

Troublemakers 1391

Chapter 1391: Li Zhenting's strength and loving wife 117

"Cousin." After dinner, Sister Wang left. Shen Ning and Li Zhenting were holding a baby and playing with it. The door of the ward suddenly opened, and Li Jiaojiao, whom they hadn't seen for a long time, walked in.

"You are..." Shen Ning heard the cry and looked up at her with confusion on his face.

"Cousin, I'm Jiaojiao, don't you recognize me?" Li Jiaojiao was very surprised.

Li Zhenting's face darkened, he picked up the child and came forward, grabbed Li Jiaojiao's hand and dragged her out.

"Jiaojiao, why are you here?" He gritted his teeth and asked in a low voice.

"Cousin, your question is so strange. Of course I came to see my cousin. My cousin was injured and was harmed by a bitch. You didn't tell me. You even asked me, is there anyone like you?" Li Jiaojiao Shaking off his hand, he asked dissatisfiedly.

Li Zhenting's face darkened: "Jiaojiao, let me tell you, Shen Ning was seriously injured this time. She was assassinated by Liang Ruqi's mother-in-law and daughter-in-law. She was pushed from the cliff of the back mountain and suffered a violent impact on her head. Now she has lost her memory. You go. Come on, don't irritate her, her memory has to be restored slowly."

Shen Ning will have to accept grandparents and children sooner or later. He doesn't want to provoke Shen Ning too early.

Besides, Li Jiaojiao is a big talker and talks about everything. If she is allowed to stay here, something will happen sooner or later.

He didn't know how Li Jiaojiao found her way here. It was a headache.

"Hey, cousin, as a man, you are just next to your cousin, and you have hurt her so seriously. Are you still a man? I feel ashamed for you, and you won't let me see my cousin now, for fear that I will irritate you. She, aren't you afraid of irritating her if you hurt him the most? Why should I irritate her? The relationship between my cousin and I has always been very good." Li Jiaojiao sneered.

"You..." Li Zhenting became angry and wanted to drag her away.

"Cousin, help me quickly, my cousin wants to drive me away." Li Jiaojiao shouted into the ward.

Li Zhenting gritted his teeth in anger.

"Shanshan, let my cousin come in. It's rude to drive her away like this." Li Zhenting's expression when he dragged Li Jiaojiao away just now was indeed not friendly. Now that he heard Li Jiaojiao calling for help, Shen Ning immediately hugged the little guy. He came out and said to Li Zhenting. I didn't expect that a grown man would bully a weak woman!

Li Zhenting didn't dare to say anything when he heard Shen Ning's words.

"I'm warning you, don't say anything you shouldn't say. If anything happens to her, you're the only one I'll ask." Li Zhenting gritted his teeth and whispered in Li Jiaojiao's ear.

"I know." Li Jiaojiao rolled her eyes at him, ran towards Shen Ning, hugged her, and smiled affectionately.

"Cousin, I knew you were the best to me."

Shen Ning smiled: "Go in and talk, don't stay in the corridor and affect others."

"Yes, as ordered." Li Jiaojiao gave a military salute, made a face at the dark-faced Li Zhenting, and then followed Shen Ning in.

Li Zhenting had no choice but to follow her and hope she wouldn't cause any trouble.

"Cousin, my little nephew is so beautiful and cute, I love him to death." Li Jiaojiao went in and looked at Beibei in Shen Ning's arms, teasing the little guy's face with her fingers, smiling.

"Jiaojiao, can't you say something auspicious?" Li Zhenting warned from the side.

This guy has to use the word 'death' when he says something nice. He is very taboo about this recently because the happiness between him and Shen Ning came too late. He is really afraid that this happiness will be fleeting, so he doesn't speak well. Very cautiously, for fear of making a mistake with one word.

"Okay." Jiaojiao was used to being carefree and didn't believe in such metaphysics. When Li Zhenting said it, she had no choice but to agree with a pout.

Li Jiaojiao was young and energetic, enthusiastic and contagious. She stayed here for a while and immediately became familiar with Shen Ning. They were talking and laughing, and even made the two babies laugh. Yes, the atmosphere in the ward is very good!

Chapter 1392: Li Zhenting's strength and loving wife 118

"Shanshan, my little cousin is very cute. Why don't you like her? She is a girl, so be nice to her." After a while, two special nurses came in to give the babies a bath, and Li Jiaojiao followed. While others were busy, Shen Ning quietly said to Li Zhenting.

I was used to seeing his gentle and affectionate face towards me, but I didn't expect him to be quite ruthless towards his little cousin.

She was worried that Jiaojiao wouldn't be able to bear it, so she reminded Li Zhenting.

Li Zhenting smiled carelessly.

"You are just too kind." He touched her head and reminded, "Jiaojiao does have a good heart and is simple, but she is a little crazy. Sometimes, few of what she says is true. You don't have to believe it, just believe me, understand?"

"OK, all right."

Shen Ning looked at him and smiled.

At this time

The door darkened, and a gentle man in a white coat walked in.

"Ning Ning." Ji Qingshan's eyes fell on Shen Ning's face as soon as he came over. At this time, the little woman smiled happily and looked at Li Zhenting with great dependence and meekness. Li Zhenting also looked at her with a face full of doting. , the two of them look like a loving couple!

"Professor Ji is here." Shen Ning heard the shout and turned around to look at Ji Qingshan with a smile.

"Ning Ning, how are you now? Do you feel any discomfort?" Ji Qingshan stood in front of her, like a handsome young man, standing alone in the world.

"Fortunately, I still had a little pain in the back of my head the day before yesterday, but it's completely gone now." Shen Ning replied with a smile.

"Well, that's good, but remember to take the medicine on time." Ji Qingshan smiled, "There will be a new medicine coming tomorrow. It has very good effects in Europe and the United States. You will get better faster after taking it. of."

"Thank you, Professor Ji." Shen Ning was very grateful and looked at Ji Qingshan: "I know I have lost my memory. I have forgotten many things, but I really want to remember it. Can I still get better?"

She looked at him longingly, hoping that he would make her feel better soon and recall everything in the past.

"Yes, as long as you cooperate with the doctor, there will be no problem at all. The key lies in whether you have confidence in yourself." Ji Qingshan replied affirmatively, glancing at Li Zhenting sitting beside him intentionally or unintentionally.

Since he came in, he didn't even look at him.

"Okay, I have confidence in myself." Shen Ning clenched her fingers and made a cheering gesture.

"Ning Ning, I believe in you, come on." Li Zhenting followed closely.

Just, if Shen Ning remembers the past, will she hate herself?

Li Zhenting felt confused and uneasy.

"Cousin." At this time, Li Jiaojiao came out holding Xixi after taking a bath. When she raised her eyes, she saw the gentle and elegant Ji Qingshan standing in front of Shen Ning. She was paused for a moment, and then her eyes flashed. A flash of hatred.

Ever since she was treated mercilessly by Ji Qingshan at the Shaw Villa last time, her self-esteem was damaged and she never went to see him again. Now that she sees him again, she hates him.

Especially the way this **** man protected Chen Yingying made her feel that he had no discernment and could only be worthy of a scheming **** like Chen Yingying.

Ji Qingshan turned around and saw Li Jiaojiao. He was stunned for a moment and glanced at her coolly. A disdainful smile appeared on the corner of his lips, and he turned and left.

Li Zhenting looked at Li Jiaojiao coldly from the side and suddenly figured out something!

No wonder she found this place. It turned out that she came here to create a chance to meet Ji Qingshan.

This girl is really not ashamed!

The man looks down on her, but she rushes to get close to her again and again. Is there such a spineless person?

Chapter 1393: Li Zhenting's strength and loving wife 119

After a while, Xixi and Beibei finished taking a bath, and Shen Ning began to put on little socks for the little ones and play with them.

Li Zhenting pulled Li Jiaojiao into the corridor again.

"Cousin, what do you want to do?" Li Jiaojiao was suddenly pulled out by him and asked angrily.

"Tell me the truth, did you find this place through Ji Qingshan?" Li Zhenting asked sternly in a low voice.

Li Jiaojiao was startled and threw away his hand.

"Cousin, are you mentally ill? How did I know that **** man was here? I went to Li's old house and asked Sister Wang before I found out that cousin-in-law was sick. I rushed over after asking for the address. Cousin-in-law She was very kind to me before, but she is sick, shouldn't I come over to see her?" Li Jiaojiao was very aggrieved.

"Really?" Li Zhenting obviously didn't believe her and looked at her with squinted eyes.

"Believe it or not." Li Jiaojiao puffed up her cheeks, "That dog man looks like a dog, a gentle scum, it's disgusting to see him, who would care about him?"

"Sure?"

"Of course."

Li Zhenting looked at her like this, and it didn't look like she was telling lies. He still understood Li Jiaojiao, and he would say whatever he wanted without any hesitation.

"If that's the case, that's the best thing. Remember, Ji Qingshan has a very high self-esteem and doesn't look down on our Li family and Li family. There's no need for you to ask for trouble." Li Zhenting warned.

"Hmph, he looks down on us. I also look down on him. He has no vision and no brains. He still thinks he is noble. What the hell? He'd better be played to death by that old Bai Lian." Li Jiaojiao was full. His face was red and angry.

Li Zhenting saw her like this and believed her.

"Remember, love and marriage are about mutual consent and going in both directions. If it is wishful thinking, there will never be a good result. Think about it yourself." He said and walked in.

Li Jiaojiao has been in a bad mood since Ji Qingshan showed up. Now that she was scolded by Li Zhenting, she was even more in a bad mood. She didn't say hello to Shen Ning and walked towards the elevator to leave.

Who knows, as soon as he walked into the elevator, he saw a tall man standing in the elevator, wearing a white coat and glasses, and a few abdominal muscles could be vaguely seen under the white coat. Ji Qingshan looks gentle and gentle, but he is a medical student and he also pays attention to exercise and maintains a good figure.

Li Jiaojiao was stunned and subconsciously wanted to escape, but just as she was about to lift her feet, the elevator door had already closed, almost pinching her feet.

"Ah." She screamed in fright and immediately retracted her feet.

"Please stay away from me." Ji Qingshan gave her a cold look and saw her shouting and retreating, almost approaching him.

This woman is so annoying, she is pestering him again. She must have never seen a man in her life, her eyes sparkle every time she sees him.

It's a pity that he has no interest in this kind of woman!

It is better to be an intellectual woman like Chen Yingying, who is elegant and intellectual, has a common language, has excellent abilities, and knows how to advance and retreat.

A crazy little girl like her can't even compare to her toes.

He snorted coldly and took a few steps back, with an expression of contempt and disdain on his face.

Li Jiaojiao was so frightened that when she stood still, she heard the cold snort and cold and heartless words of the man behind her. Her heart was filled with anger and she felt extremely sad.

However, she did not want to have anything to do with this **** man anymore, and she avoided arguing or talking to him. She just walked a few steps forward, keeping a long distance from him, and pretended not to hear him, standing with her head raised. With.

"Miss, please stand farther away and don't block other people's way." But not long after, when the elevator door opened, there was another cold voice of dissatisfaction from behind.

She looked up and saw that out of nervousness, in order to keep a distance from him, she was already standing at the elevator door.

But in Ji Qingshan's opinion, she was deliberately blocking his exit.

Chapter 1394: Li Zhenting's strength and loving wife 120

Li Jiaojiao was speechless for a moment and took several steps back in desperation.

But this time he retreated, he almost retreated into Ji Qingshan's arms.

"Chi." Ji Qingshan sneered coldly, sneered disdainfully, and raised his feet to leave.

Li Jiaojiao heard this snort of extreme contempt and disdain for her. Coupled with the successive defeats, Li Jiaojiao's anger was unbearable and she shouted:

"Ji Qingshan, you bastard."

Ji Qingshan turned back angrily: "What are you scolding? Please stay away from me in the future. I am not interested in you. You and your cousin are both self-righteous, extremely selfish scum, which is disgusting."

"Ah." Li Jiaojiao couldn't bear it and said "ah". She didn't care about anything and rushed over and raised her hand to grab his face.

"Ouch." With a scream, Li Jiaojiao's five fingers scratched directly from Ji Qingshan's forehead. Five clear finger marks were scratched from the forehead to the eyes and then to his nose. They all scratched the skin and glasses. Also fell to the ground.

Ji Qingshan suddenly felt burning pain all over his face. He raised his hand and touched it. There was blood on it, and he became furious.

"Son of a bitch, this is a lesson to you for disrespecting me. If you dare to insult me again in the future, I will never let you go." Li Jiaojiao cursed angrily, grabbed the door, escaped from the elevator, and ran toward the fire escape. went.

By the time Ji Qingshan picked up the glasses from the elevator and ran out to take revenge, Li Jiaojiao had long disappeared.

"Bitch." Ji Qingshan was so angry that he punched the wall.

In the ward.

"Shanshan, where is my little cousin?" Shen Ning asked in surprise after not seeing Li Jiaojiao for a while.

"Never mind her." Li Zhenting was very indifferent, "That girl is weird and out of tune. She should be gone."

Shen Ning laughed dumbly.

As expected, it was a bit out of place. He was fine just now, but he left right away without even saying hello.

However, she won't care.

Li Jiaojiao is enthusiastic and cheerful, with no big breasts. Shen Ning quite likes her.

The next day. With the company of Xixi and Beibei, Shen Ning no longer has random thoughts, and her dependence on Li Zhenting has also been reduced a lot. Li Zhenting has time to work in the company.

So, after breakfast, he helped Shen Ning take care of Xixi and Beibei, and then told the two special nurses to take good care of Shen Ning and the children, and then he went to work.

Shen Ning focused her whole body and mind on the two little guys, enjoying herself.

At ten o'clock in the morning, Ji Qingshan walked in.

"Ning Ning, the new medicine is here, take it quickly." Ji Qingshan brought two large boxes of medicine and told Shen Ning.

"Okay, thank you Professor Ji." Shen Ning raised her head, her face full of gratitude. Suddenly her eyes fell on his face and asked strangely: "Professor Ji, what's wrong with your forehead and nose?"

I had bright and fair skin yesterday, but today I have a scar on my forehead and nose. Because I'm wearing glasses, I can't see it on my eyelids, and the scar looks like a scratch, which is quite strange.

Some medicine was applied to the wound, and it looked funny like an earthworm on the face.

"It's okay. I caught a wild cat yesterday and was injured by its claws." Ji Qingshan coughed and replied casually, but looked around.

Damn Li Jiaojiao, if I catch you, I will never let you have an easy time!

"Then you have to be careful. If you are caught by a wild cat, you need to be vaccinated. You can't take it lightly." Shen Ning thought it was really a wild cat and said hurriedly with concern.

"Yeah, I know." Ji Qingshan agreed. He looked around the ward but couldn't find Li Jiaojiao. He could only watch Shen Ning take the medicine and turn around and leave.

Ji Qingshan had just walked for a while when a young and beautiful figure rushed in.

It turned out that Li Jiaojiao saw Ji Qingshan walking towards Shen Ning's ward as soon as she got out of the elevator, and immediately hid around the corner. She didn't rush out until she saw Ji Qingshan get on the elevator.

"Cousin, I'm here to see you. I miss you so much." Li Jiaojiao happily ran to her side, hugged her, buried her head in her arm and acted coquettishly.

"Jiaojiao." Shen Ning couldn't help but laugh. This little girl is indeed very cute. She left without saying goodbye last night, and she is so coquettish today.

Chapter 1395: Li Zhenting's strength and loving wife 121

"Cousin, my nephew and niece are so cute." Li Jiaojiao sat next to Shen Ning and looked at the two babies admiringly.

"Jiaojiao, if you like it, get married and have a few children so that you won't envy others." Shen Ning joked with a smile.

"Tch, I don't want to get married so early." Li Jiaojiao's heart sank, feeling a little inexplicably irritated.

"How old are you?"

"twenty one."

"If you can meet a man you like at this age, you can get married. If you get married early and have children, you can get back in shape sooner." Shen Ning said with a smile.

Li Jiaojiao was stunned and said, "I'm afraid I'll never meet a man I like in this life. Cousin, you've already given birth to two children and your figure has recovered very well. Don't be in a hurry."

Shen Ning was stunned and asked quickly: "Did I give birth to two children?"

"Yeah." Li Jiaojiao nodded.

"But Shanshan said that Xixi and Beibei are a pair of twins, so the twins are just one twin." She asked doubtfully.

"..." Li Jiaojiao was startled, and then she remembered Li Zhenting's warning. She felt for a moment that she had said the wrong thing, and hurriedly covered it up: "No, cousin, you did have a baby. I just said it wrong." , I mean you gave birth to two children, a nephew and a niece, and the important thing I want to say is that you recovered very well after giving birth to Xixi and Beibei, so I am not in a hurry. Looking for a partner to have children with."

"Oh, that's it." Shen Ning finally understood and smiled, "You just said that you will never meet a man you like in this life. This is wrong. You are so young, how do you know that you can't meet him?" Well, just don't set your sights too high, just be too picky. When I see something suitable, I'll introduce it to you."

"Okay, thank you cousin." Li Jiaojiao didn't want to continue this topic with Shen Ning, and quickly brought the topic to her favorite food, "Cousin, a new Cantonese restaurant has opened in the east of the city. I heard it tastes very good. Not bad, and there are new lobsters from Australia, they are so big, why don't we find time to eat them."

Speaking of eating, Li Jiaojiao became energetic again and encouraged Shen Ning to eat.

Only when she leaves will my cousin be willing to treat her.

"Really, that's good." Shen Ning smiled and was about to speak. Suddenly, the door darkened and a man in a white coat walked in.

"Ning Ning, are there any adverse reactions after taking the new medicine?" After a while, Ji Qingshan was worried and Shen Ning came over. But as soon as he finished speaking, he saw Li Jiaojiao sitting in the room. Shi Shi's eyes were on fire, he touched the wound on his nose with his fingers, and then looked at Li Jiaojiao with a knife in his eyes.

Li Jiaojiao didn't expect this dog man to come over so soon. She was a little confused for a moment. When she saw the scars on Ji Qingshan's face, a smile appeared on her lips and she whistled proudly.

Shen Ning didn't notice the expressions of the two people, smiled and said: "Professor Ji, thank you for your concern. I'm fine, no reaction."

But after finishing speaking, I didn't hear Ji Qingshan's answer, which was a bit strange. When I looked up, I saw Ji Qingshan and Li Jiaojiao staring at each other with big eyes and small eyes, like enemies, and they were confused for a moment.

Have these two people known each other for a long time, or did something happen?

"Cough, cough." She cleared her voice and said, "Professor Ji, I don't have any side effects, please don't worry."

She spoke louder, and Ji Qingshan finally reacted.

Chapter 1396: Li Zhenting's strength and loving wife 122

"That's good, please pay attention to your body and tell me if you feel uncomfortable." Ji Qingshan warned carefully after regaining consciousness.

"Okay, I will." Shen Ning agreed.

Ji Qingshan gave Li Jiaojiao a hard look and said, "Madam, please come out with me."

"Why should I come out with you?" Li Jiaojiao said disdainfully, "Who do you think you are? I'll go out if you tell me to. Bah, my father can't even call me out."

Ji Qingshan's face was livid, but he couldn't get angry in front of Shen Ning, so he had to give her a fierce look and leave.

He thought that Li Jiaojiao, a woman whose eyes sparkled every time she saw him, would most likely catch up with him after he came out. Even if she didn't, she would follow him in his office later. To pester him.

Which time has it not been like this before?

So, he returned to the office with peace of mind.

"Jiaojiao, do you know Professor Ji?" As soon as Ji Qingshan left, Shen Ning felt something was wrong and asked.

"Who knows this kind of dog man? You don't recognize him." Li Jiaojiao sneered disdainfully.

"I thought you guys knew each other." Shen Ning was very curious, "Professor Ji can't be called a dog man. He is quite good. He is already a famous professor at a young age. His medical expertise is so good and he is so kind. He is handsome and a really good man."

Li Jiaojiao rolled her eyes and whispered: "Cousin, you don't know that. He is actually a gentle scum, a dog man without eyes. Even though he has good medical skills, he is really not a good person. , and also has mental illness. I heard that he has touched several women under the guise of seeing a doctor. Unfortunately, he has problems in that area and can only touch and cannot enter the substantive moment. Therefore, he still has He is single. Now it is said that he is very interested in a scheming bitch. That woman is from Lao Bailian. She pretends to be innocent in front of him every day, but she is actually disgusting. I heard that she has already talked with her. There are many men, and all those men have dumped her, but he has a soft spot for her, which makes me sick just looking at him."

Shen Ning was stunned when he heard this.

Ji Qingshan is such a person!

"He is so bad, why do you still let him be a doctor? Then will the medicine he gave me be harmful?" she asked uneasily.

"Ahem, well." Li Jiaojiao scratched her head, "Bad character has nothing to do with medical skills. His medical skills are pretty good, so there is no problem in treating you, but you have to be careful not to let him touch you. Otherwise, my cousin will be angry."

"That's it, okay, I'll pay attention." Shen Ning was really frightened by what Li Jiaojiao said about Ji Qingshan, and nodded seriously.

Next, Li Jiaojiao chatted and joked with Shen Ning, making Shen Ning laugh happily from time to time.

"Cousin, it's almost time for lunch. Call your cousin quickly. Just say you want to eat Cantonese food from the east of the city, lobster." Li Jiaojiao picked up Shen Ning's cell phone and instigated her to call Li Zhenting.

Shen Ning liked Li Jiaojiao very much, so she agreed and called Li Zhenting's mobile phone.

Li Zhenting was busy racing against the clock at this time. After hearing this, he was a little bit dumbfounded. This is not what Shen Ning wants to eat. Cantonese food. The big lobster is clearly what Li Jiaojiao wants to eat.

"Ningning, is Jiaojiao at your place?" he asked with a smile.

"Well, yes." Shen Ning confirmed.

"Okay, I'll pick you up later and let's eat together." Li Zhenting hung up the phone and shook his head helplessly.

"How is it? Has my cousin agreed?" Li Jiaojiao asked immediately as soon as Shen Ning put down the phone.

"Shanshan agreed." Shen Ning smiled.

yeah! Li Jiaojiao cheered, and the red lobster immediately flashed in her mind, making her hungry.

Chapter 1397: Li Zhenting's strength and loving wife 123

In the conference room.

Li Zhenting was holding a video conference when his cell phone suddenly vibrated on the table.

He picked it up and took a look.

Turns out it was a WeChat message from Shen Ning:

"Shanshan, do you have a bottle of Lafite? I want to drink it!"

He smiled and immediately sent a message: "Dear, yes, I'll have Lengxue send it to you later."

"Thank you Shanshan." After Shen Ning put down the phone, Xixi woke up and picked her up to check her diaper.

Li Jiaojiao puffed up her cheeks and thought for a while, then called the hotel in the east of the city and asked about the situation there in detail. When she turned around and saw Shen Ning changing Xixi's diaper, she picked up the diaper. Shen Ning's phone number sent a message to Li Zhenting: "Shanshan, I also want to eat hairy crabs, Norwegian salmon, and Italian beef bone soup. They were all just flown in from that hotel. They taste good."

Li Zhenting had just finished talking about a topic, and when he saw that Shen Ning had sent him a bunch of food, he could only smile slightly: "Okay, you can order your own food then. You can order whatever you want to eat. Don't be afraid of spending money."

"Thank you Shanshan."

"Silly girl, take a good rest first and I'll pick you up later."

"OK."

Li Jiaojiao put down the phone and laughed like a goose.

Li Zhenting dotes on his cousin-in-law so much now that if she wants to have all the moons in the sky, he will pick them for her.

Sure enough

Twelve o'clock sharp at noon.

Li Zhenting appeared in the ward on time.

"Ah, cousin, you're here." Li Jiaojiao looked at him with an expression of fake surprise.

Li Zhenting glanced at her coldly.

"Cousin, my cousin said she wanted to invite me to the Chengdong Hotel for dinner and a drink of Lafite, right, cousin." Li Jiaojiao hugged Shen Ning and acted coquettishly. "Okay, I definitely want something to eat." Shen Ning smiled.

Li Zhenting walked over and took the child from Shen Ning's arms, and asked tenderly: "Ning Ning, are you tired? Leave the child to me."

Shen Ning smiled: "Shanshan, let's treat Jiaojiao to dinner. She has been helping me take care of the children."

"Yes, yes." Li Zhenting nodded, "However, you can't eat this meal in the hotel. You haven't recovered yet, so you can't go out to that kind of place. I've asked the hotel to prepare it and are delivering it here."

"Cousin..." Li Jiaojiao wanted to say something after hearing this, but Li Zhenting looked at her and scared her so much that she didn't dare to say anything. However, as long as there is delicious food, it doesn't matter where it is.

After a while, the hotel sent rich meals, which were all mentioned on Shen Ning's list. Li Jiaojiao was so happy that she picked them up and ate them.

Lengxue also sent a bottle of Lafite red wine.

Li Zhenting asked the two special nurses to come and eat together. Everyone sat around the table and had a good time eating, and the atmosphere was very good.

Not long after, the cold-faced Ji Qingshan walked in.

As soon as he came in, his eyes fell on Li Jiaojiao's face, and he wanted to eat her.

Unexpectedly, one morning passed, and Li Jiaojiao actually knew that he was here but for the first time, she did not follow him or bother him. This was the first time. He felt something was not right. He happened to pass by and wanted to see if she was there. After leaving, who would have expected that as soon as he came in, he saw her eating happily and happily, her eyes darkened.

"Professor Ji, let's have dinner together." Li Zhenting greeted him warmly when he saw him.

"Cousin, no need, dogs don't need to eat, they only eat dog food." Li Jiaojiao immediately answered loudly.

Everyone looked at each other in shock. Didn't this show that they were calling Ji Qingshan a dog?

Ji Qingshan's lips twitched, and he walked up to Li Jiaojiao expressionlessly, picked up the big crab in her bowl, looked at it, and threw it into her bowl again with a "thud".

"Hey, bastard." Li Jiaojiao had a bowl of soup in front of her. The big crab was thrown into her soup and splashed in her face. Li Jiaojiao cursed angrily.

Ji Qingshan turned around and walked away expressionlessly.

Chapter 1398: Li Zhenting's strength and loving wife 124

afternoon.

"Mr. Li, Team Wang just called and said that Rao Yajing admitted all the charges and Liang Ruqi may be acquitted." Li Zhenting was drinking tea and hurried over in cold blood.

Li Zhenting's eyes narrowed dangerously.

"Can the police station release criminals without charge like this?" His tone was gloomy. It is impossible that Liang Ruqi was not involved in Shen Ning's injury. It should be the focus, but he was released like this. It is unfair to Rao Yajing and Shen Ning. It's also unfair.

"But there was no way. Rao Yajing admitted all the charges, and they passed on all the evidence. Obviously, they knew they would be caught and were prepared."

"Then didn't Cao An confess that Liang Ruqi instigated him to push Shen Ning?"

"Yes, but he changed his confession again at the police station, and Li Jinchang also came forward."

"Okay, I'll take note of this account first." Li Zhenting sneered, "It's easy to change the situation, but the nature is hard to change. If Liang Ruqi comes out and continues to do evil, then I will definitely let her sit in jail. You sent Please keep an eye on her."

"Okay, I understand." Lengxue left.

Li Zhenting punched the desk.

In the ward.

Li Jiaojiao lay down on another hospital bed and fell asleep after eating and drinking at noon. Suddenly, she was awakened by a pain in her stomach.

She got up.

"No, I have diarrhea." She got up and ran towards the toilet.

"Jiaojiao, what's wrong with you?" Shen Ning asked with concern after she ran away twice.

"Stomach hurts, diarrhea." Li Jiaojiao clutched her stomach with a look of pain on her face.

"How come you have diarrhea?" Shen Ning was very surprised.

"I don't know." Li Jiaojiao burped.

"My cousin may have eaten too much." A special nurse said. Today, Li Jiaojiao tried her best to eat the big crabs at noon. She ate five of them. It would be strange if she didn't **** after eating so much. "But I never had diarrhea after eating ten at a time." Li Jiaojiao refused.

As soon as I finished speaking, I ran in and pulled it again.

After a while, there was only one bathroom in the ward and there were so many people. Li Jiaojiao had no choice but to turn around and run to the public toilet outside.

But as soon as he ran out not far, he bumped into someone's arms.

"I'm sorry, I'm sorry." She apologized immediately.

"Hmph." At this moment, a cold snort came from above, followed by disdainful words, "You are such a lingering ghost, you will haunt me wherever I go."

Ji Qingshan had a cold face. He thought this woman had changed her gender. She hadn't bothered him all morning. It turned out that she was fascinated by the food. Now she deliberately bumped into his arms. What a shame!

Li Jiaojiao was startled, why did this voice sound like that dog man's?

She raised her eyes in panic, and sure enough, Ji Qingshan's iceberg face was right in front of her!

This doggy man was looking at her with extremely contemptuous eyes, his eyebrows were sinister, and he had no good intentions at first sight.

"Get out of here." At this moment, there was a sharp pain in her stomach, and she was about to pull it out. She pushed hard and ran towards the toilet, letting out a stuffy fart along the way.

Ji Qingshan felt a strange smell coming over him. He sniffed and said with disgust on his face: "It really stinks."

Seeing Li Jiaojiao rushing into the toilet at a speed of one thousand meters, an unpredictable sneer flashed in his eyes.

"Gluttony, you deserve it!"

He turned around and walked towards Shen Ning's ward.

"Ouch." Li Jiaojiao once again pulled people off their feet. She had no strength left in her body and cold sweat covered her forehead. She walked weakly towards the ward.

As soon as he walked to the door of the ward, he heard Ji Qingshan's voice.

"Ning Ning, you need to be quiet now. There are too many people in this ward. It's best not to let irrelevant people in."

When Li Jiaojiao heard this, she asked Shen Ning to drive her away, and she became furious!

"Ji Qingshan, you are a villain, you actually instigated my cousin-in-law to drive me away. What are your intentions and who do you think you are?" Li Jiaojiao rushed in and pointed at Ji Qingshan and scolded her.

Ji Qingshan said with a dark face: "You can be kicked out just by your actions now. You are shouting in the ward, disturbing the patients' rest, and behaving indecently. I am a doctor, so I can kick you out now."

"How dare you..." Li Jiaojiao was so angry that she went crazy.

"Then do you want to try? See if I can drive you away?"

"You villain, you bastard." Li Jiaojiao gritted her teeth and cursed. Suddenly, "Ouch." She covered her stomach with both hands, turned around and ran towards the toilet.

Ji Qingshan looked at her back with a teasing smile on his lips.

"Qingshan, why are you having trouble with a little girl?" Seeing the two of them going head-to-head, Shen Ning already knew that not only did they know each other, but they had already known each other, so she immediately persuaded Ji Qingshan.

Ji Qingshan's expression softened a little: "Ning Ning, you don't know how willful and unruly she is, and she is very annoying. She can't change if she doesn't get punished."

Shen Ning smiled: "I think she's outspoken and cute, and it's quite fun."

Ji Qingshan stopped talking after hearing this.

"Ouch, I feel so uncomfortable." At this time, Li Jiaojiao walked out with her belly bent, shouting as she walked, with a painful look on her face.

"Professor Ji, she may have eaten the wrong thing, or she may have food poisoning. Please give her a look." Shen Ning felt distressed when he saw a little girl being tortured like this, and hurriedly asked Ji Qingshan for help.

Ji Qingshan looked at her disdainfully and said, "You eat and drink like crazy, you are just greedy, you deserve it!"

"Ji Mingshou, as a doctor, you saw the patient in pain. Not only did you not save him, but you also made sarcastic remarks. Your medical ethics are too poor and you are not worthy of being a doctor. You are adding insult to injury to a girl. You are narrow-minded and unworthy of being a man. I despise you." Listen. Ji Qingshan's sarcastic words made the angry Li Jiaojiao speak with disdain.

"Hey, you have such a tough mouth." Ji Qingshan was probably angry and sneered, "Let me tell you, for Ning Ning's sake, I will let you go for now and won't kick you out. If you do it again If you dare to act recklessly, I will kick you out and you will never be allowed to enter this hospital again. If you don't believe me, just wait and see and you can take care of yourself."

After speaking, he gave her a cold look, turned around and left.

"You **** man, you really **** me off." Li Jiaojiao was so angry and had a stomachache that she ran to the toilet several times. Finally, her hands and feet were weak and she lay on the hospital bed groaning.

Shen Ning couldn't stand it any longer, so she asked special care to take her to see a doctor.

Unexpectedly, when the special nurse took Li Jiaojiao to register, there were no more numbers, so she had to go to the emergency room.

The emergency doctor was a young girl. After examining her, he diagnosed her with acute gastroenteritis and immediately prescribed a sling bottle for her.

Li Jiaojiao was always spoiled and didn't want to be crowded in the hall to get a bottle. She had to ask the nurse to give her a bottle in Shen Ning's ward. The nurse didn't want to, so she called her mother. The relationship between the Li family and this family She had a good relationship with the hospital, and immediately the hospital opened a separate ward for her.

So, she lay on the hospital bed and hung up the bottle comfortably.

After she finished using the bottle, her diarrhea symptoms did not improve much. She still had to have a bowel movement every half an hour. She was almost exhausted from diarrhea.

At 3:30 in the afternoon, Li Zhenting took the time to go to Blue Whale Kindergarten to pick up Coco, Ding Ding, Xiao Xiao and Lan Lan to go home.

The four little guys were very happy to see him and quickly climbed into his car.

Chapter 1400: Li Zhenting's strength and loving wife 126

"Daddy, where is my mommy?" The little guys were looking for Shen Ning in the car as soon as they got up. They hadn't seen Shen Ning for almost ten days. They missed their mommy so much, but they didn't expect that she would still be there. I didn't see it, so I couldn't help but ask.

Li Zhenting smiled slightly: "Your mother's cold hasn't healed yet, and she's still in the hospital."

"Why have you been sick for so long? We need to go visit mommy." When Xiaoxiao heard that mommy had been sick for so long, she felt very distressed and clamored to see Shen Ning.

Li Zhenting said: "Go back to your great-grandfather and great-grandmother's house first. Your mother is not cured yet, and it will be bad if she infects you."

"Daddy, is our mommy very ill?" The circles under her eyes were red. She has not recovered after being ill for so long, so she must be very ill.

"No, it's just a common cold, but it's contagious." Li Zhenting immediately assured, "Daddy promises that you will be able to see Mommy after a while. I believe in Daddy, okay?"

"Okay." Xiaoxiao pursed his lips, but he was very unhappy in his heart and kept a frown on his face.

Li Zhenting drove the children back to Li's old house and went in to see the old man. The medical team happened to be there. After understanding the situation with them, he received a call from the company and turned around to leave.

The weather is getting dark.

Xiaoxiao curled up in the corner of the sofa.

She misses her mother very much every night, feels completely insecure, and is very afraid of the dark.

Coco and Ding Ding were playing checkers. Boys had bigger hearts. Although they also missed Mommy, Daddy said Mommy just had a cold, so they didn't care so much.

Lan Lan twisted her chubby little legs and walked to Xiao Xiao's side.

"Xiao Xiao, eat the cake." She took a piece of cake and handed it to Xiao Xiao.

"Thank you." Xiaoxiao doesn't like Lanlan, but Lanlan has been very enthusiastic to her in the past two days, and it's hard for her to refuse. Moreover, the cake Lanlan brings is also what she likes to eat. Unlike Lanlan, she doesn't care about Lanlan. There was food everywhere, but she couldn't find it, so she took it and put it in her mouth.

"Xiaoxiao, do you miss mommy?" Lan Lan asked with concern while eating. "Um."

"By the way, Xiaoxiao, have you heard that your mommy was thrown to death?" Lan Lan suddenly whispered into Xiaoxiao's ear.

"What?" Xiao Xiao's face turned pale and her eyes filled with tears. "Lan Lan, you are talking nonsense. You are so bad. It was your mommy who was thrown to death. You even cursed my mommy. I will ignore you." ."

Xiao Xiao was so angry that he threw the cake into the trash can and walked upstairs while crying.

Ke Lanlan followed and said mysteriously: "I'm not talking nonsense. Really, I heard a lot of people say that your mommy went to the back mountain to look for her daddy and was pushed down the mountain by bad guys and fell to her death."

With a "wow" sound, Xiaoxiao was so frightened that he cried loudly, crying and shouting: "Mommy, where are you? I miss you so much."

Lan Lan looked at it with a proud smile on her face.

She really heard that her little mommy was pushed down the mountain by bad guys and fell to her death. However, she didn't listen to the servants in Li's old house, but her own mommy Shen Mei. This paragraph At that time, Shen Mei often called her and told her this.

"Xiaoxiao, what's wrong with you?" Sister Wang heard the cry and immediately ran over and asked with concern.

Today, Housekeeper Luo delivered the meals to the hospital, so Sister Wang has time to take care of the children.

"Auntie, I want mommy, I miss mommy." Xiaoxiao's face was filled with tears.

Upon hearing this, Sister Wang hurriedly coaxed: "Xiao Xiaoguai, your mommy is in the hospital now. She has a cold."

Regarding Shen Ning's illness and its causes and consequences, Li Zhenting had already issued a ban at home and no one was allowed to mention it. After all, the old man and the children could not bear such a blow. Therefore, Sister Wang and the others were all on the same page.
