Chapter 131 Give me money

"Okay, I'll cook the dumplings first." Soon, Shen Ning made a big plate, picked it up and went to the kitchen.

This ward is a top-level VIP room, with a kitchen and a balcony, which is very convenient.

Ding Ding followed like a follower, leaving Li Zhenting alone in the ward.

Li Zhenting sat down and swiped his phone when he was bored.

"Eat dumplings." Not long after, Shen Ning and Ke Ke came out with smiles. Shen Ning held a pot of colorful thin-skinned dumplings and placed them on the small round dining table. Ding Ding climbed up and sat down, and Shen Ning cooked them again. The chicken soup was brought out, and she scooped up a bowl and put it in front of Ding Ding.

"Ding Ding, you're hungry, let's eat first." Shen Ning picked up a dumpling and blew it gently into Ding Ding's little mouth.

Ding Ding took a bite, his mouth was full of juice, and he immediately devoured it.

"Slow down, don't worry, it will burn." Shen Ning was blowing the chicken soup with a small fan while wiping the slight sweat from his forehead. A towel padded his back and sat beside him to take care of him.

Ge Di looked up.

I saw Li Zhenting looking at her with cold and deep eyes.

She pursed her lower lip.

"Auntie, I will eat more in the future." Ding Ding said with a smile while eating.

"Okay." These words made Shen Ning's heart tremble, and pain flashed in his eyes, but the child was in high spirits, and couldn't bear to obey his wishes, so she forced her to agree.

The corners of Li Zhenting's lips curled up with a hint of coldness.

He stood up and walked to the table.

"President Li, do you want to eat?" Shen Ning asked generously.

"Just this thing, can it be delicious?" Li Zhenting looked at it and asked in disgust.

"It's delicious." Ding Ding said next to him.

Li Zhenting snorted noncommittally.

Seeing that he was like this, Shen Ning ignored him, and suddenly brought out a large bowl of clear vegetables from the kitchen as if by magic, and a plate of sweet and sour cucumbers with green leaves and full of fragrance. Can arouse people's appetite.

Li Zhenting really felt a little hungry at this moment.

Originally, he wanted to come and order food delivery from the hotel with them, but the two of them had already eaten, and he was not interested in ordering food by himself.

At this time, Shen Ning sat down and ate by himself.

"Daddy, eat as much as you want." Ding Ding was already a little full, and suddenly raised his black eyes, and stretched out his little hand towards him, "Give me the money."

"What money?" Li Zhenting was taken aback.

"Of course it's food money." Ding Ding pointed to the food on the table.

Li Zhenting's face darkened.

This kid has already blackmailed him a lot of money and gave Shen Ning a lot of money. No matter what he does, he always talks about money, and he has completely become a small money fan.

"She did it for you voluntarily, why should she pay for it?"

"Daddy, why are you unreasonable? Auntie buys vegetables to cook for me. I'm your son. If you don't give it to anyone, do you want Auntie to raise your son for nothing? Are you a man?" Ding Dingke was not ambiguous at all.

Shen Ning pursed his lips and suppressed a smile when he heard the words.

"Hey, it would be embarrassing if people found out that President Li's son had to be raised by other women."

"How much?" Li Zhenting said angrily.

"Not much, ten thousand." Ding Ding opened his mouth and came.

Ten thousand? Just this little dish!

Li Zhenting almost wanted to beat up his own son.

But there is no way, this kid can handle him!

He had no choice but to take out his mobile phone and transfer 10,000 yuan to Shen Ning.

"It's all 10,000 yuan. If I don't eat it back, I will be at a loss." After transferring the money, he simply turned around and went to the kitchen to get chopsticks and a bowl, came out, sat down, and started to eat.

Not to mention, the dumplings and chicken taste really good in the mouth, neither salty nor bland, especially the cucumber and the green vegetables fished out of the chicken soup are simply delicious and suit his appetite.

Eating this familiar meal, he was a little dazed for a while.

Six years ago, he ate the meals she cooked every day, and he didn't feel very good at that time.

But later, after she'd died, he could no longer eat the meals she cooked. He ate food cooked by five-star hotel chefs every day.

Several times, in his dream, he still missed this taste.

The current Shen Mei can't even cook, and Ding Ding is still relying on him to cook, holding chopsticks at this time, feeling very complicated.

Chapter 132 There is an important party tonight

"Boss Li, starting tomorrow, I have to go back to work in the company, and I can only stay with Ding Ding for three hours every night." After eating, Shen Ning spoke lightly.

She has been with Ding Ding in the hospital for almost a week, and she has to go back to work, and there is no further delay.

Li Zhenting was stunned for a moment, and looked at Ding Ding. Obviously, Shen Ning had already done his ideological work well, and the little guy was very calm.

So, he nodded.

the next day.

Shen Ning finally returned to Gu Qi to work.

"Mr. Shen, there is an important dinner party tonight. The party is an innovative company. They hope that our company's legal representative can attend, saying that it is a respect for them." She had just finished dealing with the pile of things, and Secretary Li came to report.

Shen Ning froze for a moment.

She really doesn't like this kind of dinner party.

Besides, she hasn't been home for many days, and she still wants to go back early today to see Xiaoxiao and Keke.

"Mr. Shen, the company sent marketing manager Yan Zexiong and public relations manager Ji Hongmei to go there. Manager Yan repeatedly told me that this dinner party is very important, so please be sure to participate." Secretary Li understood her thoughts and sighed. But the company is in the development period at this time, and some entertainment is essential.

Shen Ning suddenly smiled: "Okay, I will participate."

Secretary Li nodded and smiled slightly, and backed out.

Shen Ning was busy all day, but even so, she took time out to call and send a video to Ding Ding in the ward, telling him that she had a party tonight and would go back to accompany him later.

When it was time to get off work, Shen Ning went to the bathroom to wash his face with cold water, put on light makeup, took a short rest, picked up his bag and walked outside.

"Have you read the newspapers, President Li and Shen Mei's engagement date is set on the National Day, and it's only been over a month. Shen Mei finally watched the sun rise as the clouds opened."

"What's so strange, Shen Mei gave birth to a pair of lovely children for Mr. Li, and it is reasonable for Mr. Li to marry her."

"Hey, Shen Mei's life is really good. Gu Qi loses money every year. She doesn't have to worry about anything. Anyway, Mr. Li is behind her back. She lives a life of spending money like dirt every day, so women still have to marry well." good."

"Of course, otherwise, why would every woman want to marry Prince Charming? Look at the current Shen Ning, who is poor and miserable. It is said that she and Shen Mei are sisters. One is in the sky and the other is in the ground. No comparison, the key is that even if Shen Ning is a cow, he may not be able to develop the company. I heard that Gu Qi is still getting a loan from the bank. If she doesn't succeed in three months, she will have to go bankrupt. Oh, this woman, if there is no man behind her, it will be really difficult."

...

Shen Ning listened expressionlessly.

Shen Mei lived in Li's family six years ago, and she just waited for her engagement until now. Sure enough, the wealthy family is deeply rooted in the sea.

Of course, there is nothing more than a piece of paper between her and Li Zhenting, which is no different from getting married.

"Mr. Shen, hello, let's go, the car is already waiting at the door." She walked out slowly, and the discussions immediately fell silent, at this time Yan Zexiong greeted him with a smile, very respectful.

Shen Ning nodded and walked towards the elevator, taking out his mobile phone to call home while walking.

"Mommy." Xiaoxiao answered the phone, her voice was soft and sweet.

Shen Ning wanted to fly to the children.

"Xiao Xiao, Mommy won't be home until ten o'clock tonight. If you and Ke Ke are sleepy, go to bed early, and Mommy will take you to the kindergarten tomorrow." She told her gently.

This week, she has been taking care of Tintin in the hospital. She is very concerned about Ke Ke and Xiao Xiao, and feels guilty.

Chapter 133 Come, let me toast you!

"Okay, Mommy, you have to be careful, do you want my brother to pick you up?" Xiao Xiao asked very sensibly.

Shen Ning smiled: "No need, Mommy will go to accompany Ding Ding for a while at night, and then take a taxi back. Take care of yourselves and go to bed early."

"Okay, Mommy, I love you." Xiaoxiao smiled.

"I love you too, remember to go to bed early." After Shen Ning finished speaking softly, she hung up the phone with a warm smile on her lips.

"President Shen is married? How old is the child?" She had just walked into the elevator, when she raised her eyes, Yan Zexiong was staring at her naked, with a charming smile on his face.

Shen Ning frowned, stood in the corner of the elevator, and did not answer.

This Yan Zexiong, with his small eyes full of cleverness and calculations, looks quite sinister, and she doesn't like it very much.

Gu Qi used to belong to her mother's company. When she was very young, she came here. At that time, all her mother's subordinates were very friendly to her.

But now so many years have passed, the original veteran is long gone, and the current staff are all recruited by Shen Mei.

Don't say that they are all Shen Mei's confidantes, but at least they are not the ones she trusts.

Just like this Yan Zexiong, who is so gloomy and unpredictable, who knows if it is a human or a ghost!

But she has only taken over the company for a few days now, and she has encountered Ding Ding's illness again, so it can only be like this temporarily.

In the charming and luxurious big box.

When Shen Ning and Yan Zexiong rushed over, the manager of the public relations department had already ordered a table of sumptuous Yan banquets.

On the main seat of the box was a middle-aged man wearing gold-rimmed glasses, with a protruding head and a big belly. As soon as Shen Ning came in, his eyes lit up, and his eyes fell directly on her.

"Mr. Shen, let me introduce you. This is the vice president of the American Innovation Company. The Chinese borrow Lai Hongyu, Mr. Lai." The public relations manager Ji Hongmei immediately introduced Lai Hongyu to Shen Ning with a smile on her face.

"Mr. Lai, hello, welcome."

Shen Ning showed a reserved and decent smile, and stretched out his hand to him.

"Mr. Lai, this is Mr. Shen, the legal representative of Gu Qi." Ji Hongmei immediately introduced Shen Ning to Lai Hongyu.

"Mr. Shen, hello, hello."

Lai Hongyu immediately stretched out his big palm and grasped Shen Ning's little hand, holding it tightly, his small eyes burst out with fine light, and praised him greatly:

"President Shen is really a great beauty, intellectual and elegant, one of the most beautiful oriental women I have ever seen."

While speaking, the big palm wrapped Shen Ning's little hand and rubbed it vigorously.

The smile on Shen Ning's face froze, and a sense of nausea spontaneously arose.

"Where, where." She forced a faint smile, and withdrew her hand forcefully.

Lai Hongyu graciously opened the chair for her and made a gentle gesture of invitation: "Miss Shen, please sit down."

Shen Ning sat down hesitantly, but felt uncomfortable all over, as if sitting on pins and needles.

This Lai Hongyu is obviously a master of the wine market, so he is not easy to deal with.

While she was thinking, Yan Zexiong and Ji Hongmei started toasting in turn.

Lai Hongyu was in high spirits and never refused to come.

Shen Ning thought that when he was almost done drinking, she would withdraw after she made a few more symbolic toasts, but this Lai Hongyu had an amazing capacity for drinking, and after a few drinks, his interest became more and more high, and a pair of amber eyes stared at him from time to time. Looking at Shen Ning, there was a wolf-like night light in his eyes.

Shen Ning's heart sank.

She doesn't usually drink much, but facing a veteran like Lai Hongyu at this time, she is basically powerless.

"Mr. Shen, it's rare to find a young, beautiful, ambitious, and drinkable woman like you." Lai Hongyu leaned closer and closer to her, picked up a glass full of white wine on the table and salivated with a smile, flattering: "To show my admiration, come, let me toast you."

Shen Ning slowly had to pick up the wine glass and clink it with him, and after saying a few polite words, he drank the wine under his gaze.

Drinking a glass of wine, I felt like my stomach was on fire.

Chapter 134 I got tricked

"Haha, Mr. Shen is refreshing." Lai Hongyu gave her a thumbs up.

Shen Ning moved his body outside vigilantly, kept a certain distance from him, took a few sips from the water glass, and took the opportunity to spit out a lot of wine.

"Mr. Shen, come, I would like to toast you again. I wish us a happy cooperation." Lai Hongyu poured another full glass while still enjoying the wine, and raised his glass to Shen Ning.
this time.

Shen Ning just sat down and didn't go to get the wine glass.

Lai Hongyu's hand stopped in mid-air.

"What's the matter? Mr. Shen, don't you even want to give me the face of a glass of wine, or am I not qualified to rely on someone?" Lai Hongyu's face darkened, and he suddenly pressed the wine glass in his hand to her lips, and his upper body approached overwhelmingly.

Shen Ning clenched his fingers tightly and pursed his lips, wanting to scratch his fat face.

"Miss Shen, I especially like the gentleness and classic beauty of oriental women. If Miss Shen can satisfy me, I promise to sign a contract with your company and make your perfume sell well all over the world." Seeing that Shen Ning didn't dare to move, Lai Hongyu jumped. He became more and more bold, breathed out the smell of alcohol, put his lips close to her ears to express his intentions without hesitation, and touched her body restlessly with his hands.

Shen Ning's anger surged to the top of his head.

How unreasonable!

For such a large international company to be controlled by such scumbags, is there any law in this world!

With a "snap", she slammed her hands on the table and was about to get angry, but suddenly found that Yan Zexiong and Ji Hongmei, the manager of the public relations department, were no longer in the box.

Only Lai Hongyu and her were left in the whole Nuoda space.

Her face changed color, realizing that she had been tricked tonight, and immediately picked up her phone and sent a message to Coco, sending him the address.

This is an agreement between her and Ke Ke, if she is in danger outside one day, she will send him the address and ask him to call the police immediately.

"Beauty, you have a strong temper, but I like it." When Shen Ning was about to stand up and leave, Lai Hongyu's big fat palms pressed heavily on her shoulders, forcing her to sit down, fingers clenching her chin tightly, she salivated with a smile: "Little beauty, as long as you accompany me well tonight, I will never treat you badly."

After speaking, the greasy lips were about to nibble on Shen Ning's face.

"Bastard, scoundrel." Shen Ning was furious, and the five fingers of his right hand grabbed his face fiercely.

In an instant, Lai Hongyu screamed, his face was all blooming.

"Damn it, bitch, shame on your face." The vicious man slapped Shen Ning **** the face.

Shen Ning was beaten so hard that his eyes dazzled and he became dizzy.

"I told you to toast and not eat fine wine." Lai Hongyu suddenly grabbed Shen Ning's hair and pulled it back, picked up the wine bottle on the table and poured it straight into her mouth.

Shen Ning gritted her teeth tightly, the wine flowed down her lips along her snow-white neck towards her chest, and gradually, it got wet on her clothes...

Lai Hongyu's eyes are getting bigger and bigger, and the eyes are full of excitement...

"Beast, let me go." Shen Ning was quickly laid down on the sofa by Lai Hongyu. Lai Hongyu put one knee on her stomach, lowered his head, salivated and smiled, stroking her face with his big hands, and rubbing his fingers along her neck. It went down, and finally landed on her chest. The fat fingertips picked up the clothes on her chest, and the green light was shining in her eyes.

"Little beauty, don't be afraid, I will make you want to die soon, as long as you are obedient, Gu Qi's glory will be wrapped in me in the future, and I will let you enjoy endless glory and wealth." Lai Hongyu The green light in my eyes is getting stronger and stronger...

Chapter 135 Thank you for saving Mommy

"Open the door." At this critical moment, suddenly, the sound of kicking the door came from outside, getting louder and louder.

"Who?" Lai Hongyu turned his head away, his eyes were scarlet.

"Quick, hit me." A childish and domineering voice of a little guy came from outside.

Shen Ning, whose face was ashen, was shocked suddenly. Isn't this Tintin's voice!

"Ding Ding." She shouted excitedly, taking advantage of Lai Hongyu's distraction, desperately pushed him away and crawled towards the door.

"Bitch, you actually called a kid to save you, do you think you can escape my clutches?" Lai Hongyu sneered disdainfully, and kicked Shen Ning hard in the abdomen.

Shen Ning was so painful that cold sweat broke out on his forehead, his face was pale, and his body curled up into a ball.

At this moment, the door was quickly kicked open with a bang.

I saw Xiao Ding Ding walking in in a small suit and sunglasses, followed by two tall and mighty Baobiao!

"Mom, auntie." As soon as Ding Ding came in, he saw Shen Ning lying on the ground, his face changed color, and he immediately ran towards her with a loud cry.

Lai Hongyu never expected that this little guy also brought two fierce Baobiao, and now he saw the face of the two Baobiao changed color.

"You beat me so hard that the **** out of him." Ding Ding was so angry at Mummy's tragic situation that his teeth cracked, he stood up suddenly, put his hands on his waist, and roared loudly.

Two Baobiao rushed towards Lai Hongyu.

...

Not long after, the police rushed in.

...

"Mum, how are you? Does it hurt?" In the luxury car, Shen Ning was lying on the bed, his face pale, and Ding Ding was kneeling beside her, stroking her belly with his small hands, crying with distressed voice.

"It doesn't hurt anymore, Ding Ding, thank you for saving Mommy." Shen Ning protected her stomach with one hand, held Ding Ding's hand with the other, and smiled gratifiedly.

What could be happier than being saved by your own son! She felt that even death was worth it!

"Mum, I'm sorry, I'm late." Ding Ding pouted, "If the two Uncle Baobiao were not too cowardly, I would definitely beat that villain to death tonight."

Shen Ning smiled: "Ding Ding, we can't beat the bad guys to death, it's against the law, the bad guys have their own police to deal with them, and the law will punish them severely, we need to understand the law and protect ourselves. You can't compare with those bad guys, you know?"

She gasped for breath after speaking!

"Okay, I'll listen to you." Ding Ding nodded, but he was still very wronged, "But they beat Mommy, and they beat them so hard, I'm so angry."

"Mommy is fine, you can't call me Mommy when you get to the hospital." Shen Ning tightly held Ding Ding's little hand and told her, smiling and closing her eyes.

Ding Ding's eyes are red.

Li Zhenting knew that Ding Ding's trouble with Mei Sei was a call from Baobiao when he just walked out of the office and was about to go back to the hospital.

"Mr. Li." Baobiao Wang An jumped out of the car, "Miss Shen is injured, I'm afraid she needs to be checked by a doctor."

"What's going on?" Li Zhenting frowned tightly.

Baobiao then told what happened.

It turned out that Ding Ding was restless tonight, and his mother had to work overtime. He couldn't sit still, so he called Li Wanqing and said he was going to pick up his aunt.

After hearing this, Li Wanqing immediately equipped him with two Baobiao and took him to pick up Shen Ning. Unexpectedly, as soon as he arrived at the door of Gu Qi, he received a call from Ke Ke.

Ke Ke solemnly told him over there that Mommy was in danger, and asked him to take Baobiao to rescue Mommy immediately, then sent him the address and told him to call the police!

Chapter 136 This little **** is doing bad things

Ding Ding's heart was pounding when he heard it, but fortunately, Mei Se was not far from Gu Qi, so he immediately gave the address to Uncle Baobiao Wang, and then rushed over in time.

Shen Ning was sent to the emergency room of the hospital.

"What should I do? My face is also swollen. It's so hot." When Li Zhenting came to the ward, Ding Ding was lying in front of Shen Ning with his little **** up, blowing on her red and swollen cheeks with his small mouth. Crying and talking.

Shen Ning had five clear finger prints on half of Shen Ning's face. His face was swollen very high, and even his eyes were narrowed.

When Li Zhenting walked in, even he was startled.

At this time, Shen Ning's clothes were messy, his hair was sticky and wet, and he was in a panic.

And her face was swollen like a steamed bun. According to Baobiao, she was kicked in the abdomen.

"Shen Ning, why are you with a scum like Lai Hongyu tonight?" Li Zhenting's eyes were stern.

"I..." Shen Ning looked at the cold man standing in front of him, his fingers tightly clutching the clothes on his chest, and he fainted completely after saying the word 'I'.

"Auntie." Ding Ding burst into tears.

Li Zhenting immediately called the doctor. After the doctor checked and confirmed that everything was fine, he turned and walked out with a gloomy face.

"Let go of me, or I will let the headquarters sanction you and make you go bankrupt immediately." In a small dark room, Lai Hongyu roared loudly.

Li Zhenting kicked open the door and walked in.

"Who are you?" Lai Hongyu's eyes widened with a fierce look.

The man in front of him was full of gloomy eyes, and his whole body was filled with gloom. He stood in front of him like a mountain god, with a domineering and domineering aura that belonged to him alone.

He flinched instantly and shrank his neck, but he didn't react yet.

Ge Di

The man flew up and kicked him hard in the chest.

He was kicked and flew to the wall, bounced back and fell to the ground, blood spurted from his mouth, covered his chest with his hands, curled up into a ball, and looked at him in horror.

"This is your punishment for hitting a woman." Li Zhenting shouted in a deep voice.

Lai Hongyu immediately felt the breath of death, and trembled all over his body.

In the luxurious guest room here.

Lan Feiyun was out of breath.

"What did you say? Ding Ding went to save Shen Ning?"

"Yes, he brought two Baobao." A middle-aged man with beards nodded.

"Damn it." Lan Feiyun gritted his teeth angrily, "This little **** does all kinds of bad things, it's really worth raising him."

She thought that tonight would be successful, that Lai Hongyu would definitely sleep with Shen Ning, and that Shen Ning would be destroyed tonight, but she didn't expect that a five-year-old child would come out of nowhere and disrupt the plan.

"Mrs. Shen, President Li is reviewing Lai Hongyu right now." The middle-aged man reminded immediately.

"Ah." Lan Feiyun took a few steps back in fright, his face turned pale, "Hurry up, go over and have a look, call Yan Zexiong and Ji Hongmei over, be sure to pour dirty water on Shen Ning's head, never The goal cannot be leaked, and there will be a big reward after it is accomplished."

"Okay." The middle-aged man took the order, turned and left.

Lan Feiyun slammed the pillow on the ground.

Sure enough, that **** Shen Ning's lucky star shines brightly, and it's not that easy to get rid of her.

Little black house.

"Say, why are you planning on Shen Ning tonight? What exactly do you want to do?" Li Zhenting stepped on Lai Hongyu's chest and shouted angrily.

Lai Hongyu's mouth was full of blood bubbles, and his eyes were starry.

"I, I..." Just as he was about to say it intermittently, suddenly, the door was pushed open, and two people ran in panting.

Li Zhenting took a closer look, it was Yan Zexiong and Ji Hongmei, manager of the public relations department.

He flashed a cold light, and stared at them fiercely with Yin Zhi's eyes, and shouted: "Where did you go tonight? What's going on with all this?"

Chapter 137 You said Shen Ning took the initiative to seduce Lai Hongyu?

"Mr. Li." Yan Zexiong immediately bowed with a smile on his face, faltering, "I..."

"Say it."

"Li, Boss Li." Yan Zexiong's small eyes dodged, "We are here with Manager Shen today, and she told us to do everything possible to get Boss Lai out. Then, she kept drinking Boss Lai and seducing him. ...finally signaled us to leave..."

"You said Shen Ning took the initiative to seduce Lai Hongyu?" Li Zhenting narrowed his eyes dangerously.

"Yes." Yan Zexiong was cautious, with a look of embarrassment on his face, "But Mr. Li, you can't blame Mr. Shen for this matter, after all, she is also for the company's business."

"Nonsense." Li Zhenting's eyes burst into anger. Although Shen Ning's return this time is indeed a bit abnormal, she will never be a person who betrays her appearance. After all, she has been her husband for several years, and she still understands her character. .

Yan Zexiong cried and said: "Mr. Li, we don't want to believe it, but Manager Ji and I have been there from the beginning to the end. Look, this is the photo we took."

He opened the phone's photo album, and sent pictures of Shen Ning actively seducing Lai Hongyu to Li Zhenting.

Li Zhenting's eyes shone with a cold light.

"Ah, isn't this Mr. Lai? What's wrong with him?" At this time, Ji Hongmei saw Lai Hongyu who was curled up on the ground and humming in pain, and immediately walked over to help him up, and asked with concern.

Lai Hongyu cursed: "You Mr. Shen seduced me, and you beat me up like this. Tell you, there is no way to cooperate. This time I will let Gu Qi go bankrupt, and let that **** never stand up again."

"I'm sorry, I'm sorry..." Ji Hongmei hastily apologized with a bitter face.

Then the police came in.

Lai Hongyu was carried out.

"President Li." Dui Wang looked at Li Zhenting.

Li Zhenting's face was gloomy: "Team Wang, this incident has no real consequences, so let's forget it."

He shook hands with Wang Dui and walked out after a few words of greeting.

The night was dark.

Exit of the hospital.

Shen Ning walked out unsteadily.

Ding Ding has fallen asleep, she has to go home.

Tonight, she promised that Ke Ke and Xiao Xiao would come home.

Besides, she even sent a message to Coco before the accident. She was worried that the children would not be able to sleep at home, and she was even more worried that they would come out to look for her because they were worried about her.

She was not sick at first, and the doctor let her go after checking that the injury was not serious.

On the street, she walked with her head bowed, her thin figure lifted by the street lamps, making her slender, weak and lonely.

Until this moment, she didn't understand how dark this society is and how bad human nature is!

There is no doubt that she was set up tonight!

Yan Zexiong and Ji Hongmei must be Shen Mei people!

They want to join forces to destroy her!

Her cold eyes were bloodshot, it seems that Gu Qi should rectify!

The night was dark.

Ke Ke and Xiao Xiao sat on the sofa with red eyes and pursed mouths.

Ding Ding has sent them the video.

They saw Mommy, and Mommy was so badly hurt, beaten by a man.

It's really disgusting, there are still people who dare to beat Mommy, they want to avenge Mommy!

Ke Ke wanted to rush out several times, but was held back by Aunt Dong.

Aunt Dong is Shen Ning's nanny for Ke Ke and Xiao Xiao!

When Shen Ning made the decision to take care of Tintin, he thought of hiring a nanny to take care of Ke Ke and Xiao Xiao.

That day, Lan Feiyun enthusiastically told her that they had already moved out of the white villa and asked her to move back.

Shen Ning took someone to check, and there, she met Aunt Dong.

Aunt Dong used to stay with her mother Shao Meiqi and take care of her. Later, Shao Meiqi gave her two rooms on the top floor of that villa for her retirement. It was notarized at that time and had legal effect. Therefore, she has been living in the house all these years. There.

To put it bluntly, living there was also used as a nanny for Lan Feiyun. These years, life has been very aggrieved.

When she saw Shen Ning, she was so excited that she hugged her and called her Missy, tears streaming down her face.

After exchanging pleasantries and understanding the situation, Aunt Dong must come to take care of Shen Ning and her children. It happened that Shen Ning was also planning to hire a nanny. Of course she was happy to have someone as close as Aunt Dong, so she took her home. She was also paid a high salary.

Chapter 138 You have to be careful with these people

"Mommy, where are you? That bad guy beat you so badly, right? I'm going to kill that bad guy."

"Yes, Mommy, I'm going to kill that stinky **** too."

After a while, the phone in Ke Ke's hand rang, and it was Shen Ning calling. He immediately stood up and turned on the speakerphone, and asked loudly, Xiao Xiao also echoed angrily.

Shen Ning sat on the small stone chair downstairs in the apartment, looked at the lights in his home, smiled slightly, and replied softly: "Ke Ke, Xiao Xiao, Mommy is fine, and Mommy has to stay with Ding Ding for a while, you guys Go to bed early, don't worry about Mommy, Ding Ding is the young master of the Li family, he has Baobiao, and will protect Mommy."

...

"Okay." Ke Ke and Xiao Xiao couldn't see that Mommy didn't want to sleep at all, but Mommy still wanted to accompany Ding Ding, so they had no choice but to agree.

Moreover, they were so sleepy at this time that they couldn't even open their eyes.

Shen Ning hung up the phone and looked upstairs until the lights at home went out before she dared to stand up and walk towards the house.

"Miss, why is your face swollen like this? Who hit it?" Shen Ning quietly opened the door and walked in. Aunt Dong brought hot water for her and looked at her choked face and asked.

"Shh." Shen Ning hissed softly, "Don't let the children see it, otherwise, they will make a fuss."

Aunt Dong nodded, her eyes were red: "You are in such a difficult situation now, if your mother knows about it, I don't know how much it will hurt."

Shen Ning had a sore nose and lowered his head.

"By the way, miss, a few days ago I saw your aunt, that Wu Lili, went to Shen's house in the middle of the night to look for Lan Feiyun's mother and daughter. You have to be careful of these people, none of them are good people." Aunt Dong remembered that when she went out to throw out trash that night, she happened to meet Wu Lili happily walking out of Shen's house, and she felt bad at that time, so she immediately reminded her.

Shen Ning pursed his lips, his eyes were cold and stern: "Yes, they are a nest of snakes and rats, and they have been colluding together for a long time."

"It's horrible, these scumbags. By the way, Miss, I went to see your grandmother a few days ago. She was not in good health. She said a lot with tears that day. According to the information I got, now Shao The internal strife is very serious, your uncle and uncle fight all day long for the little family property, they don't care about the business at all, your grandma sees it and is anxious, and dare not hand over the family property to them."

Aunt Dong spoke angrily again,

"I think it's because your second uncle married that woman Wu Lili. That woman dresses up like a fairy all day long. How could she love your second uncle, a half-old man? It's clearly for his money. Your second uncle is really a lake, the former second uncle's wife was so good, but he didn't know how to cherish it, hey, what a pity."

Aunt Dong was an orphan who was taken in by Jun Meizhen since she was a child. She grew up in Shao's and was very grateful to Jun Meizhen. Later, Jun Meizhen was worried about her daughter Shao Meiqi, so she volunteered to follow Shao Meiqi to Shen's house.

Shen Ning shed tears when he heard this, he was very preoccupied.

She originally planned to take Keke and Xiaoxiao to visit her old man after Gu Qi settled down. After all, taking back Gu Qi's ownership is considered good news, but she didn't expect that in just a few days, things happened one after another. Right now, she can't take care of herself, and she doesn't have the energy to take care of her old man.

"Hey, it's true that the Shaw Brothers used to be as prosperous as they were in the past, but now they are as miserable as they are. The so-called predecessors are not as strong as the future generations. That's probably the case." Aunt Dong sighed while wiping the wound on her face lightly.

Shen Ning was silent.

the next day.

Gucci Perfume Group.

Chapter 139 I am giving you a chance now

"Manager Shen is really shameless. He even seduced Boss Lai at the wine table last night. He really did everything for profit."

"There are even more extreme things. I heard that she used to work as a lady in a nightclub. I don't know how many men she has seduced. Like Mr. Lai who has money and power, she will definitely not let it go."

"Tsk tsk, how disgusting."

...

In order to prevent Ke Ke and Xiao Xiao from seeing the injuries on her face, Shen Ning asked Aunt Dong to send them to the kindergarten, while she went out early in the morning and came to the company. As soon as she arrived at the company, she felt that the atmosphere was weird, and many employees were using strange He looked at her with contempt and disdain, and their discussions were quite loud, so it was obvious that they had no intention of avoiding her.

In just one night, her reputation was already rotten in the company.

Of course, this is because someone deliberately hacked her behind her back.

The water in the workplace is really deep!

"Liu Huiyun, Qiu Meili, you two have been fired." She didn't intend to bear it, kicked open the half-closed door of the office, and said expressionlessly, "Please go to the financial settlement immediately, resign and leave."

The faces of the two women who were chewing their tongues changed color, and they stood up abruptly.

"Manager Shen, why do you want to fire us? Is it due to our dereliction of duty?" They asked questions almost at the same time, their tone arrogant and unwilling.

Shen Ning sneered: "I'm giving you a chance now to leave decently. If you don't leave, embarrassment will only come later."

"Dream, we won't leave." Liu Huiyun waved his hand and shouted angrily, "Why do you want to fire us? Just because we said bad things about you? If you have the ability, don't do those shameful things, do Don't be afraid of what people say, I'll tell you, as long as we don't make any mistakes in our work, you have no reason to fire us. The labor law is there. Don't think that you can do whatever you want by using tricks to win the shares of Gu Qi."

"Are you really going to follow the labor law?" Shen Ning sneered, "You have to think it over, don't regret it."

"What are you regretting? We didn't make a mistake!" Qiu Meili's eyelids were twitching, her tone was strong but a little unconfident.

"Okay, then you all come with me, I will convince you." Shen Ning turned and walked towards his office.

In any case, Gu Qi can no longer allow these smoky villains to do evil!

Today, hitting a snake will hit the sore spot!

Let's make a show of authority before we talk!

Liu Huiyun and Qiu Meili looked at each other and nodded. They followed Shen Ning to the office in a bully manner at the same time.

But after only a few minutes passed, their faces changed color and they were in a panic.

"Mr. Shen, I'm sorry, we were wrong, we shouldn't have believed rumors and scolded you, please forgive us." The two of them began to beg for mercy, with cold sweat dripping from their foreheads.

"This is not the reason why you scold me or not, but a legal issue." Shen Ning remained expressionless.

"Yes, yes, then Mr. Shen, please forgive me. There are old and young in my family." Liu Huiyun began to cry, and Qiu Meili also wiped away tears.

Shen Ning didn't want to make extra troubles. After all, the company is short of funds and there is not much time left for her. The perfume must be launched as soon as possible.

It would be best for these cockroaches and mice to leave as soon as possible, she has no time to play tricks with them.

"Then you guys should take the initiative to write the resignation letter. If you write it, I will let you go." She said decisively with a cold face.

"OK, I'll write, I'll write."

The faces of the two were ashen, and they were busy writing their resignation reports.

A sneer of disdain floated on the corner of Shen Ning's lips.

It turned out that during this period of time, Shen Ning had been collecting evidence of some unsafe employees in the company. Secretary Li was originally Shen Mei's confidant and had mastered many secrets. She sorted them all out to Shen Ning.

Shen Ning came in early in the morning and saw these two women gossiping. These two women are cashiers, and they have definite evidence of corruption and fraudulent accounting. This is of a very serious nature. She has long wanted to fire them. , Get rid of them immediately.

Next, she will speed up her plan.

Chapter 140 She still dares to go on a date

The suburban farm of the imperial capital.

Shen Ning braved the scorching sun and walked on a mountain road for more than two miles before reaching a farmland.

In the farmland, a middle-aged man wearing a straw hat is busy.

"Uncle Marley." Shen Ning called while standing on the ridge of the field.

Marley straightened up.

On the field ridge, a young and beautiful girl was calling his name.

Who is this girl?

He hurriedly walked towards the field ridge.

"Uncle Marley, I finally found you." Shen Ning looked at the muddy Uncle Marley with moist eyes.

"Ah, you are Ning Ning, you are so tall and beautiful, like, more and more like your mother." After getting close, Marley recognized Shen Ning at a glance, and was very excited.

Marley is Gu Qi's veteran leader. When Shao Meiqi was still there, he was her right-hand man. Since Gu Qi was taken away by Shen Mei's mother and daughter, he was forced to leave there.

When Shen Ning was young, Shen Ning often went to Gu Qi to play, and Marley often teased her and treated her very well, so she knew him.

"Uncle Marley, I have had a hard time finding you." Shen Ning was also very excited. In order to find Uncle Marley, she went to the archives to search for the information herself. After searching for a day, she found an address, but when she rushed over , he moved away a long time ago, and there has been no news since then.

Then she found an old phone number in the old reference room and called it. Although she didn't find Marley himself, she also found the address of his hometown through that phone number. Then she rushed over and finally found his family. , and then through the family to find here.

"Ningning, what can you do with your uncle?" Marley asked kindly.

"Yes." Shen Ning nodded, "Uncle Marley, you must go back to Gu Qi to help me."

"Back to Guqi?" Marley's eyes dimmed, and he shook his head.

Shen Ning knew that he had something on his mind, so he immediately told him about the recent situation.

His eyes lit up when he heard it: "Ning Ning, you took Gu Qi back?"

"Yes, but now the company is facing many difficulties, you must help me, otherwise, the company will have to go bankrupt in three months." Shen Ning expressed his thoughts.

"Okay, let's go right away, uncle will help you." Marley agreed with excitement on his face, and he was so excited, "Great, Mr. Shao's daughter is finally back, Gu Qi is saved now."

Shen Ning was very happy.

Li's Castle.

Shen Mei sat in front of the makeup mirror humming a song, in a very beautiful mood.

Shen Ning's reputation is already rotten!

She turned on her phone just now, and the matter about Shen Ning's seduction of Lai Hongyu last night has already rushed into the hot searches, and all kinds of slander and slander rumors against her are flying everywhere.

Although Shen Ning was saved last night because of Ding Ding's appearance, Shen Ning is under a lot of pressure now. Can a woman with bad character and morality succeed in starting a business? Will the customer buy her order? Will the above block her?

It's all possible!

If she can't stand it anymore, she will leave the imperial capital with the two wild species, which is a good consequence.

Sure enough, the **** is still old and spicy!

Mom's shot effect is not the same!

She dressed up, took her handbag and went out.

In the hospital.

It was almost eight o'clock when Shen Ning rushed over. Ding Ding couldn't see Mommy, worried that she would be harmed again, so he didn't eat or drink medicine, and just sat there pouted and very unhappy.

Li Zhenting's face darkened.

"Don't you know that Ding Ding is still sick? How could he have the heart to be late? He didn't even care about being sick last night in order to save you." Looking at Shen Ning who was sweating profusely, his tone was very serious.

Just now he has called Gu Qi to confirm that she is not working overtime or socializing. There is only one possibility, and that is to go on a date with Jing Chenxi.

As far as he knows, Jing Chenxi does have a date at the Liuguang Coffee Shop at 7:00 tonight!

This woman has such a big heart. After such a big incident happened last night, she dared to go on a date, right? She was looking for comfort!
