Chapter 1281: Li Zhenting's strength to protect his wife 8

"Really?" Zhu Qixiong was so excited that the hot air lingered in his ears. He was willing to be accompanied by the woman he loves, even if he was locked here for the rest of his life.

"Of course it's true. If you don't believe me, touch my heart." Shen Mei put his hands on her chest and rubbed it repeatedly. Zhu Qixiong's breathing became rapid, his cheeks flushed, and his eyes shone golden.

"Qixiong, you are so handsome, I have admired you for a long time." Shen Mei's fingers caressed Zhu Qixiong's face, and her fingertips gradually moved to his lips, rubbing gently.

Zhu Qixiong's breathing became more and more rapid.

She twisted her waist, one hand gradually embraced his head, and her body kept moving upwards.
until

Her red lips fell on his.

Zhu Qixiong was completely dumbfounded.

Shen Mei kissed him gently, stroking his chest with one hand.

Zhu Qixiong's mind was dizzy.

The tip of Shen Mei's tongue sent a piece of white pill into his mouth, then kissed his lips, forcing him to swallow it.

Then.

She kept reassuring him.

Gradually, hallucinations appeared in front of Zhu Qixiong's eyes, he hugged Shen Mei into his arms, pressed her on the bed, kissed her impatiently, and wanted to unbutton her clothes.

"Qixiong." At the critical moment, Shen Mei grabbed his hand, coquettishly, "Don't worry now, let's go to a place first, and after completing a ceremony, I will be yours, okay?"

"Okay." Zhu Qixiong nodded obediently with a psychedelic color in front of his eyes.

As long as he follows Shen Ning, he will do anything with confidence.

"Okay, then I'll wash your face." Shen Mei winked like silk, pressed him on the head of the bed, fetched face wash water and began to tidy him up.

After a while, Zhu Qixiong's entire face was radiant, especially energetic.

At this time, Lan Feiyun's voice came from the door: "Ningning, how are you doing? Are you packed? The ceremony is about to begin."

"Don't worry, it will be fine soon." Shen Mei let go of Zhu Qixiong, took out a set of clothes and a hood from her bag, turned and walked towards the bathroom.

"Ning Ning, don't leave me." Zhu Qixiong grabbed her tightly, fearing that she would disappear if she left.

"Hey, I'll go and change my clothes and I'll be out soon, be good." She smiled softly at him.

"Ok, I will wait for you."

Zhu Qixiong looked at her obsessively, and let her go.

Shen Mei smiled and walked towards the bathroom. After a while, she changed into a dress and came out wearing a hood.

At this time, she had already put on her makeup and turned into a lady of ceremonies, so that no one would know her identity.

"Ning Ning, your hair is so long and beautiful." Zhu Qixiong looked at her and smiled, "I recognize you even if you have changed."

Shen Ning's nose and lips are his favorite, no matter what she looks like, as long as he sees her nose and lips, he can recognize her.

"That's right, you should recognize me." Shen Mei smiled shyly, looked at herself in the mirror with another look, took Zhu Qixiong's hand and walked outside.

Lan Feiyun was standing outside, seeing Zhu Qixiong coming out obediently following Shen Mei, with a happy face, she knew that the plan had succeeded, and was very happy.

"Let's go, first go see the elders of the Wu family." Lan Feiyun walked to Shen Mei and whispered, then handed her a process sheet.

Shen Mei took it.

"Qixiong, let's go, my good friend and her family have come to see me, I'll take you to get to know them, when I introduce them to you, you have to be more enthusiastic, otherwise, I won't be happy " Shen Mei said coquettishly.

"Okay, I will, and I will be very enthusiastic." Zhu Qixiong said cheerfully, as long as it is Shen Ning's friend, it is his friend, and he will definitely not neglect.

Shen Mei smiled strangely.

reception hall.

Wu Xueying stood in the middle of the hall nervously in a dress.

For some reason, her eyelids always twitch inexplicably.

Yesterday, although she saw Zhu Qixiong sleeping on the bed, she didn't talk to him, and she didn't know if Zhu Qixiong would have any thoughts about his engagement with her. Subconsciously, she felt that Zhu Qixiong didn't love her and wasn't interested in her. Gao, she was worried that this engagement ceremony would be messed up.

If this is the case, it would be too embarrassing!

The Wu family is a big family and they want to save face. Her father, Wu Shouxin, specially invited a lot of media reporters to show his importance to his daughter. The scene was very grand.

After a while, she saw Zhu Qixiong, a handsome man, walking towards her energetically under the leadership of Miss Master of Ceremonies, with a smile on his face, gentle and elegant, very gentlemanly.

Her heart was relieved at once, and a look of joy appeared on her face.

It turned out that Zhu Qixiong was willing to get engaged to her, because he loved her.

She loves Zhu Qixiong so much, it's so wonderful that he can treat her like this!

"Qixiong." She held up the hem of her dress and greeted her.

"Qixiong, this is my friend Xiaoying, go and say hello to her, she is my best friend, you have to accompany her, cooperate with her, and take good care of her, she is happy, we Only then will you be happy, and in this way, I will reward you well tonight." Shen Mei immediately whispered to Zhu Qixiong.

"Okay, don't worry, I will take good care of your friend." Zhu Qixiong promised, and immediately greeted her with a smile on his face: "Xiaoying, you are here."

Wu Xueying was immediately elated.

Zhu Qixiong was so close to her, she was so happy, a shy blush appeared on her face.

"Xiaoying, are you thirsty?" Zhu Qixiong asked graciously, and actually brought her a cup of purple grape drink himself, "Have a drink."

"Okay, thank you." Wu Xueying took the drink and glanced at him affectionately.

Zhu Qixiong smiled politely at her.

Xu Xiangzhi was in a nervous mood at first, worried that Zhu Qixiong would do something bad, but when she saw him being polite and communicating with Wu Xueying intimately, she felt relieved and sighed inwardly that Lan Feiyun was capable. To be subdued by her obediently, I have to admire her methods.

Next, in order to make Shen Ning happy, Zhu Qixiong, who was already in a daze, was taken by Shen Mei like a puppet to meet the elders of the Wu family, and to worship the ancestral hall with Wu Xueying...they all cooperated very well, and there was nothing wrong with the whole engagement banquet. Good place, everything looks normal.

...

Li's Castle.

When it was time for dinner, Shen Ning didn't go out to eat.

Fortunately, Ke Ke and Ding Ding are relatively strong, and they are the grandsons of the Li family, so no one dares to bully them easily.

During the next period of time, Shen Ning was going to take Xiaoxiao by his side and protect her personally.

"Where is Ning Ning, why didn't you come out for dinner?" Li Wanqing asked without seeing Shen Ning during the meal.

The people next to her shook their heads, wondering where she had gone.

Li Wanqing thought, she should have finished eating. Today, she had some family affairs at Li's Castle. She went back and didn't know what happened here, and Shen Ning was quite used to staying here for a few days. I can't think of anything else.

After dinner, the old lady came to her, and she went to see the old lady.

At around eight o'clock in the evening, Xiaoxiao woke up.

"Mommy." Sitting on the bed, Xiaoxiao was exhausted, her eyes were a little swollen from crying, she sat there in a group with her head down, looking pitiful.

Chapter 1283: Li Zhenting's strength to protect his wife 10

"Xiao Xiao, you woke up, did you sleep well?" Shen Ning immediately hugged her into his arms, kissed her forehead, and asked gently.

"Well, sleep well."

"Does the wound still hurt?"

"It still hurts." The small voice was still aggrieved.

"Xiao Xiao, promise Mommy, never play with those bad kids again, and stay away from Lan Lan, don't let them bully you, understand?" Shen Ning hugged her tightly and told her earnestly she.

Xiao Shitou's words left her with lingering fears. It seemed that she had to find some time to do Xiao Shitou's ideological work well, and she must never let him bully Xiao Shitou again.

"Okay, Mommy, I see." Xiaoxiao replied in a low voice, her eyes were watery.

"Xiao Xiao, are you hungry?" Shen Ning and Xiao Xiao didn't have dinner, they both ordered this, and the child couldn't be hungry, so she was going to order takeaway.

"Well, I'm a little hungry." The little girl replied in a low voice.

"Mummy will order food for you. Tell Mommy what you want to eat." Shen Ning clicked on a takeaway app, and showed her the food in it one by one to see what she wanted to eat.

In the end, Xiao Xiao ordered a few items, and Shen Ning added some more, and then finished ordering the takeaway.

The front garden at night.

"Little Stone." Ke Ke and Ding Ding stopped in front of Little Stone, staring at him fiercely.

Little Shitou saw that it was Ke Ke and Ding Ding, a little scared, turned around and ran away.

"Stop for me." Ke Ke stepped forward to stop him, and asked angrily, "How dare you bully my little sister, Xiao Xiao, tell you, today I will avenge her."

Ke Ke raised the chubby hand and slapped him on the head.

Little Stone was shaken by the blow, and his eyes turned red.

"Little bastard, how dare you hit me." He bowed, head forward, and rushed directly towards Ke Ke.

Ke Ke, who has practiced Yiquan, glanced at him with disdain, and then flashed lightly.

The little stone hit the ground, because he was eager for revenge, he used too much force, and fell forward a dog gnawing shit. Fortunately, he fell on the lawn, but his head was dizzy from the fall.

Having never suffered a disadvantage before, he became angry from embarrassment, got up and punched Ke Ke.

Ding Ding stood lazily by the side, looked at him coldly, saw him rushing towards Ke Ke to hit him, and when he ran close, he just raised his foot to block it.

The little stone was blocked and couldn't hold back his feet, and he fell straight forward and fell to the ground.

There was a loud crash!

It hurts so much!

Little Shitou burst into tears.

Ding Ding laughed lightly beside him.

"Counsel." Ke Ke came over, stepped on his back, and shouted angrily: "If you dare to bully Xiao Xiao again in the future, I will beat you to the ground. You'd better be honest."

At this moment, a car light flashed outside, the railing of the car was raised, and a luxury car was driving in from outside.

"No, Daddy is back, let's run quickly." Seeing that the luxury car was her Daddy's car, Ke Ke hurriedly said to Ding Ding, and the two ran away in a hurry.

Soon, Li Zhenting parked the car and walked over with a briefcase.

Little Shitou rolled his eyes when he saw an adult coming, and immediately burst into tears.

Li Zhenting was taken aback, stopped, and walked towards him.

Shen Ning took care of the two little guys and fell asleep, then waited for the takeaway with Xiao Xiao.

Li's old house has a large area, and it took a long time to deliver the takeaway. Coupled with the obstruction of the gate post, it took a full half an hour to wait.

Shen Ning gave Xiaoxiao some milk before receiving a call for takeaway, and walked out.

"Ning Ning, why do you order takeaway, aren't you full for dinner?" When Li Zhenting came over with a small stone, he saw Shen Ning walking in with a takeaway, and asked with concern.

Chapter 1284: Li Zhenting's strength to protect his wife 11

Shen Ning looked up at him coldly, and his eyes fell on Xiao Shitou's face.

This little guy was mischievous somewhere, his face was covered with gray grass and tears, very ugly.

Seeing him, Shen Ning remembered the scene of Xiaoxiao being bullied by him, and his eyes became cold and stern.

Little Shitou was a little scared, turned around and ran inside to find grandma and mommy.

Li Zhenting walked inside with Shen Ning.

"Ningning, where are Keke and Ding Ding?" Li Zhenting asked as he walked, his tone serious.

"Why?" Shen Ning asked angrily after hearing his tone of guilt.

"These two little guys caused me trouble again. Just now, the two of them actually bullied Little Shitou outside and beat him up."

Shen Ning was stunned, and then realized that Xiaoshi's appearance was caused by Ke Ke and Ding Ding. It seems that Ke Ke and Ding Ding are avenging Xiao Xiao.

"Did you see it with your own eyes?" She paused and asked in a cold voice.

"No, what Xiaoshitou said." Li Zhenting said, "I just came back from the outside and heard a child crying. I hurried over to take a look and saw Xiaoshitou lying on the ground crying. I did see Coco when I looked up. The backs of the two little guys, Ding Ding and Ding Ding, are running inside."

"Are you trying to trouble Keke and Ding Ding? Do you think what Xiaoshitou said is right?"

"Can children still tell lies?" Li Zhenting was a little puzzled seeing Shen Ning's indifferent expression.

"Do you think every child is as honest as Ke Ke, Ding Ding and Xiao Xiao, and won't lie?" Shen Ning was inexplicably angry. It seems that it is a dream to expect Li Zhenting to protect the children. It would be good if he didn't blame them .

For such vicious women as Liang Ruqi and Rao Yajing, it is not too much for Ke Ke and Ding Ding to clean up the small stones!

If they don't deal with him, Xiaoshi will bully Xiaoshi in the future.

She also believes that Ke Ke and Ding Ding are different, and will not be as vicious as Xiao Shitou to Xiao Xiao!

Li Zhenting was taken aback by her rhetorical question. While he was still in a daze, Shen Ning had already left with the takeaway.

He froze for a moment and followed.

As soon as I entered, I saw two little black round heads huddling together in the bedroom, whispering something.

"Ke Ke, Ding Ding, you two come out." Afraid of arguing with Xi Xi and Bei Bei, Li Zhenting softly shouted at the two little guys.

Ke Ke and Ding Ding looked at each other and reluctantly walked out.

Shen Ning opened the takeaway first and gave some snacks, and she also ate them. After eating for a while, she was worried about Ke Ke and Ding Ding, so she walked out.

"Why are you two so useless? You can't even protect your sister well. Next time, if Xiaoxiao gets hurt again, I'll come back and beat you." Shen Ning thought that when he walked out, he would hear Li Zhenting severely criticizing Ke Ke and Ding Ding. After all, Xiao Shitou has already complained to Li Zhenting. If he didn't distinguish between things and wrongs, he would definitely criticize the children, but unexpectedly, he heard Li Zhenting seriously criticizing the two little ones for not protecting their sister Xiaoxiao well.

"Daddy, I'm sorry, we'll stay by Xiaoxiao's side in the future, and we won't let anyone bully her again." Coco was very guilty.

Xiaoxiao grew up with him, and he was very distressed when she was bullied like this, and her eyes were red.

"That's right, you look like a man." Li Zhenting gave him a thumbs up, and then said to Ding Ding: "And you, you are the same, it is a man's bounden duty to protect women, you can't even protect your own sister, How will I protect my own woman in the future?"

Ding Ding shrugged: "This may be hereditary, I follow you."

The little guy snorted to himself, hey, you are awesome in front of kids, you are not the same, you can't even protect your mommy, and you are used by bad women, so he is useless.

"..."

Li Zhenting's face turned black, and he was speechless.

Chapter 1285: Li Zhenting's strength to protect his wife 12

"Mum, we have already told Daddy about Xiaoxiao being bullied by Lan Lan and Shitou." Coco quickly found Shen Ning, ran over immediately, and spoke with a smile.

Li Zhenting turned around quickly.

Under the corridor lights, Shen Ning's eyes showed traces of crying, and his face was full of fatigue and melancholy.

With a pain in his heart, he walked up to hold the back of her hand regardless of the children's faces, put it under the light to look carefully, and gently stroked: "Ning Ning, I'm sorry for making you wronged, you and Xiao Xiao You should tell me what happened, why do you have to carry it alone?"

Shen Ning didn't speak.

"Little." Li Zhenting took Shen Ning's hand and walked quickly towards the room.

Xiaoxiao is sitting on a small stool and eating.

Li Zhenting walked over and knelt down in front of her.

The little guy's face was a little swollen, and the area around his eyes was also swollen. The eyeballs were not as bright as before, and it was obvious that he had suffered a lot.

Guilt and apology welled up in my heart.

"Daddy." Xiaoxiao raised her head and called him, then lowered her head and ate slowly.

"Xiao Xiao, do your teeth still hurt?" Li Zhenting asked distressedly.

"Yeah." Xiaoxiao nodded, took some food and put it on the left and right sides of her teeth to eat, not daring to chew on the lower front tooth in the middle, which was obviously still red and swollen.

"I'm sorry, Daddy didn't protect you well." Li Zhenting stroked her head, checked her knees, and squatted beside her all the time, watching her eat, "Is the food delicious?"

"Yeah." Xiao Xiao nodded sensibly, "It's okay, Daddy, it's not your fault, it's just that little stone and Lan Lan, have you eaten yet?"

"I have already eaten, thank you Xiaoxiao." Li Zhenting's eyes were a little moist, what a sensible daughter, he is really lucky in his life to have such a well-behaved and lovely daughter.

He picked up a tissue and gently wiped the rice grains on her lips. Upon closer inspection, the small lips became more and more like his, even the curves were exactly the same, and the ears were also very similar to his.

Sudden

There was a knock on the door outside, and the voice was menacing: "Shen Ning, where are your sons Ke Ke and Ding Ding? Let them come out."

A cold light flashed in Li Zhenting's eyes, and he stood up immediately.

"What do you call my son Ke Ke and Ding Ding?" He strode forward, opened the door with a gloomy face, and stared coldly at Liang Ruqi who was standing outside.

Liang Ruqi was holding Xiao Shitou's hand, with an expression of pleading guilty.

But when he saw Li Zhenting's expression, he was taken aback, and laughed along with him: "Zhenting, you are here."

"My wife and children are here, can't I be here?" Li Zhenting gave her a disdainful look, and asked coldly.

"No, no." Liang Ruqi was forced to be a lot shorter by his aura, and she repeatedly smiled apologetically.

Li Zhenting snorted coldly, looked at Xiao Shitou with majestic eyes, and asked seriously: "Little Shitou, how dare you spit at Aunt Shen Ning today, and even bit the back of her hand, and pushed Xiao Shitou down?" I lost a tooth and even broke my knee, my daughter Li Zhenting, did you bully me?"

He took the lead, with a grim expression on his face.

Liang Ruqi, who was originally here to make fun of her, dared not answer.

In Li's house, no one dares to challenge Li Zhenting's majesty, even if she is an elder, not to mention that Liang Ruqi's younger brother still lives in Li's house. As long as Li Zhenting gives an order, he will have to leave every minute because he lives The public housing of the Li family.

Xiao Shitou saw that grandma was afraid to speak, and was also afraid, so he stopped humming.

"Little Shitou, immediately apologize to Aunt Shen Ning and my daughter." Li Zhenting said sharply, "Otherwise, all of your family will leave here, and you will not be allowed to come here again."

Little Shitou looked at grandma, hoping that grandma would support him.

"Zhenting, this matter..." Liang Ruqi accompanied Xiaoxin, wanting to explain something else.

"You don't need to argue anymore, I already know everything." Li Zhenting's face was like frost in winter, turning into ice, "Every corner of Li's old house is monitored by me, and I can check it on my mobile phone at any time. of."

Since what happened on the old man's birthday last time, Li Zhenting has installed surveillance cameras everywhere in this house. Today, after Ke Ke and Ding Ding told him the truth, he immediately called up the surveillance cameras and learned everything!

What made him even more angry was that even when Shen Ning came back with Xiao Xiao in his arms, he could hear what Liang Ruqi and Rao Yajing said to Xiao Shitou clearly, which made him jump in anger.

Chapter 1287: Li Zhenting's strength to protect his wife 14

"Who is in charge of purchasing now?" Li Zhenting's voice was frosty, cold and majestic.

"Rao Qiuyuan."

"Open him." Li Zhenting ordered directly.

"Yes." The butler glanced at Rao Yajing, who was standing at the side with black hair and black face, and could only agree.

Everyone knows that Rao Qiuyuan is Rao Yajing's younger brother, and this is directly punishing Rao Yajing!

It seems that it will be difficult for Rao Yajing to be the female head of the Li family.

"Ning Ning, if you need anything, just call me or tell the housekeeper. I'm going to work first, and you take care of the children at home." Li Zhenting dealt with Rao Qiuyuan on an excuse, and said to Shen Ning affectionately, and she still A kiss on the forehead.

"Hmm." Shen Ning forced a smile and nodded.

Li Zhenting took his briefcase and went to work. Before leaving, he looked at Shen Ning affectionately before walking out.

So far, Rao Yajing is still one of the more shrewd and capable hostesses. The Li family still needs her management for the time being, and he can't just turn his back on him. Now, let her show some color, hoping that she can reform herself and stop making mistakes again. up.

Early in the morning.

Zhu Qixiong opened his eyes from his lethargy, only to feel a splitting headache and weakness all over his body.

Struggling to sit up, lowering his head and pressing his fingers on his temples.

Sudden

He turned pale and lifted the quilt.

God, what is this situation!

He was naked, nothing was on, and there were many lipstick marks on his body!

Last night, what happened last night?

He frantically searched for his clothes, which were scattered on the bedside, and immediately put them on, beating his head with his hands. Last night, he seemed to see Shen Ning... Could it be that he and Shen Ning had something?

With a rumble in his head, he fell down on the bed.

In a hotel room at the airport.

"Xiaoying, when will the reward of 100 million yuan arrive in the account?" Xu Xiangzhi saw that the 100 million yuan was not credited to her account, and kept calling Wu Xueying's number. Wu Xueying just woke up and sat up after answering the phone. He replied: "I don't know either, I have to ask my father, auntie, don't worry, anyway, before Qixiong and I get married, the 100 million will definitely be passed."

Xu Xiangzhi's face turned black when he heard that.

Of course she knew that as long as Zhu Qixiong and Wu Xueying got married, the gift of 100 million would come back, but she couldn't wait, what she wanted was that it would be on her card today.

As long as the money arrives, she will take her son and leave the imperial capital for Singapore!

And it was clearly agreed that the account could be credited last night, but it was delayed until today!

"Xiaoying, your wedding is scheduled for next month. Time is tight. I'm going to go abroad to order wedding dresses for you now. All of these require money. We Zhujia are really struggling now." Xu Xiangzhi reluctantly smiled.

Wu Xueying listened reasonably, and said: "Then wait a moment, I will ask my dad when I have breakfast, and urge him to leave."

"Okay, then I'll wait." Xu Xiangzhi hung up the phone.

"Mom, hasn't the money come yet?" Zhu Qiming was already impatient.

"No." Xu Xiangzhi replied angrily.

"Is there something wrong? Otherwise, we don't want the money." Zhu Qiming was shocked. If the Zhu family found out that they had run away, they would get nothing.

Xu Xiangzhi's face sank: "Am I working in vain? Do you know how high the consumption over there is? How much money do you need to marry a wife and have children? Where are we going to get that 100 million? With your abilities, it's even hard to support yourself."

Through this time, she has seen through her son, who can only talk about it, has no real skills, is not a material for doing business, and is fine for entertainment and consumption. Now that there is no powerful Zhu family, life will not be so easy in the future, she should do more. Just some money.

Zhu Qiming stopped talking and sat on the bedside smoking a cigar.

Chapter 1288: Li Zhenting's strength to protect his wife 15

Li's old house.

After breakfast, Shen Ning took the five children to visit Li Jichun and the old lady as usual, chatting with them and letting them live the life they wished with their children and grandchildren around their knees.

Not long after, Li Wanqing came over.

This time, Li Wanqing was not as kind-hearted as before, with a smile on her face, her face was gloomy and ugly, and she was full of thoughts.

"Ning Ning, come here, I have something to ask you." As usual, after they chatted and laughed together for a while, the old man was tired and fell asleep on the recliner, while Li Wanqing pulled Shen Ning's arm and whispered Open your mouth.

"Okay." Shen Ning handed the child to the special guard, and followed her out.

"Ning Ning, where did you go yesterday?" As soon as they went out, Li Wanqing asked before Shen Ning could stand still.

Shen Ning was taken aback, saw Li Wanqing's serious face, and immediately replied: "Auntie, yesterday Xiaoxiao was pushed by a small stone and lost a tooth, and her knee was bleeding. I took her to the hospital to treat the wound."

"Really?" Li Wanqing continued to ask, "Where did it go?"

"I didn't go anywhere. After seeing the wound, I took Xiaoxiao home." Shen Ning shook his head.

"Ningning, I hope you don't lie to me, please answer me truthfully." Li Wanqing's tone was heavy, her face was tense, and the soft light was gone from her eyes. Like a daughter who did something bad but didn't admit it.

"Auntie, I didn't lie to you, I just took Xiaoxiao to the hospital and then went home." Shen Ning affirmed again and again, with a firm tone.

Li Wanqing looked at her, with sad eyes and an expression of resentment.

Shen Ning was really confused by her seriousness, and didn't understand why she would ask her like this.

"Auntie, is something wrong? Or something happened?" She had a bad feeling that something bad must have happened, and it was related to her.

"Hey." Li Wanqing suddenly sighed heavily, with red eyes, "Ning Ning, I know Zhenting hurt you, our Li family is sorry for you, you don't love Zhenting anymore, this is a fact, we should not force you Those who stayed here originally thought that you and Zhen Ting already had 5 children, and you used to have a relationship foundation, and always wanted to marry you, so that the children would have a complete family. Now it seems that it is I was wrong, very wrong."

She walked away with a dark face and a painful back.

Shen Ning looked at her back inexplicably, unable to figure out what was going on.

She turned around and walked inside, just as she ran into Liang Ruqi.

"Hmph, it's really shameless to eat bad food." Liang Ruqi's face was full of contempt and disdain, and she saw the cold light in her eyes.

Shen Ning suddenly felt a chill down his back, not knowing what happened.

Later, after she took the children back to the bedroom, she wanted the children to study, so she went to the living room to get the schoolbag.

As soon as she passed by, the servants and nannies were talking in a low voice. When they saw her, they all lowered their heads and walked away. The whole air was full of weird breath.

Rao Yajing, on the other hand, was very enthusiastic when she saw her, with a smile on her face.

"Ningning, tell me what you want to eat today, I'll let the kitchen make it for you and the children." She said affectionately, as if the unpleasant things that happened in the morning didn't exist, and there was no shadow on her body at all.

"Thank you, the children and I will eat whatever you eat, there is no need to do anything special." Shen Ning replied full of doubts.

"I was afraid that Zhenting would blame me for not being able to manage this family. I was too negligent. I didn't expect him to love you and the children so much." Rao Yajing said something.

Shen Ning didn't want to say anything more to her, so he took Ke Ke's schoolbag and walked inside, but his whole body was cold.

Chapter 1289: Li Zhenting's strength to protect his wife 16

After staying at home for a while, Shen Ning felt uncomfortable and went to the company.

There are not many things to do in the company, she was busy for a while, and sat in the office in a daze.

This kind of day like frying on the fire is really uncomfortable.

She doesn't want to go to Li's old house anymore!

But obviously, it won't work for the time being, she has already promised the old man, unless she doesn't want five children now, she doesn't have to go...

When she thought of the child, she trembled, and suddenly thought of Lawyer Niu!

It seems that she hasn't contacted him for a long time, and he hasn't contacted her either!

He agreed to help her win the lawsuit.

It was peaceful some time ago, she forgot when she was busy, but now she suddenly felt threatened, Ge Ran thought of him.

Based on her intuition, the members of the Li family may not be friendly to her anymore, even Li Wanqing is not as nice to her as before.

She is not afraid of anything, but what she is afraid of is taking her children away!

She immediately turned on her phone and found Lawyer Niu's WeChat account.

"Lawyer Niu, hello, are you there?" She sent a WeChat message.

Li Zhenting was in a meeting, his phone was turned to silent, and he didn't hear any news.

After waiting for a while, Shen Ning was inexplicably flustered when he didn't hear back from Lawyer Niu.

She paid him a deposit of 10,000 yuan and signed a contract. This lawyer Niu could not have lied to her!

Or maybe they were scared away by Li Zhenting's reputation!

After all, which little lawyer would dare to sue Li Zhenting, the richest man in the imperial capital!

Thinking of this, she became even more flustered. She turned to the contact person and found Lawyer Niu's phone number, and called her directly.

It's strange that she has been with Lawyer Niu for so long, but she has never called him.

We contact each time through WeChat.

In the conference room.

Li Zhenting's phone screen was placed in front of him, and when the call came, the screen lit up.

He glanced casually.

Uh, it was Shen Ning who called!

Why did she call him at this time?

Then I remembered that this number belonged to Lawyer Niu.

But as far as she can remember, she has never contacted Lawyer Niu on her own initiative!

He was so startled for a moment that he almost forgot what he was going to say!

Is something wrong with her? Or did you think of asking him to help her fight the lawsuit again?

Of course, he can't answer this call, otherwise, she will recognize his voice, and it will be fooled.

At the moment, he pressed his phone with a long finger and replied three words: In a meeting.

Shen Ning felt relieved after seeing his reply.

"Sorry to bother you, please contact me later."

After she responded to the message, her heart gradually calmed down, and she decided to find time soon to discuss with Li Zhenting about the custody of the children.

Although he promised her that she would not take the custody of Xixi and Beibei, but it is faster for a man to turn his face than to turn a book, not to mention the unpredictable situation now, it is hard to say!

It must be signed by him to have legal effect.

Of course

If he really agrees, then there is no need to go to Lawyer Niu to file a lawsuit.

But he disagreed, so he had to meet with Attorney Niu as soon as possible to push the lawsuit forward. She must not be passive when it comes to children.

At that moment, she turned on the computer and began to draft the custody agreement for Li Zhenting to voluntarily give up the custody of Xixi and Beibei.

Halfway through the drafting of the terms, Lawyer Niu sent a WeChat message: "Miss Shen, what's the matter?"

Shen Ning picked up the phone, thought for a while and asked, "Are you busy recently?"

"It's a bit busy."

"Is the lawsuit in your neighboring city over?"

"about there."

"Lawyer Niu, do you still remember the matter of helping me with the lawsuit? Our contract has already been signed online." Shen Ning reminded.

"Don't worry, I will remember."

"Okay, then let's find time to meet below, and I will treat you to dinner."

Li Zhenting frowned slightly, and then replied: "Okay."

Shen Ning let out a sigh of relief, and returned him a big smile and a friendly hug.

There is no reply from there.

She let go of the phone and started to work again.

The whole morning, she was drafting the custody of the children, and it was already twelve o'clock after she finished her work.

She stood up and packed up her desk to go back to Li's old house. Xixi and Beibei were going to drink breast milk.

Just as she walked to the parking lot, the phone rang again. She picked it up and saw that it was Aunt Dong calling.

Her eyelids twitched inexplicably, and suddenly thought of Zhu Qixiong.

By the way, yesterday was the day when Zhu Qixiong and Wu Xueying got engaged, how is he doing now, did he go to participate?

She quickly connected the phone.

"Ningning, Master Zhu has already left." Aunt Dong said over there.

"Gone?" Shen Ning was surprised.

"Yes, he should have left yesterday. I went to see Zhang Xiaoxian's parents yesterday and I haven't seen him since I came back."

Zhu Qixiong usually stays upstairs and doesn't come out, and Aunt Dong rarely goes upstairs to bother him. After Shen Ning took the initiative to call and ask about him, Aunt Dong went upstairs to see him after returning home. Unexpectedly, he was gone! Because she came back too late last night, she didn't bother Shen Ning anymore!

"..." Shen Ning was stunned for a moment.

Yesterday was the engagement ceremony of Zhu Qixiong and Miss Wu Xueying. He left yesterday. Does that mean he went back to attend the engagement ceremony?

Isn't he very opposed to getting engaged to Wu Xueying, and he will definitely not give in?

Then why leave?

At present, no one knows that he lives in Shaw's villa, and it is even less likely that someone kidnapped him from her house. If he disappeared, he must have left by himself.

She hissed.

If Zhu Dongjin and Xu Xiangzhi's plot is aside, Wu Xueying is indeed a pretty good girl, and Zhu Qixiong's marriage to her can be regarded as a good match, and it will help him a lot in his current predicament.

Maybe he figured it out and agreed.

However, she was still worried, and still used her cell phone to call Zhu Qixiong. Same as the previous few times, she still couldn't get through.

She sent him a WeChat message, but he didn't reply.

At this point, she had no choice but to give up.

After all, everyone has their own life, as long as he is happy, but it seems unreasonable for him to leave so inexplicably without even saying hello afterwards, but Zhu Qixiong has always been very casual, which is also his characteristic Bar.

She started the car and went back to Li's old house.

I ran into Li Wanqing as soon as I got back.

She was very cold to her, never as close as before, and even a little distant.

Shen Ning obviously felt it, but he couldn't ask anything, so he bowed his head and went into his bedroom after saying hello. Xixi and Beibei were crying and crying. It was time to drink breast milk, and she got busy.

"Now the child can't live without Mommy, and we can't take Xixi and Beibei away forcibly. The child will suffer too much. Keke, Ding Ding and Xiaoxiao are also attached to Mommy, hey." Shen Ning finished feeding the children. Then I went to the refrigerator in the kitchen on the first floor to get some honey, but there was none in the refrigerator, so I had to go to the storage room, but I didn't expect to hear Li Wanqing's voice, with a heavy sigh, when I passed the room of Li Wanqing and his wife.

She froze for a moment.

This is obviously talking about her.

When she heard the names of Xixi and Beibei from her mouth, she couldn't breathe smoothly!
