginal job over the years, basically out of touch with core interests, so he has more energy than he wants.

"Uncle Wu, I can't blame you." Zhu Qixiong felt sour, and could only comfort him non-stop.

After a while, he calmed down.

"Master, where are you now? I heard they are looking for you everywhere."

"Uncle Wu, I'm at a friend's house now, don't worry, they won't find me."

"That's good, young master, you must hide it well. In the past few days, some strangers have always appeared by my side. They are afraid that I have hidden you and are following me."

"Uncle Wu, then you have to pay attention to safety these few days." Zhu Qixiong immediately reminded, and after hesitating for a while, he asked: "Uncle Wu, what is the internal situation of the Zhu Group now?"

It is a lie to say that he is not worried or worried. Seeing that the company his mother has worked so hard to build is about to end, he is really heartbroken.

"Hey, young master, they have squeezed me into an idle position in the past two years. I don't know the core interests. I only know that the company has long been unable to pay wages. Now unless there are external funds or a large number of orders to support, otherwise, it will definitely go bankrupt this month, Zhu's Group is already an empty shell."

"How could it be so fast? It used to be profitable."

Uncle Wu looked left and right over there, walked to a remote corner upstairs, and said in a low voice:

"Young Master, I've always wanted to tell you about this, and I wondered too. An old friend told me that

recently, Zhu Qiming and Xu Xiangzhi have cashed out a lot of money in the company, and they have basically taken away all the money."

Zhu Qixiong's eyelids twitched when he heard it.

"What are they doing with so much money?"

"Young Master, I heard that Xu Xiangzhi has been secretly applying for a visa recently. As for where she is going, I don't know. She is very secretive and secretive. It is definitely not a good thing. It is very likely that she and Zhu Qiming set up a visa Empty the company's money and immigrate abroad to enjoy the blessings. In this case, Zhu's Group will never have a bright future, and it owes so many employees' hard-earned money. Which company doesn't have the old and the young? It's too wicked to do so. , They should have been planning for a long time."

Zhu Qixiong's hairs stood on end.

"Does my dad know about this?"

"I've already asked the housekeeper. Your father doesn't even know that they are secretly handling immigration matters. Because Zhu's group is running short, your father has a serious heart attack and often goes to the hospital. He doesn't have the energy to take care of the company's affairs. "

"It's too much." Zhu Qixiong's eyes flashed with anger.

"Also, this time Xu Xiangzhi insisted on forcing you to get engaged to Wu Xueying. Originally, she wanted to let the Wu family act as a scapegoat and give blood transfusions to the Zhu Group, so that they might not run away, but because you didn't want to, and wish Qiming doesn't know how to run a company at all, and acts arbitrarily, and the company is too short-lived.

Now that she got you engaged to Wu Xueying, she basically lied to Wu Xueying. She has already instigated your father to take 20 million of her private money from the old lady and give it to the Wu family as a bride price. I heard that the Wu family has promised to give 5,000. Wan returned the gift, and her current goal is the 50 million. If she gets it, she will immigrate with Zhu Qiming. Wu Xueying is being fooled by her now, this woman is too calculating and hypocritical. "

Uncle Wu criticized Xu Xiangzhi on the phone, criticizing her conspiracy.

Zhu Qixiong was furious when he heard that!

Chapter 1250: he can't imagine

In the hospital.

Li Jichun finally opened his cloudy eyes.

"dad."

"grandfather."

Li Jinyao and his wife, with Li Zhenting standing by, were pleasantly surprised to see him awake.

Li Jichun looked around and let out a long sigh of relief.

At this moment, Dean Chen and Director He walked in.

They inquired about the situation of the old man, checked again, and said to Li Zhenting who was busy:

"President Li, please come out, we have something to tell you."

"Okay." Hearing this, Li Zhenting immediately followed them out.

They led Li Zhenting to the other end of the corridor, with solemn faces.

Li Zhenting suddenly had a bad feeling, and his eyelids twitched several times.

"Dean, Director He, is my grandfather's condition not very good?" He asked before they had time to speak.

Director He looked at him, nodded, and said bluntly: "Mr. Li, you are a person who handles important affairs, so I have to explain some things to you clearly. I believe you can calm down. To be honest, your grandfather's condition is really serious. Not optimistic."

Li Zhenting was stunned: "Isn't the operation very successful?"

"Yes, the heart surgery was successful, but now we found that your grandpa's key problem is not in the heart, but in the lungs. After spiral CT scanning, there is a high-density ground glass shadow on his lungs with irregular borders. Clear, there is a possibility of malignancy!"

Li Zhenting was stunned!

"He is old, his heart is only a small problem, we have already dealt with it, but the shadow on the lungs is a major issue, a biopsy is required, if it is malignant..." Director He said with a heavy face, word by word.

Li Zhenting heard double images before his eyes, his throat was dry, and he couldn't even stand still.

Grandpa is the person he respects the most, if...he dare not imagine it.

In the ward.

Li Zhenting stood in front of the hospital bed blankly, looking at Li Jichun's pale face.

"Zhen Ting, where is Ning Ning, where are my good grandchildren and good grandchildren, I want to see them." Li Jichun opened his eyes, pressed his dry lips, looked at him and asked slightly.

Li Zhenting glanced at Li Wanqing who was standing next to him, and the two looked at each other, not knowing how to respond to him for a while.

"Zhen Ting, I'm getting old, and I just want to live a few days of family happiness. During this time, I especially miss Coco, Ding Ding and Xiao Xiao, and I also want to see my newborn great-grandson and great-granddaughter." The old man murmured, It takes a lot of effort to speak.

"Grandpa, I know, don't talk anymore, let's rest at ease." Li Zhenting bent down and took his old man's hand, stroking his chest with one hand, and said, "Don't worry, I will take you with me right away." Shen Ning and the children came to visit you, you must recuperate at ease, and when you recover, our family will go to Li's old house to accompany you."

"Okay, okay." Li Jichun smiled when he heard that, "You don't have to worry about me, I'm already old, it doesn't matter whether I'm sick or not, I just want to see the children, I miss them very much."

Having said that, he coughed violently.

When he coughed, his heart was affected. For a while, he held his chest again, and his face changed color from the pain.

Li Zhenting's heart was broken, he hugged Li Jichun, and kept stroking his back, feeling very sad.

Shen's living room.

Lan Feiyun received a call from Xu Xiangzhi as soon as she sat down.

"Mrs. Shen, I gave you the money, but you haven't written off your promise yet." Xu Xiangzhi asked dissatisfiedly over there.
