

Troublemakers 1261

Chapter 1261: Infighting

Shen Ning was placed at the second table.

According to the past, Shen Ning gave birth to five children for the Li family. If she has not divorced Li Zhenting, then she is the most important one at the first table besides uncles and elders.

But now she was arranged to sit at the second table, sitting with some guests, relatives and the like.

This is equivalent to directly excluding her from the position of hostess.

She thinks this is good, and there is no need to be embarrassed, let alone argue.

Ke Ke, Ding Ding and Xiao Xiao were all arranged at the children's table, with servants taking care of them.

She sat quietly in the corner eating.

On the contrary, Li Wanqing was very upset when she came in and saw that she was not sitting in the main seat.

Li Wanqing is definitely the official wife of this family, and no one can shake her status. Ten years ago, she was always the head of the family and managed the big family. Shen Ning, she has always hoped that Shen Ning can be the hostess in the Li family.

It's just that she and Li Zhenting have many conflicts, separation and reunion, resulting in a vacancy in the head of the family. In the end, they can only pick out another smart and capable mistress from the family to replace them.

Rao Yajing is currently the best candidate!

But Li Wanqing doesn't like her very much, and thinks that she is not cultivated enough, has too many thoughts, is sweet-mouthed, and flashy. This is a taboo for taking charge of the family business, and she doesn't like her at all.

But right now, there is no other way.

"Ningning, why are you sitting here? Come on, go to our table, you are going to breastfeed two babies, I asked the kitchen to cook soup for you, you can't just eat these." She came over and asked Pull Shen Ning to that table.

Shen Ning smiled: "Auntie, I'm fine sitting here, it's fine, I have enough milk."

That table was full of Li family members. She and Li Zhenting had divorced a long time ago. Going there would only cause people to talk. She actually felt pretty good about this arrangement.

"No, you have to follow me." Li Wanqing didn't care about this, but pulled Shen Ning over, and pulled her to sit on the main seat.

Li Jinchang's wife, Liang Ruqi, who was sitting beside her, frowned directly and pulled her face.

Everyone can understand at a glance.

Liang Ruqi wanted to push her daughter-in-law Rao Yajing to the position of the hostess. Li Wanqing pulled Shen Ning over, which was her taboo.

It seems that there are good shows to watch during this time.

They all lowered their heads and ate, as if they didn't know, but they were all discussing in their hearts.

Rao Yajing didn't show anything, with a charming smile on her face, she hurriedly apologized to Shen Ning: "Sister and sister, I'm sorry, I didn't think carefully, I thought you were divorced from Zhen Ting, if I arrange you at this table, I'm afraid I will let you down." You are embarrassed, it seems that I was wrong, I must correct it in the future, don't take it to heart."

Shen Ning was about to answer, but Li Wanqing said: "What's so embarrassing, even though Ning Ning was plotted by that bad woman to divorce Zhen Ting, she gave birth to five children for our Li family, and she used to be the head of the family here, Based on these, she is qualified to sit here, and Zhen Ting is preparing to remarry her, and now the old man is seriously ill, and she brings the children back to be our Li family, I think you have ulterior motives to think too much."

After these words, Liang Ruqi's face softened, and her raised head lowered.

After all, Li Zhenting is the president of the Li Group, and he is the most popular. This family relies on him, who dares to contradict him.

"Auntie, I'm sorry, I will pay attention next time." Rao Yajing apologized again and again.

Li Wanqing felt a little better.

On the contrary, Shen Ning had an awkward smile all over his face, feeling uncomfortable all over.

She never thought that she would get back together with Li Zhenting, so it was a last resort to bring the children to Li's house. Now that Li Wanqing said this, it seemed that she would return to Li's house after all. It was an illusion that if she didn't remarry Li Zhenting, she would feel sorry for the Li family.

Jiang is still old and hot. Li Wanqing's move not only protected her dignity, but also took the opportunity to kidnap her on the threshold of Li's house, and she also took the opportunity to suppress Rao Yajing. It really did multiple things.

Chapter 1262: This should be the greatest happiness!

"Ning Ning, come, have some soup, I made it specially for you." At this time, Li Wanqing affectionately put a bowl of thickly boiled bone soup in front of her, her face full of concern.

"Thank you, Ah..." Shen Ning thanked, but in front of so many people, he couldn't say the word 'auntie'.

She cared for her like a mother, and she wanted to leave her son, which really made her a little bit uncomfortable.

After eating, Li Wanqing took the initiative to help Shen Ning take care of the two little treasures.

Liang Ruqi looked at their backs, her face was as dark as a pot.

"You, learn more, take this opportunity to take down the position of the hostess, give me a longer memory, think carefully about everything, think twice before acting, and give us some face." Liang Ruqi will Rao Yajing pulled into the room and taught earnestly, "At this time, the old man is seriously ill. Whoever has the initiative is the hostess of the house. Is it possible that I will use you when I need you and don't need you. Give it to her? How can there be such a good thing in this world?"

"Mom, I know, don't be angry, it's not good for your health." Rao Yajing smiled all over her face, accompanied her carefully, and patted her back lightly, "Don't worry, even if Shen Ning comes back now, she won't be in her place." , She hasn't remarried Li Zhenting yet, who knows if Li Zhenting will want her again."

"Well." Liang Ruqi nodded, "You don't know, the old man has always favored Li Jinyao, and let them take all the benefits. Even his own daughter Li Xuejie is willing to give up for Li Zhenting. Now Li Zhenting is the president of the Li Family Group, covering the sky with one hand. Anyway, we have to be in charge of some property. Since we can't go to the Li Family Group, we should strive to be the head of the Li Family. You must know the fixed assets and family background of the Li Family There are quite a lot, you have to work hard, now that Shen Ning is back, even the third bedroom and the fourth uncle are salivating, who's eyes are not on these property at home, if you get one, you can save ten years of struggle For half a year, who doesn't want it."

"Mom, don't worry, you will spend more time on the three children in the future. I will focus on the housework here in the future. As long as you take good care of the old man and the old lady, take care of the housework so that they can't find anything wrong. I believe this position belongs to me." Rao Yajing is very confident.

"Well, just work hard, I will do some work in the future, we are all for the good of the children and grandchildren, so that they have more property and a better life." Liang Ruqi nodded.

"Um."

The mother-in-law and daughter-in-law smiled at each other.

Since then, Rao Yajing has devoted more attention to housework, to please the elders, and she is exquisite in every way.

afternoon.

Shen Ning received a courier from the United States.

This is a new drug for the treatment of malignant tumors that she, Toji Qingshan, found in the United States, the latest research and development.

No matter what, if it can be cured, it must be cured.

After receiving it, she took the medicine and went to the old man's room immediately.

Li Jichun was lying on a soft chair, accompanied by Mrs. Li.

The old lady held the old man's hand, and the two were talking.

"My wife, I'm afraid I won't get better from this illness. From now on, you have to take care of your body and take good care of yourself. I'll be waiting for you over there." Li Jichun sighed, his tone very sad.

Actually, during this period of time, the family was coming and going, and more and more people came to see him, and he also realized that his illness was unusual.

"Nonsense, who said you can't be cured? The doctor said that your heart is better than before, I don't care, you must stay with me, and you are not allowed to leave early." The old lady Li's face sank, and she spoke in a trembling voice.

Li Jichun smiled, but did not speak.

The sun was slanting, and it was shining in from the window, falling on the two old people.

The two old men intertwined their fingers and held each other tightly, for fear that the other would leave them first.

This scene is so sweet and warm.

Shen Ning came over and saw this scene, and was stunned for a moment.

What is love? Maybe this is it!

Knowing and loving each other for a lifetime, supporting each other, and still being able to love each other like this when we get old, this should be the greatest happiness!

Chapter 1263: I have something to ask you

Shen Ning stood outside and stared blankly, suddenly felt that the hole deep in his heart was getting bigger and bigger, so big that he panicked.

In this life, she also fantasized about this kind of love, and she was also obsessed with pursuing it, but she suffered so much and still couldn't wait for the true love.

Now there is nothing but confusion.

"Grandpa, grandma." After a while, seeing the two old men loosen their fingers, she walked in gently and called out affectionately.

"Ning Ning, you are here." The two old people smiled when they saw it was her.

"Grandpa, are you feeling better?" Shen Ning squatted down in front of them, raised her face, and asked with concern.

"Well, it's better." Li Jichun nodded with a smile, looked outside and asked, "Where's Zhenting?"

Shen Ning's heart was sour, and he smiled: "Grandpa, he has gone to work in the company."

"Well, he is also working hard. The livelihood of the whole family falls on his shoulders, as well as the family business. I am really worried that his health will not be able to bear it." Li Jichun said with emotion, "People, they don't know when they are young. Cherish your body, it's too late to realize when you get old."

Shen Ning smiled: "Grandpa, don't worry, he is in good health and is fine."

"It's good to be in good health." Li Jichun murmured.

"Grandpa, I entrusted a friend to send this medicine from the United States. It is helpful to your illness. You can eat it." Shen Ning handed the medicine to the old man's hand with both hands.

"Okay, thank you, you are so thoughtful." Mrs. Li took it and put on her reading glasses to read the words clearly, but it was all in English, and she couldn't understand it, so she had to give up.

"Grandma, don't worry, this is a new medicine, and it is effective for grandpa's illness." Shen Ning was afraid that they would have concerns, and even more afraid that she would see what the disease was, so he immediately followed up.

"Okay, eat it right away." The old lady Li twisted the bottle cap, it was a little tight and couldn't be unscrewed.

"Grandma, let me do it." Shen Ning immediately took it and unscrewed the bottle cap, and immediately went to pour a glass of warm water over, and asked Old Man Li to drink it with the water.

Perhaps the medicine really had some effect. After a while, his spirit improved a lot.

"Ning Ning, Grandpa has something to ask you." After talking with them, Shen Ning was about to leave, but old man Li suddenly stopped her, his eyes full of hope.

Shen Ning was stunned, suddenly thought of something, and his heart beat uneasy.

"What? Ningning, aren't you willing to give me the face of an old man?" Li Jichun was a little nervous, staring at her with cloudy eyes, feeling depressed.

"No, it's not." Shen Ning hurriedly shook his head, full of embarrassment.

"Come on, Ningning." Old lady Li waved to her.

Shen Ning had no choice but to take a few steps closer.

Old lady Li held her hand.

"Ningning, can you promise me? Help me take care of Zhenting in the future, and take care of him for the rest of my life." Li Jichun looked at her and asked seriously, word by word.

Shen Ning had anticipated this problem a long time ago, and was hesitant.

Promise, she knows it's impossible, if she doesn't agree, how can she refuse, she can't bear it!

"Ning Ning, in fact, a man is a child sometimes, and occasionally makes some mistakes, but as long as he is disciplined well, he will be a good boy. Give him a chance." Old lady Li persuaded, holding her hand .

Such an old man has clear ears and eyes, clear thinking, and everything is clear, like a mirror in his heart.

"I..." Shen Ning felt stuck in his throat for a moment, not knowing how to answer.

"Ningning, you already have five children. For the sake of the children, you have to think carefully." The old lady touched her hand with her fingers, and she spoke with sincerity and meaning.

Shen Ning's eye circles were red.

"Grandpa, grandma, don't worry, Ningning and I will love each other for a lifetime, just like grandparents love each other, love each other and support each other." At this moment, a shadow came in at the door, Shen Ning turned his head and saw Li Zhenting's face Zhang Junyi's face, he walked in and stood beside her, holding her hand, his voice was gentle and kind.

Chapter 1264: what a kid

Shen Ning was momentarily stunned.

"Ning Ning, right?" Li Zhenting finished speaking at this moment, and turned to look at her with a gentle smile in his eyes.

Shen Ning opened his mouth.

"Ning Ning, promise the old man first." Li Zhenting put one arm around her, pulled her into his arms, and whispered in her ear.

Shen Ning was on the verge of riding a tiger, and he really couldn't refuse a seriously ill old man.

"Okay, grandparents, I promise you." She forced a smile and agreed.

"Okay, okay." Li Jichun laughed happily. Although the laughter was a little weak, it could be seen that it was genuinely happy.

"Zhenting, you must treat Ning Ning well in the future, and don't mess up again, otherwise, grandma will not let you go." The old lady Li was also very happy, but she taught Li Zhenting a sullen face.

"Grandpa, grandma, don't worry, I will love Ningning with all my might in the future, otherwise, you can kill me." Li Zhenting raised his right hand above his head and swore.

"You, you are such a young child. Now that you are the father of five children, you should have matured a long time ago. No matter what you do in the future, you should pay more attention to it and listen to Ning Ning's opinions more. Good daughter-in-law, you have to be content and cherish, understand?"

"Okay, let's die." Li Zhenting replied loudly, and saluted the military. The posture was a little funny, which made the old man and the old lady laugh, and Shen Ning couldn't help laughing.

"Yeah, Mommy and Daddy are reconciled." At this moment, Keke, Ding Ding and Xiao Xiaosan ran over and saw Mommy and Daddy holding hands and laughing, and Grandpa and Grandma were also laughing happily. I just thought that Mommy and Daddy had reconciled, and I was so happy, I ran in and cheered.

"Come on, my good grandsons and granddaughters." When the two old people saw the tiger-headed Coco, Tintin and the delicate and cute Xiaoxiao, the smiles on their faces became brighter, and they hurriedly waved to the little ones.

The three little guys ran over and snuggled into the arms of the great grandpa and grandma, but they were very sensible, knowing that the old man and the old lady were old and could not stand their tossing, so they just slowly snuggled in.

The two elderly people hugged their grandchildren and smiled happily.

The house is full of cheerful and warm atmosphere.

Rao Yajing stood outside the door watching this scene, all that filled her heart was jealousy.

My mother-in-law is right. Mrs. Li really prefers Li Zhenting. If he and Shen Ning hadn't divorced, she wouldn't be able to be the head of the family no matter what.

Her eyes turned cold.

at dusk.

Zhu Qixiong dressed and went out.

As soon as I went out to look, I saw a black luxury car parked at the entrance of Shaw Villa.

He was taken aback, did Shen Ning come so early!

While he was hesitating, the car window opened.

Shen Ning's exquisite little face appeared in front of him.

"Master Zhu." She looked at him with a smile.

"Ning Ning." Zhu Qixiong's heart felt hot, and he quickened his pace.

"Come up quickly, don't be seen by others." As soon as he approached, Shen Ning hurriedly whispered.

"Okay." Zhu Qixiong no longer doubted anything, opened the door and got into the car.

As soon as he sat down, Shen Mei started the car, and the car drove towards the street.

"Ning Ning, who do you want to take me to see?" Zhu Qixiong sat in the car and watched the car drive towards a place that Shen Ning didn't usually go to, so he asked with a smile.

Shen Ning smiled: "Don't worry, I won't sell you out, I will take you to meet a very good friend."

Zhu Qixiong smiled: "I'm a big man, how can I worry about you selling me, it's worthless."

Is it worthless? Wrong, it is worth a lot!

Shen Mei snorted in her heart, but she didn't say anything, she just smiled and stepped on the accelerator to drive forward!

Chapter 1265: Sure enough, it's not easy to mess with!

"Young Master Zhu, you go in first, and I'll come as soon as I park the car." After the car stopped at the Spring Cafe on Liuxin Road, Shen Mei smiled at Zhu Qixiong.

"Okay, I'll wait for you inside." Zhu Qixiong calmly got out of the car and walked towards the cafe.

Shen Mei looked at his back through the rearview mirror, with a sneer on her lips.

Stupid!

She cursed secretly and drove away in the car.

"Sir, are you Ms. Shen's guest?" Zhu Qixiong had just arrived at the door when a woman who looked like a manager greeted him very respectfully.

"yes."

"Come with me, please." The woman gave him a charming smile, and led him inside.

"Thank you." Zhu Qixiong followed behind.

"Please sit down, drink a glass of water to quench your thirst first." The manager took him to sit down in a quiet private room inside, the waiter brought tea, the manager poured a cup, and handed it to him with both hands with a smile.

"Thank you." Zhu Qixiong took it and drank it with his head raised.

"Sir, sit and wait for someone, I'll go first." The manager smiled inscrutably, turned and left.

Zhu Qixiong looked at her back, and gradually, a double image appeared in front of her eyes. Little by little, her eyes became more and more blurred, and then she fell down powerlessly.

"Qixiong, Qixiong." Xu Xiangzhi walked in with two Baobiao, and patted Zhu Qixiong.

Zhu Qixiong didn't respond.

"Help the young master into the car and take him home." She instructed Baobiao and others

"Okay." The two Baobiao supported Zhu Qixiong and left.

As soon as Baobiao and the others left, another woman staggered in.

"How is it? Mrs. Zhu, I didn't break my promise. I helped you find the young master." Lan Feiyun stood in front of Xu Xiangzhi with a smile all over his face.

Xu Xiangzhi looked at her and narrowed her eyes.

This woman really has two tricks. She and Bao Biao from Zhu's family searched everywhere but couldn't find any sign of Zhu Qixiong, and she called Zhu Qixiong out easily. I don't know what method she used?

"Well, Mrs. Shen is really good." She smiled and gave her a thumbs up.

"Where, where." Lan Feiyun smiled, and took out her mobile phone, "Madam Zhu, I have something to leave, can you transfer the remaining money first."

Xu Xiangzhi's face sank.

Lan Feiyun's face of only money and respect made her very uncomfortable, too greedy.

Often people who are greedy themselves will hate other people's corruption, Xu Xiangzhi probably is like this.

She smiled sinisterly: "You are so timely, I told you, I will give it to you."

"Pay the money and deliver the goods, isn't that the way of doing business?" Lan Feiyun smiled as a matter of course.

Xu Xiangzhi looked down at the phone and said, "That's good, but I don't have so much cash today, how about it, how about transferring it to you tomorrow? Don't worry, you will be indispensable."

As he spoke, he was about to walk outside.

"Hey, Mrs. Zhu, this is not very good. It is clearly agreed that you will pay for the goods and deliver the goods. Now that you are gone, my goods are gone. If you don't bring the money, what will I do?" Blue Feiyun is not easy to provoke, he immediately turned around and stopped in front of Xu Xiangzhi, with a strong attitude.

Xu Xiangzhi glanced at Lan Feiyun's tall figure, feeling a little scared.

The two Baobiao have already left. If Lan Feiyun wants to deal with her, she is no match at all.

At this time, Lan Feiyun had already seen her thoughts, and sneered: "If Mrs. Zhu doesn't want to give it, then I will call the police now. I invited the young master Zhu here to talk about things, but Mrs. Zhu gave him a drink." Drug addicted, when the time comes to find out, I'm afraid all your scandals will be exposed."

Xu Xiangzhi shivered!

This Lan Feiyun is really not easy to mess with!

"Okay, I'll ask my husband to transfer the money to me, and I'll give it to you." She immediately justified herself and picked up the phone.

Originally, she planned to give this money, but Lan Feiyun's face was disgusting and she didn't want to give it so happily. Right now, she obediently transferred it to her.

"Thank you." Lan Feiyun looked at the 2.5 million on the bank card, his eyes narrowed into a smile, "I wish you a happy cooperation, Ma'am. If you need my cooperation in the future, just Open your mouth, don't say anything else, deal with Zhu Qixiong, I promise to make him obedient."

After speaking, she swaggered away.

Chapter 1266: I'd rather die than let you do what you want

Zhu Qixiong woke up from his lethargy, seeing darkness in front of his eyes, and a musty smell inhaled through his nostrils, he immediately understood what was going on.

He was tricked, and Zhu Dongjin and Xu Xiangzhi brought him back!

But the first thing he was worried about was Shen Ning's safety. Yesterday, Shen Ning asked him out.

If it weren't for Shen Ning, no one would be able to get him on a date.

In this world, he only believes in Shen Ning.

But now that they have been arrested, I don't know if they have taken action against Shen Ning. After all, in their perception, Shen Ning is the one who harmed him, and they hate Shen Ning very much.

If it was just himself, he would be at their mercy like last time, and wait for the opportunity to act, but this time, when it comes to Shen Ning, he can't sit still!

"Come, come." He opened his voice and roared loudly, rolled to the door and kept banging on it.

"Sir, madam, the young master has woken up and is yelling and banging on the door." Zhu Dongjin and Xu Xiangzhi were drinking tea and discussing the arrangements for their engagement wedding tomorrow afternoon, while Baobiao was guarding outside. He ran in in a panic, "This time, the eldest young master is emotional, not as quiet as last time."

"Niezi." Zhu Dongjin's face was livid with anger, "If you beat him up, he will be honest. We will do it for his own good. He is not only ungrateful, but also making a lot of noise. He is really a rebellious son, a worthless thing."

Xu Xiangzhi stood up and smiled: "Dong Jin, don't worry, he is full of blood, and we captured him in this way, anger is inevitable, you sit down, I will go to see him first."

After speaking, she followed Baobiao and walked outside.

"Zhu Dongjin, Xu Xiangzhi, please let me out, otherwise, I will report and warn you of illegal imprisonment." Zhu Qixiong was bound hands and feet, rolling on the ground, every time his tall body rolled, the door was slammed He rang, "I tell you, if you hurt Shen Ning, I will never let you go."

Xu Xiangzhi stood at the door and was terrified when he heard it.

Tomorrow, Zhu Qixiong and Wu Xueying's engagement ceremony will be held. If Zhu Qixiong makes himself miserable, or loses his appearance, how will the engagement ceremony be held?

This time is not like the previous few days!

"Who told you to lock the young master here?" Xu Xiangzhi thought and shouted angrily.

"Ma'am..." Baobiao knew that she was acting again, so he bowed his head and remained silent.

"Open the door quickly." Xu Xiangzhi ordered angrily.

"Yes." Baobiao hurriedly opened the door.

As soon as the door was unlocked, there was a bang, and Zhu Qixiong, who was tied up, rolled out by himself.

"Qixiong." Xu Xiangzhi immediately stepped forward, knelt down beside him, with a concerned face, "I'm sorry, they brought you back again, and I have already taught them a lesson."

"Get out, you vicious woman." Zhu Qixiong knew the ugly face of this woman thoroughly through Uncle Wu, and hated her deeply. Seeing her now, his eyes were bursting with anger, wishing to punch her killed.

Xu Xiangzhi looked terrified.

In the past, Zhu Qixiong was indifferent and distant towards her at most. He had never been so hostile and hated to her. She was a little scared.

"Qixiong, blame me. I'm sorry for you. I didn't take good care of you since I was a child." But she is a capricious banshee, with eighteen changes on her face. At this time, she was crying silently and said delicately, "But No matter what, your dad and I are doing it for your own good. Tomorrow is a good day for you and Xueying to get engaged. If you don't come back, how can you get engaged? Just listen to what my dad and I told you, Wu Xueying is smart She is beautiful, and the family is rich. If you marry her, you are the winner in life. If you don't trust me and your dad, you should trust your grandma. Her old man made the same decision, so she can't help but do it for you, right? "

Zhu Qixiong was furious, and shouted: "Xu Xiangzhi, put away your tricks, I won't believe you, tell you, I would rather die than let you get what you want, I will never hold an engagement wedding with Wu Xueying , and will not let you get a gift from the Wu family in return."

This sentence directly pierced Xu Xiangzhi's heart, making her eyelids twitch.

Chapter 1267: You are the lucky star of our family

"Qixiong, you really misunderstood me." Xu Xiangzhi was crying, looking like she had been wronged.

"Xu Xiangzhi, tell you, I can tolerate other things, if you do something to Shen Ning, I will send you to hell, get out, don't let me see you again, you disgusting woman." Zhu Qixiong The anger in his eyes was burning, as if he was going to burn Xu Xiangzhi.

Xu Xiangzhi was terrified and terrified.

"Hurry up and send the young master to the guest room to rest. I'll go find his father." She turned around and ran away after leaving a word.

Zhu Qixiong was sent to the guest room, but this time, the rope on his body was not loosened, and he was still tightly bound.

Next, Zhu Dongjin personally came to persuade Zhu Qixiong to follow their arrangement and go to the engagement ceremony obediently tomorrow, but was scolded **** by Zhu Qixiong and almost died of anger.

Later, some relatives came to persuade them, but they were all scolded by Zhu Qinan.

This time, Zhu Qixiong is determined to fight them to the end.

Xu Xiangzhi felt very uncomfortable, and had nothing to do with Zhu Qixiong.

At night, Wu Xueying came.

"Auntie, I'm here to see Qixiong." She said bluntly after seeing Xu Xiangzhi.

Before this, she had been feeling uneasy. Newspapers and news were saying that Zhu Qixiong was missing everywhere. Thinking that tomorrow would be their engagement wedding, she didn't expect to make a fool of herself in public. The joke of the upper class of the entire imperial capital.

Xu Xiangzhi saw her with confidence, and immediately took her hand and said affectionately: "Qixiong just came back, and he is already asleep."

After speaking, he took her hand and walked towards Zhu Qixiong's guest room, and said as he walked: "He has been working outside during this time, and fell asleep from exhaustion, he is afraid that it will affect tomorrow's engagement, and he is recharging his energy."

While speaking, he dragged her into a spacious and bright guest room, and pointed to Zhu Qixiong who was lying down and sleeping inside through the window.

Zhu Qixiong was covered with an air-conditioning quilt, with his face facing outside.

Wu Xueying took a look, and it was indeed Zhu Qixiong. He was sleeping soundly, and his heart suddenly settled down, and a girlish blush flashed across his face.

It seems that the outside newspapers are all catching rumors, and they cannot be trusted.

Her heart was filled with joy, and all her previous doubts were dispelled.

"Xiaoying, just now I discussed with Qixiong's father that we plan to hold a wedding for you on August 15th after your engagement. You are the eldest daughter of the Wu family. This wedding can't be careless, but we You should have heard about the current situation of the Zhu family, right? We are

really in a difficult situation, and we can't afford too much money. I want to ask you, after the wedding engagement tomorrow, will your gift money be brought over?" Xu Xiangzhi kissed He held Wu Xueying's hand carefully and asked tentatively.

Wu Xueying's family is a well-known gambling king in the emperor, and they have plenty of money, so they don't care about such a small amount of money. Besides, she loves Zhu Qixiong.

"Auntie, I know the situation of Zhu's family now, and I have already discussed it with my father. He said that Zhu's family is difficult now, and you can't let you spend too much money, but you still have to be decent. Therefore, he is going to Take a hundred million as a gift in return, and it will be a decent wedding for us." Wu Xueying immediately replied with a smile.

Xu Xiangzhi's eyes lit up, oh my god, 100 million, really rich!

"Thank you so much to my in-laws, Xiaoying, you are really the lucky star of our Zhu family." Xu Xiangzhi thanked her repeatedly, smiling like a flower.

Originally, when she saw Zhu Qixiong's attitude towards her today, she almost gave up. Now Zhu Qixiong is a lion who is not easy to mess with. If she is not careful, she will be bitten all over her body. She is very worried because the forty million At that time, her old background will be found out, and both she and her son will suffer.

But after hearing Wu Xueying's words at this time, she made up her mind to get the money before leaving.

Chapter 1268: How to pass this level?

"Qiming, are the procedures ready?" After sending Wu Xueying away, Xu Xiangzhi immediately came to her son's study and asked in a low voice.

"Don't worry, I'm ready. We'll take the helicopter as soon as the 40 million arrives tomorrow." Zhu Qiming said in a low voice.

"Qiming, let me tell you, it's more than 40 million, it's 100 million." Xu Xiangzhi couldn't hide the excitement on her face, and hurriedly explained the situation she got from Wu Xueying.

"Great, the Wu family is really rich." Zhu Qiming's eyes sparkled when he heard that.

"Yes, but we have to be careful. This matter must not be discovered. If it is discovered, it will be troublesome." Xu Xiangzhi still has lingering fears. After all, Zhu Qixiong is too difficult to control now. I just gave him a little bit. The medicine made him fall asleep, otherwise, how could Wu Xueying believe it.

"Mom, don't worry, I already have a careful plan. The key is when will the money be available? The sooner the better."

"I just communicated with Wu Xueying. She said that as soon as the engagement is over, she will call me the money. She is very easy to deceive, and it should be fine." Xu Xiangzhi smiled, and then looked sad: "The key Yes, the engagement has to be over, but now Zhu Qixiong doesn't cooperate at all. You can't give him medicine on the day of the engagement. Take it here, how do you pass this level?"

Xu Xiangzhi was walking around the room, restless, and time was running out. How can I get Zhu Qixiong to follow the scene honestly.

"Mom, why don't you give Zhu Qixiong a sum of money so that he will be willing to follow along in acting."

"Hey, don't you know Zhu Qixiong's character? He will never give in for money. This road will never work. Moreover, we will run away after taking the money. If he finds out the secret, then we will play It's over."

"Mom, I have a solution." Zhu Qiming said suddenly, "Don't Zhu Qixiong care about Shen Ning? Then let's give him a small amount of medicine and tell him that Shen Ning is engaged to him. In this way, he will definitely be obedient cooperative."

"Is this ok?"

"sure."

"But how could Shen Ning come here? Zhu Qixiong won't believe it if he doesn't see Shen Ning." Xu Xiangzhi thought of him yelling that if they hurt Shen Ning, he would definitely not let it go With such words, she shook her head again and again, startled.

"Mom, why don't we trick Shen Ning here, as long as she shows up at a critical moment and cooperates."

"This, can it work?" The more Xu Xiangzhi thought about it, the more panicked she became, "Now that Shen Ning has moved to Li's old house, we won't even be able to see her face."

"Mom, I have some friends in the underworld. Let me figure out a way. Anyway, it will only take a few hours. Just let her go after the matter is done." Zhu Qiming had the idea of a crooked way.

"Okay, you can try it, if it doesn't work, don't force it, remember, don't drag our old boss because of this matter, then we will become the second Lan Feiyun."

Speaking of Lan Feiyun, Xu Xiangzhi suddenly remembered what Lan Feiyun said: If there is anything else you need my cooperation from now on, just ask, and don't say anything else. When dealing with Zhu Qixiong, I promise to make him obedient .

While she was thinking, Zhu Qiming had already gone out.

Li's old house.

After feeding the two babies, Shen Ning was going to go out. She hadn't visited the company for several days. She wanted to go there. Besides, Zhu Qixiong lived alone at home and didn't know what happened. His phone is always off, so he has to check it out.

She picked up her bag and walked outside.

Chapter 1269: in distress

Shen Ning went out and drove towards the outside.

As soon as her car left, Li Zhenting also came out in the car, and accidentally raised his eyes, hey, isn't this Shen Ning's car.

Where is she going?

Are you going to work?

Dead woman, is the company's affairs that important? The children are still so young, do they need her to earn that little money?

Suddenly, he changed his mind.

She is going to see Zhu Qixiong, after all, she is here, and Zhu Qixiong still lives in her house?

Thinking of this, his eyes turned cold, and he rushed to follow.

Sure enough, not long after, Shen Ning's car drove towards Gu Qi.

Really went to work, his face softened, and he was about to turn around and leave.

Sudden.

The three ghostly men next to him caught his attention.

Li Zhenting's eyes sharpened.

Working in the shopping mall all the year round, he has long developed his extremely high sensitivity and vigilance. Based on experience, these men are not kind, and they are likely to do bad things to Shen Ning.

He immediately drove the car towards Shen Ning's parking space.

"Ning Ning, be careful." Sure enough, as soon as his car drove past, Shen Ning pushed open the door and came out. Just after getting out, those men rushed towards her, one of them was holding an iron rod in his hand and wanted to get out. Hitting Shen Ning on the back of the head, Li Zhenting's eyes flashed, he immediately shouted, opened the window and jumped out.

Li Zhenting's loud shout startled Shen Ning, and instantly felt the back of his head get windy, and quickly dodged to the side, dodging the iron bars that hit her, but those men all rushed towards her.

"Ah." Shen Ning saw the vicious man when he turned his head, and screamed loudly in fright.

"Damn it, how dare you touch my woman." Li Zhenting ran out and kicked a man in the back of the head. The man's eyes darkened and he fell down.

follow closely

Li Zhenting made another flying kick, directly knocking down a man next to him, and another man had already grabbed Shen Ning's arm and was dragging her to a car next to him.

"Let go." Li Zhenting glared angrily, ran up and punched the man on the temple several times in a row, the man screamed, let go of Shen Ning, turned around and ran away, bleeding from his mouth.

"Ning Ning, stay away." At this moment, the two men behind rushed towards Li Zhenting, and Li Zhenting pushed Shen Ning aside with his backhand, and he turned around and started fighting with the two men.

"Security, come quickly, there are gangsters here." Shen Ning turned pale, woke up, and immediately shouted at the security over there.

The security guard ran towards this side.

Seeing that the situation was not good, the criminals had no intention of fighting, so they turned around and left.

"Don't try to escape." Li Zhenting sneered, jumped up, kicked a man in the back, and kicked the man to the ground. He rushed over, stepped on the man's back, and held it down firmly. he.

The man couldn't move, and the other man took the opportunity to slip away.

At this moment, the security guards surrounded him.

Li Zhenting ordered the security guards to take the man into the office of the Li Group in the office building, and he wanted to interrogate himself.

Shen Ning exhaled in fear, not knowing why these people were targeting him, he was terrified.

Xu Xiangzhi sat at home with her eyelids twitching, restless.

After a while, Zhu Qiming hurried in, his face darkened.

"Qiming, what's the matter?" Seeing his son's face, Xu Xiangzhi became even more flustered and asked hastily.

"Mom, I failed." Zhu Qiming had a gloomy face.

"What failed?" Xu Xiangzhi's heart beat slowly.

Chapter 1270: emergency medical treatment

Zhu Qiming then told the story of how he failed to let the underworld capture Shen Ning and was discovered by Li Zhenting.

Xu Xiangzhi was trembling all over.

"Qiming, what should we do? If things go wrong, we will be in trouble, and we will get nothing." She turned around anxiously, "I told you, you should think twice before doing anything. At that time, in

broad daylight, you actually sent the gangsters to arrest Shen Ning, did you eat the guts of a leopard, you have to wait for the right time or go at night."

"Mom, Shen Ning usually doesn't come out. This opportunity is rare and the matter is urgent. Don't worry, Brother Seven has always done things safely. It was feasible. Who would have thought that Li Zhenting would follow behind." Zhu Qiming was a little discouraged.

"Don't you know that now that Li Zhenting has changed his ways, Shen Ning is his treasure. Of course he has followed her. You are plucking the beard from the tiger's head and asking for your own doom." Xu Xiangzhi sighed anxiously Straight stomp.

"Mom, the matter is not as serious as you think. Even if Li Zhenting caught those gangsters, they would at most send them to the police station. They don't know about us, and they are the ones who will be punished. It has nothing to do with us. Anyway, we passed I'll leave the imperial capital tomorrow night, so what's the matter." Zhu Qiming comforted Xu Xiangzhi after thinking about it.

Xu Xiangzhi felt right after hearing this, and gradually calmed down, and her mind became clear.

"Qiming, let me handle this matter." As soon as her mind cleared up, she thought of someone, that was Lan Feiyun, and she decided to ask her to try.

soon.

She called Lan Feiyun.

At this time, Lan Fei and Mica's daughter are in a spa, and the comfort makes them very addicted.

When the phone rang, Lan Feiyun glanced at it and smiled at Shen Mei: "Meimei, look, business is here again, and we are going to make money again."

"Really?" Shen Mei tasted the sweetness and was very happy. She no longer had any worries about her face that was exactly the same as Shen Ning, but was proud of herself.

"Of course it's true, let's see how the money came from." Lan Feiyun smiled and connected the phone.

"Mrs. Shen."

"Yo, it's my wife, hello, hello." Lan Feiyun smiled and spoke in a drawn-out voice, as if she knew Xu Xiangzhi would come to her.

"Mrs. Shen, I want to talk to you about cooperation again. Didn't you say last time that you have a way to make Zhu Qixiong obedient? Is this true?"

Lan Feiyun raised her eyebrows and smiled: "Mrs. Zhu, I never tell lies, and I will tell you all the truth."

"Okay, let's cooperate again." Xu Xiangzhi immediately told her her thoughts.

Lan Feiyun's eyebrows were light: "No problem, this bag is on me, it's just about the price..."

"Don't worry, the price is easy to negotiate, you can make a price."

"Okay, since Mrs. Zhu is so forthright, then I'll make an offer. You also know that the difficulty this time is much more difficult than last time. Zhu Qixiong has to participate in the engagement ceremony. His stubborn temper must not be so bad." It's easy to cooperate, so I put a lot of effort into it. In this case, the price should be at least twice as high. Well, we are also old friends, and we have cooperated more than once. Maybe we will have to cooperate in the future. , for the sake of an old friend, a one-shot price: five million, if you think it's suitable, we'll discuss it in detail, if you don't think it's suitable, then we don't need to talk nonsense, right?"

Xu Xiangzhi's face turned black, so greedy!

But at this time, she is also in a hurry to go to the doctor, and she really can't find a better way. Compared with 100 million, this five million is really small.

"Can I have less?" Instinctively, she was still bargaining.

"One point is not a lot, if you don't want to, forget it." Lan Feiyun was about to hang up the phone after speaking.

"Okay." Xu Xiangzhi immediately agreed.

"Let's pay a deposit of 2.5 million first, and we'll talk about it after the payment is over." This time, Lan Feiyun paid too much deposit, and she was afraid that she would take the money and leave after the project was completed, so she had to be prepared.

Old fox!

Xu Xiangzhi cursed inwardly, but still agreed, obediently transferred 2.5 million to Lan Feiyun!
