Chapter 1311: Li Zhenting's powerful wife 38

"What about you? Did Boss Li take good care of you?" Aunt Dong was obviously concerned about this issue the most.

Shen Ning glanced at Li Zhenting who was sleeping on the bed in the room, his face was inexplicably hot.

"It's okay." She replied in a low voice.

"That's good." Aunt Dong breathed a sigh of relief, and suddenly lowered her voice and said, "Ning Ning, I saw Young Master Zhu this afternoon."

Zhu Qixiong?

Shen Ning was startled.

"Where is he?" she asked immediately.

"Ningning, he is standing under the fence outside the yard, next to a big tree. I didn't know it at first, but when I went out to take out the trash in the afternoon, I accidentally saw a young man standing under the big tree. Looking straight at our house, in the direction of your bedroom, motionless, I was shocked and thought it was a thief, but after a closer look, it turned out to be Young Master Zhu, at first I thought it was a mistake, I rubbed my eyes a few times to make sure I saw it right."

"Then did you go up to call him?"

"But he saw me in time, and before I could go up to greet him, he turned and left, and I couldn't get past him."

Aunt Dong was a little dissatisfied. After staying here for a few days, this kid actually saw her leave without even saying hello. He had no manners at all, and he didn't even say anything to Shen Ning, causing her to look for him everywhere. What a young man!

Shen Ning was silent.

After a while, she hung up the phone and started calling Zhu Qixiong's cell phone. This time the phone rang, but it only rang three times before hanging up.

When she called again, the phone was already turned off.

What happened to Zhu Qixiong? Why is he avoiding her?

She put down her phone, puzzled.

In the current situation, if she goes to him again, Li Zhenting will definitely not allow her to go out.

As for Zhu Qixiong, she had nothing but guilt at this moment!

"Ning Ning, who are you calling?" Suddenly, a strong arm wrapped around her and pinned her into a strong chest. The heat from Li Zhenting's body surrounded her, as if to melt her.

"No." Shen Ning answered in a low voice.

Ge Di

She turned sharply and turned her head back, lowered her head and bit Li Zhenting's arm, biting hard, her teeth were chattering.

"Ouch, are you a cat?" Li Zhenting said hurriedly in pain.

But Shen Ning closed his eyes, regardless, just biting the muscles of his arm fiercely and not letting go.

Li Zhenting clenched his teeth, even if she bit his arm and could touch her skin, he would not be willing to push her away, but let her bite.

After a while, the strength of Shen Ning's teeth weakened, and he loosened the muscles in his arms, but still lowered his head.

Li Zhenting touched her chin with his palm and lifted it up, only to see tears on her face.

His heart skipped a beat.

Suddenly, he hugged her tightly in his arms.

"Ningning, don't worry, I will treat you and the children well in the future, unless I die."

He hugged her into his arms, stroked her head, his bright eyes were firm.

Shen Ning leaned on his chest and wept.

Unknowingly, they came together again, the gears of fate never seemed to separate them, but never treated her kindly.

She doesn't know what will happen in the future, but now she is very weak, and she doesn't know how to go on, venting and biting him is just consuming the confusion and anxiety in her heart.

but.

She can clearly see her own heart.

She is still in love with him.

What can she do for love and children?

At this moment, she only had this man in her mind, and in her whole life, she had only loved this man!

"Ningning, don't cry, trust me." Li Zhenting carefully held her face, wiped away the tears on her face, hugged her by the waist with a pair of big hands, and walked towards the bedroom.

Chapter 1312: Li Zhenting's powerful wife 39

Li Wanqing came back after receiving an old friend of the Li family, feeling depressed.

Today, the old man's cough became much heavier, and his body is getting worse day by day.

As soon as he came in, Steward Luo brought over a new drug produced overseas sent by the head of a subsidiary under the Li Group.

Li Wanqing took it and gave it to the old man.

Not long after, the old man fell asleep, and the old lady stayed by his side. Seeing that there was nothing to do, Li Wanqing came out, ready to go back to the bedroom to rest.

But she ran into Liang Ruqi right after she came out.

Liang Ruqi smiled all over her face. Seeing that she was very enthusiastic, she first asked about the old man's illness, and then said to her: "Sister-in-law, I have something to tell you."

"What's the matter?" Li Wanqing was very vigilant.

"It's just a little thing."

"I'm a little tired, let's talk about it later." Li Wanqing didn't want to talk to her at all, so she just replied and walked forward.

Liang Ruqi stood behind and looked at her: "Sister-in-law, don't you want to hear about Shen Ning?"

Li Wanqing stopped, turned around and sneered: "I said, brother and sister, do you have nothing to do? What are you doing staring at Shen Ning all day? She is with Zhen Ting now, there is nothing worthy of your attention, you should pay more attention to yourself."

"Hey, sister-in-law, I don't want to pay attention either, but what she does is so eye-catching, it's hard for me not to pay attention." Liang Ruqi was annoyed.

"What did she do?" Li Wanqing turned around with a dark face, "I tell you, I know Shen Ning's character best. She will never do those things. Don't make trouble here."

"It would have been nice if it was really much ado about nothing, but it's clear that she did one thing to the face and another behind the scenes. I'm afraid you Zhen Ting will be deceived by her." Liang Ruqi was full of concern, with a look of resentment.

Li Wanqing's eyelids twitched, she really wanted to leave like this, but her curiosity made her unable to lift her feet, and what frightened her the most was that she was really worried that Shen Ning would do something shameful behind her back, and then make trouble. The city was full of wind and rain, and it was her son who was hurt like this.

"What's the matter? Show me." She said to Liang Ruqi.

Liang Ruqi sighed: "Sister-in-law, you have to be mentally prepared, these things are really disgraceful."

After she finished speaking, she pulled out the photos on her phone and showed them to Li Wanqing.

Li Wanqing's face turned livid, and she was very angry.

After dinner, Li Zhenting didn't find a part-time worker, and Shen Ning was going to wash the dishes. He stopped her: "I'll do the washing, and you go take care of the children."

He rolled up his sleeves, revealing his white arms, looking serious about washing dishes.

Shen Ning wanted to wash himself, when Xixi and Beibei started crying outside.

She had to go out and take care of the kids.

Coco, Ding Ding, and the little ones saw that the relationship between Daddy and Mommy is obviously much better today, especially Mommy, her face is very warm and flushed.

They came to a conclusion: that is, children really can't sleep with daddy or mommy all the time, as this will affect the relationship between daddy and mommy.

Therefore

After eating dinner for a while, they went to take a bath, and then went to their bedrooms to rest.

Nuoda's house is very quiet and warm except for Xixi and Beibei's occasional inappropriate cries.

Shen Ning was teasing Xixi and Beibei. The two cubs were very excited after drinking the breast milk.

Shen Ning looked at them with a smile on his face, his eyes were shining.

When Li Zhenting came in, he saw Shen Ning's charming smile, his heart swayed, he froze for a moment, walked forward, squatted down beside her, and rubbed his hot palms on her waist.

Chapter 1313: Li Zhenting's powerful wife 40

Shen Ning blushed.

"Don't make trouble, where are the children?" Shen Ning gave him a blank look.

Li Zhenting opened his mouth and bit her earlobe, and smiled: "What are you afraid of, I'm only a few months old, and I don't understand anything."

"Ke Ke, Ding Ding, Xiao Xiao is still there." Shen Ning was itchy and crisp, annoyed, pushed him away.

"Don't worry, they won't come over."

"You know, the little guy comes to sleep with me every day." Shen Ning glared at him angrily.

Li Zhenting gritted his teeth and smiled: "They have grown up now, and they will never sleep with you anymore. From now on, only I will sleep with you."

The man's big hand only touched Shen Ning's body a few times before he felt a burst of pain.

It's been so long since she hasn't had anything, and once he starts having sex, he would like to cling to her all the time, and he doesn't want to be separated for a second.

"You, ah." Shen Ning was about to speak again, but Li Zhenting suddenly turned her face away and kissed her tightly.

Shen Ning struggled, Li Zhenting simply picked her up, sat on the side of the cradle, and put his hand into her clothes...

Shen Ning was anxious and angry. After a while, his sensitive body was stirred up by him, and he felt a little urgent to breathe.

Li Zhenting sensed it sensitively, and was very happy and even more excited.

The two little ones are playing in the cradle by themselves, as long as there are daddy and mommy around, they will not cry.

In this way, Li Zhenting became more successful and unscrupulous.

Not long after, the two got entangled.

As a result, this night, Li Zhenting was full of energy, like crazy, and tossed her all night, so that when Shen Ning got up the next day, his legs were trembling.

This man, she wished she could beat him to death!

Li Zhenting was full of energy, and he got up early in the morning and ordered takeaway. After the family gathered around for breakfast, he took them back to Li's old house to visit the old man.

When Shen Ning got off the car with the children in his arms, he met Li Wanqing at the gate.

She didn't look very good, she was a little haggard, she seemed to have not slept all night, when she looked at her, her eyes were very cold.

Shen Ning trembled inexplicably, and said softly: "Auntie, good morning."

"Yes." Li Wanqing hummed from her nose, but turned her eyes to Li Zhenting who was following behind.

Li Zhenting's face was radiant, his eyes were black and bright, and there was a faint smile on his lips, as if he had won a big victory last night.

Li Wanqing felt that the sky was about to fall.

"Zhenting, come here." She greeted Ke Ke, Ding Ding, Xiao Xiao and called Li Zhenting aside.

"Mom, what's the matter?" Li Zhenting was in a good mood and his tone was gentle.

"Where did you take Shen Ning yesterday?"

"Shen Ning is being bullied here. I'll take her and the children out to relax. Don't worry, we won't delay seeing grandpa. No, we came back early in the morning." Li Zhenting was very casual.

"Are you going to take them out later?"

"Well, yes, Coco, Ding Ding, the little kindergarten is about to start, I'm going to take them to prepare." Li Zhenting's heart has already flown back to the apartment. Last night, that ecstasy, he was so happy. Now, he just He wanted to take Shen Ning to see his grandfather and was ready to go back, so he didn't have much patience to talk to Li Wanqing.

But in Li Wanqing's view, his situation is simply too dangerous.

Because the son has completely fallen into Shen Ning's tenderness, in the future, this infatuated son may suffer a bigger blow.

"Zhen Ting, was Shen Ning with you the whole time yesterday?" She asked uneasily.

"Of course." Li Zhenting lost his patience, Xixi in his hands was crying, and he left after answering a sentence.

Li Wanqing was even more sad and anxious, but at this time, she couldn't say anything more, and even if she said something, her son would not listen to it.

She sighed, turned and left.

Beside , Liang Ruqi had a cold smile on her face.

Now Li's old house has no place for her and Rao Yajing to stand on. Fortunately, that woman Shen Ning is not a good guy, and sooner or later she will show her original shape, so that they can all vent their anger.

Seeing that Li Wanqing is having a hard time right now, she is quite balanced in her heart.

Chapter 1314: Li Zhenting's powerful wife 41

Li Zhenting took Shen Ning and the children to visit Mr. Li and then returned to the apartment without stopping.

As soon as he returned to the apartment, he sent Xixi and Beibei to the cradle, hugged Shen Ning and kissed.

I haven't eaten meat for a long time. Once I started, I feel like I have been imprisoned for a thousand years. I can't stop for a moment, I just want to get satisfaction!

Shen Ning resisted a little at first, but gradually, under his fiery offensive, he completely surrendered and sank.

Li Zhenting is proud of his spring breeze, accompanied by a woman he loves, with five lovely children around his knees, and his career is booming. He always feels like a winner in life!

The only thing that made him sad was Mr. Li's illness!

A week later, Li Zhenting took Shen Ning back to Li's old house. Ke Ke, Ding Ding and Xiao Xiao were about to go to kindergarten. In order to appease Mr. Li, he planned to let the children stay with Mr. Li for three more days. After all, the children went to school It is not so convenient after that.

Shen Ning just returned to the house but ran into Rao Yajing.

"Hey, brother and sister, it seems that these days are going well, and her complexion is much better." Rao Yajing was eccentric, her face was indifferent and distant, and her eyes were full of sarcasm and disdain.

Shen Ning frowned.

In the past, Rao Yajing could at least maintain superficial respect when facing herself, and the smile on her face was really smiling, but now, when she saw herself, she saw her dirty contempt and disdain.

This startled her.

"What's the matter? Are you unhappy that Ningning is having a good life?" Li Zhenting just walked over from behind, and when he heard Rao Yajing's words, he frowned, looked at her coldly, and asked directly, with a majestic aura on his body.

Rao Yajing stood next to a pillar and didn't see Li Zhenting following behind. She was shocked when she heard the words. When she saw Li Zhenting's cold face, she took a few steps back and immediately laughed with her: "Of course!" No, my brother and sister can get your true love, I am happy for her."

"That's good. Please remember that she is my wife. Anyone who treats her badly is provoking me. I will never make anyone feel better. I will do what I say." Li Zhenting's tone was cold , the chill was overwhelming.

Rao Yajing's face turned pale.

"Ning Ning, let's go." Li Zhenting walked in with his arms around Shen Ning's waist, his face full of doting.

Rao Yajing stood behind and looked at them with disdain in his eyes, and he slapped hard.

Bah, if you got a bad guy and treated her like a treasure, then you will cry bitterly.

When she thought of those dirty photos, she really couldn't swallow this breath.

"Young master, young mistress, you are back." As soon as Shen Ning and Li Zhenting entered the living room, Housekeeper Luo greeted them with a smile on his face.

"Um."

"Master, young mistress, today I made peanut soil pig's knuckle soup, and I made sugar water. It is the peach gum oatmeal porridge that young mistress likes to drink most. Do you want to drink it now?" Sister Wang saw them coming back , and immediately greeted him with a smile, very respectful.

"Thank you, Sister Wang, I don't need it for now." Shen Ning smiled gratefully.

"You're welcome, I am lucky to be able to take care of young mistress." Sister Wang said sincerely.

"By the way, Sister Wang, the baby has some diarrhea these days, you should follow this list to make food for Ningning, and you must strictly abide by it." Li Zhenting handed a list from the doctor to Sister Wang.

"Okay, I will." Sister Wang took it with both hands and agreed.

"Ning Ning, let's go." Li Zhenting walked towards the old man's room with his arms around Shen Ning's waist in satisfaction.

Behind, Rao Yajing looked at all this and her eyes turned red with jealousy.

Originally, these people were all around her, but now they see her at a respectful distance.

She clenched her fingers angrily.

In the bedroom, the old man was sitting in front of the floor-to-ceiling glass, with his head crossed, acid water kept coming out of his stomach, which was very uncomfortable.

These days, he feels more and more that his body is failing.

The old lady accompanied him, holding his hand tightly, and the two cuddled together.

"grandparents."

"Great grandfather, great grandmother."

Li Zhenting and Shen Ning held a child each, and Li Zhenting freed up one hand to hold Shen Ning's arm. The two walked in intimately, and the children followed behind.

"Zhen Ting, Ning Ning, you are here." Mr. Li raised his head slightly, and there was a gleam of light in his cloudy eyes.

"Grandpa, are you feeling better?" Shen Ning squatted down in front of the old man with Xixi in his arms, his face full of concern.

"Well, it's better." The old man smiled weakly.

Shen Ning looked up and saw that the old man's face was even paler and bloodless, knowing that he was comforting himself, his heart was heavy.

"Grandpa, you must get better soon." Li Zhenting said in a deep voice, squatting down beside Shen Ning, and said seriously, "I want to tell you some good news."

Chapter 1315: Li Zhenting's powerful wife 41

"What good news?" Old Master Li looked at his favorite grandson, the light in his eyes became brighter and brighter.

"Grandpa, this quarter, Li's Group made hundreds of billions in profit, and this year it is expected to break through 400 billion, becoming the new richest man in Asia, and also able to squeeze into the top six in the global wealth list." Li Zhenting said excitedly.

"Okay, that's great." Mr. Li's spirit was lifted a lot, and he was very excited, "Zhen Ting, I believe in your ability, and I have been optimistic about you since I was a child. The Li family will rely on you in the future."

"Don't worry, Grandpa, I will try my best to make the Li Group flourish."

"Well, good grandson."

"Grandpa, I have another happy event." After Li Zhenting finished speaking, he spoke again.

"What happy event? Tell me quickly." Mr. Li seemed a little impatient.

"Grandpa, I am going to remarry Shen Ning, and I want to choose an auspicious day to hold a celebration banquet." Li Zhenting smiled happily, the corners of his lips raised, and the joy overflowing from his eyes was naturally revealed from the bottom of his heart.

"Okay, that's great." Mr. Li had another look of relief on his face, and he kept applauding.

Shen Ning was astonished.

This man, such a big event as remarrying her, went directly to the court without discussing it with her. Is there anyone like him?

She didn't dare to show it on her face, fearing that the old man would be sad, but secretly reached out and pinched the muscles on Li Zhenting's back and waist.

Li Zhenting was the most ticklish there, so he laughed out loud, and grabbed her fingers with his backhand.

Shen Ning wanted to withdraw his hand, but he refused.

The two of them were tugging at their backs, but in front of Mr. Li, both of them had happy smiles on their faces, and they couldn't see any flaws at all.

After a while, Ke Ke, Ding Ding and Xiao Xiao still stayed in the house with Mr. Li, while Li Zhenting brought Shen Ning and Xi Xi, and Bei Bei returned to their bedroom. As soon as he entered the door, he hugged all three of them, mother and child. Get up and walk around the room a few times.

Shen Ning was dizzy from his shaking, and asked him to put it down quickly.

Laughing loudly, Li Zhenting put her down on the bed, bowed his head and kissed her, the beard on his chin made her itchy, and the man's hand wandered restlessly on her body.

Shen Ning soon felt his whole body was on fire.

It turns out that men and women are the same after the taboo is opened, and they cannot resist the primitive desire.

The two little babies seemed to feel the love of their parents in the air, and occasionally hummed, but they were also delicate, very satisfied, and not pestering.

"Li Zhenting, why did you think I would agree to remarry you without discussing with me?" Women are always rational, and after a while of lingering, Shen Ning asked directly.

After so many years in the Li family, the sense of crisis will always make her uneasy, especially after women like Liang Ruqi and Rao Yajing exist, her sense of crisis will not be much less than when Shen Mei was there before.

"Who else do you want to marry if you don't marry me?" Li Zhenting asked with a smile after pecking her lips lightly.

"Be serious, I didn't promise you." Shen Ning straightened his face.

"You don't promise me, do you still want to marry Zhu Qixiong?" Li Zhenting held her face, his eyes were dangerous.

Shen Ning's face is small, but very delicate, especially the red lips, these days they are extremely full under her moisture, his Adam's apple rolled down, and the heat in his body surged.

Shen Ning's seemingly cowardly petite body hides a toughness and tenacity, which can make him terrified like the light of a sharp sword.

He was overwhelmed by her toughness, even had no way to deal with her, chasing his wife thousands of miles away, only then did he understand that she is not so easy to convince him.

It was this temperament that made him really fall under her pomegranate skirt.

Chapter 1316: Li Zhenting's powerful wife 42

"Li Zhenting, do you think you are a god, you can possess me and directly dominate me?" Shen Ning pushed him away and sat up, "Can't I not get married and live a good life with my children? Why do you have to have you? Marriage What did it bring me?"

Her voice is cold.

Li Zhenting hugged her into his arms, and comforted her gently: "I know I hurt you before, but I will never do it again. Believe me, we have five children, and we should form a happy family."

Shen Ning didn't speak.

Li Zhenting kissed her forehead and let her go.

"Li Zhenting, can you swear to God that you will do what you say?" Shen Ning looked at him with sharp eyes, and sent out a soul torture.

Li Zhenting was silent for a while, and walked outside.

Shen Ning didn't believe him because he was afraid of being hurt by him. This time, he wanted to tell her with actions that he was reliable and truly loved her!

Shen Ning looked at the man's silent back, feeling extremely complicated and uncomfortable, and unconsciously turned on the phone.

Suddenly, a piece of news popped up.

"The Zhu's Group has declared bankruptcy, and the inside story of the bankruptcy is astonishing. Xu Xiangzhi swept away all the money of the Zhu family and fled to Singapore. Even the old lady's private money was cheated away. return gift."

Shen Ning was stunned when he saw the news.

If so, what is the wedding of Zhu Qixiong and Wu Xueying? All of this is obviously Xu Xiangzhi's conspiracy, why did Zhu Qixiong agree to participate?

She was puzzled and worried about Zhu Qixiong even more. She tried to call his phone, but the phone was still turned off.

Beside , Xixi and Beibei started to cry, so she had to get busy.

In the study.

"Mom, what exactly do you mean? Don't you always want me to get back together with Shen Ning?" After Li Zhenting came out of Shen Ning's bedroom, he came directly to Li Wanqing.

She was reading a book in the study, with a worried face. Li Zhenting directly told her the news that he and Shen Ning were going to remarry. He thought she would be very happy, but she didn't expect her to be even more worried after hearing it.

He really doesn't understand!

"Zhen Ting, mom is doing it for your own good?" Li Wanqing's eyes were gloomy.

"But isn't it good for me to remarry Shen Ning? I love her, and she loves me too. We have five children. Isn't this a happy reunion?" Li Zhenting was very dissatisfied.

"But do you really know Shen Ning?" Li Wanqing asked back.

"Of course I understand." Li Zhenting said righteously, "In this life, she is the only woman I want to marry."

"But at that time, you also said in front of me that you will only marry Xiaofeng in this life."

Guilt and shame flashed across Li Zhenting's face, and he was also a little embarrassed.

"Zhen Ting, have you been with Shen Ning during this time?"

"certainly."

"Are you sure she hasn't been out?"

"Mom, what exactly do you mean, or are you doubting Shen Ning?" Li Zhenting was very dissatisfied with Li Wanqing's current attitude, and his eyes became much colder.

"I..." Li Wanqing couldn't speak.

If she showed those photos to Li Zhenting, would he collapse because he couldn't stand the blow? She really didn't want to see her son in such pain, and what should she do now that her son was getting deeper and deeper?

"Mom, let me tell you that remarrying Shen Ning is after my careful consideration. No one can stop me. If you must stop me, then let me tell you, don't waste your efforts. I will not let her down. If you allow me if I don't let her go, then I can only take her and the children to live outside, and you won't see your grandchildren anymore, all in all, no one can stop my determination." Li Zhenting answered decisively and firmly.

Li Wanqing's fingers trembled.

Chapter 1317: Li Zhenting's powerful wife 43

"Zhen Ting, when do you plan to remarry her?" Li Wanqing asked tremblingly.

"Just next month, I haven't picked a good date yet."

"Zhenting, can you delay it a little longer?"

Maybe he will be able to see Shen Ning's true face later. She knows her son's personality, and she has never been able to change him. She can only hope for time.

"No." Li Zhenting sternly refused, "I just want to remarry Shen Ning before grandpa leaves, to make him happy. Moreover, after the old man leaves, there are funeral affairs at home and it is not suitable for marriage. Therefore, Shen Ning and I it is imperative to remarry, and I have already told my grandfather that he is an old man, and he is very happy."

Speaking later, the tone was very strong, it was hoped that Li Wanqing would not interfere fearlessly, even grandpa agreed, so what is the point of her interference

Li Wanqing closed her eyes, heartbroken.

But Li Zhenting didn't care about her feelings, and had already turned and left.

Three days later.

Shen Ning was sitting in front of the vanity mirror in the bedroom combing his hair when the door opened, and Li Zhenting strode in in high spirits.

"Ning Ning, guess what this is?" He stretched out his hands from behind and put his arms around her neck, and put a wonderful big jewelry box in front of her.

"Jewelry." Shen Ning looked at his eyes with light eyes, "Didn't I tell you not to buy jewelry?"

"We are getting married soon, and this is what I brought at the wedding, so I can't save it." Li Zhenting kissed her, "Open it and have a look."

Shen Ning was stunned, and asked: "Have you fixed a date?"

"Yes, I went to the temple to find Master Haihong yesterday, and he has already picked an auspicious day for me, and I am going to publish a statement in the newspaper today." Li Zhenting said in a friendly voice, kissing Shen Ning's ear while speaking.

Shen Ning suddenly said: "What are you doing in the newspaper? Is it necessary to make such a big commotion? This is the third marriage, are you afraid that the world will not know?"

"That's why I'm going to give you a grand wedding to make up for you. This is the last time, so don't be sloppy." Li Zhenting didn't approve at all, and slowly opened the jewelry in his hand.

A ray of light burst out into the sky.

Shen Ning took a deep breath, and when he looked closely, it turned out to be a perfect pink diamond, emitting a radiant glow, and under the pink inlay, it carried a sense of warmth.

"Do you know? This is the most famous perfect pink diamond in the world. It is worth 24 million US dollars and is unique in the world. It also symbolizes that our love is also unique in the world and deserves us." Li Zhenting's slender fingers moved Taking out the diamond ring and putting it on Shen Ning's finger, she praised: "It's so beautiful."

Shen Ning's fingers are light white, round and slender. Although they look thin, their palms are fleshy and their arms are very white. Wearing this pink diamond, it looks very beautiful, causing Li Zhenting's eyes to glow. He took the back of her hand and kissed her lightly.

Shen Ning never thought that he would wear such a luxurious diamond ring one day, and it was put on by his beloved man. There was a blush on his face, and he felt happiness for the first time!

In the study room, Li Wanqing was holding a calligraphy brush to try to concentrate her energy.

The door opened.

A capable man walked in.

"Ma'am, after identification, the woman in this picture is indeed Shen Ning. No matter how you look at it, there are nine images."

"Can't you make ten images?" Li Wanqing was not satisfied with this answer.

"Ma'am, if you want to get ten images, you can only do a DNA test." The man looked helpless.

Li Wanqing put down the brush and drank from the water glass, her fingers still trembling slightly.

She didn't believe that Shen Ning would do those things, so she asked someone she trusted to make an appraisal, but the result was very cruel.

"I see, let's go." She sat down on the chair, "Remember, no one can tell this matter for the time being."

"Yes, ma'am."

The man left, Li Wanqing's face turned black, and her chest hurt.

She leaned on her chest with her hands, lying on the table.

But at this time, the doorbell rang again.

Chapter 1318: Li Zhenting's powerful wife 44

"Who?" Li Wanqing raised her head and asked.

"Sister-in-law, it's me." Liang Ruqi's voice sounded outside the door.

Li Wanqing's face sank, and her stomach ached.

"What's up?"

"Sister-in-law, I have something to tell you." Liang Ruqi stood calmly outside the door with a dark smile on her lips.

"I'm not free right now." Li Wanqing didn't want to listen to her at all, so she directly refused.

"Sister-in-law, I'm here to tell you this. It's for the good of Zhen Ting, and for the sake of our Li family's future generations. If you don't let me in, then you will be the one who regrets it. I will tell you about these offensive and indecent things. Old lady." Liang Ruqi stood at the door resolutely, with a light tone, as if she was about to leave.

Li Wanqing stood up suddenly.

She opened the door.

Liang Ruqi walked in slowly.

"Sister-in-law, I have heard that Zhenting is going to remarry Shen Ning." She stood in front of her domineeringly, as if she was interrogating a criminal.

Li Wanqing did not speak.

"Sister-in-law, escaping is not an option. If you don't want to stop them, not only Zhenting will suffer, but our entire Li family will also be affected. You must know that Zhenting is not an ordinary person. He is the president of the Li family. At that time, when his scandal comes out, it will definitely affect the stock price of the entire Li Group, and it will hurt every one of our Li family members, so whether you don't like to hear it or don't want to hear it, I have to say it." Liang Ruqi is confident.

"Isn't this not remarried yet? Where did you find out about it? I'm just wondering, why do you have nothing to do all day long, and your eyes are always on Zhen Ting and Shen Ning." Li Wanqing's cold eyes flashed with chills, Majesty and domineering are naturally revealed.

Liang Ruqi was a little guilty, she dodged her eyes for a while, but soon, she took out her phone again and stood up straight.

"Sister-in-law, I have sent you the photo. You can see for yourself. Is such a woman really suitable for your son? Although we will all be implicated, Zhen Ting is your own son after all. He is affected by it. The biggest one, if you don't want to listen, then I won't say more, in case you don't like it, leave." She opened the phone screen and clicked a few times, sent a few pictures on the phone to Liang Ruqi, then turned and left up.

Li Wanqing looked at the indecent photos on her phone, and closed her eyes in pain.

After a while, she picked up the phone again. "Ma'am." A man's voice came from over there.

"Ma'am." A man's voice came from over there.

"Xiao Shen, find a way for me to find Zhu Qixiong, I want to see him." Li Wanqing ordered heavily.

"Yes, ma'am."

After hanging up the phone, Li Wanqing's face turned pale.

The weather is sunny with a cool breeze.

After breakfast, Shen Ning pushed Xixi and Beibei for a walk in the garden, where the trees were shady and very comfortable.

The two little guys looked around with **** eyes, very excited and dancing.

Shen Ning looked at the lovely children, the corners of his lips slightly raised.

In this life, even if you have nothing, as long as you have this pair of cute little babies, it is worth it.

After walking around the basketball court, she pushed the babies towards the back door.

It's time for the kids to go back to bed.

But as soon as she pushed past a hundred-year-old banyan tree, she saw Li Wanqing standing alone in the gazebo.

She looked at them with gloomy eyes.

Shen Ning was taken aback, not sure how long she had been standing here, and she was waiting for her specially.

She came towards her.

"Auntie." Shen Ning called out uneasily.

No matter what, there have been subtle changes between her and Li Wanqing now, they are no longer as close as before, and Shen Ning even felt that there was a deep gap between them, the bottomless gap Well, she couldn't figure out her mind at all.

But thinking of how she defended her before, she still respects her very much.

"Yes." Li Wanqing agreed with a smile, first lowered her head to tease Xixi and Beibei, then looked up at Shen Ning and said, "The weather is fine today, let's go for a walk."

"Okay." Shen Ning knew that she had something to say to her, so she fed some water to the two babies first, and they were in good spirits, so she agreed.

"Ning Ning, you and Zhen Ting are going to remarry, right?" She asked knowingly.

Shen Ning pursed his lower lip, his heart beating suddenly.

Whether Li Zhenting told Li Wanqing about their remarriage, she didn't know, but she must have a purpose for asking her this way.

She couldn't guess what she meant.

"Zhen Ting has already told me." Li Wanqing glanced at her indifferently, and admitted directly.

"Oh." Shen Ning said softly.

Li Zhenting wanted to remarry her without her consent, and she still kept silent.

"Ning Ning, tell me, do you really love Zhen Ting? Or did you remarry him because of the child?" Li Wanqing asked again.

Shen Ning's eye circles were inexplicably reddened.

"Hey." Li Wanqing sighed suddenly, "I know my son is sorry for you, but if you disagree, you can tell me and I will help you."

If Shen Ning really loved Li Zhenting, she would definitely not do those things with Zhu Qixiong. She is still sure about Shen Ning's character.

The fact now is that she and Zhu Qixiong are so close, she definitely doesn't love her son anymore.

She knew her son, it was his dominance that forced Shen Ning to give in.

If Shen Ning doesn't love her son, she might be able to start with her and Zhu Qixiong to stop this unhappy marriage.

After all, they have already been divorced twice, and if there is a third divorce, it will be unbearable for the parties.

"Auntie, it's true that I'm not ready yet." Shen Ning replied after thinking for a while.

Li Wanqing was relieved when she heard that, although she regretted that she could not become her daughter-in-law, compared to those indecent photos and the consequences of her not liking Zhen Ting and marrying him reluctantly, it was only a pity. "Okay, I understand, I will persuade Zhenting." She replied slowly, "I will not see you in pain again."

"Okay, I understand, I will persuade Zhenting." She replied slowly, "I will not see you in pain again."

Shen Ning's eyelids jumped, and he asked suddenly:

"Auntie, what do you think of me now?"

Li Wanqing's words were weird, but the feeling of being disgusted by her inexplicably was really bad, and she wanted to find out the reason.

"No." Li Wanqing immediately shook her head, took her hand and smiled gently, "How could I have any objection to you, you are a great hero of our Li family, you have given birth to five children for our Li family, we owe you, How can I have any opinion on you, now that you are divorced from Zhen Ting, what you want to do is your freedom, and we have no right to interfere."

Shen Ning was dumbfounded.

Hearing her meaning, it seems that she has done something, but has she done anything?

Except for Li Zhenting pestering her these days...

Her face was slightly red.

Is Li Wanqing worried that she will spoil her son!

Pantothenic acid in her nostrils.

"Grandma, Mommy."

At this moment, Ke Ke, Ding Ding and Xiao Xiao finally found Mommy, and they all ran towards them excitedly, shouting as they ran.

"Hey, my little grandchildren." Li Wanqing agreed with a smile on her face, squatted down and opened her arms to hug the three little ones, and kissed them on the face.

"Mommy." After getting tired of grandma, the three little ones ran to their own mommy, hugging her thighs one by one, and Xiaoxiao threw herself into her arms, very affectionate.

"Coco, Ding Ding, Xiao Xiao." Shen Ning stroked their heads, with friendly smiles on his face, and the love in his eyes couldn't be hidden.

Li Wanqing stood aside and saw the scene where the three little grandchildren were intimate with their mother, feeling extremely uncomfortable in her heart.

She can accept that she doesn't love Zhenting, but she can't accept that the five children will not have a mommy in the future!

At this moment, her heart was extremely bitter, and her eyes were red.

And over there, a pair of eyes stared at them coldly, full of jealousy and calculations!

Chapter 1320: Li Zhenting's powerful wife 46

When Shen Ning pushed the babies into the living room, he happened to see Li Zhenting walking in from the outside.

The man was dressed in black, with shiny cuff buttons, followed by a middle-aged man who looked like a contractor.

The middle-aged man was respectful, holding some bills in both hands, which further brought out Li Zhenting's majesty and dignity.

"Ning Ning." Shen Ning turned around and was about to leave, but Li Zhenting stopped her and walked towards her.

Shen Ning forced a smile: "Don't you have to go to work today?"

"With cold blood, do I still need to go to work in person?" Li Zhenting stepped forward, leaning down to tease the two little treasures.

The two little treasures saw Daddy dancing and dancing for joy, and barked.

Li Zhenting's heart was melted, he bent down and just teased the two little treasures, no matter how embarrassed the man was standing there, he couldn't bear to leave the children for a moment.

Shen Ning cleared his voice.

Li Zhenting raised his head.

"Ning Ning, this is Mr. Huang, who is in charge of the reconstruction of the back mountain." He finally introduced the man to Shen Ning.

"Hi, young lady." Mr. Huang immediately greeted her politely.

"Hello, Mr. Huang." Shen Ning also replied, and was about to leave.

Li Zhenting's big hand fell on her waist, clasped her, pulled her into his arms, and smiled: "Ning Ning, here are the drawings for the reconstruction project of Houshan, how do you think it should be transformed, do you have any suggestions? "

Shen Ning immediately said: "You can do it as you see, how can I have any suggestions."

Isn't this a matter of their Li family, it has nothing to do with her!

She doesn't want to offer any advice either!

"Ningning, Keke, and Tintin have all had accidents on the back mountain. I remodeled it for the sake of the children. You can make some suggestions to see how it can be safer." Li Zhenting hugged her tightly. In front of outsiders, Shen Ning's face was shallow, and his cheeks were flushed.

In front of outsiders, Shen Ning's face was shallow, and his cheeks were flushed.

She thought for a while and said: "Isn't the side next to the back mountain a scenic spot? You can also find some elegant or recreational projects, so that it will become popular and be considered a real development."

"Yo, my wife is right, it is indeed better and can make money." Li Zhenting grinned and agreed.

Mr. Huang also praised it repeatedly!

"By the way, my wife, I've already published an article about our marriage." Li Zhenting hugged Shen Ning tightly, and whispered in her ear.

Shen Ning's heart shrank, and his face turned pale.

"Cough, cough." There were two coughs from behind, and Shen Ning recognized Li Wanqing's voice, and immediately pushed away Li Zhenting's hand and pushed the two babies away.

Li Zhenting still has more ideas, but the reconstruction of the back mountain is imminent, so he has to hurry up.

Liang Ruqi was looking at her mobile phone in the bedroom, and Rao Yajing hurried in with a newspaper.

"Mom, did you see that? Li Zhenting has published in the newspaper to remarry Shen Ning?"

Liang Ruqi took the newspaper and glanced at it, then said calmly: "It's just that he's published in the newspaper, but it doesn't mean they're married. Why are you panicking?"

"But Li Zhenting published it in the newspaper with such a big fanfare, which shows that his determination is great. Can we have a way to stop it?"

"So what? It's just a piece of crap. I don't believe that Li Zhenting won't care when he knows the truth about Shen Ning." Liang Ruqi sneered.

Rao Yajing nodded upon hearing the words.

Liang Ruqi narrowed her eyes, she wanted to see how Li Wanqing would break up Li Zhenting and Shen Ning!

Mr. Li, the security guards of Zhu's family caught Xu Xiangzhi at the Imperial Capital Airport today, and have brought her back to Zhu's house. "Li Zhenting and Mr. Huang were standing on the back hillside discussing the project, and they called in cold blood.
