Chapter 1411: Li Zhenting's strength and loving wife 137

"Young mistress, haven't you eaten?" Shen Ning was very preoccupied and in a daze after she returned to the bedroom. She had lost her good appetite for the past few days. She only drank a little soup from the meal sent by Sister Wang at noon. Sister Wang looked at her. In this way, I am very worried. After all, she was in very good condition a few days ago.

"I can't eat it, Sister Wang, please take it away." Shen Ning lay half on the bed, her eyes slightly closed, feeling weak.

"Young lady, are you okay? What's wrong with you?" Sister Wang was surprised and asked with concern.

"It's okay. The little guy was so noisy last night that he didn't sleep well. I just need to catch up on my sleep." Shen Ning turned over and said calmly.

"Oh, okay, you must eat more at night." Sister Wang could only put down the food.

In the afternoon, Li Zhenting picked up Coco, Ding Ding and Xiao Xiao.

"Mommy." The little ones swarmed to Shen Ning, climbed onto her bed, crawled to her side, and snuggled into her arms.

The fear and doubt in Shen Ning's heart were instantly covered by maternal love. She hugged the children and touched their little heads, and the pale color on her face faded a lot.

"Ning Ning, Ke Ke, Ding Ding, Xiao Xiao, look what I bought you?" Not long after, Li Zhenting's voice rang in the corridor.

Soon, he walked in carrying a large bag of hot food.

"I want."

"I also want."

...

Several little guys crawled over immediately.

Warm sugar-fried millet seeds, mochi, and some other delicious-looking snacks!

"It's delicious." Several little guys immediately started to eat it.

Generally speaking, Li Zhenting does not give these snacks to children because he thinks they are unclean, but he has the chefs of his five-star hotels specially make these snacks. Because Shen Ning loves to eat them, he also makes an exception to let the children eat them. Eat some.

In order to get these snacks back, he came back from get off work early.

Looking at the children rushing to eat happily, Li Zhenting felt warm and warm in his heart.

Sudden

He looked at Shen Ning.

These are her favorite foods, so why don't I see her coming to eat them? Shen Ning was sitting on the bedside, head lowered, in a trance.

"Ning Ning, why don't you eat? I brought a lot, enough to eat." He thought she was worried enough, so he didn't fight with the children and said immediately.

But Shen Ning still lowered his head and said nothing.

Li Zhenting walked over and took a fried millet, peeled off the skin, came over, brought it to Shen Ning's lips, and said dotingly: "Ning Ning, try it, it's good, the millet is imported, it's big and pink. "

Shen Ning opened his mouth.

Li Zhenting stuffed millet seeds into her mouth.

She chewed it, and it was indeed sweet and pink, which was her favorite. But at this moment, she could not taste the happy taste, nor could she appreciate the delicious taste of millet seeds. She only felt a little bitter.

After a while, Li Zhenting saw that she had finished eating, and brought some more to peel and feed to her.

"I don't want to eat it." Shen Ning lowered her head and refused.

"Isn't it delicious?"

Shen Ning lowered his head and said nothing, his eyes lowered.

Li Zhenting was a little strange. When he took a closer look, he was shocked.

Shen Ning's face turned pale, her eyes were red, and her whole body was wilted.

"Ning Ning, what's wrong with you? Did something happen to you?" he asked in surprise.

Shen Ning reluctantly shook her head. She didn't want the children to see her unhappiness, let alone let her emotions affect them.

Li Zhenting frowned. Not knowing what happened to her, he sat down next to her and held her hand.

Shen Ning did not take out her hand and let him hold it, but without the usual enthusiasm.

Chapter 1412: Li Zhenting's strength and loving wife 138

"Ning Ning, tell me, why are you unhappy?" After all five little ones were asleep, Li Zhenting sat next to Shen Ning and asked very thoughtfully.

She has been depressed until today, and her attitude towards him has also changed significantly. She didn't eat anything at dinner. Sister Wang had told him what happened at noon. He concluded that something must have happened to her, or maybe something happened to her. , she thought of all the bad things he did to her in the past, so she reacted like this.

Shen Ning lowered his eyebrows and said nothing.

"Ning Ning, tell me, let me know why." Li Zhenting held her hand and asked again.

Shen Ning suddenly raised his head, with questioning and distrust in his clear eyes.

"Shanshan, I have had five children with you. Why don't you want to marry me or give me a status? You keep saying that you love me and the children, but you have been unwilling to marry me for so many years because of other women. I'm married, what do you think I am?" She asked coldly, with a look of grievance on her face.

Li Zhenting was stunned.

"Ning Ning, can you remember the past?" he asked in surprise.

Shen Ning looked at him and said sadly: "Because that's how it was in the past, right? Whether I remember the past or not, what does it matter?"

Li Zhenting couldn't tell for a moment whether she remembered the past or what happened, but the fact was that he had indeed abandoned her for Shen Mei and Fake Xiaofeng.

A trace of guilt flashed in his eyes,

Shen Ning was extremely sensitive, and the eyes she looked at him were getting colder and colder. The guilt in the man's eyes seemed to explain everything.

"You go, I don't want to see you again." She said coldly.

"Ning Ning, things are not what you think."

"So what? Now the fact is that I have given birth to five children for you, but we are still unmarried. Doesn't the result explain everything?" She asked coldly.

"Ning Ning, I have already said that we will get married on the 8th of next month. It's not that I don't want to, but because you have lost your memory now, and I'm afraid of forcing others to do something difficult." Li Zhenting became anxious.

"So what? The fact is that we have known each other for so many years and your children are so old that you only thought of marrying me. Is this a fact? It means that your love is all hypocritical and you are deceiving me." Shen Ning was emotional, "Belated affection is worse than grass. Do I need this kind of marriage?"

"Ning Ning, tell me, who told you these things?" By now, Li Zhenting had judged that Shen Ning had not recovered her memory. Apparently, she had heard someone say something in front of her.

"No matter who told me, it's the truth. Go away, I don't want to see you again." Shen Ning pushed Li Zhenting away, feeling so heartbroken that she couldn't help herself.

Is this the love that she has been guarding wholeheartedly? The truth is so cruel!

With tears all over her face, she only knew that her heart and eyes were full of him, their love, his care for her, their time together... It turned out that it was just appearances, but her heart really loved him. Ah.

Unable to push him away, she squatted on the ground and cried helplessly, fearing to wake the children. Her voice was very low and her cries were suppressed.

Li Zhenting was heartbroken and bent down to hug her, but her rejection of him was beyond his expectation. As long as he stretched out his hand to her, she would bounce back and leave him like a plague. It seemed that the farther away, the better...

At this time, two special nurses came in after washing up. Seeing Shen Ning's condition, they hurriedly called Li Zhenting outside and told him everything that happened today.

Li Zhenting finally understood the whole story.

He asked two special guards to take care of Shen Ning while he walked towards the study.

Chapter 1413: Li Zhenting's strength and loving wife 139

In the study.

Li Zhenting lit a cigarette and puffed out smoke. His handsome and solemn face was full of pain in the smoke.

He and Shen Ning have gone through so much and finally ushered in the future, but even the slightest mention of the thorns in the past would cause her pain again. What should we do in the future?

Although Liang Ruqi is hateful, what she said is true!

When Shen Ning heard Li Zhenting's footsteps walking out, her heart felt as if someone had taken it away. The attachment and admiration for him during this period seemed to be forcibly peeled off from the tip of her heart at this moment. ,painfully.

Her tears flowed more quickly.

"Young lady, please go to bed and rest first, the ground is cold." Two special guards came over and told her to go to bed and rest.

"Don't call me Young Mistress, I am not. I am Miss Shen, and I have nothing to do with him." Shen Ning said sensitively, with pain on her face.

Tehu said softly: "You have to believe Mr. Li and don't listen to that woman's nonsense. She has no good intentions."

"But what she said is true. It has nothing to do with whether I believe it or not." Shen Ning kept shaking her head.

"What she said may not be true. The truth is often confused by illusions." Tehu denied it.

"Then do you know the truth? If you do, tell me."

"I, I don't know, I just came here not long ago, you have to believe that Mr. Li's love for you, we all see it."

Shen Ning was stunned.

"Get up first, the ground is cold, have a good rest, and don't think about it. Mr. Li will definitely give you a satisfactory answer." The special nurse persuaded her and helped her onto the bed.

Shen Ning fell on the bed and looked at the three little guys sleeping next to her. As she watched them, her heart calmed down little by little. She was no longer as sad and painful as before.

No matter what, she still has children!

only.

At night without Li Zhenting, her heart was empty and she had nowhere to rest.

During this period of time, she got used to his company and adapted to his embrace. Now, her side was deserted, and she suddenly felt empty from heart to soul.

I rolled over and fell on my side. I don't know when I fell asleep.

But in her dream, she kept dreaming that she was abandoned by Li Zhenting, that she married a younger and more beautiful wife, that she was kicked out, and that the children were not given to her. She was so sad that she cried loudly in her dream.

Li Zhenting sat in the study and smoked two cigarettes, still worried about Shen Ning. He couldn't bear to hear her crying now. As long as she cried, his heart would feel like it was being crushed.

He stood up and walked quietly towards her bedroom.

The bedroom was very quiet, everyone must have been asleep, and the night light was on beside the bed.

He walked in gently.

Shen Ning had fallen asleep and her beautiful eyebrows were knitted together. When he bent down to look, he saw tears all over her face.

He sat down by the bed, gently stroked her eyebrows with his fingertips, smoothed them, and then sat guarding her.

"Child, my child." After a while, Shen Ning muttered in her sleep.

He immediately turned his head and saw the pain on her face and her hands grasping in the air.

"Ning Ning, the child is here." He held her hands and comforted her.

But as soon as his hand touched her fingers, Shen Ning grabbed his hand tightly and wouldn't let go, as if she had grasped a life-saving straw.

"Ning Ning, Ning Ning." He called her softly.

"Shanshan, don't, don't abandon me, I love you." Shen Ning held his finger tightly and cried in her sleep.

Li Zhenting was stunned for a moment, and the softness in his heart was touched, throbbing.

"Ning Ning, I love you too. Don't worry, I won't abandon you. Let's get married. Can we get married?" He picked her up and murmured.

"Shanshan." Shen Ning wrapped her hands tightly around his neck, buried her head in his chest, and cried loudly.

"Ning Ning, don't cry." Li Zhenting glanced at the sleeping child next to him, picked her up with both hands, and carried her towards his bedroom.

Chapter 1414: Li Zhenting's strength and loving wife 140

"Shanshan, don't abandon me, I'm afraid." Shen Ning whimpered in his arms, like a helpless child, holding his neck tightly with her hands.

Li Zhenting put her on his big bed, but she refused to let go.

He could only sleep on his side on the bed and hold her in his arms.

"Ning Ning, Ning Ning." He called her name softly.

"Shanshan, Shanshan, I love you, please don't leave me." Shen Ning closed her eyes tightly and cried, her face thrust into his arms.

"Ning Ning, I love you too." Li Zhenting's mood was agitated. The woman's body was troubling his nerves because she was not quiet all the time. The buttons of her pajamas on her chest were unbuttoned, and the scenery inside was unobstructed.

Li Zhenting suddenly held her face in his hands and kissed her fiercely with his fiery lips... As if sensing the deep love, Shen Ning also actively cooperated with him...

The two of them were like dry wood meeting a fierce fire, and the room was filled with passion and charm.

At last I don't know when, they fell asleep.

In the early morning, the window screen blocked all the morning light.

When Shen Ning opened her eyes, she saw herself sleeping in a man's arms. The man's strong chest, strong heartbeat, and bare upper body...

Her eyes widened.

She and Shanshan were naked and hugging each other tightly. That night... their faces instantly turned red, reaching the roots of their ears and neck.

She remembered that she had had a night of **** dreams last night, and now it seemed that they were all true.

She pushed him away violently and sat up.

"Ning Ning." Li Zhenting was woken up by her push and took her arm, "It's still early, let's sleep a little longer."

"You..." Shen Ning suddenly beat his chest and started crying.

"Stop crying, Ning Ning, tell me, how can you be happy?"

"Why did you touch me?" Shen Ning asked sobbing.

"Because of love." Li Zhenting was silent for a while and then replied. "But you love me, why don't you marry me?"

"I said, we will get married on the 8th of next month. I never said I wouldn't marry you." Li Zhenting replied firmly again.

Shen Ning looked at him without saying anything.

Li Zhenting pulled her into his arms and suddenly asked: "Ning Ning, let me ask you now, are you willing to marry me? If you regain your memory in the future, will you hate me for forcing you to marry me when you lose your memory? marry?"

Shen Ning looked at him blankly.

"Say, do you love me?" He pressed again and again.

Even though he heard her saying she loved him again and again in her dream last night, it was just a dream after all. He wanted her to tell him in person when she was awake.

Shen Ning still didn't speak.

"Ning Ning, if you don't love me, or don't want to marry me, then don't worry, I won't make things difficult for you. I will give you the custody of my five children, and then I will be responsible for all living expenses, and you can just make arrangements for them. Stay with the children peacefully, I will not disturb you again." Li Zhenting added.

Before she lost her memory, she went to Lawyer Niu over and over again because she was reluctant to leave her children and didn't want to leave them.

He is a man and would rather endure hardship himself than make the woman he loves suffer.

"No, no, I love you, I want to be with you, you can't leave me and the children." Shen Ning suddenly hugged him and cried bitterly, "If I don't have you, I can't live."

The pain of losing him was something she couldn't bear. In this life, she didn't know how to live without love. She didn't care about anything, she just wanted to be with the man she loved. Her children couldn't live without it. Daddy.

No matter what happened before, as long as he loves her, that's enough!

"Okay, I understand. Thank you, Ning Ning. I love you too. Don't worry, I won't leave you. We will get married soon." Li Zhenting was so excited that he held Shen Ning's face with his hands and kissed her softly. .

Shen Ning kissed him back.

The two embraced each other passionately in this poetic and hazy morning, and once again gave themselves to each other.

...

Chapter 1415: Li Zhenting's strength and loving wife 141

In the study.

"Zhen Ting, have you made your decision?" Li Wanqing asked solemnly.

This time, Li Jinchang is also here.

"Yes, grandpa's illness has become very serious. I decided to marry Ning Ning immediately." Li Zhenting answered firmly and solemnly.

"Zhen Ting, this is a major event in life. You must not only be responsible for yourself but also for Shen Ning. After all, it has been so uneventful for you to get to this point. There are also children. You must take care of all aspects. If you are not careful, you may I'm afraid it will be endless trouble." Li Jinchang thought for a moment and replied.

"Dad, Mom, I have made a decision, and I have made it after careful consideration. I am a man, and I must give Ningning and the child a happy home. This is my responsibility. If anything happens in the future, I will bear it alone. It has nothing to do with others. If Ning Ning blames me in the future, I will bear everything and have no regrets." Li Zhenting replied firmly.

Li Wanqing sighed: "Zhen Ting, you are an adult now, we can only give you opinions, you can make your own decision."

"Okay, then it's settled." Li Zhenting said, turned around and left.

Li Wanqing and Li Jinchang looked at each other. Although they felt that it was not a good thing to do things too hastily, their son was older and they could not change his mind. What else could they do but obey.

After Li Zhenting came out of the study, he went directly to the old man's bedroom.

The old man and the old lady were sitting on the balcony holding hands and basking in the sun.

Li Zhenting stood at the door, looking at the backs of the two old people hugging each other, and felt a lot in that moment.

Grandpa and grandma have been in love all their lives, and it is also a blessing to be able to be so dependent on each other when they are old.

His relationship with Shen Ning should come to an end. He must give Shen Ning some protection. This is his responsibility as a man.

"Grandpa, grandma." After a while, he walked in.

"Zhen Ting." The two old men saw their favorite grandson with smiles on their faces.

"Grandpa, grandma, I have good news to tell you." Li Zhenting knelt down in front of them.

"What's the news?" The old lady smiled.

"Grandpa, grandma, I am planning to marry Shen Ning. The date has been brought forward and it will be next Saturday." Li Zhenting said. He thought his grandparents would be very happy. After all, they had long been looking forward to his family's reunion. Telling them also wanted to make them happy.

"Okay, okay, my grandparents will definitely attend." Sure enough, the old man was very happy.

"Thank you, grandpa and grandma." Li Zhenting held the hands of the two old people, with mixed feelings in his heart.

Shen Ning was surrounded by Li Zhenting's love last night, and she felt much more stable when she got up today.

After Housekeeper Luo sent Coco, Ding Ding and Xiao Xiao to kindergarten, she prepared to take Xi Xi and Beibei for a walk in the garden as usual.

As soon as he walked downstairs, he saw Li Zhenting standing at the gate making a phone call.

She pushed the two little guys over.

"Ning Ning." Li Zhenting immediately put down the phone when he saw Shen Ning coming over.

"Shanshan, didn't you go to work?"

"No." Li Zhenting smiled, took the cart from Shen Ning, and said, "Let's go for a walk in the garden together."

"good."

Li Zhenting pushed the trolley, Shen Ning followed beside him, and two special nurses followed with the children's daily necessities.

"Ning Ning, don't go out of the front and back doors when walking in the garden from now on, just walk inside." Li Zhenting warned seriously.

The back door is connected to the back mountain, which is not a good place. After leaving the front door, it is easy to meet people from other rooms in the Li family's old house. There are not many things going on, and grandpa's villa is definitely safe.

"Yes, I understand." Shen Ning replied obediently.

"Also, don't believe anyone else except me. You have to believe that I love you, understand?" Li Zhenting looked back at her and warned her lovingly.

"I understand, I understand."

Chapter 1416: Li Zhenting's strength and loving wife 142

"Ning Ning, we will get married next Saturday. I have already told my grandparents and parents. Do you think this is okay?" After the two walked away for a while, Li Zhenting carefully asked her opinion with a solemn expression.

Shen Ning stopped and looked up at him.

The man's dark eyes are as deep as the sea, and his deep eyes are covered with a layer of golden light like quicksand, which is breathtaking and quiet.

Her heart also beat.

"Ning Ning, answer me." Li Zhenting's breath was a little heavy, worried that she would regret it.

"Okay, Shanshan, I love you, and I will listen to you in everything you say." Shen Ning couldn't restrain her inner excitement and nodded heavily.

His Shanshan doesn't want to marry her, but he takes the initiative. He loves her and is a responsible man, so she really shouldn't believe what others say.

"Ning Ning, I love you too." Li Zhenting laughed and hugged her into his arms.

The two of them stood against the warm sun. In autumn, when the sky was high and the clouds were clear, everything was vast and far-reaching.

At this moment, they both heard each other's heartbeat and felt each other's love. All the obstacles between them disappeared, only happiness and love!

The next day.

Get up early in the morning.

Shen Ning gave it to Coco, and Ding Ding and Xiao Xiao took them downstairs after getting dressed.

"Ning Ning, have you brought your ID?" Li Zhenting came up to him and asked affectionately.

"Bring it." Shen Ning picked up the small bag in his hand.

"Okay, after sending the children off we will go to the Civil Affairs Bureau to get the certificate." Li Zhenting smiled.

A blush appeared on Shen Ning's face.

"Congratulations, young master, young mistress." Butler Luo happened to come over, very happy, and immediately congratulated them.

The young master and the young master finally have the day to be reunited! Very good!

"Thank you." Shen Ning smiled and thanked him.

"Yeah, mommy and daddy are finally getting married. It's great." The three little guys jumped up with joy, and their faces were all flushed with happiness.

Shen Ning looked at the children who were smiling happily and was sure that she was very happy at this moment.

"Let's go." Li Zhenting took her hand and the two of them walked towards the car.

At the entrance of the Civil Affairs Bureau.

Shen Ning stood at the foot of the steps and looked at a man and woman walking out holding hands and smiling. Happiness filled the air.

The high steps, the majestic door... For a moment, she had a similar feeling in her mind. "Ning Ning, come on up, it's our turn soon." Li Zhenting parked the car and walked over and took her arm affectionately.

"Okay." Shen Ning looked back and smiled, but her expression was a little dazed.

Li Zhenting held her arm, and the two of them stepped onto the steps together.

Half an hour later.

Two people walked out of it, each holding a red notebook in his hand.

"Ning Ning, we are finally a couple in the legal sense now. We will never be separated again in this life. We must be in love till the end of our lives." Li Zhenting handed the red book in his hand to Shen Ning's hand, "This is for you Just take it and keep it together."

"Okay." Shen Ning smiled, took the red notebook in his hand, and stroked it.

The red book still exudes the fragrance of the seal.

Li Zhenting lowered his head and kissed her forehead, then held her waist and walked towards the parking lot.

As he was approaching the parking lot, Li Zhenting's cell phone rang suddenly.

Li Zhenting let go of her and reached for the phone.

At that moment, Shen Ning felt an inexplicable emptiness and fear in her heart, as if some bad feeling suddenly emerged at that moment, and her face turned pale.

She stood blankly.

"I won't be going to work this week. The company's affairs will be handled by Lengxue for the time being. Please help me." After Li Zhenting answered the phone, he didn't know what was said, but he quickly ordered this.

A gust of wind blew, and Shen Ning felt a little chill all over.

"Ning Ning, what's wrong with you? Why do you look so ugly?" At this time, Li Zhenting had already put down his phone and looked at her with concern.

Her face looked very good just now!

"Shanshan, I..." Shen Ning looked at his face and hesitated.

Li Zhenting looked at her lovingly. Suddenly, he seemed to remember something and understood the reason why Shen Ning looked so bad. His heart sank, and a wave of self-blame and guilt surged into his heart.

Last time, they got their marriage certificate here, and he got a call from Xiaofeng, and then walked away regardless, leaving her alone here. Now that he thinks about it, he is really a bastard!

That time must have cast a huge shadow on her soul. Now in this same situation, the bad feeling hidden deep in her heart must have come up.

"Ning Ning." He called softly, bent down and picked her up, put her in his arms, and walked towards their car.

Next to the Rolls-Royce, he leaned her into his arms, stretched out one hand to open the door, then picked her up, put her into the passenger seat, walked around to the cab, and started the car.

It wasn't until the car had driven a long way that Shen Ning's suffocating and restless heart calmed down and her breathing became slightly easier.

Chapter 1417: Li Zhenting's strength and loving wife 143

For the next week, Li Zhenting did not go to work and started preparing for his wedding with Shen Ning.

Every procedure is done personally and Shen Ning's opinions are carefully sought.

As long as Shen Ning makes any request, he will respect it and do it according to her request.

Shen Ning truly felt the happiness of being loved and valued.

The two of them were happily preparing for the wedding.

"Mom, Li Zhenting and Shen Ning are getting married, and their wedding is scheduled for the day after tomorrow." In the living room, Shen Mei put down her phone and shouted to Lan Feiyun.

The entertainment news is full of news about the two of them getting married, and their wedding photos have also been enlarged and reproduced, and you can see the happiness through the screen.

Shen Mei was extremely jealous.

Since childhood, under the protection of Lan Feiyun, she had better food and clothing than Shen Ning. How could she become Li Zhenting's favorite woman, get true love, and become the richest wife of the richest man in the imperial capital? However, she could only become a woman through plastic surgery. She seems to be living in the darkness. The most important thing is that her daughter Lanlan can only live in her shadow and has no status!

She was mad with jealousy!

"I know." Lan Feiyun said calmly. She had seen the news a long time ago.

"Mom, I can't bear it anymore. When will we start taking action?" Shen Mei asked bitterly.

"You can't eat hot tofu in a hurry. Now Li Zhenting loves Shen Ning to the core. If you replace her at this time, it will be easy for him to see through. When the time comes, nothing will be accomplished. This matter can only wait." Lan Feiyun looked at him. Calm and unhurried.

Shen Mei's eyes flashed with cold light.

At this moment, the mobile phone rang.

She picked it up and saw that it was Lan Lan calling, so she pressed the hands-free button!

"Lanlan."

"Mommy." Lan Lan curled her lips and cried.

"What's wrong with you?" Shen Mei asked immediately.

"Mommy, Keke and Xiaoxiao bullied me." Lan Lan cried loudly.

When Shen Mei heard this, the anger she had been holding back suddenly burst out.

"Don't cry, tell mommy, what's going on?"

Lan Lan is her daughter, but since she was released from prison, she has been unable to meet Lan Lan because Li Zhenting sends someone to pick her up from the kindergarten every day, and Lan Lan is not allowed to go out and have contact with strangers. She has no way to meet her daughter. Enjoying the love between mother and daughter, she also missed Lanlan very much. Fortunately, Lanlan still kept her original phone number, so that she had the opportunity to talk to her.

"Mommy, when Coco gave the doll to Xiaomi, he refused to give it to me. She also scolded me for being shameless. Xiaoxiao also helped Coco scold me, which made me so angry. They called me a **** and a **** fat man." Lan Lan cried. My nose was red and tears were falling.

"Who is Xiaomi?" Shen Mei frowned upon hearing this.

"Mommy, Xiaomi is a child in kindergarten."

Shen Mei was furious. It seemed that Keke and Xiaoxiao were bullying Lanlan because she no longer had a mother to protect her. They would rather help outsiders than Lanlan. These little rabbits, let's see how I deal with you in the future!

"Go and tell daddy?" she ordered angrily.

Lan Lan cried even louder when she heard this.

"Daddy is busy with Aunt Shen Ning every day. Daddy is going to marry her and they will move back soon. Mommy, what should I do? I don't like living with Aunt Shen Ning and them. I Just Daddy and Mommy." Lan Lan cried so hard that she couldn't catch her breath.

Shen Mei clenched her fists and coaxed: "Lan Lan, don't be afraid, just live with them. Mommy will come to protect you soon."

Chapter 1418: Li Zhenting's strength and loving wife 144

"Really? Mommy, can you come back to protect me?" Lan Lan stopped crying and opened her eyes wide with light.

At that time, when Mommy was around, Daddy was very kind to him. He promised her everything and often took time to come over to accompany her. But now, she hasn't been able to see Daddy for several days. The last time, it was not easy. I went to live with my great-grandfather and great-grandmother, but her daddy immediately sent her back because she was crying. She was so lonely.

"Don't worry, Mommy will definitely find a way to protect you. You have to trust Mommy." Shen Mei assured her, touching her face.

Xiao Xiao sniffed and stopped crying.

"Xiao Xiao, you have to learn to protect yourself. Now that you have grown up, you will have to inherit the Li family's property in the future. If you don't know how to protect yourself and fight for yourself, you will be in trouble in the future. You have to remember "Remember: Grandma and Mommy can't protect you for the rest of your life. You have to rely on yourself for everything, understand?" Lan Feiyun took the phone and warned Lan Lan seriously.

"Okay, I understand." Lan Lan nodded as if she understood, "Don't worry, grandma, I will definitely win over all daddy's property."

"Well, Lan Lan is so good." Lan Feiyun smiled, praised her immediately, and explained something to her in detail before hanging up the phone.

Shen Mei wiped her tears with a tissue.

"Why are you crying? What kind of injustice can Lan Lan suffer in the Li family? Don't you know the virtues of your own daughter? Coco bought that doll. He can give it to whomever he likes. That is his freedom. With that What must be given to Lan Lan? Now your daughter is pestering Keke every day. She

likes Keke, but Keke doesn't like her. Do you understand?" Lan Feiyun looked at her daughter and said bluntly.

Shen Mei stopped crying after hearing this, and suddenly a smile appeared on her face: "Mom, you said Lan Lan likes Ke Ke. It would be nice if Lan Lan could marry Ke Ke when she grows up. Lan Lan would become the eldest daughter-in-law of the Li family. You also know that Lan Lan is not Li Zhenting's daughter at all, so it would be nice if we can do it this way."

"Stop dreaming about your Huangliang dreams. The current plan has not yet been implemented, and you have been worrying about it for so long, whether the child can develop according to your wishes." Lan Feiyun rolled her eyes at her.

"Mom, that's why we have to cultivate him from an early age. Doesn't Lan Lan like Coco now? Let her get in touch with Coco more and care about him more. Maybe they will have feelings for each other when they grow up. First come first served. The moon."

"I think you should not think so far ahead. Let's preserve our wealthy life first. If you don't have money, others will look down on you. The wealth is still firmly in your own hands. Besides, Lan Lan is not Li Zhenting's daughter. We don't know how long we can keep the truth hidden, so before it is discovered, we have to step up and implement our plan."

"Yeah, okay." Shen Mei nodded obediently.

This afternoon, Li Zhenting took Shen Ning to the department store to buy some daily necessities and a change of clothes for the children. Unexpectedly, as soon as he entered, he met Zhu Qixiong at the gate.

At this time, Zhu Qixiong was much more mature and stable than before when he was down and out, and the dandy and hip-hop style in him had basically faded away.

The loss of Xu Xiangzhi's mother and son made Zhu Dongjin put all his hopes on him. Perhaps he missed the benefits of Zhu Qixiong's mother in the past. Zhu Dongjin gradually woke up and now cares and loves Zhu Qixiong very much.

Although the Zhu Group has gone bankrupt, the previous contacts are still there, and part of the property transferred by Xu Xiangzhi has been frozen and is expected to be recovered. In this case, Zhu Dongjin has no choice but to revive the glory of the Zhu Group. This important task was handed over to Zhu Qixiong.

Now Zhu Dongjin once saw through Xu Xiangzhi's character and repented, and was about to send her to jail.

Hence, this stage is also a critical moment in the ongoing lawsuit between Zhu Dongjin and Xu Xiangzhi.

Zhu Qixiong began to formally enter the business world under the guidance of Zhu Dongjin, starting the road to revitalizing the glory of the Zhu Group.

"Ning Ning." Today, Zhu Qixiong came to inspect the market, and he was accompanied by his old subordinates from the Zhu Group. When he saw Shen Ning, he was stunned for a moment and stood there motionless.

Shen Ning was a little surprised when she heard someone calling her. She glanced at him and saw that he was unfamiliar and unfamiliar. She tightened her arm around Li Zhenting's arm and moved closer to Li Zhenting.

Li Zhenting reached over and hugged her waist, looking at Zhu Qixiong with playful and cold eyes.

"Master Zhu, Ning Ning and I are getting married on Saturday. You are welcome to come to Li's Castle for a wedding banquet." He extended the invitation generously, but his eyes were filled with the light of victory belonging to a man.

Zhu Qixiong's eyes dimmed and he immediately said, "Congratulations to Mr. Li. I wish Mr. Li and Mrs. Li a happy marriage and may their love grow old."

"Thank you, I will definitely do it." Li Zhenting replied meaningfully, holding Shen Ning's waist and walking forward.

Shen Ning looked at Zhu Qixiong with inquiring eyes, and Zhu Qixiong also looked at her.

The two looked at each other, and Shen Ning saw a feeling of sadness, helplessness, and sadness in the man's eyes, which made him feel a little strange.

"Shanshan, do I know that man?" She asked a little strangely after they walked over.

"He is one of the four young masters of the imperial capital. Many people know him. It is normal for you to know him."

"Oh." Shen Ning was relieved, holding Li Zhenting's arm and walking forward.

"Ning Ning, do you have feelings for him?" Li Zhenting suddenly lowered his head and looked at Shen Ning and asked a little sourly.

Shen Ning was startled and hit him.

"You are crazy, how could you have such thoughts? I have only loved you in my life."

Li Zhenting felt warm in his heart.

"You're so good, my Ning Ning is better." He said in a sweet voice.

Shen Ning was so good after losing her memory. She forgot about everyone except him, and he was the only one in her eyes and heart. This kind of Shen Ning made Li Zhenting extremely loved and satisfied. If possible, he really hopes that she can continue to lose her memory like this, so that they can be happy for a lifetime. But he can't be too selfish. He still hopes that she can recover her memory. After all, she has the right to know what happened in the past so that she can face it properly. to the future.

But when he thought of those photos, between her and Zhu Qixiong... a small bitterness flashed through his heart, but soon, it just passed by.

afternoon.

After Li Zhenting and Shen Ning came back from shopping, they rushed to Li's Castle.

After all, that is their home!

They are going back to Li's Castle to decorate the wedding room and celebration venue.

At this wedding, Li Zhenting wanted to start their new life, so they all wanted a new look! There is also a lot of movement that needs rectification!

When Li Zhenting came over with Shen Ning, the garden was being pruned and cleaned, and some electricians and carpenters were rectifying the wiring, replacing doors, ladders, etc. as required.

"Ning Ning, do you remember this place?" Li Zhenting walked in holding Shen Ning's hand and asked in a friendly voice.

Shen Ning looked around and had no memory, and asked curiously: "Shanshan, have I been here before?"

"Not only have you been here, you have also lived here for many years. This is our home."

"That's it." Shen Ning looked surprised.

A place where she has stayed for many years is still her home, but she has no memory at all. You can imagine how serious her memory loss is. Even so, she doesn't know when she will be able to regain her memory.

She sighed.

"Ning Ning, don't be discouraged. This will be our home from now on. We will remember everything slowly. At that time, my mother also said that she would transfer the property rights here to your name. When we have time, we will go and handle it together. Come on, you can stay here with peace of mind from now on, this is your real home." Li Zhenting comforted her thoughtfully.

Shen Ning was very shocked.

Should the ownership here be transferred to her?

This is the prime business district of the entire imperial capital. A large villa and manor like this with such a large green area would cost at least tens of billions.

"Shanshan, do you mean that Auntie wants to give it to me?" she asked in surprise.

In her impression after losing her memory, Li Wanqing seemed to be somewhat alienated from her and spoke little. He always seemed to have some dissatisfaction hidden when he saw her.

She thought that she never liked herself!

I didn't expect that she would be so kind to me!

"Yes, parents, grandparents, they used to be very kind to you and trusted you unconditionally. It can be said that you are their biological daughter and granddaughter, and I am the stepmother." Li Zhenting laughed to himself. laugh.

Is this so?

"What about after I lose my memory? Are they still treating me well?"

"Can't you feel it yourself?"

Shen Ning thought about it and found that her grandparents were indeed very kind to her, but Li Wanqing seemed to have an indescribable feeling.

However, it is indeed very good for her to offer to transfer such a good villa to her name.

It seems that she did not do well enough after losing her memory and failed to please her mother-in-law. She vowed to be more filial to Li Wanqing in the future so that she could regain her favor with her.

"It's all good." She replied quickly.

"Yeah." Li Zhenting smiled, held her hand and walked into the living room.

"Master, Mistress." There were several nannies at home. When they saw Li Zhenting bringing Shen Ning back, they immediately came forward to say hello.

Li Zhenting nodded and took Shen Ning upstairs to let her familiarize herself with the environment.

Shen Ning saw that the nannies looked familiar to her when they saw her, and confirmed that she had indeed lived here before.

"Ning Ning, this is our wedding room, what do you think?" Li Zhenting took Shen Ning to his large bedroom. The bedroom faces south and north, with a wide view. The bathroom is as big as a small guest room and is very comfortable inside. , golden nanmu antique. "It's pretty good, but the color is a bit cold." Shen Ning replied.

"Okay, a designer has already come over to take a look, and the drawings have been sent to me. You can take a look at it later and rearrange it according to your ideas." Li Zhenting said immediately.

"Thank you, Shanshan." Shen Ning had a grateful smile on her face. Li Zhenting really loved her in every way. As long as she wanted something, even if it was the moon in the sky, he would find a way to get it for her.

After a while, someone called Li Zhenting downstairs.

He is a garden craftsman, so I probably asked him for advice on garden design.

Li Zhenting told Shen Ning to rest upstairs first and come back when he goes out.

Shen Ning sat on the bed and looked at the bedroom layout plan that Li Zhenting sent him.

"Daddy." Not long after, there were footsteps on the stairs, and soon, the little girl's delicate cry was heard.

Shen Ning had not yet reacted.

I saw a little girl dressed exquisitely and beautifully running in.

The little girl is very beautiful, chubby, and very cute. Although she looks a little delicate, her chubby little round face looks very festive.

"Where's Daddy?" Lan Lan ran in excitedly, looking for Li Zhenting everywhere in the bedroom. When she didn't see Li Zhenting, she had to look at Shen Ning.

It turned out that Lanlan was so happy when she heard the nanny say that her daddy was back after coming home from school. She hadn't seen her daddy come back for several days. This was a good opportunity to show off, so as soon as she put her schoolbag away, she He ran upstairs without even taking the elevator.

Shen Ning looked at the little girl in a daze.

"Kid, who is your daddy?" After a moment of realization, she asked Lan Lan gently.
