

## Troublemakers 141

Chapter 141 Hold her hand very tightly

"I'm sorry, Ding Ding, Auntie is delayed by something this time, and Auntie promises that she will never be late again." Shen Ning immediately squatted down in front of Ding Ding, apologizing softly, feeling very guilty.

The child didn't have dinner at this time because she didn't come back, which made her feel very distressed.

"Auntie, is that villain still bullying you today?" Ding Ding asked worriedly as he stroked Shen Ning's slapped cheek with his small hand.

Shen Ning's eyes were flushed, and he shook his head quickly: "No, don't worry, there will be no villains to bully me in the future."

"Okay, if anyone dares to bully you again, tell me right away, and I will avenge you." Ding Ding solemnly urged with his fists clenched.

Shen Ning nodded heavily, and said seriously: "Ding Ding, you have to promise Auntie, if Auntie is not around in the future, you have to eat well."

"Okay." The little guy agreed after thinking for a while, pecking his head.

"Then let's pull Gougou." Shen Ning stretched out his little finger worriedly.

"Okay, pull Gougou." Ding Ding also stretched out his little finger.

Mother and son pulled Gogo and swore, both smiling.

Li Zhenting stood aside and looked at them coldly.

Next, Shen Ning started to get busy.

She first took care of Ding Ding to eat and drink medicine, and then took him to take a bath.

After he came out of the shower, Ding Ding wanted to play games again.

In the past few days, Shen Ning has been playing a parent-child game with Ding Ding, which is helpful for the stability of the child's psychological quality and the cultivation of resilience.

When she was in the United States, she often played this kind of game with Ke Ke and Xiao Xiao. The children were very happy, but the only regret was that there was no Daddy to participate.

Today's game also requires Li Zhenting's participation. After all, parent-child games will be better if daddy participates. When I was in the United States, there was no way.

Ding Ding immediately stretched out his little hand to Li Zhenting.

Li Zhenting gave Shen Ning a cold look, walked over, and gave the little guy his finger.

As soon as Xiao Ding Ding took his hand, he tightly held his and Shen Ning's hands together, not letting them separate.

Shen Ning quickly said: "Ding Ding, you don't need Daddy and Auntie to hold hands. Your mommy will be angry if she sees this."

She tried hard to free her fingers, but Li Zhenting didn't know whether it was intentional or not, he held her hand very tightly.

It took Shen Ning quite a bit of strength to break free, and gave him an annoyed look.

The corners of Li Zhenting's lips curled up slightly.

"It's like this. Each of us walks on the bed with our index finger and middle finger, and then we take turns calling stop. Once we call stop, our fingers will jump into the circle. Whoever gets in faster wins."

"How about winning?" Li Zhenting said indifferently.

"In principle, whoever wins can tickle the loser." Shen Ning told the truth.

Li Zhenting rubbed his fingers: "No problem."

"No, whoever wins will get the money." Ding Ding suddenly objected loudly.

Uh, this little money fanatic!

Li Zhenting's face darkened, and he stared at Ding Ding to express his disapproval.

"No, I want money, I want money." Tintin twisted his buttocks and complained.

"Okay, I agree." Shen Ning quickly helped his son, "The minority obeys the majority."

Li Zhenting's face darkened. These days, no matter what he played with the two of them, he would lose. He had already lost a lot to Shen Ning.

"Okay." In the end, he could only agree.

Shen Ning pursed his lips and smiled.

The game started, and the three of them took turns calling for a stop.

Every time he yelled to stop, Ding Ding deliberately blocked Li Zhenting's finger, and then Shen Ning's finger took the opportunity to jump in.

After a few laps like this, without exception, Li Zhenting lost another 100,000.

Of course, all the money went into Shen Ning's pocket.

Seeing Daddy lose money, Ding Ding was very happy, his little face was blushing.

Shen Ning was also happy, she was in need of money, and the money came really fast.

Only Li Zhenting hated his teeth itching, and was very dissatisfied with Ding Ding who was eating inside and out.

But he is such a stingy person that he doesn't care about this little money.

After playing for a while, Shen Ning was afraid that Ding Ding would be too excited to sleep, so she arranged for Li Zhenting to tell him a story, while she found an excuse to go to the bathroom.

She must break away at the right time, otherwise, when she leaves, Ding Ding will not adapt.

In the shower room, just as Shen Ning walked in, the phone rang suddenly.

Chapter 142 Coco is missing

Shen Ning looked down and saw that the call was from Aunt Dong, and his heart skipped a beat for no reason.

"Miss, it's not good, Ke Ke and Xiao Xiao haven't come home yet." As soon as the phone was connected, Aunt Dong's anxious voice came from there.

Shen Ning's heart sank rapidly.

"Aunt Dong, didn't they come home after school?" Shen Ning first locked the bathroom door, then lowered his voice and tried to ask in a calm tone.

"Miss, Keke and Xiaoxiao called me after school and said they were going to play at a classmate's house. I told them not to play too late, and they agreed. Later, after I finished cooking, I called Keke. Ke Ke said that her classmate's mommy would keep them for dinner, and asked her classmate's mommy to tell me. I had to agree, and asked them to go home on time at eight o'clock. At eight o'clock, I called Ke Ke again, and he said I'll be home soon, and I've been waiting at home, but it's almost nine o'clock now, and they haven't come back yet, I just called Ke Ke, and the phone is already shut down." Aunt Dong cried out as she spoke. come on,

"Miss, I'm sorry, I'm so confused, I shouldn't agree to them going to a classmate's house to play."

"Aunt Dong, don't worry, do you know the name of the classmate's house they went to?" Shen Ning asked after thinking about it.

"No, I don't know. I called Ke Ke, and I forgot to ask the classmate's mommy's name. I was so careless." Aunt Dong burst into tears in anxiety.

Shen Ning was very anxious when he heard it.

"Aunt Dong, don't cry. Keke and Xiaoxiao are sensible and smart children. They usually go home by themselves. Nothing will happen. I'll call the teacher first and I'll be right back." She comforted Aunt Xiadong hung up the phone and ran out in a hurry.

You can just push the door open.

I saw Li Zhenting leaning against the door frame, looking at her coldly.

"Boss Li, it's time for me to go home." She said hurriedly, and walked outside him.

But as soon as he took a step, his arm was pulled by Li Zhenting.

She was pulled back several steps, and her back was pressed against the door panel.

"What happened last night?" Li Zhenting looked at her sternly.

Shen Ning sneered: "President Li, do you think I will seduce a scum like Lai Hongyu?"

"Normally not, but if it's for profit, it's hard to say." After all, Gu Qi has reached a very critical moment, and she was still struggling with funding issues a few days ago.

"Hey." Shen Ning said hey: "Mr. Li, it's up to you if you want to say that, but I will find evidence. I have to leave now, so I won't talk nonsense with you." Shen Ning pushed him away. , walked out.

Li Zhenting sneered behind his back: "Jing Chenxi will wait for you outside."

Shen Ning didn't bother to turn around and talk to him!

Name Kee Internet Cafe.

"Brother, are you done?" Xiaoxiao rubbed her eyes with her hands and asked.

"Soon." Ke Ke's face was full of anger, and her little finger kept clicking on the keys.

Too hateful!

After school today, he accidentally turned on his smartphone, and saw that all the hot searches were full of indecent photos of Mommy, and Mommy was badly written on it. If this continues, Mommy will be searched by human flesh.

This must be someone deliberately framed Mommy!

Thinking of how Mommy was beaten up like that last night, he was so angry that he dragged Xiao Xiao to an Internet cafe. In order not to worry about Grandma Dong, he called her and said that he was going to play at a classmate's house. .

When he came to the Internet cafe, he found out with horror that the black mummy's post was sent by a black website, and the IP address could not be found at all.

He first used hackers to block all the bad information about the black mommy, and soon, the indecent photos and words of mommy could not be found on the hot search.

Then

He breathed a sigh of relief and was about to take revenge.

Chapter 143 Do we still want this daddy?

Coco then started looking for the IP address that framed Mommy!

Through layer upon layer of tracing, I finally found a terminal URL, but upon closer inspection, this URL was a foreign server, and the culprit could only be found through technical analysis.

However, he is sure that the person who posted the post must be from the imperial capital, because a signal was found from this server, which was sent from the imperial capital.

At this point, he knew it well.

"Okay." An hour later, he clapped his hands and wiped the sweat from his forehead, and finally succeeded!

The IP of this post is invalid. At the same time, he sent this IP address to Gu Qi's CEO mailbox. Mommy will find the culprit together with the computer technician based on this.

"Brother, let's go home quickly. Mommy is going home at this time. She and Grandma Dong will be anxious if they don't see us." Xiaoxiao rubbed her eyes again. In a daze.

Xiaoxiao doesn't know how to use computers, and doesn't like to play these games. Therefore, it's a cloud for her to follow Ke Ke.

"good."

The two little ones walked outside with their schoolbags on their backs. The little figures were lonely and lonely.

"Brother, Daddy is going to marry that ugly witch Shen Mei on National Day, do we still want this Daddy?" Xiao Xiao asked sadly looking at the stars in the sky.

Since she was a child, she envied other people's children to have a daddy, who held them high and held them high, and they could happily ride on his neck, and his daddy would also drive them in various vehicles to buy delicious food. Yes, but she and Ke Ke don't have a father, and they have never seen each other.

Now I finally found it, but this daddy is going to marry another woman, and he is going to be the daddy of that annoying Lan Lan, so sad.

"Daddy is a must." Ke Ke said maturely, "It's great to have a daddy, and it's also great for Mommy to have a husband."

"But now Tintin can't stop Daddy from marrying that ugly witch, and even made himself sick, causing Mommy to stay with him for a week." The little eyes were red.

Ke Ke patted his sister's little head: "Ding Ding has no mommy since he was a child, so pitiful, we can't be jealous of him, we should give him mommy for a while."

"All right."

"Don't worry, we will join forces with Ding Ding to prevent Daddy from marrying that ugly witch." Coco comforted Xiao Xiao confidently.

Xiao Xiao looked at Ke Ke adoringly, and nodded heavily.

At this time they passed a snack stand, and Xiao Xiao couldn't move anymore.

"Brother, I'm so hungry."

"I'm hungry too, let's eat something first."

So, the two little ones happily bought and ate. Of course, the money on Ke Ke's phone was still asking Li Zhenting for money while pretending to be Tintin.

When Shen Ning returned home, Aunt Dong was already running around like ants on a hot pot.

Shen Ning was also dizzy at this moment. She called the school teacher just now, and the teacher told her that Ke Ke and Xiao Xiao didn't say which classmate's house they were going to play.

The teacher also criticized her, saying that parents should pick up and drop off such young children in time, and not let them go home alone, and this week, both Ke Ke and Xiao Xiao were in a bad state of mind, and they were sluggish when they went to school.

Shen Ning was anxious and blamed himself.

She vowed to hand over the company to Uncle Marley after he took over. She had to take care of the three children first.

Fortunately, after a while, Ke Ke and Xiao Xiao came back.

The two little ones ate until their faces and noses were covered with oil residue, and they walked in from the door hand in hand.

"Ke Ke, little one." She and Aunt Dong went up and hugged them one by one.

But no matter how she asked, Ke Ke and Xiao Xiao only said that they went to the food street with their classmates, and never mentioned the matter of helping Mommy suppress indecent photos.

Shen Ning was shocked, but fortunately, there was no danger!

the next day.

Shen Ning directly announced that Uncle Marley would be the vice president of Gucci, handing over almost all the rights to him.

And Ma Li did not live up to his expectations. A week later, he joined forces with Shen Ning to find evidence of crimes against Yan Zexiong, Ji Hongmei, and Shen Mei's confidantes, and directly expelled them all.

A week later, the perfumery officially entered the production process and everything was up and running.

Chapter 144 Please don't interfere with me

Seven o'clock in the evening.

Shen Ning arrived at Li's Castle on time.

Today is Ding Ding's first day out of the hospital. To congratulate him, she bought a handful of flowers on the way here.

The old castle of the Li family was brightly lit, and many servants were busy.

Shen Ning looked for Ding Ding as soon as he entered.

She is not interested in everything here, she just wants to spend every precious minute and every second on her children.

If the baby is fine, she is fine!

"Sister, tomorrow is my birthday. Zhenting is going to hold a party for me. Since you are here, I will invite you to attend." When going upstairs, Shen Mei stopped in front of her and spoke triumphantly.

The corners of Shen Ning's lips twitched, and he said indifferently: "I'm sorry, I have to go to work, and my job is just to take care of Tintin."

Would this woman kindly invite her to her birthday party? Of course she tried to humiliate her so that she wouldn't fall into her trap.

At this time, Shen Mei's eyes fell on the flowers in her hand, and she frowned in disgust: "What are you doing with such inferior flowers, throw them away quickly."

"No, Ding Ding was discharged from the hospital on the first day. I bought this for him as a gift." Shen Ning ignored her and continued walking towards Ding Ding's bedroom with flowers.

Shen Mei was furious and rushed over to grab the flowers in her hand.

Shen Ning had expected that she would have such a hand, and vigilantly raised the flower above his head.

Shen Mei didn't grab it, so she pushed her back hard.

Shen Ning was pushed to the ground, but she still held the flowers tightly in her hands.

"Mom...Auntie."

Ding Ding, who had been waiting for Shen Ning to come over in the room, heard Shen Ning's voice in the corridor. He was so happy, he hurriedly opened the door and ran out to greet him. Who knew that as soon as he came out, he saw Shen Mei maliciously pushing Mommy to the ground, and was so angry No, rush up and grab Shen Ning's arm, help her up, turn to glare at Shen Mei,

"Mommy, how can you treat aunt like this, she is my respected teacher."

"Teacher Fart, Ding Ding, come here." Shen Mei stared, "She just came here to scam money, to get close to your daddy, she doesn't understand anything, don't be fooled by her."

"No, she is my best teacher, and also the gentlest and kindest aunt, I want her." Ding Ding replied angrily, "Please don't interfere with me."

"Ding Ding, here are the flowers for you. I wish you good health and success from now on." After standing still, Shen Ning immediately gave the flowers in her hand to Ding Ding, wishing her affectionately.

"Thank you." Ding Ding took the flowers from Shen Ning's hand, put them under his nose and smelled them, his face that didn't like to smile was full of smiles, and he couldn't put it down.

Shen Mei has neither face nor face, she is gnashing her teeth with hatred in her heart.

Shen Ning ignored her, took Ding Ding's little hand and walked towards the bedroom.

Shen Mei looked at the intimate backs of their mother and son, a gloomy hatred flashed in her eyes.

"Mum, I'm hungry." Back in the bedroom, Shen Ning was going to take Ding Ding to take a bath first, and then play some parent-child games with him, but he didn't expect Ding Ding to say this.

"Didn't you have dinner?" she asked in surprise.

"No, look, I have a tongue." Ding Ding shook his head pitifully, and made a painful expression after sticking out his tongue.

Shen Ning's heart sank, and when he looked carefully, his little tongue was indeed a little red.

"What's wrong?" She asked anxiously.

"Spicy, so spicy, my tongue hurts." Ding Ding sucked his tongue, his voice was slurred.

Shen Ning immediately called Housekeeper Luo. After asking, she found out that today is Li Wanqing's fasting day. She went to the church and hasn't returned yet. Li Zhenting delayed work because of Tintin's illness and was working overtime at night. Shen Mei ordered the kitchen to do all the work. The dishes she likes are all spicy.

Ding Ding was forced to eat a few mouthfuls, so hot that he burst into tears, so he had no choice but to go upstairs without eating.

Chapter 145 No matter how you look at it, they look like a mother and son!

Shen Ning felt distressed when he heard it.

It is good for children to catch a cold. The stomach and throat are delicate, and they are still taking medicine. How can they eat spicy food?

"Ding Ding, what do you want to eat, Mommy will make it for you now." She immediately stood up and asked.

"Mommy, I want to drink porridge with clear vegetables, fried minced pork with capers and beans, and thin-skin dumplings." Ding Ding replied after thinking for a while.

"Okay, you wait here first, Mommy will go down and do it right away." Shen Ning kissed his forehead, turned and walked downstairs.

"Mommy, I'll go with you." Ding Ding didn't want to stay in the bedroom alone and followed.

In the kitchen, Shen Ning got busy.

She is no stranger to this kitchen. She has struggled here for two years and cooked for Li Zhenting every day. She uses it with ease.

Cooking porridge, cutting meat, kneading noodles, and stir-frying vegetables, she moved swiftly.

Ding Ding followed beside him, talking one after another, wherever Shen Ning went, he would follow him, he was a complete follower.

When Li Zhenting came back, he saw that the kitchen was in full swing, steam was rising from the pot, the woman was concentrating on cooking, the child followed by, pointing here and there and asking, the woman explained patiently, how warm and harmonious the picture.

No matter how they look, they look like a mother and son!

He stood in a daze.

"Okay, you can start eating." At this time, Shen Ning wiped his hands on the apron, picked up the iron spoon, and a bowl of hot thin-skinned dumplings came out of the pan.

"Let's eat." Ding Ding smiled and hurriedly climbed to the table and sat down, put his hands on the table, and looked at Mommy.

Shen Ning arranged the meals and opened the casserole with a smile.

immediately

A fragrance lingers in the air.

"Wow, that's great, thank you Mommy." Ding Ding puffed up his hands.

He didn't see Li Zhenting standing aside at all, and even his mother called out.

"Come on, let's eat." Shen Ning picked up a bowl and filled a bowl of porridge, put it in front of Ding Ding, and began to take care of him to eat dumplings.

Ding Ding ate very sweetly, wishing he could lick the bowl dry.

Shen Ning kept saying 'slow down, don't get burned. '

Li Zhenting suddenly felt empty in his stomach, and then realized that he even forgot to eat dinner in order to catch up with overtime work and come back early to see his son.

At this time, I smelled the fragrance of the food, and my stomach was really, really hungry!

"Cough, cough." He cleared his voice on purpose, and walked over with a straight face.

When Shen Ning looked up and saw him, his face changed color.

How long has this devil been here? Just now Ding Ding called her mommy, did he hear that?

But seeing his calm and indifferent face, he probably didn't hear it.

"Boss Li, you're back." After she greeted lightly, she lowered her head and continued to take care of Ding Ding for dinner, treating him like air.

"Daddy." Ding Ding just bowed his head to eat after calling him.

Li Zhenting sat down at the dining table.

Six years ago, as long as he sat at the dining table like this every day, Shen Ning would serve the meals, pack the meals for him, scoop the soup, serve him like a nanny, and take care of him as comfortably as a child.

But today, after he sat down at the dining table, she didn't even look at him, which made him very uncomfortable.

He cleared his throat again.

"Daddy, if you want to eat, you can pretend it yourself." Even Ding Ding could see what he was thinking, and opened his mouth without raising his head.

Uh, now, Li Zhenting's old face can't hold back anymore.

Shen Ning also raised his head: "Boss Li, I cook a lot today, if you want to eat, you can eat leftovers yourself."

After finishing speaking, he lowered his head and went to pick capers for Ding Ding.

Well, Li Zhenting is really hungry, this familiar food taste is fatally alluring to him, now Shen Ning has nothing to do with him, and he can't force to enjoy that kind of treatment.

He stood up, went to get the bowls and chopsticks, filled the porridge, and ate the dumplings.

#### Chapter 146 Don't Call the Wrong Mommy Next Time

Ding Ding made a face at Shen Ning, meaning to mock Daddy's initial pretense.

Shen Ning pursed his lips and smiled.

"Ding Ding, don't call other people mommy casually in the future, you know?" At this time, Li Zhenting probably sensed that Ding Ding was laughing at him, so he put on a serious face and taught him a lesson.

This little guy is becoming more and more unruly. Shen Mei is still at this house, so he calls someone else's mommy. Let Shen Mei know what she thinks.

Shen Ning's heart tightened when he heard the words, and then he immediately let go of his heart.

Sure enough, he really heard Ding Ding call her mommy, but he didn't believe it, which is great!

"Yes, Ding Ding, you can't call the wrong mommy next time." She immediately winked at Ding Ding, reminding her softly.

"Okay." Ding Ding bowed his head and agreed, but he was not convinced at all in his heart.

Shen Ning is his own mother, okay? He was right.

At this time, upstairs, Lan Lan came out of the bedroom wearing a small floral nightgown to play with Ding Ding, but she couldn't find it, so she had to go downstairs. When she went downstairs, she smelled the fragrance, and immediately her stomach rang. .

The dishes tonight are too spicy, and she is not full.

She ran to the kitchen.

"Daddy, I want to eat too." As soon as she entered the kitchen, she saw Shen Ning. Lan Lan stared at her with big eyes, but spoke to Li Zhenting.

Li Zhenting saw that his bowl was almost devoured by her, and the pot seemed to be gone, which is not easy to handle.

"Lan Lan, do you want to eat? Auntie will cook it for you." Shen Ning looked at the child's face full of hunger and haha. As a mother, although she was not her own child, it was poor, so she immediately asked enthusiastically.

"Yes." Lan Lan nodded.

"Then hurry up and sit down. There are still several in Ding Ding's bowl. Let's eat together first. I'll cook it right away." She carried Lan Lan to Ding Ding and sat down next to Ding Ding, and asked Ding Ding to share a few among them. She just turned around and went busy.

Li Zhenting looked at Ding Ding in surprise.

The child has changed so much!

In the past, Ding Ding not only never had a smiling face, but even hated Lan Lan. Not to mention giving her dumplings, even if there was something to eat, he would rather throw it away than give it to her. The two often quarreled.

But now, they are sitting together happily, really like brothers and sisters.

It seems that Shen Ning really has some magical powers.

After he was stunned, Li Wanqing came back.

It happened that Shen Ning's dumplings came out of the pan.

When Li Wanqing came home, she saw her son and grandchildren sitting together, and Shen Ning was busy in the kitchen, her eyes were a little moist.

How long has she been looking forward to this scene, if her son can... But then she thought about it, her heart sank, Shen Mei had already given birth to a pair of children for Zhen Ting, now, how could it be possible!

She sighed secretly, walked up to Shen Ning in frustration, and greeted Shen Ning warmly. Looking at the green porridge, she also felt hungry, and the family of five happily ate around the dining table.

Upstairs is Ding Ding's bedroom.

Shen Ning and Ding Ding were about to play a game, when they suddenly saw Lan Lan standing by the door, staring at Ding Ding for a moment, showing no intention of leaving.

She froze for a moment. When she looked at Tintin, the little guy was very cold and unwilling to talk to her at all.

For a while, she was a little funny.

"Lan Lan, I'm playing a game with Ding Ding, do you want to join?" She asked softly.

"Good." Lan Lan was very happy.

Shen Ning smiled and waved to her: "Then come here."

Lan Lan walked in happily.

Although she doesn't like Shen Mei, she still doesn't reject Lan Lan. After all, she is still young, so she can have bad intentions.

She began to teach Ding Ding and Lan Lan to play some games of solidarity and friendship to enhance their relationship, otherwise, Ding Ding would have a companion after she was gone.

Ding Ding didn't like Lan Lan at first, but under Shen Ning's guidance, he gradually stopped being so indifferent to her.

And Lan Lan also corrected the bad habit of bullying Ding Ding, and gradually became able to respect Ding Ding's character.

#### Chapter 147 Can't Find a Woman's Thing

Eight fifty.

Shen Ning turned off the lights on time and let Ding Ding and Lan Lan go to bed.

Thinking of Keke and Xiaoxiao at home, she was so anxious that she wished she could fly back with her wings.

But as soon as he walked to the corridor, he happened to meet Li Zhenting who was wearing a bathrobe.

"You leave later, move Tintin to my bedroom before going back." Li Zhenting ordered.

"Why?" Shen Ning was shocked.

Moved to Li Zhenting's bedroom? Do you want Ding Ding to act as a light bulb between him and Shen Mei?

Seeing the evil thoughts on her face, Li Zhenting snorted coldly: "Ding Ding likes to have nightmares at night, I want to take care of him personally. I'm worried that if I move him after you leave, he won't be suitable, so you stay a little longer, Let him sleep peacefully in my room before leaving."

He explained and walked towards Tintin's bedroom.

Shen Ning understood and agreed.

After a while, Li Zhenting walked into his bedroom holding Ding Ding who was already asleep.

Shen Ning held his little hand beside him, afraid that he would wake up.

Ding Ding probably felt uneasy, and turned over.

Shen Ning immediately patted his back, and Ding Ding fell asleep again.

Just settled down, Li Zhenting's cell phone rang, afraid of disturbing the children, he immediately went out with his cell phone.

Shen Ning sat on the head of the bed, and then looked at the bedroom.

Last time, Ding Ding was still sick, so she didn't have time to look around here.

The bedroom is all light gray, which matches the dark black of the wardrobe, making it noble and quiet.

In the past, this was the wedding room of her and Li Zhenting. Here, she stayed alone in the vacant room for two years... At that time, she was looking forward to his figure appearing every day, but it was always a flower in the mirror, a moon in the water.

Her nose was a little sore, and she suddenly felt something was wrong.

Isn't Li Zhenting's bedroom also Shen Mei's bedroom, so is it appropriate for her to stay here like this? In case Shen Mei came in... She stood up.

can be very fast

She looked around the entire bedroom, but she didn't find a woman's thing.

The whole space is filled with the atmosphere of forbidden bathing, without any femininity.

Could it be...

While she was in a daze, Li Zhenting came in after making a phone call.

"Boss Li, Ding Ding has fallen asleep, I have to go." She gently opened the child's hand, whispered and walked outside.

"Shen Ning, I heard that Gu Qi, you have fired many executives." Li Zhenting followed and stood against the wall. His dark blue bathrobe made his skin look like snow, and his eyes were black and bright.

"Yes." Shen Ning said blankly, "Do you want to know the evidence of Yan Zexiong and Ji Hongmei?"

She stared at him coldly.

He looked at her too.

"No need." Li Zhenting said suddenly, with a deep smile on his lips.

Hey! Leng Ning smiled coldly, turned around and left.

He is guilty and dare not know, after all, Yan Zexiong and Ji Hongmei have already confessed everything, behind them are Shen Mei's mother and daughter, and he just wants to protect them.

Her eyes were cold, and she walked out quickly.

Looking at her back, Li Zhenting pondered for a while, reached into his pocket and took out a cigarette...

"Shen Ning." Just as Shen Ning walked out of the living room, suddenly, someone called her not far away.

She was startled, and turned her head away. Shen Mei was standing under a big tree and looking at her, her eyes were terribly cold.

She gave her a cold look, thinking about Ke Ke and Xiao Xiao, she was about to walk over.

"Shen Ning, how does it feel to give up your own son to someone else?" At this time, Shen Mei spoke from behind like a ghost.

Shen Ning's face changed color in shock, and he turned around abruptly.

Chapter 148 Please don't hurt them

"Shen Mei, what do you mean?" Shen Ning asked nervously.

The corners of Shen Mei's lips evoked a wicked smile: "Shen Ning, don't pretend to be confused, you already know that Ding Ding is your son, right?"

Shen Ning's face was pale, and then he said angrily: "So, you took my son and made it yours?" "So what if it's true? So what if it's not?"

Shen Ning blushed with anger: "Shen Mei, you even did this kind of thing, I won't let you go."

"I'm afraid you will be finished before your revenge." Shen Mei put away the smile on her face, "But I can tell you, you should thank me, I raised Ding Ding for you, otherwise Ding Ding would have Dead, back then, this matter had nothing to do with me."

Shen Ning smiled contemptuously: "Shen Mei, do you think I will believe it?"

"Believe it or not is up to you, but if you want to find evidence, it's almost impossible." Shen Mei had a plan in mind, and suddenly, she stepped forward and lowered her voice: "Shen Ning, you are not only a son of Ding Ding, but also a son of Tintin. There is a cocoa bar, you were twins back then, let me tell you, I know everything about you, if you listen to me and be smart, I might let Tintin go and treat him better, otherwise, I will tell Li Zhenting the fact that you still have a son. In this way, do you think you can still have Cocoa? Li Zhenting will definitely take away the custody of Cocoa immediately. By then, you will never see the child again. I and Zhenting Ting is going to get married soon, and in the future you will have a pair of children in my hands, I can torture them as much as I want, maybe they will grow up."

Shen Ning's whole body seemed to be hit by ice \*\*\*\* falling from the sky, and his whole body was shivering from the cold.

The thing she fears the most is coming!

It doesn't matter what she does, but she is a mother, and she will not allow her child to be hurt a little bit, absolutely not.

"Haha." Shen Mei laughed wantonly.

Shen Ning is like a wilted eggplant with no fighting spirit anymore.

If Shen Mei has never won since her return, then from now on, she has won all of them!

"What do you want?" She said weakly.

"From now on, you have to do what I want you to do. You must obey my command, otherwise, you will bear the consequences." Shen Mei spoke harshly, with a smug and cold smile flashing in her eyes.

Shen Ning's whole body is like falling into the 18th floor of hell, and the pain broke her whole heart.

"Shen Mei, come at me whatever you want. The children are innocent, please don't hurt them."  
She softened all of a sudden, begging Shen Mei bitterly.

Shen Mei smiled coldly, and suddenly squeezed her arm hard, squeezing it hard.

Severe pain came from his arm, Shen Ning bit his lip, not daring to snort.

Shen Mei looked at the pain she was enduring, with a smug smile on her face.

She was finally able to subdue this woman.

Wu Lili had never given anything good before, but this time, it was a huge surprise.

Next, she will make good use of these two children to make her life worse than death, and see how she can still be majestic in front of her.

The night is dark and the earth is vast.

Shen Ning walked step by step on the black street like a soulless ghost.

Ding Ding, Ke Ke, this pair of hard-working children unexpectedly encountered such a terrifying demon!

If she was the only one facing Shen Mei, ten of them would not be able to do anything to her, but now, the children are still young.

She is a mother, and it is her responsibility to protect the child, but what about her father... Li Zhenting's handsome and cold face flashed in front of her eyes, and there was something called hatred in her heart that was soaring. This man did nothing but cover Shen Mei Pass!

She walked in a daze with her head bowed, the lonely street lamp stretched her slender figure, she looked up blankly, the bustling night scene filled the entire sky, the world is so big, there is no place for her and the three children!

Chapter 149 This stinking villain specializes in bullying Mommy

On the stone chair downstairs in Zhengsheng Apartment.

Shen Ning sat with his head bowed, tears like broken beads.

At some point, she saw that the lights at home that she had been reluctant to extinguish for a long time finally went out, and then dragged her exhausted body into the house.

"Miss, why are you so pale?" Aunt Dong looked at Shen Ning's pale face, full of worry and concern.

Shen Ning's eyes were empty, and he didn't speak for a long time.

"Poor child, what happened to you? Tell Aunt Dong, even if Aunt Dong can't help you, she can help you." Aunt Dong took her hand and comforted her.

"Aunt Dong, we may be moving soon." Shen Ning leaned her head on Aunt Dong's shoulder and shed bitter tears.

Aunt Dong laughed when she heard the words: "This place is broken and small, just in time for us to move back to the white villa."

"No, can't move there."

That is the lair of Shen Mei's mother and daughter, going there is like throwing oneself into a trap.

"Then let's find another place. As long as you want, Aunt Dong will follow you wherever you go."

"Thank you, Aunt Dong." Shen Ning hugged Aunt Dong and wiped her tears.

the next day.

Shen Ning was finally able to send Ke Ke and Xiao Xiao to kindergarten.

She enjoys spending quality time with her kids!

If they move next, the pair of children will probably be out of school for a while.

"Mum, did you sleep well last night?" On the school bus, Ke Ke looked at Mummy's pale face and asked worriedly.

"No, Mommy slept well last night." Shen Ning smiled at Ke Ke.

Last night, she had a nightmare all night, and it was the moment when she was pushed into the sea by Shen Mei. She cried in her dream and woke up Aunt Dong.

In the middle of the night, Aunt Dong hugged her and comforted her before she fell asleep.

I feel dizzy after waking up in the morning.

"Mum, you don't have to work too hard, don't worry, we will make money to support our family when we grow up." Xiaoxiao looked at Mummy's face, her eyes were red.

Mommy is so poor!

Xiao Xiao only felt that Mummy's whole heart was heavy and she couldn't breathe. She was so worried.

"Thank you Xiaoxiao." Shen Ning hugged Xiaoxiao into his arms and hugged her tightly.

Holding the little meat dumpling, she felt warm in her heart. She vowed to make her child live happily and never let Li Zhenting \*\*\*\* cocoa away.

In the kindergarten.

"Brother, Mummy has always been worried that you will be snatched away by Daddy, and worried that you will be abused by that ugly witch. What I read told Coco.

Coco's heart ached when he heard it: "Don't worry, even if Daddy snatches me away, I won't follow him. This stinking villain is only bullying Mommy. I want to deal with him."

The little guy was so angry that he clenched his fists tightly.

"Yes." Xiao Xiaozhong nodded.

"Xiao Xiao, Mommy must have been bullied in Li's Castle, no, I'm going to Li's Castle to find out the situation today." Coco said immediately.

"Okay, I'm going too." Xiao Xiao immediately agreed.

"By the way, we'll go to Tintin later to discuss countermeasures. Last time, grandma told you to go to Li's Castle often, so you can go there openly, and I'll get in." Coco has already made his own decision .

"good."

Xiaoxiao looked at her brother adoringly, anyway, what he said was right!

the next day.

Lights and festoons lit up Li's Castle, and it was very lively.

Shen Mei's twenty-fourth birthday party has begun.

Chapter 150 shameless, shameless

"Ning Ning, the first batch of perfume will be launched tomorrow to make money, are you happy?" When Shen Ning arrived at Gucci's office early in the morning, Ma Li walked in excitedly.

"Happy, thank you, Uncle Marley." Shen Ning thanked happily.

Because of the success of the tea party some time ago, a lot of advertising was invested, there were a lot of orders, and the money was visible to the naked eye.

"I'm so happy, the old Gucci is back." Marley also smiled like a child.

At this moment, Shen Ning's cell phone rang.

When she saw that it was Shen Mei calling, her heart sank.

"Shen Ning, I order you to come to Li's Castle to see me immediately." The call came from Shen Mei, who was giving orders arrogantly over there.

Shen Ning's fist was clenched.

"Shen Ning, if you don't come, you will be at your own risk." Shen Mei dropped this sentence viciously and hung up the phone.

Shen Ning's eyelids twitched, and his teeth were clenched.

"Uncle Marley, Gu Qi will be handed over to you for the time being. I hope you can protect everything here for my mother's sake. I will thank you then." After thinking for a while, she sincerely asked Marley road.

Marley smiled honestly: "Ningning, don't worry, since I'm here, I will do everything I can to help you develop Gu Qi."

"Thank you, thank you." Shen Ning thanked again with tears in his eyes.

She remembered what her mother said: Ningning, if you take over Gu Qi in the future, you must use Uncle Marley, he will keep the company.

She walked outside with a pantothenic nose.

Li's Castle.

When Shen Ning rushed over, the villa was full of joy and busy.

She took a look, at least one-third of the nannies and staff members of the Li family were dispatched to help.

There is no other reasonable explanation for a woman who has not yet married to celebrate such a big birthday in Li's Castle, except for Li Zhenting's love.

She also stayed here for two years, and spent two birthdays, each time was deserted, no one remembered, probably this is how unfavored women are left out in the husband's house.

She felt sore, sniffed, and walked in.

However, what she didn't expect was that Lan Feiyun was also here!

When she saw the mother and daughter, she felt disgust in her heart.

"Shen Ning, come here and sign this contract." As soon as she stood still in Shen Mei's room, Shen Mei threw a stack of contracts at her domineeringly.

"What contract?" Shen Ning asked vigilantly.

"See for yourself." Shen Mei said arrogantly.

"Meimei, Ningning is your sister, don't have such an attitude." At this time, Lan Feiyun stood up and blamed Shen Mei for a few words, and smiled at Shen Ning: "Ningning, come and sit here Bar."

Shen Ning looked at her coldly, without moving.

"Ning Ning, when will you bring Ke Ke and Xiao Xiao home for a reunion dinner?" Lan Feiyun asked enthusiastically.

She intentionally bit the word 'cocoa' very hard!

Shen Ning felt a chill in an instant.

"Sorry, I have to take care of Ding Ding now, and I don't have time." Her tone was indifferent.

"Oh, then you must go there when you have time, your father was still thinking about you yesterday." Lan Feiyun smiled.

Shen Ning sneered in his heart.

Will Shen Deshun miss her? For so many years, when she was wandering in the gate of hell, he never looked for her.

The only thing in his heart is Shen Mei, his daughter!

"Ning Ning, your father's company, Shen's Group, has performed very poorly this year, losing tens of millions. Your father is worried every day. He can't even eat, and his hair is all white. As a daughter, you should take responsibility for it." part of the responsibility."

Hearing this, Shen Ning seemed to think of something, and immediately picked up the contract that Shen Mei threw to her and opened it. Sure enough, it actually asked Shen Ning to send all 90% of Gu Qi's money to Lan Fei. under the name of the cloud.

It's shameless, shameless!
