

## Troublemakers 1421

### Chapter 1421: Li Zhenting's strength and loving wife 147

"You don't care who my father is." Lan Lan looked at Shen Ning and replied angrily, "Didn't you fall to death on the back mountain? Why are you back again? Are you a human or a ghost?"

Shen Ning was startled.

"Of course I am a human being. I did not fall to death. The wound is healed now." She forced a smile and replied softly.

Unexpectedly, Lanlan's eyes widened:

"How annoying. Why didn't you fall to death? I don't like you at all. You are a bad woman. I am just as annoying as you."

Shen Ning felt her chest twitch when she heard this

This is the first time someone has spoken to her like this since she lost her memory. The words were vicious, and this was just from the mouth of a little girl.

Don't people often say that children have no jokes? It is the truest expression of her heart.

Was she originally so annoying? For a little girl to hold a grudge like this!

She felt very unhappy!

"Kid, why do you hate me? What's your name?" Of course, Shen Ning would not argue with a little girl, she asked immediately.

"You don't recognize me?" Lan Lan looked at her very strangely when she heard this.

"Yes, I don't remember much about the past." Shen Ning smiled gently.

"Oh, I see. It turns out that you fell silly, but my dad still wants to marry you. He is confused by you. He should marry my mommy. My mommy is much better than you. She hasn't yet Silly, very smart and beautiful." Lan Lan smiled and said maliciously.

Shen Ning's heart felt like it had been punched hard again.

"You said it was your daddy who married me? Then your daddy is Shanshan, Li Zhenting?" Then she thought of something and asked while holding her breath.

"Of course, my dad is the most handsome and richest dad in the imperial capital. He loves me and my mommy the most. If it weren't for you, my mommy and I would be very happy, and they wouldn't get divorced. ." Lan Lan replied confidently.

Of course, these words were what Shen Mei usually taught her to say.

"I..." Shen Ning felt a suffocation in her chest, her vision turned black, and she almost fell down. It turns out that Li Zhenting has a daughter who was not born to her. He has another woman, and she caused them to divorce!

Oh my god, what has she done in these years?

And Li Zhenting has another woman and has given birth to children, but he is still cheating on her!

"Don't think that I will recognize you if you marry my father. Let me tell you, I have a mommy. I will not recognize you as my mommy. I hate you." Lan Lan continued to say ruthlessly. He spat at her and made a face.

"You..." Shen Ning's heart felt so heavy, her head began to hurt, and her face turned pale.

She was looking forward to a beautiful love that only belonged to her and her Shanshan, but that was not the case at all now. The reality was so cruel.

There were footsteps in the corridor.

"Daddy." Lan Lan heard the footsteps and immediately turned around, only to see Li Zhenting striding this way. She opened her arms and shouted excitedly while running towards him.

Li Zhenting was stunned for a moment when he saw Lan Lan, and then his face changed color.

During this period, he has been staying with Shen Ning, just thinking about letting her recognize the children he gave birth to, but he ignored that there was also Lan Lan.

Lan Lan is also his daughter, born to him and Shen Mei! How could he forget this?

This knowledge made his eyelids jump.

"Lanlan, why are you here?" Lanlan threw herself on his lap, and he had to pick her up and asked seriously.

"Daddy, I came home from school. Sister Li said you were home. I was so happy that I immediately ran up to find you." Lan Lan didn't notice Li Zhenting's face at all, and replied happily, holding her arms with her hands. He picked up Li Zhenting's neck and called out affectionately: "Daddy, I love you so much."

Li Zhenting stood blankly for a while, then quickly ran towards the bedroom.

#### **Chapter 1422: Li Zhenting's strength and loving wife 148**

In the bedroom.

Shen Ning held her head in both hands, her face turned pale.

When Li Zhenting ran in, she raised her head and looked at him, with eyes like a deer hopping, panic, helplessness, and a touch of pain.

Li Zhenting's heart was broken.

"Ning Ning." He took a few steps closer.

"Who is she?" Shen Ning asked, pointing to Lan Lan, who was holding her in his hand.

"She is Lan Lan." Li Zhenting's eyes were a little flustered.

"Lanlan, Lanlan." Shen Ning murmured.

"Huh, I'm daddy's daughter." Lan Lan's chest puffed up, feeling extremely proud.

"Is that so?" Shen Ning looked at Li Zhenting again and asked directly.

"Yes." Li Zhenting's face turned pale, and he had to answer after a long time.

Shen Ning suddenly held her head in her hands and cried helplessly like a child.

"Ning Ning, don't be impatient. Let me explain." Li Zhenting said, holding Lan Lan in his arms and walking downstairs.

"Lan Lan, what did you say to Aunt Shen Ning?" Li Zhenting put Lan Lan on the ground and asked sternly.

Lan Lan looked at him with some fear and shook her head: "I didn't say anything, just that I was your daughter."

Li Zhenting's eyes radiated cold air.

He knew Shen Ning very well. Her sad look must have been caused by Lan Lan saying something to her, and it was definitely not the result of seeing him holding Lan Lan just now. She must have been there before he went upstairs. I'm already sad, otherwise, there wouldn't be such a strong reaction.

"Lan Lan, tell the truth." Li Zhenting picked up the feather duster next to him with a stern voice.

The little girl Lan Lan is very much like her mother Shen Mei. She usually lies a lot and has many bad intentions. He will not believe her.

"Wow." Lan Lan was scared. Li Zhenting's face was really scary, scarier than ever before! She burst into tears.

"Are you going to tell me?" Li Zhenting's patience ran out and his tone became more stern. He needed to understand the process before he could prescribe the right medicine for Shen Ning's illness. He was careless just now.

Lan Lan was really scared. The feather duster hit her body very painfully. Shen Mei had hit her before.

"Daddy." She cried out, curling her lips and sobbing over what she had just said to Shen Ning. Although she didn't say it very clearly, Li Zhenting also got the general idea.

"You have gone too far. Go to the study and be put in solitary confinement." Li Zhenting was so angry that he fell down with the feather duster and hit Lan Lan, sending her to the study as a punishment.

He ran upstairs.

In the bedroom.

Shen Ning leaned against the bed screen, holding her head in her hands, her face as pale as paper.

"Ning Ning, Lan Lan is a liar. Don't listen to her." Li Zhenting ran in and hugged Shen Ning into his arms, shouting anxiously.

Shen Ning fell weakly into his arms and tried to push him away, but she didn't have the slightest strength.

"Ning Ning, I've said it before. Just believe in my words and believe that I love you. Don't listen to anyone else's words." He held Shen Ning in his arms and was in great pain.

How many hardships does it take to gain true love?

"Go away, I have a headache." Shen Ning muttered with her lips. Although she was weak, she was showing great resistance to him.

"Ning Ning, I'll call Professor Ji over right away." It had been so many days since he was discharged from the hospital. When he was most tired, he never heard Shen Ning complain about a headache. It seemed that he was really stimulated this time. He panicked and hurriedly dialed Ji Qingshan's phone number.

Fortunately, Ji Qingshan always cared about Shen Ning. After hearing this, he immediately put down the phone and rushed to Li's Castle.

### **Chapter 1423: wedding 1**

"Mr. Li, what kind of stimulation did you give her?" Ji Qingshan came over and looked at Shen Ning for a while. He asked her to take the medicine immediately. After Shen Ning took the medicine, the pain in her head gradually disappeared, but her face was still pale. , feeling weak all over, Ji Qingshan shouted angrily at Li Zhenting.

Li Zhenting looked guilty and said repeatedly: "I'm sorry, I was negligent. I didn't expect Lan Lan to come back suddenly."

He called Ji Qingshan aside and told him everything about the meeting between Lan Lan and Shen Ning.

Ji Qingshan sneered: "I have done something wrong and now it is difficult to wipe my butt. Lanlan is the biggest betrayal and harm you have done to Shen Ning. No woman can tolerate the man she loves having children with other women, and you You are such a \*\*\*\* for showing yourself naked in front of her like this."

"I was wrong, but how can I let Ning Ning minimize the damage?" Li Zhenting was very distressed and asked for a solution in a low voice.

Ji Qingshan said arrogantly: "I have no other option except to heal Ning Ning's injury. You can do it yourself."

"Professor Ji, Ning Ning and I are going to have a wedding the day after tomorrow..." Li Zhenting was a little discouraged.

"You bastard..." Before he could finish his words, Ji Qingshan suddenly punched him in the face.

Li Zhenting had no time to dodge or maybe didn't want to dodge at all. The punch hit him hard in the face, and blood flowed from the corner of his lips.

"Li Zhenting, I have told you a long time ago that before Shen Ning recovers his memory, you are taking advantage of someone else by doing this. If you refuse to listen and insist on doing this, you are extremely irresponsible to Shen Ning and should be beaten." Ji Qingshan Gritting his teeth, he raised his fist and hit Li Zhenting again.

"Cousin, get out of the way." Just when the punch was about to hit Li Zhenting's face again, a man suddenly rushed out from behind and dragged his clothes on his back. Li Zhenting took a few steps back and avoided him. fist.

"Ji Qingshan, why are you beating people here?" Li Jiaojiao rushed out and stopped in front of Li Zhenting, roaring angrily.

This man actually beat her all-powerful cousin until the corner of his lip bleeds, which is outrageous!

Ji Qingshan did not expect that the woman Li Jiaojiao would suddenly appear here again, and was stunned for a moment.

Damn, this woman is really haunted. You can meet her no matter where you go. She must have come to meet him on purpose.

Hmph, a girl pestering a man all day long is really worthless!

He chuckled scornfully.

"There are quite a lot of people who deserve to be beaten." He said this, turned around and walked towards the bedroom.

"Ji Mingshou, what do you mean? Do you still want to hit me?" Li Jiaojiao became even more furious at his strange taunting and chased after him angrily.

Ji Qingshan didn't bother to bother with her, but looked at Shen Ning and asked with concern: "Ning Ning, are you feeling better?"

"It's better, thank you Professor Ji." Shen Ning calmed down a little and answered softly.

"Cousin, what's wrong with you?" At this moment, Li Jiaojiao saw Shen Ning's pale face and the pain on it, and hurriedly came closer and asked with concern.

Shen Ning's eyes just fell on the face of Li Zhenting who followed from behind. There was an inexplicable sadness in his eyes. He lowered his eyes and said nothing.

Li Jiaojiao looked back at Li Zhenting and probably understood that her cousin had hurt her cousin. No wonder Ji Mingshou went crazy.

"Cousin, what's going on?" She turned around and asked Li Zhenting anxiously.

Li Zhenting said calmly: "About Lan Lan."

Lanlan? Li Jiaojiao's expression also changed slightly.

Lan Lan is indeed the obstacle between her cousin and her cousin, because this is irrefutable evidence and cannot be explained clearly.

"Ning Ning, Lan Lan is indeed my daughter. She was born to Shen Mei and I." Li Zhenting walked up to Shen Ning and admitted the truth truthfully.

Shen Ning's tears flowed down.

"Then why did you lie to me? You said you didn't have any other woman."

"Ning Ning, I didn't lie to you. Although Lan Lan is my daughter, that happened many years ago. I really don't have another woman now. Please believe me." Li Zhenting explained immediately.

"How can I not have another woman when my child is so old? How can I trust you?" Shen Ning shed tears.

#### **Chapter 1424: wedding 2**

"Cousin, I can testify that there is really no other woman around my cousin now. He only loves you. As for Lan Lan, that happened before. My cousin also mistook Shen Mei for you. Regarding this matter, if you really love your cousin, please forgive him." Li Jiaojiao stepped forward and took Shen Ning's hand, begging.

Shen Ning looked at her for a while and suddenly said to Ji Qingshan and Li Zhenting: "You two, please go out. I want to talk to Jiaojiao for a while."

"Ning Ning." Ji Qingshan was a little worried. After all, Li Jiaojiao was very unreliable.

"Please, please go out, Jiaojiao and I have something to say." Shen Ning begged them with their hands clasped together.

"Okay." Li Zhenting turned and walked away.

At this point, he has no choice. He is not sure whether Shen Ning will forgive himself, so he can only resign himself to fate. This is a problem that has happened in history and he cannot solve it.

Ji Qingshan sighed, shook his head and followed him out.

"Cousin, please believe me, my cousin really loves you, can't you feel it yourself?" Li Jiaojiao said as soon as they left.

Shen Ning sat up and said, "Jiaojiao, can you tell me everything about Lanlan?"

"Are you sure you can bear it?" Li Jiaojiao asked thoughtfully.

"Don't worry, since I want you to say it, I'm naturally prepared."

"All right."

So, Li Jiaojiao told Li Zhenting that Li Zhenting couldn't find her, and finally thought that Shen Mei was her.

"Cousin, you see, in fact, my cousin's heart has always been you. Everything between him and Shen Mei started because of you. My cousin said that he was drugged by a client that day, and Shen Mei broke in, what he did without consciousness was what led to Lan Lan, but he has never touched Shen Mei since then. My cousin loves you sincerely." In the end, Li Jiaojiao patted her chest and expressed her opinion,

"I'm not here to intercede for my cousin, but to tell you the real situation. You can ask your cousin and you will know it later."

"Okay, I understand. You can go out. I want to be quiet for a while." Shen Ning nodded, indicating that he understood.

"Cousin sister-in-law." Li Jiaojiao was worried about her mood.

"Don't worry, I'll be fine. All of this was my own choice. I can't blame anyone else." Shen Ning suddenly smiled.

Li Jiaojiao saw that her mood was quite stable, so she hesitated for a while and then walked out.

Shen Ning sat on the bedside, opened her bag, and took out two red books, which were the marriage certificates they had just received.

She stared blankly.

You are all adults, you have to be responsible for your own choices!

Li Zhenting once said that he did not want to take advantage of her loss of memory to add insult to injury and forcibly marry her. All this was of her own free will.

That's it, whether the road ahead is disaster or wealth, you have to face it with strength!

Because she loves him so much!

But why is her heart so painful?

In the corridor.

"Professor Ji, Ning Ning and I are going to have a wedding the day after tomorrow. I hope you can stay here these few days to see Ning Ning at any time. You can pay as much as you want for the consultation." Li Zhenting requested sincerely.

He was not sure whether Shen Ning would be stimulated in the past few days, because he was too busy, and he was afraid that if something happened to him, Shen Ning's old illness would relapse.

Ji Qingshan put his hands in his trouser pockets, and an unknown smile appeared on his lips: "Li Zhenting, I heard that you built many villas in the wealthy area in the south of the city. I want the best one among them, can you give it to me? "

There are at least hundreds of millions of villas there! He wanted to see if he was really willing to pay for Shen Ning!

### Chapter 1425: wedding 3

"No problem." Unexpectedly, Li Zhenting agreed immediately, "As long as you can guarantee that Shen Ning can successfully complete the wedding, I can give it to you immediately and sign the contract immediately. In the future, if you can restore Shen Ning's memory, I will also I can give you a bigger reward."

"Really." Ji Qingshan narrowed his eyes and said, "That's okay. Since you are so sincere, I agree."

He thought that based on his concern for Shen Ning, even if Li Zhenting didn't agree to this, he would still stay.

When Li Jiaojiao walked out of the bedroom, she saw her secretary looking for Ji Qingshan to sign a contract. When she inquired about it, she found out that Li Zhenting had given him the best villa in the south of the city, and she shed tears for a moment.

The villas in the south of the city are still the best, and are said to cost as much as 800 million.

My cousin actually gave the villa to this beast like this. Why can't he give it to her?

"Ji Mingshou, you are really shady. You just gave my cousin sister-in-law a medical check-up and then you slandered my cousin's best villa. You must be very shady." Li Jiaojiao stood beside Ji Mingshou. There was a strange atmosphere in front of Qingshan.

Looking at this man's appearance of talent and arrogance, it turns out that he is just a fake face.

"What do you want? Li Zhenting gave this to me voluntarily. Capitalists' money comes from exploitation. I treat his wife and I deserve the reward." Ji Qingshan glanced at her coolly and spoke arrogantly.

"You charge so much for medical treatment. This is called disturbing the market rules and extortion. I'm going to sue you." Li Jiaojiao gritted her teeth as she saw Ji Qingshan talking so boldly and signing without any shame.

what to do? She already dislikes this beast more and more!

"Professor Ji, your place of residence has been arranged." At this time, Li Zhenting came out and said, then looked at Li Jiaojiao and asked nervously: "Jiaojiao, how is Ningning?"

Li Jiaojiao immediately had a flattering smile on her face: "Cousin, don't worry, my cousin trusts me the most. I have explained Lan Lan's ins and outs clearly to her, and she has accepted it."

"Really? Does she still have a headache?" Li Zhenting had disbelief on his face.

"Of course not, don't worry, having me here is much better than some barking beasts. At least I won't hack your villa, at most I will just get some small money to spend." Li Jiaojiao glared at Ji Qingshan.

At this time, Ji Qingshan had completed the formalities and met Li Jiaojiao's murderous eyes. He slightly curled his lips and said, "Mr. Li, the formalities have been completed. Thank you for the villa. I will try my best to take good care of Shen Ning's illness."

"Okay, thank you, Professor Ji." Li Zhenting thanked him repeatedly.

Ji Qingshan didn't reply and walked forward. Li Zhenting turned around and walked towards Shen Ning's bedroom.

"Ji Mingshou, don't be complacent. If you eat something that's not yours, you'll vomit it out." Li Jiaojiao still felt sorry for the 800 million villa and cursed angrily.

"Tsk." Ji Qingshan snorted coldly, stopped, and turned around: "I think you are jealous. No matter how much you flatter me, you just can't get it, because you don't have that value."

"You..." Li Jiaojiao stretched out her fist, her eyes filled with anger.

"What? You dare to hit me?" Ji Qingshan looked at her with disdain, suddenly came closer and whispered, "Do you want to have diarrhea again?"

In an instant, Li Jiaojiao's eyes widened.

Ji Qingshan smiled sinisterly and walked away.

"Damn you bastard." Li Jiaojiao suddenly understood something and gritted her teeth and cursed.

This dead barking beast looked so weird just now, could it be...

That time she had diarrhea in the hospital. She had diarrhea for a day and a night, and she almost collapsed. Originally, she thought there was nothing wrong.

But now when I heard what he said, I suddenly felt that the problem was very serious!

That day, she just had ordinary diarrhea, but the doctors at the hospital couldn't cure it. However, she was cured soon after taking the medicine Ji Qingshan prescribed for her.

In this case, it was him who caused her diarrhea. As for when it happened, she couldn't tell.

"You bastard, you dare to cause me diarrhea, let's see how I kill you." Li Jiaojiao felt a breath of bad breath stuck in her chest and clenched her fists, vowing to make sure Ji Qingshan died.

At this age, no one has ever dared to harm her like this. He is really brave!

#### **Chapter 1426: wedding 4**

In the bedroom.

When Li Zhenting walked in, Shen Ning sat motionless with his hands on his knees, alone and pitiful.

He felt inexplicably sad.

"Ning Ning, I didn't mean to hide Lan Lan from you, but I forgot to tell you. Too many things happened during this period, and I really didn't have time to tell you about her situation." Li Zhenting He walked closer to her and stroked her hair with his fingers, "That happened several years ago. Please believe me, I have never had another woman except you in my life."

Shen Ning breathed out slowly and slowly raised her eyes, her eyes dim.

"Shanshan, Jiaojiao told me, I don't blame you, and I am willing to marry you. This is my own choice. I have to go on even if I am blind." She whispered, tears streaming down her face again. come out.

"Ning Ning, don't worry, I will never let you down." Li Zhenting hugged her into his arms, feeling very relieved.

She was able to accept the stain of his past so quickly, which was beyond his expectation. He was already pleasantly surprised, and he vowed to protect her throughout his life.

"Shanshan, because I love you. If you love someone, you have to accept everything about him, including the bad aspects. As long as you are good to me and the children in the future." Shen Ning snuggled into his arms and said this , the tears still couldn't stop flowing out.

"Ning Ning, I will definitely be good to you and the children. You are my dearest people in the world." Li Zhenting's hot lips fell and he began to kiss her face, eyebrows and tears.

Shen Ning closed her eyes tightly, enjoying his strong love.

After they were affectionate for a while, Li Zhenting took her hand and went downstairs.

Because the designer is here and wants to consult Shen Ning for her opinion on the layout of the wedding room.

"Master, Miss Lan Lan has been crying and yelling in the study, and now she suddenly stopped crying. I wonder if something happened?" As soon as they came down, the nanny responsible for taking care of Lan Lan reported to him immediately.

"Don't worry about her, let her reflect on it. It's outrageous." Li Zhenting frowned, showing no intention of letting her go.

Lanlan is really too spoiled. No matter where she appears, she will get into trouble. She must be taught a lesson.

"But..." The nanny looked at the study and hesitated. After all, the little girl was still young and she had been alone in the study for such a long time. If something happened and she would be in trouble, she had the responsibility to remind her.

"Shanshan, don't blame Lanlan. She's still young. Let her go quickly." Shen Ning thought about how anxious a mother would be if her child was punished by her father when she was so young. She couldn't watch the little girl suffer. , immediately interceded with Li Zhenting.

Li Zhenting sighed.

When Shen Ning came forward, he would of course be obedient.

But Shen Ning doesn't remember Lan Lan, and forgets the little girl's bad nature. He is afraid that she will not change her bad nature, which will not be a good thing.

Li Zhenting now gets a headache whenever he thinks of Lan Lan. This little girl looks so much like Shen Mei.

The study door was opened.

"Lan Lan." Shen Ning walked in.

Lan Lan was squatting in the corner, her head shrunk, motionless.

"Lanlan, Lanlan." Shen Ning's heart shrank. Something must have happened to this little girl. She immediately walked over and bent down to see her.

The little girl was seen with her head hanging down, as if she was asleep.

She called her twice more.

Lan Lan woke up suddenly and raised her head.

Shen Ning saw the little guy's face was covered with tears, his eyes were sleepy, and he looked pitiful.

#### **Chapter 1427: wedding 5**

Shen Ning's heart felt inexplicably sour.

"Lan Lan, get up quickly, I'll take you to eat delicious food." She said kindly.

"Wow." Lan Lan suddenly cried loudly, her whole body shaking with tears, her face was covered with tears, and she shrank back in fear. That pitiful look made Shen Ning even more sad.

"Lanlan, Auntie, hold her." She stretched out her hand to hug her.

Ke Lanlan cried out in fear: "Auntie, I'm sorry, I shouldn't have contradicted you, I shouldn't have said that. I'm sorry, I won't dare to do it again next time. Please ask daddy to let me out."

She cried and shouted loudly, and her cries filled the whole study.

"Okay, Auntie, I'll carry you out." Shen Ning agreed immediately and bent down to hug her.

"Ning Ning, let me come." Li Zhenting, who was following closely at this moment, bent down to hug Lanlan before her.

Because Shen Ning was in front and Li Zhenting was behind, Lan Lan only saw Shen Ning but not Li Zhenting who was following closely behind.

Li Zhenting had been looking at her lightly from behind, frowning. He didn't want to answer her, but when he saw Shen Ning going to hug her, he was worried that Shen Ning would be hurt, so he stretched out his hand.

Lanlan didn't expect that Li Zhenting was behind her, so she shrank back for a moment, her eyes filled with fear.

Li Zhenting picked her up.

"Daddy." She was hugged by Li Zhenting and immediately buried her face in his chest, holding his neck tightly with both hands, never wanting to let go.

Li Zhenting walked out with a sullen expression, hugging Lan Lan.

"Lan Lan, stand still." He put Lan Lan in front of the sofa and asked her to stand up.

Lan Lan refused to let go of his neck and leaned on him for a long time before she was let go.

She stood on the ground with her little face raised, looking pitiful.

"Zhen Ting, don't be so cruel to your child." Shen Ning couldn't stand it anymore and immediately whispered to Li Zhenting. But Li Zhenting was unmoved and asked seriously: "Lan Lan, do you know you are wrong?"

"Daddy, I was wrong."

"What's wrong?"

"I shouldn't contradict auntie." Lan Lan was very well-behaved.

"Is it just this?" Li Zhenting said in a stern tone, "Last time at my great-grandfather and great-aunt's place, you talked nonsense. I already taught you a lesson at that time and told you that what you said was not the truth. I told you not to speak nonsense in the future. But You are talking nonsense again today, do you know how to correct your mistakes?"

Lanlan was so scared that she clasped her little hands together and cried loudly: "Daddy, I was wrong, please forgive me."

"You say you were wrong every time, but you never corrected it." Li Zhenting had a headache. The little girl admitted her mistakes time and time again faster than she made them. But after admitting her mistakes, she still made them again. He didn't know how to teach her. .

"Zhen Ting, don't talk to a child like this, she is still young." Shen Ning wiped Lan Lan's tears with a tissue and scolded Li Zhen Ting.

How can a grown man compete with such a young daughter?

"Ning Ning, you are too kind and don't understand her nature. She is really hopeless." Li Zhenting sighed.

"Auntie, I promise not to talk nonsense in the future. When I grow up, I will respect you and my father. Please don't be angry with me. Please forgive me." Lan Lan shook her shoulders while crying.

"Okay, auntie and daddy have forgiven you. Lan Lan, don't cry. As long as you correct your shortcomings in the future, you will be a good boy." Shen Ning agreed quickly, feeling a little guilty. If it weren't for her, Li Zhenting wouldn't have said anything to her. With such a big anger, she used a tissue to wipe

away the tears and snot on her face. Looking at Li Zhenting's cloudy face, she took her little hand and walked towards the bathroom, wanting to wash her face.

As soon as Lan Lan was led out of the living room by Shen Ning, she stopped crying.

Shen Ning took her into the bathroom, took a disposable wet tissue, wiped her face carefully, and was about to talk to her and cultivate feelings.

Sudden

Lan Lan grabbed her wrist with both hands, put it into her mouth, then opened her mouth and bit her arm firmly.

### **Chapter 1428: wedding 6**

"Ah." Shen Ning immediately cried out in pain, "Lan Lan, please let go."

But the little girl just bit her arm and wouldn't let go.

"Let me go." In pain, Shen Ning had no choice but to push her head.

Until this moment, she didn't understand why Li Zhenting was so harsh on her. It seemed that he knew his daughter's character best.

This little girl is so hateful and vicious!

only

When Shen Ning pushed her head, her whole body was wrapped around her like a vine, scratching and scratching her.

The little girl has a chubby body and strong arms.

Shen Ning was caught in a very embarrassed state. It took a lot of effort to pull out her legs and push her away.

But she just stood firm.

Lan Lan just lay down on the floor like that, and started crying loudly. While crying, she shouted loudly: "Daddy, auntie hit me, it hurts me so much."

She cried out like a pig and rolled on the floor.

Shen Ning was dumbfounded.

There is such a little girl in this world, shameless, vicious, cunning, pretentious, acting, everything.

Her face turned white again.

"Ning Ning." Li Zhenting hurried over at this time. Seeing this, he immediately walked towards Shen Ning and asked with concern, "What's wrong with you?"

"I..." Shen Ning was about to cry but had no tears, and her eyes were covered with rain and mist.

What was she going to say? She was plotted against by a five or six year old girl. Who would believe this?

"That's enough, Lan Lan, stand up." Li Zhenting glanced at the mess on her body and seemed to have guessed something, and immediately shouted to Lan Lan who was rolling on the ground. Lan Lan curled her lips and cried: "Daddy, my aunt hits me, why do you always hit her?"

Should I hit her? Shen Ning's fingers touched the circle of teeth marks on her arm caused by Lan Lan's bite, and she suddenly felt the pain in her heart. She suddenly felt like a fool who would pity such a little girl. She was really feeding the dog.

But she still hid her arm that was bitten by Lan Lan.

After all, Li Zhenting's face looks very scary now. If she tells the truth, Lan Lan will probably suffer. And she has made the family uneasy even before she got married to him. She doesn't want to be gossiped about.

"Will your aunt beat you? It's obviously you who caused the trouble. Get up and go upstairs to your bedroom to reflect." Of course Li Zhenting would not believe Lan Lan's words and scolded her.

Shen Ning pursed her lower lip tightly and shook her head. She no longer wanted to care about Lanlan and walked towards the living room.

Li Zhenting bent down and pulled Lan Lan up and handed her over to the nanny.

The nanny took Lan Lan upstairs.

As soon as Shen Ning sat down uneasily on the sofa, she saw the nanny coming over holding Lan Lan's hand, and passed her towards the elevator.

When she looked towards Lan Lan, she found that the little girl's eyes were filled with a calculating smile, and she even stuck out her tongue at her. There was nothing sad about it!

Shen Ning was not feeling cold for a while!

It was only then that she finally understood what Li Zhenting meant. He was proposing to her now, and marrying her before her memory had recovered was indeed adding insult to injury and being irresponsible to her.

It's a pity that she couldn't understand it at the time. Instead, she believed the middle-aged and elderly woman and misunderstood Li Zhenting's meaning, blaming him for not marrying her because of other women. Now it seems that some things are not what she thought!

But now, the deal is done and the marriage certificate has been obtained. Is there any use for her to go back on her word?

She lowered her head.

Fortunately, Li Zhenting is completely on her side and has great trust in her. She should believe that her mountain can give her a happy life.

## Chapter 1429: wedding 7

As night falls, everything is silent.

Li Zhenting and Shen Ning returned to the Li family's old house after a busy day. The children were still waiting for them. When they saw their return, they all gathered around and were so happy to be intimate.

Li Zhenting raised his hand and picked up Xiaoxiao, kissed her forehead first, then lifted her above his head and spun her around.

Xiao Xiao was so happy that she laughed loudly.

Because Li Zhenting felt guilty about Xiaoxiao in the past, now he especially wants to make up for Xiaoxiao and gives her the most love. Instead, Dingding and Cocoa are left aside by him.

"Daddy, you must be nice to Mommy in the future." After playing for a while, he put Xiaoxiao down and held her in his arms. Xiaoxiao was very happy when she learned that mommy and daddy were going to decorate the wedding room today. She put her arms around Li Zhenting's neck and nibbled his ears.

Li Zhenting felt his heart hurt when he heard this.

Xiao Xiao has said this to him no less than three times, but every time he promised, he never followed through. It seemed that Xiao Xiao didn't quite believe him.

"Don't worry, Daddy will definitely do it. Just watch Daddy's performance in the future. If Daddy can't do it, just ignore him, okay." His answer was firm.

"Well, I believe in Daddy." Xiaoxiao is beautiful, kind and considerate, so of course she chooses to believe in Daddy.

"Xiaoxiao, Daddy established a charity foundation yesterday and it was named after you. In the future, Daddy will make this foundation bigger and stronger, and he will hand it over to you to manage when you grow up." Li Zhenting He kissed her little face and spoke softly.

"Thank you, Daddy." Xiaoxiao didn't know what the foundation was, but Daddy said it was made for her, so it must be good, so she hurriedly thanked her.

Shen Ning laughed beside her: "Shanshan, you pamper Xiaoxiao too much, just don't pamper her into a pampered princess."

In the past few days, she discovered that Li Zhenting always gave Xiaoxiao the first thing he wanted to eat and play. Even when going up and down the stairs, he would pick up Xiaoxiao and almost pamper her like a little princess.

Li Zhenting has now transformed into a slave girl!

"No, Xiaoxiao has a peaceful and kind personality, and is very sensible. She can withstand my favor. Besides, I owe her the most, and I should make it up to her. Compared with Lanlan, Xiaoxiao is much better. , I like her." He immediately defended her lovingly.

The little face is flushed with happiness.

It's great to have daddy's love on you! After Li Zhenting played with them for a while, Shen Ning let the children go to bed.

Now that Coco, Ding Ding and Xiao Xiao know that Daddy and Mummy are getting married soon, they no longer insist on sleeping with Mummy, and they all go back to their bedrooms to sleep.

The two special guards also went to rest.

Li Zhenting and Shen Ning sat on the bed next to each other after taking a bath.

"Ning Ning, we will officially be a family the day after tomorrow. In this life, we must love each other and live happily together forever, just like grandparents are as loving as grandparents." Li Zhenting held Shen Ning's soft little hand and said passionately.

"Yeah." Shen Ning was completely immersed in the sweetness of love and said sweetly.

The autumn nights are a bit cool.

Shen Ning saw that he had covered himself with the quilt, and his back was almost naked, and she was worried that he would catch cold.

"I can't afford so many quilts of this size. Please move over." She stretched out her hand and moved the quilt towards him.

Under the warm light, a large section of Shen Ning's white and tender arms were exposed, and her skin glowed pale pink.

When she stretched her arms here, her white neck was exposed under his eyes.

Li Zhenting's Adam's apple rolled down, and a wave of heat surged through his body.

"No need, I'm not cold, I'm hot." He held her little hand and smiled evilly.

Shen Ning was stunned. It was so late and the floor heating was not turned on. How could it be hot?

Suddenly

The man's hot breath came from the top of her head, and she felt as if she was snuggling up to a fire pot. The temperature rose rapidly. She understood something and her face turned red.

## **Chapter 1430: wedding 8**

At this moment, Li Zhenting stroked her arm, his heart agitated, and he lowered his head to kiss her lips.

Shen Ning had already had a premonition of something and closed her eyes happily.

"Ning Ning, what's wrong with you here?" Ge Di, Li Zhenting raised his head, raised the hand holding her forearm, turned it over slightly, and saw a circle of small tooth marks on the inside of her forearm, which were red. , it was particularly conspicuous against the white and tender skin. He touched it with his fingers lovingly and asked in surprise.

Shen Ning opened her eyes, froze for a moment, and then quickly retracted her arm.

"fine."

"No, show me quickly." The color in Li Zhenting's eyes faded a lot. He reached out and grabbed her arm, put it under his eyes and looked at it carefully. The more he looked at her, the darker his face became.

"Zhen Ting, I'm fine." Looking at his increasingly gloomy face, Shen Ning hurriedly covered it up.

But how could Li Zhenting believe her?

"What's going on here? Who bullied you?" He gently touched the teeth marks on her skin and asked through gritted teeth.

"Shanshan, no one bullied me. When I was playing with the children, Xiaoxiao accidentally bit me." Shen Ning didn't want to make the matter a big deal, so she could only say it lightly, thinking that Xiaoxiao was about the same age as Lanlan, and the teeth marks were also there. They shouldn't be the same, so it's easier to hide them.

But Li Zhenting's narrow eyes shone with a cold light.

"Xiao Xiao is even afraid of stepping on an ant to death. How could she bite her favorite mommy? Moreover, the tooth marks are so deep that it seems that she did not bite accidentally but maliciously."

..."

Shen Ning couldn't answer for a while.

"It must have been Lan Lan's bite. When did she bite you?" Li Zhenting asked sternly.

No one understands Lan Lan's virtue better than him. In the Li family, no one except her would dare to bully his woman so blatantly. Shen Ning fell silent. Obviously, this could not be hidden from Li Zhenting.

He knows everything!

"Ning Ning, tell me." Li Zhenting pressed and asked, "Why did she bite you?"

"Shanshan." Just when Li Zhenting was about to ask her again, Shen Ning suddenly turned sideways, moved closer to him, raised her head, and kissed his lips fiercely, rolling them gently.

The anger in Li Zhenting's heart instantly turned into ashes, and a wave of heat hit the top of his head.

Guilt turned into incomparable love. He held the back of her head with his big palm, kissed her back, and pressed her under him. His other hand eagerly tore open her nightgown, and two hot The bodies are superimposed...

"Ning Ning, you are so kind and considerate, what should I do?" Li Zhenting hugged her tightly and buried his head in her neck. The guilt and apology in his heart were like a tide. The sea of his heart.

Lanlan is still young, even if he knew it was her, he couldn't do anything to her!

If you scold her or hit her, she will quickly admit her mistakes, but then turn around and forget them completely. She will still make the mistakes she should have made, and recently, she seems to be getting worse and worse.

I used to pamper her too much! It's all his fault!

"It's okay." Shen Ning sniffed, her voice as low as a mosquito, "Don't blame her, she is quite pitiful, she doesn't have mommy by her side."

She thought, the little girl is still young, maybe she can be reformed and educated in the future. There is no one who is born a bad person!

She tried her best to explain things to her and begged Li Zhenting not to hold the blame for this matter any longer!

Li Zhenting sighed deeply and stroked Shen Ning's skin. If he couldn't protect the woman he loved, what kind of man was he?

It seems that we still need to strengthen Lanlan's education!

He lowered his head and went to kiss Shen Ning's lips again, but instead kissed a line of salty tears. His heart palpitated, and the guilt he filled turned into endless love again, and his hot lips fell on her face. , gradually, covered her whole body, stimulating all the passion in her body again, and the two rolled into a ball again, lingering until dawn.
